Each bidder may, on the attached bid sheet, designate the Notes as "Direct Purchase, Not Reoffered". If a bidder makes such designation and is awarded the Notes, such winning bidder shall certify at closing that (i) it has not reoffered the Notes to the public and does not expect to do so and (ii) it has purchased the Notes for its own account (or the account of a related party) and not with a view to resell or distribute.

In the event the winning bidder designates the Notes as "Direct Purchase, Not Reoffered", then the issue price for the Notes shall be the purchase price offered by the winning bidder.

Otherwise, in the event the Township receives at least three (3) bids for the Notes, then the issue price for the Notes shall be established based on the reasonably expected initial offering price of the Notes as of the Bid Date (the "Expected Offering Price"). The Expected Offering Price shall consist of the price of the Notes used by the winning bidder in formulating its bid to purchase the Notes. The winning bidder shall be required to deliver on the closing date a certificate to such effect and provide to the Township, in writing, the Expected Offering Price as of the Bid Date.

In the event the Township receives fewer than three (3) bids for the Notes, then the issue price for the Notes shall be established based on the following method as selected by the winning bidder on the Bid Date:

10% Sold: The issue price for the Notes shall be established based on the first price at which at least 10% of the Notes was sold to the Public (as defined below). The winning bidder shall be required to deliver on the closing date a certificate to such effect and provide to the Township, in writing, evidence satisfactory to Bond Counsel to the Township of such sales price for the Notes. In the event that the winning bidder has not sold at least 10% of the Notes to the Public as of the closing date, the winning bidder shall (i) provide to the Township, in writing, on the closing date, the Expected Offering Price for the Notes as of the Bid Date and a certificate regarding same and (ii) have a continuing obligation to provide to the Township, in writing, evidence satisfactory to Bond Counsel to the Township of the first price at which at least 10% of the Notes is sold to the Public, contemporaneous with such sale.

Hold the Price: The Issue Price for the Notes shall be established based on the initial offering price of the Notes to the Public as of the Bid Date, provided that the winning bidder shall, in writing, (i) confirm that the winning bidder has offered or will offer the Notes to the public on or before the Bid Date at the offering price or prices

set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Notes, that the underwriters will neither offer nor sell the Notes to any person at a price that is higher than the initial offering price to the Public during the period starting on the Bid Date and ending on the earlier of: (1) the close of the fifth (5th) business day after the Bid Date; or (2) the date on which the underwriters have sold at least 10% of the Notes to the Public at a price that is no higher than the initial offering price to the Public.

"Public" means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter (as defined herein) or a related party to an Underwriter. The term "related party" generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly. Underwriter means (i) any person that agrees pursuant to a written contract with the Township (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Notes to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Notes to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Notes to the Public).

At delivery of the Notes, the Township will furnish to the winning bidder customary closing documents, including a certificate executed by the officials who execute the Notes stating that no litigation of any kind is now pending or, to their knowledge, threatened to restrain or enjoin the issuance or the delivery of the Notes or the levy or collection of taxes to pay the principal of or interest due on the Notes, or in any manner questioning the authority or the proceedings for the issuance of the Notes or the levy or the collection of taxes, or affecting the validity of the Notes or the levy or the collection of taxes.

Bids may be submitted electronically via PARITY® in accordance with this Notice of Sale until 11:00 a.m., New Jersey time, on the Bid Date, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY® conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about PARITY®, potential bidders may contact James Fagan of NW Financial Group, LLC (the "Municipal Advisor") at [jfagan@nwfinancial.com](mailto:jfagan@nwfinancial.com); (201) 526-2733 or PARITY® at (212) 404-8102. In the event that a bid for the Notes is submitted via PARITY®, the bidder further agrees that:

1. The Township may regard the electronic transmission of the bid through PARITY® (including information about the purchase price of the Notes, the interest rate or rates to be borne by the Notes and any other information included in such transmission) as though the same information were submitted on the Proposal for Notes provided by the Township and executed and submitted by a duly authorized representative of the bidder. If the bid submitted electronically via PARITY® is accepted by the Township, the terms of the bid for the Notes and this Notice of Sale, as well as the information that is electronically transmitted through PARITY®, shall form a contract and the winning bidder shall be bound by the terms of such contract.

2. PARITY® is not an agent of the Township, and the Township shall have no liability whatsoever based on any bidder's use of PARITY®, including, but not limited to, any failure by PARITY® to correctly or timely transmit information provided by the Township or information provided by the bidder.

3. The Township may choose to discontinue use of electronic bidding via PARITY® by issuing a notification to such effect via The Municipal Market Monitor no later than 3:00 p.m. (New Jersey time) on the last business day prior to the Bid Date.

4. Once the bids are communicated electronically via PARITY® to the Township, as described above, each bid will constitute a bid for the Notes and shall be deemed to be an irrevocable offer to purchase

the Notes on the terms provided in this Notice of Sale. For purposes of submitting bids for the Notes electronically via PARITY®, the time maintained on PARITY® shall constitute the official time.

5. Each bidder shall be solely responsible to make necessary arrangements to access PARITY® for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the Township, the Municipal Advisor nor PARITY® shall have any duty or obligation to provide or assure access to any bidder, and neither the Township, the Municipal Advisor nor PARITY® shall be responsible for the proper operation of, or have any liability for any delays or interruptions of, or any damages caused by, PARITY®. The Township is using PARITY® as a communication mechanism, and not as the Township's agent, to conduct the electronic bidding for the Notes. By using PARITY®, each bidder agrees to hold the Township harmless for any harm or damages caused by such bidder in connection with its use of PARITY® for bidding on the Notes.

The request for the assignment of a CUSIP identification number shall be the responsibility of the Township's Municipal Advisor and the CUSIP Service Bureau charge for such CUSIP identification number, if required, shall be the responsibility of and shall be paid for by the winning bidder. The CUSIP identification number must be communicated to McManimon, Scotland & Baumann, LLC, Bond Counsel to the Township, within 24 hours of the award of the Notes in order to have the CUSIP identification number printed on the Notes.

A Preliminary Official Statement has been prepared in connection with the Notes by the Township and is "deemed final" in accordance with Rule 15c2-12 of the Securities and Exchange Commission. The winning bidder shall be responsible for providing a reoffering yield within 24 hours of award, which yield will appear on the front cover of the final Official Statement. The Township, at its expense, will make available to the winning bidder a reasonable number of final Official Statements within seven (7) business days following the date of acceptance of the bid.
