MATURITY SCHEDULE

<u>Maturity</u>	<u>Principal</u>
7-1-2028	\$5,920,000
7-1-2029	\$5,920,000
7-1-2030	\$5,920,000
7-1-2031	\$5,935,000

The General Obligation Combined Purpose Bonds, Series 2026 are not subject to redemption prior to maturity.

Book-Entry-Only System

The Bonds will be issued by means of a book-entry-only system with no physical delivery of bond certificates made to the public. One bond certificate for each maturity will be issued to the Depository Trust Company (“DTC”) or its nominee, CEDE & Co., and immobilized in its custody. The book-entry-only system will evidence ownership of the Bonds in the principal amount of \$5,000 or any integral multiple thereof, with transfer of ownership effected on the records of DTC and its participants pursuant to rules and procedures of DTC and its participants. Bond certificates registered in the name of CEDE & Co. will be deposited with DTC. Interest, principal, and redemption premium (if any) will be payable to DTC or its nominee as registered owner of the Bonds. Transfer of principal, interest, and redemption premium (if any) to participants of DTC will be the responsibility of DTC and transfer of principal, interest, and redemption premium (if any) to beneficial owners of the Bonds by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The District will not be responsible or liable for such transfers of payments or for maintaining, supervising, or reviewing the records maintained by DTC, its participants or persons acting through such participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the District. Under such circumstances, in the event that a successor securities depository is not obtained, Bonds are required to be printed and delivered. The District may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bonds will be printed and delivered. In either situation, the District may attempt to locate another qualified securities depository. If the District fails to locate another qualified securities depository or if the District determines that it is in the best interest of the District, the District will deliver definitive Bonds to each beneficial owner, or its nominee, as provided in the resolution pursuant to which the Bonds are issued.

Types of Bids and Interest Rates

The Bonds shall be sold in one block, all or none, and no bid of less than par and accrued interest shall be considered. **The premium bid, if any, shall not exceed 4% of the par value of the Bonds (\$947,800).** Bidders shall specify the rates of interest the Bonds shall bear in multiples of one-eighth (1/8th) or one-twentieth (1/20th) of one percent (1%) per annum. Bidders must specify a rate or rates of interest the Bonds shall bear but will be limited to a **three percent (3%) variation between high and low interest rates**. No interest rate in excess of 10.00% shall be considered. Bidders are not restricted as to the number of rates that may be named, provided that only one single rate shall be specified for all bonds of the same maturity.

Basis for Award

For the purpose of awarding the Bonds, the interest of each bid shall be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the Bonds from July 1, 2026, to their respective maturities, and deducting therefrom the premium bid, if any. The Bonds shall be awarded to the bidder whose bid, on the basis of the above computation, produces the lowest net interest cost to the School District.

Official Bid Forms and Good Faith Deposits

The Board of Education shall receive sealed and electronic bids. Sealed bids for the Bonds must be submitted in duplicate and without deviation on the Official Bid Form furnished by the School District and shall be enclosed in a sealed envelope. Electronic bids may be submitted via **PARITY** as described elsewhere herein. If the winning bid is submitted electronically, the winning bidder will be required to fully execute an Official Bid Form prior to delivery of the Bonds.

A Good Faith Deposit ("Deposit") in the form of a certified or cashier's check, cash via wire transfer or a Financial Surety Bond in the amount of **\$473,900**, which is two percent (2%) of the par value of the Bonds, payable to the order of Independent School District #52 of Oklahoma County, Oklahoma, is required for each bid to be considered. Bidders wishing to wait until after the bid deadline to submit their Good Faith Deposit are allowed to do so, as long as the Good Faith Deposit is received by the School District prior to the time of the award by the Board of Education. Wire instructions for the School District are available upon request to the Financial Advisor.

If a Financial Surety Bond is used, it must be from an insurance company licensed to issue such a bond in the State of Oklahoma and meeting the minimum qualifications for such providers (i.e. "AAA" rated), and such bond must be submitted to the Issuer or its Financial Advisor prior to the opening of the bids. The Financial Surety Bond must identify each bidder whose Deposit is guaranteed by such Financial Surety Bond. If the Bonds are awarded to a bidder utilizing a Financial Surety Bond, then that purchaser ("Purchaser") is required to submit its Deposit to the Issuer or its Financial Advisor in the form of a cashier's check (or wire transfer such amount as instructed by the Issuer or its Financial Advisor) not later than 3:30 PM Oklahoma time on the next business day following the award. If such Deposit is not received by that time, the Financial Surety Bond may be drawn by the Issuer to satisfy the Deposit requirement. No interest on the Deposit will accrue to the Purchaser. The Good Faith Deposit shall be applied to the purchase price of the Bonds or returned to the successful bidder upon payment, whichever is desired by said bidder. In the event the Purchaser fails to honor its accepted bid, the Deposit will be retained by the Issuer. No interest will be paid by the School District on the Good Faith Deposit.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser to accept delivery of and pay for any Bonds in accordance with the terms of the Official Bid Form. All expenses in relation to printing CUSIP numbers on the bonds and the CUSIP Service Bureau charge for the assignment of such numbers shall be paid by the school district.

Legal Opinion

Bids for the Bonds may be submitted subject to the opinion of the Attorney General of the State of Oklahoma, and the approving opinion of a recognized bond attorney which shall be chosen by the purchaser, the fee of which will be paid by the purchaser.

Non-Litigation Certificate

With delivery of the Bonds, the District shall execute and furnish the successful purchaser with a certificate to the effect that no litigation of any nature has been filed or is then pending to restrain or enjoin the issuance or delivery of said Bonds, to affect the provisions made for their payment or security, or in any manner to question the validity of said Bonds.

Delivery

Delivery of the Bonds shall be made at the expense of the purchaser in New York, New York, through the Depository Trust Company (DTC) against payment in good funds of the agreed upon purchase prices. Delivery of the Bonds to the Purchaser is anticipated on or about July 7, 2026.

Municipal Bond Insurance

In the event the Bonds are qualified for municipal bond insurance, and the purchaser wants to purchase bond insurance, the cost thereof will be paid by the purchaser. Any fees paid to any rating agencies as a result of said insurance will also be paid by the purchaser.

Compliance with SEC Rules

The Official Statement. The School District has prepared the accompanying Preliminary Official Statement, and for the limited purpose of complying with SEC Rule 15c2-12, deems such Preliminary Official Statement to be final as of its date within the meaning of such Rule for the purpose of review prior to bidding. The Purchaser(s) shall be responsible for providing the initial reoffering prices and other terms, if any, to the Financial Advisor by the close of the next business day after the sale. No more than seven business days after the date of the sale, the School District will provide without cost to the purchaser a reasonable number of copies of the Final Official Statement; provided, however, that minor delays in furnishing such Final Official Statement will not be a basis for purchaser's failure to pay for and accept delivery of the Bonds. Additional copies of the Final Official Statement will be made available at the purchaser's request and expense. If the sale of the Bonds is awarded to a syndicate, the School District will designate the senior managing underwriter of the syndicate as its agent for purposes of distributing copies of the Final Official Statement to each participating underwriter. Any underwriter executing and delivering a bid form with respect to the Bonds agrees thereby that if its bid is accepted, it shall accept such designation and shall enter into a contractual relationship with all syndicate members for the purpose of assuring the receipt and distribution of the Final Official Statement to each such syndicate member. The School District assumes no responsibility or obligation for the distribution or delivery of the Final Official Statement to anyone other than the purchaser.

At the time of payment for and delivery of the Bonds, the issuer will provide a certificate executed by the proper officers of the issuer to the effect that to the best of their knowledge and belief the statements in the official statement as of its date and as of the date of its delivery are true and correct in all material respects and the official statement does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein in the light of the circumstances under which they were made, not misleading.

Continuing Disclosure. In order to assist bidders in complying with SEC Rule 15c2-12(b)(5), the School District will undertake, pursuant to a resolution of the Board of Education and a Continuing Disclosure Agreement, to provide annual reports and notices of certain events. Such Continuing Disclosure Agreement will be a document required to be delivered at closing by the School District.

Compliance with Laws Regarding Energy Companies

The Issuer will not award the Bonds to a bidder unless the bidder verifies on the Official Bid Form that it does not boycott energy companies, and will not boycott energy companies during the term of the contract, to the extent the Official Bid Form represents a contract within the meaning of Oklahoma's Energy Discrimination Elimination Act of 2022, 74 O.S. 2021 § 12001 et seq. This verification applies only to a contract that:

- a. is between a governmental entity and a company with ten or more full-time employees, and
- b. will pay a company One Hundred Thousand Dollars (\$100,000.00) or more over the term of the contract that is to be paid wholly or partly from public funds of the governmental entity; provided, however, the provisions of this paragraph shall apply separately to all companies in a multiple party contract.

Compliance with Laws Regarding Firearm Entities and Firearm Manufacturers

The Issuer will not award the Bonds to a bidder unless the bidder verifies on the Official Bid Form that it does not boycott firearm entities or firearm trade associations, and will not boycott said entities during the term of the contract, to the extent the Official Bid Form represents a contract within the meaning of 21 O.S. § 1289.31.

Establishment of Issue Price

The winning bidder shall assist the School District in establishing the issue price of the Bonds and shall execute and deliver to the School District prior to closing an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public, if at least three bids are received by the School District or, if less than three bids are received, the sales price or prices at which the first 10 percent (10%) of each maturity of the Bonds is sold to the public, substantially in the form attached hereto, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the School District, the Financial Advisor, and Bond Counsel, if applicable.

The School District intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds to the public (the “competitive sale requirements”):

- a. the School District shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- b. all bidders shall have an equal opportunity to bid;
- c. the School District anticipates receiving bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds;
- d. the School District anticipates awarding the Bonds to the bidder who submits a firm offer to purchase the Bonds at the lowest net interest cost, as set forth in this Notice of Sale of Bonds.

The School District shall take all reasonable steps that are appropriate so that the initial sale of the Bonds to the public will satisfy the competitive sale requirements.

In the event that the initial sale of the Bonds to the public does not satisfy the competitive sale requirements, bids will not be subject to cancellation and the School District will treat the first price at which 10% of a maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity.

If the 10% test has not been satisfied as to any maturity of the Bonds, the winning bidder agrees that, for each maturity of the Bonds that has not satisfied the 10% test (the “Undersold Maturities”), it will neither offer nor sell any of the Undersold Maturities of such maturity to any person at a price that is higher than the Initial Offering Price for such maturity during the Offering Period for such maturity, nor will it permit a related party to do so. With respect to the Undersold Maturities, the Offering Period is defined as the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the sale date, or (ii) the date on which the winning bidder has sold 10% of such Undersold Maturity (or Maturities, if applicable) to the public at a price that is no higher than the Initial Offering Price for such Undersold Maturity (or Maturities, if applicable).

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to neither offer nor sell any of the Undersold Maturities of such maturity to any person at a price that is higher than the Initial Offering Price for such maturity during the Offering Period for such maturity, nor will it permit a related

party to do so, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to neither offer nor sell any of the Undersold Maturities of such maturity to any person at a price that is higher than the Initial Offering Price for such maturity during the Offering Period for such maturity, nor will it permit a related party to do so.

Sales of said Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- a. "public" means any person other than an underwriter or a related party;
- b. "underwriter" means (i) any person that agrees pursuant to a written contract with the School District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public); and
- c. a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to more than 50% common ownership.

In the event the winning bidder will not reoffer the Bonds for sale to the public, the Issue Price Certificate may be modified in a manner approved by the School District.

All action to be taken by the School District under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the School District by BOK Financial Securities, Inc., the School District's financial advisor, and any notice or report to be provided to the School District may be provided to BOK Financial Securities, Inc.

NOTE: In the event that the initial sale of the Bonds to the public does not satisfy the competitive sale requirements as defined above, and the winning bidder informs the Financial Advisor that there exist certain Undersold Maturities, the basis for determining the issue price of the Bonds may be different from the method described herein and may be determined on the sale date upon approval of the Financial Advisor.
