Address of Bids

Sealed bids for the 2026B Bonds, plainly marked “Bid for \$10,845,000 General Obligation Building Bonds, Taxable Series 2026B”, must be submitted on the “Official Bid Form” (a copy of which is enclosed) and should be addressed to the Clerk of the Board of Education, 615 N. Classen Blvd., Oklahoma City, Oklahoma, 73106.

Any bidder submitting their bid via **Parity® only needs to complete and sign an Official Bid Form if it is determined they are the winning bid.**

Description of the Bonds

The 2026B Bonds, authorized at an election held for that purpose, are being issued in accordance with the provisions contained in Article X, Section 26 of the Oklahoma Constitution, and the statutes of the State supplementary thereto, and shall constitute direct and general obligations of the District, payable from ad valorem taxes levied against all taxable property located therein, excepting homestead and veteran exemptions, without limitation as to rate or amount.

The 2026B Bonds will be issued only as full book-entry-only bonds in denominations of \$5,000 or any integral multiple thereof. The 2026B Bonds are to be dated January 1, 2026. Interest is payable semiannually on January 1 and July 1, beginning July 1, 2027. Principal and interest on the 2026B Bonds will be payable by the District's Paying Agent-Registrar bank to the Depository Trust Company, New York, New York ("DTC"), securities depository for the 2026B Bonds (see "Book-Entry-Only System" section herein).

Maturity Schedule	
<u>Due July 1,</u>	<u>Principal Amount</u>
2028	\$3,615,000
2029	3,615,000
2030	3,615,000

The 2026B Bonds are not subject to redemption prior to maturity.

Book-Entry-Only System

DTC will act as securities depository for the 2026B Bonds. The 2026B Bonds will be issued as fully registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully registered Bond certificate will be issued for each maturity of the 2026B Bonds in the principal amount of such maturity, and will be deposited with DTC at the office of the Trustee on behalf of DTC utilizing the DTC FAST system of registration.

DTC may discontinue providing services as securities depository with respect to the 2026B Bonds at any time by giving reasonable notice to the District. Under such circumstances, in the event that a successor securities depository is not obtained, 2026B Bonds are required to be printed and delivered. The District may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, 2026B Bonds will be printed and delivered.

Types of Bids and Interest Rates

The 2026B Bonds will be sold in one block, all or none, and no bid of less than par and accrued interest shall be considered. **The premium bid, if any, shall not exceed 2% of the par value of the 2026B Bonds (\$216,900).** Bidders shall specify the rates of interest the 2026B Bonds shall bear in multiples of one one-thousandth (1/1000th) of 1% per annum. Bidders must specify a rate or rates of interest the 2026B Bonds shall bear, but will be limited to a **3% variation between high and low interest rates**. No interest rate in excess of 10.00% shall be permitted. Bidders are not restricted as to the number of rates that may be named, provided that only one single rate shall be specified for all 2026B Bonds of the same maturity.

Basis for Award

For the purpose of awarding the 2026B Bonds, the interest cost of each bid shall be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the 2026B Bonds from January 1, 2026, to their respective maturities, and deducting therefrom the premium bid, if any. The 2026B Bonds shall be awarded to the bidder whose bid, on the basis of the above computation, produces the lowest net interest cost to the District.

Official Bid Form and Good Faith Deposit

Each bid must be submitted electronically through the approved **Parity®** bidding system as described elsewhere herein or on the “Official Bid Form” attached hereto, without deviation, furnished by the District and which shall be enclosed in a sealed envelope. If the winning bid is submitted electronically via **Parity®**, the winning bidder will be required to fully execute an Official Bid Form prior to delivery of the Bonds.

A Good Faith Deposit (“Deposit”) in the form of a certified or cashier’s check, cash via wire transfer or a Financial Surety Bond in the amount of **\$216,900.00**, which is 2% of the par value of the 2026B Bonds, payable to “Independent School District No. 89 of Oklahoma County, Oklahoma,” is required for each bid to be considered. Bidders wishing to wait until after the bid deadline to submit their Deposit are allowed to do so, as long as the Deposit is received by the District prior to the time of the award by the Board of Education.

If a Certified or Cashier’s Check is used, no interest will be allowed on such check. All checks submitted by unsuccessful bidders will be promptly returned upon award of the 2026B Bonds.

Wire instructions for the District are available upon request to the Financial Advisor. If a wire transfer is used, the District intends to wire back the Deposits of the losing bidders as soon as possible after the bid deadline. No interest will be paid by the District on the Deposit.

If a Financial Surety Bond is used, it must be issued by an insurance company licensed to issue such a bond in the State of Oklahoma and meeting the minimum qualifications of such providers (i.e., “AAA” rated), and such bond must be submitted to the District or its Financial Advisor prior to the opening of the bids. The Financial Surety Bond must identify each bidder whose Deposit is guaranteed by such Financial Surety Bond. Each Financial Surety Bond shall provide that it will not expire for at least 48 hours from the date and time of opening the bids. If the 2026B Bonds are awarded to a bidder utilizing a Financial Surety Bond, then that purchaser (“Purchaser”) is required to submit its Deposit to the District in the form of a wire transfer not later than 3:30 o’clock P.M. local time on the next business day following the award, in accordance with wiring instructions provided by the Financial Advisor. If such Deposit is not received by that time, the Financial Surety Bond may be drawn by the District to satisfy the Deposit requirement. No interest on the Deposit will accrue to the Purchaser.

In the event that the Financial Surety Bond is drawn upon, the District will return such funds to the Purchaser (1) upon payment of the purchase price by the Purchaser, or (2) if the District is unable to deliver the 2026B Bonds in accordance with the terms of this Notice of Sale and Instructions to Bidders, or (3) upon the expiration of the final date by which the District may deliver the 2026B Bonds to the Purchaser as described herein. Any funds received by the District as a result of a draw on a Financial Surety Bond may be invested by the District, but no interest will accrue to the successful bidder as a result of such investment.

The Deposit shall be applied to the purchase price of the 2026B Bonds or returned to the successful bidder upon payment, whichever is desired by said bidder. In the event the Purchaser fails to honor its accepted bid, the Deposit will be retained by the District. If the Purchaser should fail to pay for the 2026B Bonds in accordance with its bid, the Deposit will be accepted by the District as full and complete liquidated damages.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on the 2026B Bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser to accept delivery of and pay for the 2026B Bonds in accordance with

the terms of the Official Bid Form. All expenses in relation to printing CUSIP numbers on the 2026B Bonds and the CUSIP Service Bureau charge for the assignment of such numbers shall be paid by the District.

Approving Opinion

Bids may be submitted subject to the opinion of the Attorney General of the State of Oklahoma, and the approving opinion of The Public Finance Law Group PLLC, Bond Counsel, Oklahoma City, Oklahoma, each of which shall be provided by the Board of Education of the District, without cost to the purchaser.

Non-Litigation Certificate

With delivery of the 2026B Bonds, the District shall execute and furnish the successful purchaser with a certificate to the effect that no litigation of any nature has been filed or is then pending to restrain or enjoin the issuance or delivery of said 2026B Bonds, to affect the provisions made for their payment or security, or in any manner question the validity of said 2026B Bonds.

Delivery

Delivery of the 2026B Bonds shall be made at the expense of the purchaser in New York, New York, through DTC against payment in good funds of the agreed upon purchase price. Delivery of the 2026B Bonds to the Purchaser is anticipated on or about January 22, 2026.

Municipal Bond Insurance

In the event the 2026B Bonds are qualified for municipal bond insurance, and the purchaser wants to purchase bond insurance, the cost thereof will be paid by the purchaser. Any fees paid to any rating agencies as a result of said insurance will also be paid by the purchaser.

Official Statement

The District has authorized and directed the preparation of the accompanying Preliminary Official Statement and for the limited purpose of complying with Securities and Exchange Commission (“SEC”) Rule 15c2-12, deems such Preliminary Official Statement to be “near final” as of its date, within the meaning of such Rule, for the purpose of review prior to bidding. The Preliminary Official Statement is subject to revision, amendment and completion as the Final Official Statement.

The Purchaser shall be responsible for providing the initial reoffering prices and other terms, if any, to the Financial Advisor by the close of the next business day after the sale.

No more than seven (7) business days after the date of the sale, the District will provide without cost to the Purchaser a reasonable number of copies of the Final Official Statement; provided, however, that minor delays in furnishing such Final Official Statement will not be a basis for the Purchaser's failure to pay for and accept delivery of the 2026B Bonds. Additional copies of the Final Official Statement will be made available at the Purchaser's request and expense.

If the sale of the Bonds is awarded to a syndicate, the District will designate the Senior Managing Underwriter of the syndicate as its agent for purposes of distributing copies of the Final Official Statement to each participating underwriter. Any underwriter executing and delivering a bid form with respect to the 2026B Bonds agrees thereby that if its bid is accepted, it shall accept such designation and shall enter into a contractual relationship with all syndicate members for the purpose of assuring the receipt and distribution of the Final Official Statement to each such syndicate member. The District assumes no responsibility or obligation for the distribution or delivery of the Final Official Statement to anyone other than the Purchaser.

Continuing Disclosure

The District will execute a Continuing Disclosure Agreement for the benefit of the holders of the 2026B Bonds pursuant to which the District will covenant to provide certain financial information concerning the District as required under Section (b)(5)(i) of Securities and Exchange Commission Rule 15c2-12. The Continuing Disclosure Agreement summary is attached to the Preliminary Official Statement and will also be attached to the final Official Statement. A certified copy of the Continuing Disclosure Agreement will be delivered to the respective successful bidder at or prior to delivery of the 2026B Bonds.

Compliance with the Energy Discrimination Elimination Act

The District will not award the 2026B Bonds to any bidder unless that bidder verifies on the Official Bid Form that it does not boycott energy companies, and will not boycott energy companies during the term of the contract, to the extent the Official Bid Form represents a contract within the meaning of Oklahoma's Energy Discrimination Elimination Act of 2022, 74 O.S. Sections 12001 et seq. This verification applies only to a contract that:

1. is between a governmental entity and a company with ten or more full-time employees, and
2. will pay a company One Hundred Thousand Dollars (\$100,000.00) or more over the term of the contract that is to be paid wholly or partly from public funds of the governmental entity; provided, however, the provisions of this paragraph shall apply separately to all companies in a multiple party contract.

Compliance with the Oklahoma Firearms Act

The District will not award the 2026B Bonds to any bidder unless that bidder verifies on the Official Bid Form that it does not have a practice, policy, guidance or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of the contract, to the extent the Official Bid Form represents a contract within the meaning of Oklahoma's Oklahoma Firearms Act of 1971, 21 O.S. Section 1289.31. This verification applies only to a contract that:

1. is between a governmental entity and a company with at least ten full-time employees, and
2. has a value of at least One Hundred Thousand Dollars (\$100,000.00) that is to be paid wholly or partly from public funds of the governmental entity.

Bonds will be sold in accordance with the provisions of Title 62, Sections 353 and 354, Oklahoma Statutes, and Article X, Section 26, Oklahoma Constitution.

The right is reserved to reject any and all bids and to waive all informalities and irregularities.
