The Series 2023B Bonds are more particularly described in the Preliminary Official Statement dated November 30, 2023 relating to the Series 2023B Bonds. THE SERIES 2023B BONDS

The Series 2023B Bonds will be issued in fully registered, book-entry-only form, without coupons, will be dated as of the Dated Date set forth in the Bidding Parameters Table, will be issued in denominations of \$5,000 or integral multiples thereof, will bear interest from their date until paid or duly called for redemption at the annual rate or rates specified by the successful bidder, subject to the limitations specified herein, payable on the dates as shown on the Bidding Parameters Table. Interest will be computed on the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board ("MSRB"). The Series 2023B Bonds must meet the reoffering price criteria shown in the Bidding Parameters Table on a maturity and aggregate basis.

The Series 2023B Bonds will mature March 1 in the years and principal amounts shown on the Bidding Parameters Table as either serial bonds or as term bonds with sinking fund installments as described under "Designation of Term Bonds."

Designation of Term Bonds

Bidders for the Series 2023B Bonds may, at their option, designate consecutive principal amounts as set forth in the Bidding Parameters Table to be combined into term bonds. Each such term bond designated will be subject to mandatory sinking fund redemption commencing on the principal payment date of the first year that has been combined to form such term bond and continuing on the principal payment date in each year thereafter until the stated maturity date of such term bond, which will be the last year combined to form such term bond. The amount redeemed in any year will be equal to the principal amount for such year as set forth in the principal maturities schedule of the Bidding Parameters Table. Bonds to be redeemed in any year by mandatory sinking fund redemption will be redeemed at par and will be selected by the Authority by lot from among the Series 2023B Bonds of the same maturity. Each term bond must meet the minimum and maximum coupon rates and reoffering price criteria shown in the Bidding Parameters Table on a single maturity basis and, together with all other Series 2023B Bonds, on an aggregate basis.

^{**} Subject to change both before and after award as provided herein.

Optional Redemption

The Series 2023B Bonds are not subject to redemption prior to maturity.

ADJUSTMENT OF AMOUNT AND MATURITIES

The aggregate principal amount of each maturity of Series 2023B Bonds is subject to adjustment by the Authority after the award of the bid for their purchase. Changes to be made after the opening of the bids will be sent to the successful bidder directly prior to award.

The Authority may increase or decrease the principal amount(s) of the Series 2023B Bonds as set forth in the Bidding Parameters Table after the award of the bid. The Authority will consult with the successful bidder before adjusting the amount of any maturity of the Series 2023B Bonds or canceling the sale of the Series 2023B Bonds; however, the Authority reserves the sole right to make adjustments, within the limits described above, or to cancel the sale of the Series 2023B Bonds.

Adjustment to the size of the Series 2023B Bonds within the limits described above does not relieve the purchaser from its obligation to purchase all of the Series 2023B Bonds offered by the Authority, assuming all other conditions of this Official Notice of Sale have been satisfied by the Authority. The successful bidder must confirm such adjustments by a signed statement as to the adjustments delivered to the Authority on the business day following notification of the final adjustments by the Authority. Failure to deliver such statement does not relieve the bidder of the obligation to accept the adjustments and purchase the Series 2023B Bonds.

Each bid must specify the initial reoffering prices to the public of each maturity of Series 2023B Bonds. Adjustments will be made on the basis of the reoffering prices specified in the bid. The successful bidder must offer the Series 2023B Bonds to the public at the initial reoffering prices given to the Authority. Such initial reoffering prices, among other things, will be used by the Authority to calculate the final aggregate principal amount of the Series 2023B Bonds and the final principal amount of each maturity of the Series 2023B Bonds, as well as the yield for federal tax purposes of the Series 2023B Bonds.

In the event that the principal amount of any maturity of the Series 2023B Bonds is revised after the award, the interest rate and reoffering price for each maturity and the Underwriter's Discount on the Series 2023B Bonds as submitted by the successful bidder must be held constant. The "Underwriter's Discount" is defined as the difference between the purchase price of the Series 2023B Bonds submitted by the bidder and the price at which the Series 2023B Bonds will be initially offered to the public, calculated from information provided by the bidder, divided by the par amount of the Series 2023B Bonds bid.

The dollar amount bid by the successful bidder for the purchase of the Series 2023B Bonds will be adjusted to reflect any change in the annual principal amounts based upon the assumption that the coupon rate, reoffering yield, and Underwriter's Discount stated as a percentage of the revised, annual principal amount, as specified by the successful bidder will not change.

FORM AND PAYMENT

The Series 2023B Bonds will be issued in fully registered, book-entry-only form and a bond certificate for each maturity will be issued to The Depository Trust Company, New York, New York ("DTC"), registered in the name of its nominee, Cede & Co., and immobilized in its custody. A book-entry system will be employed, evidencing ownership of the Series 2023B Bonds, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures adopted by DTC and its participants. Principal of, premium, if any, and interest on the Series 2023B Bonds will be payable by the Authority to DTC or its nominee as registered owner of the Series 2023B Bonds. Transfer of principal, premium, if any, and interest payments to the beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The Authority will not be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants. The successful bidder will be required to furnish to DTC within 7 days after the sale the customary underwriter's questionnaire and information as to each DTC Participant and the Series 2023B Bonds to be held for it.

So long as DTC or its nominee is the registered owner of the Series 2023B Bonds, payments of principal, interest and any premium on the Series 2023B Bonds will be made to DTC or its nominee, on the month and day, in the years and amounts established in accordance with the award of the Series 2023B Bonds. Interest on the Series 2023B Bonds is payable on the dates shown in the Bidding Parameters Table.

PRELIMINARY OFFICIAL STATEMENT AND FINAL OFFICIAL STATEMENT

The Authority has authorized the preparation and distribution of a Preliminary Official Statement dated November 30, 2023 (the "Preliminary Official Statement") containing information relating to the Series 2023B Bonds. The Preliminary Official Statement comprises the nearly-final Official Statement required by Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12"). The Authority will furnish the successful bidder on the date of closing, with its certificate, in its usual form, as to the completeness and accuracy of the Official Statement.

The Preliminary Official Statement, this Official Notice of Sale and the Authority's Master Continuing Disclosure Agreement will be available electronically. Assistance in obtaining the documents will be provided from PFM Financial Advisors LLC, at the address or phone numbers set forth under "Contacts" at the front of this Official Notice of Sale.

The Preliminary Official Statement, when amended to reflect the actual amount of the Series 2023B Bonds sold, the interest rates specified by the successful bidder and the prices and the yields at which the successful bidder will reoffer the Series 2023B Bonds to the public, together with any other information required by law, will constitute a "Final Official Statement" with respect to the Series 2023B Bonds as that term is defined in Rule 15c2-12. No more than seven business days after the date of the sale, the Authority will provide without cost to the respective successful bidder up to 50 copies of the Final Official Statement. If the Series 2023B Bonds are awarded to a syndicate, the senior managing underwriter of the syndicate will be

responsible for distributing copies of the Final Official Statement to each participating underwriter. Any underwriter submitting a bid with respect to the Series 2023B Bonds agrees thereby that if its bid is accepted, it will enter into a contractual relationship with all participating underwriters for the purpose of assuring the receipt and distribution by each participating underwriter of the Final Official Statement.

CONTINUING DISCLOSURE

As set forth in the Preliminary Official Statement, each of the Authority and the Metropolitan Council (Minneapolis-St. Paul Area), will enter into a continuing disclosure undertaking as required by Rule 15c2-12 pursuant to the Authority's master continuing disclosure agreement, and each borrower continuing disclosure agreement, copies of which are available upon request from the Authority. A description of the undertaking is also set forth in the Preliminary Official Statement.

LEGAL OPINION

The legal opinion of Kutak Rock LLP, Omaha, Nebraska, as to the execution, delivery and binding nature of the Series 2023B Bonds, will be furnished to the successful bidder without cost to the bidder. The form of the opinion is attached to the Official Statement.

BIDDING PROCEDURE

Only electronic bids submitted via PARITY® will be accepted. No other provider of electronic bidding services will be accepted. No bid delivered in person or by facsimile directly to the Authority will be accepted. Bidders are permitted to submit bids for the Series 2023B Bonds during the bidding time period, provided they are eligible to bid as described under "ELIGIBILITY TO BID" herein.

Each bid must be unconditional and received by PARITY® before the Sale Time set forth in the Bidding Parameters Table. No proposal to purchase the Series 2023B Bonds may be withdrawn after the deadline set for receiving bids. Prior to the deadline set for receiving bids, an eligible prospective bidder may, subject to the limitation that may be imposed by PARITY®, modify the proposed terms of its bid in which event the proposed terms last modified will constitute its bid for the Series 2023B Bonds. At the deadline stated above for receiving bids, the bidding process will close and each bid will then constitute an irrevocable offer to purchase the Series 2023B Bonds on the terms provided in the bid and this Official Notice of Sale.

Each electronic bid submitted via PARITY® will be deemed an offer, in response to this Official Notice of Sale, and will be binding upon the bidder as if made by a signed, sealed bid delivered to the Authority. The successful bidder must confirm such bid by a signed PARITY® Bid Form and a signed statement of reoffering prices, both delivered to the Authority no later than four hours after being notified by the Authority of being the winning bidder, the original of each of which must be received by the Authority on the following business day. Failure to deliver this written confirmation does not relieve the bidder of the obligation to purchase the Series 2023B Bonds.

If any provisions of this Official Notice of Sale conflict with information provided by PARITY®, this Official Notice of Sale will control. The Authority is not bound by any advice or determination by PARITY® as to whether any bid complies with the terms of this Official Notice of Sale. The time as maintained by PARITY® will constitute the official time with respect to all bids submitted.

ELIGIBILITY TO BID

The Authority does not have a registration requirement for prospective bidders. However, bidders submitting electronic bids must be contracted customers of the BidCOMP Competitive Bidding System and should promptly contact PARITY® directly for information about PARITY®, including its rules and fees, and becoming a contracted customer.

FORM OF BID, INTEREST RATES AND BID PRICES

All bids must conform to the requirements of this Official Notice of Sale. Bidders must bid to purchase all maturities of the Series 2023B Bonds. No bid will be considered that does not offer to purchase all of the Series 2023B Bonds. Each bid must specify (1) an annual rate of interest for each maturity, (2) reoffering price and yield for each maturity in conformance with the Bidding Parameters Table on page 2 and (3) a dollar purchase price for the entire issue of the Series 2023B Bonds.

A bidder must specify the rate or rates of interest per annum (with no more than one rate of interest per maturity) that the Series 2023B Bonds are to bear, to be expressed in the coupon rate multiples set forth in the Bidding Parameters Table. Any number of interest rates may be named, but the Series 2023B Bonds of each maturity must bear interest at the same single rate for all bonds of that maturity.

Each bid for the Series 2023B Bonds must meet the minimum and maximum coupon and pricing criteria shown in the Bidding Parameters Table on a maturity and aggregate basis, if applicable.

Each bidder must specify, as part of its bid, the price at which each maturity of the Series 2023B Bonds will be offered and sold to the public. Reoffering prices presented as a part of the bids will not be used in computing the bidders' true interest cost. As promptly as reasonably possible after bids are received, the Authority will notify the successful bidder that it is the apparent winner.

AWARD OF BID

The Authority expects to award the Series 2023B Bonds to the winning bidder by 6:00 P.M. Central Time on the Sale Date, subject to adjustment as set forth under "ADJUSTMENT OF AMOUNT AND MATURITIES". After the Sale Time, bids may not be withdrawn prior to the award. Unless all bids are rejected, the Series 2023B Bonds will be awarded by the Authority on the Sale Date to the bidder whose bid complies with this Official Notice of Sale and results in the lowest true interest cost to the Authority. The true interest cost for the winning bid may not exceed the "Maximum TIC" set forth in the Bidding Parameters Table. The lowest true

interest cost will be determined in accordance with the True Interest Cost ("TIC") method by doubling the semiannual interest rate, compounded semiannually, necessary to discount the debt service payments from the payment dates to the Dated Date of the Series 2023B Bonds and to the aggregate purchase price of the Series 2023B Bonds. If two or more bidders offer to purchase the Series 2023B Bonds at the same lowest TIC, the Series 2023B Bonds may be apportioned between such bidders if it is agreeable to each of the bidders who have offered the price producing the same lowest TIC; provided, that if apportionment is not acceptable to such bidders, the Authority will have the right to award the Series 2023B Bonds to one of such bidders. There will be no auction.

RIGHT OF REJECTION

The Authority expressly reserves the right (i) to waive any informalities, (ii) to reject all bids, any incomplete bid or any bid not fully complying with all of the requirements set forth herein, and (iii) to solicit new bids or proposals for the sale of the Series 2023B Bonds or otherwise provide for the public or private sale of the Series 2023B Bonds if all bids are rejected or the winning bidder defaults, including, without limitation, sale of the Series 2023B Bonds to one or more of the losing or rejected bidders without regard to their original bid or its relationship to any other bid.

DELIVERY AND PAYMENT

Delivery of the Series 2023B Bonds will be made by the Authority to DTC in book-entry-only form, in New York, New York on or about the Delivery Date shown in the Bidding Parameters Table, or such other date agreed upon by the Authority and the successful bidder. Payment for the Series 2023B Bonds must be made in Federal Funds or other funds immediately available to the Authority at the time of delivery of the Series 2023B Bonds. Any expenses incurred in providing immediate funds, whether by transfer of Federal Funds or otherwise, will be borne by the purchaser. The cost of preparation of the Series 2023B Bonds, if any, will be borne by the Authority.

RIGHT OF CANCELLATION

The successful bidder will have the right, at its option, to cancel its obligation to purchase if the Authority fails to execute the Series 2023B Bonds and tender the same for delivery within 60 days from the date of sale thereof, and in such event the successful bidder will be entitled to the return of the Good Faith Deposit accompanying its bid.

GOOD FAITH DEPOSIT

The successful bidder for the Series 2023B Bonds is required to submit its Good Faith Deposit to the Authority in the form of a wire transfer in federal funds not later than 3:00 P.M., Central Time, on the Sale Date.

The Good Faith Deposit so wired will be retained by the Authority until the delivery of the Series 2023B Bonds, at which time the Good Faith Deposit will be applied against the purchase price of the Series 2023B Bonds or the Good Faith Deposit will be retained by the Authority as liquidated damages in the event of the failure of the successful bidder to take up and

pay for the Series 2023B Bonds in compliance with the terms of the Notice of Sale and of its bid. No interest on the Good Faith Deposit will be paid by the Authority. The balance of the purchase price must be wired in federal funds to the account detailed in the closing memorandum, simultaneously with delivery of the Series 2023B Bonds.

NO LITIGATION

There is no litigation pending concerning the validity of the Series 2023B Bonds, the existence of the Authority, or the entitlement of the officers thereof to their respective offices, and the successful bidder will be furnished a no-litigation certificate certifying to the foregoing as of and at the time of the delivery of the Series 2023B Bonds.

CUSIP NUMBERS

It is anticipated that CUSIP numbers will be printed on the Series 2023B Bonds, but neither failure to print such numbers on any Bonds nor any error with respect thereto will constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Series 2023B Bonds. The policies of the CUSIP Service Bureau will govern the assignment of specific numbers to the Series 2023B Bonds. All expenses in relation to the printing of CUSIP numbers on the Series 2023B Bonds will be paid for by the Authority; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers will be the responsibility of and will be paid for by the successful bidder.

BLUE SKY

The Authority has not taken any action relating to the requirements of the securities or "blue sky" laws of any jurisdiction with respect to the offer and sale of the Series 2023B Bonds. In addition, the Authority is aware that certain jurisdictions have filing requirements that must be satisfied prior to any offer and sale of the Series 2023B Bonds to the public.

AUTHORITY CERTIFICATE

The Authority will deliver to the purchaser of the Series 2023B Bonds a certificate of an official of the Authority, dated the date of delivery of the Series 2023B Bonds, stating that as of the date thereof, to the best of the knowledge and belief of said official, the Official Statement does not contain an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading.

ESTABLISHMENT OF ISSUE PRICE AT TIME OF AWARD

In order to establish the issue price of the Series 2023B Bonds for federal income tax purposes, the Authority requires bidders to agree to the following, and by submitting a bid, each bidder agrees to the following.

If a bid is submitted by a potential underwriter, the bidder confirms that (i) the underwriters have offered or reasonably expect to offer the Series 2023B Bonds to the public on or before the date of the award at the offering price (the "initial offering price") for each maturity

as set forth in the bid and (ii) the bidder, if it is the winning bidder (the “Purchaser”), shall require any agreement among underwriters, selling group agreement, retail distribution agreement or other agreement relating to the initial sale of the Series 2023B Bonds to the public to which it is a party to include provisions requiring compliance by all parties to such agreements with the provisions contained herein. For purposes hereof, Series 2023B Bonds with a separate CUSIP number constitute a separate “maturity,” and the public does not include underwriters (including members of a selling group or retail distribution group) or persons related to underwriters.

If, however, a bid is submitted for the bidder’s own account in a capacity other than as an underwriter of the Series 2023B Bonds, and the bidder has no current intention to sell, reoffer, or otherwise dispose of the Series 2023B Bonds, the bidder shall notify the Authority to that effect at the time it submits its bid and shall provide a certificate to that effect in place of the certificate otherwise required below.

If the Authority advises the Purchaser that the requirements for a competitive sale have been satisfied and that the competitive sale rule applies, the Purchaser will be required to deliver to the Authority at or prior to closing a certification as to the reasonably expected initial offering price as of the sale date setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Securities, together with the supporting pricing wires or equivalent communications, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Purchaser, the Authority and Bond Counsel. All actions to be taken by the Authority under this Official Terms and Conditions of Bond Sale to establish the issue price of the Securities may be taken on behalf of the Authority by PFM Financial Advisors LLC, the Authority’s municipal advisor (the “Financial Advisor”) and any notice or report to be provided to the Authority may be provided to the Financial Advisor.

The form of any such issue price certificate shall be in a form acceptable to the Authority and Bond Counsel to establish the issue price or prices of the Series 2023B Bonds.

The Authority intends that the sale of the Series 2023B Bonds pursuant to this Official Terms and Conditions of Bond Sale shall constitute a “competitive sale” as defined in the Treasury Regulation Section 1.148-1(f)(3)(i) based on the following:

- the Authority shall cause this Official Terms and Conditions of Bond Sale to be disseminated to potential bidders in a manner that is reasonably designed to reach potential bidders;
- all bidders shall have an equal opportunity to submit a bid;
- the Authority reasonably expects that it will receive bids from at least three bidders that have established industry reputations for underwriting municipal bonds such as the Series 2023B Bonds; and
- the Authority anticipates awarding the sale of the Series 2023B Bonds to the bidder who provides a bid with the lowest true interest cost, as set forth in this Official Terms and Conditions of Bond Sale (See “AWARD OF BID” herein).

Any bid submitted pursuant to this Official Terms and Conditions of Bond Sale shall be considered a firm offer for the purchase of the Series 2023B Bonds, as specified in the bid.

If all of the requirements of a “competitive sale” are not satisfied, the Authority shall advise the Purchaser of such fact prior to the time of award of the sale of the Series 2023B Bonds to the Purchaser. In such event, any bid submitted will not be subject to cancellation or withdrawal. Within twenty-four (24) hours of the notice of award of the sale of the Series 2023B Bonds, the Purchaser shall advise the Authority and the Financial Advisor if 10% of any maturity of the Series 2023B Bonds (and, if different interest rates apply within a maturity, to each separate CUSIP number within that maturity) has been sold to the public and the price at which it was sold. The Authority will treat such sale price as the “issue price” for such maturity, applied on a maturity-by-maturity basis. The Authority will not require the Purchaser to comply with that portion of the Regulation commonly described as the “hold-the-offering-price” requirement for the remaining maturities, but the Purchaser may elect such option. If the Purchaser exercises such option, the Authority will apply the initial offering price to the public provided in the bid as the issue price for such maturities. If the Purchaser does not exercise that option, it shall thereafter promptly provide the Authority and the Financial Advisor the prices at which 10% of such maturities are sold to the public; provided such determination shall be made and the Authority and The Financial Advisor notified of such prices whether or not the closing date has occurred, until the 10% test has been satisfied as to each maturity of the Series 2023B Bonds or until all of the Series 2023B Bonds of a maturity have been sold.
