

PRELIMINARY OFFICIAL STATEMENT DATED FEBRUARY 25, 2026

GENERAL OBLIGATION REFUNDING BONDS TO BE SOLD MARCH 3, 2026, AT 9:30 A.M. C.T.
COUNTY DISTRICT SCHOOL REFUNDING BONDS TO BE SOLD MARCH 3, 2026, AT 10:15 A.M. C.T.

New Issues
Book-Entry Only

Rating: Moody's "Aaa"

In the opinion of Bond Counsel, based on existing law and assuming compliance with certain tax covenants of the County, interest on the Bonds is excludable from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code") and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Bonds may be taken into account for the purpose of computing the federal alternative minimum tax imposed on certain corporations. Under existing law and subject to certain exceptions, the Bonds and the income therefrom will be exempt from all state, county and municipal taxation in the State of Tennessee, except Tennessee franchise and excise taxes. (See "Tax Matters" herein).

WILLIAMSON COUNTY, TENNESSEE

\$23,500,000* GENERAL OBLIGATION REFUNDING BONDS, SERIES 2026
\$11,500,000* COUNTY DISTRICT SCHOOL REFUNDING BONDS, SERIES 2026

Dated: Issue Date

Due: April 1, as shown on the inside cover

Williamson County, Tennessee (the "County") will issue its \$23,500,000* General Obligation Refunding Bonds, Series 2026 (the "General Obligation Bonds") and its \$11,500,000* County District School Refunding Bonds, Series 2026 (the "County District School Bonds" and collectively with the General Obligation Bonds, the "Bonds") in fully registered form, without coupons, and, when issued, the Bonds will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository of the Bonds. Individual purchases of beneficial ownership interest in the Bonds will be made in book-entry form only, in denominations of \$5,000 or multiples thereof through DTC Participants. Interest on the Bonds will be payable semiannually on April 1 and October 1 of each year, commencing October 1, 2026*, calculated on the basis of a 360-day year consisting of twelve 30-day months.

Payments of principal of and interest on the Bonds are to be made to purchasers by DTC through the Participants (as such term is herein defined). Purchasers will not receive physical delivery of Bonds purchased by them. See "The Bonds-Book-Entry-Only System." Principal of and interest on the Bonds are payable by the County to the designated corporate trust office of U.S. Bank Trust Company, National Association, Nashville, Tennessee, as registration and paying agent (the "Registration Agent").

The Bonds are being issued to refund outstanding indebtedness of the County in order to achieve debt service savings. The Bonds are not subject to optional redemption.

The General Obligation Bonds shall be payable from unlimited ad valorem taxes to be levied on all taxable property within the County. For the prompt payment of principal of and interest on the General Obligation Bonds, the full faith and credit of the County are irrevocably pledged.

The County District School Bonds shall be payable from unlimited ad valorem taxes to be levied on all taxable property within the County lying outside the territorial limits of the Franklin Special School District. Subject to the limitations set forth in the preceding sentence, for the prompt payment of principal of and interest on the County District School Bonds, the full faith and credit of the County are irrevocably pledged.

The Bonds are offered when, as and if issued, subject to the approval of the legality by Bass, Berry & Sims PLC, Nashville, Tennessee, Bond Counsel, whose opinions will be delivered with the Bonds. Certain legal matters will be passed upon for the County by Buerger, Moseley & Carson, P.C., counsel to the County. Stephens Inc. is serving as Municipal Advisor to the County. The Bonds, in book-entry form, are expected to be available for delivery through Depository Trust Company in New York, New York, on or about _____, 2026.*

For purposes of compliance with Rule 15c2-12 of the Securities and Exchange Commission, this document, as the same may be supplemented or amended (collectively, the “Official Statement”) by Williamson County, Tennessee (the “County”) from time to time, is an Official Statement with respect to the Bonds described herein that is deemed final by the County as of the date hereof (or of any such supplement or amendment). It is subject to completion with certain information to be established at the time of the sale of the Bonds as permitted by Rule 15c2-12 of the Securities and Exchange Commission.

No dealer, broker, salesman or other person has been authorized by the County or by Stephens Inc. (the “Municipal Advisor”) to give any information or make any representations other than those contained in this Official Statement and, if given or made, such information or representations with respect to the County or the Bonds must not be relied upon as having been authorized by the County or the Municipal Advisor. This Official Statement does not constitute an offer to sell, or solicitation of an offer to buy, any securities other than the securities offered hereby to any person in any jurisdiction where such offer or solicitation of such offer would be unlawful.

This Official Statement should be considered in its entirety and no one factor should be considered more or less important than any other by reason of its position in this Official Statement. Where statutes, reports or other documents are referred to herein, reference should be made to such statutes, reports or other documents for more complete information regarding the rights and obligations of parties thereto, facts and opinions contained therein and the subject matter thereof.

The information and expressions of opinion in this Official Statement are subject to change without notice and neither the delivery of this Official Statement nor any sale made under it shall, under any circumstances, create any implication that there has been no change in the affairs of the County since the date as of which information is given in this Official Statement.

All CUSIP information provided herein is subject to copyright 2014, American Bankers Association. CUSIP® is a registered trademark of the American Bankers Association. CUSIP data herein is provided by CUSIP Global Services (CGS), which is managed on behalf of The American Bankers Association by S&P Capital IQ. This information is not intended to create a database and does not serve in any way as a substitute for the CGS database. CUSIP numbers have been assigned by an independent company not affiliated with the County, the Underwriters, or the Municipal Advisors and are included solely for the convenience of the registered owners of the applicable Bonds. Neither the County, the Underwriters nor the Municipal Advisors are responsible for the selection or uses of these CUSIP numbers, and no representation is made as to their correctness on the applicable Bonds or as included herein. The CUSIP number for a specific maturity is subject to being changed after the execution and delivery of the Bonds as a result of various subsequent actions including, but not limited to, a refunding in whole or in part or as a result of the procurement of secondary market portfolio insurance or other similar enhancement by investors that is applicable to all or a portion of certain maturities of the Bonds.

In making an investment decision investors must rely on their own examination of the County and the terms of the offering, including the merits and risks involved. No registration statement relating to the Bonds has been filed with the Securities and Exchange Commission or with any state securities agency. The Bonds have not been approved or disapproved by the Commission or any state securities agency, nor has the Commission or any state securities agency passed upon the accuracy or adequacy of this Official Statement. Any representation to the contrary is a criminal offense.

NOTICE OF SALE

WILLIAMSON COUNTY, TENNESSEE

\$23,500,000* GENERAL OBLIGATION REFUNDING BONDS, SERIES 2026
\$11,500,000* COUNTY DISTRICT SCHOOL REFUNDING BONDS, SERIES 2026

Notice is hereby given that the County Mayor of Williamson County, Tennessee (the "County") will accept a written bid or electronic bid for the purchase of all, but not less than all, of the County's \$23,500,000* General Obligation Refunding Bonds, Series 2026 (the "General Obligation Bonds") until:

9:30 A.M. C.T. ON MARCH 3, 2026

and a separate written bid or electronic bid for the purchase of all, but not less than all, of the County's \$11,500,000* County District School Refunding Bonds, Series 2026 (the "County District School Bonds" and together with the General Obligation Bonds, the "Bonds") until:

10:15 A.M. C.T. ON MARCH 3, 2026

Written bids must be addressed and delivered to the County to the attention of the County Mayor, 1320 W. Main Street, Suite 125, Franklin, Tennessee 37064. Electronic bids must be submitted to PARITY® via the BiDCOMP Competitive Bidding System. No other form of bid or provider of electronic bidding services will be accepted. Such bids are to be publicly opened and read at such time and place on said day. For the purposes of both the written sealed bid process and the electronic bidding process, the time as maintained by BiDCOMP/PARITY® shall constitute the official time with respect to all bids submitted. If any provisions of this Notice of Sale conflict with information provided by BiDCOMP/PARITY® as the approved provider of electronic bidding services, this Notice of Sale shall control. ***The sale of all or any series of the Bonds on March 3, 2026 may be postponed prior to the time bids are to be received and as published on I-dealProspectus.com. If such postponement occurs, a later public sale may be held at the hour and place and on such date as communicated via I-dealProspectus.com upon forty-eight hours notice.***

The Bonds will be dated the date of delivery. The interest rate or rates on the Bonds shall not exceed 5% per annum and shall be payable semi-annually on April 1 and October 1, commencing October 1, 2026. No bid for the General Obligation Bonds or the County District School Bonds will be considered for less than 99% of par nor more than 120% of par. In addition, each maturity of Bonds must be reoffered at a price of not less than 98% of the par amount of such maturity. The General Obligation Bonds and the County District School Bonds will each mature on April 1 in the years 2027 through 2035 and 2027 through 2036, respectively, with term bonds optional, and will be awarded on the sale date by the County Mayor to the bidder whose bid results in the lowest true interest cost on such series of Bonds. After opening the bids, the County reserves the right to adjust the principal amount of each maturity of either series of Bonds as described in the Detailed Notice of Sale.

The General Obligation Bonds and the County District School Bonds are not subject to redemption at the option of the County prior to maturity.

In the event that the competitive sale requirements of applicable Treasury Regulations are not met, the County will require bidders to comply with the "hold-the-offering-price rule" for purposes of determining the issue price of the Bonds.

The Bonds and approving opinions of Bass, Berry & Sims PLC, Nashville, Tennessee, will be furnished at the expense of the County. Additional information, including the Official Statement and Detailed Notice of Sale, may be obtained from the undersigned at the office of the Director of Accounts & Budgets, 1320 W. Main Street, Franklin, Tennessee 37064 or from Stephens Inc. Attention: Sam Crewse, One American Center, 3100 West End Avenue, Suite 630, Nashville, Tennessee 37203, Telephone: (615) 279-4336; Fax: (615) 279-4351.

DETAILED NOTICE OF SALE

WILLIAMSON COUNTY, TENNESSEE

\$23,500,000* GENERAL OBLIGATION REFUNDING BONDS, SERIES 2026
\$11,500,000* COUNTY DISTRICT SCHOOL REFUNDING BONDS, SERIES 2026

Time and Place of Sale

Notice is hereby given that the County Mayor of Williamson County, Tennessee (the “County”) will accept a written bid or electronic bid for the purchase of all, but not less than all, of the \$23,500,000* General Obligation Refunding Bonds, Series 2026 (the “General Obligation Bonds”) until:

9:30 A.M. C.T. ON MARCH 3, 2026

and a separate written bid or electronic bid for the purchase of all, but not less than all, of the County's \$11,500,000* County District School Refunding Bonds, Series 2026 (the “County District School Bonds”) until:

10:15 A.M. C.T. ON MARCH 3, 2026

The General Obligation Bonds and the County District School Bonds are sometimes collectively referred to herein as the “Bonds”.

The written bids must be addressed and delivered to the County to the attention of the County Mayor, 1320 W. Main Street, Suite 125, Franklin, Tennessee 37064. Electronic bids must be submitted to PARITY® via the BiDCOMP Competitive Bidding System. No other form of bid or provider of electronic bidding services will be accepted. Such bids are to be publicly opened and read at such time and place on said day. For the purposes of both the written sealed bid process and the electronic bidding process, the time as maintained by BiDCOMP/PARITY® shall constitute the official time with respect to all bids submitted. If any provisions of this Notice of Sale conflict with information provided by BiDCOMP/PARITY® as the approved provider of electronic bidding services, this Notice of Sale shall control. *The sale of all or any series of the Bonds on March 3, 2026 may be postponed prior to the time bids are to be received and as published on I-dealProspectus.com. If such postponement occurs, a later public sale may be held at the hour and place and on such date as communicated via I-dealProspectus.com upon forty-eight hours notice.* The Bonds will be awarded on such date by the County Mayor of the County.

[remainder of page intentionally left blank]

Description of Bonds

The Bonds will be issued in fully registered, book-entry form (except as otherwise provided herein), without coupons, be dated the date of delivery, be issued, or reissued upon transfer, in \$5,000 denominations or multiples thereof, as shall be requested by the purchaser or transferor thereof, as appropriate, and will mature and be payable on April 1 of each year as follows:

<u>Year (April 1)</u>	<u>General Obligation Bonds*</u>	<u>County District School Bonds*</u>
2027	\$5,450,000	\$640,000
2028	5,200,000	670,000
2029	4,380,000	710,000
2030	2,750,000	730,000
2031	1,050,000	770,000
2032	1,100,000	1,670,000
2033	1,140,000	1,720,000
2034	1,200,000	1,800,000
2035	1,230,000	1,860,000
2036		930,000

Purpose and Authority of Bonds

The General Obligation Bonds are being issued to refund the County's General Obligation School Bonds, Series 2015A, maturing April 1, 2027 through April 1, 2035; General Obligation School and Public Improvement Bonds, Series 2015B, maturing April 1, 2027 through April 1, 2030; and General Obligation Refunding Bonds, Series 2016A, maturing April 1, 2027 through April 1, 2029; and to pay issuance costs.

The County District School Bonds are being issued to refund the County's County District School Bonds, Series 2015A, maturing April 1, 2027 through April 1, 2035; County District School Bonds, Series 2016B, maturing April 1, 2032 through April 1, 2036; and to pay issuance costs.

The Bonds are being issued under the constitution and statutes of the State of Tennessee, including Sections 9-21-101 et seq., Tennessee Code Annotated, and pursuant to resolutions duly adopted by the Board of County Commissioners of the County on February 9, 2026.

Registration and Depository Participation

The Bonds will be issued by means of a book-entry system with no physical distribution of bond certificates made to the public. One Bond certificate for each maturity of each series of Bonds will be issued to the Depository Trust Company, New York, New York ("DTC"), and immobilized in its custody. The book-entry system will evidence beneficial ownership interests of the Bonds in the principal amount of \$5,000 and any integral multiple of \$5,000, with transfers of beneficial ownership interest effected on the records of DTC participants and, if necessary, in turn by DTC pursuant to rules and procedures established by DTC and its participants. The successful bidder, as a condition to delivery of the Bonds, shall be required to deposit the Bond certificates with DTC, registered in the name of Cede & Co., nominee of DTC. Interest on the Bonds will be payable semiannually on April 1 and October 1, beginning October 1, 2026, and principal of the Bonds will be payable, at maturity or upon redemption, to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC, and transfer of principal and interest payments to beneficial owners of the Bonds by Participants of DTC, will be the responsibility of such participants and of the nominees of beneficial owners. The County will not be responsible or liable for such transfer of payments or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

In the event that the book-entry only system for the Bonds is discontinued and a successor securities depository is not appointed by the County, Bond Certificates in fully registered form will be delivered to, and registered in the names of, the DTC Participants or such other persons as such DTC participants may specify (which may be the indirect participants or beneficial owners), in authorized denominations of \$5,000 or integral multiples thereof. In addition, if the successful bidder for the Bonds certifies that it has no present intent to reoffer the Bonds, the Bonds may be issued in fully registered form only. The ownership of Bonds so delivered shall be registered in registration books to be kept by U.S. Bank Trust Company, National Association, Nashville, Tennessee, as registration and paying agent (the "Registration Agent"), at its designated corporate office, and the County and the Registration Agent shall be entitled to treat the registered owners of the Bonds, as their names appear in such registration books as of the appropriate dates, as the owners thereof for all purposes described herein and in the resolution authorizing the Bonds.

Optional Redemption

The General Obligation Bonds and the County District School Bonds are not subject to redemption prior to maturity at the option of the County.

Designation of Term Bonds

The successful bidder for each series of Bonds shall have the option to designate certain consecutive serial maturities of such Bonds as one or more Term Bonds, each Term Bond bearing a single interest rate. If a successful bidder designates certain consecutive serial maturities to be combined into one or more Term Bonds, each Term Bond shall be subject to mandatory sinking fund redemption by the County at a redemption price equal to 100% of the principal amount thereof, together with accrued interest to the date fixed for redemption at the rate stated in the Term Bonds to be redeemed. Each such mandatory sinking fund redemption shall be made on the date on which a consecutive maturity included as part of a Term Bond is payable in accordance with the proposal of the successful bidder for the Bonds and in the amount of the maturing principal installment for the Bonds listed above for such principal payment date.

Security and Sources of Payment

The General Obligation Bonds are payable from unlimited ad valorem taxes to be levied on all taxable property within the County. For the prompt payment of principal of and interest on the General Obligation Bonds, the full faith and credit of the County are pledged.

The County District School Bonds are payable from unlimited ad valorem taxes to be levied on all taxable property within the County lying outside the territorial limits of the Franklin Special School District. Subject to the limitations set forth in the preceding sentence, for the prompt payment of principal of and interest on the County District School Bonds, the full faith and credit of the County are irrevocably pledged.

Under Tennessee law, the County's legislative body is authorized to levy a tax on all taxable property within the County, or a portion thereof, without limitation as to rate or amount, and a referendum is neither required nor permitted to set the rate or amount. For a more complete statement of the general covenants and provisions to which the Bonds are issued, reference is hereby made to the resolutions authorizing the Bonds.

Submission of Bid

All bids submitted, electronic or otherwise, must be submitted as set forth under the heading “**Time and Place of Sale**”, set forth above.

A separate written bid for the General Obligation Bonds and the County District School Bonds must be enclosed in a sealed envelope bearing the name and address of the bidder, clearly and legibly marked on the outside “Bid for General Obligation Bonds,” and “Bid for County District School Bonds,” respectively, and addressed and delivered to the following address:

Office of the County Mayor
1320 W. Main Street, Suite 125
Franklin, Tennessee 37064

Written bids must be submitted on the applicable Bid Form included with the Preliminary Official Statement or on a reasonable facsimile thereof. Electronic bids for either series of Bonds must be submitted to PARITY® via the BiDCOMP Competitive Bidding System. An electronic bid made through the facilities of BiDCOMP/PARITY® shall be deemed an offer to purchase in response to the Notice of Sale and shall be binding upon the bidder as if made by a signed sealed written bid made to the County. To the extent any instructions or directions set forth in BiDCOMP/PARITY® conflict with the terms of the Detailed Notice of Sale, the Detailed Notice of Sale shall prevail. The County shall not be responsible for any malfunction or mistake made by or as a result of the use of electronic bidding facilities. The use of such facilities is at the sole risk of the bidders. Subscription to I-Deal's BiDCOMP/PARITY® Competitive Bidding System by a bidder is required in order to submit an electronic bid. The County will not confirm any subscription or be responsible for the failure of any prospective bidder to subscribe. Both written bids and electronic bids must be unconditional and received by the office of the County Mayor and/or BiDCOMP/PARITY®, respectively, before the time stated above. Bidders shall be required to comply with the provisions regarding a Good Faith Deposit as described below in the section entitled “Good Faith Deposit”. The County is not liable for any costs incurred in the preparation, delivery, acceptance or rejection of any bid, including, without limitation, the providing of a bid security deposit. Bidders may submit bids for any or all series of the Bonds but bids for each series of Bonds must be submitted separately and will be evaluated and awarded separately.

Form of Bids

General Obligation Bonds - All bids for the General Obligation Bonds must be for not less than all of the General Obligation Bonds. Bidders must bid not less than 99% of par nor greater than 120% of par for the General Obligation Bonds. Bidders must specify the interest rate or rates the General Obligation Bonds are to bear in multiples of one-hundredth (1/100th) or one-eighth (1/8th) of one percent (1%), but no rate specified for the General Obligation Bonds shall be in excess of 5% per annum. There will be no limitation on the number of rates of interest which may be specified for the General Obligation Bonds, but one rate of interest shall apply to all the General Obligation Bonds of a maturity. In addition, each maturity of the General Obligation Bonds must be reoffered at a price of not less than 98% of the par amount of such maturity. Bidders may designate two or more consecutive serial maturities as one or more Term Bond maturities equal in aggregate principal amount to, and with mandatory redemption requirements corresponding to, such designated serial maturities. Bidders must specify the reoffering prices or yields of each maturity.

County District School Bonds – All bids for the County District School Bonds must be for not less than all of the County District School Bonds. Bidders must bid not less than 99% of par nor greater than 120% of par for the County District School Bonds. Bidders must specify the interest rate or rates the County District

School Bonds are to bear in multiples of one-one hundredth (1/100) or one-eighth (1/8th) of one percent (1%), but no rate specified for the County District School Bonds shall be in excess of 5% per annum. There will be no limitation on the number or rates of interest which may be specified for the County District School Bonds, but one rate of interest shall apply to all the County District School Bonds of a maturity. In addition, each maturity of County District School Bonds must be reoffered at a price of not less than 98% of the par amount of such maturity. Bidders may designate two or more consecutive serial maturities as one or more Term Bond maturities equal in aggregate principal amount to, and with mandatory redemption requirements corresponding to, such designated serial maturities. Bidders must specify the reoffering prices or yields of each maturity.

Revised Maturity Schedule and/or Bid Parameters

The aggregate principal amount of each series of the Bonds (the “Preliminary Aggregate Principal Amount”) and the annual principal amounts of each series of the Bonds (the “Preliminary Annual Principal Amounts” and collectively, with reference to the Preliminary Aggregate Principal Amounts, the “Preliminary Amounts”) set forth in this Detailed Notice of Sale may be revised before the viewing of bids for the purchase of the Bonds, as may the bid parameters set forth herein. Any such revisions (in case of revised principal amounts, the “Revised Aggregate Principal Amount”, the “Revised Annual Principal Amounts” and the “Revised Amounts”) WILL BE GIVEN BY NOTIFICATION PUBLISHED ON www.LdealProspectus.com NOT LATER THAN 4:00 P.M., C.T. ON THE DAY PRECEDING THE RECEIPT OF BIDS. In the event that no such revisions are made, the Preliminary Amounts will constitute the Revised Amounts and will remain as stated in this Detailed Notice of Sale, and the bid parameters shall remain as set for the herein. BIDDERS SHALL SUBMIT BIDS BASED ON THE REVISED AMOUNTS AND BID PARAMETERS, IF ANY. Prospective bidders may request notification by facsimile transmission of any revisions in the Preliminary Amounts and bid parameters by so advising and faxing their telecopier number(s) to Stephens Inc., Municipal Advisor to the County, at (615) 279-4351 by 12:00 Noon, C.T., at least one day prior to the date for receipt of the bids.

Changes to Maturity Schedule

The County intends, but is not obligated, to adjust the Revised Aggregate Principal Amount of each series of Bonds and the Revised Annual Principal Amount of each series of Bonds in such manner as to produce uniform savings throughout the term thereof. The County reserves the right to change the Revised Aggregate Principal Amount of each series of Bonds and the Revised Annual Principal Amounts of each series of Bonds after determination of the winning bidder(s), by increasing or decreasing such Revised Annual Principal Amounts by up to 35%. The maximum amount of General Obligation Bonds will not exceed \$25,000,000. The maximum amount of County District School Bonds will not exceed \$15,000,000. No changes beyond those disclosed above will be made without the consent of the applicable Successful Bidder. Such changes, if any, will determine the final annual principal amount of each maturity of each series of Bonds (the “Final Annual Principal Amounts”) and the final aggregate principal amount of each series of Bonds (the “Final Aggregate Principal Amount”). The dollar amount bid by the successful bidder for each series of Bonds will be adjusted to reflect any adjustments in the Final Aggregate Principal Amount of such series of Bonds. The interest rates specified by the successful bidder for the various maturities at the initial reoffering prices will not change. A SUCCESSFUL BIDDER MAY NOT WITHDRAW ITS BIDS OR CHANGE THE INTEREST RATES BID OR THE INITIAL REOFFERING PRICES AS A RESULT OF ANY CHANGES MADE TO THE PRINCIPAL AMOUNTS WITHIN THESE LIMITS.

The County anticipates that the Final Annual Principal Amounts of each series of Bonds and the Final Aggregate Principal Amount of each series of Bonds will be communicated to the successful bidder(s) prior to the award of such Bonds. THE DOLLAR AMOUNT BID BY EACH SUCCESSFUL BIDDER FOR THE PURCHASE OF THE BONDS WILL BE ADJUSTED TO REFLECT ANY CHANGE IN THE

ANNUAL PRINCIPAL AMOUNTS BASED UPON THE ASSUMPTION THAT THE COUPON RATES, REOFFERING PRICES, AND THE UNDERWRITER'S DISCOUNT (EXCLUDING ORIGINAL ISSUE DISCOUNT/PREMIUM) STATED AS A PERCENTAGE OF THE AGGREGATE PRINCIPAL AMOUNT, AS SPECIFIED BY SUCH SUCCESSFUL BIDDER, WILL NOT CHANGE.

Basis of Award

If an award is made, each series of Bonds will be awarded to the bidder whose bid results in the lowest true interest cost to the County for such series of Bonds as determined by reference to the Revised Aggregate Principal Amounts, prior to post-sale adjustments, as discussed in the paragraph above. The lowest true interest cost of each series of Bonds will be calculated as that rate which when used in computing the present worth of all payments of principal and interest on such series of Bonds (compounded semi-annually from the dated date of such Bonds) produces a value equal to the purchase price of such Bonds. For the purpose of calculating the true interest cost, the principal amount of Term Bonds scheduled for mandatory sinking fund redemption as part of a Term Bond shall be treated as a serial maturity in each year. Each bidder is required to specify its calculation of the true interest cost resulting from its bid, but such information shall not be treated as part of its proposal.

In the event that two or more of the bidders offer to purchase a series of Bonds at the same lowest true interest cost, the County Mayor shall determine in his sole discretion which of the bidders shall be awarded such series of Bonds.

The County Mayor reserves the right to waive any irregularity or informality in any bid, and to reject any or all bids, and notice of rejection of any bid will be made promptly. Unless all bids are rejected, award of both series of Bonds will be made by the County Mayor on the sale date.

Good Faith Deposit

The successful bidder is required to submit, in the manner described below, a good faith deposit (the "Deposit") in the amount of \$235,000 for the General Obligation Bonds and \$115,000 for the County District School Bonds to secure the faithful performance of the terms of the bid to purchase a series of the Bonds. The Deposit will be delivered to the County by wire transfer or certified check for the prescribed amount. The Deposit may be provided in the form of:

1. **Federal Funds Wire Transfer.** A federal funds wire transfer submitted to the County or the County's Municipal Advisor by the successful bidder by 2:00 p.m. C.T. on the day of the sale provided the County awards the bid by 12:00 noon C.T. otherwise the wire shall be received not later than 11:00 a.m. C.T. on the next business day following the award. The County Mayor reserves the right to adjust the time the deposit is to be received if there are problems with electronic transfers of funds or other acceptable reasons.
2. **Certified Check.** A bank certified check, bank cashier's check or a treasurer's check drawn upon an incorporated bank or trust company payable unconditionally to the order of the County. If a check is used, it must accompany a bid and be received by the time and date bids are required. If the successful bidder's Deposit is by check, the check will be deposited on the date of the sale.

In the event the successful bidder fails to timely submit the Deposit, the award may be terminated by the County Mayor, and the County Mayor in his discretion may award the applicable series of Bonds to the bidder whose bid results in the next lowest true interest cost to the County as the lowest complying bidder or hold a subsequent sale of such series of Bonds. The County shall have no liability to any bidder who fails to properly submit a Deposit.

The Deposit of the successful bidder will be deposited by the County and the proceeds thereof credited with no interest allowed thereon against the total purchase price to be paid for the applicable series of Bonds upon their delivery or retained as and for full liquidated damages if the successful bidder fails to accept delivery of and pay for such Bonds. Checks of unsuccessful bidders will be returned promptly upon the award of the applicable Bonds. If a successful bidder fails to timely make the Deposit for a series of Bonds, the award may be terminated in the discretion of the County Mayor and the County shall be entitled to an amount equal to the Deposit as liquidated damages for failure of the successful bidder to comply with the terms of the award of such Bonds.

CUSIP

The County's municipal advisor will request that the CUSIP Service Bureau assign CUSIP identification numbers to the Bonds, which numbers will be printed on the Bonds. The winning bidder(s) will be responsible for the costs of assigning CUSIP numbers to the Bonds. Neither the failure to print a CUSIP number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with this Detailed Notice of Sale.

Bidder Certification Regarding Non-Engagement in a Boycott of Israel

By submitting a bid, each bidder shall be deemed to have certified to the Issuer that, to the extent that the award of the Bonds would constitute a "contract with a company to acquire or dispose of service", as described by Tenn. Code Ann. Section 12-4-119, neither the bidder, nor any of its wholly owned subsidiaries, majority-owned subsidiaries, parent companies or affiliates, are currently engaged in nor will they engage in a boycott of Israel through the issue date of the Bonds, as described by Section 12-4-119. For purposes of Section 12-4-119, "boycott of Israel" shall mean engaging in refusals to deal, terminating business activities, or other commercial actions that are intended to limit commercial relations with Israel, or companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel to do business, or persons or entities doing business in Israel, when such actions are taken (i) in compliance with, or adherence to, calls for a boycott of Israel, or (ii) in a manner that discriminates on the basis of nationality, national origin, religion, or other unreasonable basis, and is not based on a valid business reason. The winning bidder shall be required to include a written certification to such effect as a condition to the issuance of the Bonds.

Bidder Certification Regarding Compliance with Iran Divestment Act

By submitting a bid, each bidder shall be deemed to have certified to the Issuer that it is not on the list created pursuant to Tennessee Code Annotated Section 12-12-106 (the "Iran Divestment Act List"). Such Iran Divestment Act List (i) provides a listing of persons determined to be engaging in investment activities in Iran, as described in Tennessee Code Section 12-12-105, and (ii) can be found online on the State's website

https://www.tn.gov/content/dam/tn/generalservices/documents/cpo/library/2025/List_of_persons_pursuant_to_Tenn._Code_Ann._12-12-106_Iran_Divestment_Act_updated_with_NY04_15.2025.pdf.

Tennessee Code Annotated Section 12-12-105 provides that "a person engages in investment activities in Iran if: (1) [t]he person provides goods or services of twenty million dollars (\$20,000,000) or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or (2) [t]he person is a financial institution that extends twenty million dollars (\$20,000,000) or more in credit to another person, for forty-five (45) days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list, created pursuant to Tennessee Code

Annotated Section 12-12-106, as a person engaging in investment activities in Iran as described in this section.”

Establishment of Issue Price

General. The winning bidder(s) shall assist the County in establishing the issue price of each series of Bonds as more fully described herein. All actions to be taken by the County under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the County by the County’s municipal advisor identified herein and any notice or report to be provided to the County may be provided to the County’s municipal advisor.

Anticipated Compliance with Competitive Sale Requirements. The County anticipates that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of each series of Bonds (the “competitive sale requirements”) because:

- the County shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- all bidders shall have an equal opportunity to bid;
- the County expects to receive bids for each series of Bonds from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- the County anticipates awarding the sale of each series of Bonds to the bidder who submits a firm offer to purchase such series of Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

County Intention to Apply the Hold-the-Offering-Price Rule if Competitive Sale Requirements are not Met. In the event that the competitive sale requirements are not satisfied with respect to a series of Bonds, the County intends to treat the initial offering prices of such series of Bonds to the public as the issue price of such Bonds (the “hold-the-offering-price rule”), in each case applied on a maturity-by-maturity basis (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity).

Application of the Hold-the-Offering-Price Rule. If the competitive sale requirements are not satisfied with respect to a series of Bonds, then the winning bidder shall (i) confirm that the underwriters have offered or will offer such Bonds to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of such Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity of such series to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- the close of the fifth (5th) business day after the sale date; or
- the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the County when the underwriters have sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language

obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

The County acknowledges that, in making the agreements and representations set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The County further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

Definitions. Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- “public” means any person other than an underwriter or a related party,
- “underwriter” means (A) any person that agrees pursuant to a written contract with the County (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),
- a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- “sale date” means the date that the Bonds are awarded by the County to the winning bidder.

Issue Price Certificate. The winning bidder will be required to provide the County, at closing, with an issue price certificate consistent with the foregoing. A form of the issue price certificate is set forth below.

**[\$[PRINCIPAL AMOUNT] [BOND CAPTION]
ISSUE PRICE CERTIFICATE**

The undersigned, on behalf of [NAME OF UNDERWRITER] (“_____”), hereby certifies as set forth below with respect to the sale of the above-captioned obligation (the “Bonds”).

[Assuming the Qualified Competitive Sale Requirements Are Satisfied]

1. Reasonably Expected Initial Offering Price.

(a) As of the Sale Date, the reasonably expected initial offering prices of the Bonds to the Public by _____ are the prices listed below (the “Expected Offering Prices”). The Expected Offering Prices are the prices for the Maturities of the Bonds used by _____ in formulating its bid to purchase the Bonds. Attached as Exhibit A is a true and correct copy of the bid provided by _____ to purchase the Bonds.

(b) _____ was not given the opportunity to review other bids prior to submitting its bid.

(c) The bid submitted by _____ constituted a firm offer to purchase the Bonds.

[End]

***[Assuming the Qualified Competitive Sale Requirements Are Not Satisfied
and the Hold-the-Offering-Price Rule Applies to Certain Maturities of the Bonds]***

2. Initial Offering Price of the Hold-the-Offering-Price-Maturities.

(a) _____ offered the following maturities of the Bonds (the “Hold-the-Offering-Price Maturities”) to the Public for purchase at the respective initial offering prices listed below (the “Initial Offering Prices”) on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Bonds is attached to this Certificate as Exhibit A.

(b) As set forth in the Detailed Notice of Sale for the Bonds, _____ has agreed in writing that, for each Maturity of the Hold-the-Offering-Price Maturities, it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period (as defined below) for such Maturity, nor would it permit a related party to do so. Pursuant to such agreement, _____ has neither offered nor sold any Maturity of the Hold-the-Offering-Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity of the Bonds during the Holding Period. As used in this paragraph, the term “Holding Period” means the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date, or (ii) the date on which at least 10% of such Hold-the-Offering-Price Maturity has been sold to the Public at a price that is no higher than the Initial Offering Price for such Hold-the-Offering-Price Maturity.

[End]

2. Defined Terms.

(a) County means Williamson County, Tennessee.

(b) Maturity means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.

(c) Public means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this Certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(d) Sale Date means the first day on which there is a binding contract in writing for the sale or exchange the Bonds. The Sale Date of the Bonds is _____, 2026.

(e) Underwriter means (i) any person that agrees pursuant to a written contract with the County (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents _____’s interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the County with respect to certain of the representations set forth in the Tax Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by bass, Berry & Sims PLC in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the County from time to time relating to the Bonds.

Dated: [Issue Date]

[UNDERWRITER], as Underwriter

By: _____

Name: _____

Official Statement

The County will provide or cause to be provided, to the respective successful bidder, either in electronic format or printed copies, the final official statement sufficient in quantity to enable the respective successful bidder to comply with SEC Rule 15c2-12 and the rules of the Municipal Securities Rulemaking Board. Said final official statements will be provided to the respective successful bidder not later than seven business days after the sale, or, if the County, or its Municipal Advisor, is notified that any confirmation requesting payment from any customer will be sent before the expiration of such period and specifying the date such confirmation will be sent the final official statements will be provided in sufficient time to accompany such confirmation.

Continuing Disclosure

The County will, at the time the Bonds are delivered, execute a Continuing Disclosure Certificate in which it will covenant for the benefit of holders and beneficial owners of the Bonds to provide certain financial information and operating data relating to the County not later than twelve months after each of the County's fiscal years (the "Annual Report"), and to provide timely notice of the occurrence of certain enumerated events and timely notice of failure to provide any required financial information of the County. The Annual Report (and audited financial statements, if filed separately) and notices described above will be filed by the County with the Municipal Securities Rulemaking Board ("MSRB") at www.emma.msrb.org and with any State Information Depository established in the State of Tennessee (the "SID"). The specific nature of the information to be contained in the Annual Report or the notices of events will be summarized in the County's official statement to be prepared and distributed in connection with the sale of the Bonds.

Legal Opinion and Transcript

The book-entry Bonds and the approving opinions of Bass, Berry & Sims PLC, Nashville, Tennessee, Bond Counsel (which will be delivered with the Bonds), together with the Bond transcript, including a certificate as to no litigation from the County dated as of the date of the delivery of the Bonds, will be furnished to the successful bidder(s) at the expense of the County. As set forth in the Official Statement and subject to the limitations set forth therein, bond counsel's opinion will include an opinion that interest on the Bonds will be (i) excludable from gross income for federal income tax purposes as it relates to the Bonds; and (ii) is not an item of tax preference for purposes of the federal alternative minimum tax, except for certain corporations, as more fully described in the official statement. Owners of the Bonds, however, may be subject to certain additional taxes or tax consequences arising with respect to ownership of the Bonds. For a discussion thereof, reference is hereby made to the Official Statement and the forms of opinions contained therein.

Delivery and Payment

The Bonds are expected to be ready for delivery within 28 days after the sale thereof, in book-entry form. At least five days' notice will be given to the successful bidder(s). Delivery will be made through the Depository Trust Company, New York, New York at the expense of the purchaser. Payment for the Bonds must be made in federal funds or other immediately available funds.

Further Information

Copies of the Preliminary Official Statement may be obtained from the undersigned at the office of the County's Director of Accounts & Budgets, 1320 W. Main Street, Franklin, Tennessee 37064, or from Stephens Inc., Attn: Sam Crewse, One American Center, 3100 West End Avenue, Suite 630, Nashville, Tennessee 37203, Telephone: (615) 279-4336 or (615) 279-4338; Fax: (615) 279-4351.

WILLIAMSON COUNTY, TENNESSEE

**\$23,500,000* GENERAL OBLIGATION REFUNDING BONDS, SERIES 2026
OFFICIAL BID FORM**

The Honorable Rogers C. Anderson
County Mayor
1320 W. Main Street, Suite 125
Franklin, Tennessee 37064

March 3, 2026

For your legally issued, properly executed Williamson County, Tennessee (the "County") \$23,500,000* General Obligation Refunding Bonds, Series 2026 (the "Bonds") and in all respects to be as more fully outlined in your Detailed Notice of Sale, which by reference is made a part hereof, we will pay you a sum of \$_____.

The Bonds will be dated the date of issuance, will mature on April 1 as shown below, and shall bear interest at the following rates:

<u>Maturity (April 1)*</u>	<u>Amount*</u>	<u>Interest Rate</u>	<u>Reoffering Price</u>	<u>Maturity (April 1)*</u>	<u>Amount*</u>	<u>Interest Rate</u>	<u>Reoffering Price</u>
2027	\$5,450,000	_____%	_____%	2032	\$1,100,000	_____%	_____%
2028	5,200,000	_____	_____	2033	1,140,000	_____	_____
2029	4,380,000	_____	_____	2034	1,200,000	_____	_____
2030	2,750,000	_____	_____	2035	1,230,000	_____	_____
2031	1,050,000	_____	_____				

Principal of and interest on the Bonds will be payable at the principal corporate trust office of U.S. Bank Trust Company, National Association, Nashville, Tennessee.

This bid is made with the understanding that the County will furnish without cost to the successful bidder the unqualified approving opinion of Bass, Berry & Sims PLC, Attorneys, Nashville, Tennessee, and the executed Bonds. We have exercised the option to designate two or more consecutive serial maturities as Term Bonds as set forth below:

<p align="center">Term Bond 1, due April 1, _____ includes the following maturities: From April 1, _____ to April 1, _____.</p> <p align="center">Term Bond 2, due April 1, _____ includes the following maturities: From April 1, _____ to April 1, _____.</p>

Firm Name	
-----------	--

In accordance with the terms of the Detailed Notice of Sale, we have or will make a good faith deposit for \$235,000 as set forth in the Detailed Notice of Sale, which is to be applied in accordance with the Detailed Notice of Sale. The good faith deposit may be provided in the form of:

- 1. Federal Funds Wire Transfer.** A federal funds wire transfer submitted to the County or the County's Municipal Advisor by the successful bidder by 2:00 p.m. C.T. on the day of the sale provided the County awards the bid by 12:00 noon C.T. otherwise the wire shall be received not later than 11:00 a.m. C.T. on the next business day following the award. The County Mayor reserves the right to adjust the time the deposit is to be received if there are problems with electronic transfers of funds or other acceptable reasons.

2. **Certified Check.** A bank certified check, bank cashier’s check or a treasurer’s check drawn upon an incorporated bank or trust company payable unconditionally to the order of the County. If a check is used, it must accompany a bid and be received by the time and date bids are required. If the successful bidder’s Deposit is by check, the check will be deposited on the date of the sale.

If a successful bidder fails to timely make the Deposit for a series of Bonds, the award may be terminated in the discretion of the County Mayor and the County shall be entitled to an amount equal to the Deposit as liquidated damages for failure of the successful bidder to comply with the terms of the award of such Bonds. The County Mayor in his discretion may award the Bonds to the bidder whose bid results in the next lowest true interest cost to the County as the lowest complying bidder or hold a subsequent sale of the Bonds. The County shall have no liability to any bidder who fails to properly submit a Deposit.

In the event this bid is accepted and should for any reason we fail to comply with the terms of this bid, said deposit will be forfeited by us as full liquidated damages; otherwise, said deposit will be credited against the purchase price of the Bonds at closing. In the event the County Mayor fails to deliver the Bonds to us as described in the Detailed Notice of Sale, said deposit will be returned to us.

Accepted this ____ day of _____, 2026

Respectfully submitted,

County Mayor

- SETTLEMENT DATE**..... _____, 2026* (use for bidding purposes).

- OPTIONAL REDEMPTION**..... The Bonds are not subject to optional redemption prior to maturity.

RATING..... “Aaa” by Moody’s Investors Service (“Moody’s”) based on documents and other information provided by the County. The rating reflects only the view of Moody’s and neither the County, the Municipal Advisor nor the Underwriters make any representations as to the appropriateness of such rating.

There is no assurance that such rating will continue for any given period of time or that it will not be lowered or withdrawn. Any such downward change in or withdrawal of the rating may have an adverse effect on the secondary market price of the Bonds. Any explanation of the significance of the ratings may be obtained from Moody’s. See “Rating” herein.

TAX MATTERS In the opinion of Bond Counsel, based on existing law and assuming compliance with certain tax covenants of the County, interest on the Bonds is excludable from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”) and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Bonds may be taken into account for the purpose of computing the federal alternative minimum tax imposed on certain corporations. Under existing law and subject to certain exceptions, the Bonds and the income therefrom will be exempt from all state, county and municipal taxation in the State of Tennessee, except Tennessee franchise and excise taxes. (See “Tax Matters” herein).

Official Statement

Williamson County, Tennessee

\$23,500,000* General Obligation Refunding Bonds, Series 2026 \$11,500,000* County District School Refunding Bonds, Series 2026

Introduction

The Official Statement, including the cover page and appendices hereto, is furnished in connection with the issuance by Williamson County, Tennessee (the “County”) of \$23,500,000* General Obligation Refunding Bonds, Series 2026 (the “General Obligation Bonds”) and \$11,500,000* County District School Refunding Bonds, Series 2026 (the “County District School Bonds” and together with the General Obligation Bonds, the “Bonds”).

The Bonds are issuable under and in full compliance with the constitution and statutes of the State of Tennessee, including Sections 9-21-101 et seq., Tennessee Code Annotated, and pursuant to resolutions adopted by the Board of County Commissioners of the County on February 9, 2026 (the “Resolutions”) authorizing the execution, terms, issuance and sale of the Bonds.

This Official Statement includes descriptions of, among other matters, the Bonds, the Resolutions, and the County. Such descriptions and information do not purport to be comprehensive or definitive. All references to the Resolutions are qualified in their entirety by reference to the definitive document, including the form of the Bonds included in the Resolutions. During the period of the offering of the Bonds, copies of the Resolutions and any other documents described herein or in the Resolutions may be obtained from the County. After delivery of the Bonds, copies of such documents will be available for inspection at the County Mayor's office. All capitalized terms used in this Official Statement and not otherwise defined herein have the meanings set forth in the Resolutions.

The Bonds

Description

The General Obligation Bonds are being issued to refund the County's General Obligation School Bonds, Series 2015A, maturing April 1, 2027 through April 1, 2035; General Obligation School and Public Improvement Bonds, Series 2015B, maturing April 1, 2027 through April 1, 2030; General Obligation Refunding Bonds, Series 2016A, maturing April 1, 2027 through April 1, 2029; and to pay issuance costs.

The County District School Bonds are being issued to refund the County's County District School Bonds, Series 2015A, maturing April 1, 2027 through April 1, 2035; County District School Bonds, Series 2016B, maturing April 1, 2032 through April 1, 2036; and to pay issuance costs.

The Bonds will be issued as fully registered book-entry Bonds, without coupons, in denominations of \$5,000 or any integral multiple thereof. The Bonds will be dated their date of issuance. Interest on the Bonds, which shall be computed on the basis of a 360-day year consisting of twelve 30-day months, will be payable semiannually on April 1 and October 1 of each year (herein an “Interest Payment Date”), commencing October 1, 2026*.

The Bonds will mature on the dates and in the amounts set forth on the inside cover page.

Registration and Payment

The Bonds will be initially registered only in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”), which will act as securities depository for the Bonds.

U.S. Bank Trust Company, National Association, Nashville, Tennessee (the “Registration Agent”) will make all interest payments with respect to the Bonds on each Interest Payment Date directly to the registered owners as shown on the Bond registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the Interest Payment Date (the “Regular Record Date”) by check or draft mailed to such owners at their addresses shown on said registration records, without, except for final payment, the presentation or surrender of such registered Bonds, and all such payments shall discharge the obligations of the County in respect of such Bonds to the extent of the payments so made. Payment of principal of the Bonds shall be made upon presentation and surrender of such Bonds to the Registration Agent as the same shall become due and payable. In the event the Bonds are no longer registered in the name of DTC or its successor or assigns, if requested by the Owner of at least \$1,000,000 in aggregate principal amount of the Bonds, payment of interest on such Bonds shall be paid by wire transfer to a bank within the continental United States or deposited to a designated account if such account is maintained with the Registration Agent and written notice of any such election and designated account is given to the Registration Agent prior to the record date.

Any interest on any Bond which is payable but is not punctually paid or duly provided for on any interest payment date (hereinafter “Defaulted Interest”) shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such Defaulted Interest shall be paid by the County to the persons in whose names the Bonds are registered at the close of business on a date (the “Special Record Date”) for the payment of such Defaulted Interest, which shall be fixed in the following manner: The County shall notify the Registration Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment, and at the same time the County shall deposit with the Registration Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Registration Agent for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest. Thereupon, not less than ten (10) days after the receipt by the Registration Agent of the notice of the proposed payment, the Registration Agent shall fix a Special Record Date for the payment of such Defaulted Interest which date shall not be more than fifteen (15) nor less than ten (10) days prior to the date of the proposed payment to the registered owners. The Registration Agent shall promptly notify the County of such Special Record Date and, in the name and at the expense of the County, not less than ten (10) days prior to such Special Record Date, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each registered owner at the address thereof as it appears in the Bond registration records maintained by the Registration Agent as of the date of such notice. Nothing contained in the Resolution or in the Bonds shall impair any statutory or other rights in law or in equity of any registered owner arising as a result of the failure of the County to punctually pay or duly provide for the payment of principal of and interest on the Bonds when due.

Book-Entry-Only System

The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate for each maturity of each series of Bonds will be issued for the Bonds, in the aggregate principal amount of such issue, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2.2 million issues of U.S. and non-U.S. equity, corporate and municipal debt issues, and money market instrument from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Fixed Income Clearing Corporation, and Emerging Markets Clearing Corporation (NSCC, FICC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating: AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from Issuer or Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Registration Agent, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of County or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the County or Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered.

The County may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that County believes to be reliable, but County takes no responsibility for the accuracy thereof.

THE COUNTY AND THE REGISTRATION AGENT HAVE NO RESPONSIBILITY OR OBLIGATION TO PARTICIPANTS, OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY PARTICIPANT; (II) THE PAYMENT BY DTC OR ANY PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OF OR INTEREST ON THE BONDS; (III) THE DELIVERY OR TIMELINESS OF DELIVERY BY ANY PARTICIPANT OR ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE RESOLUTION TO BE GIVEN TO BONDHOLDERS; OR (IV) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC OR CEDE & CO. AS BONDHOLDER.

Optional Redemption*

The Bonds are not subject to optional redemption prior to maturity.

Security and Sources of Payment

The General Obligation Bonds shall be payable from unlimited ad valorem taxes to be levied on all taxable property within the County. For the prompt payment of principal of and interest on the General Obligation Bonds, the full faith and credit of the County are irrevocably pledged.

The County District School Bonds are primarily payable from unlimited ad valorem taxes to be levied on all taxable property located within the County lying outside the territorial limits of the Franklin Special School District. Subject to the limitations set forth in the preceding sentence, for the prompt payment of principal of and interest on the County District School Bonds, the full faith and credit of the County are irrevocably pledged.

Under Tennessee law, the County's legislative body is authorized to levy a tax on all taxable property within the County, or a portion thereof, without limitation as to rate or amount, and a referendum is neither required nor permitted to set the rate or amount. For a more complete statement of the general covenants and provisions pursuant to which the Bonds are issued, reference is hereby made to the respective Resolutions.

Remedies of Bondholders

Under Tennessee law, any Bondholder has the right, in addition to all other rights:

(1) By mandamus or other suit, action or proceeding in any court of competent jurisdiction to enforce its rights against the County, including, but not limited to, the right to require the County to assess, levy and collect taxes adequate to carry out any agreement as to, or pledge of, such taxes, fees, rents, tolls, or other charges, and to require the County to carry out any other covenants and agreements, or

(2) By action or suit in equity, to enjoin any acts or things which may be unlawful or a violation of the rights of such Bondholder.

Discharge and Satisfaction of Bonds

The Bonds may be discharged and defeased in any one or more of the following ways:

(a) By depositing sufficient funds as and when required with the Registration Agent, to pay the principal of and interest on such Bonds as and when the same become due and payable;

(b) By depositing or causing to be deposited with any trust company or financial institution whose deposits are insured by the Federal Deposit Insurance Corporation or similar federal agency and which has trust powers ("an Agent"; which Agent may be the Registration Agent) in trust or escrow, on or before the date of maturity or redemption, sufficient money or Defeasance Obligations, as hereafter defined, the principal of and interest on which, when due and payable, will provide sufficient moneys to pay or redeem such Bonds and to pay interest thereon when due until the maturity or redemption date (provided, if such Bonds are to be redeemed prior to maturity thereof, proper notice of such redemption shall have been given or adequate provision shall have been made for the giving of such notice);

(c) By delivering such Bonds to the Registration Agent, for cancellation by it;

and if the County shall also pay or cause to be paid all other sums payable under the Resolution, or make adequate provision therefor, and by resolution of the Governing Body instruct any such Escrow Agent to pay amounts when and as required to the Registration Agent for the payment of principal of and interest on such Bonds when due, then such Bonds shall be discharged and satisfied and all covenants, agreements and obligations of the County to the holders of such Bonds shall be fully discharged and satisfied.

If the County pays and discharges the indebtedness evidenced by any of the Bonds in the manner provided in either clause (a) or clause (b) above, then the registered owners of such Bonds shall thereafter be entitled only to payment out of the money or Defeasance Obligations.

Defeasance Obligations are direct obligations of, or obligations, the principal of and interest on which are guaranteed by, the United States of America, which obligations shall not be subject to redemption prior to their maturity other than at the option of the registered owner thereof.

Plan of Refunding

Sources and Uses of Funds

The following table sets forth the sources and uses of funds in connection with the issuance of the Bonds.

Sources of Funds

	<u>General Obligation Bonds</u>	<u>County District School Bonds</u>
Par Amount	\$ _____	\$ _____
Reoffering Premium (Discount)	_____	_____
County Contribution	_____	_____
Total Sources	\$ <u>_____</u>	\$ <u>_____</u>

Uses of Funds

Deposit to Refunding Escrow	_____	_____
Costs of Issuance ⁽¹⁾	_____	_____
Total Uses	\$ <u>_____</u>	\$ <u>_____</u>

(1) *Includes all fees and expenses, including underwriter's discount and expenses*

Refunding Mechanics

The Bonds are being issued to refund the outstanding bonds described under "The Bonds – Description" herein (the "Refunded Bonds"). Pursuant to a Refunding Escrow Agreement between the County and U.S. Bank Trust Company, National Association, Nashville, Tennessee (the "Escrow Agent") for the Bonds, the proceeds of the Bonds, excluding amounts to pay issuance costs and underwriter's discount, and certain other funds of the County, will be used to purchase United States Treasury Obligations (the "Escrow Investments"). The Escrow Investments will be held in a separate fund established by the Escrow Agent with the interest earned and the principal amount of the Escrow Investments being sufficient to pay principal of and interest on the Refunded Bonds. Neither the principal of nor the interest on the Escrow Investments will be available for payment of the Bonds. The County, or the Escrow Agent, as applicable, will give the paying agent for the Refunded Bonds irrevocable directions to redeem the Refunded Bonds within 90 days of the delivery date of the Bonds.

Rating

The Bonds have been assigned a rating of "Aaa" by Moody's Investors Service, Inc. ("Moody's") based on documents and other information provided by the County. The rating reflects only the view of Moody's and neither the County, the Municipal Advisor nor the Underwriters make any representation as to the appropriateness of such rating.

There is no assurance that such rating will continue for any given period of time or that it will not be lowered or withdrawn entirely. Any such downward change in or withdrawal of the rating may have an adverse effect on the secondary market price of the Bonds. Any explanation of the significance of the rating may be obtained from Moody's.

Continuing Disclosure

General

The County will at the time the Bonds are delivered execute a Continuing Disclosure Agreement under which it will covenant for the benefit of holders and beneficial owners of the Bonds to provide certain financial information and operating data relating to the County by not later than twelve months after the end of each fiscal year commencing with the fiscal year ending June 30, 2026 (the "Annual Report"), and to provide notice of the occurrence of certain enumerated events and timely notice of failure to provide any required financial information of the County. The Annual Report (and audited financial statements if filed separately) and notices described above will be filed by the County with the Municipal Securities Rulemaking Board ("MSRB") at www.emma.msrb.org and with any State Information Depository which may be established in Tennessee (the "SID"). The specific nature of the information to be contained in the Annual Report or the notices of events is summarized below. These covenants have been made in order to assist the Underwriters in complying with Securities and Exchange Commission Rule 15c2-12(b), as it may be amended from time to time (the "Rule").

The County has not failed to comply in any material respect with its previous continuing disclosure undertakings in the past five years.

Annual Report

The County's Annual Report shall contain or incorporate by reference the General Purpose Financial Statements of the Issuer for the fiscal year, prepared in accordance with generally accepted accounting principles; provided, however, if the County's audited financial statements are not available by the time the Annual Report is required to be filed, the Annual Report shall contain unaudited financial statements in a format similar to the financial statements contained herein, and the audited financial statements shall be filed when available. The Annual Report shall also include in a similar format the following information included in Appendix B to this Official Statement as follows.

1. "Debt Statement";
2. "Long-Term Debt";
3. "Per Capita Debt Ratios";
4. "Debt Ratios";
5. "Debt Trend";
6. "General Obligation Debt Service Requirements";
7. "County District School Bonds Debt Service Requirements";
8. "Fund Balances";
9. "Top Taxpayers";

10. “Local Sales Tax Collections”;
11. “Privilege Tax and Adequate Facilities Tax Data”;
12. “Property Valuation and Property Tax”;
13. “County Tax Rates”;
14. “Tax Collections”; and
15. “Combined Statement of Revenues and Expenditures and Fund Balances – General Fund for Years Ending June 30”.

Any or all of the items above may be incorporated by reference from other documents, including Official Statements in final form for debt issues of the County or related public entities, which have been submitted to each of the Repositories or the Securities and Exchange Commission. If the document incorporated by reference is a final Official Statement, in final form, it will be available from the Municipal Securities Rulemaking Board. The County shall clearly identify each such other document so incorporated by reference.

Reporting of Significant Events

The County will file notice regarding certain significant events with the MSRB and SID, if any, as follows:

1. Upon the occurrence of a Listed Event (as defined in (3) below), the County shall in a timely manner, but in no event more than ten (10) business days after the occurrence of such event, file a notice of such occurrence with the MSRB and SID, if any. Notwithstanding the foregoing, notice of Listed Events described in subsection (3)(h) and (i) need not be given under this subsection any earlier than the notice (if any) of the underlying event is given to holders of affected Bonds pursuant to the Resolution.
2. For Listed Events where notice is only required upon a determination that such event would be material under applicable Federal securities laws, the County shall determine the materiality of such event as soon as possible after learning of its occurrence.
3. The following are the Listed Events:
 - a. Principal and interest payment delinquencies;
 - b. Non-payment related defaults, if material;
 - c. Unscheduled draws on debt service reserves reflecting financial difficulties;
 - d. Unscheduled draws on credit enhancements reflecting financial difficulties;
 - e. Substitution of credit or liquidity providers, or their failure to perform;
 - f. Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds or other material events affecting the tax status of the Bonds;

- g. Modifications to rights of Bondholders, if material;
- h. Bond calls, if material, and tender offers;
- i. Defeasances;
- j. Release, substitution, or sale of property securing repayment of the securities, if material;
- k. Rating changes;
- l. Bankruptcy, insolvency, receivership or similar event of the obligated person;
- m. The consummation of a merger, consolidation or acquisition involving an obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- n. Appointment of a successor or additional trustee or the change of name of a trustee, if material;
- o. Incurrence of a financial obligation (as defined by the Rule) of the County, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the County, any of which affect security holders, if material; and
- p. Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the County, any of which reflect financial difficulties.

Termination of Reporting Obligation

The County's obligations under the Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds.

Amendment/Waiver

Notwithstanding any other provision of the Disclosure Agreement, the County may amend the Disclosure Agreement, and any provision of the Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions concerning the Annual Report and Reporting of Significant Events it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized Bond Counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Holders of the Bonds in the same manner as provided in the Resolution for amendments to the Resolution with the consent of the respective Holders, or (ii) does not, in the opinion of nationally recognized Bond Counsel, materially impair the interests of the Holders or beneficial owners of the Bonds.

In the event of any amendment or waiver of a provision of the Disclosure Agreement, the County shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the County. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Default

In the event of a failure of the County to comply with any provision of the Disclosure Agreement, any Bondholder or any Beneficial Owner may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the County to comply with its obligations under the Disclosure Agreement. A default under the Disclosure Agreement shall not be deemed an event of default, if any, under the Resolution, and the sole remedy under the Disclosure Agreement in the event of any failure of the County to comply with the Disclosure Agreement shall be an action to compel performance.

Investment Considerations

General

The purchase of the Bonds is subject to a number of investment considerations. The following is a discussion of certain investment considerations, which, among others, could affect the ability of the County to pay the principal of and interest and premium, if any, on the Bonds and which could also affect the marketability of, or the market price for, the Bonds. Such discussion is not, and is not intended to be, a comprehensive compilation of all possible investment considerations nor a substitute for an independent evaluation of the information presented in this Official Statement, including the Appendices attached hereto. Each prospective purchaser of any Bond should read this Official Statement, including the Appendices attached hereto, in its entirety and consult such prospective purchaser's own investment or legal advisor for a more complete explanation of the matters that should be considered when purchasing an investment such as the Bonds.

Enforceability of Remedies

The remedies available to the holders or beneficial owners of the Bonds upon any event of default under the Resolution are in many respects dependent upon judicial actions which are often subject to discretion and delay.

The enforceability of remedies or rights with respect to the Bonds may be limited by state and federal laws, rulings and decisions affecting remedies and by bankruptcy, insolvency or other laws affecting creditors' rights or remedies heretofore or hereafter enacted.

Under existing law, municipalities must obtain the consent of state governments in order to avail themselves of federal bankruptcy protection under Title 11 of the United States Code. There is currently no law in the State granting such consent. The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency, moratorium, or other similar laws affecting the rights of creditors generally or as to the availability of any particular remedy.

Redemption Prior to Maturity

The Bonds are not subject to optional redemption prior to maturity, as more fully described herein. See “THE BONDS - Redemption” herein.

Secondary Market Prices

No assurance can be given that a secondary market for any of the Bonds will be available and no assurance can be given that the initial offering prices for the Bonds will continue for any period of time.

The Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Bonds in the event a holder or beneficial owner thereof determines to solicit purchasers of the Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Bonds may be sold. Such price may be lower than that paid by the current holder or beneficial owner of the Bonds, depending on existing market conditions and other factors.

Adverse Weather Events

Numerous scientific studies have detailed changing global weather patterns and the potential for increasing extreme weather events across the world. The County's location in the southern United States near various waterways increases its vulnerability to flooding and extreme heat. In addition to flooding and extreme heat, the County faces other threats due to changing weather patterns, including possible drought conditions that could become more severe and frequent. The County cannot predict the timing, extent or severity of any adverse weather events and their impact on the County's operations and finances.

Cyber Security

The County utilizes various computer systems and network technology to perform many of its vital operations. Such operations often include the storage and transmission of sensitive information. As a result, the County may be the target of cyberattacks attempting to gain access to such information. In addition to intentional attacks, information breaches may occur due to unintentional employee error. A successful cyberattack or unintentional breach could substantially interrupt County services and operations for an unknown period of time, and substantially disrupt and damage the County's financial condition and general economic conditions in the County. The County is not aware of any successful cyber security breach or related attack against the County. However, attempted cyber security attacks against organizations or entities similar to the County are increasingly common. In January 2026, the Federal Bureau of Investigation issued a specific warning that international hackers are working to attack governmental infrastructure in the United States.

To mitigate against such risks, the County has instituted various policies and procedures to protect its network infrastructure, including a cyber-security training requirement for certain departments, as well as general cyber security training and awareness for all employees. The County also maintains insurance

against cyber security incidents, though such insurance may not be sufficient to cover all losses incurred by the County as a result of a cyber attack. Despite the County's measures to safeguard its network infrastructure, there are no guarantees that such measures will be successful.

Future Legislation

From time to time, the Tennessee General Assembly considers bills purporting to limit the amount by which Tennessee local governments may increase ad valorem tax levies for purposes other than the payment of general obligation debt service without first obtaining voter approval by referendum. If enacted into law, such bills would have no impact on the security for the payment of the Bonds. However, such laws could impact the County's ability to raise revenue for other governmental operating and capital requirements. See also "Tax Matters – Changes in Federal and State Tax Law" for the potential impact of changes in tax law on the Bonds.

Future Issues

The County continues to be one of the fastest growing counties in Tennessee. The need for additional capital improvements financing is likely to be correlated with the rate at which this population growth continues. As the population of the County grows, as it is expected to do, the need for additional infrastructure is likely to result in additional financing needs. The complexity of forecasting future growth and economic conditions makes long-term financing needs and timing difficult to predict.

Although overall student enrollment growth in Williamson County Schools has slowed, the County School Board continues to anticipate additional funding needs for new school construction to accommodate expected growth in certain areas of the County. School officials have identified over \$400 million of additional land acquisition and construction projects that could potentially be funded over the next five years. These projects include the addition of up to four new schools and the expansion and renovation of several existing schools. The commencement and timing of these projects will depend on future enrollment trends and forecasts. The growth in enrollment can be impacted by many variables that can change over time.

Additionally, the County officials have preliminarily identified approximately \$178 million or more of general government capital improvement projects that could potentially be funded over the next five years. These projects include public safety facilities, parks and recreation facilities and other government purposes.

The County is also in the process of developing new court, jail and justice center facilities, the costs of which are expected to approximate \$325 million. The County Commission has adopted a bond resolution authorizing up to \$280 million of general obligation bonds to fund this project, approximately \$20 million of which have already been issued to fund the first phase of costs related to this multi-year project.

Many of the contemplated projects are in the planning stages and the final amounts and timing have not been determined and are subject to change. Many of the projected capital projects of the Williamson County Schools and County Government have yet to be approved by the Board of County Commissioners.

Litigation

The County, like other similar bodies, is subject to a variety of suits and proceedings arising in the ordinary conduct of its affairs. After reviewing the current status of all pending and threatened litigation with its counsel, the County believes that, while the outcome of litigation cannot be predicted, the final settlement of all lawsuits which have been filed and of any actions or claims pending or threatened against the County

or its officials in such capacity are adequately covered by insurance or by sovereign immunity or will not have a material adverse effect upon the County's financial condition.

As of the date of this Official Statement, the County has no knowledge or information concerning any pending or threatened litigation contesting the authority of the County to issue, sell or deliver the Bonds. The County has no knowledge or information of any actions pending or expected that would materially affect the County's ability to pay the debt service requirements of the Bonds.

Approval of Legal Proceedings

Legal matters incident to the authorization and issuance of the Bonds are subject to the unqualified approving opinions of Bass, Berry & Sims PLC, Bond Counsel. A copy of the opinions will be available upon delivery of the Bonds. (See Appendix A). Certain legal matters will be passed upon for the County by Buerger, Moseley & Carson, P.C., Counsel to the County.

Tax Matters

Federal

General. Bass, Berry & Sims PLC, Nashville, Tennessee, is Bond Counsel for the Bonds. Their opinion under existing law, relying on certain statements by the Issuer and assuming compliance by the Issuer with certain covenants, is that interest on the Bonds:

- is excludable from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"); and
- is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Bonds may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations.

The Code imposes requirements on the Bonds that the Issuer must continue to meet after the Bonds are issued. These requirements generally involve the way that Bond proceeds must be invested and ultimately used. If the Issuer does not meet these requirements, it is possible that a bondholder may have to include interest on the Bonds in its federal gross income on a retroactive basis to the date of issue. The Issuer has covenanted to do everything necessary to meet these requirements of the Code.

A bondholder who is a particular kind of taxpayer may also have additional tax consequences from owning the Bonds. This is possible if a bondholder is:

- an S corporation,
- a United States branch of a foreign corporation,
- a financial institution,
- a property and casualty or a life insurance company,
- an individual receiving Social Security or railroad retirement benefits,
- an individual claiming the earned income credit, or
- a borrower of money to purchase or carry the Bonds

If a bondholder is in any of these categories, it should consult its tax advisor.

Bond Counsel is not responsible for updating its opinion in the future. It is possible that future events or changes in applicable law could change the tax treatment of the interest on the Bonds or affect the market price of the Bonds. See also "Changes in Federal and State Tax Law" below in this heading.

Bond Counsel expresses no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel on the federal income tax treatment of interest on the Bonds, or under State, local or foreign tax law.

Bond Premium. If a bondholder purchases a Bond for a price that is more than the principal amount, generally the excess is “Bond premium” on that Bond. The tax accounting treatment of Bond premium is complex. It is amortized over time and as it is amortized a bondholder’s tax basis in that Bond will be reduced. The holder of a Bond that is callable before its stated maturity date may be required to amortize the premium over a shorter period, resulting in a lower yield on such Bonds. A bondholder in certain circumstances may realize a taxable gain upon the sale of a Bond with Bond premium, even though the Bond is sold for an amount less than or equal to the owner’s original cost. If a bondholder owns any Bonds with Bond premium, it should consult its tax advisor regarding the tax accounting treatment of Bond premium.

Original Issue Discount. A Bond will have “original issue discount” if the price paid by the original purchaser of such Bond is less than the principal amount of such Bond. Bond Counsel’s opinion is that any original issue discount on these Bonds as it accrues is excluded from a bondholder’s federal gross income under the Internal Revenue Code. The tax accounting treatment of original issue discount is complex. It accrues on an actuarial basis and as it accrues a bondholder’s tax basis in these Bonds will be increased. If a bondholder owns one of these Bonds, it should consult its tax advisor regarding the tax treatment of original issue discount

Information Reporting and Backup Withholding. Information reporting requirements apply to interest on tax-exempt obligations, including the Bonds. In general, such requirements are satisfied if the interest recipient completes, and provides the payor with a Form W-9, “Request for Taxpayer Identification Number and Certification,” or if the recipient is one of a limited class of exempt recipients. A recipient not otherwise exempt from information reporting who fails to satisfy the information reporting requirements will be subject to “backup withholding,” which means that the payor is required to deduct and withhold a tax from the interest payment, calculated in the manner set forth in the Code. For the foregoing purpose, a “payor” generally refers to the person or entity from whom a recipient receives its payments of interest or who collects such payments on behalf of the recipient.

If an owner purchasing a Bond through a brokerage account has executed a Form W-9 in connection with the establishment of such account, as generally can be expected, no backup withholding should occur. In any event, backup withholding does not affect the excludability of the interest on the Bonds from gross income for Federal income tax purposes. Any amounts withheld pursuant to backup withholding would be allowed as a refund or a credit against the owner’s Federal income tax once the required information is furnished to the Internal Revenue Service.

State Taxes

Under existing law, the Bonds and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) Tennessee excise taxes on interest on the Bonds during the period the Bonds are held or beneficially owned by any organization or entity, or other than a sole proprietorship or general partnership doing business in the State of Tennessee, and (b) Tennessee franchise taxes by reason of the inclusion of the book value of the Bonds in the Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

Changes in Federal and State Tax Law

From time to time, there are Presidential proposals, proposals of various federal committees, and legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to herein or adversely affect the marketability or market value of the Bonds or otherwise prevent holders of the Bonds from realizing the full benefit of the tax exemption of interest on the Bonds. Further, such proposals may impact the marketability or market value of the Bonds simply by being proposed. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value, marketability or tax status of the Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Bonds would be impacted thereby. Purchasers of the Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Bonds, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any proposed or pending legislation, regulatory initiatives or litigation.

Prospective purchasers of the Bonds should consult their own tax advisors regarding the foregoing matters.

Municipal Advisor

Stephens Inc. is serving as Municipal Advisor to the County in connection with the issuance of the Bonds. Stephens Inc., in its capacity as Municipal Advisor, has relied on the opinion of Bond Counsel and has not verified and does not assume any responsibility for the information, covenants and representations contained in any of the legal documents with respect to the federal or state income tax status of the Bonds or the possible impact of any present, pending or future actions taken by any legislative or judicial bodies. The information set forth herein has been obtained from the County and other sources believed to be reliable, but has not been independently verified by Municipal Advisor. The Municipal Advisor's fee for services rendered with respect to the sale of the Bonds is contingent upon the issuance and delivery of the Bonds.

The Municipal Advisor has reviewed the information in this Official Statement in accordance with, and as part of, its responsibilities to the County and, as applicable, to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Municipal Advisor does not guarantee the accuracy or completeness of such information.

Underwriting

_____, _____, _____, acting for and on behalf of itself and such other securities dealers as it may designate, will purchase the General Obligation Refunding Bonds for an aggregate purchase price of \$_____, which is par, less \$_____ underwriter's discount, plus net original issue premium of \$_____.

_____, _____, _____, acting for and on behalf of itself and such other securities dealers as it may designate, will purchase the County District Refunding Bonds for an aggregate purchase price of \$_____, which is par, less \$_____ underwriter's discount, plus net original issue premium of \$_____.

The Underwriters may offer and sell the Bonds to certain dealers (including dealer banks and dealers depositing the Bonds into investment trusts) and others at prices different from the public offering prices

stated on the cover page of this Official Statement. Such initial public offering prices may be changed from time to time by the Underwriters.

Miscellaneous

Any statement made in this Official Statement involving matters of opinion and estimates, whether or not so expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized.

The execution and delivery of this Official Statement was duly authorized by the County.

APPENDIX A

Forms of Legal Opinions of Bass, Berry & Sims PLC, Attorneys,
Nashville, Tennessee relating to the Bonds.

(Proposed Form of Opinion of Bond Counsel – General Obligation Bonds)

Bass, Berry & Sims PLC
21 Platform Way South, Suite 3500
Nashville, Tennessee 37203

(Dated Closing Date)

We have acted as bond counsel to Williamson County, Tennessee (the “Issuer”) in connection with the issuance of \$_____ General Obligation Refunding Bonds, Series 2026, dated the date hereof (the “Bonds”). We have examined the law and such certified proceedings and other papers as we deemed necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon the certified proceedings and other certifications of public officials furnished to us without undertaking to verify such facts by independent investigation.

Based on our examination, we are of the opinion, as of the date hereof, as follows:

1. The Bonds have been duly authorized, executed and issued in accordance with the constitution and laws of the State of Tennessee and constitute valid and binding general obligations of the Issuer.

2. The resolution of the Board of County Commissioners of the Issuer authorizing the Bonds has been duly and lawfully adopted, is in full force and effect and is the valid and binding agreement of the Issuer enforceable in accordance with its terms.

3. The Bonds constitute general obligations of the Issuer for the payment of which the Issuer has validly and irrevocably pledged its full faith and credit. The principal of and interest on the Bonds are payable from unlimited ad valorem taxes to be levied on all taxable property within the County.

4. Interest on the Bonds is excludable from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”) and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Bonds may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations. The opinion set forth in the preceding sentence is subject to the condition that the Issuer comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excludable from gross income for federal income tax purposes under Section 103 of the Code. Failure to comply with certain of such requirements could cause interest on the Bonds to be so includable in gross income for federal income tax purposes retroactively to the date of issuance of the Bonds. The Issuer has covenanted to comply with all such requirements.

5. Under existing law, the Bonds and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) Tennessee excise taxes on all or a portion of the interest on any of the Bonds during the period such Bonds are held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee, and (b) Tennessee franchise taxes by reason of the inclusion of the book value of the Bonds in the Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership doing business in the State of Tennessee.

The rights of the owners of the Bonds and the enforceability of the Bonds and the Resolution may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting the rights and remedies of creditors, and by equity principles, whether considered at law or in equity.

We express no opinion herein as to the accuracy, adequacy or completeness of the Official Statement relating to the Bonds. Further, we express no opinion herein regarding tax consequences arising with respect to the Bonds other than as expressly set forth herein.

This opinion is given as of the date hereof, and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

Yours truly,

(Proposed Form of Opinion of Bond Counsel – County District School Bonds)

Bass, Berry & Sims PLC
21 Platform Way South, Suite 3500
Nashville, Tennessee 37203

(Dated Closing Date)

We have acted as bond counsel to Williamson County, Tennessee (the “Issuer”) in connection with the issuance of \$_____ County District School Refunding Bonds, Series 2026, dated the date hereof (the “Bonds”). We have examined the law and such certified proceedings and other papers as we deemed necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon the certified proceedings and other certifications of public officials furnished to us without undertaking to verify such facts by independent investigation.

Based on our examination, we are of the opinion, as of the date hereof, as follows:

1. The Bonds have been duly authorized, executed and issued in accordance with the constitution and laws of the State of Tennessee and constitute valid and binding general obligations of the Issuer.

2. The resolution of the Board of County Commissioners of the Issuer authorizing the Bonds has been duly and lawfully adopted, is in full force and effect and is a valid and binding agreement of the Issuer enforceable in accordance with its terms.

3. The Bonds shall be payable from unlimited ad valorem taxes to be levied on all taxable property within the Issuer lying outside the territorial limits of the Franklin Special School District. Subject to the limitations in the preceding sentence, for the prompt payment of principal and interest on the Bonds, the Issuer has irrevocably pledged its full faith and credit.

4. Interest on the Bonds is excludable from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”) and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Bonds may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations. The opinion set forth in the preceding sentence is subject to the condition that the Issuer comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excludable from gross income for federal income tax purposes under Section 103 of the Code. Failure to comply with certain of such requirements could cause interest on the Bonds to be so includable in gross income for federal income tax purposes retroactively to the date of issuance of the Bonds. The Issuer has covenanted to comply with all such requirements.

5. Under existing law, the Bonds and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) Tennessee excise taxes on all or a portion of the interest on any of the Bonds during the period such Bonds are held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee, and (b) Tennessee franchise taxes by reason of the inclusion of the book value of the Bonds in the Tennessee

franchise tax base of any organization or entity, other than a sole proprietorship or general partnership doing business in the State of Tennessee.

The rights of the owners of the Bonds and the enforceability of the Bonds and the Resolution may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting the rights and remedies of creditors, and by equity principles, whether considered at law or in equity.

We express no opinion herein as to the accuracy, adequacy or completeness of the Official Statement relating to the Bonds. Further, we express no opinion herein regarding tax consequences arising with respect to the Bonds other than as expressly set forth herein.

This opinion is given as of the date hereof, and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

Yours truly,

APPENDIX B

Demographic and General Financial Information
Related to the County

GENERAL INFORMATION

Williamson County (the “County”) is located in Middle Tennessee and continues to be one of Tennessee's and one of the nation's fastest-growing communities. The County is adjacent to the southern boundary of Metropolitan Nashville-Davidson County and includes the cities of Brentwood, Fairview, Franklin, Nolensville, Thompson's Station and a portion of Spring Hill. In recent years, the County has benefited from its status as the county with the highest per capita income and one of the lowest unemployment rates in the State. Williamson County is noted for its high quality of life, excellent public school system, upscale neighborhoods, commercial office and retail parks, and rolling farmland.

The historic City of Franklin is the county seat of Williamson County. Franklin is approximately 15 miles south of Nashville, Tennessee. Franklin was founded in 1799 and is built around a restored historic downtown district. The City of Franklin covers an area of approximately 41 square miles and serves an estimated population of approximately 89,142. The City of Brentwood is the second largest city in the County with an estimated population of 45,525. Brentwood also covers approximately 41 square miles and is located adjacent to the southern border of the Metropolitan Government of Nashville and Davidson County. Brentwood is an affluent area that is known for its quality office parks and executive living. The city of Fairview, with an estimated population of 10,535, is situated in the northwest corner of Williamson County and it is convenient to Interstate 40 and State Route 840. Nolensville, population 15,437, is one of Tennessee's newest cities and is located in the northeastern section of the County. The town of Thompson's Station, with an estimated population of 9,081, is a small town located south of Franklin and north of Spring Hill. The city of Spring Hill forms the southern portion of Williamson County and the northern portion of Maury County. Spring Hill's total population of 59,398 is approximately split 70/30 between Williamson County and Maury County.

Two of the State's largest office parks, Maryland Farms and Aspen Grove, and one of its largest shopping malls, Cool Springs Galleria, are located in Williamson County. The County is also home to many of the largest publicly traded companies in the Nashville region. One large employer, Nissan North America, moved its North American Headquarters to the Cool Springs area of Williamson County in 2008 from Los Angeles. In June 2019, Mitsubishi Motors of North America announced that they were relocating their headquarters from California to Williamson County, Tennessee. Other notable companies with corporate offices in Williamson County include Tractor Supply Company, Community Health Systems, and Mars Petcare.

The County is a convenient drive from the Nashville International Airport, a multi-air carrier commercial aviation facility. Interstate 40 and 65 and State Route 840 traverse the County. Interstate 24 is also located nearby. Other land transportation is served by U.S. Highways 31 and 431 and State Highways 96 and 100. Rail transportation is provided by CSX Transportation Group.

The Nashville area is just one of six areas in the nation intersected by three or more interstate highways. State Route 840 connects five Tennessee counties and intersects four of the six interstate spokes. SR 840 intersects Interstates 65 and 40 near Franklin and Fairview respectively, and connects with Interstate 24 near Murfreesboro in adjoining Rutherford County and Interstate 40 in western Wilson County and eastern Dickson County.

The governing body of the County is a 24 member Board of Commissioners that are elected to concurrent four-year terms of office by direct vote of the voters in each district represented. The County Mayor is the chief financial and administrative officer of the County and is elected by a direct vote of the people to a four-year term of office. The current terms of office for the Board of Commissioners and the County Mayor began on September 1, 2022 and will expire on August 31, 2026.

SOCIAL, ECONOMIC, AND DEMOGRAPHIC DATA

Population

The population of the County has grown appreciably since 1980. According to the U.S. Census data for 2024, the County's population has grown by 211,028 since 1980, 187,347 since 1990, 141,035 since 2000, 85,054 since 2010 and 19,520 since 2020. Various socioeconomic factors are indicated below.

	Population		Percentage Change		
	Williamson		Williamson		
	County	Tennessee	County	Tennessee	
1980	58,108	4,600,252			
1990	81,789	4,890,626	1980 - 1990	40.8%	6.3%
2000	128,101	5,703,719	1990 - 2000	56.6%	16.6%
2010	184,082	6,355,518	2000 - 2010	43.7%	11.4%
2020	249,616	6,927,904	2010 - 2020	35.6%	9.0%
2022 (est.)	261,536	7,062,217	2020 - 2022	4.8%	1.9%
2023 (est.)	265,312	7,148,304	2022 - 2023	1.4%	1.2%
2024 (est.)	269,136	7,227,750	2023 - 2024	1.4%	1.1%

LABOR FORCE, EMPLOYMENT AND UNEMPLOYMENT DATA

Labor Force

The labor force within the County has increased from 107,992 in 2015 to 144,705 in August 2025, reflecting a 34% increase. The Covid-19 outbreak, and the impact on economic conditions, resulted in a sharp increase in the unemployment rate in 2020. However, the unemployment rate improved since then.

Year	Employment	Unemployment	Total Labor Force	Unemployment Percent		
				County	State	U.S.
2015	103,672	4,320	107,992	4.0%	5.5%	5.3%
2016	105,538	3,941	109,479	3.6%	4.7%	4.9%
2017	112,088	3,229	115,317	2.8%	3.7%	4.4%
2018	117,679	3,141	120,820	2.6%	3.5%	3.9%
2019	123,629	3,170	126,799	2.5%	3.3%	3.7%

(1) In late 2024, Nissan announced plans to cut 9,000 jobs and reduce global manufacturing capacity by 20%. These job reductions were global in nature and no specific reductions related to the Tennessee headquarters were announced.

Commercial Development Overview

Williamson County is currently the home to over forty corporate headquarters, including twelve of the top twenty five publicly traded companies in the Nashville region. The County reports that substantial new and ongoing economic development projects continue in the County. Although economic development projects are continuing, the County cannot predict the impact future economic conditions will have on new or future economic development plans.

In January 2025, Logo Brands announce its move to a new headquarters in Williamson County. Logo Brands is a leading manufacturer of officially licensed products for colleges and leagues, including the MLB, NHL, NFL, NBA, MLB and NASCAR. This relocation is expected to result in an additional 250 job in the county. Also, in 2025, Dxcover announced the opening of its first U.S.-based-office in Williamson County. Dxcover is a Scotland based biotech company that focuses on early cancer detection and diagnostic solutions.

In 2024, Lazestar announced that it is moving its operations from California to Williamson County, Tennessee. Lazestar specializes in fabrication and laser welding components used in the defense, aerospace, microwave, biomedical and commercial industries. The expansion and relocation is expected to add 25 new jobs and include a \$5.5 million investment in the County.

In 2023, several corporations announced plans to move their headquarters or operations to Williamson County. In January 2023, In-N-Out Burger announced plans to invest over \$125 million to establish an eastern territory office in Williamson County. The project is expected to include a 100,000 square foot office building with construction beginning in late 2024. The project is also expected to create approximately 277 new jobs. In April 2023, Steamboat Transportation Group announced plans to expand and relocate its headquarters from Nashville to Williamson County. Steamboat Transportation Group is a third-party logistics company and the relocation is expected to create over 60 new jobs.

In January 2022, Pennymac Financial Services announced plans to establish a new mortgage origination center in Williamson County. The new center will involve an investment of \$3.9 million and create approximately 325 new jobs. In July 2022, Highwood Ventures announced it will move its headquarters from Glenview, Illinois to Williamson County. Highwood Ventures is a holding company to top brands in the restaurant, fitness, video rental, and commercial real estate industries. The company employs approximately 2,500 people across the country. In October 2022, Landmark Recovery, one of the nation's leading addiction service providers, announced it would invest \$7.5 million to expand its headquarters in Williamson County one year after relocating from Arizona. The 1,300 new jobs created through the project will allow Landmark to better serve the growing number of treatment facilities the company owns and operates.

WILLIAMSON COUNTY SCHOOL SYSTEM

The Williamson County school system provides public education in grades K-12 for the entire county lying outside the boundaries of the Franklin Special School District (“FSSD”). FSSD owns and operates its school system separate and apart from the County system, providing public education in grades K-8. Students residing inside FSSD attend grades 9-12 at one of the County’s eleven high schools.

The Williamson County Board of Education operates the public education Williamson County school system. The Board consists of a Chairman and eleven members, each of whom is elected from a county school board district for a term of four years. The superintendent is appointed by the School Board.

The Williamson County School System is a K-12 public school district with 52 school sites: 11 high schools, 11 middle schools, 29 elementary schools and 1 K-8 school. The Tennessee Department of Education reports that average daily membership at Williamson County Schools increased 61% from the 2005-2006 school year to the 2024-2025 school year as presented below.

AVERAGE DAILY MEMBERSHIP		
School Year	Williamson County Schools	Franklin Special School District
2005-2006	25,440	3,800
2006-2007	27,301	3,781
2007-2008	28,585	3,825
2008-2009	29,762	3,720
2009-2010	30,517	3,688
2010-2011	31,275	3,748
2011-2012	31,949	3,671
2012-2013	32,912	3,710
2013-2014	33,916	3,633
2014-2015	34,991	3,585
2015-2016	36,303	3,438
2016-2017	37,661	3,537
2017-2018	38,685	3,528
2018-2019	39,879	3,451
2019-2020	40,737	3,456
2020-2021	39,518	3,160
2021-2022	41,227	3,115
2022-2023	41,498	3,051
2023-2024	41,347	3,008
2024-2025	41,013	3,017

Source: Tennessee Department of Education.

The Franklin Special School District (FSSD) operates a public school system providing public education in grades K-8 for a portion of the County located primarily within of the City of Franklin. The average daily membership for the 2024-2025 school year was 3,017.

Prior to 1987, the boundaries of FSSD included all the City of Franklin and some small unincorporated areas immediately adjacent thereto, and its boundaries were automatically extended with those of the City each time Franklin annexed new territory. In 1987, the Tennessee General Assembly enacted legislation permanently fixing the boundaries of FSSD to those which existed as of September 1, 1986.

RETIREMENT COMMITMENTS

Employees of Williamson County and non-certified employees of the Williamson County School Department are provided a defined benefit pension plan through the Public Employee Retirement Plan, an agent multiple-employer pension plan administered by the Tennessee Consolidated Retirement System (TCRS). Teachers of the Williamson County School Department with membership in the TCRS before July 1, 2014, are provided with pensions through the Teacher Legacy Pension Plan, a cost-sharing multiple-employer pension plan administered by the TCRS. The Teacher Legacy Pension Plan is now closed to new membership. Teachers with membership in TCRS after June 30, 2014, are provided with pensions through a legally separate plan referred to as the Teacher Retirement Plan.

The TCRS was created by state statute under *Tennessee Code Annotated (TCA)*, Title 8, Chapters 34-37. The TCRS Board of Trustees is responsible for the proper operation and administrations of the TCRS. The Tennessee Treasury Department, an agency in the legislative branch of state government, administers the plans of the TCRS. The TCRS issues a publicly available financial report that can be obtained at www.treasury.tn.gov/tcrs.

For detailed information on retirement commitments, see Appendix C, page 81, Note F of the Comprehensive Annual Financial Report of the County for the Fiscal Year Ended June 30, 2025.

OTHER POST-EMPLOYMENT BENEFITS (“OPEB”) DISCLOSURE STATEMENT

All full-time employees hired before July 1, 2009, and eligible retirees of the primary government and the Williamson County School Department are eligible to participate in the health and dental insurance cost-sharing plan accounted for in the Self-Insurance Fund (internal service fund). Life insurance ranging from \$2,700 to \$15,000 is also provided at full cost to the retiree. For accounting purposes, the plan is an agent single-employer defined benefit OPEB plan. Benefits and premium requirements are established and amended by an insurance committee established by the County Commission. The plan is self-insured and financed on a pay-as-you-go basis. For detailed information on other post-employment benefits, see Appendix C, page 95, Note G of the Comprehensive Annual Financial Report of the County for the Fiscal Year Ended June 30, 2025.

PROPERTY TAX FREEZE PROGRAM

In its 2007 session, the 105th General Assembly enacted the *Property Tax Freeze Act* which authorizes the legislative body of any county and/or municipality to adopt the property tax freeze program for lower income senior citizens. The Act became effective on July 1, 2007.

Homeowners qualifying for an authorized program will have the property taxes on their principal residence frozen at a base tax amount, which is the amount of taxes owed in the year they first qualify for the program. Thereafter, as long as the owner continues to qualify for the program, the amount of property taxes owed for that property will not change, even if there is a property tax rate increase.

In order to qualify, the homeowner must file an application annually and must (a) Own their principal place of residence in a participating county and/or city, (b) be 65 years of age or older by the end of the year in which the application is filed, and (c) have an income from all sources that does not exceed the county income limit established for that tax year.

The Williamson County Board of Commissioners created a property tax freeze program for qualifying citizens.

				<u>\$438,845,000</u>
Total Current Outstanding Bonded Debt				<u>\$1,183,525,000</u>

(1) As of February 1, 2026 and adjusted for Proposed Refunding Bonds. Excludes Bonds being Refunded.

(2) The County periodically enters into short-term capitalized leases for various education and government purposes. Payments on these leases often come from the operating revenues of the relevant departments and not from the debt service fund. As of June 30, 2025 the balance on the capitalized balance on these leases was \$3,832,878. These leases are not included in the debt statement above or the schedule of annual debt service payments.

(3) As of Tax Year 2024, approximately 79% of the County's assessed value is located outside of the Franklin Special School District.

(4) Net Overlapping Debt of the municipalities and special school district are as of June 30, 2025. Excludes self-supporting debt. Net Overlapping Debt for the Rural District includes Brentwood, Spring Hill, Fairview, Nolensville and a pro rata portion of the City of Franklin's debt that is secured by property outside the limits of the Franklin Special School District. Sources include Audits and Official Statements.

(5) Preliminary. Subject to change.

MANAGEMENT DISCUSSION

The County’s 2024-2025 fiscal year ended on June 30, 2025. The County’s ending 2024-2025 General Fund balance was over \$132 million. This increase was largely attributable to higher property and sales tax collections, higher one-time revenues from the State, and conservative budgeting. Additionally, the County’s General Debt Service Fund balance and the Rural School Debt Service Fund balances were \$50 million and \$35 million, respectively. The County’s Rural Debt Service Fund benefitted from a prior 3-year agreement to accumulate and allocate funds from a previously approved sale tax increase for the purpose of paying school debt service. This arrangement ended during fiscal year 2020-2021 and the County has used much of these accumulated funds to retire existing school debt obligations. The County still has approximately \$9 million of accumulated sales tax funds that may be expended to retire existing debt prior to the end of the fiscal year.

In June 2025, the County adopted a budget for fiscal year 2025-2026. Due primarily to conservative budgeting assumptions, the County typically budgets for reductions in fund balances. When revenues exceed projections and expenses are less than projections, such reductions are often reduced or eliminated. The County’s 2025-2026 budget contemplates a \$14 million reduction in the General Fund balance. Given the difficulties of forecasting the impact of future economic conditions on the local economy and financial operations, the County cannot predict whether there will be sufficient increased revenues or decreased expenses to offset the budgeted decline in fiscal year 2025-2026.

In 2017, Williamson County implemented a new Education Impact fee which was assessed based on the square footage of new dwellings constructed in the County. The purpose of the new construction fee is to offset the cost of education capital improvements related to ongoing growth in the County. As of June 30, 2025, the County estimates that it has collected a total of over \$163.4 million in Education Impact fees since implementation. The County previously allocated approximately \$76.9 million for school construction. The balance of over \$86.5 million is available to be used for qualified school projects and qualified future school debt service.

LOCAL SALES TAX COLLECTIONS

Tennessee counties may, by a resolution approved by the governing body, levy a sales tax on the same privileges subject to the State sales tax. The local option sales tax rate cannot exceed 2.75%. Additionally, the local option sales tax is only applicable to the first \$1,600 of any single article of personal property. The sales tax collections are distributed in accordance with Tennessee law. One half of the tax is distributed to the municipal government in which the tax originated and one half is distributed to either Williamson County Schools or the Franklin Special School District. The County receives the portion of sales taxes originated in unincorporated areas. Sales tax revenues are an important part of the Williamson County School budget but not a large part of the Williamson County budget.

On February 6, 2018, voters in Williamson County approved a referendum to increase the local option sales tax rate from 2.25% to 2.75%. The new sales tax rate went into effect on April 1, 2018. For the first three years, all of the new .50% sales tax collections went into a debt service fund to offset the impact of capital projects. After FY 2020-2021, 50% of new collections have gone to the schools and 50% have gone to the local government in which the tax was collected.

The County's 2024-2025 fiscal year ended on June 30, 2025. The County's sales tax collections for FY 2024-2025 were approximately \$130.9 million or 4.93% more than FY 2023-2024. Sales taxes are impacted by changes in economic conditions.

(1) - County Officials attribute a portion of the increase in 2020-2021 to changes in Tennessee law that impacted the collection and distribution of sale tax revenue related to remote and online sales.

Note - Beginning in FY 2023, this table excludes sales taxes collected on behalf of, and distributed to, cities within the County and the Franklin Special School District.

PRIVILEGE TAX AND ADEQUATE FACILITIES TAX DATA

By Private Act of the Tennessee General Assembly, Williamson County implemented a privilege tax on new construction effective July 1, 1988. In July, 2005 the privilege tax rate increased from \$.90 per square foot to \$1.00 per square foot.

The revenue from the privilege tax on new construction is expended in four areas; schools, recreation, fire protection and highways. The square footage of heated or cooled space of new residential and commercial construction is calculated to determine the amount of the one-time privilege tax payment.

The Adequate Facilities Tax became effective July 1, 2007. Monies received from the Adequate Facilities Tax must be shared with the municipalities within the County and the Franklin Special School District. The Adequate Facilities Tax must be used for capital projects.

The County's 2024-2025 fiscal year ended on June 30, 2025. The County's fiscal year 2024-2025 privilege tax collections were approximately \$14 million or 3% less than fiscal year 2023-2024. Privilege taxes are impacted by economic activity and a decline in economic activity can negatively impact collections.

The following table shows the privilege tax collections and allocations in Williamson County since July 1, 2003.

Fiscal Year Ending 6/30	Adequate Facilities Tax ⁽¹⁾	Privilege Tax				Total

County Property Tax Rates Fiscal Year 2025-2026 and Fiscal Year 2024-2025

Williamson County is required to conduct a reappraisal of all taxable property every four years. The County completed a reappraisal process in 2025. The reappraisal resulted in an approximately 50% increase in assessed property valuations. Upon completion of a reappraisal a county is required to calculate a certified tax rate which is revenue neutral. For Williamson County, the increase in property values resulted in a reduction of the prior tax rate of \$1.88 per \$100 of assessed values down to a new certified tax rate of \$1.2433 per \$100 of assessed values. The County Commission subsequently voted to increase the tax from \$1.2433 to \$1.30 for fiscal year 2025-2026.

Williamson County Medical Center

The Williamson County Hospital District, now doing business as the Williamson Medical Center, was created by a Private Act of the Tennessee Legislature in 1957. The hospital is a component unit of Williamson County and also operates an EMS service for the County. A portion, but not all, of the property and buildings are the property of Williamson County.

Williamson Medical Center, is governed by a 12-person Board of Trustees as established by the Private Act. The Board of Trustees governs all operational aspects of the hospital and provides audited financial information to the County on an annual basis. Four members of the Williamson County Board of Commissioners currently serve on the Williamson Medical Center Board. The Williamson County Mayor also serves as an ex-officio voting member of the Board. Two of the Board members are to come from the medical staff. The other nine members are nominated by the existing Board of Trustees and are approved by the County Commission. The County Commission has the authority to select a Trustee who was not nominated by the current Board of Trustees if two-thirds of the County Commission elect to do so.

Williamson County has financed several capital improvements to the Williamson Medical Center through the issuance of general obligation bonds backed by the full faith and credit of the County. Pursuant to Interlocal Agreements executed by Williamson Medical Center and the County, the Medical Center is paying the debt service on these bonds by transferring sufficient funds to the County. As of June 30, 2025, there were \$184,545,000 of County-backed hospital-related bonds outstanding.

The following is a five-year summary of revenues and expenses for the Medical Center:

Summary of Audit Findings

Annual Financial Report
Williamson County, Tennessee
For the Year Ended June 30, 2025

Scope

We have audited the basic financial statements of Williamson County as of and for the year ended June 30, 2025.

Results

Our report on Williamson County's financial statements is unmodified.

Our audit resulted in one finding and recommendation, which we have reviewed with Williamson County management. The detailed finding, recommendation, and management response is included in the Single Audit section of this report.

Finding

The following is a summary of the audit finding:

OFFICE OF COUNTY MAYOR

- ◆ A cash shortage of \$20,881 existed in the General Fund at June 30, 2025.

Independent Auditor's Report

Williamson County Mayor and
Board of County Commissioners
Williamson County, Tennessee

To the County Mayor and Board of County Commissioners:

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of the governmental activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Williamson County, Tennessee, as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the county's basic financial statements as listed in the table of contents.

In our opinion, based on our audit and the report of the other auditors, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Williamson County, Tennessee, as of June 30, 2025, and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparison for the General Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of the discretely presented Williamson County Emergency Communications District, which represent .23 percent, .4 percent, and .43 percent, respectively, of the assets, net position, and revenues of the aggregate discretely presented component units. We did not audit the financial statements of the discretely presented Williamson County Hospital District, which represent 29.65 percent, 25.04 percent, and 38.11 percent, respectively, of the assets, net position, and revenues of the aggregate discretely presented component units. Also, we did not audit the financial statements of the Internal School Fund of the Williamson County School Department (a discretely presented component unit), which represent .89 percent, 1.44 percent, and 3.27 percent, respectively, of the assets, net position, and revenues of the discretely presented school department component unit. Those statements were audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to amounts included for the Williamson County Emergency Communications District, Williamson County Hospital District, and the Williamson County School Department's Internal School Fund is based solely on the reports of the other auditors.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Williamson County, Tennessee, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Changes in Accounting Principle

As described in Note V.B., Williamson County has adopted the provisions of Governmental Accounting Standards Board (GASB) Statement No. 101, *Compensated Absences* and GASB Statement No. 102, *Certain Risk Disclosures*. GASB 101 updates the recognition and measurement guidance for compensated absences under a unified model and amends certain previously required disclosures. GASB 102 provides users of government financial statements with essential information about risks related to a government's vulnerabilities due to certain concentrations or constraints.

Emphasis of Matter

We draw attention to Note I.D.9. to the financial statements, which describes restatements to the beginning Governmental Activities net position totaling (\$55,244) for the primary government and (\$1,587,346) for the discretely presented Williamson County School Department. These restatements were necessary because of the transitional requirements of GASB Statement No. 101, *Compensated Absences*. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Williamson County's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Williamson County's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Williamson County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, the schedule of changes in the county's net pension liability (asset) and related ratios, schedules of county and school contributions, schedules of school's proportionate share of the net pension liability (asset), and schedule of county and school changes in the total OPEB liability and related ratios as listed under Required Supplementary Information in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Williamson County's basic financial statements. The combining and individual nonmajor fund financial statements, budgetary comparison schedules of nonmajor governmental funds and the General Debt Service, Rural Debt Service, and General Capital Projects funds, combining and individual fund financial statements of the Williamson County School Department (a discretely presented component unit), and

miscellaneous schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements, budgetary comparison schedules of nonmajor governmental funds and the General Debt Service, Rural Debt Service, and General Capital Projects funds, combining and individual fund financial statements of the Williamson County School Department (a discretely presented component unit), and miscellaneous schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory section but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Requirements by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 1, 2025, on our consideration of Williamson County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Williamson County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Williamson County's internal control over financial reporting and compliance.

Very truly yours,

Jason E. Mumpower
Comptroller of the Treasury
Nashville, Tennessee

October 1, 2025

JEM/gc

Williamson County, Tennessee
Management's Discussion and Analysis
For the Year Ended June 30, 2025

As management of Williamson County, Tennessee, we offer readers of Williamson County's financial statements this narrative overview and analysis of the financial activities of Williamson County, Tennessee, for the fiscal year ended June 30, 2025. This discussion and analysis focuses on the primary government only and does not include discussions of discretely presented component units.

Financial Highlights

- The liabilities and deferred inflows of Williamson County exceeded its assets and deferred outflows at the close of the fiscal year by \$216,132,187 (net position). The liabilities include \$646,635,106 in debt that is attributable to the Williamson County School Department.
- The government's total net position increased by \$46,817,065.
- On June 30, 2025, Williamson County's governmental funds reported combined ending fund balances of \$676,162,420, an increase of \$57,272,120 in comparison with the prior year.
- On June 30, 2025, unassigned fund balance for the General Fund was \$104,639,999 or 70 percent of total General Fund expenditures.
- For the fiscal year ended June 30, 2025, Williamson County's total debt had a net increase of \$27,086,497. During the year, \$49,960,000 of debt service bonded principal payments were made, other loans principal payments of \$68,503 were made and no debt was refunded during the fiscal year. There was \$77,115,000 of debt issued, which was for various education projects, parks, emergency management operations, various general government maintenance and renovations.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to Williamson County's basic financial statements. The county's basic financial statements are composed of three components: (1) government-wide financial statements; (2) fund financial statements; and (3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements.

Government-wide financial statements. The government-wide financial statements are designed to provide readers with a broad overview of Williamson County's finances in a manner similar to a private-sector business.

The Statement of Net Position presents information on all of Williamson County's assets, deferred outflows of resources, liabilities, and deferred inflows of resources, with the difference between them reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of Williamson County is improving or deteriorating.

The Statement of Activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of Williamson County, which are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The

governmental activities of the county include general government; finance; administration of justice; public safety; public health and welfare; social, cultural, and recreational services; agriculture and natural resources; highway/public works; education; and interest on long-term debt. The government-wide financial statements can be found on Exhibits A and B of this report.

The government-wide financial statements include not only Williamson County (known as the primary government), but also a legally separate school department, hospital district, and emergency communications district for which the county is financially accountable. Financial information for these component units is reported separately from the financial information presented for the primary government itself.

Fund financial statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. Williamson County, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of Williamson County can be divided into three categories: governmental, proprietary, and fiduciary.

Governmental funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

Williamson County maintains nine individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General, General Debt Service, Rural Debt Service, and General Capital Projects funds, all of which are considered to be major funds. Data from the other five governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of combining statements elsewhere in this report.

Williamson County adopts an annual appropriated budget for all funds except the Constitutional Officers - Fees Fund. A budgetary comparison schedule has been provided for the funds to demonstrate compliance with this budget.

The basic governmental fund financial statements can be found on Exhibits C-1 through C-5 of this report.

Proprietary fund. Williamson County has one proprietary fund. The county uses an internal service fund (Self-Insurance Fund) to account for the county's and school department's self-insured health programs. Because this service predominantly benefits governmental rather than business-type functions, it has been included within governmental activities in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the internal service fund. The basic proprietary fund financial statements can be found on Exhibits D-1 through D-3 of this report.

Custodial funds. Custodial funds are used to account for assets held by the county in a custodial capacity or as an agent for individuals, private organizations, other governments, and/or other funds. Custodial funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the county's own programs. The accounting used for custodial funds is much like that used for proprietary funds. The basic custodial funds financial statements can be found on Exhibits E-1 through E-2 of this report.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found as listed in the table of contents of this report.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information concerning pension information and other postemployment benefits information. Required supplementary information can be found after the basic financial statements section of this report.

The combining and individual fund statements and schedules for the nonmajor governmental funds can be found on Exhibits G-1 through G-6 of this report.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of Williamson County, liabilities and deferred inflows of resources exceeded assets and deferred outflows of resources by \$216,132,187 at the close of the fiscal year. The Constitution for the State of Tennessee allows only the local legislative body authorization to issue debt. Therefore, when the Williamson County Board of Education requires additional money to fund school construction and equipment, the related debt must be issued by the county. As of June 30, 2025, the county had outstanding debt totaling \$646,635,106 for capital purposes for the Williamson County Board of Education, but the capital assets are reported in the financial statements of the Williamson County Board of Education. As a result, the county has incurred the related liability without a corresponding increase in the county's capital assets, thereby significantly decreasing its unrestricted net position. Allocation of school debt to the Williamson County Board of Education would result in Williamson County having a net position of \$430,502,919 on June 30, 2025.

The largest portion of Williamson County Government's net position totaling \$179,695,005 reflects its investment in capital assets (e.g., land, intangibles, buildings, machinery, equipment, and infrastructure) less any related debt used to acquire those assets that is still outstanding.

Williamson County uses capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although Williamson County's investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay the debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

Williamson County's Net Position

	2025 Governmental Activities	2024 Governmental Activities
Current and Other Assets	\$ 873,766,223	\$ 822,588,272
Capital Assets	370,940,067	359,464,861
Deferred Outflows	25,542,549	33,437,315

Revenues by Source – Governmental Activities

Financial Analysis of the Government’s Funds

As noted earlier, Williamson County uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds. The focus of Williamson County’s governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing Williamson County’s financing requirements.

In the fund financial statements, governmental funds report fund balance in classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purpose for which amounts in these funds may be spent. These classifications may consist of the following: nonspendable, restricted, committed, assigned, or unassigned.

Nonspendable Fund Balance – As of June 30, 2025, Williamson County does not report any nonspendable fund balance. Nonspendable fund balance would primarily include amounts that cannot be spent because either (a) they are not in spendable form or (b) they are legally or contractually required to be maintained intact.

Restricted Fund Balance – As of June 30, 2025, Williamson County reports \$331,343,806 in restricted fund balance, which includes amounts that have constraints placed on the use of the resources that are either (a) externally imposed by creditors, grantors, contributors or laws and regulations of other governments or (b) imposed by law through constitutional provisions or enabling legislation.

Committed Fund Balance – As of June 30, 2025, Williamson County reports \$218,286,194 in committed fund balance, which includes amounts that are constrained by the county's intent to be used for specific purposes pursuant to constraints imposed by formal resolution of the county commission, the county's highest level of decision-making authority.

Assigned Fund Balance – As of June 30, 2025, Williamson County reports \$21,892,421 in assigned fund balance, which includes amounts that are constrained by the county's intent to be used for specific purposes that are neither restricted nor committed.

Unassigned Fund Balance – As of June 30, 2025, Williamson County reports \$104,639,999 in unassigned fund balance. This classification represents fund balance that has not been restricted, committed, or assigned for specific purposes within the General Fund.

As of the end of the current fiscal year, Williamson County's governmental funds reported combined ending fund balances of \$676,162,420, an increase of \$57,272,120 in comparison with the prior year. Approximately 15 percent of this total amount (\$104,639,999) constitutes unassigned fund balance, which is available for spending at the government's discretion. The remainder of fund balance is restricted, committed, or assigned to indicate that it is not available for new spending.

The General Fund is the chief operating fund of Williamson County. At the end of the current fiscal year, unassigned fund balance of the General Fund was \$104,639,999 while total fund balance was \$132,592,673. As a measure of the General Fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. Unassigned fund balance represents 70 percent of total General Fund expenditures, while total fund balance represents 88 percent of that same amount.

The fund balance of the General Fund increased by \$8,809,177 from the prior year. The primary factors of the increase were revenues exceeded projections and expenditures were less than budgeted.

The fund balance of the Highway/Public Works Fund had a decrease of \$61,283 during the current fiscal year. The primary factor of the decrease was the use of fund balance to offset the cost of capital expenditures.

The fund balance of the General Debt Service Fund had a net decrease of \$4,012,216 from the prior year due to principal and interest payments of debt service.

The fund balance of the Rural Debt Service Fund had a net increase of \$977,198 from the previous year due to increase of other financing sources, excess of revenues over expenditures.

The fund balance of the General Capital Projects Fund had a net increase of \$48,859,914 from the prior year, which was primarily due to the collection of the Educational Impact Fee. The Educational Impact Fee is assessed to developers on the issuance of a new residential building permits for the proportionate share of new or expanded educational facilities needed to service new residential growth.

Proprietary fund. Williamson County's proprietary fund provides the same type of information found in the government-wide financial statements, but in more detail.

General and Highway/Public Works Funds Budgetary Highlights

The final amended budget for General Fund expenditures reflected an increase of seven percent above the original budget.

During the current fiscal year, the final amended budget for the Highway/Public Works Fund expenditures reflected an increase of four percent above the original budget.

Capital Assets and Debt Administration

Capital assets. Williamson County's investment in capital assets for its governmental activities as of June 30, 2025, totaled \$370,940,067 (net of accumulated depreciation). This investment in capital assets includes land, intangibles, buildings and improvements, machinery and equipment, park facilities, roads, highways, bridges, and intangible right-to-use assets. The total net increase in Williamson County's investment in capital assets for the current fiscal year was \$11,475,206. Williamson County completed various projects such as parks and recreation facilities improvements, land purchase for future needs, along with reroofing, renovations and upgrades to various county facilities. Construction in progress totaling \$47,259,101 reflects various ongoing construction and renovation projects within the general operations, public safety, and parks.

Williamson County's Capital Assets
As of June 30
(net of depreciation)

	2025 Governmental Activities	2024 Governmental Activities
	2025	2024
Land	\$ 92,517,473	\$ 92,134,268
Intangibles - Indefinite Life	5,875,500	5,875,500
Construction in Progress	47,259,101	48,285,692
Buildings and Improvements	148,213,684	139,235,742
Infrastructure	26,008,161	26,057,808
Intangibles	4,105,414	4,137,974
Other Capital Assets	43,506,665	39,336,851
Intangible Right-to-Use Assets	3,454,069	4,401,026
Total	\$ 370,940,067	\$ 359,464,861

Long-term debt. At the end of the current fiscal year, Williamson County had total bonded debt outstanding of \$1,124,895,000. All debt is backed by the full faith and credit of the county. Of the amount of total debt outstanding for governmental activities, \$646,565,000 reflects the balance of bond borrowings for education capital projects for the Williamson County Board of Education, which makes up 57.5 percent of Williamson County's outstanding debt.

Williamson County's Outstanding Debt
As of June 30

	2025 Governmental Activities	2024 Governmental Activities
Bonds Payable	\$ 940,350,000	\$ 906,650,000
Self-Supporting Hospital Bonds	184,545,000	191,090,000
Other Loans Payable	70,106	138,609
 Total	 \$ 1,124,965,106	 \$ 1,097,878,609

- For the fiscal year ended June 30, 2025, Williamson County’s total debt had a net increase of \$27,086,497. During the year, \$49,960,000 of debt service bonded principal payments were made, other loans principal payments of \$68,503 were made and no debt was refunded during the fiscal year. There was \$77,115,000 of debt issued, which was for various education projects, parks, juvenile, jail, justice project, emergency operations, various general government maintenance and renovations.

The county maintains an Aaa bond rating from Moody’s for general and rural obligation debt.

Additional information on the county’s long-term debt can be found in Exhibits K-1 and K-2 of this report.

Economic Factors and Next Year’s Budgets and Rates

- The unemployment rate for the county as of June 30, 2025, was 3.3 percent, which was 0.6 of a percentage point higher than the previous year 2024 rate of 2.7 percent. This is compared to the state’s average unemployment rate of 3.6 percent and the national average rate of 4.2 percent as of the same time period.
- The occupancy rate of the government’s central business district for the past two years was 78.8 percent for 2023, 78.9 percent for 2024. The occupancy rate increased for 2025 to 79.8 percent due to a decrease in inventory available.
- Inflationary trends in the region compare favorably to national indices.
- Assessed property value within the county is in excess of \$29.5 billion.

All of these factors were considered in preparing the county’s budget for the 2026 fiscal year.

Requests for Information

This financial report is designed to provide a general overview of Williamson County’s finances for all those with an interest in the government’s finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Director of Accounts and Budgets at 1320 West Main Street, Suite 125, Franklin, TN 37064.

WILLIAMSON COUNTY, TENNESSEE
Reconciliation of the Balance Sheet of Governmental
Funds to the Statement of Net Position
June 30, 2025

Amounts reported for governmental activities in the statement of net position (Exhibit A) are different because:

Total fund balances - balance sheet - governmental funds (Exhibit C-1)		\$ 676,162,420
(1) Capital assets used in governmental activities are not financial resources and therefore are not reported in the governmental funds.		
Add: land	\$ 92,517,473	
Add: intangibles	5,875,500	
Add: construction in progress	47,259,101	
Add: buildings and improvements net of accumulated depreciation	148,213,684	
Add: infrastructure net of accumulated depreciation	26,008,161	
Add: intangibles net of accumulated depreciation	4,105,414	
Add: other capital assets net of accumulated depreciation	43,506,665	
Add: intangible right-to-use assets net of amortization	<u>3,454,069</u>	370,940,067
(2) Investment in joint venture used in governmental activities is not a financial resource and therefore is not reported in governmental funds.		6,794,625
(3) Internal service funds are used to account for the county's and the school department's self-insured health programs. The assets and liabilities are included in governmental activities in the statement of net position.		22,318,333
(4) Long-term liabilities are not due and payable in the current period and therefore are not reported in the governmental funds.		
Add: deferred amount on refunding	\$ 4,622,949	
Less: unamortized premium on debt	(89,448,160)	
Less: bonds payable	(1,124,895,000)	
Less: other loans payable	(70,106)	
Less: SBITA obligation	(3,762,772)	
Less: accrued interest on long-term debt	(10,242,231)	
Less: claims and judgments payable (excluding the internal service fund)	(1,146,144)	
Less: landfill closure/postclosure care costs	(614,516)	
Less: OPEB liability	(53,744,170)	
Less: net pension liability	(14,565,203)	
Less: compensated absences payable	<u>(5,933,632)</u>	(1,299,798,985)
(5) Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB/pensions will be amortized and recognized as components of OPEB/pension expense in future years.		
Add: deferred outflows of resources related to pensions	\$ 18,884,422	
Less: deferred inflows of resources related to pensions	(2,094,199)	
Add: deferred outflows of resources related to OPEB	2,035,178	
Less: deferred inflows of resources related to OPEB	<u>(14,735,105)</u>	4,090,296
(6) Other long-term assets are not available to pay for current period expenditures and therefore are deferred in the governmental funds.		<u>3,361,057</u>
Net position of governmental activities (Exhibit A)		<u>\$ (216,132,187)</u>

WILLIAMSON COUNTY, TENNESSEE
Reconciliation of the Statement of Revenues, Expenditures, and Changes in Fund Balances
of Governmental Funds to the Statement of Activities
For the Year Ended June 30, 2025

Amounts reported for governmental activities in the statement of activities (Exhibit B) are different because:

Net change in fund balances - total governmental funds (Exhibit C-3) \$ 57,272,120

- (1) Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of these assets is allocated over their useful lives and reported as depreciation expense. The difference between capital outlays and depreciation is itemized as follows:

Add: capital assets purchased in the current period	\$ 30,831,224	
Less: current-year depreciation and amortization expense	<u>(17,785,568)</u>	13,045,656

- (2) The net effect of various miscellaneous transactions involving capital assets (sales, trade-ins, and donations) is to decrease net position.

Add: capital assets donated	\$ 149,485	
Less: book value of capital assets disposed	<u>(1,719,935)</u>	(1,570,450)

- (3) Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.

Less: deferred delinquent property taxes and other deferred June 30, 2024	\$ (2,877,089)	
Add: deferred delinquent property taxes and other deferred June 30, 2025	<u>3,361,057</u>	483,968

- (4) The issuance of long-term debt (e.g. bonds, other loans) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. Also, governmental funds report the effect of premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities. This amount is the effect of these differences in the treatment of long-term debt and related items.

Add: principal payments on bonds	\$ 49,960,000	
Add: principal payments on other loans	68,503	
Less: bond proceeds	(77,115,000)	
Less: change in deferred amount on refunding debt	(1,310,427)	
Add: change in premium on debt issuances	<u>1,764,669</u>	(26,632,255)

- (5) The issuance of SBITA obligations provides current financial resources to governmental funds, while the payment of principal of SBITAs consumes current resources of governmental funds. Neither transaction, however, has any effect on net position. This amount is the effect of these differences in the treatment of SBITA obligations.

Add: principal payments on SBITA		1,147,819
----------------------------------	--	-----------

(Continued)

WILLIAMSON COUNTY, TENNESSEE**Reconciliation of the Statement of Revenues, Expenditures, and Changes in Fund Balances
of Governmental Funds to the Statement of Activities (Cont.)**

(6) Some expenses reported in the statement of activities do not require the use of current financial resources and therefore are not reported as expenditures in the governmental funds.		
Change in accrued interest payable	\$	(337,977)
Change in OPEB liability		7,560,753
Change in deferred outflows of resources related to pensions		(1,654,251)
Change in deferred inflows of resources related to pensions		(1,622,998)
Change in deferred outflows of resources related to OPEB		(4,930,088)
Change in deferred inflows of resources related to OPEB		6,238,875
Change in landfill closure/postclosure care costs		(14,403)
Change in compensated absences payable		(635,213)
Change in claims and judgments payable		491,213
Change in net pension liability		<u>1,566,512</u>
	\$	6,662,423
(7) Internal service funds are used to account for the county's and the school department's self-insured health programs. The net revenue (expense) of certain activities of the internal service fund is reported with governmental activities in the statement of activities.		<u>(3,536,972)</u>
Change in net position of governmental activities (Exhibit B)	\$	<u><u>46,872,309</u></u>

The notes to the financial statements are an integral part of this statement.

WILLIAMSON COUNTY, TENNESSEE
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended June 30, 2025

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Williamson County's financial statements are presented in accordance with generally accepted accounting principles (GAAP). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments.

The following are the more significant accounting policies of Williamson County:

A. *Reporting Entity*

Williamson County is a public municipal corporation governed by an elected 24-member board. As required by GAAP, these financial statements present Williamson County (the primary government) and its component units. The component units discussed below are included in the county's reporting entity because of the significance of their operational or financial relationships with the county.

Discretely Presented Component Units – The following entities meet the criteria for discretely presented component units of the county. They are reported in separate columns in the government-wide financial statements to emphasize that they are legally separate from the county.

The Williamson County School Department operates the public school system in the county, and the voters of Williamson County elect its board. The school department is fiscally dependent on the county because it may not issue debt, and its budget and property tax levy are subject to the county commission's approval. The school department's taxes are levied under the taxing authority of the county and are included as part of the county's total tax levy.

The Williamson County Hospital District provides health care to the citizens of Williamson County, and the Williamson County Commission appoints its governing body. The county annually provides a subsidy to the hospital to help defray the costs of operating an ambulance service.

The Williamson County Emergency Communications District provides a simplified means of securing emergency services through a uniform emergency number for the residents of Williamson County, and the Williamson County Commission appoints its governing body. The district is funded primarily through a service charge levied on telephone services. Before the issuance of most debt instruments, the district must obtain the county commission's approval.

The Williamson County School Department does not issue separate financial statements from those of the county. Therefore, basic financial statements of the school department are included in this report as listed in the table of contents. Complete financial statements of the Williamson County Hospital District and the Williamson County Emergency Communications District can be obtained from their administrative offices at the following addresses:

Administrative Offices:

Williamson County Hospital District
d/b/a Williamson Health
4321 Carothers Parkway
Franklin, TN 37067

Williamson County Emergency
Communications District
304 Beasley Drive, Suite 145
Franklin, TN 37064

Related Organization – The Williamson County Industrial Development Board and the War Memorial Public Library Board of Trustees are related organizations of Williamson County. The county’s officials are responsible for appointing the members of the boards, but the county’s accountability for these organizations does not extend beyond making the appointments.

B. Government-wide and Fund Financial Statements

The government-wide financial statements (i.e., the Statement of Net Position and the Statement of Activities) report information on all of the nonfiduciary activities of the primary government and its component units. For the most part, the effect of interfund activity has been removed from these statements. However, when applicable, interfund services provided and used between functions are not eliminated in the process of consolidation in the Statement of Activities. Governmental activities are normally supported by taxes and intergovernmental revenues. Business-type activities, which rely to a significant extent on fees and charges, are required to be reported separately from governmental activities in government-wide financial statements. However, the primary government of Williamson County does not have any business-type activities to report. Likewise, the primary government is reported separately from certain legally separate component units for which the primary government is financially accountable. The Williamson County School Department component unit only reports governmental activities in the government-wide financial statements.

The Statement of Activities demonstrates the degree to which the direct expenses of a given function are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function. Program revenues include (1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Williamson County issues all debt for the discretely presented Williamson County School Department. Net debt issues totaling \$37,923,345 were contributed by the county to the school department during the year ended June 30, 2025.

Separate financial statements are provided for governmental funds, the proprietary fund (an internal service fund), and fiduciary funds. The internal service fund is reported with the governmental activities in the government-wide financial statements, and the fiduciary funds are excluded from the government-wide financial statements. Major individual governmental funds are reported as separate columns in the fund financial statements.

C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund and fiduciary funds financial statements. Revenues are recorded when earned, and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Fund financial statements of Williamson County are organized into funds, each of which is considered to be a separate accounting entity. Each fund is accounted for by providing a separate set of self-

balancing accounts that constitute its assets, deferred outflow of resources, liabilities, deferred inflow of resources, fund balance/fund net position, revenues, and expenditures/expenses. Funds are organized into three major categories: governmental, proprietary, and fiduciary. An emphasis is placed on major funds within the governmental category. Williamson County only reports one proprietary fund, an internal service fund. It has no enterprise funds to report.

Separate financial statements are provided for governmental funds, the proprietary fund, and fiduciary funds. Major individual governmental funds are reported as separate columns in the fund financial statements. All other governmental funds are aggregated into a single column on the fund financial statements. The internal service fund and the fiduciary funds in total are reported in single columns by fund type.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they become both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the county considers revenues other than grants to be available if they are collected within 30 days after year-end. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met and the revenues are available. Williamson County considers grants and similar revenues to be available if they are collected within 60 days after year-end. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. Principal and interest on long-term debt, including SBITA obligations are recognized as fund liabilities when due or when amounts have been accumulated in the general (SBITA) and debt service funds for payments to be made early in the following year.

Property taxes for the period levied, in-lieu-of tax payments, sales taxes, interest, and miscellaneous taxes are all considered to be susceptible to accrual and have been recognized as revenues of the current period. Applicable business taxes, litigation taxes, state-shared excise taxes, fines, forfeitures, and penalties are not susceptible to accrual since they are not measurable (reasonably estimable). All other revenue items are considered to be measurable and available only when the county receives cash.

The proprietary fund and fiduciary funds financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recognized when earned, and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met. Fiduciary fund reporting focuses on net position and changes in net position. The fiduciary fund category includes custodial funds.

Williamson County reports the following major governmental funds:

General Fund – This is the county’s primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

General Debt Service Fund – This fund accounts for the resources accumulated and payments made for principal and interest on long-term general obligation debt of governmental funds.

Rural Debt Service Fund – This fund accounts for the accumulation of resources for, and the payment of, long-term debt principal, interest, and related costs specifically issued for K-8 schools outside the territorial boundaries of the Franklin Special School District.

General Capital Projects Fund – This fund accounts for the financial resources to be used for the acquisition or construction of major capital facilities.

Additionally, Williamson County reports the following fund types:

Special Revenue Funds – These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects.

Internal Service Fund – The Self-Insurance Fund is used to account for the county's and the school department's self-insured health programs. Amounts per employee are charged to the various funds, and employee payroll deductions are placed in this fund for the payment of claims.

Custodial Funds – These funds account for amounts collected in a custodial capacity by the constitutional officers, local sales taxes received by the state to be forwarded to the various cities in Williamson County, property taxes for the city of Nolensville, city of Brentwood, city of Fairview, city of Franklin and the town of Thompson's Station, various cities' share of adequate facilities taxes collected by the county, the Franklin Special School District's share of educational revenues, funds held for the benefit of the Judicial District Drug Task Force, restricted revenues held for the benefit of the Office of District Attorney General, and assets held in a custodial capacity for the Williamson County Governmental Library Commission.

The discretely presented Williamson County School Department reports the following major governmental funds:

General Purpose School Fund – This fund is the primary operating fund for the school department. It is used to account for general operations of the school department.

Education Capital Projects Fund – This fund is used to account for the receipt of debt issued by Williamson County and contributed to the school department for building construction and renovations.

Additionally, the Williamson County School Department reports the following fund type:

Special Revenue Funds – These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects.

The school department reports a nonmajor special revenue fund (Internal School Fund) which is used to account for funds held at the individual schools for internal school use such as the purchase of supplies, school clubs, and student activities. Collections from students and school activities are the foundational revenues of this fund. The current year (FY 25) report was not available from the auditor of the Internal School Fund in time for inclusion in this report. Therefore, the prior year balances (FY 24) are presented in this report. We do not believe using the prior year balances will affect the independent auditor's opinion on the Aggregate Discretely Presented Component Units. A more detailed reporting of the fund activities at each individual school may be found on the [Tennessee Comptroller of the Treasury's website](#).

Amounts reported as program revenues include: (1) charges to customers or applicants for goods, services, or privileges provided; (2) operating grants and contributions; and (3) capital grants and contributions. Internally dedicated resources are reported as general revenues rather than as program revenues. Likewise, general revenues include all taxes.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. The county has one proprietary fund, an internal service fund, used to account for the county's and the school

department's employee self-insurance health programs. Operating revenues and expenses generally result from providing services in connection with the fund's principal ongoing operations. Insurance contributions and premiums are the principal operating revenues of the internal service fund. Operating expenses for the internal service fund include administrative expenses and employee benefits.

D. Assets, Liabilities, Deferred Outflows/Inflows of Resources, and Net Position/Fund Balance

1. Deposits and Investments

For purposes of the Statement of Cash Flows, cash includes cash on deposit with the county trustee.

State statutes authorize the government to make direct investments in bonds, notes, or treasury bills of the U.S. government and obligations guaranteed by the U.S. government or any of its agencies; deposit accounts at state and federal chartered banks and savings and loan associations; repurchase agreements; the State Treasurer's Investment Pool; the State Treasurer's Intermediate Term Investment Fund; bonds of any state or political subdivision rated A or higher by any nationally recognized rating service; nonconvertible debt securities of certain federal government sponsored enterprises; and the county's own legally issued bonds or notes.

The county trustee maintains a cash and internal investment pool that is used by all funds and the discretely presented Williamson County School Department. Each fund's portion of this pool is displayed on the balance sheets or statements of net position as Equity in Pooled Cash and Investments. Most income from these pooled investments is assigned to the General Fund, General Purpose School, General Debt Service, and General and Education Capital Projects funds. Williamson County and the school department have adopted a policy of reporting U.S. Treasury obligations, U.S. agency obligations, and repurchase agreements with maturities of one year or less when purchased on the balance sheet at amortized cost. Certificates of deposit are reported at cost.

Investments in the State Treasurer's Investment Pool are reported at amortized cost using a stable net asset value. The primary oversight responsibility for the investments and operations of the State Treasurer's Investment Pool rests with the Funding Board of the State of Tennessee (Funding Board). The Funding Board has established an investment policy that is administered by the state treasurer. These policies were designed to comply with generally accepted accounting principles. In addition, state statutes require the state treasurer to administer the pool under the same terms and conditions, including collateral requirements, as prescribed for other funds invested by the state treasurer. Compliance with Funding Board policies is audited by the Tennessee Comptroller of the Treasury, Division of State Audit. The latest audit opinion issued by the Division of State Audit concluded that the State Treasurer's Investment Pool complied with accounting principles generally accepted in the United States of America.

Investments in the State Treasurer's Intermediate Term Investment Fund are reported at amortized cost using a floating net asset value. The primary oversight responsibility for the investments and operations of the State Treasurer's Intermediate Term Investment Fund rests with the Funding Board of the State of Tennessee (Funding Board). The Funding Board has established an investment policy that is administered by the state treasurer. These policies were designed to comply with generally accepted accounting principles. In addition, state statutes require the state treasurer to administer the pool under the same terms and conditions as prescribed for other funds invested by the state treasurer. Compliance with Funding Board policies is audited by the Tennessee Comptroller of the Treasury, Division of State Audit. The

latest audit opinion issued by the Division of State Audit concluded that the State Treasurer's Intermediate Term Investment Fund complied with accounting principles generally accepted in the United States of America. Williamson County had no investments in the State Treasurer's Intermediate Term Investment Fund during the year.

All other investments are reported at fair value.

2. Receivables and Payables

Activity between funds for unremitted current collections outstanding at the end of the fiscal year is referred to as due to/from other funds.

All property taxes receivable are shown with an allowance for uncollectibles. The allowance for uncollectible property taxes is equal to 0.21 percent of total taxes levied.

Property taxes receivable are recognized as of the date an enforceable legal claim to the taxable property arises. This date is January 1 and is referred to as the lien date. However, revenues from property taxes are recognized in the period for which the taxes are levied, which is the ensuing fiscal year. Since the receivable is recognized before the period of revenue recognition, the entire amount of the receivable, less an estimated allowance for uncollectible taxes, is reported as a deferred inflow of resources as of June 30.

Property taxes receivable are also reported as of June 30 for the taxes that are levied, collected, and reported as revenue during the current fiscal year. These property taxes receivable are presented on the balance sheet as a deferred inflow of resources to reflect amounts not available as of June 30. Property taxes collected within 30 days of year-end are considered available and accrued. The allowance for uncollectible taxes represents the estimated amount of the receivable that will be filed in court for collection. Delinquent taxes filed in court for collection are not included in taxes receivable since they are neither measurable nor available.

Property taxes are levied as of the first Monday in October. Taxes become delinquent and begin accumulating interest and penalty the following March 1. Suit must be filed in Chancery Court between the following February 1 to April 1 for any remaining unpaid taxes. Additional costs attach to delinquent taxes after a court suit has been filed.

Lease receivables and deferred inflows of resources are recognized in the governmental funds and government-wide financial statements. At the commencement of a lease, a lease receivable is initially measured at the present value of payments expected to be received during the lease term. Subsequently, the lease receivable and deferred inflow are reduced by the principal portion of lease payments received. Interest received from the lessee is recognized as revenue when received. Any accumulated interest on June 30 will result in accrued interest receivable in the governmental funds and government-wide financial statements.

Williamson County has issued debt on behalf of the Williamson County Hospital District, a discretely presented component unit that is a part of Williamson County's reporting entity. Williamson County and the Williamson County Hospital District have entered into a legal agreement for the Williamson County Hospital District to repay Williamson County all of the debt service requirements as they become due. Williamson County has recognized a receivable for the debt in both the governmental funds and government-wide financial statements.

Most payables are disaggregated on the face of the financial statements. Current liabilities payable from restricted assets reflected in the primary government's General Capital Projects Fund represent deposits placed with Williamson County for road damage (\$2,593,997). Current liabilities payable from restricted assets reflected in the school department's nonmajor

governmental funds represent deposits placed with the school department for student meals (\$879,195) and daycare (\$21,800). Claims and judgments payable are discussed in Note V.A. Risk Management.

Retainage payable in the primary government's General Capital Projects Fund and school department's Education Capital Projects Fund represent amounts withheld from payments made on construction contracts pending completion of the projects. This amount is held by the county trustee as Equity in Pooled Cash and Investments in the respective funds.

3. Restricted Assets

Restricted assets consist of amounts held in a pension stabilization trust by the Tennessee Consolidated Retirement System (TCRS) for the benefit of the discretely presented Williamson County School Department's Teacher Retirement Plan. The purpose of this trust is to accumulate funds to provide stabilization (smoothing) of retirement costs to the school system in times of fluctuating investment returns and market downturns. These funds are held and invested by TCRS pursuant to an irrevocable agreement and may only be used for the benefit of the Williamson County School Department to fund retirement benefits upon approval of the TCRS Board of Directors. To date, the Williamson County School Department has not withdrawn any funds from the trust to pay pension cost. Trust documents provide that the funds are not subject to the claims of general creditors of the school department.

4. Capital Assets

Governmental funds do not capitalize the cost of capital outlays; these funds report capital outlays as expenditures upon acquisition.

Capital assets, which include property, plant, equipment, and infrastructure assets (e.g., roads, bridges, and similar items), and intangible right-to-use assets (e.g., SBITA assets) are reported in the governmental column in the government-wide financial statements. Capital assets are defined by the primary government as assets with an initial, individual cost of \$10,000 (buildings/improvements, intangibles, SBITA \$100,000; infrastructure \$50,000) or more and an estimated useful life of more than five years. Capital assets are defined by the school department as assets with an initial, individual cost of \$10,000 (buildings/improvements \$100,000; vehicles \$20,000) and an estimated useful life of more than five years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets' lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed.

Property, plant, equipment, and infrastructure of the primary government and the discretely presented school department are depreciated using the straight-line method over the following estimated useful lives. Right-to-use assets are amortized over the shorter of the SBITA term or useful life.

Assets	Years
Buildings and Improvements	20 - 40
Intangibles	Various*
Other Capital Assets	5 - 20
Infrastructure:	
Roads	20 - 50
Bridges	30 - 50

*applicable legal life of the asset

5. Deferred Outflows/Inflows of Resources

In addition to assets, the Statement of Net Position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net assets that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The government has items that qualify for reporting in this category. Accordingly, the items are reported in the government-wide Statement of Net Position. These items are for the deferred charges on refunding debt; pension changes in assumptions, experience, and proportion; employer contributions made to the pension plan after the measurement date; and other postemployment benefits changes in assumptions. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt.

In addition to liabilities, the Statement of Net Position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net assets that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The government has items that qualify for reporting in this category. Accordingly, the items are reported in the government-wide Statement of Net Position and the governmental funds Balance Sheet. These items are from the following sources: current and delinquent property taxes; leases receivable; pension changes in experience, investment earnings, and proportion; other postemployment benefits changes in assumptions and experience; and various receivables for revenues, which do not meet the availability criteria in governmental funds. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available.

6. Compensated Absences

It is the county's policy to permit employees to accumulate a limited amount of earned but unused vacation leave, compensatory time, and sick leave benefits. All vacation pay and compensatory time is accrued when incurred in the government-wide financial statements for the county and its discretely presented component units. Only a portion of the unpaid accumulated sick leave is accrued. The criteria for accrual includes a "more likely than not," to be used or paid. Since Williamson County does not have a policy to pay any sick leave amounts when employees separate from service with the government, only the portion of sick leave "more likely than not" expected to be used is accrued in the government-wide financial statements. Sick leave expected to be credited to TCRS service is not accrued. A liability for vacation leave, compensatory time, or sick leave is reported in governmental funds only if amounts have matured, for example, as a result of employee resignations and retirements and payable under the county's policies.

7. Long-term Debt, SBITA Obligations, and Long-term Obligations

In the government-wide financial statements, long-term debt, SBITA, and other long-term obligations are reported as liabilities in the applicable governmental activities Statement of Net Position. Debt premiums and discounts are deferred and are amortized over the life of the new debt using the straight-line method. Debt issuance costs are expensed in the period incurred. In refunding transactions, the difference between the reacquisition price and the net carrying amount of the old debt is reported as a deferred outflow of resources or a deferred inflow of resources and recognized as a component of interest expense in a systematic and rational manner over the remaining life of the refunded debt or the life of the new debt issued, whichever is shorter.

In the fund financial statements, governmental funds recognize debt premiums and discounts, as well as debt issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources, while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

SBITA obligations are recognized in the government-wide financial statements. At the commencement of a SBITA, a liability is initially measured at the present value of payments expected to be made during the obligation term. Subsequently, the liability is reduced by the principal portion of the subscription payments made.

Only the matured portion (the portion that has come due for payment) of long-term indebtedness, including bonds payable and SBITA obligations, is recognized as a liability and expenditure in the governmental fund financial statements. Liabilities and expenditures for other long-term obligations, including compensated absences, claims and judgments, other postemployment benefits, pensions, and landfill closure/ postclosure care costs are recognized to the extent that the liabilities have matured (come due for payment) each period.

8. Net Position and Fund Balance

In the government-wide financial statements and the proprietary fund in the fund financial statements, equity is classified as net position and displayed in three components:

- a. Net investment in capital assets – Consists of capital assets, including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.
- b. Restricted net position – Consists of net position with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments or (2) law through constitutional provisions or enabling legislation.
- c. Unrestricted net position – All other net position that does not meet the definition of restricted or net investment in capital assets.

The government-wide Statement of Net Position reports \$13,001,210 of restricted net position, of which \$3,219,404 is restricted by enabling legislation.

As of June 30, 2025, Williamson County had \$646,635,106 in outstanding debt for capital purposes for the discretely presented Williamson County School Department. This debt is a liability of Williamson County, but the capital assets acquired are reported in the financial

statements of the school department. Therefore, Williamson County has incurred a liability significantly decreasing its unrestricted net position with no corresponding increase in the county's capital assets.

It is the county's policy that restricted amounts be reduced first followed by unrestricted amounts when expenditures are incurred for purposes for which both restricted and unrestricted fund balance is available. Also, it is the county's policy that committed amounts be reduced first, followed by assigned amounts, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of these unrestricted fund balance classifications could be used.

In the fund financial statements, governmental funds report fund balance in classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in these funds can be spent. These classifications may consist of the following:

Nonspendable Fund Balance – includes amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.

Restricted Fund Balance – includes amounts that have constraints placed on the use of the resources that are either (a) externally imposed by creditors, grantors, contributors or laws and regulations of other governments or (b) imposed by law through constitutional provisions or enabling legislation.

Committed Fund Balance – includes amounts that can only be used for specific purposes pursuant to constraints imposed by formal resolutions of the county commission, the county's highest level of decision-making authority and the Board of Education, the school department's highest level of decision-making authority, and shall remain binding unless removed in the same manner.

Assigned Fund Balance – includes amounts that are constrained by the county's intent to be used for specific purposes but are neither restricted nor committed (excluding stabilization arrangements). The county commission has by resolution authorized the county's Budget Committee to make assignments for the general government. The Board of Education makes assignments for the school department.

Unassigned Fund Balance – the residual classification of the General and General Purpose School funds. This classification represents fund balance that has not been assigned to other funds and has not been restricted, committed, or assigned to specific purposes within the General and General Purpose School funds. In the other governmental funds, funds expended that exceed the amounts that are restricted, committed, and assigned are reported as negative unassigned fund balance.

9. Restatements

With the implementation of GASB Statement 101, *Compensated Absences*, Williamson County must recognize a restatement to the beginning net position in the Government-wide financial statements for the Primary Government and the discretely presented Williamson County School Department to record a compensated absences liability. A restatement of \$(55,244) has been presented to reflect the beginning balance of the Primary Government and \$(1,587,346) for the discretely presented Williamson County School Department.

	Government Wide - Governmental Activities	
	Primary Government	Discretely Presented Williamson County School Department
	Government	School Department
Net Position, as previously reported	\$ (262,949,252)	\$ 788,207,505
Adjustments for GASB 101 Implementation:		
Compensated Absences Liability	(55,244)	(1,587,346)
Net Change in Beginning Net Position	<u>\$ (55,244)</u>	<u>\$ (1,587,346)</u>
Net Position, June 30, 2024, Restated	<u>\$ (263,004,496)</u>	<u>\$ 786,620,159</u>

10. Changes To or Within the Financial Reporting Entity

Changes in Major Fund Classification (Column A)

Fund classifications are evaluated annually in accordance with the criteria established in GASB Statement No. 34. During fiscal year 2025, the following funds experienced changes in major fund status:

The American Rescue Plan Act Grant and Highway/Public Works funds no longer met the quantitative threshold and are presented as nonmajor governmental funds. The prior-year amounts have been restated to reflect the funds within the Nonmajor Governmental Funds column.

These presentation changes are reported retrospectively in accordance with GASB Statement No. 100 and do not affect the previously reported total governmental fund balances or changes in fund balances.

	7-1-24 As Previously Reported	Change To or Within the Financial Reporting Entity (A)	7-1-24 As Restated
	Primary Government		
Governmental Funds			
Major Funds:			
American Rescue Plan Act Grant	\$ 3,243,502	\$ (3,243,502)	\$ 0
Highway/Public Works	12,183,524	(12,183,524)	0
Nonmajor Funds	10,093,692	15,427,026	25,520,718
Total Governmental Funds	<u>\$ 25,520,718</u>	<u>\$ 0</u>	<u>\$ 25,520,718</u>

E. Pension Plans

Primary Government

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of Williamson County's participation in the Public Employee Pension Plan of the Tennessee Consolidated Retirement System (TCRS), and additions to/deductions from Williamson County's fiduciary net position have been determined on the same basis as they are reported by the TCRS for the Public Employee Pension Plan. For this purpose, benefits (including refunds of employee

contributions) are recognized when due and payable in accordance with the benefit terms of the Public Employee Pension Plan of TCRS. Investments are reported at fair value.

Discretely Presented Williamson County School Department

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Teacher Retirement Plan and the Teacher Legacy Pension Plan in the Tennessee Consolidated Retirement System, and additions to/deductions from fiduciary net position have been determined on the same basis as they are reported by the TCRS. For this purpose, benefits (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms of the Teacher Retirement Plan and the Teacher Legacy Pension Plan. Investments are reported at fair value.

F. Other Postemployment Benefit (OPEB) Plans

Primary Government

For purposes of measuring the net OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, have been determined on the same basis as they are reported by Williamson County. For this purpose, Williamson County recognizes benefit payments when due and payable in accordance with benefit terms. Williamson County's OPEB plan is not administered through a trust.

Discretely Presented Williamson County School Department

For purposes of measuring the net OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, have been determined on the same basis as they are reported by the discretely presented Williamson County School Department. For this purpose, the school department recognizes benefit payments when due and payable in accordance with benefit terms. The school department's OPEB plan is not administered through a trust.

II. RECONCILIATION OF GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

A. Explanation of certain differences between the governmental fund Balance Sheet and the government-wide Statement of Net Position

Primary Government

Exhibit C-2 includes explanations of the nature of individual elements of items required to reconcile the balance sheet of governmental funds with the government-wide Statement of Net Position.

Discretely Presented Williamson County School Department

Exhibit J-3 includes explanations of the nature of individual elements of items required to reconcile the balance sheet of governmental funds with the government-wide Statement of Net Position.

B. Explanation of certain differences between the governmental fund Statement of Revenues, Expenditures, and Changes in Fund Balances and the government-wide Statement of Activities

Primary Government

Exhibit C-4 includes explanations of the nature of individual elements of items required to reconcile the net change in fund balances – total governmental funds with the change in net position of governmental activities reported in the government-wide Statement of Activities.

Discretely Presented Williamson County School Department

Exhibit J-5 includes explanations of the nature of individual elements of items required to reconcile the net change in fund balances – total governmental funds with the change in net position of governmental activities reported in the government-wide Statement of Activities.

III. STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

A. Budgetary Information

Annual budgets are adopted on a basis consistent with generally accepted accounting principles (GAAP) for all governmental funds except the Constitutional Officers – Fees Fund and the school department’s Internal School Fund (special revenue funds), which are not budgeted. All annual appropriations lapse at fiscal year-end.

The county is required by state statute to adopt annual budgets. Annual budgets are prepared on the basis in which current available funds must be sufficient to meet current expenditures. Expenditures and encumbrances may not legally exceed appropriations authorized by the county commission and any authorized revisions. Unencumbered appropriations lapse at the end of each fiscal year.

The budgetary level of control is at the major category level established by the County Uniform Chart of Accounts, as prescribed by the Comptroller of the Treasury of the State of Tennessee. Major categories are at the department level (examples of General Fund major categories: County Commission, Board of Equalization, Beer Board, Other Boards and Committees, etc.). Management may make revisions within major categories, but only the county commission may transfer appropriations between major categories. During the year, several supplementary appropriations were necessary.

The county’s budgetary basis of accounting is consistent with GAAP, except instances in which encumbrances are treated as budgeted expenditures. The difference between the budgetary basis and GAAP basis is presented on the face of each budgetary schedule.

On June 30, 2025, Williamson County and the Williamson County School Department had the following outstanding encumbrances:

Fund	Amount
Primary Government:	
Major Fund:	
General	\$ 2,559,945
Nonmajor Funds:	
Solid/Waste Sanitation	460,846
Drug Control	17,450
American Rescue Plan Act Grant	3,189,555
Highway/Public Works	901,157
School Department:	
Major Fund:	
General Purpose School	11,098,408
Nonmajor Funds:	
Central Cafeteria	397,165
Extended School Program	36,214

B. Cash Shortages – Prior Years

The audit of Williamson County for the 2005-06 year reported a cash shortage of \$45,038 as of June 30, 2006, at the Fairview Recreational Center. This cash shortage resulted from collections that were not deposited or otherwise accounted for properly. On October 6, 2008, the defendant pled guilty and was sentenced to four years’ probation and ordered to pay restitution to Williamson County. On October 7, 2008, the defendant signed a promissory note with Williamson County. The promissory note states that the debtor shall pay the principal amount in full no later than 48 months from November 1, 2008. This note was extended for an additional four years in FY 2012 and again for an additional four years on November 21, 2016. On February 3, 2022, a civil judgment was issued, and the defendant was permitted to pay installments of \$100 per month to Williamson County. During the 2024-25 fiscal year, this individual paid restitution totaling \$199, leaving the outstanding cash shortage of \$28,478 as of June 30, 2025.

A special report of the Williamson County Animal Control Department released on July 26, 2010, for the period May 17, 2005, through March 31, 2010, reported a cash shortage of \$106,446 from receipts that were not deposited with the county or otherwise accounted for properly. On November 15, 2010, the employee pled guilty to theft over \$60,000 and was sentenced to eight years’ confinement, which was suspended to eight years’ probation, and was ordered to pay restitution of \$106,446. During the 2024-25 fiscal year, this individual paid restitution of \$3,000 leaving the outstanding cash shortage of \$84,421 as of June 30, 2025.

C. Cash Shortage – Current Year

The General Fund had a cash shortage of \$20,881 as of June 30, 2025. Details of this cash shortage are discussed in the Schedule of Findings and Questioned Costs section of this report.

IV. DETAILED NOTES ON ALL FUNDS

A. Deposits and Investments

Williamson County and the Williamson County School Department participate in an internal cash and investment pool through the Office of Trustee. The county trustee is the treasurer of the county and in this capacity is responsible for receiving, disbursing, and investing most county funds. Each fund's portion of this pool is displayed on the balance sheets or statements of net position as Equity in Pooled

Cash and Investments. Cash and investments reflected on the balance sheets or statements of net position represent nonpooled amounts held separately by individual funds.

Deposits

Legal Provisions. All deposits with financial institutions must be secured by one of three methods. One method involves financial institutions that participate in the bank collateral pool administered by the state treasurer. Participating banks determine the aggregate balance of their public fund accounts for the State of Tennessee and its political subdivisions. The amount of collateral required to secure these public deposits must equal at least 90 percent of the average daily balance of public deposits held. Collateral securities required to be pledged by the participating banks to protect their public fund accounts are pledged to the state treasurer on behalf of the bank collateral pool. The securities pledged to protect these accounts are pledged in the aggregate rather than against each account. The members of the pool may be required by agreement to pay an assessment to cover any deficiency. Under this additional assessment agreement, public fund accounts covered by the pool are considered to be insured for purposes of credit risk disclosure.

For deposits with financial institutions that do not participate in the bank collateral pool, state statutes require that all deposits be collateralized with collateral whose fair value is equal to 105 percent of the uninsured amount of the deposits. The collateral must be placed by the depository bank in an escrow account in a second bank for the benefit of the county.

In addition, counties may invest in FDIC insured certificates of deposit. The deposit is first made in a bank or savings and loan association, selected by the government entity, with a branch in the state of Tennessee that is authorized to accept county deposits (the depository bank). The depository bank then arranges for the transfer of the moneys into one or more federally insured banks or savings and loan associations, wherever located (secondary depositories), for the account of the county. In turn, the depository bank receives funds from customers of the secondary depositories equal to or greater than the amount initially invested by the county. The balance of county funds with each secondary depository must not exceed FDIC insurance limits so that all funds are fully insured. Under this program, the trustee must provide the depository bank with a listing of all banks and savings and loan associations holding county funds under the same federal employer identification number (FEIN). To prevent deposits from exceeding FDIC coverage, the depository bank is prohibited from using any of those listed banks or savings and loan associations as secondary depositories. The use of this program must be approved by the county investment committee or finance committee as appropriate for the specific county. Further, the investment committee or finance committee must establish policies and procedures for the investments, including the establishment of controls to ensure that full FDIC insurance coverage is obtained. Service providers used by depositories must be approved by the state treasurer upon concurrence by the commissioner of financial institutions and finance and administration. There are currently only two eligible programs that have been approved by the state treasurer: the Certificate of Deposit Account Registry Service (CDARS) and the Insured Cash Sweep (ICS), which operate through IntraFi Network, LLC.

Investments

Legal Provisions. Counties are authorized to make direct investments in bonds, notes, or treasury bills of the U.S. government and obligations guaranteed by the U.S. government or any of its agencies; deposits at state and federal chartered banks and savings and loan associations; bonds of any state or political subdivision rated A or higher by any nationally recognized rating service; nonconvertible debt securities of certain federal government sponsored enterprises; and the county's own legally issued bonds or notes. These investments may not have a maturity greater than two years. The county may make investments with longer maturities if various restrictions set out in state law are followed. Counties are also authorized to make investments in the State Treasurer's Investment Pool, the State Treasurer's Intermediate Term Investment Fund, and in repurchase agreements. The primary oversight responsibility for the investments and operations of the State Treasurer's Investment Pool rests with

the Funding Board of the State of Tennessee (Funding Board). The Funding Board has established an investment policy that is administered by the state treasurer. Investments in the State Treasurer's Investment Pool are reported both by the pool and the county at amortized cost using a stable net asset value. The primary oversight responsibility for the investments and operations of the Intermediate Term Investment Fund rests with the Funding Board of the State of Tennessee (Funding Board). The Funding Board has established an investment policy that is administered by the state treasurer. Investments in the Intermediate Term Investment Fund are reported both by the pool and the county at amortized cost using a floating net asset value. Repurchase agreements must be approved by the state Comptroller's Office and executed in accordance with procedures established by the State Funding Board. Securities purchased under a repurchase agreement must be obligations of the U.S. government or obligations guaranteed by the U.S. government or any of its agencies. When repurchase agreements are executed, the purchase of the securities must be priced at least two percent below the fair value of the securities on the day of purchase.

Investment Balances. As of June 30, 2025, Williamson County had the following investments carried at amortized cost using a Stable Net Asset Value or fair value within the fair value hierarchy established by generally accepted accounting principles. Except for investments in U.S. Treasury Bills and Federal Home Loan Banks, all investments are in the county trustee's investment pool. Separate disclosures concerning pooled investments cannot be made for Williamson County and the discretely presented Williamson County School Department since both pool their deposits and investments through the county trustee.

Investment	Weighted Average Maturity (days)	Maturities	Fair Value or Amortized Cost
Investments at Amortized Cost:			
State Treasurer's Investment Pool	1 to 45	N/A	\$ 78,419,308
Investments at Fair Value:			
U.S. Treasury Bills	N/A	various	63,876,564
Federal Home Loan Banks	N/A	various	<u>14,992,100</u>
Total			<u><u>\$ 157,287,972</u></u>

Investment by Fair Value Level	Fair Value 6-30-25	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
U.S. Treasury Bills	\$ 63,876,564	\$ 63,876,564	\$ 0	\$ 0
Federal Home Loan Banks	<u>14,992,100</u>	<u>14,992,100</u>		
Total	<u><u>\$ 78,868,664</u></u>	<u><u>\$ 78,868,664</u></u>	<u><u>\$ 0</u></u>	<u><u>\$ 0</u></u>

Fair value investments classified at Level 1 of the fair value hierarchy are valued using prices quoted in active markets for those securities. Fair value investments classified as Level 2 of the fair value hierarchy are valued using the active market rates for the underlying securities. Fair value investments classified as Level 3 of the fair value hierarchy are valued using non-observable inputs.

Interest Rate Risk. Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. State statutes limit the maturities of certain investments, as previously disclosed. Williamson County does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk. Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. State statutes limit the ratings of certain investments, as previously explained. Williamson County has no investment policy that would further limit its investment choices. As of June 30, 2025, Williamson County’s investment in the State Treasurer’s Investment Pool and the State Treasurer’s Intermediate Term Investment Fund was unrated. Williamson County’s investment in Federal Home Loan Banks was rated Aa1 by Moody’s Investor’s Service and AA+ by Standard & Poor’s Ratings.

Further information concerning the legal provisions, investment policies, investment types, and credit risks for the State Treasurer’s Investment Pool and the State Treasurer’s Intermediate Term Investment Fund can be obtained by reviewing the [State of Tennessee Annual Comprehensive Financial Report](#).

TCRS Stabilization Trust

Legal Provisions. The Williamson County School Department is a member of the Tennessee Consolidated Retirement System (TCRS) Stabilization Reserve Trust. The school department has placed funds into the irrevocable trust as authorized by statute under *Tennessee Code Annotated (TCA)*, Title 8, Chapters 34-37. The TCRS Board of Trustees is responsible for the proper operation and administration of the trust. Funds of trust members are held and invested in the name of the trust for the benefit of each member. Each member’s funds are restricted for the payment of retirement benefits of that member’s employees. Trust funds are not subject to the claims of general creditors of the school department.

The trust is authorized to make investments as directed by the TCRS Board of Trustees. The Williamson County School Department may not impose any restrictions on investments placed by the trust on their behalf. It is the intent of the plan trustees to allocate these funds in the future to offset pension costs.

On June 30, 2025, the Williamson County School Department had the following investments held by the trust on its behalf. These funds are recognized as restricted assets in the General Purpose School Fund of the school department.

Investment	Weighted Average Maturity (days)	Maturities	Fair Value
Investments at Fair Value:			
U.S. Equity	N/A	N/A	\$ 3,766,108
Developed Market International Equity	N/A	N/A	1,700,823
Emerging Market International Equity	N/A	N/A	485,949
U.S. Fixed Income	N/A	N/A	2,429,747
Real Estate	N/A	N/A	1,214,874
Short-term Securities	N/A	N/A	121,487
NAV - Private Equity and Strategic Lending	N/A	N/A	<u>2,429,747</u>
Total			<u>\$ 12,148,735</u>

For further information concerning the legal provisions, investment policies, investment types, and credit risks of the school department’s investments with the TCRS Stabilization Reserve Trust, audited

financial statements of the Tennessee Consolidated Retirement System may be obtained on the [Tennessee Department of Treasury website](#).

B. Notes Receivable

Notes receivable in the General Debt Service Fund totaling \$520,000 resulted from an agreement with the city of Spring Hill to help finance the construction of a recreational facility and related infrastructure and is included in the committed fund balance account.

C. Lease Receivable

On February 15, 2023, Williamson County entered into a lease agreement to allow mining of minerals below the surface of certain county property. The lease is for five years, and the county will receive minimum annual payments of \$150,000. An initial lease receivable was recorded in the amount of \$653,934 during a prior fiscal year. The lease has an annual interest rate of 4.75%. As of June 30, 2025, the lease receivable balance was \$410,408.

The future receipts of the lease receivable include:

Year Ending June 30	Mineral Mining Lease		
	Principal	Interest	Total
2026	\$ 130,506	\$ 19,494	\$ 150,000
2027	136,705	13,295	150,000
2028	143,197	6,803	150,000
Total	<u>\$ 410,408</u>	<u>\$ 39,592</u>	<u>\$ 450,000</u>

D. Capital Assets

Capital assets activity for the year ended June 30, 2025, is presented in the following table. This table does not include certain land, buildings, and equipment, which are titled to Williamson County and used by the Williamson Medical Center. Title to these assets were transferred from the hospital to the county based on a 1992 refunding of the Series 1985, Hospital Revenue Bonds. These assets are reported in the financial statements of the discretely presented Williamson County Hospital District. Chapter 107, Private Acts of 1957, as amended, provides that “the Board of Trustees shall be vested with full, absolute and complete authority and responsibility for the operation, management, conduct and control of the business and affairs of the hospital district ...”

Depreciation expense was charged to functions of the discretely presented Williamson County School Department as follows:

Governmental Activities:

Instruction	\$ 338,346
Support Services	25,659,605
Operation of Non-instructional Services	277,230
Total Depreciation Expense - Governmental Activities	\$ 26,275,181

E. Construction Commitments

On June 30, 2025, Williamson County had uncompleted construction contracts of approximately \$11,400,000 in the General Capital Projects Fund for building construction projects. Funding has been received for these future expenditures.

On June 30, 2025, the discretely presented Williamson County School Department had uncompleted construction contracts of approximately \$73,580,919 in the Education Capital Projects Fund for the school building program. These future expenditures will be funded from bond proceeds contributed from the primary government as projects progress.

F. Interfund Receivables, Payables, and Transfers

The composition of interfund balances as of June 30, 2025, was as follows:

Due to/from Other Funds:

Receivable Fund	Payable Fund	Amount
Primary Government:		
General	Nonmajor governmental	\$ 2,268,356
General Debt Service	General	836,962
Rural Debt Service	"	309,986
"	General Capital Projects	5,892
Nonmajor governmental	General	123,994

These balances resulted from the time lag between the dates that interfund goods and services are provided or reimbursable expenditures occur and payments between funds are made.

Due to/from Primary Government and Component Unit:

Receivable	Payable	Amount
Primary Government:		
General Debt Service	Component Unit: Hospital District	\$ 184,545,000
Component Unit:		
School Department:		
General Purpose School	Primary Government: General	743,966
Emergency Communications District	General	36,000

The receivable from the hospital district represents amounts due to the county for debt issued on behalf of the hospital.

The receivable from the General Fund represents amounts due for interest income.

Interfund Transfers:

Interfund transfers for the year ended June 30, 2025, consisted of the following amounts:

Primary Government

Transfers Out	Transfers In		
	General Debt Service Fund	Rural Debt Service Fund	General Capital Projects Fund
General Fund	\$ 0	\$ 0	\$ 7,558,685
General Capital Projects Fund	3,800,000	5,200,000	0
Nonmajor governmental funds	0	0	3,160,000
Total	\$ 3,800,000	\$ 5,200,000	\$ 10,718,685

Transfers to the General Capital Projects Fund from the General and nonmajor governmental funds were for equipment purchases and construction projects. The transfers from the General Capital Projects Fund to the General Debt Service and Rural Debt Service funds were for the allocation of the adequate facilities tax and the allocation of the education privilege tax, respectively.

Discretely Presented Williamson County School Department

Transfer Out	Transfer In	
	General Purpose School Fund	Purpose
Nonmajor governmental funds	\$ 308,680	Indirect costs

G. *SBITA Obligations*

Software/Cloud Storage Subscription:

On May 3, 2024, Williamson County entered into a 60-month agreement as lessee for the use of Axon Enterprise cloud services. An initial subscription liability was recorded in the amount of \$5,501,283 during the prior fiscal year, as well as a principal prepayment of \$590,692. Williamson County is required to make yearly principal and interest payments of \$1,368,796. The SBITA has an annual interest rate of 4.5%. As of June 30, 2025, the value of the SBITA liability was \$3,762,772. The SBITA obligation and accumulated amortization of the right-to-use asset is outlined in Note IV.D.

The future subscription payments on this obligation include:

Year Ending June 30	Axon - Sheriff Equipment and Storage		
	Principal	Interest	Total
2026	\$ 1,199,471	\$ 169,325	\$ 1,368,796
2027	1,253,447	115,349	1,368,796
2028	1,309,854	58,942	1,368,796
Total	\$ 3,762,772	\$ 343,616	\$ 4,106,388

Changes in SBITA Obligations

SBITA obligation activity for the year ended June 30, 2025, was as follows:

Governmental Activities:

	<u>SBITA</u>
Balance, July 1, 2024	\$ 4,910,591
Reductions	<u>(1,147,819)</u>
Balance, June 30, 2025	<u>\$ 3,762,772</u>
Balance Due Within One Year	<u>\$ 1,199,471</u>

Analysis of Noncurrent Liabilities for SBITA Presented on Exhibit A:

Total Noncurrent Liabilities - SBITA, June 30, 2025	\$ 3,762,772
Less: Balance Due Within One Year - SBITA	<u>(1,199,471)</u>
Noncurrent Liabilities - Due in More Than One Year - SBITA - Exhibit A	<u>\$ 2,563,301</u>

H. Long-term Debt

Primary Government

General Obligation Bonds and Other Loans

General Obligation Bonds - Williamson County issues general obligation bonds to provide funds for the acquisition and construction of major capital facilities for the primary government, the discretely presented school department, and the discretely presented hospital district. In addition, general obligation bonds have been issued to refund other general obligation bonds. General obligation bonds are direct obligations and pledge the full faith, credit, and taxing authority of the government. General obligation bonds were issued for original terms of up to 21 years. Repayment terms are generally structured with increasing amounts of principal maturing as interest requirements decrease over the term of the debt. All bonds included in long-term debt as of June 30, 2025, will be retired from the debt service funds.

Direct Borrowing and Direct Placements - Williamson County issues other loans to provide for the acquisition of other capital outlay purchases, such as equipment, for the discretely presented school department. Other loans are direct obligations and pledge the full faith, credit, and taxing authority of the government. Other loans outstanding were issued for original terms of up to three years. Repayment terms are generally structured with increasing amounts of principal maturing as interest requirements decrease over the term of the debt. All other loans included in long-term debt as of June 30, 2025, will be retired from the Rural Debt Service Fund.

General obligation bonds, county district school bonds, and other loans outstanding as of June 30, 2025, for governmental activities are as follows:

Type	Interest Rate	Final Maturity	Original Amount of Issue	Balance 6-30-25
General Obligation Bonds	1.5 to 5%	4-1-45	\$ 694,485,000	\$ 619,680,000
General Obligation Bonds - Refunding	1.375 to 5	5-1-34	157,055,000	95,425,000
County District School Bonds	1.5 to 5	4-1-45	407,390,000	348,320,000
County District School Bonds - Refunding	1.375 to 5	5-1-34	90,025,000	61,470,000
Other Loans - Fixed rate	2.34	11-7-25	277,292	70,106

On November 7, 2022, Williamson County entered into a three-year other loan agreement for the school department for computers. The terms of the agreement require total other loan payments of \$277,292 plus interest of 2.34 percent. Other loan payments are made from the Rural Debt Service Fund. In the government-wide financial statements, the laptops were expensed in the year of acquisition because those items did not meet criteria of the school department's capitalization policy.

The annual requirements to amortize all general obligation bonds, county district school bonds, and other loans as of June 30, 2025, including interest payments, are presented in the following table:

Year Ending June 30	Bonds		
	Principal	Interest	Total
2026	\$ 64,445,000	\$ 43,401,702	\$ 107,846,702
2027	69,680,000	40,409,666	110,089,666
2028	72,400,000	37,204,596	109,604,596
2029	72,765,000	34,099,598	106,864,598
2030	72,550,000	31,052,625	103,602,625
2031-2035	359,675,000	111,648,834	471,323,834
2036-2040	296,795,000	51,795,767	348,590,767
2041-2045	116,585,000	10,537,862	127,122,862
Total	\$ 1,124,895,000	\$ 360,150,650	\$ 1,485,045,650

Year Ending June 30	Other Loans - Direct Placement		
	Principal	Interest	Total
2026	\$ 70,106	\$ 1,640	\$ 71,746
Total	\$ 70,106	\$ 1,640	\$ 71,746

There is \$270,623,479 available in the debt service funds to service long-term debt. Bonded debt per capita totaled \$4,541, based on the 2020 federal census. Total debt per capita, including bonds, other loans, and unamortized debt premiums, totaled \$4,902, based on the 2020 federal census.

The Williamson County Hospital District is required to service the debt issued on its behalf by the primary government as noted in the table below. This debt is reflected in the county's government-wide financial statements as Due from Component Units and as Due to the Primary Government in the financial statements of the hospital district.

Discretely Presented Williamson County Hospital District

Description of Debt	Outstanding 6-30-25
Bonds Payable -	
Principal Payments Due from the Hospital District	
Series 2018	\$ 33,035,000
Series 2020C	15,685,000
Series 2021B	72,500,000
Series 2022A	<u>63,325,000</u>
 Total	 <u><u>\$ 184,545,000</u></u>

Changes in Long-term Debt

Long-term debt activity for the year ended June 30, 2025, was as follows:

Governmental Activities:	Bonds	Other Loans - Direct Placement
Balance, July 1, 2024	\$ 1,097,740,000	\$ 138,609
Additions	77,115,000	0
Reductions	<u>(49,960,000)</u>	<u>(68,503)</u>
 Balance, June 30, 2025	 <u><u>\$ 1,124,895,000</u></u>	 <u><u>\$ 70,106</u></u>
 Balance Due Within One Year	 <u><u>\$ 64,445,000</u></u>	 <u><u>\$ 70,106</u></u>

Analysis of Noncurrent Liabilities for Debt Presented on Exhibit A:

Total Noncurrent Liabilities - Debt, June 30, 2025	\$ 1,124,965,106
Less: Balance Due Within One Year - Debt	(64,515,106)
Add: Unamortized Premium on Debt	<u>89,448,160</u>
 Noncurrent Liabilities - Due in More Than One Year - Debt - Exhibit A	 <u><u>\$ 1,149,898,160</u></u>

Defeasance of Prior Debt

In prior years, Williamson County defeased certain outstanding general obligation bonds by either placing proceeds of new bonds or existing resources (local option sales tax) into an irrevocable trust to provide for all future debt service payments on the old bonds. The trustee is empowered and required to pay all principal and interest on the defeased bonds as originally scheduled. Accordingly, the trust accounts and the defeased bonds are not included in the county's financial statements. On June 30, 2025, the following outstanding bonds are considered defeased:

	Amount
County District School Refunding Bonds Series 2010	\$ 1,740,000

I. Long-term Obligations

Primary Government

Changes in Long-term Obligations

Long-term obligations activity for the year ended June 30, 2025, was as follows:

Governmental Activities:

	Claims and Judgments	Other Postemployment Benefits	Closure/ Postclosure Care Costs
Balance, July 1, 2024	\$ 9,514,344	\$ 61,304,923	\$ 600,113
Additions	103,497,597	4,002,630	14,403
Reductions	(101,814,275)	(11,563,383)	0
Balance, June 30, 2025	<u>\$ 11,197,666</u>	<u>\$ 53,744,170</u>	<u>\$ 614,516</u>
Balance Due Within One Year	<u>\$ 11,197,666</u>	<u>\$ 0</u>	<u>\$ 0</u>

	Compensated Absences*	Net Pension Liability- Agent Pension Plan
Balance, July 1, 2024	\$ 5,298,419	\$ 16,131,715
Additions	635,213	22,497,757
Reductions	0	(24,064,269)
Balance, June 30, 2025	<u>\$ 5,933,632</u>	<u>\$ 14,565,203</u>
Balance Due Within One Year	<u>\$ 5,933,632</u>	<u>\$ 0</u>

*Restated beginning balance – see Note I.D.9. The change in compensated absences is presented as a net change.

Analysis of Other Noncurrent Liabilities Presented on Exhibit A:

Total Other Noncurrent Liabilities, June 30, 2025	\$ 86,055,187
Less: Balance Due Within One Year - Other	<u>(17,131,298)</u>
Noncurrent Liabilities - Due in More Than One Year - Other - Exhibit A	<u>\$ 68,923,889</u>

The internal service fund primarily serves the governmental funds. Accordingly, long-term liabilities for the internal service fund are included as part of the above totals for governmental activities. At year-end, claims and judgments are comprised of the following amounts.

Fund	Amount
Self-Insurance	\$ 10,051,522
General	921,224
Highway/Public Works	124,810
Solid Waste/Sanitation	<u>100,110</u>
Total	<u>\$ 11,197,666</u>

Compensated absences, other postemployment benefits, and pension liability will be paid from the employing funds, primarily the General and Highway/Public Works funds. Landfill closure/postclosure care costs will be paid from the General Capital Projects Fund.

Discretely Presented Williamson County School Department

Changes in Long-term Obligations

Long-term obligations activity for the discretely presented Williamson County School Department for the year ended June 30, 2025, was as follows:

Governmental Activities:	Compensated Absences*	Claims and Judgments	Other Postemployment Benefits	Net Pension Liability- Agent Pension Plan
Balance, July 1, 2024	\$ 4,723,286	\$ 2,499,443	\$ 253,598,568	\$ 16,497,158
Additions	732,468	4,898,711	16,557,168	24,984,261
Reductions	0	(4,958,924)	(47,833,549)	(25,840,893)
Balance, June 30, 2025	<u>\$ 5,455,754</u>	<u>\$ 2,439,230</u>	<u>\$ 222,322,187</u>	<u>\$ 15,640,526</u>
Balance Due Within One Year	<u>\$ 5,455,754</u>	<u>\$ 2,439,230</u>	<u>\$ 0</u>	<u>\$ 0</u>

*Restated beginning balance – see Note I.D.9. The change in compensated absences is presented as a net change.

Analysis of Other Noncurrent Liabilities Presented on Exhibit A:

Total Noncurrent Liabilities, Other - June 30, 2025	\$ 245,857,697
Less: Due Within One Year - Other	<u>(7,894,984)</u>
Noncurrent Liabilities - Due in More Than One Year - Other - Exhibit A	<u>\$ 237,962,713</u>

Compensated absences, other postemployment benefits, and pension liability will be paid from the employing funds, primarily the General Purpose School and School Federal Projects funds. Claims and judgments will be paid from the General Purpose School Fund.

J. Pledges of Receivables and Future Revenues

The Williamson County Commission permitted the Industrial Development Board of Williamson County, Tennessee to enter into an agreement with Schneider Electric USA, Inc. to pledge all tax incremental financing (TIF) revenues based on an Economic Impact Plan for the Two Franklin Park

Economic Development Area for up to the lesser of the 10th annual installment of the TIF revenues or upon reaching the Maximum Contribution (\$2,110,254) of TIF revenues. These revenues were pledged for the reimbursement of cost related to the construction of office space located within the Two Franklin Park office building located at 6700 Tower Circle, Franklin, Tennessee, together with the office furniture, fixtures, and equipment to be located within such leased space. The incentive of the company will be used exclusively to pay a portion of the project costs, the transaction costs, closing costs, and legal expense of the adoption and implementation of the Economic Impact Plan.

The Williamson County Commission permitted the Industrial Development Board of Williamson County, Tennessee to enter into an agreement with Mitsubishi Motors North America to pledge all tax incremental financing (TIF) revenues based on an Economic Impact Plan for the Northside at McEwen Economic Development Area for up to the lesser of the 10th annual installment of the TIF revenues or upon reaching the Maximum Contribution (\$549,848) of TIF revenues. These revenues were pledged for the reimbursement of cost related to the construction of office space located within the Northside at McEwen office building located at 4031 Aspen Grove, Franklin, Tennessee, together with the office furniture, fixtures, and equipment to be located within such leased space. The incentive of the company will be used exclusively to pay a portion of the project costs, the transaction costs, closing costs, and legal expense of the adoption and implementation of the Economic Impact Plan.

V. OTHER INFORMATION

A. Risk Management

Williamson County and the Williamson County School Department have chosen to establish the Self-Insurance Fund for risks associated with the employees’ health insurance plans. The Self-Insurance Fund is accounted for as an internal service fund where assets are set aside for claim settlements. The county retains the risk of loss to a limit of \$400,000 per specific loss. The county obtained a stop/loss commercial insurance policy to cover claims beyond this liability. The plans do not carry aggregate reinsurance.

All full-time and certain retired employees of the primary government and the discretely presented Williamson County School Department are eligible to participate. A premium charge is allocated to each fund that accounts for its employees. This charge is based on actuarial estimates of the amounts needed to pay prior- and current-year claims and to establish a reserve for catastrophic losses. Liabilities of the fund are reported when it is probable that a loss has occurred, and the amount of the loss can be reasonably estimated. The Self-Insurance Fund establishes claim liabilities based on estimates of the ultimate cost of claims that have been reported but not settled and of claims that have been incurred but not reported. Claims liabilities include incremental claim adjustment expenditures/expenses, if any. In addition, estimated recoveries, if any, on settled claims have been deducted from the liability for unpaid claims. The process used to compute claims liabilities does not necessarily result in an exact amount. Changes in the balance of claims liabilities during the past two fiscal years are as follows:

	Beginning of Fiscal Year Liability	Current-year Claims and Estimates	Payments	Balance at Fiscal Year-end
2023-24	\$ 8,014,541	\$ 83,710,903	\$ (83,848,457)	\$ 7,876,987
2024-25	7,876,987	100,821,389	(98,646,854)	10,051,522

Williamson County and the discretely presented Williamson County School Department are self-insured for all other risks of loss, including general liability, property, casualty, and workers’ compensation. The county carries commercial insurance coverage for any claim exceeding \$250,000 up to \$10,000,000 for general liability, any claim exceeding \$250,000 up to \$800,000,000 for property,

and any claim exceeding \$250,000 up to \$2,000,000 for workers' compensation. Claims liabilities are reported as claims and judgments payable in the Self-Insurance Fund.

B. Accounting Changes

GASB Statement No. 101, *Compensated Absences*, became effective for the fiscal year ending June 30, 2025. This statement updates the recognition and measurement guidance for compensated absences under a unified model and amends certain previously required disclosures.

GASB Statement No. 102, *Certain Risk Disclosures*, became effective for the fiscal year ending June 30, 2025. This statement provides users of government financial statements with essential information about risks related to a government's vulnerabilities due to certain concentrations or constraints.

C. Contingent Liabilities

The county has received various federal and state grants and other assistance for specific purposes that are subject to review and audit by grantor agencies. Such audits could result in reimbursements to the grantor agencies for expenditures disallowed under the terms of the grants. County management is not aware of any potential disallowances and believes that reimbursements, if any, would not be material.

The county and the school department are involved in several pending lawsuits. Attorneys for the county and the school department estimate that the potential claims against the county and the school department not covered by insurance resulting from such litigation would not materially affect the financial statements of the county or the school department.

D. Landfill Closure/Postclosure Care Costs

Williamson County has active permits on file with the state Department of Environment and Conservation for a sanitary landfill, solid waste transfer station, demolition landfill, and a compost facility. The county has provided financial assurances for estimated closure and postclosure liabilities as required by the State of Tennessee. These financial assurances are on file with the State Department of Environment and Conservation.

State and federal laws and regulations require Williamson County to place a final cover on its sanitary landfill site when it stops accepting waste and to perform certain maintenance and monitoring functions at the site for 30 years after closure. Although closure and postclosure care costs will be paid only near or after the date that the landfill stops accepting waste, the county reports a portion of these closure and postclosure care costs as an operating expense in each period based on landfill capacity used as of each balance sheet date. The \$614,516 reported as landfill closure and postclosure care liability on June 30, 2025, represents the cumulative amount reported to date based on the use of seven percent of the estimated capacity of the landfill. The county will recognize the remaining estimated costs of closure and postclosure care of \$8,164,282 if the remaining estimated capacity is filled. These amounts are based on what it would cost to perform all closure and postclosure care in 2025. Actual costs may be higher due to inflation, changes in technology, or changes in regulations.

E. Joint Ventures

The Williamson County Joint Communication Network Authority is a joint venture formed by an interlocal agreement between Williamson County and the cities of Brentwood and Franklin. The purpose of the authority is to oversee the expansion, maintenance, operation, and access of an 800MHz trunked radio system with the intent to improve emergency dispatch and response throughout Williamson County. It is governed by a nine-member committee, which consists of three representatives from each governmental unit. The authority receives financial support from each of

the three government entities that created it. During the year ended June 30, 2025, Williamson County made no contributions to the Williamson County Joint Communication Network Authority.

The Cool Springs Conference Center is a joint venture between Williamson County and the city of Franklin. The parties have agreed to share equally all revenues, expenses, and other legal obligations from the operation of the conference center. The county's net investment of \$6,794,625 is reported as an asset in the governmental activities column on the Statement of Net Position. The county's share of 2024-25 revenues (\$491,027) and expenditures (\$135,592) related to the conference center are included in the county's General Fund. Williamson County and the city of Franklin have contracted with VI/H Franklin Cool Springs, LLC, for the operation and maintenance of the conference center.

The Twenty-first Judicial District Drug Task Force (DTF) is a joint venture formed by an interlocal agreement between the district attorney general of the Twenty-first Judicial District, Williamson County, and the City of Brentwood. The purpose of the DTF is to provide multi-jurisdictional law enforcement to promote the investigation and prosecution of drug-related activities. Funds for the operations of the DTF come primarily from federal grants, drug fines, and the forfeiture of drug-related assets to the DTF. The DTF is overseen by the district attorney general and is governed by a board of directors, including the district attorney general, Williamson County Sheriff, and Brentwood Chief of Police. Williamson County contributed \$88,365 to the DTF for the year ended June 30, 2025, and does not have any equity interest in this joint venture.

Complete financial statements for the Williamson County Joint Communication Network Authority, Cool Springs Conference Center, and the Twenty-first Judicial District Drug Task Force can be obtained from their respective administrative offices at the following addresses:

Franklin, TN 37068

F. Retirement Commitments

1. Tennessee Consolidated Retirement System (TCRS)

Primary Government

General Information About the Pension Plan

Plan Description. Employees of Williamson County and non-certified employees of the discretely presented Williamson County School Department are provided a defined benefit pension plan through the Public Employee Pension Plan, an agent multiple-employer pension plan administered by the TCRS. The primary government employees comprise 48.22 percent and the non-certified employees of the discretely presented school department comprise 51.78 percent of the plan based on contribution data. The TCRS was created by state statute under

Tennessee Code Annotated (TCA), Title 8, Chapters 34-37. The TCRS Board of Trustees is responsible for the proper operation and administration of the TCRS. The Tennessee Treasury Department, an agency in the legislative branch of state government, administers the plans of the TCRS. The TCRS issues a publicly available financial report that can be obtained on the [Tennessee Department of Treasury website](#).

Benefits Provided. TCA, Title 8, Chapters 34-37 establish the benefit terms and can be amended only by the Tennessee General Assembly. The chief legislative body may adopt the benefit terms permitted by statute. Members are eligible to retire with an unreduced benefit at age 60 with five years of service credit or after 30 years of service credit regardless of age. Benefits are determined by a formula using the member’s highest five consecutive year average compensation and the member’s years of service credit. Reduced benefits for early retirement are available to vested members at age 55. Members vest with five years of service credit. Service-related disability benefits are provided regardless of length of service. Five years of service is required for nonservice-related disability eligibility. The service-related and nonservice-related disability benefits are determined in the same manner as a service retirement benefit but are reduced ten percent and include projected service credits. A variety of death benefits are available under various eligibility criteria.

Member and beneficiary annuitants are entitled to automatic cost of living adjustments (COLAs) after retirement. A COLA is granted each July for annuitants retired prior to the second of July of the previous year. The COLA is based on the change in the consumer price index (CPI) during the prior calendar year, capped at three percent, and applied to the current benefit. No COLA is granted if the change in the CPI is less than one-half percent. A one percent COLA is granted if the CPI change is between one-half percent and one percent. A member who leaves employment may withdraw their employee contributions plus any accumulated interest.

Employees Covered by Benefit Terms. At the measurement date of June 30, 2024, the following employees were covered by the benefit terms:

Inactive Employees or Beneficiaries Currently Receiving Benefits	1,423
Inactive Employees Entitled to But Not Yet Receiving Benefits	4,066
Active Employees	2,875
 Total	 <u><u>8,364</u></u>

Contributions. Contributions for employees are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. Employees contribute five percent of salary to the plan. Williamson County makes employer contributions at the rate set by the Board of Trustees as determined by an actuarial valuation. For the year ended June 30, 2025, the employer contributions for Williamson County were \$12,600,635 based on a rate of 8.46 percent of covered payroll. By law, employer contributions are required to be paid. The TCRS may intercept Williamson County’s state shared taxes if required employer contributions are not remitted. The employer’s actuarially determined contributions (ADC) and member contributions are expected to finance the costs of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability. Employer contributions to separately finance specific liabilities were \$5,334 for the year ended June 30, 2025. The contributions to separately finance specific liabilities were related to employees who have returned to work under a TCRS Return to Work program which requires employer contributions.

Net Pension Liability (Asset)

Williamson County's net pension liability (asset) was measured as of June 30, 2024, and the total pension liability (asset) used to calculate net pension liability (asset) was determined by an actuarial valuation as of that date.

Actuarial Assumptions. The total pension liability as of the June 30, 2024, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.25%
Salary Increases	Graded Salary Ranges from 8.72% to 3.44% Based on Age, Including Inflation, Averaging 4%
Investment Rate of Return	6.75%, Net of Pension Plan Investment Expenses, Including Inflation
Cost of Living Adjustment	2.125%

Mortality rates were based on actual experience including an adjustment for some anticipated improvement.

The actuarial assumptions used in the June 30, 2024, actuarial valuation were based on the results of an actuarial experience study performed for the period July 1, 2016, through June 30, 2020. The demographic assumptions were adjusted to more closely reflect actual and expected future experience.

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees in conjunction with the June 30, 2020, actuarial experience study. A blend of future capital market projections and historic market returns was used in a building-block method in which a best estimate of expected future real rates of return (expected returns, net of pension plan investments expense and inflation) is developed for each major asset class. These best estimates are combined to produce the long-term expected rate of return by weighing the expected future real rates of return by the target asset allocation percentage and by adding expected inflation of 2.25 percent. The best estimates of geometric real rates of return and the TCRS investment policy target asset allocation for each major asset class are summarized in the following table:

Asset Class	Percentage Long-term Expected Real Rate of Return	Percentage Target Allocations
U.S. Equity Developed Market	4.88 %	31 %
International Equity Emerging Market	5.37	14
International Equity Private Equity and Strategic Lending	6.09	4
U.S. Fixed Income	6.57	20
Real Estate	1.20	20
Short-term Securities	4.38	10
	0.00	1
Total		100 %

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees as 6.75 percent based on a blending of the factors described above.

Discount Rate. The discount rate used to measure the total pension liability was 6.75 percent. The projection of cash flows used to determine the discount rate assumes that employee contributions will be made at the current rate and that contributions from Williamson County will be made at the actuarially determined contribution rate pursuant to an actuarial valuation in accordance with the funding policy of the TCRS Board of Trustees and as required to be paid by state statute. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make projected future benefit payments of current active and inactive members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Changes in the Net Pension Liability (Asset)

	Increase (Decrease)		
	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension Liability (Asset) (a)-(b)
Balance, July 1, 2023	\$ 363,796,446	\$ 331,167,573	\$ 32,628,873
Changes for the Year:			
Service Cost	\$ 12,269,236	\$ 0	\$ 12,269,236
Interest	24,932,407	0	24,932,407
Differences Between Expected and Actual Experience	9,970,122	0	9,970,122
Contributions-Employer	0	10,618,059	(10,618,059)
Contributions-Employees	0	6,777,155	(6,777,155)
Net Investment Income	0	32,509,948	(32,509,948)
Benefit Payments, Including Refunds of Employee Contributions	(13,393,375)	(13,393,375)	0

Net Changes	<u>\$ 33,778,390</u>	<u>\$ 36,201,534</u>	<u>\$ (2,423,144)</u>
Balance, June 30, 2024	<u>\$ 397,574,836</u>	<u>\$ 367,369,107</u>	<u>\$ 30,205,729</u>

Allocation of Agent Plan Changes in the Net Pension Liability (Asset)

		Total Pension Liability	Plan Fiduciary Net Position	Net Pension Liability (Asset)
Primary Government	48.22%	\$ 191,710,586	\$ 177,145,383	\$ 14,565,203
School Department	51.78%	205,864,250	190,223,724	15,640,526
Total		<u>\$ 397,574,836</u>	<u>\$ 367,369,107</u>	<u>\$ 30,205,729</u>

Sensitivity of the Net Pension Liability (Asset) to Changes in the Discount Rate. The following presents the net pension liability (asset) of Williamson County calculated using the discount rate of 6.75 percent, as well as what the net pension liability (asset) would be if it were calculated using a discount rate that is one percentage point lower (5.75 percent) or one percentage point higher (7.75 percent) than the current rate:

	1% Decrease 5.75%	Current Discount Rate 6.75%	1% Increase 7.75%
Williamson County			
Net Pension Liability (Asset)	\$ 86,096,992	\$ 30,205,729	\$ (15,591,423)

Pension Expense (Negative Pension Expense) and Deferred Outflows of Resources and Deferred Inflows of Resources to Pensions

Pension Expense (Negative Pension Expense). For the year ended June 30, 2025, Williamson County recognized pension expense (negative pension expense) of \$16,195,499.

Deferred Outflows of Resources and Deferred Inflows of Resources. For the year ended June 30, 2025, Williamson County reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference Between Expected and Actual Experience	\$ 22,039,569	\$ 476,539
Net Difference Between Projected and Actual Earnings on Pension Plan Investments	0	3,866,470
Changes in Assumptions	4,531,441	0
Contributions Subsequent to the Measurement Date of June 30, 2024 (1)	12,600,635	N/A
Total	<u>\$ 39,171,645</u>	<u>\$ 4,343,009</u>

(1) The amount shown above for “Contributions Subsequent to the Measurement Date of June 30, 2024,” will be recognized as a reduction (increase) to net pension liability (asset) in the following measurement period.

Allocation of Agent Plan Deferred Outflows of Resources and Deferred Inflows of Resources

	Deferred Outflows of Resources	Deferred Inflows of Resources
Primary Government	\$ 18,884,422	\$ 2,094,199
School Department	20,287,223	2,248,810
Total	<u>\$ 39,171,645</u>	<u>\$ 4,343,009</u>

Amounts reported as deferred outflows of resources, with the exception of contributions subsequent to the measurement date, and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ending June 30	Amount
2026	\$ 6,795,301
2027	12,130,503
2028	3,314,480
2029	(12,283)
2030	0
Thereafter	0

In the table shown above, positive amounts will increase pension expense while negative amounts will decrease pension expense.

Discretely Presented Williamson County School Department - Non-certified Employees

General Information About the Pension Plan

Plan Description. As noted above under the primary government, employees of Williamson County and the non-certified employees of the discretely presented Williamson County School Department are provided a defined benefit pension plan through the Public Employee Pension Plan, an agent multiple-employer pension plan administered by the TCRS. The primary government employees comprise 48.22 percent and the non-certified employees of the discretely presented school department comprise 51.78 percent of the plan based on contribution data.

Discretely Presented Williamson County School Department - Certified Employees - Teacher Retirement Plan

General Information About the Pension Plan

Plan Description. Teachers of the Williamson County School Department with membership in the TCRS before July 1, 2014, are provided with pensions through the Teacher Legacy Pension Plan, a cost-sharing multiple-employer pension plan administered by the TCRS. The Teacher Legacy Pension Plan is closed to new membership. Teachers with membership in the TCRS after June 30, 2014, are provided with pensions through a legally separate plan referred to as the Teacher Retirement Plan, a cost-sharing multiple-employer pension plan administered by the TCRS. The TCRS was created by state statute under *Tennessee Code Annotated (TCA)*, Title 8, Chapters 34-37. The TCRS Board of Trustees is responsible for the proper operation and administration of all employer pension plans in the TCRS. The Tennessee Treasury Department, an agency in the legislative branch of state government, administers the plans of the TCRS. The TCRS issues a publicly available financial report that can be obtained at [Tennessee Department of Treasury website](#).

Benefits Provided. TCA, Title 8, Chapters 34-37 establish the benefit terms and can be amended only by the Tennessee General Assembly. Members are eligible to retire with an unreduced benefit at age 65 with five years of service credit or pursuant to the rule of 90 in which the member's age and service credit total 90. Benefits are determined by a formula using the member's highest five consecutive year average compensation and the member's years of service credit. A reduced early retirement benefit is available to vested members at age 60 or pursuant to the rule of 80. Members are vested with five years of service credit. Service-related disability benefits are provided regardless of length of service. Five years of service is required for nonservice-related disability eligibility. The service-related and nonservice-related disability benefits are determined in the same manner as a service retirement benefit but are reduced ten percent and include projected service credits. A variety of death benefits is available under various eligibility criteria. Member and beneficiary annuitants are entitled to automatic cost of living adjustments (COLAs) after retirement. A COLA is granted each July for annuitants retired prior to the second of July of the previous year. The COLA is based on the change in the consumer price index (CPI) during the prior calendar year, capped at three percent, and applied to the current benefit. No COLA is granted if the change in the CPI is less than one-half percent. A one percent COLA is granted if the CPI change is between one-half percent and one percent. Members who leave employment may withdraw their employee contributions, plus any accumulated interest. Under the Teacher Retirement Plan, benefit terms and conditions, including COLAs, can be adjusted on a prospective basis. Moreover,

there are defined cost controls and unfunded liability controls that provide for the adjustment of benefit terms and conditions on an automatic basis.

Contributions. Contributions for teachers are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly or by automatic cost controls set out in law. Teachers are required to contribute five percent of their salary to the plan. The Local Education Agencies (LEAs) make employer contributions at the rate set by the Board of Trustees as determined by an actuarial valuation. Per the statutory provisions governing TCRS, the employer contribution rate cannot be less than four percent, except in years when the maximum funded level, approved by the TCRS Board of Trustees, is reached. By law, employer contributions for the Teacher Retirement Plan are required to be paid. The TCRS may intercept the state shared taxes of the sponsoring governmental entity of the LEA if the required employer contributions are not remitted. Employer contributions for the year ended June 30, 2025, to the Teacher Retirement Plan were \$4,016,901, which is three percent of covered payroll. In addition, employer contributions of \$1,338,967, which is one percent of covered payroll were made to the Pension Stabilization Reserve Trust Fund to fund future pension costs. The employer rate, when combined with member contributions, is expected to finance the costs of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability. Employer contributions to separately finance specific liabilities were \$929 for the year ended June 30, 2025. The contributions to separately finance specific liabilities were related to employees who have returned to work under a TCRS Return to Work program which requires employer contributions.

Pension Liabilities (Assets), Pension Expense (Negative Pension Expense), and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

Pension Liabilities (Assets). On June 30, 2025, the school department reported a liability (asset) of (\$3,669,997) for its proportionate share of the net pension liability (asset). The net pension liability (asset) was measured as of June 30, 2024, and the total pension liability (asset) used to calculate the net pension liability (asset) was determined by an actuarial valuation as of that date. The school department's proportion of the net pension liability (asset) was based on the school department's share of contributions to the pension plan relative to the contributions of all participating LEAs. At the measurement date of June 30, 2024, the school department's proportion was 5.150097 percent. The proportion as of June 30, 2023, was 5.224335 percent.

Pension Expense (Negative Pension Expense). For the year ended June 30, 2025, the Williamson County School Department recognized pension expense (negative pension expense) of \$3,054,836.

Deferred Outflows of Resources and Deferred Inflows of Resources. For the year ended June 30, 2025, the school department reported deferred outflows and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference Between Expected and Actual Experience	\$ 303,155	\$ 1,127,526
Net Difference Between Projected and Actual Earnings on Pension Plan Investments	0	619,072
Changes in Assumptions	1,458,385	0
Changes in Proportion of Net Pension Liability (Asset)	212,903	268,300
LEA's Contributions Subsequent to the Measurement Date of June 30, 2024	4,016,901	N/A
Total	<u>\$ 5,991,344</u>	<u>\$ 2,014,898</u>

The school department's employer contributions of \$4,016,901, reported as pension related deferred outflows of resources subsequent to the measurement date, will be recognized as a reduction (increase) to the net pension liability (asset) in the year ending June 30, 2026. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ending June 30	Amount
2026	\$ (370,324)
2027	486,186
2028	(239,983)
2029	(236,596)
2030	65,489
Thereafter	254,773

In the table shown above, positive amounts will increase pension expense while negative amounts will decrease pension expense.

Actuarial Assumptions. The total pension liability as of the June 30, 2024, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.25%
Salary Increases	Graded Salary Ranges from 8.72% to 3.44% Based on Age, Including Inflation, Averaging 4%
Investment Rate of Return	6.75%, Net of Pension Plan Investment Expenses, Including Inflation
Cost of Living Adjustment	2.125%

Mortality rates were based on actual experience including an adjustment for some anticipated improvement.

The actuarial assumptions used in the June 30, 2024, actuarial valuation were based on the results of an actuarial experience study performed for the period July 1, 2016, through June

30, 2020. As a result of the 2020 actuarial experience study, investment and demographic assumptions were adjusted to more closely reflect actual and expected future experience.

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees in conjunction with the June 30, 2020, actuarial experience study. A blend of future capital market projections and historic market returns was used in a building-block method in which a best estimate of expected future real rates of return (expected returns, net of pension plan investments expense and inflation) is developed for each major asset class. These best estimates are combined to produce the long-term expected rate of return by weighing the expected future real rates of return by the target asset allocation percentage and by adding expected inflation of 2.25 percent. The best estimates of geometric real rates of return and the TCRS investment policy target asset allocation for each major asset class are summarized in the following table:

Asset Class	Percentage Long-term Expected Real Rate of Return	Percentage Target Allocations
U.S. Equity	4.88 %	31 %
Developed Market		
International Equity	5.37	14
Emerging Market		
International Equity	6.09	4
Private Equity and		
Strategic Lending	6.57	20
U.S. Fixed Income	1.20	20
Real Estate	4.38	10
Short-term Securities	0.00	1
Total		100 %

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees as 6.75 percent based on a blending of the factors described above.

Discount Rate. The discount rate used to measure the total pension liability was 6.75 percent. The projection of cash flows used to determine the discount rate assumes that employee contributions will be made at the current rate and that contributions from all the LEAs will be made at the actuarially determined contribution rate pursuant to an actuarial valuation in accordance with the funding policy of the TCRS Board of Trustees and as required to be paid by state statute. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make projected future benefit payments of current active and inactive members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Proportionate Share of Net Pension Liability (Asset) to Changes in the Discount Rate. The following presents the net pension liability (asset) of Williamson County calculated using the discount rate of 6.75 percent, as well as what the net pension liability (asset) would be if it were calculated using a discount rate that is one percentage point lower (5.75 percent) or one percentage point higher (7.75 percent) than the current rate:

School Department's Proportionate Share of the Net Pension Liability (Asset)	1% Decrease 5.75%	Current Discount Rate 6.75%	1% Increase 7.75%
Net Pension Liability (Asset)	\$ 9,678,963	\$ (3,669,997)	\$ (13,604,417)

Pension Plan Fiduciary Net Position. Detailed information about the pension plan's fiduciary net position is available in a separately issued TCRS financial report.

Discretely Presented Williamson County School Department – Certified Employees - Teacher Legacy Pension Plan

General Information About the Pension Plan

Plan Description. Teachers of the Williamson County School Department with membership in the TCRS before July 1, 2014, are provided with pensions through the Teacher Legacy Pension Plan, a cost-sharing multiple-employer pension plan administered by the TCRS. The Teacher Legacy Pension Plan closed to new membership on June 30, 2014, but will continue providing benefits to existing members and retirees. Beginning July 1, 2014, the Teacher Retirement Plan became effective for teachers employed by LEAs after June 30, 2014. The Teacher Retirement Plan is a separate cost-sharing, multiple-employer defined benefit plan. The TCRS was created by state statute under *Tennessee Code Annotated (TCA)*, Title 8, Chapters 34-37. The TCRS Board of Trustees is responsible for the proper operation and administration of all employer pension plans in the TCRS. The Tennessee Treasury Department, an agency in the legislative branch of state government, administers the plans of the TCRS. The TCRS issues a publicly available financial report that can be obtained on the [Tennessee Department of Treasury website](#).

Benefits Provided. TCA, Title 8, Chapters 34-37 establish the benefit terms and can be amended only by the Tennessee General Assembly. Members of the Teacher Legacy Pension Plan are eligible to retire with an unreduced benefit at age 60 with five years of service credit or after 30 years of service credit regardless of age. Benefits are determined by a formula using the member's highest five consecutive year average compensation and the member's years of service credit. A reduced early retirement benefit is available to vested members at age 55. Members are vested with five years of service credit. Service-related disability benefits are provided regardless of length of service. Five years of service is required for nonservice-related disability eligibility. The service-related and nonservice-related disability benefits are determined in the same manner as a service retirement benefit but are reduced ten percent and include projected service credits. A variety of death benefits is available under various eligibility criteria. Member and beneficiary annuitants are entitled to automatic cost of living adjustments (COLAs) after retirement. A COLA is granted each July for annuitants retired prior to the second of July of the previous year. The COLA is based on the change in the consumer price index (CPI) during the prior calendar year, capped at three percent, and applied to the current benefit. No COLA is granted if the change in the CPI is less than one-half percent. A one percent COLA is granted if the CPI change is between one-half and one percent. A member who leaves employment may withdraw their employee contributions, plus any accumulated interest.

Contributions. Contributions for teachers are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. Teachers are required to contribute five percent of their salaries. The Local Education Agencies (LEAs) make employer contributions at the rate set by the Board of Trustees as determined by an actuarial valuation. By law, employer contributions for the Teacher Legacy Pension Plan are required to be paid. The TCRS may intercept the state shared taxes of the sponsoring governmental entity of the LEA if the required employer contributions are not remitted. Employer contributions by the

Williamson County School Department for the year ended June 30, 2025, to the Teacher Legacy Pension Plan were \$7,802,921, which is 6.36 percent of covered payroll. The employer rate, when combined with member contributions, is expected to finance the costs of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability. Employer contributions to separately finance specific liabilities were \$155,937 for the year ended June 30, 2025. The contributions to separately finance specific liabilities were related to employees who have returned to work under a TCRS Return to Work program which requires employer contributions.

Pension Liabilities (Assets), Pension Expense (Negative Pension Expense), and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

Pension Liability (Assets). On June 30, 2025, the school department reported a liability (asset) of (\$63,898,556) for its proportionate share of the net pension liability (asset). The net pension liability (asset) was measured as of June 30, 2024, and the total pension liability used to calculate the net pension liability (asset) was determined by an actuarial valuation as of that date. The school department’s proportion of the net pension liability (asset) was based on the school department’s long-term share of contributions to the pension plan relative to the contributions of all participating LEAs. At the measurement date of June 30, 2024, the school department’s proportion was 3.708862 percent. The proportion measured on June 30, 2023, was 3.654614 percent.

Pension Expense (Negative Pension Expense). For the year ended June 30, 2025, the school department recognized pension expense (negative pension expense) of \$13,425,837.

Deferred Outflows of Resources and Deferred Inflows of Resources. For the year ended June 30, 2025, the school department reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference Between Expected and Actual Experience	\$ 17,040,050	\$ 0
Net Difference Between Projected and Actual Earnings on Pension Plan Investments	0	12,444,841
Changes in Proportion of Net Pension Liability (Asset)	276,254	1,311,594
LEA's Contributions Subsequent to the Measurement Date of June 30, 2024	7,802,921	N/A
Total	<u>\$ 25,119,225</u>	<u>\$ 13,756,435</u>

The school department’s employer contributions of \$7,802,921 reported as pension related deferred outflows of resources subsequent to the measurement date, will be recognized as a reduction (increase) to the net pension liability (asset) in the year ending June 30, 2026. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ending June 30	Amount
2026	\$ (7,526,633)
2027	24,131,641
2028	(6,492,854)
2029	(6,552,285)
2030	0
Thereafter	0

In the table above, positive amounts will increase pension expense, while negative amounts will decrease pension expense.

Actuarial Assumptions. The total pension liability as of the June 30, 2024, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.25%
Salary Increases	Graded Salary Ranges from 8.72% to 3.44% Based on Age, Including Inflation, Averaging 4%
Investment Rate of Return	6.75%, Net of Pension Plan Investment Expenses, Including Inflation
Cost of Living Adjustment	2.125%

Mortality rates were based on actual experience including an adjustment for some anticipated improvement.

The actuarial assumptions used in the June 30, 2024, actuarial valuation were based on the results of an actuarial experience study performed for the period July 1, 2016, through June 30, 2020. The demographic assumptions were adjusted to more closely reflect actual and expected future experience.

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees in conjunction with the June 30, 2020, actuarial experience study. A blend of future capital market projections and historic market returns was used in a building-block method in which a best estimate of expected future real rates of return (expected returns, net of pension plan investments expense and inflation) is developed for each major asset class. These best estimates are combined to produce the long-term expected rate of return by weighing the expected future real rates of return by the target asset allocation percentage and by adding expected inflation of 2.25 percent. The best estimates of geometric real rates of return and the TCRS investment policy target asset allocation for each major asset class are summarized in the following table:

Asset Class	Percentage Long-term Expected Real Rate of Return		Percentage Target Allocations	
U.S. Equity Developed Market	4.88	%	31	%
International Equity Emerging Market	5.37		14	
International Equity Private Equity and Strategic Lending	6.09		4	
U.S. Fixed Income Real Estate	6.57		20	
	1.20		20	
	4.38		10	
Short-term Securities	0.00		1	
Total			100	%

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees as 6.75 percent based on a blending of the factors described above.

Discount Rate. The discount rate used to measure the total pension liability was 6.75 percent. The projection of cash flows used to determine the discount rate assumes that employee contributions will be made at the current rate and that contributions from all the LEAs will be made at the actuarially determined contribution rate pursuant to an actuarial valuation in accordance with the funding policy of the TCRS Board of Trustees and as required to be paid by state statute. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make projected future benefit payments of current active and inactive members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Proportionate Share of Net Pension Liability (Asset) to Changes in the Discount Rate. The following presents the net pension liability (asset) of Williamson County calculated using the discount rate of 6.75 percent, as well as what the net pension liability (asset) would be if it were calculated using a discount rate that is one percentage point lower (5.75 percent) or one percentage point higher (7.75 percent) than the current rate:

School Department's Proportionate Share of the Net Pension Liability (Asset)	1% Decrease 5.75%	Current Discount Rate 6.75%	1% Increase 7.75%
Net Pension Liability (Asset)	\$ 81,173,308	\$ (63,898,556)	\$ (184,215,872)

Pension Plan Fiduciary Net Position. Detailed information about the pension plan's fiduciary net position is available in a separately issued TCRS financial report.

2. **Deferred Compensation**

Primary Government

Williamson County offers its employees two deferred compensation plans, one established pursuant to IRC Section 457 and the other pursuant to IRC Section 401(k). All costs of administering and funding these programs are the responsibility of plan participants. Section 401(k) and Section 457 plan assets remain the property of the contributing employees and are not presented in the accompanying financial statements. IRC Sections 401(k) and 457 establish participation, contribution, and withdrawal provisions for the plan.

Discretely Presented Williamson County School Department

The Williamson County School Department offers its employees two deferred compensation plans, one established pursuant to IRC Section 457 and the other pursuant to IRC Section 403(b). All costs of administering and funding these programs are the responsibility of plan participants. The Section 457 and the Section 403(b) plan assets remain the property of the contributing employees and are not presented in the accompanying financial statements. IRC Sections 457 and 403(b) establish participation, contribution, and withdrawal provisions for the plans.

Teachers hired after July 1, 2014, by the school department are required to participate in a hybrid pension plan consisting of a defined benefit portion, which is detailed in the pensions footnote above and is managed by the Tennessee Consolidated Retirement System, and a defined contribution portion, which is placed into the state's 401(k) plan and is managed by the employee. The defined contribution portion of the plan requires that the school department contribute five percent of each teacher's salary into their deferred compensation plan. In addition, teachers are required to contribute two percent of their salaries into this deferred compensation plan, unless they opt out of the employee portion. During the year, the school department contributed \$6,632,380 to this deferred compensation pension plan.

G. Other Postemployment Benefits (OPEB)

Williamson County and the discretely presented Williamson County School Department provide OPEB benefits to their retirees through a single commercial insurance plan administered by Cigna Insurance Company. For reporting purposes, the plan is considered a single employer defined benefit OPEB plan based on criteria in Statement No. 75 of the Governmental Accounting Standards Board (GASB). The plan is funded on a pay-as-you-go basis, and there are no assets accumulating in a trust that meets the criteria of paragraph 4 of GASB Statement No. 75.

Plan Description. All full-time employees hired prior to July 1, 2009, and eligible retirees of the primary government and the discretely presented Williamson County School Department are eligible to participate in the health insurance plan accounted for in the Self-Insurance Fund (internal service fund).

Benefits of the plan and premium requirements of plan members are established and amended by an insurance committee established by the county commission. The plan is self-insured and financed on a pay-as-you-go basis. Claims liabilities of the plan are periodically computed using actuarial and statistical techniques to establish premium rates. The county develops its own contribution policy in terms of subsidizing active or retired employees' premiums.

Benefits Provided. The plan provides healthcare and dental insurance benefits to eligible retirees and their dependents. Vision insurance and life insurance are also available through the plan at full cost to the retiree.

An employee hired prior to July 1, 2009, who retires from Williamson County becomes eligible for retiree health coverage upon the earlier of attaining: (1) age 55 with ten continuous years of full-time service and active coverage for one year prior to retirement, or (2) any age with 30 continuous years of full-time service and active coverage for one year prior to retirement. Williamson County pays 80 percent of the costs of benefits. If the retiree is eligible for health and dental insurance coverage, the coverage is also provided for the retiree's spouse and/or dependent children that have had active coverage for one year prior to the employee's retirement. Medicare eligible retirees are automatically enrolled in the Medicare Advantage plan chosen by Williamson County.

Employees Covered by Benefit Terms. At the valuation date of June 30, 2025, the following employees were covered by the benefit terms:

Inactive Employees Currently Receiving Benefits	661
Inactive Employees Entitled To But Not Yet Receiving Benefits	604
Active Employees Eligible for Benefits	<u>1,590</u>
Total	<u><u>2,855</u></u>

Total OPEB Liability

The plan's total OPEB liability was measured as of June 30, 2025, and was determined by an actuarial valuation as of that date.

Actuarial Assumptions and Methods. The total OPEB liability in the June 30, 2025, actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

Actuarial Cost Method	Entry Age Normal based on level percentage of projected salary
Discount Rate	5.2%
Salary Increase Rate	3%
Healthcare Cost Trend Rates	4% for dental; 4% for administrative fees; 7.75% for Pre-Medicare medical/Rx, 6.75% for Medicare and 7.75% for stop loss fees with these rates being reduced by 0.30% each year until reaching the ultimate trend rate of 4%
Retirees Share of Benefit Related Cost	20%
Future Participation Rate	95%
Mortality Rates	PUB-2010 headcount weighted base mortality table, projected generationally using Scale MP-2021, applied on a gender-specific and job class basis

The discount rate was based on the Bond Buyer 20 – Bond GO index.

The actuarial assumptions used for the June 30, 2025, valuation were based on plan data and costs presented by Williamson County with concurrence by the actuary and certain actuarial assumptions from the 2022 Tennessee Consolidated Retirement Plan valuation report.

Changes in Assumptions. The discount rate changed from 3.93 percent as of the beginning of the measurement period to 5.2 percent as of the measurement date of June 30, 2025.

Changes in the Total OPEB Liability

	Share of Collective Liability		Total OPEB Liability
	Primary Government	School Department	
Balance July 1, 2024	\$ 61,304,923	\$ 253,598,568	\$ 314,903,491
Changes for the Year:			
Service Cost	\$ 1,565,926	\$ 6,477,663	\$ 8,043,589
Interest	2,436,644	10,079,505	12,516,149
Changes in Assumptions	(9,822,944)	(40,633,927)	(50,456,871)
Benefit Payments	(1,740,439)	(7,199,562)	(8,940,001)
Change in Proportion	60	(60)	0
Net Changes	\$ (7,560,753)	\$ (31,276,381)	\$ (38,837,134)
Balance June 30, 2025	\$ 53,744,170	\$ 222,322,187	\$ 276,066,357

During the year, the plan members' proportionate share of the collective OPEB liability was as follows: primary government 19.468 percent and school department 80.532 percent.

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources. For the year ended June 30, 2025, the plan recognized negative OPEB expense of (\$36,619,893), which was allocated as follows: primary government (\$6,880,819) and school department (\$29,739,074). On June 30, 2025, the plan reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference Between Expected and Actual Experience	\$ 0	\$ 28,608,891
Changes in Assumptions	10,453,965	47,079,958
Total	\$ 10,453,965	\$ 75,688,849

Allocation of OPEB Plan Deferred Outflows of Resources and Deferred Inflows of Resources

	Deferred Outflows of Resources	Deferred Inflows of Resources
Primary Government	\$ 2,035,178	\$ 14,735,105
School Department	8,418,787	60,953,744
Total	\$ 10,453,965	\$ 75,688,849

Amounts reported as deferred inflows and deferred outflows of resources related to OPEB will be recognized in OPEB expense as follows:

Year Ending June 30	Primary Government	School Department	Total
2026	\$ (8,240,613)	\$ (34,088,403)	\$ (42,329,016)
2027	(3,715,984)	(15,371,668)	(19,087,652)
2028	(743,330)	(3,074,886)	(3,818,216)
2029	0	0	0
2030	0	0	0
Thereafter	0	0	0

In the table shown above, positive amounts will increase OPEB expense while negative amounts will decrease OPEB expense.

Sensitivity of the Total OPEB Liability to Changes in the Discount Rate. The following presents the proportionate share of the total OPEB liability of the plan members calculated using the discount rate of 5.2 percent, as well as what the OPEB liability would be if it was calculated using a discount rate that is one percentage point lower (4.2 percent) or one percentage point higher (6.20 percent) than the current rate:

Discount Rate	1%	Current	1%
	Decrease 4.2%	Discount Rate 5.2%	Increase 6.2%
Primary Government	\$ 62,232,577	\$ 53,744,529	\$ 46,899,191
School Department	257,433,423	222,321,471	194,004,809
Total OPEB Liability	\$ 319,666,000	\$ 276,066,000	\$ 240,904,000

Sensitivity of the Total OPEB Liability to Changes in the Healthcare Cost Trend Rate. The following presents the proportionate share of the total OPEB liability of the plan members calculated using the current healthcare cost trend rate, as well as what the OPEB liability would be if it was calculated using a trend rate that is one percentage point lower or one percentage point higher than the current rate:

Healthcare Trend Rate	1%	Current	1%
	Decrease 3 to 6.75%	Trend Rates 4 to 7.75%	Increase 5 to 8.75%
Primary Government	\$ 46,255,773	\$ 53,744,529	\$ 63,079,435
School Department	191,343,227	222,321,471	260,936,565
Total OPEB Liability	\$ 237,599,000	\$ 276,066,000	\$ 324,016,000

H. Office of Central Accounting, Budgeting, and Purchasing

Williamson County operates under provisions of the Fiscal Control Acts of 1957. These acts provide for a central system of accounting, budgeting, and purchasing covering all funds administered by the county mayor and the highway superintendent. These funds are maintained in the Office of Central Accounting, Budgeting, and Purchasing under the supervision of the director of accounts and budgets. Williamson County also operates under provisions of the Williamson County Budget Act, Chapter 56, Private Acts of 2001.

I. Purchasing Laws

Offices of County Mayor and Highway Superintendent

Purchasing procedures for these offices are governed by provisions of the County Purchasing Law of 1957, Section 5-14-101, et seq., *Tennessee Code Annotated (TCA)*. Purchasing procedures for the highway department are also governed by provisions of the Uniform Road Law, Section 54-7-113, *TCA*. These statutes require that purchase orders be issued for all purchases and that sealed bids be solicited on purchases exceeding \$50,000 for the Offices of County Mayor and Highway Superintendent. Additionally, the county commission requires three quotes for purchases over \$20,000.

Office of Director of Schools

Purchasing procedures for the discretely presented Williamson County School Department are governed by purchasing laws applicable to schools as set forth in Section 49-2-203, *TCA*, which provides for the county Board of Education, through its executive committee (director of schools and chairman of the Board of Education), to make all purchases. This statute also requires competitive bids be solicited through newspaper advertisement on all purchases exceeding \$50,000.

J. Subsequent Event

On July 21, 2025, Williamson County entered into a lease financing agreement totaling \$21,852,000.

VI. OTHER NOTES – DISCRETELY PRESENTED WILLIAMSON COUNTY HOSPITAL DISTRICT

A. Nature of Operations

Organization – Williamson County Hospital District (the “District”) operates under the name of Williamson Health (“Williamson Health”) and is a general, short-term, acute care hospital organized as a political subdivision of Williamson County, Tennessee (the “County”). Williamson Health constitutes a component unit of the county, which is considered the primary government unit. The Williamson County Commission adopted a resolution in 1992, in conjunction with acquiring title to the property and equipment of the district, giving the district complete authority and responsibility to manage and operate Williamson Health as provided in Chapter 107 of the Private Act of 1957, passed by the Tennessee legislature. The county is financially accountable as it appoints a voting majority of the district’s Board of Trustees, and the full faith and credit of the county is pledged for payment of principal and interest on the outstanding hospital revenue and tax bonds. The financial statements of Williamson Health include Bone and Joint Institute of Tennessee, Inc., the blended component unit of Williamson Health, which is a wholly-owned subsidiary of Williamson Health with the same governing body and whose activities are substantially for the benefit of Williamson Health.

The primary mission of Williamson Health is to provide inpatient and outpatient healthcare services to citizens of Williamson County and surrounding areas. Williamson Health also provides ambulance services in Williamson County.

Williamson Health Foundation, Inc. (the “Foundation”) is a tax-exempt organization, which was established in 2003. The foundation was formed to coordinate the fund-raising and development activities of Williamson Health. The foundation is governed by a separate managing Board of Directors which is appointed by the Foundation. The activities of the foundation are reflected in the operating, nonoperating revenues (expenses) and capital grants and contributions as they relate to the foundation in the accompanying statements of revenues, expenses, and changes in net position. All assets of the foundation, other than unconditional promises to give, are shown as part of assets limited as to use in the accompanying Statement of Net Position.

Williamson Health follows the provisions of Governmental Accounting Standards Board (“GASB”) Statement No. 61, *The Financial Reporting Entity: Omnibus an amendment of GASB Statements No. 14 and No. 34*. As a result, the foundation is included in the accompanying financial statements as a discretely presented component unit of Williamson Health.

As required by accounting principles generally accepted in the United States of America, these financial statements present both Williamson Health and its discretely presented component unit (collectively referred to as the reporting entity).

Financial statements for the discretely presented individual component unit may be obtained at the following address:

B. Summary of Significant Accounting Policies

New and Upcoming Accounting Pronouncements – In April 2024, the GASB released Statement 103, *Financial Reporting Model Improvements*, which addresses the presentation of statement of revenues, expenses, and changes in net position. It will require separate sections and subtotals to be included in the statements for major component units and unusual or infrequent items. The guidance is effective for fiscal years beginning after June 15, 2025. Management is currently evaluating the impact of adoption.

In June 2022, the GASB issued Statement No. 101, *Compensated Absences*. This statement requires compensated absences to be recognized as a liability when the benefits are earned by employees and are attributable to services already rendered. The liability should be measured based on the pay or salary rates in effect at the financial statement date. The guidance is effective for fiscal years beginning after December 15, 2023. Williamson Health adopted GASB 101 as of July 1, 2024. The adoption of this authoritative guidance did not have a material impact on the financial statements.

Basis of Presentation – Williamson Health utilizes the proprietary fund method of accounting whereby revenues and expenses are recognized on the accrual basis, which is an economic resources measurement focus approach to accounting.

Cash and Cash Equivalents – Williamson Health considers all highly liquid investments with original maturities of three months or less when purchased to be cash equivalents. Cash and cash equivalents consist of amounts maintained in bank deposits and overnight repurchase agreements, which are

insured by the Federal Deposit Insurance Corporation or are otherwise collateralized as required by state statutes.

Inventories – Inventories consist principally of medical and pharmaceutical supplies and are stated at the lower of cost, determined on the first-in, first-out (FIFO) basis, or net realizable value.

Patient Accounts Receivable – Williamson Health reports patient accounts receivable for services rendered at net realizable amounts from third-party payors, patients, and others. Williamson Health provides an allowance for uncollectible accounts based on a review of outstanding receivables, historical collection information and existing economic conditions.

Assets Limited as to Use – Assets limited as to use include cash and investments designated by the Board of Trustees for future capital improvements and debt repayment, over which the board retains control and may at its discretion use for other purposes; cash and investments from county bond proceeds to be used for capital improvements; and restricted cash and investments from donors through the foundation. Investments are reported at fair value in accordance with GASB Statement No. 72, *Fair Value Measurement and Application*.

Property and Equipment – Property and equipment are recorded at cost. Assets are depreciated on a straight-line basis over their estimated useful lives as follows: land improvements two to 25 years; buildings generally 40 years; fixed equipment five to 20 years; and major movable equipment three to 20 years. Williamson Health reviews the carrying values of long-lived assets if facts and circumstances indicate that recoverability may have been impaired. Costs of maintenance and minor repairs are expensed as incurred.

Leases – Williamson Health determines if an arrangement is a lease at inception of the contract. Right-to-use assets and lease liabilities, for leases where Williamson Health is the lessee, and lease receivables and deferred inflows for lease revenue, for leases where Williamson Health is the lessor, are recognized at the commencement date of the lease based on the present value of lease payments over the lease term. Williamson Health uses an estimated incremental borrowing rate, which is derived from information available at the lease commencement date, in determining the present value of lease payments. Williamson Health has elected not to recognize a right-to-use asset, lease liability, lease receivable, or deferred inflow of resources for lease revenue or expected receipts for leases with an initial term of 12 months or less but includes the expense or income associated with short-term leases in rent expense or rent income, respectively, in the statement of revenues, expenses, and changes in net position.

The building leases include one or more options to renew. The exercise of lease renewal options is at Williamson Health's sole discretion. In general, Williamson Health considers renewal options to be reasonably certain to be exercised and therefore, renewal options are generally recognized as part of the determination of the lease terms. The lease agreements do not contain any material residual value guarantees, restrictions, or covenants.

Williamson Health determines if they are the lessor if a contract that conveys control of the right to use another entity's nonfinancial asset (the underlying asset) for a period of time in an exchange or exchange-like transaction. At the commencement of the lease term, Williamson Health recognizes a lease receivable and a deferred inflow of resources. The lease receivable is measured at the present value of lease payments expected to be received during the lease term. The deferred inflow of resources is measured at the value of the lease receivable plus any lease payments received at or before the commencement of the lease term that relate to the future periods. Lease revenue is recognized over the lease term on a systematic and rational basis. The revenue is recognized as the deferred inflow of resources is reduced over the lease term. Interest revenue is recognized on the lease receivable using the effective interest method over the lease term.

Subscription-based Information Technology Arrangements – Williamson Health determines if an arrangement is a subscription-based information technology arrangement (“SBITA”) at the inception of the arrangement. Right-to-use (“RTU”) asset and a corresponding liability, for SBITAs where Williamson Health is the recipient of the arrangement, are recognized at the commencement date of the arrangement based on the present value of all future payments over the arrangement term.

Investment in Joint Ventures – Investments in joint ventures are accounted for under the equity method of accounting and Williamson Health recognizes its proportionate share in the results of the underlying activities of the joint ventures.

Excess Consideration Provided for Acquisition – Williamson Health evaluates excess consideration provided for acquisition for impairment on an annual basis or more frequently if impairment indicators arise. In the event excess consideration provided for acquisition is considered to be impaired, a charge to earnings would be recorded during the period in which management makes such impairment assessment. The excess consideration provided for acquisition is amortized over 10 years on a straight-line basis in accordance with GASB No. 69, *Governmental Combinations and Disposals of Government Operations*.

Accrual for Compensated Absences – Williamson Health recognizes an expense and accrues a liability for compensated future employee absences in the period in which employees’ rights to such compensated absences are earned. Compensated absences consist of paid days off, including holiday, vacation, and sick days to qualifying employees.

Patient Service Revenue – Williamson Health has agreements with third-party payors that provide payments to Williamson Health at amounts different from its established rates. Payment arrangements include prospectively determined rates per discharge, reimbursed costs, discounted charges, and per-diem payments. Net patient service revenue is reported at the estimated net realizable amounts from patients, third-party payors, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payors. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

Risk Management – Williamson Health is exposed to various risks of loss from medical malpractice; torts; theft of, damage to, and destruction of assets; business interruption; errors and omissions; and natural disasters. Commercial insurance is purchased for claims arising from such matters. Williamson Health is self-insured for employee medical and other health care benefit claims and judgments as discussed in Note VI.P.

Income Taxes – Williamson Health and its blended component unit are classified as an organization exempt from federal income taxes as they are, collectively, a political subdivision of Williamson County. The foundation is classified as an organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

Net Position – Williamson Health’s net position is classified in three components. The *net investment in capital assets* consists of capital assets net of accumulated depreciation and reduced by the remaining balances of any outstanding borrowings used to finance the purchase or construction of those assets. The *restricted net position* is the noncapital net position that must be used for a particular purpose, as specified by creditors, grantors, or contributors external to Williamson Health, including amounts related to county contributions and bond indebtedness restricted for specific purposes. The *unrestricted net position* is the remaining net position that does not meet the definition of net investment in capital assets or restricted. Williamson Health first applies restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net position are available. As of June 30, 2025, Williamson Health did not have a permanently or temporarily restricted net position. The Foundation has a net position with donor restrictions.

Operating Revenues and Expenses – Williamson Health’s statement of revenues, expenses, and changes in net position distinguishes between operating and nonoperating revenues and expenses. Operating revenues result from exchange transactions associated with providing health care services, Williamson Health’s principal activity. Nonexchange revenues, including grants and contributions received by Williamson Health for purposes other than capital asset acquisition, are reported as nonoperating revenues. Operating expenses are all expenses incurred to provide health care services, other than financing costs.

Charity Care – Williamson Health accepts all patients, regardless of their ability to pay. A patient is classified as a charity patient by reference to certain established policies of Williamson Health. In assessing a patient’s inability to pay, Williamson Health utilizes generally recognized poverty income levels. Because Williamson Health does not pursue collection of amounts determined to qualify as charity care, charges related to charity care are not included in net patient service revenue. These costs are estimated based on the ratio of total costs to gross charges. In addition to these charity care services, Williamson Health provides a number of other services to benefit underprivileged patients for which little or no payment is received, including providing services to TennCare and state indigent patients and providing various public health education, health evaluation, and screening programs.

Contributed Resources – Williamson Health receives grants from the county, as well as from individuals and private organizations through the foundation. Revenues from grants and contributions (including contributions of capital assets) are recognized when all eligibility requirements, including time requirements, are met. Grants and contributions may be restricted for either specific operating purposes or for capital purposes. Amounts received by Williamson Health that are unrestricted or that are restricted for specific operating purposes are reported as non-operating income (expenses). Williamson Health received approximately \$6,300,000 from the Foundation for the year ended June 30, 2025. This amount is included in nonoperating income for Williamson Health and other operating expenses for the Foundation on the statements of revenues, expenses, and changes in net position. Amounts received by the foundation that are unrestricted or that are restricted for specific operating purposes are reported as operating revenues. Amounts restricted to capital acquisitions are reported as other increases in net position.

Use of Estimates – The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Performance Indicator – Excess of revenues over expenses reflected in the accompanying statement of revenues, expenses, and changes in net position is a performance indicator.

Events occurring after reporting date – Williamson Health has evaluated events and transaction that occurred between June 30, 2025, and the date of the report for possible recognition or disclosure in the financial statements.

C. *Fair Value Measurements*

Fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability. As a basis for considering market participant assumptions in fair value measurements, fair value accounting standards establish a fair value hierarchy that distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity including quoted market prices in active markets for identical assets (Level 1), or significant other observable inputs (Level 2), and the reporting entity’s own assumptions about market participant assumptions (Level 3). Except for the investments in joint ventures included in the statement of net position, substantially all of Williamson Health’s investments are classified as Level 1

under the hierarchy above. The foundation also has real estate held as an investment, that amounted to \$1,232,000 on June 30, 2025, which is considered Level 3 and valued at fair value based on information obtained from third party sources, including comparable market transactions, market history, and other information.

Financial Assets – The carrying amount of financial assets, consisting of cash, accounts receivable, accounts payable, accrued expenses, unearned revenue, and current portions of long-term debt and capital lease obligations approximate their fair value due to their relatively short maturities. Long-term debt and capital lease obligations are carried at amortized cost, which approximates fair value.

Non-financial Assets – Williamson Health’s non-financial assets, which include property and equipment, are not required to be measured at fair value on a recurring basis. However, if certain triggering events occur, or if an annual impairment test is required, and Williamson Health is required to evaluate the non-financial instrument for impairment, a resulting asset impairment would require that the non-financial asset be recorded at the fair value. During the year ended June 30, 2025, there were no triggering events that prompted an asset impairment test of Williamson Health’s non-financial assets. Accordingly, Williamson Health did not measure any non-recurring, non-financial assets or recognize any amounts in earnings related to changes in fair value for non-financial assets for the year ended June 30, 2025.

D. Net Patient Service Revenue

A significant portion of the amount of services provided by Williamson Health is to patients whose charges are paid by third-party payors such as Medicare, TennCare, and private insurance carriers.

A reconciliation of the amount of services provided to patients at established rates to net patient service revenue as presented in the statements of revenues, expenses, and changes in net position is as follows:

Gross Patient Service Charges	\$ 1,242,075,676
Less:	
Medicare Contractual Adjustments	(420,358,953)
TennCare Contractual Adjustments	(45,126,323)
Other Contractual Adjustments	(403,372,445)
Bad Debt	(25,464,569)
Charity Care	(492,092)
	<hr/>
Net Patient Service Revenue	<u><u>\$ 347,261,294</u></u>

Net patient accounts receivable consists of the following:

Commercial and managed care plans	\$ 24,939,758
Medicare	8,351,511
TennCare	682,137
Patients, including self-insured	24,540,067
Less: Allowance for Uncollectible Accounts	(20,357,236)
	<hr/>
Total	<u><u>\$ 38,156,237</u></u>

E. Third-party Reimbursement Programs

Williamson Health renders services to patients under contractual arrangements with the Medicare and Medicaid programs. Effective January 1, 1994, the Medicaid program in Tennessee was replaced with TennCare, a managed-care program designed to cover previous Medicaid-eligible enrollees, as well as other previously uninsured and uninsurable participants.

Amounts earned under these contractual arrangements are subject to review and final determination by fiscal intermediaries and other appropriate governmental authorities or their agents. Activity with respect to audits and reviews of governmental programs and reimbursement has increased and is expected to increase in the future. No additional reserves or allowances have been established with regard to these increased audits and reviews as management is not able to estimate such amounts. In the opinion of management, any adjustments, which may result from such audits and reviews, will not have a material impact on the financial statements; however, due to the uncertainties involved, it is at least reasonably possible that management's estimates will change in the future. In addition, participation in these programs subjects Williamson Health to significant rules and regulations; failure to adhere to such could result in fines, penalties, or expulsion from the programs.

The Medicare program pays for inpatient services on a prospective basis. Payments are based upon diagnostic-related group assignments, which are determined by the patient's clinical diagnosis and medical procedures utilized.

The Medicare program reimburses for outpatient services under a prospective method utilizing an ambulatory payment classification system, which classifies outpatient services based upon medical procedures and diagnosis codes.

Williamson Health contracts with various managed care organizations under the TennCare program. TennCare reimbursement for both inpatient and outpatient services is based upon prospectively determined rates and per-diem amounts.

Net patient service revenue related to Medicare and TennCare was approximately \$120,240,000 and \$4,250,000, respectively, for the year ended June 30, 2025.

Williamson Health has also entered into reimbursement agreements with certain commercial insurance companies, health maintenance organizations, and preferred provider organizations. The basis for reimbursement under these agreements includes prospectively determined rates per discharge, per-diem rates, case rates, and discounts from established charges.

F. Assets Limited as to Use

Assets limited as to use consist of the following:

Cash restricted by Board for capital improvements	\$ 38,047,438
Cash restricted by Board for bond principal and interest payments	30,232,650
Cash and cash equivalents restricted by donors	1,019,109
Investments restricted by donors	<u>3,783,903</u>
Assets limits as to use	<u>\$ 73,083,100</u>

Balances consist of cash and mutual funds and an investment in real estate on June 30, 2025. The mutual funds are held by the foundation, which is a discretely presented component unit of Williamson Health and a 501(c)(3) organization. Amounts are classified as noncurrent assets to the extent they are not expected to be used to satisfy current obligations.

Amounts classified as current assets will be used to make bond principal and interest payments.

All assets limited as to use relating to the primary enterprise on June 30, 2025, are insured by the Federal Deposit Insurance Corporation, registered or otherwise collateralized by the financial institution through the State of Tennessee Collateral Bank Pool as required by state statutes. See Note VI.P. for additional information related to Williamson Health's risks with respect to its investments.

G. Capital Assets

The major classifications and changes in capital assets as of and for the year ended June 30, 2025, are as follows:

	Balance 7-1-24	Additions	Transfers/ Retirements	Balance 6-30-25
Land	\$ 13,119,755	\$ 0	\$ 0	\$ 13,119,755
Land Improvements	3,571,340	20,919	0	3,592,259
Building and fixed equipment	388,778,743	0	16,447,563	405,226,306
Equipment	142,550,363	1,906,047	6,481,290	150,937,700
Equipment Under Finance Leases	3,022,644	0	0	3,022,644
Right-of-use leased assets:				
Buildings	23,284,949	221,647	(757,991)	22,748,605
Equipment	6,218,538	1,732,447	(1,831,242)	6,119,743
Right-to-use subscription IT assets	3,716,106	732,983	0	4,449,089
Subtotal	\$ 584,262,438	\$ 4,614,043	\$ 20,339,620	\$ 609,216,101
Less: Accumulated Depreciation and Amortization	(230,767,374)	(23,276,653)	5,433,856	(248,610,171)
Add: Construction in Progress	8,699,744	19,142,268	(26,420,387)	1,421,625
Total	\$ 362,194,808	\$ 479,658	\$ (646,911)	\$ 362,027,555

The construction in progress on June 30, 2025, primarily consists of a project for a MRI buildout as well as various projects related to department expansions, other buildouts, and various renovations. Estimated costs to complete these projects amount to approximately \$2,740,000 on June 30, 2025.

H. Investments in Joint Ventures

Williamson Health has an investment in Shared Hospital Services, Inc. (S.H.S.), which provides laundry and linen services. This investment is in a joint venture in which Williamson Health owns approximately eight percent on June 30, 2025. Equity earnings are distributed based upon tons of laundry processed by S.H.S.

Williamson Health paid S.H.S. approximately \$729,000 for laundry services for the year ended June 30, 2025.

Williamson Health has a 49 percent ownership interest in Vanderbilt Health and Williamson Medical Center Clinics and Services, LLC (VHWMCCS). VHWMCCS owns and operates five primary care, walk-in clinics located in Williamson County, Tennessee.

Williamson Health has a 51 percent non-controlling ownership interest in Bone and Joint Institute of Tennessee Surgery Center, LLC (the Surgery Center).

Summary information for the joint ventures as of June 30, 2025, and for the year then ended, is as follows:

Total assets	\$ 35,096,000
Total liabilities	<u>\$ 17,297,000</u>
Net revenues	<u>\$ 57,374,000</u>
Net earnings	<u>\$ 1,866,000</u>
Williamson Health's interest:	
Investment in joint ventures	\$ 12,097,915
Equity in earnings of joint ventures	<u>\$ 1,044,797</u>

Financial statements for the joint ventures can be obtained from their respective administrative offices at the following addresses:

Shared Hospital Services, Inc.
641 Mainstream Drive
Nashville, TN 37228

Vanderbilt Health and Williamson
Medical Center Clinics and Services, LLC
512 Autumn Springs Court, Suite C
Franklin, TN 37067

Bone and Joint Institute of Tennessee Surgery Center, LLC
3000 Edward Curd Lane, Suite 200
Franklin, TN 37067

I. Williamson County Ambulance Service

Pursuant to terms of an agreement with the county, which has been and may continue to be renewed annually upon agreement by both parties, Williamson Health controls and operates the Williamson County Ambulance Service. In accordance with this agreement, the county made an unrestricted donation to Williamson Health of \$4,943,627 for the year ended June 30, 2025, which is included in nonoperating income in the accompanying statements of revenues, expenses, and changes in net position. The agreement also provides for Williamson Health to return all related assets (as defined) of the ambulance service to the county at the end of the contract period. The net book value of assets related to the ambulance service was \$616,857 on June 30, 2025.

J. Long-term Debt

A schedule of changes in Williamson Health's long-term debt is as follows:

	Balance 7-1-24	Additions	Reductions	Balance 6-30-25	Amounts Due Within One Year
Bonds payable:					
General Obligation Refunding Bonds Series 2012A	\$ 1,070,000	\$ 0	\$ (1,070,000)	\$ 0	\$ 0
General Obligation Public Improvement and School Bonds, Series 2018	34,680,000	0	(1,645,000)	33,035,000	1,725,000
Premium on Series 2018 Bonds	2,315,424	0	(156,984)	2,158,440	156,980
General obligation School and Public Improvement Refunding Bonds, Series 2020C	17,265,000	0	(1,580,000)	15,685,000	1,615,000
Premium on Series 2020C Bonds	179,956	0	(18,301)	161,655	18,301
General Obligation Bonds, Series 2021B	74,250,000	0	(1,750,000)	72,500,000	2,700,000
Premium on Series 2021B Bonds	7,151,222	0	(399,138)	6,752,084	399,138
General Obligation Bonds, Series 2022A	63,825,000	0	(500,000)	63,325,000	1,500,000
Premium on Series 2022A Bonds	2,748,936	0	(145,961)	2,602,975	145,961
Total due to primary government	<u>\$ 203,485,538</u>	<u>\$ 0</u>	<u>\$ (7,265,384)</u>	<u>\$ 196,220,154</u>	<u>\$ 8,260,380</u>
Notes from direct borrowings					
4.98% Note Payable to Bank	1,173,813	0	(465,900)	707,913	490,831
5.10% Note payable to bank	0	12,800,000	(705,905)	12,094,095	1,041,084
3.00% Note payable to bank (2016)	1,749,265	0	(209,315)	1,539,950	1,539,950
2.732% Note payable to bank	13,034,326	0	(13,034,326)	0	0
0% Promissory Note payable to the National Center for Pelvic Health, LLC	158,895	0	(105,931)	52,964	52,964
Total notes and revolving line of credit from direct borrowings	<u>\$ 16,116,299</u>	<u>\$ 12,800,000</u>	<u>\$ (14,521,377)</u>	<u>\$ 14,394,922</u>	<u>\$ 3,124,829</u>
Total long-term debt	<u>\$ 219,601,837</u>	<u>\$ 12,800,000</u>	<u>\$ (21,786,761)</u>	<u>\$ 210,615,076</u>	<u>\$ 11,385,209</u>

Due to Primary Government

Williamson Health records bonds issued by the county for Williamson Health as debt due to primary government.

In June 2012, the county issued \$17,780,000 in General Obligation Refunding Bonds, Series 2012A. The Series 2012A Bonds bear interest at rates ranging from two to four percent and were due through May 1, 2025. The trust indentures related to the bonds contain certain covenants and restrictions,

involving the issuance of additional debt and income available for debt service. In May of 2025, the remaining balance was paid.

In October 2018, the county issued \$45,000,000 in General Obligation Public Improvement and School Bonds, Series 2018. The bonds were issued at a premium resulting in future principal payments of \$41,795,000. The bond premium in the amount of \$3,205,000 is amortized as a reduction to interest expense over the term of the bonds. The Series 2018 Bonds bear interest at rates ranging from 3.75% to 5% and are due through April 1, 2039.

In October 2020, the county issued General Obligation School and Public Improvement Refunding Bonds, Series 2020C to refund a portion of the Series 2013 Bonds. The amount of Series 2013 Bonds refunded by the 2020C bonds was \$16,835,000. The Series 2020C bonds increased Williamson Health's outstanding debt obligation by an additional \$1,030,000 and this amount was recorded as a reduction to the Series 2013 premium. No cash was received by Williamson Health as part of the refunding. Williamson Health signed an interlocal agreement with the county to continue making debt service payments in the amount of the original Series 2013 Bonds agreement. Pursuant to the interlocal agreement, the county will apply savings from the refunding of approximately \$2,300,000 to future capital costs of ambulance and other EMS facilities. The 2020C bonds bear interest between 1.375% and 2% and are due through May 1, 2034.

In December 2021, the county issued \$83,182,328 in General Obligation Bonds, Series 2021B (the Series 2021B Bonds). The bonds were issued at a premium resulting in future principal payments of \$75,000,000. The bond premium in the amount of \$8,182,328 is amortized as a reduction to interest expense over the term of the bonds. The Series 2021B Bonds bear interest at rates ranging from 1.75% to 5% and are due through May 2042.

In November 2022, the county issued \$66,817,204 in General Obligation Bonds, Series 2022A (the Series 2022A Bonds). The bonds were issued at a premium resulting in future principal payments of \$63,825,000. The bond premium in the amount of \$2,992,204 is amortized as a reduction to interest expense over the term of the bonds. The Series 2022A Bonds bear interest at rates ranging from 4.25% to 5% and are due through May 2043.

The bonds discussed above provide for certain events of default to include failure to pay obligations, failure to observe and perform covenants, making false representations or defaulting under other loan agreements. In the event of default, all amounts due under the loans may become immediately due and payable. The full faith and credit of Williamson County, Tennessee, is irrevocably pledged to pay principal, redemption premiums, if any, and interest on all bonds. The bonds are secured by a pledge of the net revenues to be derived from the operation of Williamson Health. The bond agreements also contain provisions allowing ad valorem taxes to be levied and collected by Williamson County, Tennessee, on all taxable property within Williamson County should funds from Williamson Health be insufficient to pay amounts due under the loans.

Notes Payable

Williamson Health also issues notes payable to finance certain property and equipment additions. The 3.318% note payable to bank represents amounts drawn under a \$7,500,000 construction loan, which converted to a term loan on December 1, 2008. The note was amended in November 2019 to extend monthly principal and interest payments in the amount of \$40,483 through November 2022 and to increase the interest rate to 3.318%. The note was amended again in November 2022 to extend monthly principal and interest payments in the amount of \$42,880 through December 2026 and to increase the interest rate to 4.98%. This loan is secured by security interests in accounts receivable, excluding Medicare payments. The 2.732% note payable to bank was amended in November 2021 and was payable in monthly payments of principal and interest of \$123,352 through November 2024 with the remaining balance due in November 2024. In November 2024, the remaining balance was paid. The 1.98% note payable to bank represented a \$2,572,500 promissory note which was amended in October

2020 and was payable in monthly principal and interest payments in the amount of \$32,542 through October 2023. The loan was secured by the encumbered property. In October of 2023, the remaining balance was paid. The 3% note payable to bank is payable in monthly principal and interest of \$16,573 through April 2026 and is secured by the encumbered property. In January 2024, the promissory note payable to the National Center for Pelvic Health, LLC, of \$211,860 was issued as a non-interest bearing note and is payable in monthly payments of \$8,828 through December 2025. The 5.1% note payable to bank represents a \$12,800,000 promissory note that was issued in November 2024 and is payable in monthly principal and interest payments in the amount of \$136,839 through November 2027. The loan is secured by the encumbered party.

The notes payable agreements provide for certain events of default which generally include: failure to pay obligations when due, failure to maintain insurance as required, failure to perform or comply with covenants, or default under other debt agreements. In the event of default, the financing entities may require the return of medical equipment, apply or off-set obligations with security deposits, and/or require Williamson Health to repay all obligations under the agreement together with interest.

The debt service requirements on June 30, 2025, related to long-term debt are as follows:

Year Ending June 30	Principal Maturities or Sinking Fund Requirements	Interest
2026	\$ 11,385,209	\$ 7,524,000
2027	11,173,673	7,074,000
2028	20,227,176	6,324,000
2029	10,700,380	5,685,000
2030	11,145,380	5,238,000
2031-2035	60,590,548	19,383,000
2036-2040	59,324,140	9,644,000
2041-2043	26,068,570	1,639,000
Total	<u>\$ 210,615,076</u>	<u>\$ 62,511,000</u>

Further detail of future maturities and interest of long-term debt by issue is as follows:

Year Ending June 30	Direct Borrowings from Notes to Banks		
	Principal	Interest	Total
2026	\$ 3,124,829	\$ 675,880	\$ 3,800,709
2027	1,313,295	554,275	1,867,570
2028	9,956,798	211,715	10,168,513
Total	<u>\$ 14,394,922</u>	<u>\$ 1,441,870</u>	<u>\$ 15,836,792</u>

Year Ending June 30	Due to Primary Government		
	Principal	Interest	Total
2026	\$ 8,260,380	\$ 6,848,563	\$ 15,108,943
2027	9,860,380	6,520,013	16,380,393
2028	10,270,380	6,112,363	16,382,743
2029	10,700,380	5,685,263	16,385,643
2030	11,145,380	5,237,713	16,383,093
2031	11,610,380	4,768,813	16,379,193
2032	12,090,380	4,288,838	16,379,218
2033	12,530,380	3,848,312	16,378,692
2034	12,942,330	3,429,385	16,371,715
2035	11,417,079	3,048,138	14,465,217
2036	11,777,079	2,685,938	14,463,017
2037	12,157,079	2,303,613	14,460,692
2038	12,527,079	1,942,475	14,469,554
2039	12,862,808	1,558,863	14,421,671
2040	10,000,089	1,152,613	11,152,702
2041	10,290,099	857,350	11,147,449
2042	10,571,837	551,775	11,123,612
2043	5,206,635	228,695	5,435,330
Total	\$ 196,220,154	\$ 61,068,723	\$ 257,288,877

K Other Receivables

Other current and long-term receivables on June 30, 2025, include receivables from certain physicians and donors, receivables owed by the foundation to Williamson Health, and miscellaneous non-patient receivables. Receivables from certain physicians, which were made as part of Williamson Health's recruitment program to attract physicians to Williamson Health's service area amounted to \$91,085 on June 30, 2025. Under terms of the related agreements, such receivables will be forgiven over a period of time, generally over three years, as long as the physician continues to practice in the area. Williamson Health is amortizing these loans over the physicians' service commitments. Miscellaneous non-patient receivables totaled \$9,282,919 on June 30, 2025. Approximately \$9,200,000 of the miscellaneous non-patient receivables are payments due under the Hospital Investment Program, which have not been received as of June 30, 2025. These amounts were received in August 2025. Contributions receivable amounted to \$3,291,872 on June 30, 2025. The foundation solicits pledges of support from board members and others for contributions to be used for specific purposes. The pledges are discounted when recorded to reflect the present value of expected future collections due after one year.

Contributions receivable are reported as restricted net position in the accompanying financial statements and are scheduled to be received as follows:

Receivables in Less than One Year	\$ 1,675,000
Receivables in One to Five Years	2,193,000
	<u>\$ 3,868,000</u>
Less: Allowance for Uncollectible Pledges	(387,000)
Less: Discounts	<u>(190,000)</u>
Total	<u>\$ 3,291,000</u>

L. Employees Retirement Plan

Deferred compensation plans

Williamson Health participates in a deferred compensation plan, the Williamson Medical Center 401(a) Retirement Plan (the plan), for substantially all of its employees. The plan is a defined contribution plan with record keeping services by AUL Retirement Services. Benefits expense includes approximately \$3,802,000 for the year ended June 30, 2025, related to Williamson Health's share of expenses for contributions and service charges on the retirement plan for covered employees. Williamson Health's contribution percentage is 7% of covered wages for physicians and 10% of covered wages for executives as of June 30, 2025. Williamson Health also matches executives up to 2% of compensation, administrative and non-physician department heads up to 9% of compensation and all other employee contributions up to 5% of compensation for employees that have one or more years of service, more than one thousand scheduled hours, and have attained the age of 21. Employees may make pre-tax elective deferral or Roth deferral contributions so long as the total combined deferrals do not exceed the "elective deferral limit," as provided by law, for the calendar year or 100% of the participants' plan compensation, whichever is lesser. Employees are always 100% vested in their contributions. Physicians, certain members of management, and employees hired prior to January 1, 2018, are 100% vested in employer matching contributions. Employees hired after January 1, 2018, are 100% vested after three years of service. Forfeitures related to the nonvested portion of employer contributions are used to pay Plan expenses and reduce employer contributions. The Board of Trustees of Williamson Health have the authority to amend the terms of the plan at any time. The plan's investments on June 30, 2025, consist of various mutual fund and fixed income investments.

Effective September 1, 2016, Williamson Health implemented a physician call pay plan. Williamson Health made contributions to the plan of approximately \$1,284,000 for the year ended June 30, 2025. The plan had assets of approximately \$4,465,000 as of June 30, 2025, and a liability of approximately \$5,754,000 on June 30, 2025. The assets are included in other assets and the liability is included in other long-term liabilities on the accompanying statement of net position.

Defined Contribution Plans

Williamson Health has two defined contribution plans including the Bone and Joint Institute of Tennessee 403(b) Plan and the Bone and Joint Institute of Tennessee 457 Plan which were each effective May 1, 2018. The 403(b) Plan and the 457 Plan are administered by the American United Life Insurance Company. Contributions are made to employees who meet the eligibility requirements. Prior to January 1, 2019, certain employees who worked more than 20 hours per week were eligible for the 403(b) Plan and immediately vested in all contributions. Effective January 1, 2019, the 403(b) Plan was restated and amended as a safe harbor plan, requiring an employee entering the plan after December 31, 2018, to be at least 21 years of age and have obtained 1,000 hours of service to receive the safe harbor and discretionary matching contributions. Participants are 100 percent vested in safe harbor matching contributions and become 100 percent vested after three years in discretionary matching contributions. Certain highly compensated employees are eligible to contribute to the 457 Plan and are immediately vested in all contributions. The 403(b) Plan includes an employer match up to five percent of eligible compensation. Employee benefits expense, as presented on the accompanying statements of revenue, expenses and changes in net position, includes approximately \$823,000 relating to Williamson Health's expense for the 403(b) Plan and the 457 Plan for the year ended June 30, 2025. Forfeitures related to the nonvested portion of employer contributions are used to pay plan expenses and reduce employer contributions. The Board of Trustees of Williamson Health have the authority to amend the terms of the Plan at any time. The plan's investments consist of various mutual fund and fixed income investments.

M. Functional Expenses

The following is a summary of management's functional classification of operating expenses:

Healthcare Services	\$ 184,705,078
General and Administrative	185,196,818
	<hr/>
Total	<u>\$ 369,901,896</u>

N. Leases

Williamson Health leases equipment and office space under finance lease agreements that expire on various dates through October 2038. The finance lease obligations as of and for the years ended June 30, 2025, are as follows:

	Balance 7-1-24	Additions/ Other	Reductions/ Other	Balance 6-30-25	Due Within One Year
Equipment	\$ 4,654,677	\$ 1,726,891	\$ (2,541,592)	\$ 3,839,976	\$ 2,031,395
Buildings	18,700,233	221,647	(2,153,107)	16,768,773	2,114,963
	<hr/>				
Total	<u>\$ 23,354,910</u>	<u>\$ 1,948,538</u>	<u>\$ (4,694,699)</u>	<u>\$ 20,608,749</u>	<u>\$ 4,146,358</u>

Future minimum lease payments under noncancellable finance leases with initial or remaining lease terms in excess of one year as of June 30, 2025, are as follows:

Year Ending June 30	Cash		
	Payment	Interest	Principal
2026	\$ 4,700,986	\$ 554,628	\$ 4,146,358
2027	3,690,395	437,375	3,253,020
2028	2,718,676	346,254	2,372,422
2029	2,275,208	283,047	1,992,161
2030	1,218,027	244,444	973,583
Thereafter	8,899,955	1,028,750	7,871,205
Total Future Minimum Lease Payments	<u>\$ 23,503,247</u>	<u>\$ 2,894,498</u>	<u>\$ 20,608,749</u>

Williamson Health generates rental income primarily from operating leases of three medical office buildings that expire on various dates through December 2029. Rental revenue was \$3,547,137 for the year ended June 30, 2025, and is included in other revenue. Approximately \$2,147,000 of the rental income for the year ended June 30, 2025, was from a related party.

Approximate future minimum interest and principal payments receivable by Williamson Health under noncancellable leases on June 30, 2025, are as follows:

Year Ending June 30	Cash Payment	Interest	Principal
2026	\$ 3,536,866	\$ 248,269	\$ 3,288,597
2027	2,984,524	183,838	2,800,686
2028	2,415,258	123,476	2,291,782
2029	2,274,113	62,988	2,211,125
2030	1,152,328	9,020	1,143,308
Total Future Minimum Lease Payments	<u>\$ 12,363,089</u>	<u>\$ 627,591</u>	<u>\$ 11,735,498</u>

Future minimum rental payments generally include minor annual increases for inflation. Approximately \$9,843,000 of the future minimum rental payments are due from a related party, inclusive of approximately \$9,250,000 of principal and \$593,000 of interest.

O. *Subscription Based Information Technology*

Williamson Health leases subscription-based assets under various subscription-based agreements that expire on various dates through July 2029. In accordance with GASB statement 96, *Subscription-Based Information Technology Arrangements* (“GASB 96”), using an incremental borrow rate of 3%, a right-to-use (“RTU”) asset of \$3,818,591, related accumulated amortization of \$2,221,292, and a subscription liability of \$1,692,126, is included in the accompanying statements of net position as of June 30, 2025. Amortization expense was \$1,086,258 for the year ended June 30, 2025, and is included in depreciation and amortization.

The subscription payment obligations as of and for the year ended June 30, 2025, are as follows:

	Balance 7-1-24	Additions/ Other	Reductions/ Other	Balance 6-30-25	Amounts Due Within One Year
Subscriptions	<u>\$ 2,034,390</u>	<u>\$ 732,983</u>	<u>\$ (1,075,247)</u>	<u>\$ 1,692,126</u>	<u>\$ 948,647</u>

Future minimum subscription payments under noncancellable subscription-based agreements with initial or remaining subscription terms in excess of one year as of June 30, 2025, are as follows:

Year Ending June 30	Cash Payment	Interest	Principal
2026	\$ 985,311	\$ 36,664	\$ 948,647
2027	364,322	16,576	347,746
2028	290,167	8,029	282,138
2029	109,056	1,477	107,579
2030	6,031	15	6,016
Total Future Minimum Subscription Payments	<u>\$ 1,754,887</u>	<u>\$ 62,761</u>	<u>\$ 1,692,126</u>

P. *Commitments and Contingencies*

Medical malpractice liability is limited under provisions of the Tennessee Governmental Tort Liability Act (Section 29-20-403, et seq., *Tennessee Code Annotated*), which removed tort liability from governmental entities which, in the opinion of management and legal counsel, includes Williamson Health. In addition to requiring claims to be made in conformance with this act, special provisions

include, but are not limited to, special notice of requirements imposed upon the claimant, a one-year statute of limitations, and a provision requiring the governmental entity purchase insurance or to be self-insured within certain limits. This act also prohibits a judgment or award exceeding the minimum amounts of insurance coverage set out in the act (\$300,000 for bodily injury or death of any one person and \$700,000 in the aggregate for all persons in any one accident, occurrence, or act) or the amount of insurance purchased by the governmental entity.

Williamson Health maintains commercial insurance on a claims-made basis for medical malpractice liabilities. Insurance coverage is \$1 million per claim and \$3 million in the aggregate annually with a specific deductible of \$350,000 and aggregating specific deductible of \$150,000 per claim. In addition, Williamson Health maintains an annual aggregate excess liability policy. Management intends to maintain such coverage in the future. During the past five fiscal years, no settlements of malpractice claims have exceeded insurance coverage limits.

There are known incidents occurring through June 30, 2025, that have resulted in the assertion of claims, although other claims may be asserted, arising from services provided to patients in the past. Management of Williamson Health is of the opinion that such liability, if any, related to these asserted claims, will not have a material effect on Williamson Health's financial position. No amounts have been accrued for potential losses related to unreported incidents or reported incidents, which have not yet resulted in asserted claims, as Williamson Health is not able to estimate such amounts.

The health care industry is subject to numerous laws and regulations of federal, state, and local governments. These laws and regulations include, but are not necessarily limited to, matters such as licensure, accreditation, government health care program participation requirements, reimbursement for patient services, Medicare fraud and abuse, and, most recently under the provisions of the Health Insurance Portability and Accountability Act of 1996, matters related to patient records, privacy, and security. Recently, government activity has increased with respect to investigations and allegations concerning possible violations of fraud and abuse statutes and regulations by health care providers. Violations of these laws and regulations could result in expulsion from government health care programs together with the imposition of significant fines and penalties, as well as significant repayments for patient services previously billed. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as regulatory actions unknown or unasserted at this time.

Williamson Health is self-insured for medical and other health care benefits provided to its employees and their families. Williamson Health maintains reinsurance through a commercial excess coverage policy, which covers annual individual employee claims paid in excess of \$350,000 specific deductible and aggregately separate deductible of \$150,000 for the plan year. Contributions by Williamson Health and participating employees are based on actual claims experience. A provision for estimated incurred but not reported claims has been provided in the accompanying financial statements. Total expenses under this program amounted to approximately \$18,409,000 for the year ended June 30, 2025, and are included in employee benefits in the accompanying statements of revenues, expenses, and changes in net position.

Williamson Health is exposed to risks related to its cash and investments, a portion of which is included in assets limited as to use, although certain risks such as credit risk are mitigated due to Williamson Health's practice of maintaining investments primarily in cash and cash equivalents. Williamson Health's investment policy includes certificates of deposit, bank demand and savings accounts, and investment vehicles of the United States government. Williamson Health is subject to investment rate risk, the risk that changes in interest rates will adversely affect the fair value of an investment; however, Williamson Health's cash and investments are short-term in nature. Williamson Health's investment policy does not specifically address custodial credit risk, the risk that in the event of failure of a counterparty to a transaction, Williamson Health will not be able to recover the value of the investment or any collateral securities that are in the possession of an outside party, or concentration of credit risk, the risk that the amount of investments Williamson Health has with any one issuer exceeds five percent of its total

investment. State statutes require that all deposits with financial institutions must be collateralized by securities whose market value is equal to 105 percent of the value of the uninsured deposits. The deposits must be covered by federal depository insurance or the Tennessee Bank Collateral Pool, by collateral held by Williamson Health's agent in Williamson Health's name, or by the Federal Reserve Banks acting as third-party agents. Statutes also require that securities underlying repurchase agreements must have a market value at least equal to the amount of funds invested in the repurchase transaction. Substantially all of Williamson Health's cash and assets limited as to use are held in institutions, which participate in the Tennessee Bank collateral pool.

Management continues to implement policies, procedures, and compliance overview of organizational structure to enforce and monitor compliance with the Health Insurance Portability and Accountability Act of 1996 and other government statutes and regulations. Williamson Health's compliance with such laws and regulations is subject to future government review and interpretations, as well as regulatory actions, which are unknown or unasserted at this time.

CMS has implemented a Recovery Audit Contractors (RAC) program. The purpose of the program is to reduce improper Medicare payments through the detection and recovery of overpayments. CMS has engaged subcontractors to perform these audits, and they are being compensated on a contingency basis based on the amount of overpayments that are recovered. While management believes that all Medicare billings are proper and adequate support is maintained, certain aspects of Medicare billing, coding and support are subject to interpretation and may be viewed differently by the RAC auditors. Williamson Health has recorded no potential losses as of June 30, 2025; however, the amount of actual losses incurred could differ materially from this estimate.

As currently structured, the Affordable Care Act expands coverage through a combination of private sector health insurance requirements, public program expansion and other reforms. Expansion of coverage through the private sector has been driven by requirements applicable to health insurers, employers, and individuals. Expansion in public program coverage has been driven primarily by expanding the categories of individuals eligible for Medicaid coverage and permitting individuals with relatively higher incomes to qualify.

There is uncertainty regarding the ongoing effect of the Affordable Care Act due to efforts to change, repeal or replace the Affordable Care Act, and the development of agency guidance, among other factors. There is also uncertainty regarding the potential impact of other reform efforts at the federal and state levels. For example, some members of Congress have proposed measures that would expand government-sponsored coverage, including proposals to expand coverage of federally funded insurance programs as an alternative to private insurance or establish a single-payor system (such reforms often referred to as "Medicare for All"), and some states are considering similar measures. Other initiatives and proposals, including those aimed at price transparency and out-of-network charges, may impact prices and the relationships between health care providers and insurers.

VII. OTHER NOTES – DISCRETELY PRESENTED WILLIAMSON COUNTY EMERGENCY COMMUNICATIONS DISTRICT

A. Summary of Significant Accounting Policies

General Information – On May 15, 1984, the Tennessee state legislature approved the Tennessee Emergency Communications District Law (Acts 1984, Ch. 867), which enables a county, upon approval by voters, to create a district to provide local emergency telephone service. Subsequently, on March 11, 1988, the county legislative body of Williamson County, Tennessee approved resolution number 3-88-7, which established a district for their county, the Williamson County Emergency Communications District (the "district"). As provided by the Act, the district operates as a governmental organization through the directives of a seven-member board of directors and provides enhanced 911 emergency telephone service for its service area. The Williamson County Commission at its February 14, 2005,

meeting added an eighth representative seat with the new director to be appointed from within the corporate limits of Franklin. The directors serve without compensation for terms of four years.

Financial Reporting Entity - Component Unit – The district is a component unit of the primary government of Williamson County, Tennessee (the County). The district reports its financial information separately from Williamson County; however, the county in its financial report also presents the district’s financial information.

Legally, the district is a separate governmental entity that has considerable legal, financial, and administrative autonomy. However, as the governing board is not elected but instead is entirely appointed by the Williamson County Mayor and approved by the Williamson County Commission, the district cannot be a primary government. Instead, it qualifies as a component unit according to the directives of Governmental Accounting Standards Board (GASB).

The GASB specifies that component units must be legally separate organizations, which have financial accountability to a primary government. Financial accountability exists prima facie if a special-purpose government is not fiscally independent. GASB states that to be fiscally independent, the government has to have the authority to do all of three activities. Two of these are to issue bonded debt without approval by another government and to levy taxes or set rates or charges without approval by another government. By Section 7-86-114, *Tennessee Code Annotated (TCA)*, before issuing negotiable bonds, the district must have approval of the legislative body of a county wherein a district is established. It also must have approval before making purchase contracts, lease agreements, and notes payable of over five years’ duration. In addition, the Williamson County Commission has the ability to adjust the district’s service charges. Because the district is both a legal entity and financially accountable to the primary government of Williamson County as the county commission approves all members of the governing board and by the nature of its fiscal dependence on Williamson County as described above, it is a component unit of Williamson County.

On June 30, 2025, there was \$36,000 due from Williamson County and no amounts due to Williamson County. The district did not engage in any activities that were subject to the approval of Williamson County.

Basis of Presentation – The financial statements are presented on the full accrual basis of accounting and conform to accounting principles generally accepted in the United States of America.

As a component unit of Williamson County, the accounts of the district are organized on the basis of a proprietary fund type, specifically an enterprise fund. The activities of this fund are accounted for with a separate set of self-balancing accounts that comprise the district’s assets, liabilities, net position, revenues, and expenses. Enterprise funds account for activities (i) that are financed with debt that is secured by a pledge of the net revenues from fees and charges of the activity; or (ii) that are required by laws or regulations that the activity’s costs of providing services, including capital costs (such as depreciation or debt service), be recovered with fees and charges, rather than with taxes or similar revenues; or (iii) that the pricing policies of the activity establish fees and charges designed to recover its costs, including capital costs (such as depreciation or debt service).

The district does not have the authority to levy or collect taxes but is supported instead by the fees collected from telephone subscribers who benefit from the availability of its service. It recovers the cost of providing its services from its customers. Consequently, the district functions in a manner similar to a private business enterprise and utilizes the accrual method of accounting. Income is recognized as it is earned, and expenses are recognized as they are incurred, whether or not cash is received or paid out at that time.

The accounting and financial reporting treatment applied to the district is determined by its measurement focus. The transactions of the district are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities associated with the

operations are included on the Statement of Net Position. Net position (i.e., total assets plus net deferred outflows net of total liabilities and net deferred inflows) is segregated into net investment in capital assets, restricted for capital projects, and unrestricted components. As of June 30, 2025, the district had no debt that related to the aforementioned categories.

When both restricted and unrestricted resources are available for use, it is the district's policy to use restricted resources first and then unrestricted resources as they are needed.

Cash Flow - Cash and Cash Equivalents – The district presents its cash flow statement using the direct method. For purposes of cash flow presentation, the district considers cash in operating bank accounts, cash on hand, and certificates of deposit with an original maturity of 90 days or less to be cash and cash equivalents. On June 30, 2025, there were no certificates of deposit that qualified as cash equivalents.

Budgetary Law and Practice – The treasurer of the district files an annual budget with the mayor of Williamson County in accordance with *TCA*, Title 7, Chapter 86, Part 1. In March of each year, the treasurer presents a preliminary budget to the board of directors, which is then discussed and amended as necessary for approval by the board.

The budget for operations is prepared on the cash receipts and disbursements basis by line-item accounts. Revenues are budgeted in the year receipt is expected, and disbursements are budgeted in the year that the disbursement is expected to occur.

Use of Estimates – The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and disclosure of contingencies at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

Use of Facilities – The district conducts its operations in the Williamson County government's office building at no cost to the district. The measurement of the contribution from Williamson County is not considered material for disclosure as in-kind support and as an expense in the accompanying statements of revenue, expenses, and changes in net position.

Operating Revenues and Expenses – Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses of the district generally result from the primary operations of the district. The operating revenues of the district include base funding authorized by Section 7-86-303, *TCA*, excess funding authorized by Section 7-86-130, *TCA* and other miscellaneous operating revenues. Operating expenses include the costs to provide emergency communications services, administrative expense, and depreciation of capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

B. Cash and Certificates of Deposit Investments

State statutes authorize the district to make investments in bonds, notes, or treasury bills of the United States, Federal Land Bank bonds, Federal Home Loan Bank notes and bonds, Federal National Mortgage Association notes and debentures, banks for cooperative debentures, or any of its other agencies, or obligations guaranteed as to principal and interest by the United States or any of its agencies with a maturity not greater than one year, or in the pooled investment fund established under Tennessee law. During the year ended June 30, 2025, the board of directors chose to limit the investment of funds to certificates of deposits at banks. Cash reserves for operations were held in bank checking and savings accounts.

Cash – On June 30, 2025, the carrying amount of cash deposits and cash on hand was \$3,318,628, and the bank balance was \$3,468,392 as listed below. The district follows state statutes requiring all

deposits with financial institutions to be secured by one of two methods. One method involves financial institutions that participate in the bank collateral pool administered by the state treasurer. The Tennessee Bank Collateral pool (the pool) is a multiple financial institution collateral pool to which member financial institutions holding public funds pledge collateral securities. In the event any member financial institution fails, the entire collateral pool becomes available to satisfy the claims of governmental entities. The pool also has the ability to make additional assessments on a pro rata basis to the members of the pool if the value of collateral is inadequate to cover a loss. On June 30, 2025, the entire bank balance was covered by federal depository insurance, or by collateral held in the Tennessee Bank Collateral Pool.

Cash Accounts	Interest Rate	June 30, 2025	
		Carrying Amount	Bank Balance
First Bank Checking	0.50%	\$ 3,102,093	\$ 3,251,857
First Bank Money Market	0.75	216,316	216,316
First Bank Purchase Card		219	219
Total		<u>\$ 3,318,628</u>	<u>\$ 3,468,392</u>

Certificates of Deposit – On June 30, 2025, the district held the following certificates of deposit:

Bank	Maturity	Interest	Amount
First Bank	09-30-25	3.91 %	\$ 250,803
First Bank	09-30-25	3.91	250,803
First Bank	09-30-25	3.91	250,804
First Bank	09-30-25	3.91	250,804
Total			<u>\$ 1,003,214</u>

The certificates of deposit are insured by the Federal Deposit Insurance Corporation or the Tennessee Bank Collateral Pool and are shown at their fair value.

C. Risk Management

The district is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The district is covered under insurance policies maintained by Williamson County. Settled claims have not exceeded this commercial coverage in any of the past three fiscal years.

D. Related-party Transactions

Williamson County, TN, provides dispatch employees and certain services to the district. The district and the county signed an interlocal contract effective from July 1, 1998, to June 30, 1999, that automatically renews each year unless one party notifies the other in writing within 60 days prior to the commencement of the new fiscal year. The expenses, which are primarily dispatch salaries and wages, are billed to the district quarterly and are included in the Statement of Revenues, Expenses, and Changes in Fund Net Position as impact payments to government agencies. Amounts paid and accrued to the county during the fiscal year ending June 30, 2025, are summarized in the following table:

	(Due to)/ Due From County 6-30-24		Expense	Paid/ adjusted	(Due to)/ Due From County 6-30-25	
Impact payments to government agencies-						
Dispatch salaries and wages	\$	0	\$ 3,566,280	\$ 3,566,280	\$	0
Total contracts with government agencies		0	3,566,280	3,566,280		0
Training		0	144,564	180,564		36,000
Maintenance agreement		0	22,848	22,848		0
Total	\$	0	\$ 3,733,692	\$ 3,769,692	\$	36,000

E. Stewardship, Compliance, and Accountability

TCA Section 7-86-12 requires emergency communications districts to adopt and operate under an annual budget. For the year ended June 30, 2025, the district's expenditures exceeded the amount budgeted for one line item. The cash basis expenditures for training exceeded the amount budgeted by \$71,844, of which \$36,000 was an overpayment to Williamson County and has been recorded as Due from Primary Government on June 30, 2025.

Note 1: Ten years of data will be presented when available.

Note 2: Changes in assumptions. Changes in assumptions and other inputs reflect the effects of changes in the discount rate each period. The following are the discount rates used in each period:

2017	3.58%
2018	3.89%
2019	3.50%
2020	2.21%
2021	2.16%
2022	3.54%
2023	3.65%
2024	3.93%
2025	5.20%

Note 3: No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB Statement No. 75.

WILLIAMSON COUNTY, TENNESSEE
NOTES TO THE REQUIRED SUPPLEMENTARY INFORMATION
For the Year Ended June 30, 2025

TENNESSEE CONSOLIDATED RETIREMENT SYSTEM

Valuation Date: Actuarially determined contribution rates for fiscal year 2025 were calculated based on the June 30, 2023, actuarial valuation.

Methods and assumptions used to determine contribution rates:

Actuarial Cost Method	Entry Age Normal
Amortization Method	Level Dollar, Closed (Not to Exceed 20 Years)
Remaining Amortization Period	Varies by Year
Asset Valuation	10-Year Smoothed Within a 20% Corridor to Fair Value
Inflation	2.25%
Salary Increases	Graded Salary Ranges from 8.72% to 3.44% Based on Age, Including Inflation; averaging 4%
Investment Rate of Return	6.75%, Net of Investment Expense, Including Inflation
Retirement Age	Pattern of Retirement Determined by Experience Study
Mortality	Customized Table Based on Actual Experience Including an Adjustment for some Anticipated Improvement
Cost of Living Adjustment	2.125%

Changes of assumptions. In 2021, the following assumptions were changed: decreased inflation rate from 2.5 percent to 2.25 percent; decreased the investment rate of return from 7.25 percent to 6.75 percent; decreased the cost-of-living adjustment from 2.25 percent to 2.125 percent; and modified mortality assumptions. In 2017, the following assumptions were changed: decreased inflation rate from 3 percent to 2.5 percent; decreased the investment rate of return from 7.5 percent to 7.25 percent; decreased the cost-of-living adjustment from 2.5 percent to 2.25 percent; decreased salary growth graded ranges from an average of 4.25 percent to an average of 4 percent; and modified mortality assumptions.

FINANCIAL STATEMENTS AND SCHEDULES**

NONMAJOR GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS

Special Revenue Funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects.

Solid Waste/Sanitation Fund – The Solid Waste/Sanitation Fund is used to account for transactions of Williamson County’s recycling and solid waste collection.

Drug Control Fund – The Drug Control Fund is used to account for revenues received from drug-related fines, forfeitures, and seizures.

American Rescue Plan Act Grant Fund – This special revenue fund accounts for grant transactions relating to the America Rescue Plan Act.

Constitutional Officers - Fees Fund – The Constitutional Officers - Fees Fund is used to account for operating expenses paid directly from the fee and commission accounts of the trustee, clerks, register of deeds, and sheriff.

Highway/Public Works Fund – This special revenue fund accounts for transactions of the county’s highway department. Local and state gasoline/fuel taxes are the foundational revenues of this fund.

MAJOR GOVERNMENTAL FUNDS

DEBT SERVICE FUNDS

Debt Service Funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for principal and interest.

General Debt Service Fund – The General Debt Service Fund is used to account for the accumulation of resources for, and the payment of, debt principal, interest, and related costs.

Rural Debt Service Fund – The Rural Debt Service Fund is used to account for the accumulation of resources for, and the payment of, debt principal, interest, and related costs specifically issued for schools outside the territorial boundaries of the Franklin Special School District.

GENERAL CAPITAL PROJECTS FUND

The General Capital Projects Fund accounts for the financial resources to be used for the acquisition or construction of major capital facilities.

CUSTODIAL FUNDS

Custodial Funds are used to account for assets held by the county in a custodial capacity or as an agent for individuals, private organizations, other governments, and/or other funds. Custodial Funds are reported using the economic resources measurement focus and the accrual basis of accounting. Custodial fund reporting focuses on net position and changes in net position. Custodial funds are distinguished from trust funds by the absence of a trust agreement or equivalent arrangement.

Cities - Sales Tax Fund – The Cities - Sales Tax Fund is used to account for the second half of the sales tax revenues collected inside incorporated cities of the county. These revenues are received by the county from the state of Tennessee and forwarded to the various cities on a monthly basis.

Cities - Property Tax Fund – The Cities - Property Tax Fund is used to account for the property taxes of the city of Nolensville, city of Brentwood, city of Franklin, city of Fairview, and the town of Thompson’s Station. These collections are remitted to each city and town monthly.

Cities Adequate Facilities Tax Fund – The Cities Adequate Facilities Tax Fund is used to account for various cities’ share of adequate facilities tax collected by the county. These collections are remitted to the cities on a monthly basis.

Special School District Fund – The Special School District Fund is used to account for the Franklin Special School District’s share of education revenues collected by the county that must be apportioned between the county and special school district on an average daily attendance basis and property taxes assessed on parcels that lie within the Franklin Special School District. These collections are remitted to the special school district on a monthly basis.

Constitutional Officers - Custodial Fund – The Constitutional Officers - Custodial Fund is used to account for amounts collected in a custodial capacity by the county clerk, circuit and general sessions courts clerk, juvenile court clerk, clerk and master, register of deeds, and sheriff. Such collections include amounts due the state, cities, litigants, heirs, and others.

Other Custodial Fund – The Other Custodial Fund is used to account for a special litigation tax levied by Chapter 9, Private Acts of 1957, as amended. Proceeds of the tax must be expended for the benefit of the county’s law library under the control of the Williamson County Governmental Library Commission.

Judicial District Drug Fund – The Judicial District Drug Fund is used to account for state grants and other restricted revenues that are held in trust for the benefit of the judicial district drug task force.

District Attorney General Fund – The District Attorney General Fund is used to account for restricted revenue held in trust for the benefit of the Office of District Attorney General.

WILLIAMSON COUNTY SCHOOL DEPARTMENT

This section presents combining and individual fund financial statements for the Williamson County School Department, a discretely presented component unit. The school department uses a General Fund, four Special Revenue Funds, and one Capital Projects Fund.

General Purpose School Fund – The General Purpose School Fund is used to account for general operations of the school department.

School Federal Projects Fund – The School Federal Projects Fund is used to account for restricted federal revenues, which must be expended on specific education programs.

Central Cafeteria Fund – The Central Cafeteria Fund is used to account for the cafeteria operations in each of the schools.

Extended School Program Fund – The Extended School Program Fund is used to account for transactions related to the after-school programs in the individual schools.

Internal School Fund – The Internal School Fund is used to account for funds held at the individual schools for internal school use such as the purchase of supplies, school clubs, and student activities.

Education Capital Projects Fund – The Education Capital Projects Fund is used to account for building construction and renovations of the school department.

WILLIAMSON COUNTY, TENNESSEE
Reconciliation of the Balance Sheet of Governmental Funds to the Statement of Net Position
Discretely Presented Williamson County School Department
June 30, 2025

Amounts reported for governmental activities in the statement of net position (Exhibit A) are different because:

Total fund balances - balance sheet - governmental funds (Exhibit J-2)		\$ 158,354,590
(1) Capital assets used in governmental activities are not financial resources and therefore are not reported in the governmental funds.		
Add: land	\$ 55,069,272	
Add: construction in progress	265,041,258	
Add: buildings and improvements net of accumulated depreciation	469,129,537	
Add: other capital assets net of accumulated depreciation	<u>54,052,992</u>	843,293,059
(2) Long-term liabilities are not due and payable in the current period and therefore are not reported in the governmental funds.		
Less: compensated absences payable	\$ (5,455,754)	
Less: claims and judgments payable	(2,439,230)	
Less: net pension liability - agent pension plan	(15,640,526)	
Less: OPEB liability	<u>(222,322,187)</u>	(245,857,697)
(3) Amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions/OPEB will be amortized and recognized as components of pension/OPEB expense in future years.		
Add: deferred outflows of resources related to pensions	\$ 51,397,792	
Less: deferred inflows of resources related to pensions	(18,020,143)	
Add: deferred outflows of resources related to OPEB	8,418,787	
Less: deferred inflows of resources related to OPEB	<u>(60,953,744)</u>	(19,157,308)
(4) Net pension assets are not current financial resources and therefore are not reported in the governmental funds.		
Add: net pension asset - teacher retirement plan	\$ 3,669,997	
Add: net pension asset - teacher legacy pension plan	<u>63,898,556</u>	67,568,553
(5) Other long-term assets are not available to pay for current period expenditures and therefore are deferred in the governmental funds.		<u>11,401,112</u>
Net position of governmental activities (Exhibit A)		<u>\$ 815,602,309</u>

WILLIAMSON COUNTY, TENNESSEE
Reconciliation of the Statement of Revenues, Expenditures, and Changes in Fund Balances
of Governmental Funds to the Statement of Activities
 Discretely Presented Williamson County School Department
For the Year Ended June 30, 2025

Amounts reported for governmental activities in the statement of activities (Exhibit B) are different because:

Net change in fund balances - total governmental funds (Exhibit J-4)		\$ (31,896,677)
(1) Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of these assets is allocated over their useful lives and reported as depreciation expense. The difference between capital outlays and depreciation is itemized as follows:		
Add: capital assets purchased in the current period	\$ 57,243,777	
Less: current-year depreciation expense	<u>(26,275,181)</u>	30,968,596
(2) The net effect of various miscellaneous transactions involving capital assets (sales, trade-ins, and donations) is to decrease net position.		
Less: book value of capital assets disposed		(329,759)
(3) Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.		
Less: deferred delinquent property taxes and other deferred June 30, 2024	\$ (10,712,640)	
Add: deferred delinquent property taxes and other deferred June 30, 2025	<u>11,401,112</u>	688,472
(4) Some expenses reported in the statement of activities do not require the use of current financial resources and therefore are not reported as expenditures in the governmental funds.		
Change in compensated absences payable	\$ (732,468)	
Change in claims and judgments payable	60,213	
Change in OPEB liability	31,276,381	
Change in deferred outflows related to pensions	(16,546,636)	
Change in deferred inflows related to pensions	(13,042,890)	
Change in deferred outflows related to OPEB	(20,393,971)	
Change in deferred inflows related to OPEB	25,807,945	
Change in net pension liability - agent pension plan	856,632	
Change in net pension asset - teacher retirement plan	1,454,702	
Change in net pension asset - teacher legacy pension plan	<u>20,811,610</u>	<u>29,551,518</u>
Change in net position of governmental activities (Exhibit B)		<u>\$ 28,982,150</u>

SINGLE AUDIT SECTION

JASON E. MUMPOWER
Comptroller

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Williamson County Mayor and
Board of County Commissioners
Williamson County, Tennessee

To the County Mayor and Board of County Commissioners:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Williamson County, Tennessee, as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise Williamson County's basic financial statements, as listed in the table of contents, and have issued our report thereon dated October 1, 2025. Our report includes a reference to other auditors who audited the financial statements of the discretely presented Williamson County Emergency Communications District, the discretely presented Williamson County Hospital District, and the Internal School Fund of Williamson County School Department (a discretely presented component unit), as described in our report on Williamson County's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Williamson County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Williamson County's internal control. Accordingly, we do not express an opinion on the effectiveness of Williamson County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We identified the following deficiency in internal control, described in the accompanying Schedule of Findings and Questioned Costs, that we consider to be a significant deficiency: 2025-001.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Williamson County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Williamson County's Response to the Finding

Government Auditing Standards requires the auditor to perform limited procedures on Williamson County's response to the finding identified in our audit and described in the accompanying Schedule of Findings and Questioned Costs. Williamson County's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Williamson County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Very truly yours,

Jason E. Mumpower
Comptroller of the Treasury
Nashville, Tennessee

October 1, 2025

JEM/gc

JASON E. MUMPOWER
Comptroller

Independent Auditor's Report on Compliance for Each Major Federal Program; Report on Internal Control Over Compliance; and Report on the Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

Williamson County Mayor and
Board of County Commissioners
Williamson County, Tennessee

To the County Mayor and Board of County Commissioners:

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Williamson County's compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of Williamson County's major federal programs for the year ended June 30, 2025. Williamson County's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, Williamson County complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits (*Government Auditing Standards*) issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance.) Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Williamson County, Tennessee, and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Williamson County's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Williamson County's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Williamson County's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for noncompliance resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Williamson County's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Williamson County's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of Williamson County's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Williamson County's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal

control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that have not been identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Williamson County, Tennessee, as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise Williamson County's basic financial statements. We issued our report thereon dated October 1, 2025, which contained unmodified opinions on those financial statements. Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

Very truly yours,

Jason E. Mumpower
Comptroller of the Treasury
Nashville, Tennessee

WILLIAMSON COUNTY, TENNESSEE
Summary Schedule of Prior-year Findings
For the Year Ended June 30, 2025

Government Auditing Standards require auditors to report the status of uncorrected findings from prior audits. In addition, OMB's Uniform Guidance requires auditees to report the status of all prior-year findings whether corrected or not. Presented below are financial statement findings along with their current status from the Annual Financial Report for Williamson County, Tennessee, for the year ended June 30, 2025.

Prior-year Financial Statement Findings

Fiscal Year	Page Number	Finding Number	Title of Finding	ALN	Current Status
OFFICE OF SOLID WASTE					
2024	259	2024-001	The solid waste office did not review a list of voided transactions.	N/A	Corrected
OFFICE OF DIRECTOR OF SCHOOLS					
2024	259	2024-002	Competitive bids were not solicited for the purchase and installation of track resurfacing.	N/A	Corrected

Prior-year Federal Awards Findings

There were no prior-year federal award findings to report.

WILLIAMSON COUNTY, TENNESSEE
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
For the Year Ended June 30, 2025

PART I, SUMMARY OF AUDITOR'S RESULTS

Financial Statements:

1. Our report on the financial statements of Williamson County is unmodified.
2. Internal Control Over Financial Reporting:
 - * Material weakness identified? **NO**
 - * Significant deficiency identified? **YES**
3. Noncompliance material to the financial statements noted? **NO**

Federal Awards:

4. Internal Control Over Major Federal Programs:
 - * Material weakness identified? **NO**
 - * Significant deficiency identified? **NONE REPORTED**
5. Type of report auditor issued on compliance for major programs. **UNMODIFIED**
6. Any audit findings disclosed that are required to be reported in accordance with 2 CFR 200.516(a)? **NO**
7. Identification of Major Federal Programs:
 - * Assistance Listing Number: 20.205 Highway Planning and Construction
 - * Assistance Listing Number: 21.027 COVID 19 - Coronavirus State and Local Fiscal Recovery Funds
 - * Assistance Listing Numbers: 84.027 and 84.173 Special Education Cluster (IDEA):
Special Education - Grants to States and
Special Education - Preschool Grants
8. Dollar threshold used to distinguish between Type A and Type B Programs. **\$1,032,898**
9. Auditee qualified as low-risk auditee? **YES**

PART II, FINDINGS RELATING TO THE FINANCIAL STATEMENTS

A finding and recommendation, as a result of our audit, is presented below. We reviewed this finding and recommendation with management to provide an opportunity for their response. A written response for the finding is paraphrased and presented following the finding and recommendation. Management's corrective action plan whether related to the financial statements or federal awards, is presented separately in the Management's Corrective Action Plan in the Single Audit Section of this report. Findings relating specifically to the audit of federal awards, if any, are separately presented under Part III, Findings and Questioned Costs for Federal Awards.

OFFICE OF COUNTY MAYOR

FINDING 2025-001

A CASH SHORTAGE OF \$20,881.08 EXISTED IN THE GENERAL FUND AT JUNE 30, 2025

(Internal Control – Significant Deficiency Under *Government Auditing Standards*)

Williamson County uses a banking feature called “positive pay” which allows the bank to match checks against a county-provided list to prevent fraud. If a check does not match, the bank generates an exception report requiring county approval before payment. During the August 2024 reconciliation, county staff discovered a fraudulent check had cleared. The original check for \$881.08 had been altered to \$20,881.08, and the payee's name was changed. Although the Director of Accounts and Budgets reported the fraud to the bank and filed a police report, the bank denied reimbursement because county personnel had mistakenly approved the altered check on the August 9, 2024, exception report. This deficiency resulted from a lack of management oversight.

RECOMMENDATION

Management should evaluate and strengthen internal controls over their positive pay exception process.

MANAGEMENT'S RESPONSE – COUNTY MAYOR

We concur with the finding; in fact, a vendor check was intercepted in the mail, fraudulently altered, and deposited into a JP Morgan Chase bank account via mobile deposit.

During the August 2024 reconciliation process, accounting staff identified that a fraudulent check had been processed. The original check, issued for \$881.08, had been altered to \$20,881.08, and the payee's name was changed. A check fraud affidavit was promptly submitted to the bank, and a report was filed with the Williamson County Sheriff's office. The bank declined reimbursement because accounting personnel had inadvertently approved the altered check on the August 9, 2024, exception report generated and sent by the bank. The incident was self-reported to the Comptroller's office.

The incident highlighted the need for enhanced staff training. Accounting personnel have completed additional training on:

- Proper steps to deny payment for unauthorized or fraudulent transactions, listed on exception reports.
- Identification of red flags for check fraud, including alterations, erasers, or irregularities.

Exception reports are now required to be reviewed by two separate staff members prior to payment.

Management will continue to monitor fraud trends and communicate timely updates to staff to reinforce internal control awareness and compliance.

PART III, FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARDS

There were no findings and questioned costs related to federal awards for the year ended June 30, 2025.

**WILLIAMSON COUNTY, TENNESSEE
MANAGEMENT'S CORRECTIVE ACTION PLAN
For the Year Ended June 30, 2025**

We reviewed the financial statement and federal award findings and recommendations with management to provide an opportunity for their response as required by the auditee requirements within Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Management's corrective action plans for all financial statement findings and federal award findings are presented in this section and have been indexed below. The corrective action plans were prepared by management and have been presented as they were submitted.

Finding Number	Title of Finding	Corrective Action Plan Page Number
-------------------	------------------	---------------------------------------

OFFICE OF COUNTY MAYOR

2025-001	A cash shortage of \$20,881.08 existed in the General Fund at June 30, 2025.	271

WILLIAMSON COUNTY GOVERNMENT

Corrective Action Plan

FINDING: 2025-001 **A CASH SHORTAGE OF \$20,881.08 EXISTED IN THE GENERAL FUND AT JUNE 30, 2025**

Response and Corrective Action Plan Prepared by:
Phoebe Reilly, Director of Accounts and Budget

Person Responsible for Implementing the Corrective Action:
Lori Darty, Finance Manager

Anticipated Completion Date of Corrective Action:
Corrective Action Plan took effect immediately following the incident.

Repeat Finding:
No

Planned Corrective Action:

Accounting personnel have completed additional training on:

- Proper steps to deny payment for unauthorized or fraudulent transactions, listed on exception reports.
- Identification of red flags for check fraud, including alterations, erasers, or irregularities.

Exception reports are now required to be reviewed by two separate staff members prior to payment. Management will continue to monitor fraud trends and communicate timely updates to staff to reinforce internal control awareness and compliance.

BEST PRACTICE

Accounting literature describes a best practice as a recommended policy, procedure, or technique that aids management in improving financial performance. Historically, a best practice has consistently shown superior results over conventional methods.

The Division of Local Government Audit strongly believes that the item noted below is a best practice that should be adopted by the governing body as a means of significantly improving accountability and the quality of services provided to the citizens of Williamson County.

WILLIAMSON COUNTY SHOULD ADOPT A CENTRAL SYSTEM OF ACCOUNTING, BUDGETING, AND PURCHASING

Williamson County does not have a central system of accounting, budgeting, and purchasing. Sound business practices dictate that establishing a central system would significantly improve internal controls over the accounting, budgeting, and purchasing processes. The absence of a central system of accounting, budgeting, and purchasing has been a management decision by the county commission resulting in decentralization and some duplication of effort. The Division of Local Government Audit strongly believes that the adoption of a central system of accounting, budgeting, and purchasing is a best practice that would significantly improve accountability and the quality of services provided to the citizens of Williamson County. Therefore, we recommend the adoption of the County Financial Management System of 1981 or a private act, which would provide for a central system of accounting, budgeting, and purchasing covering all county departments.
