An award may be made to any bidder(s) in a principal amount not less than the principal amount of the Notes of any Maturity for which the bid is submitted. In the event that two or more bidders offer identical bids for the Notes, the winning bid shall be the earlier bid received in the determination of the Board, whose determination shall be final.

Additional Condition of Award – Disclosure of Interested Party Form:

Pursuant to Texas Government Code Section 2252.908 (the "Interested Party Disclosure Act"), the Board may not award a Maturity of the Notes to a bidder unless the winning bidder, and each syndicate member (if any) listed in the winning bidder's email submission of its bid, submits a Certificate of Interested Parties Form 1295 (the "Disclosure Certificate") to the Board as prescribed by the Texas Ethics Commission ("TEC"), but only to the extent that the Interested Party Disclosure Act is applicable.

For bidders and syndicate members who are publicly traded entities or wholly owned subsidiaries thereof:

Pursuant to Section 2252.908(c)(4) of the Texas Government Code, "a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity" is not subject to the Interested Party Disclosure Act (an "Exempt Entity"), and a Disclosure Certificate is not required to be filed by an Exempt Entity. The Board will assume that each bidder and syndicate member is not an Exempt Entity unless the bidder or syndicate member confirms in writing that it is an Exempt Entity. Such confirmations should be sent by email to mrobinson@tamus.edu, clhanks@tamus.edu, mary.williams@hilltopsecurities.com, and jnydegger@winstead.com.

For bidders and syndicate members who are not publicly traded entities or wholly owned subsidiaries thereof:

In the event that the bidder's bid for a Maturity of the Notes conforms to the specifications herein and is the lowest bid received for such Maturity of Notes (as described above in "Basis for Awards"), upon determination by the Board, the Dealer will use its best efforts to notify the apparent winning bidder by email by approximately 12:00 PM CDT, on Tuesday, September 29, 2020. **The apparent winning bidder, and each non-publicly traded syndicate member (if any) listed on a winning bidder's email submission of its bid, must submit a completed Disclosure Certificate (as described below) not later than 1:00 PM CDT on Tuesday, September 29, 2020 in order for the Board to complete the final award for each Maturity of the Notes.** A bidder may submit a Disclosure Certificate in advance of submitting a bid for the Notes. If an apparent winning bidder, and each non-publicly traded syndicate member (if any) listed in such winning bidder's email submission of its bid, fails to file the Disclosure Certificate by the time set forth in the previous sentence, the Board reserves the right to notify such apparent winning bidder that its bid has been rejected and award the respective Maturity of the Notes to the next lowest bidder that has complied with the Interested Party Disclosure Act. An authorized representative of the Board, or the Dealer acting on behalf of the Board, will provide notice of the Board's final award for each Maturity of the Notes by e-mail to the winning bidder(s) thereof by approximately 1:30 PM CDT on Tuesday, September 29, 2020. Each such e-mail from an authorized representative of the Board, or from the Dealer acting on behalf of the Board, shall be deemed to constitute the Board's final acceptance of the bid(s) described in such e-mail, which final acceptance shall in all respects be subject to the terms of this Notice of Competitive Sale and the Commercial Paper Memorandum.

For purposes of completing the Disclosure Certificate, reference is made to the following information needed to complete it: (a) item 2 – name of governmental entity – "The Texas A&M University System" and (b) item 3 – the identification number used by the Board to identify this contract – "SEPTEMBER 2020 PUF CP", and the description of the goods or services to be provided under this contract – "Purchase of PUF Taxable Commercial Paper Notes." **The Interested Party Disclosure Act and the rules adopted by the TEC with respect thereto (the "Disclosure Rules") require a business entity contracting with the Board to (i) complete the Disclosure Certificate electronically at <https://www.ethics.state.tx.us/filinginfo/1295> and (ii) print, sign and**

deliver (by e-mail as described below), the executed Disclosure Certificate that is generated by the TEC's "electronic portal" to the Board. Following the electronic filing with the TEC, the winning bidder, and each syndicate member (if any) listed in the winning bidder's email submission of its bid, must submit an electronic copy of its executed Disclosure Certificate to the Board to mrobinson@tamus.edu, clhanks@tamus.edu, mary.williams@hilltopsecurities.com, and jnydegger@winstead.com. The foregoing representation is made solely to the extent that this Notice of Sale constitutes a governmental contract under Texas laws, and solely to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable Federal law and exclude the bidder and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization. All bids are subject to verification and acceptance by an authorized representative of the Board. The Board shall have the right to deem each bid immediately after the deadline for receipt of bids to be accurate and binding on the bidder.

No good faith deposit is required in connection with the submission of a bid for the Notes.

Historically Underutilized Business Participation:

The Board encourages historically underutilized businesses to submit bids for the Notes. Each senior manager of any underwriting syndicate that submits a bid for the Notes is strongly encouraged to include certified historically underutilized businesses in their syndicate.

As used herein, "historically underutilized business" means an entity with its principal place of business in Texas that is (a) a corporation formed for the purpose of making profit in which at least 51 percent of all classes of the shares of stock or other equitable securities is owned by one or more persons who have been historically underutilized because of their identification as women or members of certain minority groups, including Black Americans, Hispanic Americans, Asian Pacific Americans and Native Americans; (b) a sole proprietorship for the purpose of making a profit that is 100 percent owned, operated and controlled by a person described above; (c) a partnership for the purpose of making a profit in which 51 percent of the assets and interest in the partnership is owned by one or more persons described above; or (d) a joint venture in which each entity in the joint venture is a historically underutilized business as described above. Those persons must have a proportionate interest and demonstrate active participation in the control, operation, and management of the entity's affairs.

Blue Sky Laws:

By submission of its bid, the bidder represents that the sale of the Notes in states other than Texas will be made only pursuant to exemption from registration or, where necessary, the bidder will register the Notes in accordance with the securities law of the states in which the Notes are offered or sold. The Board agrees to cooperate with the winning bidder, at the winning bidder's written request and expense, in registering the Notes or obtaining an exemption from registration in any state where such action is necessary; provided, however, that the Board will not be required to execute a special or general consent to service of process or qualify to do business in connection with any such qualification in any jurisdiction.

Not an Offer to Sell:

This Notice of Competitive Sale does not alone constitute an offer to sell the Notes, but is merely notice of the sale of such Notes. The offer to sell the Notes described herein is being made by means of this Notice of Competitive Sale and the Commercial Paper Memorandum. Prospective purchasers are urged to examine carefully the Commercial Paper Memorandum to determine the investment quality of the Notes.
