Pursuant to Title 74, Oklahoma Statutes Section 12005, the company hereby certifies and verifies that the company does not boycott energy companies and will not boycott energy companies during the term of the contract.

For purposes of this contract, the term “company” shall mean a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations, that exists to make a profit. The term “boycott energy company” shall mean “without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company (a) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil-fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law, or (b) does business with a company described by subparagraph a of this paragraph”. See Title 74, Oklahoma Statutes Section 12002(A).

Electronic Bids

All electronic bids shall be deemed to incorporate the provisions of this Notice of Sale and the Official Bid Form.

If any provision of this Notice of Sale shall conflict with information provided by the electronic bidding system, this Notice of Sale shall control. The City shall not be responsible for any malfunction or mistake made by, or as a result of the use of PARITY, the use of such facilities being the sole responsibility of the bidder.

For purposes of the electronic bidding process, the time as maintained by PARITY shall constitute the official time. For information purposes only, bidders are requested to state in their electronic bids the net interest cost and the true interest cost to the City, as described under “Award of Series 2026 Bonds”. All electronic bids shall be deemed to incorporate the provisions of this Notice of Sale and the Official Bid Form.

Book-Entry-Only System

The Series 2026 Bonds will be issued by means of a book-entry-only system with no physical delivery of bond certificates made to the public. One bond certificate for each maturity will be issued to the Depository Trust Company (“DTC”) or its nominee, CEDE & Co., and immobilized in its custody. The book-entry-only system will evidence ownership of the Series 2026 Bonds in the principal amount of \$5,000 or any integral multiple thereof, with transfer of ownership effected on the records of DTC and its participants pursuant to rules and procedures of DTC and its participants. Series 2026 bond certificates registered in the name of CEDE & Co.

will be deposited with DTC. Interest, principal, and redemption premium (if any) will be payable to DTC or its nominee as registered owner of the Series 2026 Bonds. Transfer of principal, interest, and redemption premium (if any) to participants of DTC will be the responsibility of DTC and transfer of principal, interest, and redemption premium (if any) to beneficial owners of the Series 2026 Bonds by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The City will not be responsible or liable for such transfers of payments or for maintaining, supervising, or reviewing the records maintained by DTC, its participants or persons acting through such participants.

DTC may determine to discontinue providing its services with respect to the Series 2026 Bonds at any time by giving notice to the City and discharging its responsibilities with respect thereto under applicable law. The City may also determine to discharge DTC from its duties by giving notice to DTC. In either situation, the City may attempt to locate another qualified securities depository. If the City fails to locate another qualified securities depository to replace DTC or if the City determines that it is in the best interest of the City or that the interests of the beneficial owner might be adversely affected if the book-entry-only system of transfer is continued (the City undertakes no obligation to make any investigation to determine the occurrence of any events that would permit it to make such determination), the City will deliver definitive Series 2026 Bonds to each beneficial owner, or its nominee, as provided in the resolution pursuant to which the Series 2026 Bonds are issued.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on the Series 2026 Bonds, but neither the failure to print such numbers on any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser to accept delivery of and pay for the Series 2026 Bonds in accordance with the terms of the Official Bid Form. All expenses in relation to printing CUSIP numbers on the Series 2026 Bonds and the CUSIP Service Bureau charge for the assignment of such numbers shall be paid by the City.

Official Statement

The City has authorized and directed the preparation of a Preliminary Official Statement (“POS”) in connection with the issuance of the Series 2026 Bonds. The POS, dated March 17, 2026, is available for viewing in electronic format on the i-Deal Prospectus website. The i-Deal Prospectus website address is <http://www.i-dealprospectus.com/>. In addition, NASD registered broker-dealers and dealer banks with DTC clearing arrangements may either: (a) print out a copy of the POS on their own printer, or (b) at any time prior to March 24, 2026, elect to receive a photocopy of the POS in the mail by contacting the City’s municipal advisor, PFM Financial Advisors LLC (the “Municipal Advisor”), 111 Congress Avenue, Suite 2150, Austin, Texas 78701 at (512) 614-5323, or the City’s Debt Manager. The Preliminary Official Statement is in a form “deemed final” by the City for the purpose of the Securities Exchange Commission’s Rule 15c2-12(b)(1), but is subject to revision, amendment, and completion in the final Official Statement.

By awarding the Series 2026 Bonds to any bidder or bidding syndicate submitting a bid therefore the City agrees that, no more than seven business days after the date of such award, it shall provide without cost to the senior managing underwriter of the syndicate to which such Series 2026 Bonds are awarded, up to 50 copies of the final Official Statement. The City designates the senior managing underwriter of any syndicate to which the Series 2026 Bonds are awarded as agent for purposes of distributing copies of the final Official Statement to each participating underwriter. Any bidder delivering a bid with respect to the Series 2026 Bonds agrees thereby that if such bid is accepted (1) it shall accept such designation, and (2) it shall enter into a contractual relationship with all participating underwriters of the Series 2026 Bonds for purposes of assuring the receipt by each such participating underwriter of the final Official Statement. Copies of the final Official Statement in excess of a reasonable number may be ordered by the successful bidder at its expense.

Continuing Disclosure

The City will execute a Continuing Disclosure Agreement for the benefit of the holders of the Series 2026 Bonds pursuant to which the City will covenant to provide certain financial information concerning the City as required under Section (b) (5) (1) of Securities and Exchange Commission Rule 15c2-12. The Continuing Disclosure Agreement form is attached to the Preliminary Official Statement, and will also be attached to the final Official Statement. A certified copy of the Continuing Disclosure Agreement will be delivered to the respective successful bidders at or prior to delivery of the Series 2026 Bonds.

Approving Opinion

Bids may be submitted subject to the opinion of the Attorney General of the State of Oklahoma, and the approving opinion of The Public Finance Law Group PLLC, and Williams, Box, Forshee, & Bullard, P.C., Co-Bond Counsel, all of Oklahoma City, Oklahoma, each of which shall be provided by the City of Oklahoma City, Oklahoma, without cost to the purchaser. Kutak Rock LLP, Denver, Colorado, is serving as Disclosure Counsel to the City.

Establishment Of Issue Price

(a) The winning bidder shall assist the City in establishing the issue price of the Series 2026 Bonds and shall execute and deliver to the City at Closing an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public of the Series 2026 Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit A, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the City and Bond Counsel. All actions to be taken by the City under this Notice of Sale to establish the issue price of the Series 2026 Bonds may be taken on behalf of the City by the City’s Municipal Advisor identified herein and any notice or report to be provided to the City may be provided to the City’s Municipal Advisor.

(b) The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Series 2026 Bonds) will apply to the initial sale of the Series 2026 Bonds (the “competitive sale requirements”) because:

- (1) the City shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the City may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the City anticipates awarding the sale of the Series 2026 Bonds to the bidder who submits a firm offer to purchase the Series 2026 Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Series 2026 Bonds, as specified in the bid.

(c) **In the event that the competitive sale requirements are not satisfied**, the “hold-the-offering-price rule” shall apply, which will allow the City to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule applies to any maturity of the Series 2026 Bonds, the Initial Purchaser will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the date on which the Initial Purchaser has sold at least 10 percent of that maturity of the Series 2026 Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth business day after the sale date. The Initial Purchaser agrees to promptly report to the City’s municipal advisor when it has sold 10 percent of a maturity of the Series 2026 Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the sale date. Alternative Certificates of Initial Purchaser are attached for use (I) when the competitive sale requirements of Treasury Regulation Section 1.148-1(f)(3)(i) are met and (II) when such requirements are not met.

Failure to honor this agreement may result in cancellation of the sale and forfeiture of the successful bidder’s Good Faith Deposit.

Non-Litigation Certificate

With delivery of the Series 2026 Bonds, the City shall execute and furnish the successful purchaser with a certificate to the effect that no litigation of any nature has been filed or is then pending to restrain or enjoin the issuance or delivery of said Series 2026 Bonds, to affect the provisions made for their payment or security, or in any manner question the validity of said Series 2026 Bonds.

Delivery

Delivery of the Series 2026 Bonds will be made on or about May 12, 2026, in Oklahoma City, Oklahoma, at the expense of the City, or elsewhere at the expense of the purchaser. The Series 2026 Bonds shall be paid for with immediately available federal funds on the same day as the City releases Series 2026 Bonds to the purchaser or its designee. If the Series 2026 Bonds are not delivered within seventy-five (75) days from the date of sale, the successful bidder may withdraw the bid and receive the return of the Good Faith Deposit.

Additional Information

For additional information relating to the Series 2026 Bonds, reference is made to the City’s Preliminary Official Statement. Copies of the Preliminary Official Statement and additional information may be obtained from Mike Baskin, Debt Manager, City of Oklahoma City, 100 North Walker, 4th Floor, Oklahoma City, Oklahoma 73102, (405) 297-2542.

Municipal Bond Insurance

In the event the Series 2026 Bonds are qualified for municipal bond insurance, and the Purchaser desires to purchase such insurance, the cost therefore **will be paid by the purchaser**. Any fees to be paid to the rating agencies as a result of said insurance **will be paid by the City**. It will be the responsibility of the purchaser to disclose the existence of insurance, its terms and the effect thereof with respect to the reoffering of the Series 2026 Bonds.

The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Arbitrage and Use of Proceeds Certificate and with respect to compliance with the federal income tax rules affecting the Series 2026 Bonds, and by The Public Finance Law Group PLLC, and Williams, Box, Forshee & Bullard, P.C., Co-Bond Counsel to the Issuer, in connection with rendering its opinion that the interest on the Series 2026 Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Series 2026 Bonds.
