DESCRIPTION OF THE BONDS

Purpose: The proceeds of the Bonds will be applied by the District for the purpose of refinancing certain outstanding general obligation bonds of the District.

Issue; Book-Entry Form: The Bonds will be issued in the aggregate principal amount of \$22,455,000* in the form of fully registered Bonds, without coupons, in the denomination of \$5,000 each or any integral multiple thereof, but in an amount not to exceed the aggregate principal amount of Bonds maturing in the year of maturity of the Bond for which the denomination is specified. Bonds will be lettered and numbered as U.S. Bank Trust Company, National Association (the "Paying Agent") may prescribe. The Bonds will be dated as of their original delivery. The Bonds will be issued in a book-entry only system with no physical distribution of the Bonds made to the public. The Depository Trust Company, New York, New York ("DTC"), will act as depository for the Bonds which will be immobilized in its custody. The Bonds will be registered in the name of Cede & Co., as nominee for DTC, on behalf of the participants in the DTC system and the subsequent beneficial owners of the Bonds.

* Preliminary; subject to change.

Maturities: The Bonds will mature on August 1 in each of the years, and in the amounts, as set forth in the following table, provided that one or more maturities may be eliminated. The final principal amount of the Bonds, and the final amount of each maturity of the Bonds, is subject to increase or decrease as described below under the heading “Adjustment of Principal Amounts.” *Each bidder must specify in its bid whether, for any particular year, the Bonds will mature.*

<u>Maturity Date</u> <u>(August 1)</u>	<u>Principal</u> <u>Amount</u>
2026	\$3,520,000
2027	3,260,000
2028	3,590,000
2029	3,940,000
2030	4,320,000
2031	1,925,000
2032	1,900,000

Payment Provisions: Interest (including the final interest payment upon maturity) on the Bonds will be payable on February 1 and August 1 in each year during the term of such Bonds, commencing on February 1, 2026 (the “Interest Payment Dates”), to the registered owners by check or draft of the Paying Agent or, in the case of the owner of Bonds \$1,000,000 aggregate principal amount of the Bonds, at the written request of such owner by wire transfer or otherwise. Principal of and premium (if any) on the Bonds is payable in lawful money of the United States of America upon presentation and surrender at the office of the Paying Agent.

No Optional Redemption: The Bonds are not subject to redemption prior to maturity.

Security: The Bonds are general obligations of the District. The Board of Trustees has the power to direct the County to levy *ad valorem* taxes upon all property within the District that is subject to taxation by the District, without limitation as to rate or amount, for the payment of the Bonds and the interest thereon. Bidders are referred to the Preliminary Official Statement relating to the Bonds for further details regarding the security of the Bonds.

Tax-Exempt Status: In the opinion of Jones Hall LLP, bond counsel to the District, interest on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal individual and corporate alternative minimum taxes, although it is included in certain income and earnings in computing the alternative minimum tax imposed on certain corporations. In the further opinion of Bond Counsel, such interest is exempt from California personal income taxes. Bidders are referred to the Preliminary Official Statement for a description of the proposed opinion of Bond Counsel. If prior to the delivery of the Bonds either (a) the interest on other obligations of the same type and character shall be declared to be taxable (either at the time of such declaration or at any future date) under any federal income tax laws, either by the terms of such laws or by ruling of a federal income tax authority or official which is followed by the Internal Revenue Service, or by decision of any federal court, or (b) any federal income tax law is adopted which will have a substantial adverse effect upon

owners of the Bonds as such, the successful bidder for the Bonds may, at its option, prior to the tender of the Bonds, be relieved of its obligation under the contract to purchase the Bonds.

Legal Opinion: The opinion of Jones Hall LLP approving the validity of the Bonds, will be furnished to the purchaser of the Bonds without cost. A copy of the legal opinion will be appended to each Bond. Bidders are referred to the Preliminary Official Statement relating to the Bonds for the proposed form of Bond Counsel's legal opinion.

Municipal Bond Insurance; Bidder's Option: The District has applied to certain bond insurance companies for a commitment to issue a policy insuring the payment when due of principal of and interest on the Bonds. Information concerning the availability of municipal bond insurance may be also obtained by contacting the Fieldman, Rolapp & Associates, Inc., the municipal advisor to the District (the "Municipal Advisor"), as described below. In the event the District obtains a commitment for municipal bond insurance, each bidder has the option to elect whether such insurance will be issued. If the winning bidder elects to obtain any policy of municipal bond insurance, the premium for such insurance and the costs of any related ratings will be paid by the winning bidder, and the District will have no responsibility for payment of such premium and costs.

Certificate Regarding Municipal Bond Insurance: If the winning bidder elects to obtain a policy of municipal bond insurance for the Bonds, the bidder will be required to execute and deliver to the District a certificate, in form and substance acceptable to bond counsel, stating that (a) the present value of the fees for the municipal bond insurance policy is less than the present value of expected interest savings as a result of the insurance, determined by using the yield of the Bonds as the discount rate in computing present value; and (b) based on the experience of the purchaser in assisting issuers to obtain municipal bond insurance, the fees for the bond insurance policy do not exceed a reasonable arm's length charge for transfer of the credit risk represented by the insurance and do not include any payment for any direct or indirect services other than the transfer of credit risk.

CUSIP Numbers: CUSIP identification numbers will be imprinted on the Bonds, but such numbers do not constitute a part of the contract evidenced by the Bonds and any error or omission with respect thereto will not constitute cause for refusal of any purchaser to accept delivery of and pay for the Bonds. In addition, failure on the part of the District to use such CUSIP numbers in any notice to owners of the Bonds will not constitute an event of default or any violation of the District's contract with such owners and will not impair the effectiveness of any such notice. All expenses in relation to the printing of CUSIP numbers on the Bonds will be paid for by the District, except that the CUSIP Service Bureau charge for the assignment of said numbers will be the sole responsibility of and shall be paid for by the purchaser.

California Debt and Investment Advisory Commission Fees: All fees payable to the California Debt and Investment Advisory Commission in connection with the issuance of the Bonds are the sole responsibility of the purchaser of the Bonds.

Qualification for Sale; Blue Sky: The successful bidder is solely responsible for compliance with blue sky laws. The District will furnish such information and take such action not inconsistent with law as the successful bidder may request and the District shall deem necessary or appropriate to qualify the Bonds for offer and sale under the blue sky

or other securities laws and regulations of such states and other jurisdictions of the United States of America as may be designated by the successful bidder; *provided, however*, that the District shall not be required to execute a general or special consent to service of process or qualify to do business in connection with such qualification or determination in any jurisdiction. The successful bidder will not offer to sell or solicit any offer to buy the Bonds in any jurisdiction where it is unlawful for such bidder to make such offer, solicitation or sale, and the bidder shall comply with the blue sky and other securities laws and regulations of the states and jurisdictions in which the bidder sells the Bonds.

Official Statement: The District has approved a Preliminary Official Statement relating to the Bonds. Copies of such Preliminary Official Statement will be distributed to any bidder, upon request, prior to the sale in a form “deemed final” by the District for purposes of Rule 15c2-12 under the Securities Exchange Act of 1934 (the “Rule”). Within seven business days from the sale date, the District will deliver to the purchaser copies of the final Official Statement, executed by an authorized representative of the District and the District and dated the date of delivery thereof to the purchaser, in sufficient number to allow the purchaser to comply with paragraph (b)(4) of the Rule and to satisfy the Municipal Securities Rulemaking Board (the “MSRB”) Rule G-32 or any other rules adopted by the MSRB, which shall include information permitted to be omitted by paragraph (b)(1) of the Rule and such other amendments or supplements as are approved by the District (the “Final Official Statement”). The purchaser agrees that it will not confirm the sale of any Bonds unless the confirmation of sale is accompanied or preceded by the delivery of a copy of the Final Official Statement. The District will furnish to the successful bidder, at no charge, not more than 25 copies of the Official Statement for use in connection with any resale of the Bonds.

Certificate Regarding Official Statement: A responsible officer of the District will certify to the original purchaser of the Bonds, as a condition of closing, that based on such officer’s participation in the preparation of the Official Statement, nothing has come to their attention to lead such officer to believe that the Official Statement (except for certain financial statements, statistical data and other information) contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

Continuing Disclosure. In order to assist bidders in complying with S.E.C. Rule 15c2-12(b)(5), the District has committed to undertake, under the Bond Resolution and a Continuing Disclosure Certificate, to provide certain annual financial information and notices of the occurrence of certain events, if material. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement. Such Continuing Disclosure Certificate will be a document required to be delivered at closing by the District, and the failure by the District to deliver such document in form and substance acceptable to Bond Counsel and the successful bidder will relieve the successful bidder of its obligation to purchase the Bonds.

Disclosure Counsel Opinion: The firm of Jones Hall LLP, as Disclosure Counsel to the District, will provide a letter to the original purchaser of the Bonds regarding the Official Statement. Such letter will be to the effect that during the course of Disclosure Counsel’s work with regard to the Bonds, no facts have come to their attention that cause them to believe that the Official Statement (except for any financial and statistical data and forecasts, numbers, estimates, assumptions and expressions of opinion, and information

concerning the Depository Trust Company and the book-entry system) contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

TERMS OF SALE

Right to Cancel, Postpone or Reschedule Sale: The District reserves the right to cancel, postpone or reschedule the sale of the Bonds upon notice published on the website of the Municipal Advisor and through *PARITY*, not less than 24 hours before the time for receipt of bids. If the sale is postponed, bids will be received at the above place at such date and hour as set forth in the notice. Failure of any bidder to receive such notice or any other form of notice of canceled, postponed or rescheduled sale will not affect the legality or validity of any sale.

Electronic Bids: The District will accept bids in electronic form through the *PARITY* electronic bid submission system. Each bidder submitting an electronic bid agrees by doing so that it is solely responsible for all arrangements with *PARITY* and that *PARITY* is not acting as an agent of the District. Instructions and forms for submitting electronic bids must be obtained from *PARITY*, and the District assumes no responsibility for ensuring or verifying bidder compliance with *PARITY*'s procedures. The District will be entitled to assume that any bid received via *PARITY* has been made by a duly authorized agent of the bidder. In order to be considered, a bid must be received no later than the date and time set for receipt of bids,

Neither the District, the County, the Municipal Advisor nor Bond Counsel has any responsibility for proper functioning of the *PARITY* system, for any error contained in any bid submitted electronically, or for failure of any bid to be transmitted, received or opened at the official time for receipt of bids. The District assumes no responsibility for informing any bidder prior to the deadline for receiving bids that its bid is incomplete or not received.

Maximum Underwriter's Discount: The underwriter's discount for the sale of the Bonds shall not exceed 1.50% of the principal amount of the Bonds.

Form of Bid: Each bid must be for not less than all of the Bonds hereby offered for sale. Bids for the Bonds must be for not less than the par value thereof plus such premium as is specified in the bid. No bid will be accepted which contemplates the waiver of any interest or other concession by the bidder as a substitute for payment in full of the purchase price. Each bid must be in accordance with, and shall be deemed to incorporate, all of the terms and conditions set forth in this Official Notice of Sale. .

Designation of Interest Rates: Each bidder must specify the rate or rates of interest which the Bonds will bear. The maximum rate bid on any Bonds may not exceed 8% per annum. A bidder will be permitted to bid different rates of interest for each maturity of Bonds, but:

- each interest rate specified must be in a multiple of 1/20% or 1/8%;
- no Bond may bear more than one rate of interest; and

- interest on each Bond will be computed from the date of original delivery to its stated maturity at the interest rate specified in the proposal, payable on the Interest Payment Dates as set forth above.

Statement of True Interest Rate: Each bidder is requested, but not required, to state in its proposal the percentage true interest rate represented by its proposal, determined as described above, which will be considered as informative only and not binding on either the bidder or the District.

Determination of Best Bid: The Bonds will be awarded to the responsible bidder whose bid produces the lowest true interest rate on the Bonds. The true interest rate specified in any bid will be that rate which, when used in computing the present worth of all payments of principal and interest to be paid on all Bonds from the date of original delivery (which is assumed to be November 4, 2025) to their respective maturity dates, produces an amount equal to the purchase price specified in such bid. For purposes of computing the true interest rate represented by any proposal, the purchase price specified in such proposal shall be equal to the par amount of the Bonds plus any premium specified in such proposal, and the true interest rate shall be calculated by the use of a semiannual interval of compounding interest based on the Interest Payment Dates for the Bonds.

Adjustment of Principal Maturities: The District reserves the right to increase or decrease the principal amount of the Bonds or any maturity of the Bonds, and/or eliminate one or more maturities of the Bonds. The District will give notice of any such adjustment to the successful bidder as soon as practicable following the notification of award. No such adjustment will alter the basis upon which the best bid is determined.

Right of Rejection: The District reserves the right, in its discretion, to reject any and all bids and to the extent not prohibited by law to waive any irregularity or informality in any bid.

Prompt Award: A representative of the District has been authorized to accept the best responsible bid for the purchase of the Bonds and to accept such bid, for and in the name of the District, by notice to the successful bidder. If two or more bids setting forth identical interest rates and premium, if any, are received, such officer may exercise discretion and judgment in making the award and may award the Bonds on a pro rata basis in such denominations as he or she determines. Such authorized representative of the District may also reject any and all bids and waive any irregularity or informality in any bid. Sale of the Bonds will be awarded or all bids will be rejected not later than 24 hours after the expiration of the time prescribed for the receipt of proposals unless such time of award is waived by the successful bidder; provided, that the award may be made after the expiration of the specified time if the bidder does not notify the District in writing of the withdrawal of its proposal.

Place of Delivery; Cancellation for Late Delivery: It is expected that the Bonds will be delivered to DTC for the account of the successful bidder on November 4, 2025. The successful bidder has the right, at the successful bidder's option, to cancel the contract of purchase if the Bonds are not tendered for delivery within 60 days from the date of the sale thereof.

Payment of Purchase Price: The successful bidder will be required to pay the purchase price of the Bonds in funds which are immediately available to the Riverside

County Treasurer-Tax Collector. Such payment shall be made on the date of original delivery of the Bonds by the District to DTC.

Good Faith Deposit: Upon acceptance of its bid, the winning bidder shall be required to deliver a good faith deposit (the "Good Faith Deposit") in the amount of \$100,000 payable to the order of U.S. Bank Trust Company, National Association, as cost of issuance custodian, as directed by the District, by wire transfer of immediately available funds, to secure the District from any loss resulting from the failure of the winning bidder to comply with the terms of its bid. Wiring instructions shall be provided to the winning bidder upon notification of the award. The Good Faith Deposit must be made by the winning bidder within 24 hours of notification of the award.

No interest will be paid upon the Good Faith Deposit made by the winning bidder. The Good Faith Deposit of the winning bidder will, immediately upon receipt, become the property of the District to be held and invested for the exclusive benefit of the District. The principal amount of such Good Faith Deposit shall be applied to the purchase price of the Bonds at the time of delivery thereof.

If the purchase price is not paid in full upon tender of the Bonds, the winning bidder shall have no right in or to the Bonds or to the recovery of its Good Faith Deposit, or to any allowance or credit by reason of such Good Faith Deposit, unless it shall appear that the Bonds would not be validly issued if delivered to the winning bidder in the form and manner proposed. In the event of nonpayment by the winning bidder, the amount of the Good Faith Deposit shall be retained by the District as and for liquidated damages for such failure by the winning bidder, and such retention shall constitute a full release and discharge of all claims by the District against the winning bidder arising from such failure. The District's actual damages in such event may be greater or may be less than the amount of the Good Faith Deposit, and each bidder waives any right to claim that the District's actual damages are less than such amount.

No Litigation: There is no litigation pending concerning the validity of the Bonds, the corporate existence of the District, or the entitlement of the District officers to their respective offices, and the purchaser will be furnished a no-litigation certificate certifying to the foregoing as of and at the time of delivery of the Bonds.

Establishment of Issue Price for the Bonds: Upon notification that it has submitted the winning bid, the purchaser shall provide the initial offering prices at which it has offered or reasonably expects to offer all of the Bonds of each maturity to the general public (excluding bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers) in a bona fide public offering.

Prior to delivery of the Bonds, the purchaser shall be required to provide to the District a reoffering price certification in form and substance similar to either the certificate attached hereto as Appendix A or Appendix B. In addition, based on reasonable requests of Bond Counsel, the purchaser will provide information regarding its sales of the Bonds. For purposes of this paragraph, sales of the Bonds to other securities brokers or dealers will not be considered sales to the general public.

In the event the District receives at least three bona fide bids for the sale of the Bonds (the "competitive sale requirement"), then the issue price for the Bonds will be established based on the reasonably expected initial offering prices of the Bonds as of the

sale date. If the competitive sale requirement is not satisfied, the District shall so advise the purchaser. In such event, the purchaser shall be required to apply the "hold-the-offering-price rule," as described below, in which case the initial offering price to the public as of the sale date of any maturity of the Bonds will be treated as the issue price of that maturity, applied on a maturity-by-maturity basis. If the competitive sale requirement is not satisfied, the purchaser shall notify the District, within one hour of the time of award of the Bonds, those maturities of the Bonds at least 10% of which have been sold to the public as of the sale date, and which maturities are subject to the hold-the-offering-price rule. Bids will not be subject to cancellation if the competitive sale requirement is not satisfied.

By submitting a bid, the purchaser shall (i) confirm that the underwriters have offered or will offer the Bonds to the public on or before the date of award at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in the bid submitted by the purchaser, (ii) certify it is a bidder with an industry reputation for underwriting new issuances of municipal obligations, and (iii) the purchaser agrees, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the hold-the-offering-price rule applies to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth business day after the sale date; or
- (2) the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The purchaser shall promptly advise the District when the underwriters have sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the 5th business day after the sale date.

The District acknowledges that in making the representation set forth above, the purchaser will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) if a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) if an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The District further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

By submitting a bid, each bidder confirms that:

- (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the purchaser that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the purchaser and as set forth in the related pricing wires, and
- (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the purchaser or such underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the purchaser or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Official Notice of Sale. Further, for purposes of this Official Notice of Sale:

- (i) “public” means any person other than an underwriter or a related party,
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),
- (iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one

partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

- (iv) "sale date" means October 21, 2025, being the date that the Bonds are awarded by the District to the purchaser.

Further Information: A copy of the Preliminary Official Statement describing the Bonds, and other information concerning the proposed financing, will be furnished upon request to the Municipal Advisor as follows: Fieldman, Rolapp & Associates, Inc., 19900 MacArthur Boulevard, Suite 1100, Irvine, CA 92612 (telephone (949) 660-7314), Attn: Jason Chung.
