Description of the Bonds

The Bonds, authorized at an election held for that purpose, are being issued in accordance with the provisions contained in Article X, Section 27 of the Oklahoma Constitution, and the statutes of the State supplementary thereto, and shall constitute direct and general obligations of the City payable from ad valorem taxes levied against all taxable property located therein, excepting homestead and veteran exemptions, without limitation as to rate or amount.

The Bonds will be issued only as full book-entry-only bonds in denominations of \$5,000 or any integral multiples thereof. The Bonds will be dated August 1, 2024, and shall bear interest from that date. Interest on the Bonds shall be payable semiannually on March 1 and September 1 of each year commencing March 1, 2026. Principal and interest on the Bonds will be payable by the City's Paying Agent-Registrar bank to the Depository Trust Company, New York, New York ("DTC"), securities depository for the Bonds. See "Book-Entry-Only System" section below.

Maturity Schedule	
<u>Due March 1,</u>	<u>Principal Amount</u>
2027	\$1,805,000
2028	\$1,805,000
2029	\$1,805,000
2030	\$1,805,000

The Bonds are not subject to redemption prior to maturity. The Bonds will not be designated as bank qualified obligations.

Book-Entry-Only System

DTC will act as securities depository for the Bonds. The Bonds will be issued as fully registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully registered Bond certificate will be issued for each maturity of the Bonds in the principal amount of such maturity, and will be deposited with DTC at the office of the Trustee on behalf of the DTC utilizing the DTC FAST system of registration.

DTC may discontinue providing services as securities depository with respect to the Bonds at any time by giving reasonable notice to the City. Under such circumstances, in the event that a successor securities depository is not obtained, Bonds are required to be printed and delivered. The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bonds will be printed and delivered.

Types of Bids and Interest Rates

The Bonds shall be sold in one block, all or none, and no bid of less than par and accrued interest shall be considered. **The premium bid, if any, shall not exceed three percent (3%) of the par value of the Bonds (\$216,600.00).** Bidders shall specify the rates of interest the Bonds shall bear in multiples of one-eighth (1/8th) or one-twentieth (1/20th) of one percent (1%) per annum. Bidders must specify a rate or rates of interest the Bonds shall bear, **but will be limited to a four percent (4%) variation between high and low interest rates.** No interest rate in excess of ten percent (10%) shall be considered. Bidders are not restricted as to the number of rates that may be named, provided that only one rate shall be specified for all Bonds of the same maturity.

Basis for Award

For the purpose of awarding the Bonds, the interest cost of each bid shall be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the Bonds from August 1, 2024, to their respective maturities, and deducting therefrom the premium bid, if any. The Bonds shall be awarded to the bidder whose bid, on the basis of the above computation, produces the lowest net interest cost to the City.

Official Bid Form and Good Faith Deposits

Each bid must be submitted electronically through the approved *Parity*® bidding system as described elsewhere herein or on the “Official Bid Form” attached hereto, without deviation, furnished by the City and which shall be enclosed in a sealed envelope. If the winning bid is submitted electronically via *Parity*®, the winning bidder will be required to fully execute an Official Bid Form prior to delivery of the Bonds.

A Good Faith Deposit (“Deposit”) in the form of a certified or cashier’s check, cash via wire transfer or a Financial Surety Bond in the amount of **\$144,400.00**, which is two percent (2%) of the par value of the Bonds, payable to the City of Moore, Oklahoma, is required for each bid to be considered. Bidders wishing to wait until after the bid deadline to submit their Deposit are allowed to do so, as long as the Deposit is received by the City prior to the time of the award by the City Council.

If a certified or cashier’s check is used, no interest will be allowed on such check. All checks submitted by unsuccessful bidders will be promptly returned upon award of the Bonds.

Wire instructions for the City are available upon request to the Financial Advisor. If a wire transfer is used, the City intends to wire back the Deposits of the losing bidders as soon as possible after the bid deadline. No interest will be paid by the City on the Deposit.

If a Financial Surety Bond is used, it must be from an insurance company licensed to issue such a bond in the State of Oklahoma and meeting the minimum qualifications for such providers (i.e., “AAA” rated), and such bond must be submitted to the City or its Financial Advisor prior to the opening of the bids. The Financial Surety Bond must identify each bidder whose Deposit is guaranteed by such Financial Surety Bond. Each Financial Surety Bond shall provide that it will not expire for at least 48 hours from the date and time of opening the bids. If the Bonds are awarded to a bidder utilizing a Financial Surety Bond, then that purchaser (“Purchaser”) is required to submit its Deposit to the City in the form of a wire transfer not later than 3:30 P.M. local time on the next business day following the award, in accordance with wiring instructions provided by the Financial Advisor. If such Deposit is not received by that time, the Financial Surety Bond may be drawn by the City to satisfy the Deposit requirement. No interest on the Deposit will accrue to the Purchaser.

In the event that the Financial Surety Bond is drawn upon, the City will return such funds to the Purchaser (1) upon payment of the purchase price by the Purchaser, or (2) if the City is unable to deliver the Bonds in accordance with the terms of this Notice of Sale and Instructions to Bidders, or (3) upon the expiration of the final date by which the City may deliver the Bonds to the Purchaser as described herein. Any funds received by the City as a result of a draw on a Financial Surety Bond may be invested by the City, but no interest will accrue to the successful bidder as a result of such investment.

The Deposit shall be applied to the purchase price of the Bonds or returned to the successful bidder upon payment, whichever is desired by said bidder. In the event the Purchaser fails to honor its accepted

bid, the Deposit will be retained by the City. If the Purchaser should fail to pay for the Bonds in accordance with its bid, the Deposit will be accepted by the City as full and complete liquidated damages.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Purchaser to accept delivery of and pay for the Bonds in accordance with the terms of the Official Bid Form. All expenses in relation to printing CUSIP numbers on the Bonds and the CUSIP Service Bureau charge for the assignment of such numbers shall be paid by the City.

Approving Opinion

Bids for the Bonds may be submitted subject to the opinion of the Attorney General of the State of Oklahoma, and the approving opinion of Phillips Murrah P.C., Oklahoma City, Oklahoma, as Bond Counsel, each of which shall be provided by the City at no cost to the Purchaser.

Non-Litigation Certificate

With delivery of the Bonds, the City shall execute and furnish the Purchaser with a certificate to the effect that no litigation of any nature has been filed or is then pending to restrain or enjoin the issuance or delivery of said Bonds, to affect the provisions made for their payment or security, or in any manner to question the validity of said Bonds.

Delivery

Delivery of the Bonds shall be made at the expense of the Purchaser in New York, New York, through DTC against payment in good funds of the agreed upon purchase price. Delivery of the Bonds to the Purchaser is anticipated on or about August 28, 2024.

Municipal Bond Insurance

In the event the Bonds are qualified for municipal bond insurance and the Purchaser wants to purchase bond insurance, the cost thereof will be paid by the Purchaser. Any fees paid to any rating agencies as a result of said insurance will also be paid by the Purchaser.

The Official Statement

The City has authorized and directed the preparation of the accompanying Preliminary Official Statement and for the limited purpose of complying with Securities and Exchange Commission (“SEC”) Rule 15c2-12, deems such Preliminary Official Statement to be “near final” as of its date, within the meaning of such Rule, for the purpose of review prior to bidding. The Preliminary Official Statement is subject to revision, amendment and completion as the Final Official Statement.

The Purchaser shall be responsible for providing the initial reoffering prices and other terms, if any, to the Financial Advisor by the close of the next business day after the sale.

No more than seven (7) business days after the date of the sale, the City will provide without cost to the Purchaser a reasonable number of copies of the Final Official Statement; provided, however, that minor delays in furnishing such Final Official Statement will not be a basis for the Purchaser's failure to

pay for and accept delivery of the Bonds. Additional copies of the Final Official Statement will be made available at the Purchaser's request and expense.

If the sale of the Bonds is awarded to a syndicate, the City will designate the Senior Managing Underwriter of the syndicate as its agent for purposes of distributing copies of the Final Official Statement to each participating underwriter. Any underwriter executing and delivering a bid form with respect to the Bonds agrees thereby that if its bid is accepted, it shall accept such designation and shall enter into a contractual relationship with all syndicate members for the purpose of assuring the receipt and distribution of the Final Official Statement to each such syndicate member. The City assumes no responsibility or obligation for the distribution or delivery of the Final Official Statement to anyone other than the Purchaser.

Continuing Disclosure

In order to assist bidders in complying with SEC Rule 15c2-12(b)(5), the City will undertake, pursuant to a resolution of the City and a Continuing Disclosure Agreement, to provide annual reports and notices of certain events. Such Continuing Disclosure Agreement will be a document required to be delivered at closing by the City.

Compliance with the Energy Discrimination Elimination Act

The City will not award the Bonds to any bidder unless that bidder verifies on the Official Bid Form that it does not boycott energy companies, and will not boycott energy companies during the term of the contract, to the extent the Official Bid Form represents a contract within the meaning of Oklahoma's Energy Discrimination Elimination Act of 2022, 74 O.S. 2021 § 12001 *et seq.* This verification applies only to a contract that:

1. is between a governmental entity and a company with ten or more full-time employees, and
2. will pay a company One Hundred Thousand Dollars (\$100,000.00) or more over the term of the contract that is to be paid wholly or partly from public funds of the governmental entity; provided, however, the provisions of this paragraph shall apply separately to all companies in a multiple party contract.

Establishment of Issue Price

The winning bidder shall assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City prior to closing an "Issue Price Certificate", or similar certificate, setting forth the reasonably expected initial offering price to the public, if at least three (3) bids are received by the City or, if less than three (3) bids are received, the sales price or prices at which the first ten percent (10%) of each maturity of the Bonds is sold to the public, substantially in the form attached hereto, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the City, the Financial Advisor, and Bond Counsel, if applicable.

The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds to the public (the "competitive sale requirements"):

1. the City shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
2. all bidders shall have an equal opportunity to bid;

3. the City anticipates receiving bids from at least three (3) underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds;
4. the City anticipates awarding the Bonds to the bidder who submits a firm offer to purchase the Bonds at the lowest net interest cost, as set forth in this Notice of Sale of Bonds.

The City shall take all reasonable steps that are appropriate so that the initial sale of the Bonds to the public will satisfy the competitive sale requirements.

In the event that the initial sale of the Bonds to the public does not satisfy the competitive sale requirements, bids will not be subject to cancellation and the City will treat the first price at which 10% of a maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity.

If the 10% test has not been satisfied as to any maturity of the Bonds, the winning bidder agrees that, for each maturity of the Bonds that has not satisfied the 10% test (the “Undersold Maturities”), it will neither offer nor sell any of the Undersold Maturities of such maturity to any person at a price that is higher than the Initial Offering Price for such maturity during the Offering Period for such maturity, nor will it permit a related party to do so. With respect to the Undersold Maturities, the Offering Period is defined as the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the sale date, or (ii) the date on which the winning bidder has sold 10% of such Undersold Maturity (or Maturities, if applicable) to the public at a price that is no higher than the Initial Offering Price for such Undersold Maturity (or Maturities, if applicable).

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to neither offer nor sell any of the Undersold Maturities of such maturity to any person at a price that is higher than the Initial Offering Price for such maturity during the Offering Period for such maturity, nor will it permit a related party to do so, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to neither offer nor sell any of the Undersold Maturities of such maturity to any person at a price that is higher than the Initial Offering Price for such maturity during the Offering Period for such maturity, nor will it permit a related party to do so.

Sales of said Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

1. “public” means any person other than an underwriter or a related party;
2. “underwriter” means (i) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public); and

3. a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to more than 50% common ownership.

In the event the winning bidder will not reoffer the Bonds for sale to the public, the Issue Price Certificate may be modified in a manner approved by the City.

All action to be taken by the City under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the City by BOK Financial Securities, Inc., acting as the City’s Financial Advisor, and any notice or report to be provided to the City may be provided to BOK Financial Securities, Inc.

NOTE: In the event that the initial sale of the Bonds to the public does not satisfy the competitive sale requirements as defined above, and the winning bidder informs the Financial Advisor that there exist certain Undersold Maturities, the basis for determining the issue price of the Bonds may be different from the method described herein and may be determined on the sale date upon approval of the Financial Advisor.

Miscellaneous

The Bonds will be sold in accordance with the provisions of Title 62, Sections 353 and 354, Oklahoma Statutes 2021, as amended, and Article X, Section 27, Oklahoma Constitution.

Unless all bids are rejected, award for the Bonds will be made to the bidder complying with the terms of the sale and offering to purchase the Bonds at the lowest net interest cost as defined in “Basis for Award” herein. The right is reserved to reject any and all bids and to waive all informalities and irregularities.
