In the event that a bid for the Notes is submitted via PARITY, the bidder further agrees that:

1. The Township may regard the electronic transmission of the bid through PARITY (including information about the principal amount of the Notes, the price bid for the Notes and any other information included in such transmission) as though the same information were submitted on the "Proposal for Notes" provided by the Township and executed by a duly authorized signatory of the bidder. If a bid submitted electronically by PARITY is accepted by the Township, the terms of the "Proposal for Notes" and this Notice of Sale and the information that is electronically transmitted through PARITY shall form a contract, and the Successful Bidder or Bidders shall be bound by the terms of such contract.

2. PARITY is not an agent of the Township, and the Township shall have no liability whatsoever based on any bidder's use of PARITY, including but not limited to any failure by PARITY to correctly or timely transmit information provided by the Township or information provided by the bidder.

3. The Township may choose to discontinue use of electronic bidding via PARITY by issuing a notification to such effect via TM3 News Services, or by other available means, no later than 3:00 p.m., New Jersey time, on the last business date prior to the Bid Date.

4. Once the bids are communicated electronically via PARITY to the Township as described above, each bid will constitute a Proposal for Notes and shall be deemed to be an irrevocable offer to purchase the Notes on the terms provided in this Notice of Sale. For purposes of submitting all Proposals for Notes, whether by hand delivery, facsimile or electronically via PARITY, the time as maintained on PARITY shall constitute the official time.

5. Each Bidder shall be solely responsible to make necessary arrangements to access PARITY for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Unless the bidder elects to receive a single note registered to the bidder and to not reoffer the Notes, the bidder must be a participant of the Depository Trust Company, New York, New York (“DTC”) or affiliated with its participants. The Notes will be issued in the form of one certificate for the aggregate principal amount of the Notes of each series and will be payable as to both principal and interest in lawful money of the United States of America. Unless the bidder elects to receive a single note registered to the bidder, and to not reoffer the Notes, the certificates will be registered in the name of Cede & Co., as nominee of DTC, which will act as Securities Depository, and the certificates will be deposited with DTC which will be responsible for maintaining a book-entry system for recording the interests of its participants and the transfers of the interests among its participants. The participants will be responsible for maintaining records regarding the beneficial ownership interests in the Notes on behalf of the individual purchases. Individual purchases may be made in the principal amount of \$5,000 or any integral multiple of \$1,000 in excess thereof through book entries made on the books and records of DTC and its participants.

In the event (a) DTC determines not to continue to act as Securities Depository for the Notes or (b) the Township determines that continuation of the book-entry system of evidence and transfer of ownership of the Notes would adversely affect the interests of the beneficial owners of the Notes, the Township will discontinue the book-entry system with DTC. If the Township fails to identify another qualified securities depository to replace DTC, the Township will deliver replacement notes in the form of fully registered certificates.

Delivery will be on or about August 11, 2016. Payment shall be in immediately available funds.

A Preliminary Official Statement dated July 27, 2016, has been prepared, and is deemed to be a “final Official Statement”, as of its date, within the meaning of Rule 15c2-12 of the Securities and Exchange Commission, but is subject to (a) completion with certain pricing and other information to be made available by the successful bidder, and (b) amendment. The Preliminary Official Statement, as so revised, will constitute the final Official Statement.

In order to assist bidders in complying with SEC Rule 15c2-12(b)(5), the Township will undertake pursuant to a Continuing Disclosure Certificate to provide notices of the occurrence of certain events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement.

No later than seven business days following the award of the Notes, the Township will provide the successful bidder with a reasonable number of copies of the final Official Statement, provided that all information necessary to complete the final Official Statement is supplied to the Township within twenty-four (24) hours after the award of the Notes.

At the request of the successful bidder, a single CUSIP identification number will be printed on both series of the Notes, but neither the failure to print such number on any Note nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Notes in accordance with the terms of this Notice of Sale. All expenses in relation to the printing of the CUSIP number on the Notes shall be paid for

by the Township; provided, however, that the CUSIP Service Bureau charge for the assignment of said number shall be the responsibility of and shall be paid for by the purchaser.

As a condition to the delivery of the Notes, the successful bidder will be required to execute a receipt therefor containing a certification that either (i) all of the Notes have been the subject of an initial public offering, and at least ten percent (10%) of the Notes have been sold to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriter or wholesaler) at such initial offering price or prices as would produce a yield to the purchaser(s) thereof equal to a stated percent per annum, and it has no reason to believe that any of the Notes have been or will be initially sold to the public at a lower yield than aforesaid, or (ii) it has not reoffered the Notes to the public and has no present intention to reoffer the Notes to the public.

In addition, the successful bidder will be required to furnish on behalf of the underwriter(s) of the Notes the following information by facsimile transmission or overnight delivery received within twenty-four (24) hours after the award of the Notes: (a) the initial public offering price or yield (expressed as a percentage), (b) selling compensation (aggregate total anticipated compensation to the underwriter(s) expressed in dollars), (c) the identity of the underwriters if the successful bidder is part of a group or syndicate, and (d) any other information necessary to complete the final Official Statement but not known to the Township (such as the bidder's purchase of credit enhancement on the Notes).

A Preliminary Official Statement may be obtained at www.i-dealprospectus.com or from the Township's Auditor, Lerch, Vinci & Higgins, LLP, at (201) 791-7100.
