

In the opinion of Foley & Judell, L.L.P., Bond Counsel, under existing law, interest on the Bonds is excludable from gross income for federal income tax purposes and is not a specific item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest may be taken into account for the purposes of computing the alternative minimum tax imposed on certain corporations. Interest on the Bonds owned by corporations or residents of the State of Louisiana is exempt from Louisiana state income taxation to the extent such interest is exempt from federal income taxation. See "TAX EXEMPTION" herein and Appendix "F" attached hereto.

INFORMATION RELATING TO THE SALES AND USE TAX SECURING THE PAYMENT OF THE BONDS AND THE OUTSTANDING PARITY BONDS

Authority for Levy of Sales Tax

A special election was held in the Issuer on September 18, 1965 (the "Election"), to authorize the Tax, and the Net Revenues of the Tax are dedicated to the security and payment of the Bonds and the Outstanding Parity Bonds. The proposition which was submitted at the Election and duly approved by a majority of the qualified electors voting at the Election provided as follows:

PROPOSITION

"Shall the Parish School Board of the Parish of Lafayette, State of Louisiana, under the provisions of R.S. 33:2737 and 33:2737.2 and other constitutional and statutory authority supplemental thereto, be authorized to levy and collect a tax of one percent (1%) upon the sale at retail, the use, the lease or rental, the consumption and storage for use or consumption of tangible personal property and on sales of services in the Parish of Lafayette, Louisiana, all as presently defined in R.S. 47:301 through 47:317, with the avails or proceeds of said tax (after paying reasonable and necessary costs and expenses of collecting and administering the tax) being allocated and dedicated for the purposes of (1) payment of salaries of teachers in the elementary and secondary schools of Lafayette Parish and/or for the expenses of operating said schools; and (2) capital improvements, including the acquisition of lands for building sites and playgrounds, purchasing, erecting and improving school buildings and related facilities, and acquiring the necessary equipment and furnishings therefor, title to which shall be in the public; and further, shall said School Board be authorized to incur debt and issue negotiable bonds for capital improvements as above described, payable from a pledge and dedication of the avails or proceeds of said tax, all in the manner and within the limitations set forth in R.S. 33:2737.2; provided, however, such bonds shall not be issued in amounts requiring more than one-half (½) of the avails or proceeds of the tax estimated to be collected in the current calendar year, as more fully set forth in R.S. 33:2737 .2; and further, in the event bonds are so issued, the avails or proceeds of such tax, after making all payments required for the payment of such bonds in principal and interest and the establishment of a reserve therefor, shall be allocated monthly as follows: First, an amount equal to at least one-half (½) of the total avails or proceeds of said tax for such month (after payment of costs and expenses of collecting and administering the tax) shall be used for the purpose of payment of salaries of teachers in the elementary and secondary schools of Lafayette Parish and/or for the expenses of operating said schools, and next, the remainder of the avails or proceeds of the tax for such month, if any, may be used for capital improvement purposes?"

Description of Sales Tax

In compliance with the aforesaid statutory authority and Election, the Governing Authority adopted Ordinance No. 1 of 1965 on October 6, 1965 (as amended from time to time, the "Sales Tax Ordinance"), which levied a special one percent (1%) sales and use tax, beginning December 1, 1965, upon the sale at retail, the use, the lease or rental, the consumption and storage for use or consumption of tangible personal property and upon sales of services within the Issuer as defined in Louisiana Revised Statutes 47:301 to 47:317, inclusive.

Sales Tax Rates

A list of the various sales and use taxes currently being levied and collected within the boundaries of the Issuer is available at <https://lataonline.org/for-taxpayers/city-to-parish-index/lafayette/>.

The Tax is in addition to the Issuer's additional two (2) one-half percent (½%) sales and use taxes and the other sales and use taxes levied and collected within the boundaries of the Issuer (which do not serve as security for the Bonds and the Outstanding Parity Bonds).

State law generally permits local government entities to levy sales taxes with the approval of voters. While State law generally limits which local government entities can levy sales and uses taxes and the cumulative amount of the sales and use taxes levied within a particular jurisdiction, those limitations are subject to legislative adjustment without notice. Additionally, the State Legislature exclusively controls the sales tax being levied by the State and may increase or decrease that rate in accordance with the Constitution. As a result, the Issuer cannot provide any assurance that the cumulative rate of sales taxes shown above will not change. Any increase in the cumulative rate of sales taxes levied within the Issuer could adversely impact economic activity within the Issuer and, as a result, decrease the amount of the Net Revenues of the Tax available to pay debt service on the Bonds.

Collection of the Tax

The Tax is collected from the purchaser or consumer by the dealer in addition to and at the same time as the State, the Parish and municipal sales and use taxes are collected. The combined sales and use taxes are collected in accordance with an integrated bracket schedule prescribed by the Secretary of the Louisiana Department of Revenue and are remitted monthly to the various taxing authorities.

A Joint Agreement for Collection of Sales and Use Taxes was signed by the School Board, the Parish of Lafayette, the Cities of Lafayette, Broussard, Carencro, Scott and Youngsville and the Town of Duson, in August 1975. The Joint Agreement establishes a sales and use tax collection department under the Lafayette Parish School Board known as the "Sales Tax Division" which, since January 1, 1976, has collected each of the sales and use taxes levied by the aforementioned political subdivisions. The costs and expenses of administering and collecting the respective sales and use taxes are reimbursed to the Sales Tax Division pro-rata by each political subdivision.

The Sales Tax Ordinance requires the dealer to collect the Tax from the purchaser or consumer. Each dealer is required to file with the Director of the Sales Tax Division of the School Board a registration certificate in return for which the dealer is assigned a registration number and issued a certificate of authority to collect the Tax. On or before the twentieth day of each month it is the duty of each dealer to transmit to said Director a complete report of sales and use taxes collected during the preceding month and to remit to the School Board the amount of the Tax due for sales in the preceding month.

There can be no assurance that any dealer listed above will continue to locate in the Issuer or continue to collect sales taxes at the level stated. Any relocation, closing, or change in business of any of the foregoing could adversely impact economic activity within the Issuer and, as a result, decrease the amount of the Net Revenues of the Tax available to pay debt service on the Bonds and the Outstanding Parity Bonds.

ESTIMATED COVERAGE

As shown in a table contained in Appendix "E" attached hereto, the highest estimated combined principal and interest on the Bonds and the Outstanding Parity Bonds is approximately \$24,417,882*. The Net Revenues of the Tax for the Fiscal Year ended June 30, 2025, were \$89,827,479. This amount will provide coverage of approximately **3.68* times** the estimated maximum combined debt service requirements on the Bonds and the Outstanding Parity Bonds in any future Fiscal Year. For additional information, see "INFORMATION RELATING TO THE SALES AND USE TAX SECURING THE PAYMENT OF THE BONDS AND THE OUTSTANDING PARITY BONDS".

No assurance can be given that the Net Revenues of the Tax will not decline in any future year.

SECURITY PROVISIONS AND PROTECTIVE COVENANTS FOR THE BONDS AND THE OUTSTANDING PARITY BONDS

"Additional Parity Bonds" means any additional *pari passu* bonds which may hereafter be issued, pursuant to the Bond Resolution, on a parity with the Bonds and the Outstanding Parity Bonds.

"Fiscal Year" means the twelve-month accounting period commencing on the first day of July or any other twelve-month accounting period determined by the Governing Authority as the fiscal year of the Issuer.

"Outstanding" when used with respect to the Bonds means, as of the date of determination, all Bonds theretofore issued and delivered under the Bond Resolution, except:

3. Bonds alleged to have been mutilated, destroyed, lost or stolen as provided in the Bond Resolution or by law; and

"Owner" or "Owners" when used with respect to any Bond means the Person in whose name such Bond is registered in the Bond Register.

"Parity Bond Resolutions" means the resolutions adopted by the Governing Authority on December 13, 2017, June 13, 2018, January 17, 2019, April 15, 2020, February 8, 2023, and June 12, 2025, which authorized the issuance of the Outstanding Parity Bonds.

Covenants of the Issuer

In providing for the issuance of the Bonds, the Issuer covenants that it has the legal right to levy and collect the Tax, to issue the Bonds and to pledge the Net Revenues of the Tax as herein described, and that the Bonds will have a lien of privilege on the Net Revenues of the Tax, subject only to the prior payment of the reasonable and necessary costs and expenses of administering and collecting the Tax.

Pledge of Revenues of the Tax

The Bonds, equally with the Outstanding Parity Bonds, are secured by and payable from the Net Revenues of the Tax. The Bonds are further secured by monies on deposit in the Bond Sinking Fund (hereinafter defined) and the Bond Reserve Fund (hereinafter defined).

A complete description of the Tax, the method of collecting same, and the anticipated proceeds which will be available to the Issuer for the payment of the Bonds and the Outstanding Parity Bonds are hereinafter described in this Official Statement under the section entitled, "INFORMATION RELATING TO THE SALES AND USE TAX SECURING THE PAYMENT OF THE BONDS AND THE OUTSTANDING PARITY BONDS." The Bonds and the Outstanding Parity Bonds are payable solely from the Net Revenues of the Tax, as described herein, and do not constitute an indebtedness or pledge of the general credit of the Issuer within the meaning of any constitutional or statutory provision relating to the incurring of indebtedness. Each Bond will contain a recital to this effect.

Obligation to Collect Tax

The Issuer, by proper resolutions and/or ordinances, is obligated to cause the Tax to continue to be levied and collected until all of the Bonds and the Outstanding Parity Bonds, as applicable, have been retired as to both principal and interest, and further shall not discontinue or decrease or permit to be discontinued or decreased the Tax in anticipation of the collection of which the Bonds have been issued, nor in any way make any change which would diminish the amount of the revenues of the Tax to be received by the Issuer until all of the Bonds and the Outstanding Parity Bonds have been retired as to both principal and interest. Nothing contained in the Bond Resolution shall be construed to prevent the Governing Authority of the Issuer from altering, amending or repealing from time to time as may be necessary the Sales Tax Ordinance or any subsequent ordinance providing with respect to the Tax, said alterations, amendments or repeals to be conditioned upon the continued preservation of the rights of the Owners with respect to the Net Revenues of the Tax. The Sales Tax Ordinance pursuant to which the Tax is being levied, collected and allocated, and the obligations to continue to levy, collect and allocate the Tax and to apply the Net Revenues of the Tax in accordance with the provisions of the Bond Resolution, shall be irrevocable until the Bonds and the Outstanding Parity Bonds have been paid in full as to both principal and interest, and shall not be subject to amendment in any manner which would impair the rights of the Owners from time to time of the Bonds and the Outstanding Parity Bonds or which would in any way jeopardize the prompt payment of principal thereof and interest thereon.

The Owner of any of the Bonds may, either at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel performance of all duties required to be performed as a result of issuing the Bonds, and may similarly enforce the provisions of any resolution or ordinance imposing the Tax and ordinance and proceedings authorizing the issuance of the Bonds.

Flow of Funds

In order that the principal of and interest on the Bonds and the Outstanding Parity Bonds will be paid in accordance with their terms and for the other objects and purposes hereinafter provided, the Issuer further covenants in the Bond Resolution as follows:

All of the avails or proceeds derived from the levy and collection of the Tax will be deposited daily as the same may be collected in a separate and special bank account established and maintained with the regularly designated fiscal agent of the Issuer and known and designated as the "School Board Sales Tax Fund" (hereinafter called "Sales Tax Fund"), established and maintained pursuant to the Parity Bond Resolutions. Out of the funds on deposit in the Sales Tax Fund, the Issuer will first pay all reasonable and necessary costs and expenses of collecting and administering the Tax. After payment of such costs and expenses, all moneys in said Fund will be dedicated and used in the following order of priority and for the following express purposes:

- (a) The maintenance of the Sales Tax Bond Sinking Fund ("Bond Sinking Fund"), established and maintained pursuant to the Parity Bond Resolutions, sufficient in amount to pay promptly and fully the principal of and interest on the Bonds and the Outstanding Parity Bonds, as the same severally become due and payable, by transferring from the Sales Tax Fund to the regularly designated fiscal agent of the Issuer on or before the 20th day of each month, of each year, in addition to the amount required by the Parity Bond Resolutions, a fractional amount of the interest on the Bonds falling due on the next interest payment date and a fractional amount of the principal of the Bonds falling due on the next principal payment date, whether by maturity or mandatory call, such fractions being equal to the number 1 divided by the number of months preceding such interest payment date or principal payment date, as the case may be, since the last interest or principal payment date, as the case may be, so that by making equal monthly payments the Issuer will always provide the necessary sums required to be on hand on each interest and principal payment date, together with such additional proportionate sum as may be required so that sufficient moneys will be available in the Bond Sinking Fund to pay said principal and interest as the same respectively become due. Said fiscal agent bank will transfer from the Bond Sinking Fund to the paying agent bank or banks for all bonds

payable from said Fund, at least ten (10) days in advance of the date on which payment of principal or interest falls due, funds fully sufficient to pay promptly the principal and interest so falling due on such date.

- (b) The maintenance of the Sales Tax Bond Reserve Fund ("Bond Reserve Fund"), established and maintained pursuant to the Parity Bond Resolutions with the regularly designated fiscal agent of the Issuer. The money and/or Reserve Product(s) deposited in the Bond Reserve Fund will be retained solely for the purpose of paying the principal of and interest on bonds payable from the Bond Sinking Fund as to which there would otherwise be default. In the event that Additional Parity Bonds are issued in the manner provided by the Bond Resolution, there shall be transferred monthly or annually from the Sales Tax Fund to the Bond Reserve Fund or capitalized and paid from the proceeds of such Additional Parity Bonds such amounts and Reserve Products (as may be designated in the resolution authorizing the issuance of such Additional Parity Bonds) as will increase the total amount on deposit in the Bond Reserve Fund within a period not exceeding five (5) years to a sum equal to the Reserve Fund Requirement.

The Reserve Fund Requirement may be funded with cash or Investment Obligations, or one or more Reserve Products, or a combination thereof. Any such Reserve Product must provide for payment on any interest or principal payment date (provided adequate notice is given) on which a deficiency exists (or is expected to exist) in moneys held thereunder for payment of the principal of or interest on the Bonds due on such date which cannot be cured by funds in any other fund or account held pursuant to the Bond Resolution and available for such purpose, and shall name the Paying Agent as the beneficiary thereof. In no event shall the use of a Reserve Product be permitted if it would cause any existing rating on any parity debt thereof to be lowered, suspended or withdrawn. If a disbursement is made from a Reserve Product as provided above, the Issuer shall be obligated to reinstate the maximum limits of such Reserve Product immediately following such disbursement from the Net Revenues of the Tax available pursuant to the Bond Resolution or to replace such Reserve Product by depositing into the Bond Reserve Fund, funds in the maximum amount originally available under such Reserve Product, plus amounts necessary to reimburse the Reserve Insurer for previous disbursements under such Reserve Product, or a combination thereof. For purposes of this section pursuant to the Bond Resolution, amounts necessary to satisfy such reimbursement obligations of the Issuer to the Reserve Insurer shall be deemed to be required deposits to the Bond Reserve Fund, but shall be applied to satisfy the reimbursement obligations to the Reserve Insurer.

If the Reserve Fund Requirement is funded in whole or in part with cash or Investment Obligations and no event of default shall have occurred and be continuing hereunder, the Issuer may at any time in its discretion, substitute a Reserve Product meeting the requirements of the Bond Resolution for the cash and Investment Obligations in the Bond Reserve Fund and the Issuer may then withdraw such cash and Investment Obligations from the Bond Reserve Fund and deposit them to the credit of the Sales Tax Fund so long as (i) the same does not adversely affect any rating by a Rating Agency then in effect with respect to the parity debt, or any series thereof, and (ii) the Issuer obtains an opinion of Bond Counsel to the effect that such actions will not, in and of themselves, adversely affect the exclusion from gross income of interest on the parity debt (if not taxable bonds) for federal income tax purposes.

Cash on deposit in the Bond Reserve Fund shall be used (or investments purchased with such cash shall be liquidated and the proceeds applied as required) prior to any drawing on any Reserve Product. If more than one Reserve Product is deposited in the Bond Reserve Fund, drawings thereunder shall be made on a pro rata basis, calculated by reference to the maximum amounts available thereunder.

Any supplemental resolution may require a greater Bond Reserve Fund Requirement or other obligations on behalf of Issuer with respect to the Bond Reserve Fund.

If at any time it shall be necessary to use moneys in the Bond Reserve Fund for the purpose of paying principal of or interest on bonds as to which there would otherwise be default, then the moneys so used shall be replaced from the revenues first thereafter received not hereinabove required to pay the costs and expenses of collecting the Tax or to pay current principal and interest requirements, it being the intention hereof that there will as nearly as possible be at all times in the Bond Reserve Fund the amount hereinabove specified.

Any moneys remaining in the Sales Tax Fund on the 20th day of each month after making the required payments into the Bond Sinking Fund and the Bond Reserve Fund for the current month and for the prior months during which the required payments may not have been made, will be considered as surplus. Such surplus may be used by the Issuer for any of the purposes for which the imposition of the Tax is now or may thereafter be authorized by law, or for the purpose of retiring Bonds in advance of their maturities, either by purchase of Bonds then outstanding at prices not greater than the then redemption prices of said Bonds or by retiring such Bonds at the prices and in the manner set forth in the Bond Resolution.

Reserve Fund Requirement

Upon the issuance of the Bonds, the Reserve Fund Requirement will be \$_____. The Reserve Fund is funded by a combination of cash, the Reserve Fund Insurance Policy, and the reserve fund insurance policy issued in connection with the Sales Tax Revenue Bonds, Series 2025.

Issuance of Additional Parity Bonds

The Issuer shall issue no other bonds or obligations of any kind or nature payable from or enjoying a lien on the Net Revenues of the Tax having priority over or parity with the Bonds and the Outstanding Parity Bonds, except that Additional Parity Bonds may hereafter be issued under the following conditions:

1. The Bonds and the Outstanding Parity Bonds or any part thereof, including interest and redemption premiums, may be refunded with the consent of the Owners thereof (except that as to bonds which have been properly called for redemption and provisions made for the payment thereof, such consent shall not be necessary) and the refunding bonds so issued shall enjoy complete equality of lien with the portion of the Bonds which is not refunded, if there be any, provided, however, that if only a portion of Bonds outstanding is so refunded and the refunding Bonds require total principal and interest payments during any Bond Year in excess of the principal and interest which would have been required in such Bond Year to pay the Bonds refunded thereby, then such Bonds may not be refunded without the consent of the Owners of the unrefunded portion of the Bonds issued under the Bond Resolution.

2. Additional Parity Bonds may also be issued on a parity with the Bonds and the Outstanding Parity Bonds if all of the following conditions are met:

- a. The average annual Net Revenues of the Tax when computed for the last two (2) completed Fiscal Years immediately preceding the issuance of the Additional Parity Bonds must have been not less than two (2) times the highest combined principal and interest requirements for any succeeding Fiscal Year period on all Bonds and Outstanding Parity Bonds then outstanding, including any Additional Parity Bonds theretofore issued and then outstanding, and any other bonds or other obligations whatsoever then outstanding which are payable from the Tax (but not including bonds which have been refunded or provision otherwise made for their full and complete payment and redemption) and the Bonds so proposed to be issued;
- b. The payments to be made into the various funds provided for in the Bond Resolution must be current;

- c. The existence of the facts required by paragraphs (a) and (b) above will be determined and certified to by the Secretary-Treasurer of the Governing Authority or the chief financial officer of the Issuer on the basis of the public audits, books, records and/or accounts relating to the Tax and for this purpose a system of cash receipts rather than accrual accounting shall be used; and

The Additional Parity Bonds must be payable as to principal on April 1st of each year in which principal falls due, beginning not later than three (3) years from the date of issuance of said additional bonds, and payable as to interest on April 1st and October 1st of each year.

ADDITIONAL PROVISIONS OF THE BOND RESOLUTION

Bond Resolution to Constitute Contract

The provisions of the Bond Resolution shall constitute a contract between the Issuer and the Owner or Owners from time to time of the Bonds, and any Owner of the Bonds may either at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel the performance of all duties required to be performed by the Issuer as a result of issuing the Bonds, and may similarly enforce the provisions of the Tax Ordinance imposing the Tax and the Bond Resolution.

Tax Covenants of the Issuer

The Issuer covenants and agrees that, to the extent permitted by the laws of the State, it will comply with the requirements of the Internal Revenue Code of 1986 and any amendment thereto (the "Code") in order to establish, maintain and preserve the exclusion from "gross income" of interest on the Bonds under the Code. The Issuer further covenants and agrees that it will not take any action, fail to take any action, or permit any action within its control to be taken, or permit at any time or times any of the proceeds of the Bonds or any other funds of the Issuer to be used directly or indirectly in any manner, the effect of which would be to cause the Bonds to be "arbitrage bonds" or would result in the inclusion of the interest on the Bonds in gross income under the Code, including, without limitation, (i) the failure to comply with the limitation on investment of Bond proceeds or (ii) the failure to pay any required rebate or arbitrage earnings to the United States of America or (iii) the use of the proceeds of the Bonds in a manner which would cause the Bonds to be "private activity bonds."

Amendments to Bond Resolution

No material modification or amendment of the Bond Resolution, or of any Bond Resolution amendatory hereof or supplemental hereto, may be made without the consent in writing of the Owners of two-thirds (2/3) of the aggregate principal amount of the Bonds then outstanding; provided, however, that no such modification or amendment shall permit a change in the maturity of the Bonds or the redemption provisions thereof, or a reduction in the rate of interest thereon, or the promise of the Issuer to pay the principal of and the interest on the Bonds as the same shall come due from the Net Revenues of the Tax, or reduce the percentage of owners required to consent to any material modification or amendment of the Bond Resolution, without the consent of the Owner or Owners of the Bonds.

Events of Default

The occurrence of one or more of the following events shall be an Event of Default under the Bond Resolution:

- (i) if default shall be made in the due and punctual payment of the principal of any Bond when and as the same shall become due and payable, whether at maturity or otherwise (in determining whether an interest payment default has occurred, no effects shall be given to payments made under any municipal bond insurance policy); or

(ii) if default shall be made in the due and punctual payment of any installment of interest on any Bond when and as such interest installment shall become due and payable (in determining whether an interest payment default has occurred, no effect shall be given to payments made under any municipal bond insurance policy); or

(iii) if default shall be made by the Issuer in the performance or observance of any other of the covenants, agreements or conditions on its part in the Bond Resolution, any supplemental ordinance or in the Bonds, and such default shall continue for a period of forty-five (45) days after written notice thereof to the Issuer by the Insurer, if any, or the Owners of not less than 25% of the Bond Obligation; or

(iv) if the Issuer shall file a petition or otherwise seek relief under any Federal or State bankruptcy law or similar law;

then, upon the happening and continuance of any Event of Default the Reserve Insurer, if any, and the Owners of the Bonds shall be entitled to exercise all rights and powers for which provision is made under State law; provided, however, that the exercise of remedies at the direction of the Owners is subject to the prior written consent of the Insurer, if any, and the Reserve Insurer, if any, acting alone, shall have the exclusive right to direct any action or remedy to be undertaken so long as it is not then in default of its payment obligations under any applicable municipal bond insurance policy. Under no circumstances may the principal or interest of any of the Bonds be accelerated. The Issuer shall notify the Reserve Insurer, if any, immediately upon the occurrence of any Event of Default. No Event of Default shall be waived without the consent of the Reserve Insurer, if any. All remedies shall be cumulative with respect to the Paying Agent, the Owners and the Reserve Insurer, if any; if any remedial action is discontinued or abandoned, the Paying Agent, the Owners and the Reserve Insurer, if any, shall be restored to their former positions.

The Paying Agent or Issuer shall provide the Reserve Insurer with immediate notice of any payment default, and notice of any other default known to the Paying Agent within thirty (30) days of the Paying Agent's or Issuer's knowledge thereof.

INVESTOR CONSIDERATIONS

The purchase of the Bonds involves certain investment risks which are discussed throughout this Official Statement, and each prospective investor should make an independent evaluation of all information presented in this Official Statement in order to make an informed investment decision. Particular attention should be given to the factors described below which, among others, could affect the payment of debt service on the Bonds.

Limited Obligations

The Bonds shall not be or constitute general obligations or indebtedness of the Issuer within the Constitution, but shall be payable solely from and secured by a lien upon and a pledge of the Net Revenues of the Tax. No bondholder shall ever have the right to compel the exercise of *ad valorem* taxing power of the Issuer or taxation in any form on any real or personal property to pay the Bonds or interest thereon, nor shall any bondholder be entitled to the payment of such principal and interest from any other funds of the Issuer other than the Net Revenues of the Tax in the manner and to the extent provided in the Bond Resolution. In addition, no recourse shall be had for the payment of the principal or interest on the Bonds or for any claim based thereon or the Bond Resolution against any member of the Governing Authority or officer of the Issuer or any person executing the Bonds. Therefore, the security for the punctual payment of the principal of and interest on the Bonds is dependent on the availability of Net Revenues of the Tax in an amount sufficient to meet the debt service requirements of the Bonds, Outstanding Parity Bonds and any Additional Parity Bonds.

Future Changes in Laws

The information presented in this Official Statement is based on the laws and regulations of the United States of America and the State and related court and administrative law decisions in effect as of the date of this Official Statement (collectively, the "Laws"). In addition, the opinions delivered in

connection with the issuance of the Bonds are based on the Laws. No assurance can be given as to the impact, if any, future events, regulations, legislation, court decisions or administrative decisions may have with respect to the Laws or that any or all of the Laws will remain in effect during the entire term of the Bonds.

Difficulties in Enforcing Remedies

The remedies available to the owners of the Bonds upon an event of default under the Bond Resolution are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically in the United States Bankruptcy Code, 11 U.S.C. §101 et seq. (the "Bankruptcy Code"), the remedies provided in the Bond Resolution may not be readily available or may be limited. The various legal opinions delivered concurrently with the delivery of the Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by general principles of equity and by bankruptcy, insolvency, reorganization, moratorium, or other similar laws affecting the rights of creditors generally.

The enforceability of the rights and remedies of the owners of the Bonds, and the obligations incurred by the Issuer in issuing the Bonds, are subject to the Bankruptcy Code and applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or affecting the enforcement of creditors' rights generally, now or hereafter in effect to the extent constitutionally applicable; equity principles which may limit the specific enforcement under State law of certain remedies; the exercise by the United States of America of the powers delegated to it by the federal Constitution; and the exercise of the sovereign police powers of the State or its governmental bodies. Consistent with the contracts clauses of the Louisiana and United States Constitutions, in a bankruptcy proceeding or due to the exercise of powers by the federal or State government, bondowners could be subject to judicial discretion and the interpretation of their rights in bankruptcy or otherwise, which consequently may entail risks of delay, limitation, or modification of their rights. Under current State law, no political subdivision of the State, including the Issuer, may file for protection under Chapter 9 of the Bankruptcy Code unless such filing is approved by the Louisiana State Bond Commission and the Governor and Attorney General of the State. Further, no political subdivision of the State, after filing for bankruptcy protection, may carry out a plan of readjustment of debts approved by the bankruptcy court until such plan is approved by the Louisiana State Bond Commission and the Governor and Attorney General of the State.

The obligations of the Issuer under the Bond Resolution may be secured on a parity with other obligations of the Issuer so that any proceeds that might be derived from the exercise of remedies would be required to be shared among the owners of the Bonds and the Outstanding Parity Bonds and the holders of any Additional Parity Bonds.

The pledge of the Net Revenues of the Tax by the Issuer to secure its obligations with respect to the Bonds may be ineffective as to certain revenues or under certain circumstances.

Financial Information

Certain financial information relating to the Issuer is set forth herein and in the appendices hereto. There can be no assurance that the financial results achieved by the Issuer in the future (including, but not limited to, the amount of Net Revenues of the Tax collected by the Issuer) will be similar to historical results. Such future results will vary from historical results and actual variations may be material.

Secondary Market Information

There is no guarantee that a secondary trading market will develop for the Bonds. Consequently, prospective bond purchasers should be prepared to hold their Bonds to maturity or prior redemption. Subject to applicable securities laws and prevailing market conditions, the Underwriter intends, but is not obligated to make a market in the Bonds. As a result, owners of the Bonds may be unable to dispose of the Bonds should they no longer desire to own the Bonds. There can be no guarantee of the liquidity of the Bonds; consequently, prospective purchasers of the Bonds should be prepared to hold such bonds until maturity.

If such secondary market exists after the issuance of the Bonds, events such as decreases in benchmark interest rate indices, downward revisions or withdrawals of the rating on the Bonds or the Issuer, and general market turmoil, among others, may adversely affect the value of the Bonds on such secondary market. There is no guarantee that the owner of a Bond will not experience a loss of value of such Bond prior to maturity.

There can be no guarantee the rating assigned to the Bonds at the time of issuance will not be lowered or withdrawn at any time, the effect of which could adversely affect the market price for, and marketability of, the Bonds in the secondary market. See the information under "BOND RATING" herein.

Failure to Provide Ongoing Disclosure

The failure of the Issuer to comply with the continuing disclosure certificate described herein may adversely affect the transferability and liquidity of the Bonds and their market price. See "CONTINUING DISCLOSURE" herein.

Book-Entry

Persons who purchase Bonds through DTC Participants become creditors of the DTC Participant with respect to the Bonds. Records of the investors' holdings are maintained only by the DTC Participant and the investor. In the event of the insolvency of the DTC Participant, the investor would be required to look to the DTC Participant's estate and to any insurance maintained by the DTC Participant, to make good the investor's loss. Neither the Issuer, Underwriter nor any of their agents are responsible for failures to act by, or insolvencies of, the Securities Depository or any DTC Participant. See Appendix "H" attached hereto.

Forward-Looking Statements

This Official Statement contains statements relating to future results that are "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. When used in this Official Statement, the words "estimate," "intend," "expect" and similar expressions identify forward-looking statements. Any forward-looking statement is subject to uncertainty and risks that could cause actual results to differ, possibly materially, from those contemplated in such forward-looking statements. Inevitably, some assumptions used to develop forward-looking statements will not be realized or unanticipated events and circumstances may occur. Therefore, investors should be aware that there are likely to be differences between forward-looking statements and actual results; those differences could be material.

Approval of Louisiana State Bond Commission

The Louisiana State Bond Commission (the "State Bond Commission") previously approved the issuance of the Bonds. The State Bond Commission expressly provides that said approval does not constitute a recommendation, approval or sanction by the State Bond Commission or the State of the investment quality of the Bonds and does not constitute any guaranty of repayment of the Bonds by the State Bond Commission or the State. The approval of the Bonds by the State Bond Commission should not be relied upon by any prospective purchaser of the Bonds as advice. The written approval of the State Bond Commission expressly states that neither it nor the State shall have any liability or legal responsibility to investors arising out of, related to, or connected with the approval of the Bonds.

Infectious Disease Outbreak

The Issuer cannot predict the potential of an outbreak of infectious disease in the future or its impact on the operations of the Issuer or the collections of the Tax. The COVID-19 pandemic, for example, prompted national, state and local emergency declarations that adversely affected and often resulted in significant reductions in business, travel, and other economic activity. Future epidemic or pandemic outbreaks could have similar far-reaching effects, negatively impacting the amount of Net Revenues of the Tax available for the payment of Debt Service.

Cybersecurity

The Issuer is dependent on electronic information technology systems to deliver high quality, coordinated and cost-efficient services. These systems may contain sensitive information or support critical operational functions which may be valued for unauthorized purposes. As a result, the electronic systems and networks of the Issuer may be targets of cyberattack. The Issuer has taken, and continues to take, measures to protect its information technology systems, and the private, confidential information that those systems may contain, against cyberattack. While the Issuer employs information technology professionals and utilizes operational safeguards that are tested periodically, no assurance can be given that such measures will protect the Issuer against all cybersecurity threats or attacks or the severity or consequences of any such attack.

The availability of Pledged Revenues to pay debt service on the Bonds is likewise dependent upon the technology systems of various third parties, such as the Depository Bank, over which the Issuer has no control.

Environmental Risk

The State is located along the Gulf of America (formerly known as the Gulf of Mexico) with a topography that includes a number of low-lying areas and eight different watershed regions. As a result, the State and the Issuer are susceptible to flooding from rain and tropical events. In recent years, Hurricanes Isaac, Harvey, Laura, Delta and Ida, along with less intense tropical storms and tropical depressions, have impacted the State, and multiple non-tropical rain and snow events have resulted in State and federal emergency declarations in many parishes. These events, along with rising sea levels and unrelated economic activities, have accelerated the erosion of the State's coastline, jeopardizing the State's natural protection system and imposing additional environmental risk on the State and the Issuer.

To mitigate the severity and impact of future events, the State is leading a coordinated effort with the United States federal government, various state agencies, and local government entities including the Issuer. The State created the Coastal Protection and Restoration Authority ("CPRA"; www.coastal.la.gov) in December 2005 to focus development and implementation efforts to achieve comprehensive coastal protection for Louisiana. The State launched the Louisiana Watershed Initiative ("LWI"; www.watershed.la.gov) that introduced a new watershed-based approach to reducing flood risk in Louisiana. CPRA and LWI are collectively responsible for coordinating the investment of hundreds of billions of dollars in environmental protection activities in the State. This investment is designed to enhance the sustainability of the entire State, including the Issuer; however, the Issuer cannot guarantee the effect or ultimate success of such efforts.

Additionally, in 2023, the Louisiana Legislature established the role of Chief Resilience Officer within the Office of the Governor to coordinate policy response to various environmental hazards. The Chief Resilience Officer serves on a newly-created Interagency Resilience Coordination Team along with other department heads within the executive branch to advance a cross-agency, holistic approach to the challenges and opportunities associated with the impacts of environmental hazards in the State's coastal areas. The Louisiana Legislature also created the Louisiana Resilience Task Force, which will meet quarterly to make strategic recommendations to the Chief Resilience Officer. This cross-government approach to the coordination of resiliency efforts aims to improve planning and strategy within State government and enhance the State's ability to adapt to wide-ranging environmental challenges.

TAX EXEMPTION

In the opinion of Foley & Judell, L.L.P., Bond Counsel, interest on the Bonds is excludable from gross income for federal income tax purposes under Section 103 of the Code and is not a specific item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations. See also Appendix "F" attached hereto.

The opinion of Bond Counsel will state that interest on the Bonds owned by corporations or residents of the State is exempt from State income taxation to the extent such interest is exempt from federal income taxation. See Appendix "F" attached hereto. Each prospective purchaser of the Bonds should consult his or her own tax advisor as to the status of interest on the Bonds under the tax laws of any state other than the State.

Except as stated above, Bond Counsel expresses no opinion as to any federal, state or local tax consequences resulting from the ownership or disposition of, or the accrual or receipt of interest on, the Bonds.

General

The Code imposes a number of requirements that must be satisfied for interest on state and local obligations to be excluded from gross income for federal income tax purposes. These requirements include limitations on the use of bond proceeds and the source of repayment of bonds, limitations on the investment of bond proceeds prior to expenditure, a requirement that excess arbitrage earned on the investment of certain bond proceeds be paid periodically to the United States, except under certain circumstances, and a requirement that information reports be filed with the Internal Revenue Service.

The opinion of Bond Counsel will assume continuing compliance with the covenants of the Issuer pertaining to those sections of the Code which affect the exclusion from gross income of interest on the Bonds for federal income tax purposes and, in addition, will rely on certifications and representations by officials of the Issuer and others with respect to matters solely within their respective knowledge, which Bond Counsel has not independently verified. If the Issuer should fail to comply with the covenants in the Bond Resolution or if the foregoing representations should be determined to be inaccurate or incomplete, interest on the Bonds could become included in gross income from the date of original delivery of the Bonds, regardless of the date on which the event causing such inclusion occurs. The Bond Resolution does not provide for any adjustment in the interest rate or after-tax return on the Bonds in the event of an adverse determination by the Internal Revenue Service with respect to the tax-exempt status of interest on the Bonds.

Owners of the Bonds should be aware that (i) the ownership of tax-exempt obligations, such as the Bonds, may result in collateral federal income tax consequences to certain taxpayers and (ii) certain other federal, state and/or local tax consequences may also arise from the ownership and disposition of the Bonds or the receipt of interest on the Bonds. Furthermore, future laws and/or regulations enacted by federal, state or local authorities may affect certain owners of the Bonds. All prospective purchasers of the Bonds should consult their legal and tax advisors regarding the applicability of such laws and regulations and the effect that the purchase and ownership of the Bonds may have on their particular financial situation.

Owners of the Bonds are also advised that the Internal Revenue Service may initiate an audit of the Bonds. The Owners of the Bonds may have limited rights to participate in any audit proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Bonds until the audit is concluded, regardless of the ultimate outcome. Further, an adverse determination by the Internal Revenue Service with respect to the tax-exempt status of interest on the Bonds may adversely affect the availability of any secondary market for the Bonds. Should interest on the Bonds become includable in gross income for federal income tax purposes, not only will Owners of Bonds be required to pay income taxes on the interest received on such Bonds and related penalties, but because the interest rate on such Bonds will not be adequate to compensate Owners of the Bonds for the income taxes due on such interest, the value of the Bonds may decline.

Alternative Minimum Tax Consideration

Interest on the Bonds is not a specific item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest may be taken into account for the purposes of computing the alternative minimum tax imposed on certain corporations.

Tax Treatment of Original Issue Premium

The Bonds may be offered and sold to the public at a price in excess of their stated principal amounts. Such excess is characterized as a "bond premium" and must be amortized by an investor purchasing a Bond on a constant yield basis over the remaining term of the Bond in a manner that takes into account potential call dates and call prices. An investor cannot deduct amortized bond premium related to a tax-exempt bond for federal income tax purposes. However, as bond premium is amortized, it reduces the investor's basis in the Bond. Investors who purchase a Bond should consult their own tax advisors regarding the amortization of bond premium and its effect on the Bond's basis for purposes of computing gain or loss in connection with the sale, exchange, redemption or early retirement of the Bond.

Tax Treatment of Original Issue Discount

The Bonds may be offered and sold to the public at a price less than their stated principal amounts. The difference between the initial public offering prices and their stated amounts constitutes original issue discount treated as interest which is excluded from gross income for federal income tax purposes and which is exempt from all present State taxation subject to the caveats and provisions described herein. Owners of Bonds should consult their own tax advisors with respect to the determination for federal income tax purposes of original issue discount accrued with respect to such Bonds as of any date, including the date of disposition of any Bond and with respect to the state and local consequences of owning Bonds.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals in Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to herein. In addition, such legislation (whether currently proposed, proposed in the future or enacted) could affect the market value or marketability of the Bonds. Future Congressional proposals could also affect the Bonds, even if never enacted. It cannot be predicted whether or in what form any such proposals might ultimately be enacted or whether if enacted such proposals would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Bonds or the market value thereof would be impacted thereby. Prospective purchasers of the Bonds should consult their tax or investment advisors regarding any pending or proposed legislation, regulatory initiatives or litigation.

The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Bonds, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending or proposed federal or state tax legislation, regulations or litigation.

THE FOREGOING DISCUSSION OF CERTAIN FEDERAL AND STATE INCOME TAX CONSEQUENCES IS PROVIDED FOR GENERAL INFORMATION ONLY. INVESTORS SHOULD CONSULT THEIR TAX OR INVESTMENT ADVISORS AS TO THE TAX CONSEQUENCES TO THEM IN LIGHT OF THEIR OWN PARTICULAR INCOME TAX POSITION, OF ACQUIRING, HOLDING OR DISPOSING OF THE BONDS.

LEGAL MATTERS

No litigation has been filed questioning the validity of the Bonds or the security therefor and a certificate to that effect will be delivered by the Issuer to the Underwriter (hereinafter defined) upon the issuance of the Bonds.

The approving opinion of Foley & Judell, L.L.P., Bond Counsel, is limited to the matters set forth therein, and Bond Counsel is not passing upon the accuracy or completeness of this Official Statement. Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further

based on certifications and factual representations made as of the date thereof. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result and is not binding on the Internal Revenue Service or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law and in reliance on the representations and covenants that it deems relevant to such opinion.

A manually executed original of such opinion will be delivered to the Underwriter on the date of payment for and delivery of the Bonds. The proposed form of said legal opinion appears in Appendix "F" to this Official Statement. For additional information regarding the opinion of Bond Counsel, see the preceding section titled "TAX EXEMPTION." The compensation of Bond Counsel is contingent upon the sale and delivery of the Bonds.

UNDERWRITING

The Bonds are being purchased by the Underwriter at a purchase price of \$_____ (representing the principal amount of the Bonds, [plus an original issue premium/less an original issue discount] of \$_____, and less Underwriter's discount of \$_____). The Bond Purchase Agreement (the "Purchase Agreement") between the Underwriter and the Issuer provides that the Underwriter will purchase all of the Bonds if any are purchased. The obligation of the Underwriter to accept delivery of the Bonds is subject to various conditions contained in the Purchase Agreement.

The Underwriter intends to offer the Bonds to the public initially at the prices set forth on the cover page of this Official Statement, which may subsequently change without any requirement or prior notice. The Underwriter reserves the right to join with dealers and other underwriters in offering the Bonds to the public. The Underwriter may offer and sell the Bonds to certain dealers at prices lower than the public offering prices. In connection with this offering, the Underwriter may overallocate or effect transactions which stabilize or maintain the market price of the Bonds offered hereby at a level above that which might otherwise prevail in the open market. Such stabilizing, if commenced, may be discontinued at any time. The Underwriter may also receive compensation for serving as bidding agent in conducting a competitive bid for the investment of some or all of the proceeds of the Bonds.

The Underwriter is not acting as financial advisor to the Issuer in connection with the offer and sale of the Bonds.

MUNICIPAL ADVISOR

The Issuer has employed the firm of Argent Advisors, Inc. to perform professional services in the capacity of municipal advisor (the "Municipal Advisor") in connection with the issuance of the Bonds. In such capacity, the Municipal Advisor has reviewed and commented on certain legal documentation and provided recommendations and other financial guidance to the Issuer with respect to the preparation of documents and the preparation for the sale of the Bonds. Although the Municipal Advisor performed an active role in the drafting of this Official Statement, it has not audited, authenticated or otherwise independently verified the information set forth herein. No guaranty, warranty or other representation is made by the Municipal Advisor respecting such accuracy and completeness of information or any other matter related to such information and this Official Statement.

BOND RATING

S&P Global Ratings, a business unit of Standard & Poor's Financial Services LLC ("S&P"), will assign its municipal bond rating of "AA+" (Stable Outlook) to the Bonds. The rating reflects only the views of S&P and is not a recommendation to buy, sell or hold the Bonds. Any desired explanation of the significance of such rating should be obtained from S&P, at the following address: S&P Global Ratings, Ross Tower, Suite 3200, 500 North Akard Street, Dallas, Texas 75201, telephone 214-871-1400. The Issuer may have furnished to S&P information relating to the Bonds and other matters, certain of which information and materials have not been included in this Official Statement. Generally, a rating agency

bases its rating on the information and materials so furnished and on investigations, studies and assumptions by such rating agency. Ratings may be changed, suspended or withdrawn as a result of changes in, or unavailability of, information. There is no assurance that the rating on the Bonds will not be changed or withdrawn entirely if, in the judgment of S&P, circumstances so warrant. Any downward change or withdrawal of the rating could have an adverse effect on the market price for the Bonds.

GOVERNING AUTHORITY

The Governing Authority consists of nine board members. The names of the members of the Governing Authority, as well as its Secretary-Treasurer, appear at the beginning of this Official Statement.

CONTINUING DISCLOSURE

The Issuer will, pursuant to a Continuing Disclosure Certificate to be dated the date of delivery of the Bonds (the "Continuing Disclosure Certificate"), covenant for the benefit of Bond owners to provide (i) certain financial information and operating data relating to the Issuer in each year on or before December 31st, commencing December 31, 2025 (the "Annual Report"), and (ii) notices of the occurrence of certain enumerated events, called "Listed Events," in the future that may affect the Issuer or the Bonds. The Annual Reports and any notices of Listed Events required pursuant to the Continuing Disclosure Certificate will be filed with the MSRB through the Electronic Municipal Market Access website ("EMMA") and with any future Louisiana officially designated State Information Repository. For the specific nature of the information to be contained in the Annual Report or the potential Listed Events, see Appendix "G" attached hereto. The Issuer is entering into the Continuing Disclosure Certificate in order to assist the Underwriter in complying with Rule 15c2-12(b)(5) (the "Rule") of the U.S. Securities and Exchange Commission (the "SEC"). The Issuer has not undertaken to provide all information investors may desire to have in making decisions to hold, sell or buy the Bonds and has no obligation to provide any information subsequent to the delivery of the Bonds except as provided in the Continuing Disclosure Certificate. The failure of the Issuer to comply with the terms of the Continuing Disclosure Certificate is not an event of default with respect to the Bonds but may adversely affect the transferability and liquidity of the Bonds and their market price.

The Issuer has entered into other undertakings (the "Prior Undertakings") with respect to bonds previously issued, with a filing date for the required Annual Reports of December 31. In the previous five (5) years, the Issuer has filed all continuing disclosure reports currently required by its Prior Undertakings under the Rule, however not all reports were filed timely. For Fiscal Years 2020 through 2022, the Issuer failed to file on a timely basis certain sales tax information as required by the Prior Undertakings. The notice indicating said failures and updated information were filed on May 27, 2025. The Issuer has not made any determination as to the materiality of the foregoing.

The Issuer's Dissemination Agent for the above information is the Director of Finance of the Governing Authority, 202 Rue Iberville, Lafayette, Louisiana 70508, telephone 337-521-7307.

The Issuer has established procedures to ensure proper filing of the reports and notices required by the Continuing Disclosure Certificate and its Prior Undertakings with the MSRB in the future. Furthermore, Section 39:1438 of the Louisiana Revised Statutes of 1950, as amended, enacted in 2014, provides additional procedures designed to ensure compliance with the Continuing Disclosure Certificate by (i) requiring public entities, such as the Issuer, to keep certain records demonstrating compliance with the Continuing Disclosure Certificate, and (ii) mandating the Issuer's auditor, as part of the preparation of the Issuer's annual financial audit, review the Issuer's compliance with its continuing disclosure undertakings and record keeping requirements.

ADDITIONAL INFORMATION

For any additional information concerning the Issuer, please address Mr. Anthony Mouton, Director of Finance, Lafayette Parish School Board, P.O. Drawer 2158, Lafayette, Louisiana 70502-2158, telephone 337-521-7307. For additional information concerning the Bonds now offered for sale, please

CERTIFICATION AS TO OFFICIAL STATEMENT

At the time of payment for and delivery of the Bonds, the Governing Authority of the Issuer will furnish the Underwriter a certificate signed by the Secretary-Treasurer to the effect that (i) the descriptions and statements, including financial data, of or pertaining to the Issuer, on the date of the Preliminary Official Statement, on the date of the sale of the Bonds and on the date of the delivery thereof, were and are true in all material respects, and, insofar as such matters are concerned, the Official Statement did not and does not contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, (ii) insofar as the descriptions and statements, including financial data, of or pertaining to governmental and/or non-governmental entities other than the Issuer and their activities contained in the Official Statement are concerned, such descriptions, statements, and data have been obtained from sources which the Governing Authority believes to be reliable and the Governing Authority has no reason to believe that they are untrue or incomplete in any material respect, and (iii) there has been no adverse material change in the affairs of the Issuer between the date the Official Statement was deemed final by the Issuer and the date of delivery of the Bonds.

MISCELLANEOUS

This Official Statement has been deemed to be final by the Issuer as of its date, within the meaning of Rule 15c2-12 of the Securities and Exchange Commission, except for the permitted omissions under said Rule.

This Official Statement has been prepared in connection with the initial offering and sale of the Bonds to the Underwriter on the date hereof and is not intended for use in connection with any subsequent sale, reoffering or remarketing of the Bonds. Subsequent purchasers must therefore rely on their own examination of the offering, including the merits and the risks involved.

The Issuer has authorized the delivery of this Official Statement to the Underwriter. Potential purchasers of the Bonds should consult their own tax advisors as to the consequences of investing in the Bonds. See also "TAX EXEMPTION" herein.

The recent trends in revised per capita personal income for the Parish, Louisiana, and the Nation are indicated in the following table:

	<u>Per Capita Personal Income</u>				
	<u>2019</u>	<u>2020</u>	<u>2021</u>	<u>2022</u>	<u>2023</u>
Lafayette Parish	\$50,027	\$53,852	\$60,204	\$62,448	\$66,179

Source: U.S. Department of Commerce, Bureau of Economic Analysis. November 14, 2024.

(The personal income level for the United States is derived as the sum of the county estimates; it differs from the national income and product accounts (NIPA) estimate of personal income because by definition, it omits the earnings of Federal civilian and military personnel stationed abroad and others. It can also differ from the NIPA estimate because of different data sources and revision schedules.

**PROPOSED FORM OF LEGAL OPINION
OF
FOLEY & JUDELL, L.L.P.**

[PROPOSED FORM OF LEGAL OPINION]

November 21, 2025

Honorable Parish School Board of the
Parish of Lafayette, State of Louisiana
Lafayette, Louisiana

§ _____
**SALES TAX REVENUE BONDS, SERIES 2025A
OF THE
PARISH SCHOOL BOARD OF THE
PARISH OF LAFAYETTE, STATE OF LOUISIANA**

We have acted as bond counsel to the Parish School Board of the Parish of Lafayette, State of Louisiana (the "Issuer"), in connection with the issuance of the captioned bonds (the "Bonds"). The Bonds have been issued by the Issuer pursuant to a resolution adopted by its governing authority on November 13, 2025 (the "Bond Resolution"), for the purpose of (i) constructing and acquiring capital improvements, including the acquisition of lands for building sites and playgrounds, purchasing, erecting and improving school buildings and related facilities, and acquiring the necessary equipment and furnishings therefor, title to which shall be in the public; and (ii) paying the costs of issuance of the Bonds, including the cost of a reserve fund insurance policy, under the authority conferred by Section 1430 of Title 39 of the Louisiana Revised Statutes of 1950, as amended, and other constitutional and statutory authority.

The Issuer, in and by the Bond Resolution, has entered into certain covenants and agreements with the owners of the Bonds with respect to the security and payment of the Bonds, including a provision for the issuance of *pari passu* obligations hereafter under certain conditions and restrictions, for the terms of which reference is made to the Bond Resolution.

We have examined the provisions of the Constitution and statutes of the State of Louisiana (the "State"), a certified transcript of the proceedings of the governing authority of the Issuer relating to the issuance of the Bonds, and such other documents, proofs and matters of law as we deemed necessary to give the opinions below.

As to questions of fact material to our opinions below, we have relied upon certified proceedings and other certifications and representations of public officials and others furnished to us without undertaking to verify the same by independent investigation.

Based on the foregoing, we are of the opinion, as of the date hereof and under existing law, that:

1. The Issuer is a validly existing political subdivision of the State with the power to adopt the Bond Resolution and issue the Bonds.
2. The Bond Resolution has been duly adopted by the governing authority of the Issuer and constitutes a valid and binding obligation of the Issuer.
3. The Bonds are valid and binding special and limited obligations of the Issuer and, equally with the Issuer's outstanding (i) Sales Tax Revenue Bonds, Series 2018, (ii) Sales Tax Revenue Bonds, Series 2018A, (iii) Sales Tax Revenue Bonds, Series 2019, (iv) Taxable Sales Tax Revenue Refunding

Bonds, Series 2020, (v) Sales Tax Revenue Bonds, Series 2023, and (vi) Sales Tax Revenue Bonds, Series 2025 (collectively, the "Outstanding Parity Bonds"), are secured by and payable from an irrevocable pledge and dedication of the net avails or proceeds of a one percent (1%) sales and use tax levied under the authority of a special election held in the Issuer on September 18, 1965 (the "Tax"), subject only to the prior payment of the reasonable and necessary costs and expenses of collecting and administering the Tax (the "Net Revenues of the Tax"), all as provided in the Bond Resolution.

4. The Bonds have been issued on a parity in all respects with the Outstanding Parity Bonds on the Net Revenues of the Tax, and rank equally with and enjoy complete parity of lien with the Outstanding Parity Bonds on the Net Revenues of the Tax, and the lien of the Bonds and the Outstanding Parity Bonds on the Net Revenues of the Tax will be prior and superior to the lien on such Net Revenues of the Tax of any obligations hereafter issued and payable therefrom except *pari passu* additional obligations hereafter issued within the terms, limitations and restrictions contained in the Bond Resolution and the resolutions authorizing the issuance of the Outstanding Parity Bonds.

5. Interest on the Bonds is excludable from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and is not a specific item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations.

6. Under the provisions of Chapter 1 of Subtitle II of Title 47 of the Louisiana Revised Statutes of 1950, as amended, interest on the Bonds owned by corporations or residents of the State is exempt from State income taxation to the extent such interest is exempt from federal income taxation.

The opinion given in numbered paragraph 5 above is subject to the condition that the Issuer comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that the interest thereon be, and continue to be, excludable from gross income for federal income tax purposes. The Issuer has covenanted to comply with all such requirements. Failure to comply with certain of such requirements may cause interest on the Bonds to be includable in gross income for federal income tax purposes retroactive to the date of issuance of the Bonds, regardless of the date on which the event causing such inclusion occurs.

We express no opinion as to any federal, state or local tax consequences arising with respect to the Bonds other than as expressly set forth herein.

It is to be understood that the rights of the owners of the Bonds and the enforceability of the Bonds and the Bond Resolution are limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting the rights and remedies of creditors and by equitable principles, to the extent constitutionally applicable, and that their enforceability may also be subject to the exercise of the sovereign police powers of the State, or its governmental bodies, and the exercise of judicial discretion in appropriate cases.

The opinions given in this letter are given as of the date set forth above, and we assume no obligation to revise or supplement such opinions to reflect any facts or circumstances that may later come to our attention or any changes in law that may later occur.

Respectfully submitted,

BOOK-ENTRY ONLY SYSTEM

**THIS PAGE INTENTIONALLY

BOOK-ENTRY ONLY SYSTEM

The Bonds initially will be issued solely in book-entry form to be held in the book-entry only system maintained by The Depository Trust Company ("DTC"), New York, New York. So long as such book-entry only system is used, only DTC will receive or have the right to receive physical delivery of the Bonds and, except as otherwise provided herein with respect to Beneficial Owners of Beneficial Ownership Interests, Beneficial Owners will not be or be considered to be, and will not have any rights as owners or holders of the Bonds under the Bond Resolution.

The following information about the book-entry only system applicable to the Bonds has been supplied by DTC. The Issuer makes no representations, warranties or guarantees with respect to its accuracy or completeness.

DTC will initially act as securities depository for the Bonds. The Bonds will be issued as fully registered bonds registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Bond will be issued for each maturity of the Bonds in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has an S&P Global Rating of AA+. The DTC Rules applicable to its Participants are on file with the U.S. Securities and Exchange Commission (the "SEC"). More information about DTC can be found at www.dtcc.com.

Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership.

DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, the Bonds are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Bonds will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

THE ISSUER AND UNDERWRITER CANNOT AND DO NOT GIVE ANY ASSURANCES THAT THE DTC PARTICIPANTS OR THE INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE BONDS (i) PAYMENTS OF PRINCIPAL OF OR INTEREST AND PREMIUM, IF ANY, ON THE BONDS, (ii) CONFIRMATION OF BENEFICIAL OWNERSHIP INTERESTS IN BONDS, OR (iii) REDEMPTION OR OTHER NOTICES SENT TO DTC OR CEDE & CO., ITS NOMINEE, AS THE REGISTERED OWNERS OF THE BONDS, OR THAT THEY WILL DO SO ON A TIMELY BASIS OR THAT DTC, DTC PARTICIPANTS OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT. THE CURRENT "RULES" APPLICABLE TO DTC ARE ON FILE WITH THE SEC, AND THE CURRENT "PROCEDURES" OF DTC TO BE FOLLOWED IN DEALING WITH DTC PARTICIPANTS ARE ON FILE WITH DTC.

NEITHER THE ISSUER, UNDERWRITER NOR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO SUCH DTC PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (2) THE PAYMENT BY ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT OR INTEREST OR PREMIUM, IF ANY, ON THE BONDS; (3) THE DELIVERY BY ANY DTC PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE RESOLUTION TO BE GIVEN TO BONDHOLDERS; (4) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (5) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS BONDHOLDER.
