In accordance with such delegation, the Pricing Officer will award the Bonds (or reject all bids), on the date of the bid opening, and the terms of sale will be incorporated into a “Pricing Certificate” that will supplement and complete the Bond Order (as so supplemented and completed by the Pricing Certificate, the Bond Order is hereinafter referred to as the “Order”).

* Preliminary, subject to change (see “CONDITIONS OF THE SALE – Post Bid Modification of Principal Amounts”).

* Preliminary, subject to change (see “CONDITIONS OF THE SALE – Post Bid Modification of Principal Amounts”).

REDEMPTION . . . The Bonds having stated maturities on and after February 15, 2037, are subject to redemption at the option of the District, in whole or from time to time in part in principal amounts of \$5,000 or any integral multiple thereof, on February 15, 2036 or any date thereafter, at the par value thereof plus accrued interest to the date of redemption.

SERIAL BONDS AND/OR TERM BONDS . . . Bidders may provide that all of the Bonds be issued as serial bonds or may provide that any two or more consecutive annual principal amounts be combined into one or more term bonds. See “CONDITIONS OF THE SALE – Type of Bids and Interest Rates” below.

MANDATORY SINKING FUND REDEMPTION . . . If the successful bidder elects to alter the Maturity Schedule reflected above and convert the principal amounts of the Serial Bonds into one or more “Term Bonds”, such “Term Bonds” shall be subject to mandatory redemption on the first February 15 next following the last maturity for Serial Bonds, and annually thereafter on each February 15 until the stated maturity for the Term Bonds at the redemption price of par plus accrued interest to the date of redemption. The principal amounts of the Term Bonds to be redeemed on each mandatory redemption date shall be the principal amounts that would have been due and payable in the Maturity Schedule shown above had no designation of such maturities as Term Bonds occurred.

Approximately forty-five (45) days prior to each mandatory redemption date for the Term Bonds, the Paying Agent/Registrar shall select by lot the numbers of the Term Bonds within the applicable Stated Maturity to be redeemed on the next following February 15 from moneys set aside for that purpose in the Interest and Sinking Fund (as defined in the Order). Any Term Bond not selected for prior redemption shall be paid on the date of its Stated Maturity.

The principal amount of the Term Bonds for a Stated Maturity required to be redeemed on a mandatory redemption date may be reduced, at the option of the District, by the principal amount of Term Bonds of like Stated Maturity which, at least fifty (50) days prior to the mandatory redemption date, shall have been acquired by the District at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation.

The final Official Statement will incorporate the mandatory redemption provisions for the Bonds in the event the successful bidder elects to convert serial maturities into one or more Term Bonds.

BOOK-ENTRY-ONLY SYSTEM . . . The District intends to utilize the Book-Entry-Only System of The Depository Trust Company (“DTC”). See “THE BONDS - Book-Entry-Only System” in the Preliminary Official Statement.

PAYING AGENT/REGISTRAR . . . The initial Paying Agent/Registrar shall be U.S. Bank Trust Company, National Association, Dallas, Texas (see “THE BONDS - Paying Agent/Registrar” in the Preliminary Official Statement).

SECURITY FOR PAYMENT . . . The Bonds constitute direct obligations of the District, payable from a continuing direct annual ad valorem tax levied by the District, without legal limit as to rate or amount, on all taxable property located within the District (see “THE BONDS – Security and Source of Payment”). Further details regarding the Bonds are set forth in the Preliminary Official Statement.

CONDITIONS OF THE SALE

TYPE OF BIDS AND INTEREST RATES . . . The Bonds will be sold in one block on an "All or None" basis, and at a price of not less than 101% of their par value and not more than 106% of their par value. Bidders are invited to name the rate(s) of interest to be borne by the Bonds, provided that each rate bid must be in a multiple of 1/8 of 1% or 1/100 of 1% and the net effective interest rate must not exceed 15% pursuant to Texas Government Code Section 1204.006. The highest rate bid may not exceed the lowest rate bid by more than 2% in rate. For Bonds having stated maturities on and after February 15, 2036, no reoffering yield producing a dollar price less than 98.50 for any individual maturity will be accepted. The high bidder will be required to submit reoffering yields and dollar prices prior to award. No limitation is imposed upon bidders as to the number of rates or changes which may be used. All Bonds of one maturity must bear one and the same rate. No bids involving supplemental interest rates will be considered.

ADVANCE MODIFICATION OF PRINCIPAL AMOUNTS . . . The Maturity Schedule for the Bonds set forth above represents an estimate of the principal amount of Bonds to be sold. The District hereby reserves the right to change the Maturity Schedule, based on market conditions prior to the sale. In the event that the District elects to change the Maturity Schedule prior to the sale it will provide notice to potential bidders through PARITY. Such notice shall be considered an amendment to this Notice of Sale.

POST BID MODIFICATION OF PRINCIPAL AMOUNTS . . . After final computation of the bids, in awarding the sale to the best bidder, the District may determine in its sole discretion, that the funds necessary to carry out the purposes for which the Bonds are to be issued may be either more or less than the proceeds of the proposed sale of all of the Bonds. Upon making such determination, the District reserves the right to adjust the principal amount of the Bonds shown on the Maturity Schedule. The principal amount of any maturity of the Bonds shall only be adjusted in \$5,000 increments and the aggregate par shall not be increased or decreased by an amount that exceeds 15% of the preliminary aggregate principal amount (rounded up to the next higher integral of \$5,000) without permission of the successful bidder. Such adjustment(s), if any, shall be made within 4 hours of the opening of the bids for the Bonds.

The successful bidder may not withdraw its bid or change the interest rates bid or the initial reoffering terms as a result of any changes made to the principal amounts within these limits. The dollar amount bid by the successful bidder will be adjusted to reflect any adjustments in the principal amount of the Bonds. The bid price for such an adjustment will reflect changes in the dollar amount of the underwriters' discount and original issue discount/premium, if any, but will not change the selling compensation per \$1,000 of par amount of the Bonds from the selling compensation that would have been received based on the purchase price in the winning bid and the initial reoffering terms. The interest rates specified by the successful bidder for the various maturities at the initial reoffering terms will not change. The District anticipates that the final annual principal amounts and the final aggregate principal amount of the Bonds will be communicated to the successful bidder within three hours of the District's receipt of the initial public offering prices and yields for the Bonds.

BASIS FOR AWARD . . . Subject to the District's right to reject any or all bids and to waive any irregularities except time of filing, the sale of the Bonds will be awarded to the bidder or syndicate account manager whose name first appears on the Official Bid Form (the “Purchaser”) making a bid that conforms to the specifications herein and which produces the lowest True Interest Cost rate to the District. The True Interest Cost rate is that rate which, when used to compute the total present value as of the date of initial delivery of all debt service payments on the Bonds on the basis of semi-annual compounding, produces an amount equal to the sum of the par value of the Bonds. In the event of a bidder's error in interest cost rate calculations, the interest rates and premium, if any, set forth in the Official Bid Form will be considered as the intended bid.

In order to provide the District with information required to be submitted to the Texas Bond Review Board pursuant to Section 1202.008, Texas Government Code, as amended, the Purchaser will be required to provide the District with a breakdown of its “underwriting spread” among the following categories: Takedown, Management Fee (if any), Legal Counsel Fee (if any) and Spread Expenses (if any).

ADDITIONAL CONDITION OF AWARD – DISCLOSURE OF INTEREST PARTY FORM 1295 . . . Described hereinafter is an obligation of the District to receive information from the winning bidder if the bidder is not a publicly traded business entity (a “Privately Held Bidder”). Pursuant to Texas Government Code Section 2252.908 (the “Interested Party Disclosure Act”), the District may not award the Bonds to the winning bidder that is a Privately Held Bidder unless such bidder submits a Certificate of Interested Parties Form 1295 (the “Disclosure Form”) to the District as prescribed by the Texas Ethics Commission (“TEC”). In the event that a Privately Held Bidder's bid for the Bonds is the best bid received, the District, acting through its financial advisor, will promptly notify the winning Privately Held Bidder. That notification will serve as the conditional verbal acceptance of the bid, and will obligate the winning Privately Held Bidder to establish (unless such winning Privately Held Bidder has previously so established) an account with the TEC and to promptly file a completed Disclosure Form, as described below, in order to complete the award.

PROCESS FOR COMPLETING THE DISCLOSURE FORM . . . Reference should be made the Disclosure Form, the rules of the Texas Ethics Commission with respect to the Disclosure Form (the "Disclosure Rules") and the Interested Party Disclosure Act. Instructional information regarding such matters are set forth at https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm. For purposes of completing the Disclosure Form the Initial Purchaser will need the following information: (a) item 2 – name of governmental entity: **Bryan Independent School District** and (b) item 3 – the identification number assigned to this contract by the District: **Bryan ISD 2026**, and a description of the services to be provided under the contract: **Purchase of Bonds**. The Interested Party Disclosure Act and the Disclosure Rules require a business entity contracting with the District to complete the form at the TEC Internet "portal" that may be accessed at the url set forth above, and then print, sign and deliver the Disclosure Form in physical form to the District. Following the award of the Bonds, the District will acknowledge receipt of the completed Disclosure Form through the TEC website, as required by the law.

PREPARATIONS AND FOR COMPLETION, AND THE SIGNIFICANCE OF, THE REPORTED INFORMATION . . . In accordance with the Interested Party Disclosure Act, the information reported by the winning Privately Held Bidder MUST BE ACKNOWLEDGED and submitted to the District. No exceptions may be made to that requirement. The Interested Party Disclosure Act provides that such acknowledgment is made "under oath and under penalty of perjury." Consequently, a winning Privately Held Bidder should take appropriate steps prior to completion of the Disclosure Form to familiarize itself with the Interested Party Disclosure Act, the Disclosure Rules and the Disclosure Form. Time will be of the essence in submitting the form to the District, and no award will be made by the District of the Bonds until a completed Disclosure Form is received, if applicable. The District reserves the right to reject any bid that is not accompanied by a completed Disclosure Form, if required, as described herein. Neither the District nor its consultants have the ability to verify the information included in a Disclosure Form, and neither have an obligation nor undertake responsibility for advising any winning Privately Held Bidder with respect to the proper completion of the Disclosure Form.

Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form, if required, promptly upon notification from the District that its bid is the conditional winning bid. Instructional videos on logging in and creating a certificate are provided on the TEC's website at https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm.

By submitting a bid, the winning bidder agrees to execute such further written documentation, at the request of the District, as may be necessary or required for the District to establish compliance with Section 2274 of the Texas Government Code, which may include the provision of a comfort letter or legal opinion as to the accuracy of such certifications executed by a high-level employee of the winning bidder, such as its general counsel or chief compliance officer.

Such Good Faith Deposit shall be a wire transfer, bank cashier's check or certified check (which is to be retained uncashed by the District pending the Purchaser's compliance with the terms of the bid and this Notice of Sale and Bidding Instructions). The bid security may be provided to the District via wire transfer (the District will provide wire instructions to the winning bidder), in the form of a certified or cashier's check, or in the form of a financial surety bond issued by an insurance company licensed to issue such surety bond in the State of Texas made payable to the order of the District in the amount set forth above. The Good Faith Deposit may accompany the Official Bid Form or it may be submitted separately. In the event the Purchaser should fail or refuse to take up and pay for the Bonds in accordance with the bid, then said check shall be cashed and accepted by the District as full and complete liquidated damages. Additionally, if it is determined after the acceptance of its bid by the District that the winning bidder was not able to satisfy the requirement above under "Attorney General Standing Letter" and as a result that Attorney General will not deliver its approving opinion of the Bonds, then such check will be cashed and accepted by the District as full and complete liquidated damages. The checks accompanying bids other than the winning bid will be returned immediately after the bids are opened, and an award of the Bonds has been made.

DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS

CUSIP NUMBERS . . . It is anticipated that CUSIP identification numbers will appear on the Bonds, but neither the failure to print or type such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Purchaser to accept delivery of and pay for the Bonds in accordance with the terms of this Notice of Sale and the terms of the Official Bid Form. All expenses in relation to the printing or typing of CUSIP numbers on the Bonds shall be paid by the District; provided, however, that the CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of and shall be paid for by the Purchaser.

DELIVERY OF BONDS . . . Delivery will be accomplished by the issuance of one initial Bond (the "Initial Bond"), either in typed or printed form, in the aggregate principal amount of \$190,100,000*, payable in stated installments to the Purchaser, signed by the Board President and Board Secretary, approved by the Attorney General, and registered and manually signed by the Comptroller of Public Accounts. Upon delivery of the Initial Bond, it shall be immediately cancelled and one definitive Bond for each maturity will be registered and delivered only to Cede & Co., and deposited with DTC in connection with DTC's Book-Entry-Only System. Delivery will be at the principal office of the Paying Agent/Registrar. Payment for the Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Purchaser will be given six business days' notice of the time fixed for delivery of the Bonds. It is anticipated that delivery of the Bonds can be made on or about September 17, 2026, and it is understood and agreed that the Purchaser will accept delivery and make payment for the Bonds by 10:00 AM, Central Time, on September 17, 2026, or thereafter on the date the Bonds are tendered for delivery, up to and including October 1, 2026. If for any reason the District is unable to make delivery on or before October 1, 2026, then its Good Faith Deposit will be returned, and both the District and the Purchaser shall be relieved of any further obligation. In no event shall the District be liable for any damages by reason of its failure to deliver the Bonds, provided such failure is due to circumstances beyond the District's reasonable control.

CONDITIONS TO DELIVERY . . . The obligation of the Purchaser to take up and pay for the Bonds is subject to the Purchaser's receipt of (a) the legal opinion of Norton Rose Fulbright US LLP, Dallas, Texas, Bond Counsel for the District ("Bond Counsel"), (b) the District's no-litigation certificate, and (c) the District's certification as to the Official Statement, all as further described in the Official Statement.

* Preliminary, subject to change (see "CONDITIONS OF THE SALE – Post Bid Modification of Principal Amounts").

ESTABLISHMENT OF ISSUE PRICE (HOLD-THE-OFFERING PRICE RULE WILL APPLY IF COMPETITIVE SALE REQUIREMENTS ARE NOT SATISFIED) . . . (a) The winning bidder shall assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District by Closing an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the District and Bond Counsel. All actions to be taken by the District under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the District by the District’s municipal advisor identified herein and any notice or report to be provided to the District may be provided to the District’s municipal advisor.

(b) The District intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “competitive sale requirements”) because:

- (i) the District shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (ii) all bidders shall have an equal opportunity to bid;
- (iii) the District may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (iv) the District anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

(c) In the event that the competitive sale requirements are not satisfied, the District shall so advise the winning bidder. In such event, the District intends to treat the initial offering price to the public as of the sale date of each maturity of the Bonds as the issue price of that maturity (the “hold-the-offering-price rule”). The District shall promptly advise the winning bidder, at or before the time of award of the Bonds, if the competitive sale requirements were not satisfied, in which case the hold-the-offering-price rule shall apply to the Bonds. Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied and the hold-the-offering-price rule applies. In the event that the competitive sale requirements are not satisfied, the issue price certificate shall be modified as necessary in the reasonable judgment of Bond Counsel and the District.

(d) By submitting a bid, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Bonds to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the hold-the-offering-price rule applies to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth (5th) business day after the sale date; or
- (ii) the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the District when the underwriters have sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(e) If the competitive sale requirements are not satisfied, then until the 10% test has been satisfied as to each maturity of the Bonds, the winning bidder agrees to promptly report to the District the prices at which the unsold Bonds of that maturity have been sold to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold. The 10% test shall be considered satisfied with respect to a maturity when at least 10% of the Bonds of that maturity have been sold to the public at a particular price.

(f) The District acknowledges that, in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail or other third-party distribution agreement that was employed in connection with the initial sale of the Bonds to the public,

the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail or other third-party distribution agreement and the related pricing wires. The District further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail or other third-party distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

(g) By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail or other third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail or other third-party distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (B) to comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail or other third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail or other third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

(h) Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this section of the Notice of Sale:

- (i) “public” means any person other than an underwriter or a related party,
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),
- (iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) “sale date” means the date that the Bonds are awarded by the District to the winning bidder.

LEGAL OPINIONS . . . The Bonds are offered for delivery when, as and if issued, subject to the approval of the Attorney General of the State of Texas. Delivery of and payment for the Bonds is subject to the receipt by the Purchaser of an opinion of Bond Counsel, to the effect that the Bonds are valid and binding obligations of the District and that the interest on the Bonds will be excludable from gross income for federal income tax purposes under existing law, subject to the matters described under “TAX MATTERS” in the Official Statement.

CERTIFICATION OF OFFICIAL STATEMENT . . . At the time of payment for and initial delivery of the Bonds, the District will execute and deliver to the Purchaser a certificate in the described Official Statement (see “OTHER INFORMATION - Certification of the Official Statement” in the Preliminary Official Statement).

CHANGE IN TAX EXEMPT STATUS . . . At any time before the Bonds are tendered for delivery, the Purchaser may withdraw its bid if the interest received by private holders on obligations of the same type and character as the Bonds shall be declared to be includable in gross income under present federal income tax laws, either by ruling of the Internal Revenue Service or by a decision of any Federal court, or shall be declared taxable or be required to be taken into account in computing any federal income taxes, by the terms of any federal income tax law enacted subsequent to the date of this Notice of Sale.

GENERAL

FINANCIAL ADVISOR . . . Specialized Public Finance Inc. is employed as Financial Advisor to the District in connection with the issuance of the Bonds. The Financial Advisor's fee for services rendered with respect to the sale of the Bonds is contingent upon the issuance and delivery of the Bonds. Specialized Public Finance Inc., in its capacity as Financial Advisor, does not assume any responsibility for the information, covenants and representations contained in any of the legal documents with respect to the federal income tax status of the Bonds, or the possible impact of any present, pending or future actions taken by any legislative or judicial bodies.

BLUE SKY LAWS . . . By submission of its bid, the Purchaser represents that the sale of the Bonds in states other than Texas will be made only pursuant to exemptions from registration or, where necessary, the Purchaser will register the Bonds in accordance with the securities law of the states in which the Bonds are offered or sold. The District agrees to cooperate with the Purchaser, at the Purchaser's written request and sole expense, in registering the Bonds or obtaining an exemption from registration in any state where such action is necessary, provided, however, that the District shall not be obligated to qualify as a foreign corporation or to execute a general or special consent to service of process in any such jurisdiction.

NOT AN OFFER TO SELL . . . This Notice of Sale does not alone constitute an offer to sell the Bonds, but is merely notice of the sale of the Bonds. The offer to sell the Bonds is being made by means of this Notice of Sale and Bidding Instructions, the Official Bid Form and the Official Statement. Prospective purchasers are urged to carefully examine the Official Statement to determine the investment quality of the Bonds.

ANTICIPATED ISSUANCE OF UNLIMITED TAX DEBT . . . The District will consider the issuance of additional debt, as authorized by the voters, on an annual basis as the District receives its Assessed Value each July.

RATINGS . . . The Bonds are rated "AAA" by Standard and Poor's Ratings Services, a Standard & Poor's Financial Services LLC business ("S&P") by virtue of the guarantee of the Permanent School Fund of the State of Texas. The underlying rating of the District is "AA-" by S&P without regard to credit enhancement.

THE PRELIMINARY OFFICIAL STATEMENT AND COMPLIANCE WITH SEC RULE 15c2-12 . . . The District will approve and authorize the accompanying Preliminary Official Statement and, for the limited purpose of complying with SEC Rule 15c2-12 (the "Rule"), deems such Preliminary Official Statement to be final as of its date within the meaning of such Rule for the purpose of review prior to bidding. To the best knowledge and belief of the District, the Preliminary Official Statement contains information, including financial information or operating data, concerning every entity, enterprise, fund, account, or person that is material to an evaluation of the offering of the Bonds. Representations made and to be made by the District concerning the absence of material misstatements and omissions in the Preliminary Official Statement are addressed elsewhere in this Notice of Sale and in the Preliminary Official Statement.

The District will furnish to the Purchaser, in accordance with instructions received from the Purchaser, within seven (7) business days from the sale date, copies of the final Official Statement in such quantity and in the formats as the Purchaser shall request in order for the Purchaser to comply with Section (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board; provided, however, that the cost of any Official Statements in excess of 50 shall be prepared and distributed at the cost of the Purchaser. The cost of any Official Statement in excess of the number specified shall be prepared and distributed at the cost of the Purchaser(s). The Purchaser(s) shall be responsible for providing in writing the initial reoffering prices and other terms, if any, to the Financial Advisor by the close of the next business day after the award. Except as noted above, the District assumes no responsibility or obligation for the distribution or delivery of any copies of the Preliminary Official Statement or the Official Statement in connection with the offering or reoffering of the subject securities.

The District will agree in the Order to provide certain periodic information and notices of certain events in accordance with the Rule, as described in the Official Statement under "CONTINUING DISCLOSURE OF INFORMATION". The Purchasers' obligation to accept and pay for the Bonds is conditioned upon delivery to the Purchaser of a certified copy of the Order containing the agreement described under such heading.

COMPLIANCE WITH PRIOR UNDERTAKINGS . . . During the last five (5) years, the District has complied in all material respects with all continuing disclosure agreements made by it in accordance with the Rule.

The Purchaser hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, to the extent this bid for the Bonds is a contract for goods or services, will not boycott Israel through the date of initial delivery of the Bonds. The foregoing verification is made solely to comply with Section 2271.002, Texas Government Code, and to the extent such Section does not contravene applicable federal law. As used in the foregoing verification, "boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. The Purchaser understands "affiliate" to mean any entity that controls, is controlled by, or is under common control with the bidder, within the meaning of SEC Rule 405, 17. C.F.R. § 230.405, and exists to make a profit.

To the extent this bid constitutes a contract for goods or services for which a written verification is required under Section 2274.002 (as added by Senate Bill 13 in the 87th Legislature, Regular Session), Texas Government Code, as amended, the Purchaser hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies through the date of initial delivery of the Bonds. The foregoing verification is made solely to enable the District to comply with such Section and to the extent such Section does not contravene applicable Texas or federal law. As used in the foregoing verification, "boycott energy companies" shall mean, without all ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company (A) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (B) does business with a company described by (A) above. The Purchaser understands "affiliate" to mean any entity that controls, is controlled by, or is under common control with the bidder, within the meaning of SEC Rule 405, 17. C.F.R. § 230.405, and exists to make a profit.

The foregoing verification is made solely to enable the District to comply with such Section and to the extent such Section does not contravene applicable Texas or federal law. As used in the foregoing verification, 'discriminate against a firearm entity or firearm trade association' (A) means, with respect to the firearm entity or firearm trade association, to (i) refuse to engage in the trade of any goods or services with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, (ii) refrain from continuing an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, or (iii) terminate an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association and (B) does not include (i) the established policies of a merchant, retail seller, or platform that restrict or prohibit the listing or selling of ammunition, firearms, or firearm accessories and (ii) a company's refusal to engage in the trade of any goods or services, decision to refrain from continuing an existing business relationship, or decision to terminate an existing business relationship (aa) to comply with federal, state, or local law, policy, or regulations or a directive by a regulatory agency or (bb) for any traditional business reason that is specific to the customer or potential customer and not based solely on an entity's or association's status as a firearm entity or firearm trade association. As used in the foregoing verification, 'firearm entity' means a manufacturer, distributor, wholesaler, supplier, or retailer of firearms (i.e., weapons that expel projectiles by the action of explosive or expanding gases), firearm accessories (i.e., devices specifically designed or adapted to enable an individual to wear, carry, store, or mount a firearm on the individual or on a conveyance and items used in conjunction with or mounted on a firearm that are not essential to the basic function of the firearm, including detachable firearm magazines), or ammunition (i.e., a loaded cartridge case, primer, bullet, or propellant powder with or without a projectile) or a sport shooting range (as defined by Section 250.001, Texas Local Government Code), and 'firearm trade association' means a person, corporation, unincorporated association, federation, business league, or business organization that (i) is not organized or operated for profit (and none of the net earnings of which inures to the benefit of any private shareholder or individual), (ii) has two or more firearm entities as members, and (iii) is exempt from federal income taxation under Section 501(a), Internal Revenue Code of 1986, as an organization described by Section 501(c) of that code. The Purchaser understands "affiliate"

to mean any entity that controls, is controlled by, or is under common control with the bidder, within the meaning of SEC Rule 405, 17. C.F.R. § 230.405, and exists to make a profit.

At the request of the District, the Purchaser agrees to execute such further written documentation as may be necessary or required for the District to establish compliance with Section 2274 of the Texas Government Code, which may include the provision of a comfort letter or legal opinion as to the accuracy of such certifications executed by a high-level employee of the winning bidder, such as its general counsel or chief compliance officer.

The Purchaser represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under section 2252.153 or Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer's internet website: <https://comptroller.texas.gov/purchasing/docs/sudanlist.pdf>, <https://comptroller.texas.gov/purchasing/docs/iran-list.pdf>, or <https://comptroller.texas.gov/purchasing/docs/ftolist.pdf>.

The foregoing representation is made solely to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable Federal law and excludes the Purchaser and the Purchaser's parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization. The Purchaser understands "affiliate" to mean any entity that controls, is controlled by, or is under common control with the bidder, within the meaning of SEC Rule 405, 17. C.F.R. § 230.405, and exists to make a profit.

The undersigned agrees to complete, execute, and deliver to the District, at least six business days prior to delivery of the Bonds, a certificate relating to the "issue price" of the Bonds in the form and to the effect accompanying the Notice of Sale and Bidding Instructions, with such changes thereto as may be acceptable to or required by the District.

BRYAN INDEPENDENT SCHOOL DISTRICT
UNLIMITED TAX SCHOOL BUILDING BONDS, SERIES 2026

ISSUE PRICE CERTIFICATE

The undersigned, on behalf of [NAME OF UNDERWRITER] (the “Purchaser”), hereby certifies as set forth below with respect to the sale of the above-captioned obligations (the “Bonds”) of Bryan Independent School District (the “Issuer”).

1. Reasonably Expected Initial Offering Price.

(a) As of the Sale Date, the reasonably expected initial offering prices of the Bonds to the Public by the Purchaser are the prices listed in Schedule A (the “Expected Offering Prices”). The Expected Offering Prices are the prices for the Maturities of the Bonds used by the Purchaser in formulating its bid to purchase the Bonds. Attached as Schedule B is a true and correct copy of the bid provided by the Purchaser to purchase the Bonds.

(b) The Purchaser was not given the opportunity to review other bids prior to submitting its bid.

(c) The bid submitted by the Purchaser constituted a firm offer to purchase the Bonds.

2. Bond Insurance.

The Purchaser (has)(has not) purchased bond insurance for the Bonds. The bond insurance, if any, has been purchased from _____ (the “Insurer”) for a premium cost of \$ _____ (net of any nonguarantee cost, e.g., rating agency fees). The amount of such cost is set forth in the Insurer's commitment and is separately stated from all other fees or charges payable to the Insurer. The premium does not exceed a reasonable charge for the transfer of credit risk taking into account payments charged by guarantors in comparable transactions (including transactions in which a guarantor has no involvement other than as a guarantor). The present value of the debt service savings expected to be realized as a result of such insurance, discounted at a rate equal to the yield on the Bonds which results after recovery of the insurance premium, exceeds the present value of the bond insurance premium.

3. Defined Terms.

(a) *Maturity* means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.

(b) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(c) *Sale Date* means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is _____, 2026.

(d) *Underwriter* means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents the Purchaser's interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Certificate as to Tax Exemption with respect to the Bonds and with respect to compliance with the federal income tax rules affecting the Bonds, and by Norton Rose Fulbright US LLP in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Bonds.
