reduce the aggregate principal amount of the Notes by more than three percent of such amount (all calculations to be rounded to the nearest \$5,000). See “TERMS OF BID AND BASIS OF AWARD” herein.

REDEMPTION PROVISIONS

The Notes are not subject to redemption prior to maturity.

AUTHORIZATION

The Notes are being issued pursuant to: (a) Article IX, Section V, Paragraph V of the Constitution of the State of Georgia of 1983; (b) Section 36-80-2 of the Official Code of Georgia Annotated, as amended and supplemented; and (c) resolutions adopted by the Board of Commissioners of the County on March 18, 2026 and expected to be adopted on May 6, 2026* (together, the “Note Resolution”).

PURPOSE

The proceeds of the Notes will be for the purpose of: (a) paying certain current expenses of the County for calendar year 2026 in anticipation of the receipt of revenues from taxes levied or to be levied for the General Fund of the County and (b) paying the costs of issuance related to the Notes.

SECURITY FOR THE NOTES

The Notes are payable from revenues from taxes levied or to be levied for calendar year 2026 for the General Fund and other funds available to the County for such purpose.

For the purpose of providing funds for the payment of the principal of and interest on the Notes, the County is required to assess, levy, and collect a direct tax upon all real and personal property now or hereafter subject to taxation within the corporate limits of the County, the net proceeds of which will be in a sufficient amount to produce such sums as are required to pay the principal and interest thereon. Such sums are irrevocably pledged and appropriated to the payment of the principal and interest, when due, on the Notes.

RATINGS

Fitch Ratings, Inc. (“Fitch”), S&P Global Ratings (“S&P,” and together with Fitch, the “Rating Agencies”) have assigned ratings of “F1+” and “SP-1+,” respectively, to the Notes.

The ratings, including any related outlook with respect to potential changes in such ratings, reflect only the respective views of the Rating Agencies, and an explanation of the significance of such ratings may be obtained from the Rating Agencies furnishing the ratings. Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies, and assumptions of its own. There is no assurance that such ratings will remain unchanged for any given period of time or that they will not be revised downward or withdrawn entirely by the rating agency furnishing the same, if, in its judgment, circumstances so warrant. Any such downward revision or withdrawal of such ratings or other actions by the Rating Agencies or either of them, may have an adverse effect on the liquidity and/or market price of the affected Notes. The County has not undertaken any responsibility to oppose any such revision, suspension, or withdrawal.

CONTINUING DISCLOSURE

The Notes will have a stated maturity of 18 months or less. As such, the provisions of paragraph (b)(5) of Rule 15c2-12 of the U.S. Securities and Exchange Commission (the “SEC”) promulgated pursuant to the Securities Exchange Act of 1934, as in effect on the date hereof (the “Rule”), other than paragraph (b)(5)(i)(C) of the Rule, shall not apply to the Notes pursuant to paragraph (d)(3) of the Rule.

* Preliminary; subject to change.

In order to assist the successful bidder in complying with paragraph (b)(5)(i)(C) of the Rule, simultaneously with the issuance of the Notes, the County will enter into a continuing disclosure undertaking for the benefit of holders of the Notes (the "Disclosure Certificate"), substantially in the form attached to the Preliminary Official Statement as "APPENDIX E - FORM OF CONTINUING DISCLOSURE CERTIFICATE." The County, as an "obligated person" under the Rule, will undertake in the Disclosure Certificate to provide notice of the occurrence of certain enumerated events (each a "Listed Event Notice"). Each Listed Event Notice, if applicable, will be filed with the Electronic Municipal Market Access system administered by the Municipal Securities Rulemaking Board (the "MSRB"). The specific nature and timing of filing each Listed Event Notice, if applicable, and other details of the County's undertaking are more fully described in "APPENDIX E - FORM OF CONTINUING DISCLOSURE CERTIFICATE" attached to the Preliminary Official Statement.

ISSUE PRICE CERTIFICATE

The successful bidder shall assist the County in establishing the issue price of the Notes and shall execute and deliver to the County on or prior to the Closing Date an "issue price" or similar certificate setting forth the reasonably expected initial offering prices to the public or the actual sales price or prices of the Notes, together with the supporting pricing wires or equivalent communications, substantially in the applicable form attached as SCHEDULE B to EXHIBIT A attached hereto, with such modifications as may be appropriate or necessary, in the reasonable judgment of the successful bidder, the County, and Note Counsel (as defined herein). All actions to be taken by the County under this Notice of Sale to establish the issue price of the Notes may be taken on behalf of the County by Raymond James & Associates, Inc. (the "Financial Advisor") and any notice or report to be provided to the County may be provided to the Financial Advisor.

If the Financial Advisor has certified to the County that the competitive sale requirements specified in the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Notes) have been satisfied, the County will furnish to the successful bidder on the sale date written notice thereof.

In the event that the competitive sale requirements are not satisfied, the County shall so advise the successful bidder in writing on the sale date, and the successful bidder shall be subject to the "hold-the-offering-price rule" for each maturity, unless the successful bidder confirms on the sale date that it has sold at least 10% of a given maturity as described below.

The County may determine to treat (a) the first price at which 10% of a maturity of the Notes (the "10% test") is sold to the public as the issue price of that maturity and/or (b) the initial offering price to the public as of the sale date of any maturity of the Notes as the issue price of that maturity (the "hold-the-offering-price rule"), in each case applied on a maturity-by-maturity basis (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity). The successful bidder shall advise the County if any maturity of the Notes satisfies the 10% test as of the date and time of the award of the Notes. The County shall notify the successful bidder, at or before the time of award of the Notes, which maturities (and if different interest rates apply within a maturity, which separate CUSIP number within that maturity) of the Notes shall be subject to the 10% test or shall be subject to the hold-the-offering-price rule. **Bids will not be subject to cancellation in the event that the County determines to apply the hold-the-offering-price rule to any maturity of the Notes. Bidders should prepare their bids on the assumption that some or all of the maturities of the Notes will be subject to the hold-the-offering-price rule in order to establish the issue price of the Notes.**

By submitting a bid, the successful bidder shall (a) confirm that the underwriters have offered or will offer the Notes to the public on or before the date of award at the initial offering price, or at the corresponding yield or yields, set forth in the bid submitted by the successful bidder and (b) agree, on behalf of the underwriters participating in the purchase of the Notes, that the underwriters will neither offer nor sell unsold Notes of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth business day after the sale date; or

(ii) the date on which the underwriters have sold at least 10% of that maturity of the Notes to the public at a price that is no higher than the initial offering price to the public.

The successful bidder shall promptly advise the County when the underwriters have sold 10% of that maturity of the Notes to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth business day after the sale date.

The County acknowledges that, in making the representations set forth above, the successful bidder will rely on (a) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (b) in the event a selling group has been created in connection with the initial sale of the Notes to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (c) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Notes to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The County further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Notes.

By submitting a bid, each bidder confirms that: (a) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (i) report the prices at which it sells to the public the unsold Notes of each maturity allotted to it until it is notified by the successful bidder that the 10% test has been satisfied as to the Notes of that maturity and (ii) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the successful bidder and as set forth in the related pricing wires, and (b) any agreement among underwriters relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Notes to the public to require each broker-dealer that is a party to such retail distribution agreement to (i) report the prices at which it sells to the public the unsold Notes of each maturity allotted to it until it is notified by the successful bidder or such underwriter that either the 10% test has been satisfied as to the Notes of that maturity that have been sold to the public and (ii) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the successful bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Notes to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

(a) “public” means any person other than an underwriter or a related party,

(b) “underwriter” means (i) any person that agrees pursuant to a written contract with the County (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Notes to the public and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) to participate in the initial sale of the Notes to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Notes to the public),

(c) a purchaser of any of the Notes is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

- (d) “sale date” means the date that the Notes are awarded by the County to the successful bidder.

LEGAL OPINIONS

The opinion of McGuireWoods LLP, in its capacity as note counsel to the County (“Note Counsel”), will address certain legal matters incident to the authorization, issuance, validity, sale, and delivery of the Notes and other matters relating to the treatment of interest on the Notes for federal and state income tax purposes (the “Note Counsel Opinion”). For a further discussion of certain federal income tax matters relating to the Notes, see the information under the caption “TAX MATTERS” in the Preliminary Official Statement. The Note Counsel Opinion will be delivered to the County on the Closing Date in substantially the form attached to the Preliminary Official Statement as APPENDIX D, together with the closing documents customarily delivered by the County.

The Note Counsel Opinion to be delivered on the Closing Date may vary from the text of APPENDIX D, if necessary, to reflect facts and law on the Closing Date. The Note Counsel Opinion will speak only as of its date and Note Counsel will not assume any duty to update or supplement the Note Counsel Opinion to reflect any change in facts or circumstances, including changes in law that may thereafter occur or become effective. Note Counsel will furnish a reliance letter to the successful bidder that will confirm that it may rely on the Note Counsel Opinion as if it was addressed to the successful bidder.

McGuireWoods LLP, in its capacity as disclosure counsel to the County (“Disclosure Counsel”), has advised the County on certain matters relating to disclosure for the issuance of the Notes, including in connection with the preparation of the Preliminary Official Statement, dated April 28, 2026, and any supplements thereto (the “Preliminary Official Statement”) and the final Official Statement and any supplements thereto (the “Official Statement”). The negative assurance letter of Disclosure Counsel (the “Negative Assurance Letter”) will be delivered to the County on the Closing Date. Disclosure Counsel will furnish a reliance letter to the successful bidder that will confirm that it may rely on the Negative Assurance Letter as if it was addressed to the successful bidder.

The reliance letters of Note Counsel and Disclosure Counsel will be furnished at the expense of the County upon the issuance of the Notes.

BIDDING PROCEDURES

All bids must be unconditional and submitted electronically via Parity[®]. No e-mail, telephone, facsimile, mail, courier delivery, or personal delivery bids will be accepted. To participate, a bidder must be a contracted customer of Parity[®]. If the prospective bidder does not have a contract with Parity[®], such bidder should contact Parity[®] at (212) 849-5021 to become a customer and obtain a list of the bidding rules and procedures. To the extent any instructions or directions set forth on Parity[®] conflict with this Notice of Sale, the terms of this Notice of Sale shall control.

Bidders may change and submit bids as many times as they wish during the auction; provided, however, that each bid submitted subsequent to a bidder's initial bid must result in a lower true interest cost (“TIC”) on the Notes, when compared to the immediately preceding bid of such bidder. The last bid submitted by a bidder before the end of the auction will be compared to all other final bids submitted by others to determine the successful bidder or bidders.

Each bidder will be solely responsible for making the necessary arrangements to access Parity[®] for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. IHS will not have any duty or obligation to provide or assure such access to any bidder, and neither the County nor IHS will be responsible for the proper operation of, or have any liability for, any delays or interruptions of, or any damages caused by, Parity[®]. The County is authorizing the use of Parity[®] as a communications mechanism to conduct the electronic bidding for the Notes; the owners of such service are not agents of the County. Neither IHS nor the County, Note Counsel, Disclosure Counsel, or the Financial Advisor shall be responsible for, and each bidder expressly assumes the risk of, any incomplete, inaccurate, or untimely bid submitted by such bidder, including, without limitation, incomplete, inaccurate or untimely bids caused by reason of garbled transmissions, mechanical failure, slow or engaged telephone or telecommunications lines or any other cause.

The County is not bound by any advice and determination of IHS to the effect that any particular bid complies with the terms of this Notice of Sale and in particular the specifications set forth in this Notice of Sale, including under “TERMS OF BID AND BASIS OF AWARD” herein. All costs and expenses incurred by bidders in connection with their registration and submission of bids via Parity® are the sole responsibility of such bidders; the County is not responsible for any of such costs or expenses.

TERMS OF BID AND BASIS OF AWARD

Bids must be unconditional and for the purchase of all of the Notes. No more than one bid from any bidder will be considered.

Bidders must specify a single fixed rate of interest the Notes will bear. The initial public offering price of each maturity shall be not less than 100% of the par amount of such maturity. The initial bid price shall not be less than 100% of the aggregate principal amount of the Notes.

In the event of any adjustment to the principal amount of the Notes as described under “DETAILS REGARDING THE NOTES - Adjustment to Principal Amount” herein, no rebidding or recalculation of the bids submitted will be required or permitted. The total purchase price of the Notes will be increased or decreased to reflect any adjustment to the principal amount of the Notes, and the Notes, as adjusted, will have the same maturity, bear interest at the same rate and must have the same reoffering yield as is specified by the successful bidder for the Notes. Nevertheless, the award of the Notes will be made to the bidders whose bids produce the lowest TIC for the Notes, calculated as specified herein, solely on the basis of the Notes offered, without taking into account any such adjustment in the principal amount of the Notes.

Not later than 3:00 p.m., local time in the City, on May 6, 2026 (the “Award Date”), the Notes will be awarded by the County to the bidder offering to purchase the Notes at the lowest TIC. The TIC will be the nominal interest rate which, when compounded semiannually and used to discount all debt service payments on the Notes (computed at the interest rates specified in the bid and on the basis of a 360-day year comprised of twelve 30-day months) to the dated date of the Notes, results in an amount equal to the price bid for the Notes. If two or more bids provide for the same lowest TIC, the County shall determine which bid shall be accepted, and such determination shall be final and conclusive. The TIC must be calculated to four decimal places. Tie bids shall be broken by lot in the discretion of the County.

Award or rejection of bids will be made by the County on or prior to 3:00 p.m., local time in the City, on the Award Date. ALL BIDS SHALL REMAIN FIRM UNTIL 3:00 P.M., LOCAL TIME IN THE CITY ON THE AWARD DATE.

EACH BIDDER MUST SPECIFY IN ITS BID THE INTEREST RATE FOR THE NOTES OF EACH MATURITY. NO BIDS FOR LESS THAN ALL OF THE NOTES OFFERED WILL BE ENTERTAINED. THE COUNTY RESERVES THE RIGHT TO REJECT ALL BIDS OR ANY BID NOT CONFORMING TO THIS NOTICE OF SALE. THE COUNTY ALSO RESERVES THE RIGHT TO WAIVE, IF PERMITTED BY LAW, ANY IRREGULARITY OR INFORMALITY IN ANY BID. THE COUNTY SHALL NOT REJECT ANY CONFORMING BID UNLESS ALL CONFORMING BIDS ARE REJECTED.

COMPLIANCE WITH SEC AND MSRB RULES

The successful bidder agrees to take any and all other actions necessary to comply with the applicable SEC and the MSRB rules governing the offering, sale, and delivery of the Notes, including, without limitation, the payment of any fees or charges required to be paid by the MSRB or the Securities Industry and Financial Market Association in connection with the purchase or sale of the Notes.

SETTLEMENT OF NOTES

It is expected that the pre-closing for the Notes will occur in the City, approximately one business day prior to the Closing Date, or such other date as shall be appropriate or necessary to ensure compliance with the Rule. On

the Closing Date, the Notes will be delivered to DTC, as securities depository, and registered in the name of Cede & Co., as nominee of DTC. The successful bidder shall also advise the underwriting department of DTC, not less than four business days prior to the Closing Date, of the interest rates borne by the Notes, the CUSIP identification numbers, and the Closing Date. Neither the failure to print CUSIP numbers on any Note nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Notes. All expenses in relation to the printing of CUSIP numbers on the Notes as well as any CUSIP Service Bureau charge for the assignment of such numbers shall be paid for by the successful bidder.

FULL PAYMENT OF THE PURCHASE PRICE MUST BE MADE TO THE COUNTY BY 10:00 A.M. LOCAL TIME IN THE CITY ON THE CLOSING DATE BY THE SUCCESSFUL BIDDER IN FEDERAL RESERVE FUNDS OR IMMEDIATELY AVAILABLE FUNDS, WITHOUT COST TO THE COUNTY.

BLUE SKY LAWS

The successful bidder will be responsible for the clearance or exemption with respect to the status of the Notes for sale under the securities or "Blue Sky" laws of the several states and the preparation of any surveys or memoranda in connection with such sale. The County shall have no responsibility for such clearance, exemption, or preparation.

CLOSING DOCUMENTS

In addition to the Note Counsel Opinion and the Negative Assurance Letter, at the time of payment for and delivery of the Notes, the County will furnish the successful bidder with the customary closing documents and opinions, which include, but are not limited to:

(a) an opinion of the County Attorney to the effect that, to the best of her knowledge, (i) there is no litigation now pending or threatened against the County which restrains or enjoins the issuance or delivery of the Notes, the execution, delivery, or performance of all agreements and certificates relating to the Notes, or the use of the proceeds of the Notes or which questions or contests the validity of the Notes, the Note Resolution, all agreements and certificates relating to the Notes, or the proceedings and authority under which they are to be issued, executed and delivered, and (ii) neither the creation, organization, nor existence of the County, nor the title of the present members or other officials of the County to their respective offices, is being currently contested or questioned to the knowledge of the County (the "County Attorney Opinion").

(b) a certificate or certificates of the appropriate officers of the County, in their normal and customary form and terms, to the effect that (i) to the best of such officer's knowledge and belief, other than the County's Excluded Sections (as defined herein), the information concerning the County contained in the Preliminary Official Statement and the Official Statement as of their respective dates is true and correct in all material respects and does not contain any untrue statement of a material fact or omit to state a material fact which is necessary to make the statements contained therein, in the light of the circumstances under which they were made, not misleading, and notwithstanding the foregoing, the County has not provided the information in and does not provide any assurance that the information contained in the sections or appendices, as the case may be, captioned "BOOK-ENTRY ONLY SYSTEM," "TAX MATTERS," "RATINGS," "COMPETITIVE SALE OF THE NOTES," "APPENDIX D - FORM OF NOTE COUNSEL OPINION," and "APPENDIX F - DTC AND THE BOOK-ENTRY ONLY SYSTEM" (collectively, the "County's Excluded Sections") in the Preliminary Official Statement and the Official Statement is true and correct in all material respects; provided, however, that without having undertaken to determine independently the accuracy or completeness of the statements contained in the remainder of the Preliminary Official Statement and the Official Statement, nothing has come to her attention which would lead her to believe that the Preliminary Official Statement and the Official Statement as of their respective dates contain any untrue statement of a material fact or omits to state a material fact which is necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading; (ii) since the date of the Official Statement, no materially adverse change has occurred in the financial position or results of operation of the County, except as set forth in or contemplated by the Official Statement; and (iii) on the basis of the facts, estimates, and circumstances relied upon at the time of delivery of the Notes, it is not expected that the proceeds of the Notes will be used in a manner that will cause the Notes to be arbitrage bonds.

The County Attorney Opinion and the certificate(s) to be delivered by the appropriate officers of the County may vary from the foregoing text, if deemed necessary by the County. The County Attorney Opinion will speak only as of its date and the County Attorney will not assume any duty to update or supplement the County Attorney Opinion to reflect any change in facts or circumstances, including changes in law that may thereafter occur or become effective.

The successful bidder will also be required to execute certain closing documents required by Note Counsel in connection with the delivery of the Notes or the delivery of the Note Counsel Opinion, including the form of the Certificate as to Issue Price attached hereto as EXHIBIT A.
