This Notice of Sale sets forth only a brief summary of certain provisions of the Bonds. For additional information pertaining to the Bonds, a prospective bidder should refer to the Town's Preliminary Official Statement dated January 6, 2017 with respect to the Bonds and dated as of the date hereof (the "Preliminary Official Statement"). In the event of any conflict between the Preliminary Official Statement and this Notice of Sale, the Preliminary Official Statement shall control.

The Bonds will be dated February 1, 2017 and will bear interest, payable on October 1, 2017 and semi-annually thereafter on April 1 and October 1 of each year until maturity, or redemption prior to maturity. Purchases of the Bonds will be made in book-entry form, in the denomination of \$5,000 or any integral multiple thereof. It is expected that the Bonds, in definitive form, will be available for delivery on or about February 1, 2017.

Bonds maturing on or before April 1, 2027 are not subject to optional redemption prior to their stated dates of maturity. Bonds maturing on and after April 1, 2028 are subject to redemption prior to their stated dates of maturity, at the option of the Town, on and after April 1, 2027, as a whole or in part at any time, in such order of maturity as the Town, in its discretion, may determine at a price of par (100% of original stated amount of value at maturity), together with interest accrued and unpaid to the redemption date, if any.

The Bonds will be issued by means of The Depository Trust Company's Book-Entry-Only System with no physical distribution of Bond certificates made to the public. One Bond certificate for each maturity will be issued to The Depository Trust Company, New York City, New York ("DTC") and immobilized in their custody. The Book-Entry Only System will be employed, evidencing ownership of the Bonds in

principal amounts of \$5,000, with transfers of ownership effected on the records of DTC and its Participants pursuant to rules and procedures established by DTC and its Participants. The winning bidder (the “purchaser”), as a condition to delivery of the Bonds, shall be required to deposit the Bond certificates with DTC, registered in the name of Cede & Co. Principal of and interest on the Bonds will be payable in Clearing House Funds to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC. Transfer of principal and interest payments to Beneficial Owners will be the responsibility of such Participants and other nominees of Beneficial Owners. The Town will not be responsible or liable for maintaining, supervising or reviewing the records maintained by DTC, its Participants or persons acting through such Participants.

The original Bond certificates to be immobilized at DTC will be prepared under the supervision of and authenticated by U.S. Bank National Association, Boston, Massachusetts, Paying Agent, and their legality approved by Jensen Baird Gardner & Henry of Portland, Maine, Bond Counsel, whose opinion will be furnished to the purchaser without charge.

Bond Counsel’s opinion will be provided to the original purchaser and will indicate that the Bonds are valid general obligations of the Town of Cumberland, Maine (the “Town”) and, unless paid from other sources, are payable as to both principal and interest from ad valorem taxes that are subject to limitation unless certain procedural requirements under Title 30-A, Section 5721-A of the Maine Revised Statutes, as amended, are met, in which case such ad valorem taxes may then be levied without limit as to rate or amount upon all the property within the territorial limits of the Town and taxable by it, except to the extent that the Town may enter into an agreement under Title 30-A, Chapter 223, Subchapter V of the Maine Revised Statutes, as amended, to share its assessed valuation with another municipality and except to the extent that the Town establishes or has established development districts either as tax increment financing districts or affordable housing development districts pursuant to Title 30-A, Chapters 206 and former 207 (now repealed) of the Maine Revised Statutes, as amended, the captured tax increment of which may not be available for payment of debt service on the Bonds. Bonds issued for the School is not subject to the property tax limit set forth in Title 30-A, Section 5721-A of the Maine Revised Statutes, as amended. The Treasurer has certified that no agreements under Chapter 223, Subchapter V, to share assessed valuation with another municipality, now exist. The Town has established certain tax increment financing districts and elected to retain a portion of the tax increment on the captured assessed value of the property in the districts to pay costs of the development projects described in the development programs adopted with respect to the districts. Within the limits established by statute, the Town has the right to designate additional development districts pursuant to Chapter 206 of Title 30-A of the Maine Revised Statutes, as amended. The opinion will indicate that the enforceability of the obligations of the Town, including the Bonds, may be limited by bankruptcy, insolvency, moratorium and other laws affecting the rights and remedies of creditors generally, and are subject to general principles of equity. The opinion will be dated and given on and will speak as of the date of original delivery of the Bonds to the original purchasers.

The Town will designate the Bonds as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code.

There is no litigation, threatened or pending, affecting the validity of the Bonds, the corporate existence or the boundaries of the Town, or the title of the present officers to their respective offices, and the purchaser or purchasers will be furnished with a certificate to this effect.

Bids must specify the amount bid for the Bonds, not less than 100.000% of the par value of the issue and:

- Must state in a multiple of one-eighth (1/8) or one twentieth (1/20) of one per centum (1%) the rate or rates of interest per annum which the several maturities of the Bonds are to bear;
- All Bonds maturing in any one year must carry the same interest rate and each interest period shall be represented by one interest rate. Bids which include split or supplemental interest rates will not be considered;
- **Minimum Bid:** Only bids at or greater than 100.856164% of the issue amount (or \geq \$62,500.00 bid premium) will be accepted;
- **Application of Bid Premium:** Bid premium may be used to apply funds pay for costs of issuance, capitalized interest or, if to the projects, may reduce the annual amount(s) of Bonds issued to finance the projects;
- Should the Town apply bid premium to reduce the amount of bonds issued, the Town will apply the same percentage amount of underwriters spread per thousand to the reduced issue amount;
- The original purchaser must also pay an amount equal to the interest on the Bonds accrued to the date of delivery, if any;
- A “Good Faith” deposit is not required.

As between proposals which comply with this Notice, the Bonds will be sold to the bidder whose proposal offers to purchase all of the Bonds at the lowest True Interest Cost (“TIC”), that is, the annual interest rate, compounded semiannually, which when used to discount **to the February 1, 2017 delivery date** all payments of principal and interest payable on the Bonds results in an amount equal to the purchase price for the Bonds including accrued interest to the date of delivery but which will include any premium bid thereon. The TIC should be computed to four decimal places. Bids must be submitted:

Proposals shall not be conditioned upon the issuance of any such policy or commitment and any failure of the Bonds to be insured or of any such policy or commitment to be issued shall not in any way relieve the purchaser of their contractual obligations arising from the acceptance of their proposal for the purchase of the Bonds.

The Financial Advisor intends to provide the purchaser of the issue with CUSIP identification numbers as is discussed in the Preliminary Official Statement, in compliance with MSRB Rule G-34, (a)(i) (A)-(H). As is further discussed in Rule G-34 the purchaser, as the "dealer who acquires" the issue, is responsible for the registration fee to the CUSIP Bureau for this service. It is anticipated that CUSIP identification numbers will be printed on the Bonds. All expenses in relation to the printing of CUSIP numbers on the Bonds will be paid for by the Town, provided, however, that the Town assumes no responsibility for any CUSIP Service Bureau charge or other charges that may be imposed for the assignment of such numbers.

Additional information concerning the Town of Cumberland, Maine and the Bonds is contained in the Preliminary Official Statement dated January 6, 2017 which has been distributed and to which prospective bidders are directed. The Town agrees to advise the purchaser, by written notice, of any developments that impact the accuracy and completeness of the key representations (within the meaning of SEC Rule 15c2-12) contained in the

final Official Statement, which may occur during the period commencing on the date of the acceptance by the Town of its proposal and ending on the 90th day next following such date of acceptance, unless such final Official Statement is available from a “nationally recognized municipal securities information repository”, in which event such period shall end on the 25th day.

In order to assist bidders in complying with Rule 15c2-12(b)(5) promulgated by the Securities and Exchange Commission, the Town will undertake to provide annual reports and notices of certain material events. A description of this undertaking is set forth in the Preliminary Official Statement.

The purchaser will be furnished copies of the final Official Statement prepared for this issue at the Town's expense within seven (7) business days. In the event that the Bonds shall be held by the successful bidder for investment and not to be offered for resale to the public, the successful bidder shall specify in such certificate the purchase price being paid by the successful bidder to the Town for each such maturity; and
- (iii) The certificate shall also state that the aggregate issue price does not exceed the fair market value of the Bonds as of such date of sale. The certificate shall state that it is made on the best knowledge, information and belief of the successful bidder after appropriate investigation.
