(a) Bonds maturing on or after March 1, 2032, are subject to redemption prior to maturity at the option of the District, as a whole or from time to time in part, on September 1, 2031, or on any date thereafter, at par plus accrued interest from the most recent interest payment date to the date fixed for redemption. If less than all of the Bonds of a maturity are to be redeemed at any time, the Bonds to be redeemed shall be selected by lot by the Paying Agent/Registrar.

Other Terms and Covenants: Other terms of the Bonds and the various covenants of the District contained in the Bond Order are summarized in the Preliminary Official Statement, to which reference is hereby made for all purposes.

Source of Payment: Principal of and interest on the Bonds are payable from the proceeds of a continuing, direct annual ad valorem tax, without legal limitation as to rate or amount, levied against taxable property within the District. The Bonds are obligations of the District and are not obligations of Montgomery County, Texas; the State of Texas; the City of Houston, Texas; the City of Conroe, Texas; or any political subdivision other than the District.

No Municipal Bond Rating: The District has made no application for a municipal bond rating of the Bonds, nor is it expected that the District would have been successful in receiving an investment grade rating had such application been made. See "PRELIMINARY OFFICIAL STATEMENT."

Use of Proceeds Proceeds of the sale of the Bonds will be used to reimburse the Developer (defined hereinafter) for clearing, grubbing and grading to serve the Peppervine development, water distribution, wastewater collection and drainage facilities to serve Peppervine Section 1, associated engineering and technical services, and for land acquisition

costs. Proceeds will also be used to pay legal fees, financial advisor's fees and certain other costs related to the issuance of the Bonds. \$426,300 of surplus funds in the Capital Projects Fund will also be applied to the Bonds.

CONDITIONS OF THE SALE

Types of Bids and Interest Rates: **The Bonds will be sold together on an "all or none" basis at a price of not less than 97% of the par value thereof.** Bidders must specify the rate or rates of interest to be borne by the Bonds, in multiples of 1/8 of 1% or 1/20 of 1%. All Bonds maturing within a single year must bear the same rate of interest. Bids involving supplemental interest payments or split interest rates will not be considered. ***The highest interest rate bid may not exceed the lowest rate bid by more than 4.00% in interest rate.*** The net effective interest rate on the Bonds may not exceed 6.87% as calculated pursuant to Chapter 1204, Texas Government Code, as amended. Each bidder shall state in its bid the total and net interest cost in dollars, which shall be considered informative only and not as a part of the bid.

Serial Bonds and/or Term Bonds: Bidders have the option of specifying that the principal amount of the Bonds payable in any two or more consecutive years may, in lieu of maturing in each of such years, be combined into term bonds. In the event that bidders choose to specify one or more term bonds, such term bonds will be subject to mandatory redemption by the District prior to their scheduled maturities on March 1 in the years and in the amounts set forth in the maturity schedule of the serial bonds.

Basis of Award: Subject to the right of the District to reject any and all bids, the sale of the Bonds will be awarded to the bidder making a qualified bid that conforms to the specifications herein and which produces the lowest net interest cost to the District. The interest cost of each bid will be computed by determining, at the rate specified therein, the total dollar cost of all interest on the Bonds from December 1, 2025, to maturity and adding thereto the discount bid, if any. Subject to the District's right to reject any or all bids, the Bonds will be awarded to the qualified bidder whose bid, under the above computation, produces the lowest net interest cost to the District. In the event of mathematical discrepancies between the interest rate(s) bid and the interest cost determined therefrom, as both appear on the Official Bid Form, the bid will be solely governed by the interest rate(s) shown on the Official Bid Form.

Good Faith Deposit: Each bid must be accompanied by a bank cashier's check payable to the order of "Porter MUD" in the amount of \$66,000, which is 2.00% of the par value of the Bonds (the "Good Faith Deposit"). The check of the Underwriter will be considered as the Good Faith Deposit and will be retained uncashed by the District pending the Underwriter's compliance with the terms of the Official Bid Form and this Official Notice of Sale. In the event the Underwriter should fail or refuse to pay for the Bonds in accordance with such terms, or if it is determined after the acceptance of its bid by the District that the Underwriter was found not to satisfy the requirements below under "Standing Letter Requirement" herein and as a result, the Texas Attorney General will not deliver its approving opinion on the Bonds, then the Good Faith Deposit shall be cashed and the proceeds accepted by the District as full and complete liquidated damages against the Underwriter. The Good Faith Deposit may accompany the Official Bid Form or it may be submitted separately; if submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn which authorize its use by the bidder, who shall be named in such instructions, as a Good Faith Deposit. The Good Faith Deposit will be returned immediately after full payment has been made by the Underwriter to the District in federal or immediately available funds in the amount of the purchase price plus accrued interest thereon. No interest will be paid on the Good Faith Deposit. The checks accompanying bids other than the winning bid will be returned immediately after the bids are opened and the award of the sale of the Bonds has been made.

Required Disclosure of Interested Parties: *Only those underwriters with established industry reputation for underwriting municipal bonds may bid on the Bonds. Bids received from entities not meeting this requirement may be rejected at the sole discretion of the District.*

Pursuant to Texas Government Code, 2252.908 (the "Interested Party Disclosure Act" or the "Act"), the District may not award the Bonds to a bidder that is not a publicly traded business entity, or a wholly owned subsidiary of a publicly traded business entity unless the bidder, and each such syndicate member listed on the Official Bid Form, has provided

to the District (in care of Blitch Associates, Inc., at bill@blitchassociates.com) a completed and signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the "TEC"). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC's website, assigned a certificate number, printed, signed and provided to the District. The TEC Form 1295 may accompany the Official Bid Form or may be submitted separately, but must be provided to the District prior to the time prescribed for the award of the Bonds. The TEC Form 1295 may be provided to the District via facsimile or electronically; however, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District (in care of Young & Brooks, 10000 Memorial Drive, Suite 260, Houston, TX 77024-3430) within two (2) business days of the award. Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements.

For purposes of completing the TEC Form 1295, the entity's name is "Porter MUD–Hendricks Defined Area", the contract ID number is "Hendricks Bonds-2025" and the description of services is "2025 Bond Underwriting." Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

Standing Letter Requirement: In submitting a bid, bidder represents to the District that it and each syndicate member listed on the Official Bid Form, if any, (i) has filed a standing letter with the Attorney General and the Municipal Advisory Council of Texas that conforms to the requirements set forth in the All Bond Counsel Letters of the Attorney General dated November 1, 2023, as supplemented on November 16, 2023, and December 29, 2023, and any All Bond Counsel Letter issued hereafter (the "All Bond Counsel Letters"), (ii) has no reason to believe that the District may not be entitled to rely on such standing letters, and (iii) neither bidder, any syndicate member listed on the Official Bid Form, nor any parent company, subsidiaries, or affiliates of the same, have received a letter from the Texas Comptroller of Public Accounts related to its inclusion on any list of financial companies boycotting energy companies. Bidder agrees that it will not rescind its standing letter at any time before the delivery of the Bonds unless same is immediately replaced with a standing letter that meets the requirements of the Attorney General. The District reserves the right, in its sole discretion, to reject any bid from a bidder that does not have such standing letter on file as of the deadline for bids for the Bonds. By submitting a bid, each bidder agrees, should it be the winning bidder, to cooperate with the District and take any action necessary to further verify and confirm compliance with state law by the bidder and each syndicate member listed on the Official Bid Form.

The District reserves the right, in its sole discretion, to reject any bid from a bidder that does not have such standing letter on file as of the deadline for bids for the Bonds. In the event that a bidder does not have such standing letter on file at the time of submission of a bid, the bidder agrees to file such standing letter with the Municipal Advisory Council of Texas and the Texas Attorney General's Office by the earlier of: (a) two (2) hours after submitting its bid, and (b) the deadline for bids for the Bonds. If requested by the District, the Initial Purchaser agrees to provide such further representations, certifications or assurances regarding the matters described under the heading "Compliance with State Contracting Requirements," as applicable, as of the Date of Delivery of the Bonds or such other date requested by the District.

A bidder who is currently under review by the Texas Attorney General for being a potential discriminator or boycotter under (i) Section 2271.002 of the Texas Government Code, (ii) Section 2252.151 of the Texas Government Code, (iii) Section 2276.002 of the Texas Government Code, or (iv) Section 2274.002 of the Texas Government Code, agrees to provide, prior to the Date of Delivery of the Bonds, a bring-down certification that the Texas Attorney General can continue to rely on the bidder's standing letter and the statutory representations and covenants, in accordance with the requirements set forth in the All Bond Counsel Letters.

Notwithstanding anything contained herein, the representations and covenants contained in "Compliance with State Contracting Requirements," and "Standing Letter Requirement" shall survive termination of the agreement until the

statute of limitations has run, and liability for breach of any verification in such sections during such period shall not be liquidated or otherwise limited by any provision herein, notwithstanding anything in herein to the contrary.

Compliance with State Contracting Requirements

The bidder makes the following representations and covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as heretofore amended (the "Government Code"), in connection with a submission of a bid for the Bonds. As used in such verifications, "affiliate" means an entity that controls, is controlled by, or is under common control with the bidder within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. Liability for breach of any such verification provided in connection with the purchase of the Bonds shall survive until barred by the applicable statute of limitations, and shall not be liquidated or otherwise limited by any provision of the Bond Order, this Official Notice of Sale and the Official Bid Form, notwithstanding anything in the Bond Order, this Official Notice of Sale or the Official Bid Form to the contrary.

(a) Not a Sanctioned Company. The bidder represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Government Code. The foregoing representation excludes the bidder and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

(b) No Boycott of Israel. The bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel at the time of execution and delivery of its bid and will not boycott Israel from the time of execution and delivery of its bid through the end of the underwriting period. As used in the foregoing verification, "boycott Israel" has the meaning provided in Section 2271.001, Government Code.

(c) No Discrimination Against Firearm Entities. The bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association through the end of the underwriting period. As used in the foregoing verification, "discriminate against a firearm entity or firearm trade association" has the meaning provided in Section 2274.001(3), Government Code. "Firearm entity" and "firearm trade association" have the meanings provided in Section 2274.001(6) and (7), Texas Government Code.

(d) No Boycott of Energy Companies. The bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies at the time of execution and delivery of its bid and will not boycott energy companies through the end of the underwriting period. As used in the foregoing verification, "boycott energy companies" has the meaning provided in Section 2276.001(1), Government Code.

Contracting Information: The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that the bidder and each syndicate member listed on the Official Bid Form will (i) preserve all contracting information related to the bid as provided by the records retention requirements applicable to the District through the delivery date of the Bonds, (ii) promptly provide to the District any contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member on request of the District, and (iii) upon delivery of the Bonds to the bidder, either (a) provide at no cost to the District all contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member or (b) preserve the contracting information related to the bid as provided by the records retention requirements applicable to the District. The term "contracting information" as used in this paragraph has the meaning assigned to such term in Section 552.003, Texas Government Code.

Paying Agent/Registrar: The initial Paying Agent/Registrar is The Bank of New York Mellon Trust Company, N.A. The Bonds are being issued in fully registered form in integral multiples of \$5,000 each of principal amount. Interest

on the Bonds will be payable semiannually by the Paying Agent/Registrar to DTC. DTC will be responsible for distributing the interest paid to the beneficial owners of the Bonds.

ESTABLISHMENT OF ISSUE PRICE

By submitting a bid, the Underwriter agrees to assist the District in establishing the issue price of the Bonds and agrees to execute and deliver to the District at least five (5) business days before the date of delivery of the Bonds an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel. All actions to be taken by the District under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the District by the District’s Financial Advisor identified herein and any notice or report to be provided to the District may be provided to the District’s Financial Advisor.

The District intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “competitive sale requirements”) because:

- (1) the District shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the District expects to receive bids from at least three (3) underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the District anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i) (the “Regulations”), allowing the District to treat the reasonably expected initial offering price to the public as of the Sale Date (as defined in the Regulations) as the issue price of the Bonds, the “hold-the-offering-price rule” shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the Sale Date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule applies to any maturity of the Bonds, the Underwriter agrees that it will neither offer nor sell any Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the Sale Date and ending on the earlier of the following: (i) the date on which the Underwriter has sold at least 10 percent (10%) of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth (5th) business day after the Sale Date. The Underwriter agrees to report to the District’s Financial Advisor when it has sold at least 10 percent (10%) of the Bonds of a maturity to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth (5th) business day after the Sale Date.

DELIVERY AND ACCOMPANYING DOCUMENTS

Initial Delivery of Initial Bond: Delivery will be accomplished by the issuance of one Bond (the “Initial Bond”), either in typed or printed form, in the aggregate principal amount of \$1,250,000 payable to the Underwriter or its representative designated on the Official Bid Form, signed by the President and Secretary of the Board with their manual or facsimile signatures, approved by the Attorney General of Texas, and registered by the Comptroller of Public Accounts of Texas. Upon delivery of the Initial Bond, it shall be immediately canceled and one definitive Bond for each maturity will be registered to Cede & Co., and deposited with DTC in connection with DTC’s Book-Entry-Only System. Delivery of the

Initial Bond will be at the corporate trust office of the Paying Agent /Registrar in Dallas, Texas. Payment for the Initial Bond must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Underwriter will be given five (5) business days' notice of the date fixed for delivery of the Initial Bond. It is anticipated that delivery of the Bonds can be made on or about December 23, 2025, and it is understood and agreed that the Underwriter will accept delivery and make payment for the Initial Bond by 10:00 A.M., Central Time on or about December 23, 2025, or thereafter on the date the Initial Bond is tendered for delivery, up to and including January 20, 2026. If for any reason the District is unable to make delivery on or before January 20, 2026, then the District shall immediately contact the Underwriter and offer to allow the Underwriter to extend his offer for an additional thirty days. If the Underwriter does not elect to extend its offer within six (6) days thereafter, then the Good Faith Deposit will be returned, and both the District and the Underwriter shall be relieved of any further obligation. In no event shall the District be liable for any damages by reason of its failure to deliver the Bonds, provided such failure is due to circumstances beyond the District's control.

Exchange on Delivery Date: Upon presentment of the Initial Bond and upon payment for the Initial Bond at the time of the initial delivery of the Bonds, the Paying Agent/Registrar shall cancel the Initial Bond and deliver the exchange Bonds in principal denominations of \$5,000 or any integral multiple of \$5,000 for any one maturity in accordance with instructions received from the Underwriter as to the persons, principal amounts and maturity of such exchange.

Such Bonds shall be registered by the Paying Agent/Registrar. If the Underwriter desires to exchange the Initial Bond for exchange Bonds on the same day as the delivery of the Initial Bond, the Underwriter must furnish to the Paying Agent/Registrar, at least five (5) business days prior to the initial delivery of the Bonds, written instructions on forms to be provided by the Paying Agent/Registrar designating the names of the persons to whom such exchange Bonds are to be registered and transferred, addresses, social security or taxpayer identification numbers of such persons, and the principal amounts, maturities, and denominations of the exchange Bonds corresponding to such persons. The Paying Agent/Registrar will not accept any registration instructions after the five (5) day period. Otherwise, the Initial Bond will be transferred and exchanged in the ordinary course by the Paying Agent/Registrar. It is understood that all costs and expenses for the shipping, packaging, insuring and delivery of the exchange Bonds shall be borne by the Underwriter if the Underwriter requests delivery of the exchange Bonds at any location other than the corporate trust office of the Paying Agent/Registrar in Dallas, Texas.

CUSIP Numbers: It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Underwriter to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale. The Financial Advisor will obtain CUSIP identification numbers prior to the time the Bonds are awarded. The CUSIP Global Services charge for the assignment of the numbers shall be the responsibility of and shall be paid by the District.

Conditions to Delivery: The Underwriter's obligation to accept delivery of and pay for the Bonds is subject to the issuance of an approving opinion of the Attorney General of Texas as to the legality of the Bonds, the legal opinion of Young & Brooks, Houston, Texas ("Bond Counsel"), the No-Litigation Certificate, and the non-occurrence of the events indicated under "No Material Adverse Change" all as described below.

Legal Opinions: The District will furnish without cost to the Underwriter a transcript of certain certified proceedings incident to the issuance and authorization of the Bonds, including a certified copy of the unqualified approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Bonds are legally valid and binding obligations of the District, and, based upon an examination of such transcript, the approving legal opinion of Bond Counsel to the effect that the Bonds are validly issued under the Constitution and laws of the State of Texas, and that interest on the Bonds is excludable from gross income for federal income tax purposes under existing law.

Qualified Tax-Exempt Obligations: The District will designate the Bonds as "qualified tax-exempt obligations" pursuant to section 265(b) of the Internal Revenue Code of 1986, as amended, and will represent that the total amount of tax-exempt bonds (including the Bonds) issued by it during the calendar year 2025 is not reasonably expected to exceed \$10,000,000.

No-Litigation Certificate: The District will furnish the Underwriter a certificate executed by both the President and Secretary of the Board, dated as of the date of delivery of the Bonds, to the effect that there is not pending, and, to their knowledge, there is not threatened, any litigation affecting the validity of the Bonds, or the levy and/or collection of taxes for the payment thereof, or the organization or boundaries of the District or the title of the officers thereof to their respective offices.

Certification Regarding Offering Prices of Bonds: In order to provide the District with information required to enable it to comply with certain conditions of the Code, relating to the exclusion of interest on the Bonds from gross income for federal income tax purposes, the Underwriter will be required to complete, execute and deliver to the District (on or before the date of delivery of the Bonds) a certification regarding the "issue price" of the Bonds substantially in the form accompanying this Official Notice of Sale and in accordance with the provisions described under the section entitled "ESTABLISHMENT OF ISSUE PRICE," herein. In the event the Underwriter will not reoffer the Bonds for sale or is unable to sell a substantial amount of the Bonds of any maturity by the date of delivery, such certificate may be modified in a manner acceptable to the District. Each bidder, by submitting its bid, agrees to complete, execute and deliver such a certificate by the date of delivery of the Bonds, if its bid is accepted by the District. It will be the responsibility of the Underwriter to institute such syndicate reporting requirements, to make such investigation or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel.

No Material Adverse Change: The obligations of the District to deliver the Bonds and of the Underwriter to accept delivery of and pay for the Bonds are subject to the condition that at the time of delivery of and receipt of payment for the Bonds, there shall have been no material adverse change in the conditions of the District from those set forth in or contemplated by the Preliminary Official Statement, as it may have been supplemented or amended through the date of sale.

OFFICIAL STATEMENT

To assist the Underwriter in complying with Rule 15c2-12 of the United States Securities and Exchange Commission ("SEC"), the District and the Underwriter contract and agree, by the submission and acceptance of the winning bid, as follows:

Final Official Statement: The District has approved and authorized distribution of the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds, but does not presently intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the District intends the Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation, identity of the Underwriter and other similar information, terms and provisions to be specified in the competitive bidding process. The Underwriter shall be responsible for promptly informing the District of the initial offering yields of the Bonds. Thereafter, the District will complete and authorize distribution of the Preliminary Official Statement identifying the Underwriter and containing such omitted information. The District does not intend to amend or supplement the Preliminary Official Statement otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final Preliminary Official Statement or any amendment or supplement thereto in the requested quantity to the Underwriter on or after the sale date, the District intends the same to be final as of such date, within the meaning of SEC Rule 15c2-12(e)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Preliminary Official Statement which are being or which will be made by the District are those described and contained in the Preliminary Official Statement under the caption "PREPARATION OF OFFICIAL STATEMENT--Certification of Official Statement."

Changes to Official Statement: If, subsequent to the date of the Preliminary Official Statement, the District learns, through the ordinary course of business and without undertaking any investigations or examination for such purposes, or is notified by the Underwriter of any adverse event which causes the Preliminary Official Statement to be materially misleading, and unless the Underwriter elects to terminate its obligation to purchase the Bonds, as described above under "DELIVERY AND ACCOMPANYING DOCUMENTS--Conditions to Delivery," the District will promptly prepare

and supply to the Underwriter an appropriate amendment or supplement to the Preliminary Official Statement satisfactory to the Underwriter; provided, however, that the obligation of the District to do so will terminate when the District delivers the Bonds to the Underwriter, unless the Underwriter notifies the District on or before such date that less than all of the Bonds have been sold to ultimate customers, in which case the District's obligations hereunder will extend for an additional period of time (but not more than 90 days after the date the District delivers the Bonds) until all of the Bonds have been sold to ultimate customers.

Delivery of Official Statements: The District shall furnish to the Underwriter (and to each participating underwriter of the Bonds, within the meaning of SEC Rule 15c2-12(a), designated by the Underwriter), within seven (7) business days after the sale date, up to 50 copies (or such other number as may be agreed upon within three days of award of sale of the Bonds) of the Official Statement. The District also shall furnish to the Underwriter a like number of any supplements or amendments approved and authorized for distribution by the District for dissemination to potential purchasers of the Bonds, as well as such additional copies of the Official Statement or any such supplements or amendments as the Underwriter may request prior to the 90th day after the end of the underwriting period described in SEC Rule 15c2-12(e)(2). The District shall pay the expense of preparing the number of copies of the Official Statement specified above and an equal number of any supplements or amendments issued on or before the delivery date, but the Underwriter shall pay for all other copies of the Official Statement or any supplement or amendment thereto.

GENERAL CONSIDERATIONS

RISK FACTORS: THE BONDS INVOLVE CERTAIN INVESTMENT RISKS AS SET FORTH IN THE PRELIMINARY OFFICIAL STATEMENT. PROSPECTIVE PURCHASERS SHOULD CAREFULLY REVIEW THE ENTIRE PRELIMINARY OFFICIAL STATEMENT BEFORE MAKING THEIR INVESTMENT DECISIONS. PARTICULAR ATTENTION SHOULD BE GIVEN TO THE INFORMATION SET FORTH THEREIN UNDER THE CAPTION "RISK FACTORS."

Not an Offer to Sell: This Official Notice of Sale does not alone constitute an offer to sell the Bonds but is merely notice of sale of the Bonds. The invitation for bids on the Bonds is being made by means of this Official Notice of Sale, the Preliminary Official Statement and the Official Bid Form.

Continuing Disclosure Agreement: The District will agree in the Bond Order to provide certain periodic information and notices of material events in accordance with SEC Rule 15c2-12, as described in the Preliminary Official Statement under "CONTINUING DISCLOSURE OF INFORMATION." The Underwriter's obligation to accept and pay for the Bonds is conditioned upon delivery to the Underwriter or its agent of a certified copy of the Bond Order containing the agreement described under such heading.

Registration: In the event that the Book-Entry-Only System should be discontinued, the Bonds may be transferred and exchanged on the bond register kept by the Paying Agent/Registrar upon surrender and reissuance. The Bonds are exchangeable for an equal principal amount of Bonds of the same maturity in any authorized denomination upon surrender of the Bonds to be exchanged at the principal office of the Paying Agent/Registrar. No service charge will be made for any transfer or exchange, but the District may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

Reservation of Rights: The District reserves the right to reject any and all bids and to waive any and all irregularities except time of filing.

Registration and Qualification of Bonds for Sale: The offer and sale of the Bonds has not been registered or qualified under the Securities Act of 1933, as amended, in reliance upon the exemptions provided thereunder; and the Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein, nor have the Bonds been registered or qualified under the securities acts of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws of any jurisdiction in which the Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for

registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions. By submission of its bid, the Underwriter represents that the sale of the Bonds in states other than the State of Texas will be made pursuant to exemptions from registration or qualification, or where necessary, the Underwriter will register the Bonds in accordance with the securities laws of the state in which the Bonds are offered or sold. The District agrees to cooperate with the Underwriter, at the Underwriter's written request and expense, in registering or qualifying the Bonds or obtaining an exemption from registration or qualification (other than filing a consent to service of process in such state), in any state where such action is necessary, provided that the District shall not be required to file a general consent to service of process in any jurisdiction.

By executing this Bid Form, the bidder and any syndicate member listed on the Official Bid Form makes the following representations and covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as heretofore amended (the "Government Code"), in connection with a submission of a bid for the Bonds. As used in such verifications, "affiliate" means an entity that controls, is controlled by, or is under common control with the bidder within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. Liability for breach of any such verification provided in connection with the purchase of the Bonds shall survive until barred by the applicable statute of limitations, and shall not be liquidated or otherwise limited by any provision of the Bond Order, this Official Notice of Sale and the Official Bid Form, notwithstanding anything in the Bond Order, this Official Notice of Sale or the Official Bid Form to the contrary.

(a) Not a Sanctioned Company. The bidder represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Government Code. The foregoing representation excludes the bidder and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

(b) No Boycott of Israel. The bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel at the time of execution and delivery of its bid and will not boycott Israel from the time of execution and delivery of its bid through the delivery date of the Bonds. As used in the foregoing verification, "boycott Israel" has the meaning provided in Section 2271.001, Government Code.

(c) No Discrimination Against Firearm Entities. The bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association at the time of execution and delivery of its bid and will not discriminate against a firearm entity or firearm trade association through the end of the underwriting period.. As used in the foregoing verification, "discriminate against a firearm entity or firearm trade association" has the meaning provided in Section 2274.001(3), Government Code. "Firearm entity" and "firearm trade association" have the meanings provided in Section 2274.001(6) and (7), Government Code.

(d) No Boycott of Energy Companies. The bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies at the time of execution and delivery of its bid and will not boycott energy companies through the end of the underwriting period.. As used in the foregoing verification, "boycott energy companies" has the meaning provided in Section 2276.001(1), Government Code.

If the bidder is currently under review by the Texas Attorney General for being a potential discriminator or boycotter under (i) Section 2271.002, Texas Government Code, (ii) Section 2252.151, Texas Government Code, (iii) Section 2276.002, Texas Government Code, or (iv) Section 2274.002, Texas Government Code, the bidder agrees to provide, prior to the Date of Delivery of the Bonds, a bring-down certification that the Texas Attorney General can continue to rely on the bidder's standing letter and the statutory representations and covenants, in accordance with the requirements set forth in the All Bond Counsel Letters.

Additionally, notwithstanding anything contained herein, bidder agrees that the representations and covenants contained herein with respect to (i) Section 2271.002, Texas Government Code, as amended, (ii) Section 2252.151, Texas Government Code, (iii) Section 2276.002, Texas Government Code, and (iv) Section 2274.002, Texas Government Code, as amended, shall survive the closing of the sale of the Bonds until the applicable statute of limitations has run.

The undersigned agrees to execute, at the request of the District, further written certifications as may be necessary or convenient for the District to establish compliance with the foregoing laws.

The undersigned verifies on behalf of itself and each syndicate member listed on the Official Bid Form that the bidder and each syndicate member listed on the Official Bid Form will (i) preserve all contracting information related to the bid as provided by the records retention requirements applicable to the District through the delivery date of the Bonds, (ii) promptly provide to the District any contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member on request of the District, and (iii) upon delivery of the Bonds to the bidder, either (a) provide at no cost to the District all contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member or (b) preserve the contracting information related to the bid as provided by the records retention requirements applicable to the District. The term “contracting information” as used in this paragraph has the meaning assigned to such term in Section 552.003, Texas Government Code.

Additionally, by submitting this Official Bid Form, the bidder represents to the District that it and each syndicate member listed on the Official Bid Form, if any, (i) has filed a standing letter with the Attorney General and the Municipal Advisory Counsel of Texas that conforms to the requirements set forth in the All Bond Counsel Letters of the Texas Attorney General dated November 1, 2023, and supplemented November 16, 2023, and December 29, 2023, and any All Bond Counsel Letters subsequently issued, (collectively, the “All Bond Counsel Letters”) (ii) has no reason to believe that the District may not be entitled to rely on such standing letters, and (iii) neither bidder, any syndicate member listed on the Official Bid Form, nor any parent company, any wholly-or majority-owned subsidiaries, or affiliates of the same, have received a letter from the Texas Comptroller of Public Accounts or the Attorney General related to its inclusion on any list of financial companies boycotting energy companies or companies that have been found to have a practice, policy, guidance or direction that discriminates against a firearm entity or firearm trade association. Bidder agrees that it will not rescind its standing letter at any time before the delivery of the Bonds unless same is immediately replaced with a standing letter that meets the requirements of the Attorney General.

We hereby represent that sale of the Bonds in jurisdictions other than Texas will be made only pursuant to exemptions from registration or qualification and that, where necessary, we will register or qualify the Bonds in accordance with the securities laws and regulations of the jurisdictions in which the Bonds are offered or sold.

Respectfully submitted,

ACCEPTANCE CLAUSE

The above and foregoing bid is hereby in all things accepted by the Porter Municipal Utility District, Montgomery County, this 23rd day of December, 2025.

President, Board of Directors

ATTEST:

Secretary, Board of Directors

ISSUE PRICE CERTIFICATE

The undersigned hereby certifies as follows with respect to the sale of \$3,300,000 Porter Municipal Utility District–Hendricks Defined Area Unlimited Tax Bonds, Series 2025 (the "Bonds"):

1. The undersigned is the underwriter or the manager of the syndicate of underwriters (the "Underwriter") that has purchased the Bonds from Porter Municipal Utility District (the "District") at competitive sale.
2. The Underwriter was not given the opportunity to review other bids prior to submitting its bid, and the bid submitted by the Underwriter constituted a firm bid to purchase the Bonds.
3. The pricing wire attached hereto as Exhibit A sets forth the reasonably expected initial offering price of each maturity of the Bonds to the Public (the "Initial Offering Price") by the Underwriter (expressed as a percentage of principal amount and exclusive of accrued interest) as of the Sale Date. The Initial Offering Price for each maturity of the Bonds (a) represented the price (payable in cash, with no other consideration being included), at which the Underwriter reasonably expected that each such Bond would be sold to the Public, (b) did not exceed what the Underwriter believed to be the respective fair market value of each such Bond, based on the actual facts and reasonable expectations in existence on the Sale Date, and (c) was the basis for the Underwriter's winning bid for the Bonds.
4. The Underwriter has made a bona fide offering to the Public of all the Bonds of each maturity at the respective Initial Offering Price set forth in paragraph 3 above.

If the District received fewer than three bids for the Bonds, complete paragraph 5.

5. At least 10% of each maturity of the Bonds was sold to the Public at its respective Initial Offering Price on the Sale Date, except for the Bonds maturing in the years ____ and ____ (the "Excepted Maturities"). Neither the Underwriter, nor any person related to the Underwriter, offered nor sold to any person the Bonds of any Excepted Maturity at a price that is higher than the Initial Offering Price for the Bonds of that Excepted Maturity during the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day following the Sale Date, or (ii) the date on which the Underwriter sold at least 10% of the Bonds of that maturity to the Public at a price no higher than the Initial Offering Price.

6. The term "Public" means any person (including an individual, trust, estate, partnership, association, company or corporation) other than an underwriter or a related party to an underwriter. The term "underwriter" means any person that agrees to participate in the initial sale of the Bonds to the Public pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) or pursuant to a written contract directly or indirectly with any person which has entered into a written contract with the District or with the lead underwriter to form a syndicate (for example, a retail distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Bonds to the public). A related party generally means two or more persons with greater than 50 percent common ownership, directly or indirectly.

7. Sale Date means the first date on which there is a binding contract in writing for the sale of the Bonds. The Sale Date of the Bonds is December 23, 2025.

8. The undersigned has calculated the total underwriting spread on the Bonds to be \$ _____. As used herein, the term "total underwriting spread" means the cost for marketing and selling the Bonds, and includes (a) a total take down of \$ _____, (b) a total management fee of \$ _____, (c) fees and expenses of Underwriter's counsel in the estimated total amount of \$ _____, and (d) other expenses in the total estimated amount of \$ _____.

9. The Underwriter [has] [has not] purchased bond insurance for the Bonds. The bond insurance has been purchased from _____ (the "Insurer") for a fee of \$ _____ (net of any nonguarantee cost, e.g., rating agency fees). The amount of such fee is set forth in the Insurer's commitment and does not include any payment for any direct or indirect services other than the transfer of credit risk, unless the compensation for those other services is separately

stated, reasonable, and excluded from such fee. Such fee does not exceed a reasonable, arms-length charge for the transfer of credit risk. The present value of the debt service savings expected to be realized as a result of such insurance exceeds the amount of the fee set forth above. For this purpose, present value is computed using the yield on the Bonds, determined by taking into account the amount of the fee set forth above, as the discount rate. No portion of the fee payable to the Insurer is refundable upon redemption of any of the Bonds in an amount which would exceed the portion of such fee that had not been earned.

10. The undersigned understands that the statements made herein above will be relied upon by the District and Young & Brooks, Houston, Texas, in complying with the conditions imposed by the Internal Revenue Code of 1986, as amended, on the exclusion of interest on the Bonds from the gross income of their owners for federal income tax purposes.
