Consult the body of this Official Notice of Sale for a detailed explanation of the items contained in the Bidding Parameters Table, including interpretation of such items and methodologies used to determine such items. Information in the Bidding Parameters table may be subject to adjustment as set forth herein.

\*\* Subject to change both before the sale date and time, and after award, as provided herein.

## *THE BONDS*

The Bonds will be issued in fully registered, book-entry only form, without coupons, will be dated as of the date set forth in the Bidding Parameters Table; will be issued in denominations of \$5,000 or integral multiples thereof; and will bear interest from their date until paid or duly called for redemption at the annual rate or rates specified by the successful bidder, subject to the limitations specified below, payable as shown on the Bidding Parameters Table. Interest will be computed on the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board (“MSRB”). The Bonds must meet the minimum and maximum coupon and pricing criteria shown in the Bidding Parameters Table on a maturity and aggregate basis.

The Bonds will mature on the month and day and in the years and principal amounts shown on the Bidding Parameters and Principal Maturities Table as serial bonds or term bonds, subject to the terms and adjustments described in the Bidding Parameters Table and herein.

## *OPTIONAL REDEMPTION*

The Bonds maturing through December 1, 2035, shall mature without option of prior redemption. The Bonds maturing December 1, 2036, and thereafter shall be subject to redemption prior to maturity at the option of the City on December 1, 2035, and thereafter as a whole or in part at any time at the redemption price of par, plus interest accrued to the redemption date.

## *SECURITY*

The Bonds are payable from unlimited ad valorem taxes to be levied on all taxable property within the boundaries of the City. For the prompt payment of principal of, premium, if any, and interest on the Bonds, the full faith and credit of the City are irrevocably pledged.

## *ADJUSTMENT OF AMOUNT AND MATURITIES*

The aggregate principal amount and the principal amount of each maturity of the Bonds is subject to adjustment by the City after the receipt and opening of the bids for their purchase as specified in the Bidding Parameters Table. Changes to be made after the opening of the bids will be communicated to the successful bidder directly by 11:00 a.m., Eastern Time, on the date following the Sale Date.

Prior to the Sale Date, the City may cancel the sale of the Bonds or adjust the aggregate principal amount and the principal amount of any maturity of the Bonds. Notice of a change or cancellation will be announced via Thomson Municipal News at the internet website address [www.tm3.com](http://www.tm3.com) not later than 3:00 p.m., Eastern Time, the business day preceding the bid opening.

After the receipt and opening of the bids for their purchase, the City may cancel the sale of the Bonds or adjust the aggregate principal amount and the principal amount of each maturity of the Bonds; provided that such adjustments are within the limitations set forth in the Bidding Parameters Table, calculated based on the applicable bid amount. The City will consult with the successful bidder before adjusting the amount of any maturity of the Bonds or canceling the sale of the Bonds; however, the City reserves the sole right to make adjustments, within the limits described above, or cancel the sale of the Bonds. Any adjustments made after the opening of the bids will be communicated to the successful bidder directly by 11:00 a.m., Eastern Time, on the date following the Sale Date. Adjustments within the limits described above will not relieve the successful bidder from its obligation to purchase all of the Bonds offered by the City, assuming the City has satisfied all other conditions of this Official Notice of Sale.

In the event that the principal amount of any maturity of the Bonds is revised after the award, the interest rate and reoffering price (as a percentage of principal) for each maturity and the Underwriter's Discount on the Bonds as submitted by the successful bidder shall be held constant. The "Underwriter's Discount" shall be defined as the difference between the purchase price of the Bonds submitted by the bidder and the price at which the Bonds will be issued to the public, calculated from information provided by the bidder, divided by the par amount of the Bonds bid.

#### *FORM AND PAYMENT*

The Bonds will be issued in fully registered, book-entry only form and a bond certificate for each maturity will be issued to The Depository Trust Company, New York, New York ("DTC"), registered in the name of its nominee, Cede & Co., and immobilized in its custody. A book-entry system will be employed, evidencing ownership of the Bonds, with transfers of ownership affected on the records of DTC and its participants pursuant to rules and procedures adopted by DTC and its participants. The successful bidder, as a condition to delivery of the Bonds, will be required to deposit the Bond certificates with DTC, registered in the name of Cede & Co. Principal of and interest on the Bonds will be payable by the Registration Agent by wire transfer or in clearinghouse funds to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to the beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. Neither the City nor the Registration Agent will be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants. The successful bidder will be required to furnish to DTC within seven (7) days after the sale the customary underwriter's questionnaire and information as to each DTC participant and the Bonds to be held for it.

Payment of principal of the Bonds will be made by the City by wire transfer through U.S. Bank Trust Company National Association, the registrar/paying agent (the "Registration Agent"), to DTC or its nominee, Cede & Co., as registered owner of the Bonds on the month and day, in the years and amounts established in accordance with the award of the Bonds. Interest on the Bonds is payable on the dates shown in the Bidding Parameters Table. Interest payments on the Bonds will be mailed by the Registration Agent on each interest payment date to the owners of the Bonds at the addresses listed on the registration books maintained by the Registration Agent for such purpose. So long as DTC or its nominee is the registered owner of the Bonds, payments of principal and interest on the Bonds will be made to DTC or its nominee.

#### *PRELIMINARY OFFICIAL STATEMENT AND FINAL OFFICIAL STATEMENT*

The City has authorized the preparation and distribution of a Preliminary Official Statement dated January 13, 2026 (the "Preliminary Official Statement" or "POS"), containing information relating to the Bonds. The Preliminary Official Statement is deemed "final" by the City as required by Rule 15c2-12 of the Securities and Exchange Commission (the "Rule"), except for pricing and other information allowed to be omitted pursuant to the Rule. The City will furnish the successful bidder on the date of closing, with its certificate, in its usual form, as to the completeness and accuracy of the Official Statement.

The Preliminary Official Statement, this Official Notice of Sale and any other information concerning the proposed financing will be available electronically at i-Deal's website, [www.i-dealprospectus.com](http://www.i-dealprospectus.com). Assistance in obtaining the documents will be provided by i-Deal's customer service at (212) 849-5024 or from PFM Financial Advisors LLC, 530 Oak Court Drive, Suite 160, Memphis, Tennessee 38117-3722, (901) 466-4554, [lowel@pfm.com](mailto:lowel@pfm.com) (Attention: Lauren Lowe).

The Preliminary Official Statement, when amended to reflect the actual amount of the Bonds sold, the interest rates specified by the successful bidder and the price or yield at which the successful bidder will reoffer the Bonds to the public, together with any other information required by law, will constitute a "Final Official Statement" with respect to the Bonds as that term is defined in the Rule. No more than seven (7)

business days after the date of the sale, the City will provide without cost to the respective successful bidder up to 25 copies of the Final Official Statement. If the Bonds are awarded to a syndicate, the City will designate the senior managing underwriter of the syndicate as its representative for purposes of distributing copies of the Final Official Statement to each participating underwriter. Any underwriter submitting a bid with respect to the Bonds agrees thereby that if its bid is accepted, it shall accept such designation and shall enter into a contractual relationship with all participating underwriters for the purpose of assuring the receipt and distribution by each participating underwriter of the Final Official Statement.

#### *CONTINUING DISCLOSURE*

As set forth in the Preliminary Official Statement, the City will contract with the successful bidder as to continuing disclosure as required by the Rule pursuant to the City's standard continuing disclosure certificate, a form of which certificate is attached as an exhibit to the Preliminary Official Statement.

#### *LEGAL OPINION*

As a condition to the purchaser's obligation to accept delivery of and pay for the Bonds, the City will furnish upon the delivery of the Bonds the opinion as to the validity of the Bonds of Bass Berry & Sims PLC, Knoxville, Tennessee, Bond Counsel to the City. The opinion of Bond Counsel will state, among other things, that the interest on the Bonds is excludable from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code") and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Bonds may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations. The opinion of Bond Counsel is subject to the condition that the City comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excludable from gross income for federal income tax purposes. Failure to comply with such requirements may cause the interest on the Bonds to be includable in gross income retroactively to their date of issuance. The City has covenanted to comply with such requirements of the Code. Under the existing laws of the State of Tennessee, the Bonds and the income therefrom are exempt from all State, county and municipal taxation in Tennessee, except for Tennessee franchise and excise taxes.

Bond Counsel will express no opinion regarding federal or state tax consequences arising with respect to the Bonds except as stated above. It should be noted, however, that interest on any Bond may be taken into account in determining the tax liability of foreign corporations subject to the branch profits tax imposed on foreign corporations under the Code. In addition, ownership of Bonds may result in collateral federal income tax consequences to certain taxpayers such as corporations (including S Corporations and certain foreign corporations), financial institutions, property and casualty or life insurance companies, individual recipients of Social Security or railroad retirement benefits, individuals claiming the earned income credit and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry Bonds.

#### *BIDDING PROCEDURE; OFFICIAL BID FORMS*

Only electronic bids submitted via PARITY® during the bidding time period will be accepted. No other form of bid or provider of electronic bidding services will be accepted. **No bid delivered by facsimile directly to the City will be accepted.** Bidders are permitted to submit bids for the Bonds during the bidding time period, provided they are eligible to bid as described under "ELIGIBILITY TO BID" below.

Each bid must be unconditional and received by PARITY® before the Sale Time set forth in the Bidding Parameters Table. No proposal to purchase the Bonds may be withdrawn after the deadline set for receiving bids. Prior to the deadline set for receiving bids, an eligible prospective bidder may, subject to limitation which may be imposed by PARITY®, modify the proposed terms of its bid in which event the

proposed terms last modified will constitute its bid for the Bonds. At the deadline stated above for receiving bids, the bidding process will close and each bid shall then constitute an irrevocable offer to purchase the Bonds on the terms provided in the bid and this Official Notice of Sale.

#### *ELECTRONIC BIDDING*

Electronic bids may be submitted via PARITY® only. No other provider of electronic bidding services will be accepted. The use of PARITY® electronic bidding shall be at the bidder's risk and expense, and the City shall have no liability with respect thereto. The City is using electronic bidding as a communications medium and PARITY® is not acting as the City's agent.

Each electronic bid submitted via PARITY® shall be deemed an offer, in response to this Official Notice of Sale, and shall be binding upon the bidder as if made by a signed, sealed bid delivered to the City. Once the bids are released electronically via PARITY® to the City, each bid will constitute an **IRREVOCABLE** offer to purchase the Bonds on the terms therein provided. The successful bidder must confirm such bid by a signed PARITY® Bid Form and a signed statement of reoffering prices, both delivered by email to the City (at the email specified in "Contacts" at the front of this Official Notice of Sale) no later than one hour after being notified by the City of being the winning bidder, the original of each of which must be received by the City on the following business day at the address shown above. Failure to deliver this written confirmation does not relieve the bidder of the obligation to purchase the Bonds.

#### *REVOCABLE BIDS ARE NOT PERMITTED*

**By submitting a bid for the Bonds, each underwriter certifies it has an established industry reputation for underwriting new issuances of municipal bonds.** The City will not accept bids from firms without an established industry reputation for underwriting new issuances of municipal bonds.

If any provisions of this Official Notice of Sale conflict with information provided by PARITY®, this Official Notice of Sale shall control. The City is not bound by any advice or determination of PARITY® as to whether any bid complies with the terms of this Official Notice of Sale. The time as maintained by PARITY® shall constitute the official time with respect to all bids submitted.

#### *BIDDER CERTIFICATION REGARDING NON-ENGAGEMENT IN A BOYCOTT OF ISRAEL*

By submitting a bid, each bidder shall be deemed to have certified to the City that, to the extent that the award of the Bonds would constitute a "contract with a company to acquire or dispose of service", as described by Tenn. Code Ann. Section 12-4-119, neither the bidder, nor any of its wholly owned subsidiaries, majority-owned subsidiaries, parent companies or affiliates, are currently engaged in nor will they engage in a boycott of Israel through the issue date of the Bonds, as described by Section 12-4-119. For purposes of Section 12-4-119, "boycott of Israel" shall mean engaging in refusals to deal, terminating business activities, or other commercial actions that are intended to limit commercial vii relations with Israel, or companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel to do business, or persons or entities doing business in Israel, when such actions are taken (i) in compliance with, or adherence to, calls for a boycott of Israel, or (ii) in a manner that discriminates on the basis of nationality, national origin, religion, or other unreasonable basis, and is not based on a valid business reason. The winning bidder shall be required to include a written certification to such effect as a condition to the issuance of the Bonds. The provisions of this paragraph shall not apply, and a bidder shall not be required to provide a written certification as provided above, if the bidder's compensation as a result of the purchase of a series of the Bonds is less than \$250,000.

#### *ELIGIBILITY TO BID*

The City does not have a registration requirement for prospective bidders. However, bidders must be contracted customers of the BiDCOMP Competitive Bidding System and should promptly contact PARITY® directly at (212) 849-5021 for information about PARITY®, including its rules and fees, and becoming a contracted customer.

#### *FORM OF BID, INTEREST RATES AND BID PRICES*

All bids must conform to the requirements of this Official Notice of Sale. Bidders must bid to purchase all maturities of the Bonds. No bid will be considered which does not offer to purchase all of the Bonds. Each bid must specify (1) an annual rate of interest for each maturity and (2) a dollar purchase price for the entire issue of the Bonds. The winning bidder must specify reoffering prices or yield for each maturity.

A bidder must specify the rate or rates of interest per annum (with no more than one rate of interest per maturity), which the Bonds are to bear, to be expressed in the coupon rate multiples set forth in the Bidding Parameters Table. Any number of interest rates may be named, but the Bonds of each maturity must bear interest at the same single rate for all bonds of that maturity.

Each bid for the Bonds must meet the minimum and maximum coupon and pricing criteria shown in the Bidding Parameters Table on a maturity and aggregate basis.

Each bidder must specify, as part of its bid, the prices or yields at which all of the Bonds of each maturity will be offered and sold to the public. Reoffering prices presented as a part of the bids will not be used in computing the bidders' true interest cost. As promptly as reasonably possible after bids are received, the City will notify the successful bidder that it is the apparent winner.

#### *AWARD OF BID*

The City expects to award the Bonds to the winning bidder no later than 6:00 p.m. Eastern Time on the Sale Date. Bids may not be withdrawn prior to the award. Unless all bids are rejected, the Bonds will be awarded by the City on the Sale Date to the bidder whose bid complies with this Official Notice of Sale and results in the lowest true interest cost to the City. The lowest true interest cost will be determined in accordance with the True Interest Cost ("TIC") method by doubling the semi-annual interest rate, compounded semi-annually, necessary to discount the debt service payments from the payment dates to the Dated Date of the Bonds and to the aggregate purchase price of the Bonds. If two or more bidders offer to purchase the Bonds at the same lowest TIC, the Bonds may be apportioned between such bidders if it is agreeable to each of the bidders who have offered the price producing the same lowest TIC; provided, that if apportionment is not acceptable to such bidders, the City will have the right to award the Bonds to one of such bidders. There will be no auction.

#### *RIGHT OF REJECTION*

The City expressly reserves the right (i) to waive any informalities, (ii) to reject all bids, any incomplete bid or any bid not fully complying with all of the requirements set forth herein, and (iii) to solicit new bids or proposals for the sale of the Bonds or otherwise provide for the public sale of the Bonds if all bids are rejected or the winning bidder defaults.

## *DELIVERY AND PAYMENT*

Delivery of the Bonds will be made by the City to DTC in book-entry only form in New York, New York on or about the Delivery Date shown in the Bidding Parameters Table, or such other date agreed upon by the City and the successful bidder. Payment for the Bonds must be made in federal funds or other funds immediately available to the City at the time of delivery of the Bonds. Any expenses incurred in providing immediate funds, whether by transfer of federal funds or otherwise, will be borne by the purchaser. The cost of printing the Bonds, if any, will be borne by the City.

## *RIGHT OF CANCELLATION*

The successful bidder will have the right, at its option, to cancel its obligation to purchase if the Registration Agent fails to execute the Bonds and tender the same for delivery within 60 days from the date of sale thereof.

## *NO LITIGATION*

There is no litigation pending concerning the validity of the Bonds, the existence of the City, or the entitlement of the officers thereof to their respective offices, and the successful bidder will be furnished a no-litigation certificate certifying to the foregoing as of and at the time of the delivery of the Bonds.

## *CUSIP NUMBERS*

It is anticipated that CUSIP numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto will constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds. The policies of the CUSIP Service Bureau will govern the assignment of specific numbers to the Bonds. PFM Financial Advisors LLC will request the assignment of CUSIP numbers no later than one business day after dissemination of this Official Notice of Sale in accordance with MSRB Rule G-34. All expenses in relation to the printing of CUSIP numbers on the Bonds will be paid for by the City; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers will be the responsibility of and will be paid for by the successful bidder.

## *BLUE SKY*

The City has not taken any action relating to the requirements of the securities or “blue sky” laws of any jurisdiction with respect to the offer and sale of the Bonds. In addition, the City is aware that certain jurisdictions have filing requirements, which must be satisfied prior to any offer and sale of the Bonds to the public.

## *INITIAL REOFFERING TERMS*

The apparent successful bidder will provide the initial public offering prices to the public (the “Initial Public Offering Prices”) and yields of each maturity of the Bonds (collectively the “Initial Reoffering Terms”) within 30 minutes of receipt of notice that it is the apparent winning bidder.

## *ESTABLISHMENT OF ISSUE PRICE*

The successful bidder shall assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City prior to Closing a certificate acceptable to Bond Counsel setting forth the reasonably expected Initial Public Offering Price, or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit A, with such modifications as may be appropriate or necessary in the reasonable judgment of the successful bidder, the City or Bond Counsel. All actions to be taken by the City under this Notice of Sale

to establish the issue price of the Bonds may be taken on behalf of the City by the Municipal Advisor, and any notice or report to be provided to the City may be provided to the Municipal Advisor.

*Anticipated Compliance with Competitive Sale Requirements.* The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “Competitive Sale Requirements”) because:

- (1) the City shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the City may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the City anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

*Application of the Hold-the-Offering-Price Rule if Competitive Sale Requirements Are Not Satisfied.* In the event that the Competitive Sale Requirements are not satisfied as to the Bonds, the City shall so advise the successful bidder. In such event, the City intends to treat the (i) the first price at which 10% of a maturity of the Bonds (the “10% Test”) is sold to the public as the issue price of that maturity and/or (ii) the initial offering price to the public as of the sale date of any maturity of the Bonds as the issue price of that maturity (the “Hold-the-Offering-Price Rule”), in each case applied on a maturity-by-maturity basis (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity). The winning bidder shall advise the City promptly after the award of the Bonds if any maturities of the Bonds satisfy the 10% Test as of the date and time of the award of the Bonds. The Hold-the-Offering-Price Rule shall apply to all maturities that do not satisfy the 10% Test as of the sale date. Bids will not be subject to cancellation in the event that the Competitive Sale Requirements are not met. Bidders should prepare their bids on the assumption that some or all of the maturities of the Bonds will be subject to the Hold-the-Offering-Price Rule in order to establish the issue price of the Bonds.

By submitting a bid, in the event of application of the Hold-the-Offering-Price Rule, the successful bidder for the Bonds shall be deemed to have (i) confirmed that the underwriters have offered or will offer the Bonds to the public on or before the date of award at the offering price or prices (the “Initial Offering Price”), or at the corresponding yield or yields, set forth in the bid submitted by the successful bidder and (ii) agreed, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the Hold-the-Offering-Price Rule shall apply to any person at a price that is higher than the Initial Offering Price to the public during the period starting on the sale date and ending on the earlier of the following:

1. the close of the fifth (5th) business day after the sale date; or
2. the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the Initial Offering Price to the public.

In the event of application of the Hold-the-Offering-Price Rule to any maturity of the Bonds, any successful bidder will advise the City promptly after the close of the fifth (5<sup>th</sup>) business day after the sale date whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the Initial Offering Price to the public.

By submitting a bid, each bidder confirms that:

(i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (1) to report the prices at which it sells to the public any unsold Bonds of each maturity allocated to it to which the Hold-the-Offering Price Rule applies until the close of the fifth (5<sup>th</sup>) business day after the sale date and (2) comply with the Hold-the-Offering-Price Rule, if applicable, if and for so long as directed by the successful bidder and as set forth in the related pricing wires,

(B) to promptly notify the successful bidder of the Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public, and

(C) to acknowledge that, unless otherwise advised by the underwriter, dealer or broker-dealer, the successful bidder shall assume that each order submitted by the underwriter, dealer or broker-dealer is a sale to the public.

(ii) any agreement among underwriters or selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter or dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity to which the Hold-the-Offering-Price Rule applies allocated to it until the close of the fifth (5<sup>th</sup>) business day after the sale date and (B) comply with the Hold-the-Offering-Price Rule, if applicable, if and for so long as directed by the successful bidder or the underwriter and as set forth in the related pricing wires.

The City acknowledges that, in making the representations set forth above, the successful bidder will rely on (i) the agreement of each underwriter to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the Hold-the-Offering-Price Rule, if applicable to the Bonds, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the Hold-the-Offering-Price Rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with requirements for establishing issue price of the Bonds, including but not limited to, its agreement to comply with the Hold-the-Offering-Price Rule, if applicable to the Bonds, and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds.

Sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

1. “public” means any person other than an underwriter or a related party;
