**PURPOSE:** A duly called special municipal election was held in the District on November 5, 2024, and thereafter canvassed pursuant to law. At such election there was submitted to and approved by the requisite fifty-five percent (55%) vote of the qualified electors of the District a question as to the issuance and sale of general obligation bonds of the District to repair/upgrade aging classrooms, labs, career technology and facilities at high schools serving Fullerton, Buena Park, and La Habra to support college/career readiness in math, science, technology, and skilled trades and fix deteriorating

roofs, plumbing, sewer, and electrical systems (the “Project”), in the maximum aggregate principal amount of \$284,000,000 (the “Authorization”) payable from the levy of an *ad valorem* tax against the taxable property in the District. The Bonds represent the second issue under the Authorization and are being issued for the purpose of raising moneys for the Project and to pay for costs of issuance of the Bonds.

**SECURITY:** The Bonds are general obligations of the District. The Orange County Board of Supervisors and the Los Angeles County Board of Supervisors have the power and are obligated to levy *ad valorem* taxes for the payment of the Bonds and the interest thereon without limitation as to rate or amount upon all property within the District subject to taxation (except for certain classes of personal property).

**RATINGS:** S&P Global Ratings, a Standard & Poor’s Financial Services LLC business, has assigned the rating of “AA” to the Bonds. **The cost of obtaining such rating will be borne entirely by the District and not by the successful bidder.**

### TERMS OF SALE

**INTEREST RATE:** No rate of interest may be bid which exceeds 8% per annum. Each rate bid must be a multiple of one-twentieth of one percent (1/20%) or one-eighth of one percent (1/8%). No Bond shall bear more than one interest rate, and all Bonds of the same maturity shall bear the same rate. Each Bond must bear interest at the rate specified in the bid from its date to its fixed maturity date. The rate on any maturity or group of maturities shall not be more than 4% higher than the interest rate on any other maturity or group of maturities.

**PAR AND PREMIUM BIDS.** Each proposal must be for not less than all of the Bonds hereby offered for sale. The purchase price to be paid to the District for the Bonds shall not be less than 106.5% or greater than 110% of the par value thereof. **This purchase price is net of the purchaser’s discount.** No bid will be entertained which fails to provide the purchase price specified in this paragraph. In addition, no bid shall provide for original issue premium, net of purchaser’s compensation which results in remaining original issue premium which exceeds interest due on the Bonds in the first 3 years. All premium will be applied to the payment of debt service on the Bonds. The purchaser’s discount may not exceed 1.25% of the principal amount of the Bonds.

To the extent any instructions or directions set forth in BiDCOMP/PARITY® conflict with this Official Notice of Sale, the terms of this Official Notice of Sale shall control. **BEST BID:** The Bonds will be awarded to the responsible bidder or bidders offering to purchase the Bonds at the *lowest true interest cost* to the District. The true interest cost of each bid will be determined on the basis of the present value of the aggregate future semiannual payments resulting from the interest rates specified by the bidder. The present value will be calculated to the dated date of the Bonds (assumed to be May 6, 2026) and will be based on the proposed bid amount (par value plus any premium). For the purpose of making such determination, it shall be assumed that any Bond designated as term bonds by the bidder shall be deemed to be payable on the dates and in the amounts as shown under the section entitled “MATURITIES” herein. Each bidder is requested, but not required, to state in his bid the percentage true interest cost to the District, which shall be considered as informative only and shall not be binding on either the bidder or the District. The determination of the best bid by the District’s municipal advisor shall be binding and conclusive on all bidders.

**RIGHT OF CANCELLATION OF SALE BY DISTRICT:** The District reserves the right, in its sole discretion, at any time to cancel the public sale of the Bonds. In such event, the District shall cause notice of cancellation of this invitation for bids and the public sale of the Bonds to be communicated through PARITY® as promptly as practicable. However, no failure to publish such notice or any defect or omission therein shall affect the cancellation of the public sale of the Bonds.

**RIGHT TO MODIFY OR AMEND:** The District reserves the right, in its sole discretion, to modify or amend this official Notice of Sale including, but not limited to, the right to adjust and change the principal amount and principal amortization schedule of the Bonds being offered, at any time prior to the date and time for the receipt of bids, communicated through PARITY®.

**RIGHT OF POSTPONEMENT BY DISTRICT:** The District reserves the right, in its sole discretion, to postpone, from time to time, the date established for the receipt of bids. Any such postponement will be communicated through PARITY® prior to the date and time for the receipt of bids. If any date is postponed, any alternative sale date will be announced through PARITY® at least 24 hours prior to such alternative sale date. On any such alternative sale date, any bidder may submit a bid for the purchase of the Bonds in conformity in all respects with the provisions of this Official Notice of Sale, except for the date of sale and except for the changes announced by through PARITY® at the time the sale date and time are announced.

**RIGHT OF REJECTION:** The District reserves the right, in its sole discretion, to reject any and all bids and to waive any irregularity or informality in any bid except that no bids will be accepted later than 9:00 A.M. on the date set for receipt of bids.

**PROMPT AWARD:** Pursuant to authority granted by the Board of Trustees of the District (the "Board"), the Superintendent, or the Superintendent's designee, will take action awarding the Bonds or rejecting all bids not later than the close of business on the date for the receipt of bids; provided, that the award may be made after the expiration of the specified time if the bidder shall not have given to said Board notice in writing of the withdrawal of such proposal. Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

**PLACE OF DELIVERY; CANCELLATION FOR LATE DELIVERY:** It is expected that said Bonds will be delivered to DTC for the account of the successful bidder within thirty (30) days from the date of sale thereof. The successful bidder shall have the right, at his option, to cancel its obligation to purchase the Bonds if the Bonds are not tendered for delivery within thirty (30) days from the date of the sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

**GOOD FAITH DEPOSIT:** A good faith deposit (the "Deposit") in the form of a certified or cashier's check or a wire transfer, in the amount of \$100,000, payable to the order of the Paying Agent, must be remitted by the winning bidder within 48 hours after the acceptance of its bid. The Deposit shall be cashed by the Paying Agent on behalf of the District and shall then be applied toward the purchase price of the Bonds. If after the award of the Bonds the successful bidder or bidders fail to complete their purchase on the terms stated in their bid, the Deposit will be retained by the District. No interest on the Deposit will accrue to any bidder.

**CHANGE IN TAX EXEMPT STATUS:** At any time before the Bonds are tendered for delivery, the successful bidder may disaffirm and withdraw his proposal if the interest received by private holders from Bonds of the same type and character shall be declared to be taxable income under present federal income tax laws, either by a ruling of the Internal Revenue Service or by a decision of any federal court, or shall be declared taxable, or be required to be taken into account in computing federal income taxes (except alternative minimum taxes and environmental taxes payable by corporations) by any federal income tax law enacted subsequent to the date of this notice.

**CLOSING PAPERS; BOND PRINTING:** Each proposal will be understood to be conditioned upon the District furnishing to the purchaser, without charge, concurrently with payment for and delivery of the Bonds, the following closing papers, each dated the date of delivery:

(a) The opinion of Stradling Yocca Carlson & Rauth LLP, Newport Beach, California, Bond Counsel, approving the validity of the Bonds and stating that, under existing statutes, regulations, rulings and judicial decisions, interest (and original issue discount) on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of calculating the federal alternative minimum tax imposed on individuals; however, it should be noted that with respect to applicable corporations as defined in section 59(k) of the Internal Revenue Code of 1986, as amended, interest (and original issue discount) with respect to the Bonds might be taken into account in determining adjusted financial statement income for purposes of computing the alternative minimum tax imposed on such corporations. In the further opinion of Bond Counsel,

interest (and original issue discount) on the Bonds is exempt from State of California personal income tax. Other tax consequences to holders of the Bonds, if any, are not addressed in the opinion;

(b) A certificate of the District certifying that on the basis of the facts, estimates and circumstances in existence on the date of issue, it is not expected that the proceeds of the Bonds will be used in a manner that would cause the Bonds to be arbitrage bonds;

(c) A certificate of the District, signed by officers and representatives of the District, certifying that the officers and representatives have signed the Bonds whether by facsimile or manual signature, and that they were respectively duly authorized to execute the same;

(d) The receipt of the District evidencing the receipt of the purchase price of the Bonds;

(e) A certificate of the District, certifying that there is no known litigation threatened or pending affecting the validity of the Bonds; and

(f) A certificate of the District, signed by an officer of the District, acting in his official capacity, to the effect that at the time of the sale of the Bonds, and at all times subsequent thereto up to and including the time of the delivery of the Bonds, the Official Statement relating to the Bonds did not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

**CUSIP NUMBERS:** It is anticipated that CUSIP numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of the purchase contract. All expenses of printing CUSIP numbers on the Bonds and the CUSIP Service Bureau charge for the assignment of said numbers shall be paid by the successful bidder.

**REOFFERING PRICES, ESTABLISHMENT OF ISSUE PRICE, AND ISSUE PRICE CERTIFICATE (HOLD-THE-OFFERING-PRICE RULE WILL APPLY IF COMPETITIVE SALE REQUIREMENTS ARE NOT SATISFIED):** The winning bidder for the Bonds shall assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at the time of the delivery of the Bonds an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit A, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the District and Bond Counsel.

The District intends that Treasury Regulation Sections 1.148-1(f)(3)(i) (providing a special rule for competitive sales for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “competitive sale requirements”) because:

(1) the District shall disseminate this Official Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;

(2) all bidders shall have an equal opportunity to bid;

(3) the District may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and

(4) the District anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest true interest cost), as set forth in this Official Notice of Sale.

Any bid submitted pursuant to this Official Notice of Sale shall be considered a firm offer for the purchase of the Bonds as specified in the bid. As described in more detail in the following paragraphs, if the competitive sale requirements are not satisfied, the District has determined to apply the hold-the-offering-price rule (as described in the second paragraph below) to each applicable maturity of the Bonds, and the winning bidder of the Bonds agrees to comply with the hold-the-offering-price rule, in the manner described below.

Bidders for the Bonds should prepare their bids on the assumption that the District will determine the issue price of the Bonds either based on the reasonably expected initial offering price to the public or by application of the hold-the-offering-price rule.

In the event the competitive sale requirements for the Bonds are not satisfied, the winning bidder for the Bonds is required to comply with the hold-the-offering-price rule. Such winning bidder shall also confirm that any underwriters participating in the purchase of the Bonds have offered or will offer each maturity of the Bonds to the public on or before the date of the award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid for the Bonds submitted by the winning bidder. Such winning bidder further shall agree, on behalf of any underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth (5th) business day after the sale date for the Bonds; or
- (ii) the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder for the Bonds shall within one business day report to the District, when the Purchaser or any underwriters participating in the purchase of the Bonds have sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date for the Bonds. For purposes of this paragraph, maturities with the same repayment terms, but separate CUSIPs, subject to the hold-the-offering price rule, will generally be treated as separate maturities for purposes of compliance with the hold-the-offering-price rule. The winning bidder for the Bonds shall cooperate with the District and Bond Counsel, including by providing requested information to assist in establishing the issue price of the Bonds and compliance with the hold-the-offering-price rule.

In making the representations set forth above, the winning bidder for the Bonds will confirm that:

(i) any agreement among underwriters, any selling group agreement, and each third-party distribution agreement (to which any winning bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement to comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and

(ii) any agreement among underwriters or selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, will contain language obligating each underwriter or dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the winning bidder for the Bonds or the underwriter and as set forth in the related pricing wires. By submitting a bid for the Bonds, each bidder confirms that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the securities to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Official Notice of Sale:

(1) “public” means any person other than an underwriter or a related party to an underwriter,

(2) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public),

(3) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(4) “sale date” means the date that the Bonds are awarded by the District to the winning bidder for the Bonds.

**CALIFORNIA DEBT AND INVESTMENT ADVISORY COMMISSION:** The successful bidder will be required, pursuant to State law, to pay any fees to the California Debt and Investment Advisory Commission when due.

**DTC FEES:** All fees due DTC with respect to the Bonds shall be paid by the successful bidder or bidders.

**OFFICIAL STATEMENT:** The District has caused to be prepared a Preliminary Official Statement describing the Bonds in a form deemed final by the District within the meaning of Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended, except for certain information which is permitted under said Rule 15c2-12 to be omitted from the Preliminary Official Statement. A copy of the Preliminary Official Statement will be furnished upon request to Fieldman, Rolapp & Associates, Inc., 19900 MacArthur Boulevard, Suite 1100, Irvine, CA 92612-2433, telephone (949) 660-7300. The District will furnish to the successful bidder within seven business days following the date of award, at no charge, not in excess of 25 copies of the Official Statement for use in connection with any resale of the Bonds.

**DISCLOSURE CERTIFICATE:** The District will deliver to the purchaser of the Bonds a certificate of an official of the District, dated the date of Bond delivery, stating that as of the date thereof, to the best of the knowledge and belief of said official, the Official Statement does not contain an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, and further certifying that the signatory knows of no material adverse change in the condition of the District which would make it unreasonable for the purchaser of the Bonds to rely upon the Official Statement in connection with the resale of the Bonds.

**CONTINUING DISCLOSURE:** In order to assist bidders in complying with S.E.C. Rule 15c2-12(b)(5), the District will undertake, pursuant to the resolution authorizing issuance of the Bonds and a Continuing Disclosure Certificate, to provide annual reports and notices of certain events. A description of this undertaking is set forth in the preliminary Official Statement and will also be set forth in the final Official Statement.
