

## **Rating Action: Moody's Ratings assigns initial Aa1 to Arlington, TX's sales tax bonds issued by Econ. Dev. Corp.; stable outlook**

---

11 Sep 2025

New York, September 11, 2025 -- Moody's Ratings (Moody's) has assigned an initial Aa1 rating to Arlington (City Of), TX's proposed \$70.6 million Sales Tax Revenue Bonds, Taxable Series 2025 issued by the Arlington Economic Development Corporation (EDC). We maintain the city's Aa1 issuer rating and its other outstanding ratings. Post issuance, the city has approximately \$1.7 billion of outstanding debt. The outlook is stable.

### **RATINGS RATIONALE**

The sales tax bonds issued by the EDC are rated Aa1, the same level as the city's issuer rating, primarily because sales taxes constitute a broad revenue base and will continue to provide strong coverage. Pledged revenue had been generally improving, though has flattened out in recent years. While fiscal 2024 collections provided maximum annual debt service (MADS) coverage of 4.7x, fiscal 2025 collections are trending about 2% lower, providing strong projected coverage of 4.5x. Coverage is likely to remain strong with no immediate plans for additional debt and sales tax revenue projected to remain stable over the next few years.

### **RATING OUTLOOK**

The stable outlook reflects the outlook of the city.

### **FACTORS THAT COULD LEAD TO AN UPGRADE OF THE RATING**

- Upgrade of the city's issuer rating

### **FACTORS THAT COULD LEAD TO A DOWNGRADE OF THE RATING**

- Downgrade of the city's issuer rating
- Substantial decline in revenue leading to MADS coverage of less than 2x revenue

### **PROFILE**

Arlington is in the center of the Dallas/Fort Worth metroplex. The city encompasses 99.5 square miles and has a current population of approximately 400,000. The city provides services such as public safety (police and fire), streets, water treatment and distribution, wastewater collection and conveyance (treatment is done by the Trinity River Authority), parks and recreation, and public health services. The Economic Development Corporation was created by the city in 2015 for the purpose of promoting and developing new expanded business enterprises in the city.

### **METHODOLOGY**

The principal methodology used in this rating was US Cities and Counties published in July 2024 and available at <https://ratings.moody.com/rmc-documents/425429>. Alternatively, please see the Rating Methodologies page on <https://ratings.moody.com> for a copy of this methodology.

### **REGULATORY DISCLOSURES**

For further specification of Moody's key rating assumptions and sensitivity analysis, see the sections Methodology Assumptions and Sensitivity to Assumptions in the disclosure form. Moody's Rating Symbols and

Definitions can be found on <https://ratings.moodys.com/rating-definitions>.

For any affected securities or rated entities receiving direct credit support/credit substitution from another entity or entities subject to a credit rating action (the supporting entity), and whose ratings may change as a result of a credit rating action as to the supporting entity, the associated regulatory disclosures will relate to the supporting entity. Exceptions to this approach may be applicable in certain jurisdictions.

For ratings issued on a program, series, category/class of debt or security, certain regulatory disclosures applicable to each rating of a subsequently issued bond or note of the same series, category/class of debt, or security, or pursuant to a program for which the ratings are derived exclusively from existing ratings, in accordance with Moody's rating practices, can be found in the most recent Credit Rating Announcement related to the same class of Credit Rating.

For provisional ratings, the Credit Rating Announcement provides certain regulatory disclosures in relation to the provisional rating assigned, and in relation to a definitive rating that may be assigned subsequent to the final issuance of the debt, in each case where the transaction structure and terms have not changed prior to the assignment of the definitive rating in a manner that would have affected the rating.

Moody's does not always publish a separate Credit Rating Announcement for each Credit Rating assigned in the Anticipated Ratings Process or Subsequent Ratings Process.

Regulatory disclosures contained in this press release apply to the credit rating and, if applicable, the related rating outlook or rating review.

Please see <https://ratings.moodys.com> for any updates on changes to the lead rating analyst and to the Moody's legal entity that has issued the rating.

Please see the issuer/deal page on <https://ratings.moodys.com> for additional regulatory disclosures for each credit rating.
