## Description of the Bonds

The Bonds will be dated June 1, 2026, and shall bear interest from that date. Interest on the Bonds shall be payable semiannually on June 1 and December 1 by check or draft of the Paying Agent-Registrar. **The first interest payment shall be due on June 1, 2027.**

The Bonds, authorized at an election held for that purpose, are being issued in accordance with the provisions contained in Article X, Section 26 of the Oklahoma Constitution, and the statutes of the State supplementary thereto, and shall constitute direct and general obligations of Independent School District #2 of Tulsa County, Oklahoma, payable from ad valorem taxes levied against all taxable property located therein, excepting homestead exemptions, without limitation as to rate or amount.

## MATURITY SCHEDULE

<u>Maturity</u>	<u>Principal Amount</u>	<u>Interest Rate</u>	<u>Yield</u>
6-1-2028	\$660,000		
6-1-2029	\$660,000		
6-1-2030	\$660,000		
6-1-2031	\$670,000		

The General Obligation Building Bonds, Federally Taxable Series 2026, are not subject to redemption prior to maturity.

### Book-Entry-Only System

The Bonds will be issued by means of a book-entry-only system with no physical delivery of bond certificates made to the public. One bond certificate for each maturity will be issued to the Depository Trust Company ("DTC") or its nominee, CEDE & Co., and immobilized in its custody. The book-entry-only system will evidence ownership of the Bonds in the principal amount of \$5,000 or any integral multiple thereof, with transfer of ownership effected on the records of DTC and its participants pursuant to rules and procedures of DTC and its participants. Bond certificates registered in the name of CEDE & Co. will be deposited with DTC. Interest, principal, and redemption premium (if any) will be payable to DTC or its nominee as registered owner of the Bonds. Transfer of principal, interest, and redemption premium (if any) to participants of DTC will be the responsibility of DTC and transfer of principal, interest, and redemption premium (if any) to beneficial owners of the Bonds by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The District will not be responsible or liable for such transfers of payments or for maintaining, supervising, or reviewing the records maintained by DTC, its participants or persons acting through such participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the District. Under such circumstances, in the event that a successor securities depository is not obtained, Bonds are required to be printed and delivered. The District may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bonds will be printed and delivered. In either situation, the District may attempt to locate another qualified securities depository. If the District fails to locate another qualified securities depository or if the District determines that it is in the best interest of the District, the District will deliver definitive Bonds to each beneficial owner, or its nominee, as provided in the resolution pursuant to which the Bonds are issued.

### Types of Bids and Interest Rates

The Bonds shall be sold in one block, all or none, and no bid of less than par and accrued interest shall be considered. **The premium bid, if any, shall not exceed 4% of the par value of the Bonds \$106,000.** Bidders shall specify the rates of interest the Bonds shall bear in multiples of one-eighth (1/8th) or one-twentieth (1/20th) of one percent (1%) per annum. Bidders must specify a rate or rates of interest the Bonds shall bear but will be limited to a **three percent (3%) variation between high and low interest rates**. No interest rate in excess of 10.00% shall be considered. Bidders are not restricted as to the number of rates that may be named, provided that only one single rate shall be specified for all bonds of the same maturity.

### Basis for Award

For the purpose of awarding the Bonds, the interest of each bid shall be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the Bonds from June 1, 2026, to their respective maturities, and deducting therefrom the premium bid, if any. The Bonds shall be awarded to the bidder whose bid, on the basis of the above computation, produces the lowest net interest cost to the School District.

## **Legal Opinion**

Bids for the Bonds may be submitted subject to the opinion of the Attorney General of the State of Oklahoma, and the approving opinion of a recognized bond attorney which shall be chosen by the Purchaser, the fee of which will be paid by the Purchaser.

## **Official Bid Forms and Good Faith Deposits**

The Board of Education shall receive sealed and electronic bids. Sealed bids for the Bonds must be submitted in duplicate and without deviation on the Official Bid Form furnished by the School District and shall be enclosed in a sealed envelope. Electronic bids may be submitted via **PARITY** as described elsewhere herein. If the winning bid is submitted electronically, the winning bidder will be required to fully execute an Official Bid Form and a Purchaser's Affidavit prior to delivery of the Bonds.

A Good Faith Deposit ("Deposit") in the form of a wire transfer, a certified or cashier's check or a Financial Surety Bond in the amount of **\$53,000**, which is two percent (2%) of the par value of the Bonds, payable to the order of Independent School District #2 of Tulsa County, Oklahoma, is required for each bid to be considered by the Board of Education. Bidders wishing to wait until after the bid deadline to submit their Good Faith Deposit are allowed to do so, as long as the Good Faith Deposit is received by the School District prior to the time of the award by the Board of Education. Wire instructions for the School District are available upon request to the Financial Advisor.

If a Financial Surety Bond is used, it must be from an insurance company licensed to issue such a bond in the State of Oklahoma and meeting the minimum qualifications for such providers (i.e. "AAA" rated), and such bond must be submitted to the Issuer or its Financial Advisor prior to the opening of the bids. The Financial Surety Bond must identify each bidder whose Deposit is guaranteed by such Financial Surety Bond. If the Bonds are awarded to a bidder utilizing a Financial Surety Bond, then that purchaser ("Purchaser") is required to submit its Deposit to the Issuer or its Financial Advisor in the form of a cashier's check (or wire transfer such amount as instructed by the Issuer or its Financial Advisor) not later than 3:30 PM Oklahoma time on the next business day following the award. If such Deposit is not received by that time, the Financial Surety Bond may be drawn by the Issuer to satisfy the Deposit requirement. No interest on the Deposit will accrue to the Purchaser. The Good Faith Deposit shall be applied to the purchase price of the Bonds or returned to the successful bidder upon payment, whichever is desired by said bidder. In the event the Purchaser fails to honor its accepted bid, the Deposit will be retained by the Issuer.

## **CUSIP Numbers**

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser to accept delivery of and pay for any Bonds in accordance with the terms of the Official Bid Form. All expenses in relation to printing CUSIP numbers on the bonds and the CUSIP Service Bureau charge for the assignment of such numbers shall be paid by the school district.

## **Non-Litigation Certificate**

With delivery of the Bonds, the District shall execute and furnish the successful purchaser with a certificate to the effect that no litigation of any nature has been filed or is then pending to restrain or enjoin the issuance or delivery of said Bonds, to affect the provisions made for their payment or security, or in any manner to question the validity of said Bonds.

## **Delivery**

Delivery of the Bonds shall be made at the expense of the purchaser in New York, New York, through the Depository Trust Company (DTC) against payment in good funds of the agreed upon purchase prices. Delivery of the Bonds to the Purchaser is anticipated on or about June 26, 2026.

## **Municipal Bond Insurance**

In the event the Bonds are qualified for municipal bond insurance, and the purchaser wants to purchase bond insurance, the cost thereof will be paid by the purchaser. Any fees paid to any rating agencies as a result of said insurance will also be paid by the purchaser.

## **Compliance with SEC Rules**

**The Official Statement.** The School District has prepared the accompanying Preliminary Official Statement, and for the limited purpose of complying with SEC Rule 15c2-12, deems such Preliminary Official Statement to be final as of its date within the meaning of such Rule for the purpose of review prior to bidding. The Purchaser(s) shall be responsible for providing the initial reoffering prices and other terms, if any, to the Financial Advisor by the close of the next business day after the sale. No more than seven business days after the date of the sale, the School District will provide without cost to the purchaser a reasonable number of copies of the Final Official Statement; provided, however, that minor delays in furnishing such Final Official Statement will not be a basis for purchaser's failure to pay for and accept delivery of the Bonds. Additional copies of the Final Official Statement will be made available at the purchaser's request and expense. If the sale of the Bonds is awarded to a syndicate, the School District will designate the senior managing underwriter of the syndicate as its agent for purposes of distributing copies of the Final Official Statement to each participating underwriter. Any underwriter executing and delivering a bid form with respect to the Bonds agrees thereby that if its bid is accepted, it shall accept such designation and shall enter into a contractual relationship with all syndicate members for the purpose of assuring the receipt and distribution of the Final Official Statement to each such syndicate member. The School District assumes no responsibility or obligation for the distribution or delivery of the Final Official Statement to anyone other than the purchaser.

At the time of payment for and delivery of the Bonds, the issuer will provide a certificate executed by the proper officers of the issuer to the effect that to the best of their knowledge and belief the statements in the official statement as of its date and as of the date of its delivery are true and correct in all material respects and the official statement does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein in the light of the circumstances under which they were made, not misleading.

**Continuing Disclosure.** In order to assist bidders in complying with SEC Rule 15c2-12(b)(5), the School District will undertake, pursuant to a resolution of the Board of Education and a Continuing Disclosure Agreement, to provide annual reports and notices of certain events. Such Continuing Disclosure Agreement will be a document required to be delivered at closing by the School District.

## **Compliance with Laws Regarding Energy Companies**

The Issuer will not award the Bonds to a bidder unless the bidder verifies on the Official Bid Form that it does not boycott energy companies, and will not boycott energy companies during the term of the contract, to the extent the Official Bid Form represents a contract within the meaning of Oklahoma's Energy Discrimination Elimination Act of 2022, 74 O.S. 2021 § 12001 et seq. This verification applies only to a contract that:

- a. is between a governmental entity and a company with ten or more full-time employees, and
- b. will pay a company One Hundred Thousand Dollars (\$100,000.00) or more over the term of the contract that is to be paid wholly or partly from public funds of the governmental entity; provided, however, the provisions of this paragraph shall apply separately to all companies in a multiple party contract.
