## **Purpose and Authority of Bonds**

The Bonds are being issued to finance the (i) construction, renovation, improvement and equipping of the County Courthouse and other County office buildings and facilities; and (ii) acquisition of all property, real and personal, related to the foregoing; and (iii) payment of legal, fiscal, administrative, architectural and engineering costs incident to any or all of the foregoing; and (iv) payment of costs incident to the issuance and sale of the bonds. The Bonds are being issued under the constitution and statutes of the State of Tennessee and pursuant to Resolution duly adopted by the Board of County Commissioners of the County on February 17, 2026.

## **Registration and Depository Participation**

The Bonds will be issued by means of a book-entry system with no physical distribution of bond certificates made to the public. One Bond certificate for each maturity will be issued to the Depository Trust Company, New York, New York (“DTC”), and immobilized in its custody. The book-entry system will evidence beneficial ownership interests of the Bonds in the principal amount of \$5,000 and any integral multiple of \$5,000, with transfers of beneficial ownership interest effected on the records of DTC participants and, if necessary, in turn by DTC pursuant to rules and procedures established by DTC and its participants. The successful bidder, as a condition to delivery of the Bonds, shall be required to deposit the Bond certificates with DTC, registered in the name of Cede & Co., nominee of DTC. Interest on the Bonds will be payable semiannually on April 1 and October 1, beginning October 1, 2026, and principal of the Bonds will be payable, at maturity or upon redemption, to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC, and transfer of principal and interest payments to beneficial owners of the Bonds by Participants of DTC, will be the responsibility of such participants and of the nominees of beneficial owners. The County will not be responsible or liable for such transfer of payments or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

In the event that the book-entry only system for the Bonds is discontinued and a successor securities depository is not appointed by the County, Bond Certificates in fully registered form will be delivered to, and registered in the names of, the DTC Participants or such other persons as such DTC participants may specify (which may be the indirect participants or beneficial owners), in authorized denominations of \$5,000 or integral multiples thereof. In addition, if the successful bidder for the Bonds certifies that it has no present intent to reoffer the Bonds, the Bonds may be issued in fully registered form only. The ownership of Bonds so delivered shall be registered in registration books to be kept by U.S. Bank Trust Company, National Association, Nashville, Tennessee, as registration and paying agent (the “Registration Agent”), at its principal corporate office, and the County and the Registration Agent shall be entitled to treat the registered owners of the Bonds, as their names appear in such registration books as of the appropriate dates, as the owners thereof for all purposes described herein and in the Resolution authorizing the Bonds.

## **Optional Redemption**

The Bonds shall be subject to redemption at the option of the County at any time on or after April 1, 2035, at a price of par plus accrued interest to the redemption date.

## **Designation of Term Bonds**

The successful bidder for the Bonds shall have the option to designate certain consecutive serial maturities of the Bonds as one or more Term Bonds, each Term Bond bearing a single interest rate. If a successful bidder designates certain consecutive serial maturities to be combined into one or more Term

Bonds, each Term Bond shall be subject to mandatory sinking fund redemption by the County at a redemption price equal to 100% of the principal amount thereof, together with accrued interest to the date fixed for redemption at the rate stated in the Term Bonds to be redeemed. Each such mandatory sinking fund redemption shall be made on the date on which a consecutive maturity included as part of a Term Bond is payable in accordance with the proposal of the successful bidder for the Bonds and in the amount of the maturing principal installment for the Bonds listed above for such principal payment date.

### **Security and Sources of Payment**

The Bonds are payable from unlimited ad valorem taxes to be levied on all taxable property within the County. For the prompt payment of principal of and interest on the Bonds, the full faith and credit of the County are pledged.

Under Tennessee law, the County's legislative body is authorized to levy a tax on all taxable property within the County, or a portion thereof, without limitation as to rate or amount, and a referendum is neither required nor permitted to set the rate or amount. For a more complete statement of the general covenants and provisions to which the Bonds are issued, reference is hereby made to the Resolution authorizing the Bonds.

### **Submission of Bid**

All bids submitted, electronic or otherwise, must be submitted as set forth under the heading "**Time and Place of Sale**", set forth above.

A written bid for the Bonds must be enclosed in a sealed envelope bearing the name and address of the bidder, clearly and legibly marked on the outside "Bid for Bonds," and addressed and delivered to the following address:

Office of the County Executive  
222 West Madison Street  
Pulaski, Tennessee 38478

Written bids must be submitted on the applicable Bid Form included with the Preliminary Official Statement or on a reasonable facsimile thereof. Electronic bids for the Bonds must be submitted to PARITY® via the BiDCOMP Competitive Bidding System. An electronic bid made through the facilities of BiDCOMP/PARITY® shall be deemed an offer to purchase in response to the Notice of Sale and shall be binding upon the bidder as if made by a signed sealed written bid made to the County. To the extent any instructions or directions set forth in BiDCOMP/PARITY® conflict with the terms of the Detailed Notice of Sale, the Detailed Notice of Sale shall prevail. The County shall not be responsible for any malfunction or mistake made by or as a result of the use of electronic bidding facilities. The use of such facilities is at the sole risk of the bidders. Subscription to I-Deal's BiDCOMP/PARITY® Competitive Bidding System by a bidder is required in order to submit an electronic bid. The County will not confirm any subscription or be responsible for the failure of any prospective bidder to subscribe. Both written bids and electronic bids must be unconditional and received by the office of the County Executive and/or BiDCOMP/PARITY®, respectively, before the time stated above. Bidders shall be required to comply with the provisions regarding a Good Faith Deposit as described below in the section entitled "Good Faith Deposit". The County is not liable for any costs incurred in the preparation, delivery, acceptance or rejection of any bid, including, without limitation, the providing of a bid security deposit.

## **Form of Bids**

All bids for the Bonds must be for not less than all of the Bonds. Bidders must bid not less than 99% of par nor greater than 125% of par for the Bonds. Bidders must specify the interest rate or rates the Bonds are to bear in multiples of one-hundredth (1/100th) or one-eighth (1/8th) of one percent (1%), but no rate specified for the Bonds shall be in excess of 5% per annum. There will be no limitation on the number of rates of interest which may be specified for the Bonds, but one rate of interest shall apply to all the Bonds of a maturity. In addition, each maturity of the Bonds must be reoffered at a price of not less than 98% of the par amount of such maturity. Bidders may designate two or more consecutive serial maturities as one or more Term Bond maturities equal in aggregate principal amount to, and with mandatory redemption requirements corresponding to, such designated serial maturities. Bidders must specify the reoffering prices or yields of each maturity.

## **Revised Maturity Schedule and/or Bid Parameters**

The aggregate principal amount of the Bonds (the "Preliminary Aggregate Principal Amount") and the annual principal amounts of the Bonds (the "Preliminary Annual Principal Amounts" and collectively, with reference to the Preliminary Aggregate Principal Amounts, the "Preliminary Amounts") set forth in this Detailed Notice of Sale may be revised before the viewing of bids for the purchase of the Bonds, as may the bid parameters set forth herein. Any such revisions (in case of revised principal amounts, the "Revised Aggregate Principal Amount", the "Revised Annual Principal Amounts" and the "Revised Amounts") WILL BE GIVEN BY NOTIFICATION PUBLISHED ON [www.I-dealProspectus.com](http://www.I-dealProspectus.com) NOT LATER THAN 4:00 P.M., C.D.T. ON THE DAY PRECEDING THE RECEIPT OF BIDS. In the event that no such revisions are made, the Preliminary Amounts will constitute the Revised Amounts and will remain as stated in this Detailed Notice of Sale, and the bid parameters shall remain as set for the herein. BIDDERS SHALL SUBMIT BIDS BASED ON THE REVISED AMOUNTS AND BID PARAMETERS, IF ANY. Prospective bidders may request notification by facsimile transmission of any revisions in the Preliminary Amounts and bid parameters by so advising and faxing their telecopier number(s) to Stephens Inc., Municipal Advisor to the County, at (615) 279-4351 by 12:00 Noon, C.D.T., at least one day prior to the date for receipt of the bids.

## **Changes to Maturity Schedule**

The County reserves the right to change the Revised Aggregate Principal Amounts of the Bonds after determination of the winning bidder. The County may increase or decrease the Revised Annual Principal Amount of each maturity of the Bonds without limitation. Such changes, if any, will determine the final annual principal amounts of Bonds (the "Final Annual Principal Amounts") and the final aggregate principal amount of Bonds (the "Final Aggregate Principal Amount"). The Final Aggregate Principal Amount of the Bonds will not exceed \$8,500,000. Any changes beyond those described above will only be made with the consent of the winning bidder.

The dollar amount bid by the successful bidder will be adjusted to reflect any adjustments in the Final Aggregate Principal Amount of the Bonds. The interest rates specified by the successful bidder for the various maturities at the initial reoffering prices will not change. THE SUCCESSFUL BIDDER MAY NOT WITHDRAW THEIR BID OR CHANGE THE INTEREST RATES BID OR THE INITIAL REOFFERING PRICES AS A RESULT OF ANY CHANGES MADE TO THE PRINCIPAL AMOUNTS WITHIN THESE LIMITS. The County anticipates that the Final Annual Principal Amounts of the Bonds and the Final Aggregate Principal Amount of the Bonds will be communicated to the successful bidder prior to the award of the Bonds. THE DOLLAR AMOUNT BID BY THE SUCCESSFUL BIDDER FOR THE PURCHASE OF THE BONDS WILL BE ADJUSTED TO REFLECT ANY CHANGE IN THE ANNUAL PRINCIPAL AMOUNTS BASED UPON THE

ASSUMPTION THAT THE COUPON RATES, REOFFERING PRICES, AND THE UNDERWRITER'S DISCOUNT (EXCLUDING ORIGINAL ISSUE DISCOUNT/PREMIUM) STATED AS A PERCENTAGE OF THE AGGREGATE PRINCIPAL AMOUNT, AS SPECIFIED BY THE SUCCESSFUL BIDDER WILL NOT CHANGE.

### **Basis of Award**

If an award is made, the Bonds will be awarded to the bidder whose bid results in the lowest true interest cost to the County as determined by reference to the Revised Aggregate Principal Amounts, prior to post-sale adjustments, as discussed in the paragraph above. The lowest true interest cost of the Bonds will be calculated as that rate which when used in computing the present worth of all payments of principal and interest on the Bonds (compounded semi-annually from the dated date of the Bonds) produces a value equal to the purchase price of the Bonds. For the purpose of calculating the true interest cost, the principal amount of Term Bonds scheduled for mandatory sinking fund redemption as part of a Term Bond shall be treated as a serial maturity in each year. Each bidder is required to specify its calculation of the true interest cost resulting from its bid, but such information shall not be treated as part of its proposal.

In the event that two or more of the bidders offer to purchase the Bonds at the same lowest true interest cost, the County Executive shall determine in his sole discretion which of the bidders shall be awarded the Bonds.

The County Executive reserves the right to waive any irregularity or informality in any bid, and to reject any or all bids, and notice of rejection of any bid will be made promptly. Unless all bids are rejected, award of the Bonds will be made by the County Executive on the sale date.

### **Good Faith Deposit**

The successful bidder is required to submit, in the manner described below, a good faith deposit (the "Deposit") in the amount of \$170,000 to secure the faithful performance of the terms of the bid to purchase a series of the Bonds. The Deposit will be delivered to the County by wire transfer or certified check for the prescribed amount. The Deposit may be provided in the form of:

1. **Federal Funds Wire Transfer.** A federal funds wire transfer submitted to the County or the County's Municipal Advisor by the successful bidder by 2:00 p.m. C.D.T. on the day of the sale provided the County awards the bid by 12:00 noon C.D.T. otherwise the wire shall be received not later than 11:00 a.m. C.D.T. on the next business day following the award. The County Executive reserves the right to adjust the time the deposit is to be received if there are problems with electronic transfers of funds or other acceptable reasons.
2. **Certified Check.** A bank certified check, bank cashier's check or a treasurer's check drawn upon an incorporated bank or trust company payable unconditionally to the order of the County. If a check is used, it must accompany a bid and be received by the time and date bids are required. If the successful bidder's Deposit is by check, the check will be deposited on the date of the sale.

Wire transfer instructions are available from Stephens Inc., Attn: Ashley McAnulty, One American Center, 3100 West End Avenue, Suite 630, Nashville, Tennessee 37203, Telephone (615) 279-4334 or (615) 279-4338; Fax: (615) 279-4351. In the event the successful bidder fails to timely submit the Deposit, the award may be terminated by the County Executive, and the County Executive in his discretion may award the Bonds to the bidder whose bid results in the next lowest true interest cost to the County as the lowest complying bidder or hold a subsequent sale of the Bonds. The County shall have no liability to any bidder who fails to properly submit a Deposit.

The Deposit of the successful bidder will be deposited by the County and the proceeds thereof credited with no interest allowed thereon against the total purchase price to be paid for the Bonds upon their delivery or retained as and for full liquidated damages if the successful bidder fails to accept delivery of and pay for the Bonds. Checks of unsuccessful bidders will be returned promptly upon the award of the Bonds. If a successful bidder fails to timely make the Deposit for the Bonds, the award may be terminated in the discretion of the County Executive and the County shall be entitled to an amount equal to the Deposit as liquidated damages for failure of the successful bidder to comply with the terms of the award of the Bonds.

## **CUSIP**

The County's municipal advisor will request that the CUSIP Service Bureau assign CUSIP identification numbers to the Bonds, which numbers will be printed on the Bonds. The winning bidder will be responsible for the costs of assigning CUSIP numbers to the Bonds. Neither the failure to print a CUSIP number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with this Detailed Notice of Sale.

## **Establishment of Issue Price**

*General.* The winning bidder shall assist the County in establishing the issue price of the Bonds as more fully described herein. All actions to be taken by the County under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the County by the County's Municipal Advisor identified herein and any notice or report to be provided to the County may be provided to the County's Municipal Advisor.

*Anticipated Compliance with Competitive Sale Requirements.* The County anticipates that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the "competitive sale requirements") because:

- the County shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- all bidders shall have an equal opportunity to bid;
- the County expects to receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- the County anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

*County Intention to Apply the Hold-the-Offering-Price Rule if Competitive Sale Requirements are Not Met.* In the event that the competitive sale requirements are not satisfied with respect to the Bonds, the County intends to treat the initial offering prices of the Bonds to the public as the issue price of the Bonds (the "hold-the-offering-price rule"), in each case applied on a maturity-by-maturity basis (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity).

*Application of the Hold-the-Offering-Price Rule.* If the competitive sale requirements are not satisfied, then the successful bidder shall, on behalf of the underwriters participating in the purchase of the Bonds (i) confirm that the underwriters have offered or will offer each maturity of the Bonds to the public on or

before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- the close of the fifth (5th) business day after the sale date; or
- the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the County when the underwriters have sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

The County acknowledges that, in making the agreements and representations set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The County further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

*Definitions.* Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- “public” means any person other than an underwriter or a related party,
- “underwriter” means (A) any person that agrees pursuant to a written contract with the County (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the

Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

- a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- “sale date” means the date that the Bonds are awarded by the County to the winning bidder.

*Issue Price Certificate.* The winning bidder will be required to provide the County, at closing, with an issue price certificate consistent with the foregoing.

### **Provision of Information for the Official Statement**

The successful bidders must furnish the following information to the County to complete the *Official Statement* in final form within 2 hours after receipt and award of the bids for the Bonds:

1. The initial offering prices or yields for the Bonds (expressed as a price or yield per maturity, exclusive of any accrued interest, if applicable);
2. Selling compensation (aggregate total anticipated compensation to the underwriters expressed in dollars, based on the expectation that all the Bonds are sold at the prices or yields as provided above);
3. The identity of the underwriters if the successful bidders are part of a group or syndicate; and
4. Any other material information necessary to complete the Official Statement in final form but not known to the County.

### **Official Statement**

The County will provide or cause to be provided to the successful bidder, either in electronic format or printed copies, the final official statement sufficient in quantity to enable the successful bidder to comply with SEC Rule 15c2-12 and the rules of the Municipal Securities Rulemaking Board. ## **Continuing Disclosure**

The County will, at the time the Bonds are delivered, execute a Continuing Disclosure Agreement in which it will covenant for the benefit of holders and beneficial owners of the Bonds to (i) provide certain financial information and operating data relating to the County not later than twelve months after each of the County's fiscal years (the "Annual Report"), (ii) provide timely notice of the occurrence of certain enumerated events and (iii) provide timely notice of failure to timely provide any required financial information of the County. The Annual Report (and audited financial statements, if filed separately) and notices described above will be filed by the County with the Municipal Securities Rulemaking Board ("MSRB") at [www.emma.msrb.org](http://www.emma.msrb.org) and with any State Information Depository established in the State of Tennessee (the "SID"). The specific nature of the information to be contained in the Annual Report or the notices of events will be summarized in the County's official statement to be prepared and distributed in connection with the sale of the Bonds.

The County failed to timely post its annual report for the fiscal year ended June 30, 2024. The County corrected the mistake on March 18, 2026. With that exception, the County is not aware of any failure to comply with its continuing disclosure undertakings in the last five years.
