\$665,000 in the year 2030,
\$670,000 in the year 2031, and
\$665,000 in the year 2032.

To the extent any instructions or directions set forth in PARITY conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about PARITY, potential bidders may contact Ipreo at 1359 Broadway, 2nd Floor, New York, NY 10018, telephone (212) 849-5021.

The Bonds shall be issued in registered form by means of a book-entry system with no physical distribution of bond certificates made to the public. One bond certificate for each maturity will be issued to The Depository Trust Company, New York, New York ("DTC") and immobilized in its custody. The book-entry system will evidence ownership of the Bonds in the principal amount of \$5,000 or any integral multiple thereof, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. The successful bidder, as a condition to delivery of the Bonds, shall be required to deposit the bond certificates with DTC, registered in the name of Cede & Co., its nominee. Interest on the Bonds will be payable on each April 1 and October 1, commencing October 1, 2017 (each, an "Interest Payment Date"), in each year until maturity or prior redemption, and principal of the Bonds will be payable, at maturity, by payment of immediately available funds by the Bond Registrar/Paying Agent to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest to participants of DTC will be the responsibility of DTC. Transfer of principal and interest to beneficial owners will be the responsibility of the DTC participants and other nominees of the beneficial owners. The Borough will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

In the event (a) DTC determines not to continue to act as securities depository for the Bonds or (b) the Borough determines that continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect the interests of the beneficial owners of the Bonds, the Borough will discontinue the book-entry system with DTC. If the Borough fails to identify another qualified securities depository to replace DTC, the Borough will deliver replacement bonds in the form of fully registered certificates.

The Bonds maturing on or before April 1, 2027 are not subject to redemption prior to their stated maturities. The Bonds maturing on or after April 1, 2028 are subject to redemption at the option of the Borough prior to maturity, in whole on any date or in part on any Interest Payment Date, on or after April 1, 2027, upon notice as hereinafter set forth at the redemption price of 100% of the principal amount being redeemed, plus accrued interest to the date fixed for redemption.

If the Borough determines to optionally redeem a portion of the Bonds prior to maturity, such Bonds so redeemed shall be in such maturities as determined by the Borough, and within any maturity, by lot; *provided, however*, that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or some multiple thereof and that, in selecting Bonds for redemption, the Bond Registrar/Paying Agent shall treat each Bond as representing that number of Bonds that is obtained by dividing the principal amount of such Bond by \$5,000.

Notice of redemption shall be given by first class mail in a sealed envelope with postage prepaid to the registered owners of the Bonds at their respective addresses as they last appear on the registration books kept for that purpose by the Bond Registrar/Paying Agent at least thirty (30) but not more than sixty (60) days before the date fixed for redemption. Such mailing is not a condition precedent to redemption, and the failure to mail or to receive any redemption notice will not affect the validity of the redemption proceedings. If any Bond subject to redemption is a part of a greater principal amount of the Bonds not to be redeemed, such entire amount shall be surrendered to the Bond Registrar/Paying Agent and, for that portion of the Bond not to be redeemed, a new Bond shall be issued in the name of the registered owner in an amount equal to the principal amount of the Bond surrendered less the amount to be redeemed.

The Bonds are general obligations of the Borough and are secured by a pledge of the full faith and credit of the Borough for the payment of the principal thereof and the interest thereon. The Bonds are payable, if not paid from other sources, from ad valorem taxes to be levied upon all the real property taxable within the Borough without limitation as to rate or amount.

Each proposal submitted must name the rate or rates of interest per annum to be borne by the Bonds bid for, and the rate or rates named must be a multiple of 1/8th or 1/20th of one percentum (1%). The interest payable with respect to each Bond on any one date will be evidenced by a single rate of interest. Not more than one rate may be named for Bonds of the same maturity. There is no limitation on the number of rates that may be named. If more than one rate of interest is named, no interest rate named for any maturity may be less than the interest rate named for any prior maturity. Each proposal submitted must be for all of the Bonds offered and the purchase price specified must not be less than \$8,125,000 nor more than

\$8,206,250. The Bonds will be awarded to the bidder on whose bid the total loan may be made at the lowest net interest cost, such net interest cost shall be computed, as to each bid, by adding to the total principal amount of Bonds bid for (which shall be all of the Bonds offered) the total interest cost to maturity in accordance with such bid and by deducting therefrom the amount of premium, if any, bid, which premium shall not exceed \$81,250 (1% of par). No proposal shall be considered which offers to pay an amount less than the principal amount of Bonds offered for sale or under which the total loan is made at an interest cost higher than the lowest net interest cost to the Borough under any legally acceptable proposal. The Borough reserves its right to reject all bids, and any bid not complying with the material terms of this notice will be rejected. The Borough reserves the right to waive defects it deems non-material, in its sole discretion.

The successful bidder must pay accrued interest from the date of the Bonds to the date of delivery. No interest will be paid upon the deposit made by the successful bidder. The Bonds will be authenticated by the Chief Financial Officer, acting as Bond Registrar/Paying Agent for the Bonds.

Sealed proposals should be addressed to the undersigned Chief Financial Officer, and enclosed in a sealed envelope marked on the outside "Proposal for Bonds". A good faith deposit (the "Deposit") in the form of a cash wire or a certified, treasurer's or cashier's check drawn upon a bank or trust company in the amount of \$162,500, payable to the order of the BOROUGH OF PALISADES PARK, is required for each bid to be considered. If a cash wire is used, the wire must be received by the Borough no later than 11:00 A.M. on March 30, 2017. If a cash wire is utilized, each bidder must notify the Borough of its intent to use such cash wire prior to 11:00 A.M. on March 30, 2017, and must provide proof of electronic transfer of such cash wire prior to 11:00 A.M. on March 30, 2017 (with return wiring instructions). Wire instructions for the Borough can be obtained by contacting the Chief Financial Officer (Roy Riggitano (201) 796-1438) or the Borough's Bond Counsel (Steven Rogut or Peter Calhoun (908) 931-1150). If a check is used, it must accompany the bid or be received by the undersigned Chief Financial Officer prior to the opening of bids. Each bidder accepts responsibility for delivering such cash wire or check on time and the Borough is not responsible for any cash wire or check that is not received on time. Checks or wires of unsuccessful bidders will be returned upon the award of the Bonds. No interest on the Deposit will accrue to the successful

bidder. The Deposit will be applied in part payment for the Bonds or to partially secure the Borough from any loss resulting from the failure of the successful bidder to comply with the terms of its bid.

Award of the Bonds to the successful bidder or rejection of all bids is expected to be made within two hours after opening of the bids, but such successful bidder may not withdraw its proposal until after 3:00 p.m. (local time) of the day of such bid-opening and then only if such award has not been made prior to the withdrawal.

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder thereof to accept delivery of and pay for the Bonds in accordance with its contractual obligations arising from the acceptance of its proposal for the purchase of the Bonds. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid for by the Borough; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the successful bidder.

The Bonds shall be delivered on or about April 12, 2017 at the office of Rogut McCarthy LLC, Cranford, New Jersey ("Bond Counsel"), or at such other place as may be determined by the successful bidder and the Borough. PAYMENT FOR THE BONDS AT THE TIME OF ORIGINAL ISSUANCE AND DELIVERY SHALL BE IN IMMEDIATELY AVAILABLE FUNDS.

A preliminary Official Statement has been prepared and is available at www.i-DealProspectus.com or may be obtained from the undersigned, Chief Financial Officer, Municipal Building, 275 Broad Avenue, Palisades Park, New Jersey 07650, Telephone No. (201) 796-1438. The preliminary Official Statement is deemed to be a "final official statement", as of its date, within the meaning of Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12"), but is subject to (a) completion with certain pricing and other information to be made available by the successful bidder for the Bonds and (b) amendment. The preliminary Official Statement, as so revised, will constitute the "final official statement". By the submission of a bid for the Bonds, the successful bidder contracts for the receipt of a reasonable number of copies of the final Official Statement within seven business days of the

award of the Bonds. In order to complete the final Official Statement, the successful bidder must furnish on behalf of the underwriters of the Bonds the following information to Bond Counsel and the Borough by facsimile transmission or overnight delivery received by Bond Counsel and the Borough within 24 hours after the award of the Bonds: (a) initial offering prices or yields (expressed as percentages), (b) selling compensation (aggregate total anticipated compensation to the underwriters expressed in dollars), (c) the identity of the underwriters if the successful bidder is part of a group or syndicate and (d) any other material information necessary for the final Official Statement, but not known to the Borough (such as the bidder's purchase of credit enhancement). It shall also be the obligation of the successful bidder to furnish to DTC an underwriter's questionnaire and the denominations of the Bonds not less than seventy-two (72) hours prior to the delivery of the Bonds.

Concurrently with the delivery of the Bonds, the officials of the Borough who will have executed the final Official Statement will deliver to the purchaser of the Bonds a certificate stating that, to the best of their knowledge, the preliminary Official Statement did not as of its date and as of the sale date, and the final Official Statement did not as of its date and does not as of the date of delivery of the Bonds, contain an untrue statement of a material fact or omit to state a material fact required to be included therein for the purpose for which the preliminary Official Statement or the final Official Statement is to be used or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, provided such certificate shall not include consideration of information supplied by, or which should have been supplied by, the successful bidder for the Bonds.

The Borough has agreed in its bond resolution adopted on February 28, 2017 to provide or cause to be provided, in accordance with the requirements of Rule 15c2-12, (i) not later than seven months after the end of the Borough's fiscal year (presently December 31) certain annual financial information and operating data, including audited financial statements for the preceding fiscal year (commencing with the fiscal year ending December 31, 2016), (ii) timely notice of the occurrence of certain material events with respect to the Bonds and (iii) timely notice of a failure by the Borough to provide the required annual financial information on or before the date specified in (i) above.

The successful bidder's obligation to purchase the Bonds shall be conditioned upon its receiving, at or prior to the delivery of the Bonds, in form and substance reasonably satisfactory to the successful bidder, evidence that the Borough has made the continuing disclosure undertaking set forth above in a written agreement or contract for the benefit of the Bondholders and the beneficial owners of the Bonds.

The approving legal opinion of Bond Counsel will be furnished without cost to the purchaser. The preliminary Official Statement contains a discussion of the provisions of the Internal Revenue Code of 1986, as amended (the "Code"), with respect to the exclusion from gross income for Federal income tax purposes of the interest on the Bonds and a description of the opinion of Bond Counsel with respect thereto. The Borough has covenanted, to the extent permitted by the Constitution and laws of the State of New Jersey, to comply with the provisions of the Code required to preserve the exclusion from gross income of interest on the Bonds for Federal income tax purposes. There will also be furnished the usual closing papers.

The Borough has designated the Bonds "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code and will represent that it reasonably expects that neither it nor its subordinate entities will issue more than \$10,000,000 of new money tax-exempt obligations in the current calendar year.

If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, any purchase of such insurance or commitment therefor shall be at the sole option and expense of the bidder and any increased costs of issuance of the Bonds resulting by reason of such insurance, unless otherwise paid, shall also be paid by such bidder. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued, shall not in any way relieve the purchaser of its contractual obligations arising from the acceptance of its proposal for the purchase of the Bonds.

The successful bidder will be required to furnish, prior to the delivery of the Bonds, a certificate acceptable to Bond Counsel setting forth information with respect to the Bonds including the "issue price" of the Bonds within the meaning of Section 1273 of the Code.
