Sale of the Bonds will be made subject to the terms, condition provisions of the Bond Order, to which Bond Order is hereby made for all purposes and subject to compliance with Texas Government Code Section 2252.908 as more fully described below. The Board reserves the right to reject any and all bids and to waive any irregularities except time of filing.

THE BONDS

Description of Certain Terms of the Bonds:

The Bonds will be dated December 1, 2025, with interest payable semiannually on March 1, 2026, and each September 1 and March 1 thereafter until the earlier of maturity or prior redemption. The Bonds will be issued only in fully registered form. Principal and semi-annual interest will be paid by the District through the designated payment office of the Paying Agent/Registrar, initially The Bank of New York Mellon Trust Company, N.A., Dallas, Texas. Principal and redemption price of the Bonds will be payable to the registered owner at maturity or redemption upon presentation and surrender to the Paying Agent/Registrar. The District intends to utilize the Book-Entry-Only System of The Depository Trust Company ("DTC"). See "BOOK-ENTRY-ONLY SYSTEM" in the Official Statement. Interest on the Bonds will be payable by check or draft dated as of the interest payment date and mailed on or before that date to the registered owners as shown on the records of the Paying Agent/Registrar on the 15th calendar day of the month next preceding each interest payment date. The Bonds will mature serially on September 1, as follows:

<u>Year</u>	<u>Principal Amount</u>	<u>Year</u>	<u>Principal Amount</u>
2036	\$265,000	2046	\$430,000
2037	\$280,000	2047	\$455,000
2038	\$295,000	2048	\$475,000
2039	\$305,000	2049	\$500,000
2040	\$320,000	2050	\$525,000
2041	\$340,000	2051	\$550,000
2042	\$355,000	2052	\$580,000
2043	\$375,000	2053	\$610,000
2044	\$390,000	2054	\$640,000
2045	\$410,000		

The Bonds maturing on or after September 1, 2036, are subject to redemption at the option of the District prior to maturity, in whole or in part, on September 1, 2032, or on any date thereafter, at a price of the par value thereof plus accrued interest from the most recent interest payment date to the date fixed for redemption. If fewer than all of the Bonds are redeemed at any time, the District shall determine the maturity or maturities and the amounts thereof to be redeemed, in integral multiples of \$5,000 in principal amount, and if fewer than all of the bonds within a maturity are to be redeemed, the Paying Agent/Registrar shall select by lot or other random selection method. The registered owner of any Bond, all or a portion of which has been called for redemption, shall be required to present same to the Paying Agent/Registrar for payment of the redemption price on the portion of the Bond so called for redemption and the issuance of a new Bond in the principal amount equal to the portion of the Bond not redeemed.

Term Bonds; Mandatory Sinking Fund:

Any successful bidder may elect, in its written bid, to alter the Maturity Schedule reflected on the cover by converting the principal amounts of Serial Bonds maturing in the years 2036 through 2054 into "Term Bonds;" such "Term Bonds" shall be subject to mandatory redemption on the September 1 next following the last maturity for Serial Bonds and annually thereafter on each September 1 until the stated principal amount of the term bonds to be redeemed on each mandatory redemption date shall be the principal amount that would have been due and payable in the Maturity Schedule shown on the cover had no conversion to Term Bonds occurred. At least thirty (30) days prior to each mandatory redemption date, the Paying Agent/Registrar shall select by lot the Term Bonds to be redeemed and issue a notice of redemption in the manner provided below.

Successor Paying Agent/Registrar:

The initial Paying Agent/Registrar is The Bank of New York Mellon Trust Company, N.A., Dallas.

Provision is made in the Bond Order for replacement of the Paying Agent/Registrar. If the Paying Agent/Registrar is replaced by the District, the new Paying Agent/Registrar shall accept the previous Paying Agent/Registrar's records and act in the same capacity as the previous Paying Agent/Registrar. Any Paying Agent/Registrar selected by the District shall be either a national or state banking institution, trust company, financial institution, or other entity duly qualified and legally authorized to serve and perform the duties as Paying Agent/Registrar.

Security for Payment:

The Bonds, when issued, will constitute valid and binding obligations of the District, payable as to the principal and interest from the proceeds of a continuing, direct, annual ad valorem tax, without legal limitation as to rate or amount levied against all taxable property within the District, all to the extent and upon the conditions described in the Official Statement. The Bonds are obligations

solely of the District and are not obligations of the State of Texas, Harris County, the City of Houston, or any other entity other than the District.

Municipal Bond Rating:

In connection with the sale of the Bonds the District has made application to S&P Global Ratings ("S&P") which has assigned the underlying rating of "A-" (outlook stable) on the Bonds based upon the District's underlying credit without bond insurance. An explanation of the significance of such rating may be obtained from S&P. The rating reflects only the view of S&P and the District makes no representation as to the appropriateness of such rating. The District can make no assurance that S&P's rating will continue for any period of time or that such rating will not be revised downward or withdrawn entirely by S&P if in the judgment of S&P circumstances so warrant. Any such downward revision or withdrawal of the rating may have an adverse effect on the market price of the Bonds.

Municipal Bond Insurance:

The District has applied to Assured Guaranty Inc. ("AG") and Build America Mutual Assurance Company ("BAM") for qualification of the Bonds for bond insurance. The Underwriter (as defined herein) may bid for the Bonds with or without bond insurance. If the Underwriter bids for the Bonds with bond insurance, the cost of the bond insurance premium must be paid for by the Underwriter. The District will pay for the cost of the S&P's rating. The Underwriter must pay for the cost of any rating other than the S&P's rating. If the Underwriter purchases the Bonds with bond insurance and subsequent to the sale date and prior to the closing date, the bond insurer's credit rating is downgraded, the Underwriter is still obligated to accept delivery of the Bonds. Information related to the cost of the insurance premium will be available from the bond insurance company on the day of the sale.

CONDITIONS OF SALE

Types of Bids and Interest Rates:

The Bonds will be sold in one block on an "all or none" basis and at a price of not less than 97% of the par value thereof plus accrued interest from the date of the Bonds to the Date of Delivery (as defined herein). Bidders are to name the rates of interest to be borne by the Bonds, provided that each rate bid must be in a multiple of 1/8 of 1% or 1/20 of 1%. All Bonds maturing within a single year must bear the same rate of interest.

The net effective interest rate on the Bonds may not exceed 6.72% as calculated pursuant to Chapter 1204, Texas Government Code, as amended. Subject to the above conditions, no limitation will be imposed upon bidders as to the number of interest rates or changes in interest rates that may be used, but the highest interest rate bid for any maturity may not exceed the lowest interest rate bid for any maturity by more than 2-1/2%. Each bidder shall state in its bid the total and net interest cost in dollars and the net effective interest rate determined thereby, which shall be considered informative only and not as a part of the bid.

Basis of Award:

For the purpose of awarding the sale of the Bonds, the interest cost of each bid will be computed by determining, at the interest rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities and adding thereto the discount, if any. Subject to the District's right to reject any or all bids, sale of the Bonds will be awarded to the bidder (the "Underwriter") whose bid, under the above computation, produces the lowest net interest cost to the District, subject to compliance with Texas Government Code § 2252.908. In the event of mathematical discrepancies between the interest rates and the interest costs determined therefrom, as both appear on the Official Bid Form the bid will be solely governed by the interest rates named therein.

Provision of Texas Ethics Commission Form 1295 ("TEC Form 1295") and Certification of Filing by Bidders:

Pursuant to Texas Government Code § 2252.908 (the "Interested Party Disclosure Act" or the "Act"), the District may not award the Bonds to a bidder that is a privately held entity unless the bidder, and each privately held syndicate member listed on the Official Bid Form, unless such bidder or syndicate member is exempt from such requirements pursuant to Texas Government Code § 2252.908(c)(4), have provided to the District (c/o Norton Rose Fulbright US LLP, 1550 Lamar Street, Suite 2000, Houston, Texas 77010-4106) a completed and signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the "TEC"). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC's website, assigned a certificate number, printed, signed, and provided to the District. The TEC Form 1295 may accompany the Official Bid Form or may be submitted separately, but must be provided to the District prior to the time prescribed for the award of the Bonds (6:00 p.m., Houston time, on Thursday, November 20, 2025). However, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District (c/o Norton Rose Fulbright US LLP, 1550 Lamar Street, Suite 2000, Houston, Texas 77010-4106) within three business days of the award (Tuesday, November 25, 2025). Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements. For purposes of completing the TEC Form 1295, the entity's name is Harris County Municipal Utility District No. 304 and the contract ID number is HCMUD304-S2025-B. Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

Statutory Representations and Covenants:

By submitting a bid, each bidder makes the following representations and, if its bid is accepted, covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as heretofore amended (the "Government Code"). As used in therein, "affiliate" means an entity that controls, is controlled by, or is under common control with the bidder within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. If a bidder's bid is accepted, then liability for breach of any such representation or covenant during the term of the contract for purchase and sale of the Bonds created thereby (the "Purchase Contract") shall survive until barred by the applicable statute of limitations, and shall not be liquidated or otherwise limited by any provision of the bid or this Official Notice of Sale, notwithstanding anything herein or therein to the contrary.

Not a Sanctioned Company. Each bidder represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Government Code. The foregoing representation excludes each bidder and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

No Boycott of Israel. Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, if its bid is accepted, will not boycott Israel during the term of the Purchase Contract. As used in the foregoing verification, "boycott Israel" has the meaning provided in Section 2271.001, Government Code.

No Discrimination Against Firearm Entities. Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and, if its bid is accepted, will not discriminate against a firearm entity or firearm trade association during the term of the Purchase Contract. As used in the foregoing verification, "discriminate against a firearm entity or firearm trade association" has the meaning provided in Section 2274.001(3), Government Code.

No Boycott of Energy Companies. Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and, if its bid is accepted, will not boycott energy companies during the term of the Purchase Contract. As used in the foregoing verification, "boycott energy companies" has the meaning provided in Section 2276.001(1), Government Code.

Contracting Information:

The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that the bidder and each syndicate member listed on the Official Bid Form will (i) preserve all contracting information related to the bid as provided by the records retention requirements applicable to the District through the delivery date of the Bonds, (ii) promptly provide to the District any contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member on request of the District, and (iii) upon delivery of the Bonds to the bidder, either (a) provide at no cost to the District all contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member or (b) preserve the contracting information related to the bid as provided by the records retention requirements applicable to the District. The term "contracting information" as used in this paragraph has the meaning assigned to such term in Section 552.003 of the Texas Government Code.

Good Faith Deposit:

Each bid must be accompanied by a bank cashier's check payable to the order of "Harris County Municipal Utility District No. 304" in the amount of \$162,000.00, which represents two percent (2%) of the principal amount of the Bonds. The check will be considered as a Good Faith Deposit, and the check of the successful bidder (the "Initial Purchaser") will be retained uncashed by the District until the Bonds are delivered. In the event the Initial Purchaser should fail or refuse to accept delivery of and pay for the Bonds in accordance with its bid, including without limitation due to the unwillingness or inability of the Underwriter to provide the Standing Letter (as defined herein) or bringdown verification in a form acceptable to the Texas Attorney General for the delivery of their approving opinion at closing, then the Good Faith Deposit shall be cashed and the proceeds accepted by the District as full and complete liquidated damages against the Initial Purchaser. The Good Faith Deposit may accompany the Official Bid Form or it may be submitted separately. If submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn to authorize its use as a Good Faith Deposit by the bidder, who shall be named in such instructions. The Good Faith Deposit will be returned immediately after full payment has been made by the Initial Purchaser to the District in federal or immediately available funds in the amount of the purchase price plus accrued interest thereon. No interest will be paid on the Good Faith Deposit. The checks accompanying bids other than the winning bid will be returned immediately after the bids are opened and an award of the Bonds has been made.

Standing Letter Requirement:

The winning bidder represents that it, and each syndicate member listed on the Official Bid form, if any, has, as of the date bids are due on the Bonds and as of Closing, on file with the Texas Attorney General a standing letter addressing the representations and verifications hereinbefore described in this Notice of Sale in the form as provided by the Municipal Advisory Council of Texas or any other form accepted by the Texas Attorney General (a "Standing Letter"). In addition, if the winning bidder or the parent company, a wholly- or majority-owned subsidiary or another affiliate of such winning bidder receives or has received a letter from the Texas

Comptroller of Public Accounts or the Texas Attorney General seeking written verification that such bidder is a member of the Net Zero Banking Alliance, Net Zero Insurance Alliance, Net Zero Asset Owner Alliance, or Net Zero Asset Managers or of the representations and certifications contained in the winning bidder's Standing Letter (a "Request Letter"), the winning bidder shall promptly notify the District and Bond Counsel (if it has not already done so) and provide to the District or Bond Counsel, two (2) business days prior to Closing and additionally upon request by the District or Bond Counsel, written verification to the effect that its Standing Letter described in the preceding sentence remains in effect and may be relied upon by the District and the Texas Attorney General (the "Bringdown Verification"). The Bringdown Verification shall also confirm that the winning bidder (or the parent company, a wholly- or majority-owned subsidiary or other affiliate of the winning bidder that received the Request Letter) intends to timely respond or has timely responded to the Request Letter. The District reserves the right, in its sole discretion, to reject any bid from a bidder that does not satisfy the foregoing requirements as of the deadline for bids for the Bonds

Competitive Bidding and Certificate of Underwriter:

In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), allowing the District to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Bonds, the "hold-the-offering-price rule" shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule applies to any maturity of the Bonds, the Underwriter will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (a) the date on which the Underwriter has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth business day after the sale date. The Underwriter agrees to report to the District's financial advisor when it has sold 10 percent of a maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the sale date. Alternative Certificates of Underwriter are attached for use (I) when the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i) are met and (II) when such requirements are not met.

DELIVERY AND ACCOMPANYING DOCUMENTS

CUSIP Numbers:

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the Underwriter to accept delivery of or make payment for the Bonds in accordance with the terms of the Official Bid Form and this Official Notice of Sale. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid by the District; however, the CUSIP Service Bureau charge for the assignment of the numbers shall be paid by the Underwriter.

Delivery of Initial Bond:

Initial delivery will be accomplished by the issuance of one initial Bond for the entire principal amount of the Bonds, payable in stated installments (the "Initial Bonds"), either in typed or printed form, in the aggregate principal amount of \$8,100,000 registered to the person or entity designated by the Underwriter in the Official Bid Form, signed manually or in facsimile by the President and Secretary of the Board, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas or his authorized representative. Initial delivery will be through DTC. One definitive Bond for each maturity will be registered and delivered in the name of Cede & Co., and deposited with or under agreement with DTC in connection with DTC's Book-Entry-Only System. Payment for the Initial Bonds must be made in immediately available funds for unconditional credit to the District or as otherwise directed by the District. The Underwriter will be given five (5) business days' notice of the date fixed for delivery of the Initial Bonds. It is anticipated that initial delivery can be made on or about December 18, 2025, and it is understood and agreed that the Underwriter will accept delivery and provide payment for the Initial Bonds by 10:00 a.m., Houston time, on December 18, 2025, or thereafter on the date the Bonds are tendered for delivery, up to and including January 18, 2026. If for any reason the District is unable to make delivery on or before January 16, 2026, the District shall immediately contact the Underwriter and offer to allow the Underwriter to extend its offer for an additional thirty (30) days. If the Underwriter does not elect to extend its offer within six (6) days thereafter, its Good Faith Deposit will be returned, and both the District and the Underwriter shall be relieved of any further obligation. In no event shall the District be liable for any damages by reason of its failure to deliver the Initial Bonds, provided such failure is due to circumstances beyond the District's reasonable control.

DTC Definitive Bonds:

After delivery of the Initial Bonds, the Bonds will be issued in Book-Entry-Only form. Cede & Co. is the nominee for DTC. All references herein to the Registered Owners of the Bonds shall mean Cede & Co. and not the Beneficial Owners of the Bonds. Purchase of beneficial interests in the Bonds will be made in Book-Entry-Only form (without registered Bonds) in the denomination of \$5,000 principal amount or any integral multiple thereof. Under certain limited circumstances described herein, the District may determine to forego immobilization of the Bonds at DTC, or another securities depository, in which case, such beneficial interests would become exchangeable for one or more fully registered Bonds of like principal amount for the Bonds. See "BOOK-ENTRY-ONLY SYSTEM" in the Preliminary Official Statement.

Initial Exchange for Definitive Bonds:

Upon presentation by the Underwriter of the Initial Bonds to the Paying Agent/Registrar, the Paying Agent/Registrar shall, in the time and manner provided in the Bond Order, exchange the Initial Bonds for registered Bonds in denominations of \$5,000 or any integral multiple thereof, to be deposited in accordance with the requirements of the Depository Trust Company and registered in the name of Cede & Co.

Conditions of Delivery:

The Underwriter's obligation to take delivery and pay for the Initial Bonds is subject to the issuance of the Texas Attorney General's opinion and the Underwriter's receipt of the legal opinion of Bond Counsel and the No-litigation Certificate, all as described below.

Continuing Disclosure Agreement:

The District will agree in the Bond Order to provide certain periodic information and notices of material events in accordance with Securities and Exchange Commission Rule 15c2-12, as described in the Preliminary Official Statement under "CONTINUING DISCLOSURE OF INFORMATION – SEC RULE 15c2-12." The Underwriter's obligation to accept and pay for the Bonds is conditioned upon delivery to the Underwriter or its agent of a certified copy of the Bond Order containing the agreement described under such heading.

Compliance with Prior Undertakings:

Due to an administrative oversight, the District failed to timely file its annual report for fiscal year ended August 31, 2023. The District has since filed its disclosure and implemented procedures for future filings. Otherwise, during the last five years, the District has complied in all material respects with its previous continuing disclosure agreements in accordance with SEC Rule 15c2-12.

Legal Opinion:

The District will furnish to the Underwriter a transcript of certain certified proceedings incident to the issuance and authorization of the Bonds, including a certified copy of the approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Attorney General has examined a transcript of proceedings authorizing the issuance of the Bonds, and that based upon such examination, the Bonds are valid and binding obligations of the District payable from the proceeds of an annual ad valorem tax, levied without legal limitation as to rate or amount upon all taxable property in the District. The District will also furnish the approving legal opinion of Norton Rose Fulbright US LLP, Bond Counsel, Houston, Texas, to the effect that, based upon an examination of such transcript, the Bonds are valid and binding obligations of the District under the Constitution and laws of the State of Texas, except to the extent that enforcement of the rights and remedies of the Registered Owners of the Bonds may be limited by laws relating to bankruptcy, reorganization, or other similar laws of general application affecting the rights of creditors of political subdivisions such as the District. The legal opinion of Bond Counsel will further state that the Bonds are payable, both as to principal and interest, from the levy of ad valorem taxes without legal limitation as to rate or amount, upon all taxable property within the District, and that the interest on the Bonds is excludable from gross income for federal income tax purposes under statutes, regulations, published rulings and court decisions existing on the date of such opinion assuming compliance by the District with certain covenants relating to the use and investment of the proceeds of the Bonds. See "LEGAL MATTERS" in the Preliminary Official Statement. Such opinions express no opinion with respect to the sufficiency of the security for or marketability of the Bonds.

Errors or omissions in the printing of such legal opinion shall not affect the validity of the Bonds nor constitute cause for the failure or refusal by the Underwriter to accept delivery and to pay for the Bonds. Certain legal matters will be passed upon for the District by Sanford Kuhl Hagan Kugle Parker Kahn LLP, Houston, Texas, as Disclosure Counsel.

No-Litigation Certificate:

On the Date of Delivery of the Initial Bonds to the Underwriter, the District will deliver to the Underwriter a certificate, dated as of the same date, to the effect that the District has no knowledge of litigation of any nature filed or pending to restrain or enjoin the issuance or delivery of the Bonds or which would affect the provisions made for their payment or security or in any manner question the validity of the Bonds.

No Material Adverse Change:

The obligation of the District to deliver the Bonds and of the Underwriter to accept delivery of and pay for the Bonds are subject to the condition that to the time of delivery of and receipt of payment for the Bonds, there shall have been no material adverse change in the affairs of the District from those set forth in or contemplated by the PRELIMINARY OFFICIAL STATEMENT, as it may have been supplemented or amended through the Date of Delivery.

Certificate Regarding Issue Price:

In order to provide the District with information that enables it to comply with certain requirements of the Internal Revenue Code of 1986, relating to the excludability of interest on the Bonds from gross income for federal income tax purposes, the winning bidder will be required to complete, execute, and deliver to the District or to the District's municipal advisor, The GMS Group, L.L.C., at least five business days before the Closing Date of the Bonds, a certification as to the Bonds' "issue price" (the "Issue Price Certificate") substantially in one of the forms, as appropriate, and to the effect attached hereto or accompanying this Official Notice of Sale.

In the event the winning bidder will not reoffer any maturity of the Bonds for sale to the Public (as defined herein) by the delivery date of the Bonds, the Issue Price Certificate may be modified in a manner approved by the District and Bond Counsel (identified in the Preliminary Official Statement). Each bidder, by submitting its bid, agrees to complete, execute, and timely deliver the appropriate Issue Price Certificate, if its bid is accepted by the District. It will be the responsibility of the winning bidder to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain such facts as are necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel.

For purposes of this section of this Official Notice of Sale:

- (i) "Public" means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a Related Party to an Underwriter.
- (ii) "Related Party" means any two or more persons who are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).
- (iii) "Sale Date" means the date that the Bonds are awarded by the District to the winning bidder.
- (iv) "Underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the lead Underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

All actions to be taken by the District under this section of this Official Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the District by The GMS Group, L.L.C., and any notice or report to be provided to the District may be provided to The GMS Group, L.L.C.

The District will consider any bid submitted pursuant to this section of this Official Notice of to be a firm offer for the purchase of the Bonds, as specified in the bid.

The District intends to rely on Treasury Regulation section 1.148-1(f)(3)(i) for purposes of establishing the issue price of municipal Bonds, which requires, among other things, that the District receive bids from at least three underwriters of municipal Bonds who have established industry reputations for underwriting new issuances of municipal Bonds (the "Three Bid Requirement"). In the event that the Three Bid Requirement is not satisfied, Treasury Regulations permit the issue price for any maturity of the Bonds to be determined based upon either (i) the first price at which 10% of such maturity is sold to the Public (the "10% Test") or (ii) if the requirements of the "Hold-the-Offering-Price Rule" described below are met, the initial offering price to the Public as of the Sale Date. For purposes hereof, if different interest rates apply within a maturity, each separate CUSIP number will be treated separately.

In the event that the Three Bid Requirement is satisfied, the sale of the Bonds will be awarded to the bidder making a bid that conforms to the specifications herein. In the event that the Three Bid Requirement is not satisfied, the District will notify the prospective winning bidder to that effect, and the prospective winning bidder will advise the District any maturity of the Bonds that satisfies the 10% Test. For any maturity of the Bonds that does not meet the 10% Test, it is the District's intention to apply the "Hold-the-Offering-Price Rule" to any maturity of the Bonds, as described below.

If the "Hold-the-Offering-Price Rule" is applied to any maturity of the Bonds (each, a "Held Maturity"), the winning bidder agrees, on behalf of each Underwriter participating in the purchase of the Bonds, that each Underwriter will neither offer nor sell any Held Maturity to any person at a price that is higher than the initial offering price to the Public, or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder, during the period starting on the Sale Date and ending on the earlier of the following:

- (1) the close of the fifth business day after the Sale Date; or

- (2) the date on which the Underwriters have satisfied the 10% Test with respect to that Held Maturity at a price that is no higher than the initial offering price to the Public.

The winning bidder shall promptly advise the District when the Underwriters have satisfied the 10% Test with respect to each Held Maturity at a price that is no higher than the initial offering price to the Public, if that occurs prior to the close of the fifth business day after the Sale Date. On or after the sixth business day after the Sale Date, if requested by the District, the winning bidder will confirm that the Underwriters have complied with the Hold-the-Offering-Price- Rule. If at any time the winning bidder becomes aware of any noncompliance by an Underwriter with respect to the Hold-the-Offering Price Rule, the winning bidder will promptly report such noncompliance to the District.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each Underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the Public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% Test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the Public and (B) comply with the Hold-the-Offering-Price Rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each Underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the Public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the Public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder or such Underwriter that either the 10% Test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the Public and (B) comply with the Hold-the-Offering-Price Rule, if applicable, in each case if and for so long as directed by the winning bidder or such Underwriter and as set forth in the related pricing wires.

GENERAL CONSIDERATIONS

Registration, Transfer and Exchange:

The Bonds may be transferred, registered, and assigned only on the registration books (the "Register") of the Paying Agent/Registrar, and such registration (exclusive of any tax or governmental charge therefore) shall be at the expense of the District. A Bond may be assigned by execution of the assignment form on the Bonds. New Bonds will be delivered by the Paying Agent/Registrar to the last assignee (the new Registered Owner) in exchange for such transferred and assigned Bonds not more than three (3) business days after receipt of the Bonds to be transferred in proper form. New Bonds must be in the denomination of \$5,000 for any one maturity or any integral multiple thereof. The Bonds are transferable only on the Register upon surrender and reissuance. The Bonds are exchangeable for an equal principal amount of Bonds of the same maturity in any authorized denomination upon surrender of the Bonds to be exchanged at a corporate trust office of the Paying Agent/Registrar.

Record Date:

The record date ("Record Date") for the interest payable on any interest payment date means the 15th calendar day of the month next preceding such interest payment date.

Limitation on Transfers and Exchanges:

Neither the District nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond during a period beginning at the opening of business on a Record Date and ending at the close of business on the next succeeding interest payment date, to issue, transfer, or exchange any Bond selected for redemption during a period beginning at the opening of business 30 days before the day of the first mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing, or to transfer or exchange any Bond so selected for redemption in whole or in part when such redemption is scheduled to occur within 45 calendar days thereafter.

Risk Factors:

The Bonds involve special risk factors. Prospective bidders are urged to examine carefully the Preliminary Official Statement with respect to the investment risks pertaining to the Bonds. Particular attention should be given to the information set forth therein under "RISK FACTORS."

No Registration or Qualification Under Securities Laws:

The offer and sale of the Bonds have not been registered with the Securities and Exchange Commission under the Securities Act of 1933, as amended, in reliance upon exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas, as amended, in reliance upon various exemptions contained therein; nor have the Bonds been registered or qualified under the securities laws of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws of any other jurisdiction in which the Bonds may be sold, assigned, pledged,

hypothecated, or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions. In those jurisdictions where persons registered or licensed as dealers or brokers may offer and sell the Bonds, it is assumed that such persons have complied and will comply with all applicable statutes and regulations concerning dealers and brokers and concerning the registration or licensing of agents or salesmen.

By the submission of its bid, the Underwriter represents that the offer and sale of the Bonds in states other than Texas will be made only pursuant to exemptions from registration or qualification, or where necessary, the Underwriter will register or qualify the Bonds in accordance with the securities laws of the states in which the Bonds are offered or sold. The District agrees to cooperate, at the Underwriter's written request and expense, in registering or qualifying the Bonds or in obtaining an exemption from registration or qualification in any state where such action is necessary. Such qualification, however, shall not require the District to subject itself to service of process outside of the State of Texas.

Qualified Tax-Exempt Obligations:

The Code requires a pro rata reduction in the interest expense deduction of a financial institution to reflect such financial institution's investment in tax-exempt obligations acquired after August 7, 1986. An exception to the foregoing provision is provided in the Code for "qualified tax-exempt obligations," which include tax-exempt obligations, such as the Bonds, (a) designated by the issuer as "qualified tax-exempt obligations" and (b) issued by or on behalf of a political subdivision for which the aggregate amount of tax-exempt obligations (not including private activity bonds other than qualified 501(c)(3) bonds) to be issued during the calendar year is not expected to exceed \$10,000,000.

The District will designate the Bonds as "qualified tax-exempt obligations" and will represent that the aggregate amount of tax-exempt bonds (including the Bonds) issued by the District and entities aggregated with the District under the Code during calendar year 2025 is not expected to exceed \$10,000,000 and that the District and entities aggregated with the District under the Code have not designated more than \$10,000,000 in "qualified tax-exempt obligations" (including the Bonds) during calendar year 2025.

Notwithstanding this exception, financial institutions acquiring the Bonds will be subject to a 20 percent disallowance of allocable interest expense.

Final Official Statement:

The District has prepared the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds. The District will prepare a final Official Statement which will describe the reoffering yields and underwriting discount bid, the interest rates for the Bonds determined as described above, and the final debt service schedule and ratios and tax rates consequent thereon. The District does not intend to amend or supplement the Preliminary or final Official Statement, except to consider certain subsequent events, if any, as described below. Accordingly, the District deems the accompanying Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for the omission of the foregoing items. By delivering the Final Official Statement or any amendments or supplements thereto in the requested quantity to the Underwriter on or after the sale date, the District represents the same to be complete as of such date within the meaning of SEC Rule 15c2-12(f)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement that are or will be made by the District are those described in the Official Statement under "OFFICIAL STATEMENT – Certification as to Official Statement."

Changes to Official Statement:

If, subsequent to the date of the Official Statement, the District learns or is notified by the Underwriter of any adverse event that causes any of the key representations in the Official Statement to be materially misleading, the District will promptly prepare and supply to the Underwriter a supplement to the Official Statement that corrects such representation to the reasonable satisfaction of the Underwriter unless the Underwriter elects to terminate its obligation to purchase the Bonds as described above. See "DELIVERY AND ACCOMPANYING DOCUMENTS – Conditions of Delivery." The obligation of the District to supplement the Official Statement will terminate when the District delivers the Bonds to the Underwriter unless the Underwriter notifies the District that fewer than all of the Bonds have been sold to ultimate customers on or before such date, in which case the obligation will extend for an additional period of time (but not for more than 90 days after the sale date) until all of the Bonds have been sold to ultimate purchasers.

Delivery of Official Statements:

The District will furnish to the Underwriter (and to each other participating underwriter of the Bonds, within the meaning of SEC Rule 15c2-12(a), designated by the Underwriter), within seven (7) business days after the sale date, the aggregate number of Official Statements as requested by the Underwriter. The District will also furnish to the Underwriter a like number of any supplements or amendments prepared by the District for dissemination to potential purchasers of the Bonds as described above as well as such additional copies of the Official Statement or any supplements or amendments as the Underwriter may request prior to the 90th day after the end of the underwriting period referred to in SEC Rule 15c2-12(f)(2). The District will pay the expense of preparing up to 50 copies of the Official Statement and all copies of any supplements or amendments issued on or before the delivery date, but the Underwriter must pay for all other copies of the Official Statement or any supplements or amendments thereto. The District assumes no responsibility or obligation for the distribution or delivery of any copies of the Official Statement to anyone other than the Underwriter.

Severability:

In case any provision herein, or application thereof, shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions or applications shall not in any way be affected or impaired thereby.

Additional Copies:

Additional copies of this Official Notice of Sale, the Official Bid Form, and the Preliminary Official Statement may be obtained from John F. Howell, Jr., Senior Vice President, The GMS Group, L.L.C., 5075 Westheimer, Suite 1175, Houston, Texas 77056-5606; phone number (713) 622-7620.

Unless the bidder is exempt from such requirements pursuant to Texas Government Code §2252.908(c)(4), the District may not accept this bid until it has received from the bidder, if that bidder is a privately held entity, a completed and signed TEC Form 1295 complete with a certificate number assigned by the Texas Ethics Commission ("TEC"), pursuant to Texas Government Code § 2252.908, and the rules promulgated thereunder by the TEC. The undersigned understands that failure to provide said form complete with a certificate number assigned by the TEC as provided for in the Official Notice of Sale will result in a non-conforming bid and will prohibit the District from considering this bid for acceptance.

By executing this Official Bid Form, the bidder hereby certifies to the following representations and covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as heretofore amended (the "Government Code"). As used in therein, "affiliate" means an entity that controls, is controlled by, or is under common control with the bidder within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. Liability for breach of any such representation or covenant during the term of the contract for purchase and sale of the Bonds created thereby (the "Purchase Contract") shall survive until barred by the applicable statute of limitations, and shall not be liquidated or otherwise limited by any provision of the bid or this Official Notice of Sale, notwithstanding anything herein or therein to the contrary.

Additionally, by executing this Official Bid Form, the bidder hereby represents and verifies that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Government Code. The foregoing representation excludes each bidder and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

Additionally, by executing this Official Bid Form, the bidder hereby represents and verifies that it and its parent company, wholly or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, if its bid is accepted, will not boycott Israel during the term of the Purchase Contract. As used in the foregoing verification, "boycott Israel" has the meaning provided in Section 2271.001, Government Code.

Additionally, by executing this Official Bid Form, the bidder hereby represents and verifies that it and its parent company, wholly or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of the Purchase Contract. As used in the foregoing verification, "discriminate against a firearm entity or firearm trade association" has the meaning provided in Section 2274.001(3), Government Code.

Additionally, by executing this Official Bid Form, the bidder hereby represents and verifies that it and its parent company, wholly or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of the Purchase Contract. As used in the foregoing verification, "boycott energy companies" has the meaning provided in Section 2276.001(1), Government Code

Additionally, by executing this Official Bid Form, the bidder also represents and certifies that the bidder and each syndicate member listed on this Official Bid Form will (i) preserve all contracting information related to the bid as provided by the records retention requirements applicable to the District through the delivery date of the Bonds, (ii) promptly provide to the District any contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member on request of the District, and (iii) upon delivery of the Bonds to the bidder, either (a) provide at no cost to the District all contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member or (b) preserve the contracting information related to the bid as provided by the records retention requirements applicable to the District. The term "contracting information" as used in this paragraph has the meaning assigned to such term in Section 552.003 of the Texas Government Code.

By executing this Bid Form, bidder represents to the District that it and each syndicate member listed on the Official Bid Form, if any, (i) has filed a standing letter with the Attorney General and the Municipal Advisory Council of Texas that conforms to the requirements of the Attorney General, (ii) has no reason to believe that the District may not be entitled to rely on such standing letters, and (iii) neither bidder, any syndicate member listed on the Official Bid Form, nor any parent company, subsidiaries, or affiliates of the same, have received a letter from the Texas Comptroller of Public Accounts related to its inclusion on any list of financial companies boycotting energy companies. Bidder agrees that it will not rescind its standing letter at any time before the delivery of the Bonds unless same is immediately replaced with a standing letter that meets the requirements of the Attorney General. By executing this Bid Form, Bidder acknowledges that the District reserves the right, in its sole discretion, to reject any bid from a bidder that does not have such standing letter on file as of the deadline for bids for the Bonds. By submitting a bid, each bidder agrees, should it be the winning bidder, to cooperate with the District and take any action necessary to further verify and confirm compliance with state law by the bidder and each syndicate member listed in the Bid Form.

The undersigned agrees to execute, at the request of the District, further written certifications as may be necessary or convenient for the District to establish compliance with these laws.

We agree to make payment for the Bonds in immediately available funds at the office of The Bank of New York Mellon Trust Company, N.A., Dallas, Texas, no later than 10:00 a.m., Houston time, on December 18, 2025, or thereafter on the date the Bonds are tendered for delivery, pursuant to the terms set forth in the Notice of Sale.

Upon acceptance of this bid by the District, the accepted bid and Official Notice of Sale will together comprise a binding contract between the winning bidder and the District in accordance with their terms. The acceptance of the bid creates a binding contract with a term that extends until the Bonds are taken up and paid for by the bidder or any earlier termination of this contract in accordance with the terms of the Official Notice of Sale.

Respectfully submitted,
