## RATINGS

### **Rating Action: Moody's Ratings assigns Aaa to Cal. Infra. & Econ. Dev. Bank's Clean Water and Drinking Water State Rev. Fd. Refunding Rev Bds, Ser 2026 (Green Bonds); outlook stable**

---

17 Feb 2026

New York, February 17, 2026 -- Moody's Ratings (Moody's) has assigned Aaa rating to the proposed approximately \$144,140,000 of California Infrastructure and Economic Development Bank's, Clean Water and Drinking Water State Revolving Fund Refunding Revenue Bonds, Series 2026 (Green Bonds). We also maintain the Aaa rating on about \$1.58 billion of parity debt, as of June 2025. The outlook is stable.

#### RATINGS RATIONALE

The Aaa rating reflects that the State Revolving Fund (SRF) will maintain its sound loan portfolio characteristics and capacity to tolerate a default of approximately 51% of potential scheduled loan repayments for the life of the bonds with no interruption in the payment of debt service (default tolerance). The SRF's adequate structural features, including the cross-collateralization between the clean water SRF and drinking water SRF, remain an integral part of the credit quality. Additionally, management's excellent track record will continue to support credit stability.

#### RATING OUTLOOK

The outlook is stable. The considerable default tolerance, the projected minimum debt service coverage of 1.57x (2027) and the extensive size and diversity of the loan portfolio point to maintenance of high credit quality.

#### FACTORS THAT COULD LEAD TO AN UPGRADE OF THE RATING

- Not applicable.

#### FACTORS THAT COULD LEAD TO A DOWNGRADE OF THE RATING

- An increase in leverage that leads to a default tolerance below 25%, a significant deterioration in the pledged loan portfolio's credit quality, or both.

#### PROFILE

The California State Water Resources Control Board (Board) was created in 1967. It's the State's principal agency with primary responsibility for the coordination and control of water quality. It has the responsibility to administer the clean water and the drinking water SRFs to provide financial assistance to municipalities for the construction of eligible projects.

The IBank, is an entity within the Governor's Office of Business and Economic Development, organized and existing pursuant to the IBank Act. It is responsible for the financing of infrastructure projects throughout the state, participate in bond structuring and issues the bonds on behalf of the Board. The State Treasurer's Office is responsible for the sale of debt obligations of the state and its agencies, including the Board. It handles the administration of bond sales, redemptions and interest payments and serves as a disseminating agent and trustee.

## REGULATORY DISCLOSURES

For further specification of Moody's key rating assumptions and sensitivity analysis, see the sections Methodology Assumptions and Sensitivity to Assumptions in the disclosure form. Moody's Rating Symbols and Definitions can be found on <https://ratings.moodys.com/rating-definitions>.

For any affected securities or rated entities receiving direct credit support/credit substitution from another entity or entities subject to a credit rating action (the supporting entity), and whose ratings may change as a result of a credit rating action as to the supporting entity, the associated regulatory disclosures will relate to the supporting entity. Exceptions to this approach may be applicable in certain jurisdictions.

For ratings issued on a program, series, category/class of debt or security, certain regulatory disclosures applicable to each rating of a subsequently issued bond or note of the same series, category/class of debt, or security, or pursuant to a program for which the ratings are derived exclusively from existing ratings, in accordance with Moody's rating practices, can be found in the most recent Credit Rating Announcement related to the same class of Credit Rating.

For provisional ratings, the Credit Rating Announcement provides certain regulatory disclosures in relation to the provisional rating assigned, and in relation to a definitive rating that may be assigned subsequent to the final issuance of the debt, in each case where the transaction structure and terms have not changed prior to the assignment of the definitive rating in a manner that would have affected the rating.

Moody's does not always publish a separate Credit Rating Announcement for each Credit Rating assigned in the Anticipated Ratings Process or Subsequent Ratings Process.

Regulatory disclosures contained in this press release apply to the credit rating and, if applicable, the related rating outlook or rating review.

Please see <https://ratings.moodys.com> for any updates on changes to the lead rating analyst and to the Moody's legal entity that has issued the rating.

Please see the issuer/deal page on <https://ratings.moodys.com> for additional regulatory disclosures for each credit rating.
