Any such increase or reduction with respect to the Offered Bonds of a series will be made in integral multiples of \$5,000 in each of the maturities of such series (to the extent possible) and will be approximately proportional to the ratio that each such maturity bears to the total principal amount of the Offered Bonds of such series prior to any such increase or decrease. Award of the Offered Bonds

Subject to the Authority's right to amend the terms of this Notice of Sale, to reject any or all bids for any reason, and to waive any irregularity, (i) the Offered Tax-Exempt Bonds will be awarded to the bidder whose bid produces the lowest true interest cost (the "Offered Tax-Exempt Bonds True Interest Cost") for the Offered Tax-Exempt Bonds and (ii) the Offered Taxable Bonds will be awarded to the bidder whose bid produces the lowest true interest costs (the "Offered Taxable Bonds True Interest Cost"; the Offered Tax-Exempt Bonds True Interest Cost and the Offered Taxable Bonds True Interest Cost each, the "True Interest Cost") for the Offered Taxable Bonds. The winning bid(s) will be designated as soon as possible but not later than 4:00 p.m., NEW YORK, NEW YORK TIME, on the applicable Bid Date. Each True Interest Cost (expressed as an annual interest rate with semi-annual compounding) will be determined as the interest rate which, when discounting each semi-annual debt service payment (interest, or principal and interest, as due, including any mandatory sinking fund installment payment) therefor, will cause the sum of such discounted semi-annual payments to be equal to the purchase price thereof less the underwriting fee. Each True Interest Cost shall be calculated from the Settlement Date. In the event of a tie relating to the same series of the Offered Bonds, the Authority may select the successful bidder in such manner as the Authority shall deem appropriate.

In the event that all of the bids for the Offered Tax-Exempt Bonds or the Offered Taxable Bonds are rejected, the Authority reserves the right to award the Offered Tax-Exempt Bonds or the Offered Taxable Bonds, as applicable, to a purchaser or purchasers on a negotiated basis, which purchaser or purchasers may or may not have submitted a bid in response to this Notice of Sale.

The award to the apparent successful bidder for the Offered Tax-Exempt Bonds and the award to the apparent successful bidder for the Offered Taxable Bonds is, in each case, contingent upon receipt of the applicable Deposit, and the related series of the Offered Bonds will not be awarded to such apparent successful bidder until the Authority has confirmation of receipt of the related Deposit. The Deposit of the successful bidder for the Offered Tax-Exempt Bonds will be credited against the purchase price for the

Offered Tax-Exempt Bonds payable by the successful bidder for the Offered Tax-Exempt Bonds and held as security for the performance of its bid. The Deposit of the successful bidder for the Offered Taxable Bonds will be credited against the purchase price for the Offered Taxable Bonds payable by the successful bidder for the Offered Taxable Bonds and held as security for the performance of its bid. Each Deposit will be invested by the Authority for its own account and no interest or other earnings thereon will be paid to the related successful bidder or credited against the applicable purchase price for the related series of the Offered Bonds. In the event a successful bidder shall fail to comply with the terms of its bid, the proceeds of its Deposit for the related series of bonds and any investment income thereon will be retained by the Authority as and for full liquidated damages.

Undertakings of the Successful Bidder of the Offered Tax-Exempt Bonds

Simultaneously with or before delivery of the Offered Tax-Exempt Bonds, the successful bidder with respect to such Offered Tax-Exempt Bonds shall execute a certificate (the “Offering Price Certificate”) with respect to the Offered Tax-Exempt Bonds in the form attached to this Notice of Sale as Appendix C, with only such changes that have been accepted by the Authority and Bond Counsel. The Initial Offering Price (as defined in the attached form of Offering Price Certificate) of each Offered Tax-Exempt Bond serial maturity and term bond maturity (as set forth in the successful bidder’s bid) to be specified by the successful bidder in its Offering Price Certificate shall be 100% of the principal amount of such maturity.

The successful bidder for the Offered Tax-Exempt Bonds shall also be obligated to furnish to the Authority, when and if requested, prior to the delivery of the Offered Tax-Exempt Bonds, such further information requested by the Authority or Bond Counsel as shall be necessary to enable the Authority to determine the “issue price” of the Offered Tax-Exempt Bonds as defined in 26 CFR § 1.148-1(f) (the “Issue Price Regulations”).

In submitting a bid for the Offered Tax-Exempt Bonds, each bidder is certifying that its bid is a bona fide good faith bid, and is not a “courtesy bid” being submitted for the purpose of assisting in meeting the requirements of the definition of “competitive sale” in the Issue Price Regulations, including the requirement that bids be received from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (“Experienced Underwriters”).

In the event the Authority receives less than three bids for the Offered Tax-Exempt Bonds from Experienced Underwriters the successful bidder shall have the right to withdraw its bid and to be relieved of any obligations with regard to the Offered Tax-Exempt Bonds. This right does not limit the Authority’s right to reject any or all bids for any reason.

which time the Offered Tax-Exempt Bonds will be held exclusively for its own account and not subject to contractual arrangement for such transfer, or (b) such transfer, deposit or disposition, including into a fund or trust, will result in obligations with characteristics substantially and materially different from those of the Offered Tax-Exempt Bonds, unless Bond Counsel provides a written opinion that the failure to provide such period will not adversely affect the exclusion from gross income of interest on the Offered Tax-Exempt Bonds.

Undertakings of any Successful Bidder

The successful bidder for each series of the Offered Bonds agrees not to publish any “tombstone” or other advertisement for the Offered Tax-Exempt Bonds or Offered Taxable Bonds, as applicable, without the prior approval of the Authority.

If a successful bidder purchases insurance on all or any portion of the Offered Tax-Exempt Bonds or Offered Taxable Bonds, as applicable, the successful bidder shall disclose such purchase and the amount of the premium paid for such insurance to the Authority prior to the Settlement Date. The Authority will not amend its usual and customary certificates and legal opinions, the Offered Bonds or the Official Statement to reflect the purchase of insurance on any of the Offered Bonds by a successful bidder.

A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement. The obligations of the successful bidder for the Offered Tax-Exempt Bonds and the successful bidder for the Offered Taxable Bonds to purchase the Offered Tax-Exempt Bonds and the Offered Taxable Bonds, respectively, shall be conditioned upon their receiving, on or prior to the Settlement Date, evidence that the Offered Bonds to be purchased are subject to the Agreement. The Authority will assume no obligation for the assignment or printing of such numbers on the Offered Bonds or for the correctness of such numbers, and neither the failure to print such numbers on any Offered Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder for the related series of the Offered Bonds to accept delivery of and make payment for the related series of the Offered Bonds.
