

Official Statement Dated March 4, 2025

NEW MONEY ISSUE - BOOK-ENTRY-ONLY

MOODY'S RATING: Aaa
(See "Rating" herein)

In the opinion of Bond Counsel, rendered in reliance upon and assuming the accuracy of and continuing compliance by the Town with certain representations and covenants relating to the applicable requirements of the Internal Revenue Code of 1986 (the "Code"), under existing law, interest on the Bonds is excluded from gross income for federal income tax purposes and is not treated as an item of tax preference for purposes of calculating the federal alternative minimum tax imposed on individuals under the Code; however, such interest is taken into account in determining the annual adjusted financial statement income of certain corporations for the purpose of computing the alternative minimum tax imposed on corporations. In the opinion of Bond Counsel, under existing statutes, interest on the Bonds is excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates and is excluded from amounts on which the net Connecticut minimum tax is based in the case of individuals, trusts and estates required to pay the federal alternative minimum tax. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the accrual or receipt of interest on, the Bonds. (See "Tax Matters" herein.)

TOWN OF NEW CANAAN, CONNECTICUT \$34,995,000 General Obligation Bonds, Issue of 2025

Dated: Date of Delivery

Due: March 15, 2026-2045 as shown below

The \$34,995,000 General Obligation Bonds, Issue of 2025 (the "Bonds") will be general obligations of the Town of New Canaan, Connecticut (the "Town"), and the Town will pledge its full faith and credit to pay the principal of and interest on the Bonds when due. (See "Security and Remedies" herein.)

The Bonds will bear interest payable on September 15, 2025 and semiannually thereafter on March 15 and September 15 each year until maturity. The Bonds are issuable only as fully registered bonds, without coupons, and when issued, will be registered in the name of Cede & Co., as Bondowner and nominee for The Depository Trust Company ("DTC"), New York, New York. DTC will act as securities depository for the Bonds. Purchases of the Bonds will be made in book-entry-only form, in the denomination of \$5,000 or any integral multiple thereof. Purchasers will not receive certificates representing their ownership interest in the Bonds. So long as Cede & Co. is the Bondowner, as nominee of DTC, reference herein to the Bondowner or owners shall mean Cede & Co. as aforesaid, and shall not mean the beneficial owners (as described herein) of the Bonds. (See "Book-Entry-Transfer System" herein.)

The Registrar, Certifying Agent, Transfer Agent and Paying Agent for the Bonds will be U.S. Bank Trust Company, National Association, in Hartford, Connecticut.

The Bonds are subject to redemption prior to maturity as described herein. (See "Optional Redemption" herein.)

I. SECURITIES OFFERED

INTRODUCTION

This Official Statement, including the cover page and appendices, has been prepared by the Town of New Canaan, Connecticut (the "Town") in connection with the issuance and sale of \$34,995,000 General Obligation Bonds, Issue of 2025 (the "Bonds") of the Town.

All quotations from and summaries and explanations of provisions of statutes, charters, or other laws and acts and proceedings of the Town contained herein do not purport to be complete and are qualified in their entirety by reference to the original official documents; and all references to the Bonds and the proceedings of the Town relating thereto are qualified in their entirety by reference to the definitive form of the Bonds and such proceedings.

The presentation of information is intended to show recent historical trends and is not intended to indicate future or continuing trends in the financial or other positions of the Town. Except for information expressly attributed to other sources, all financial and other information presented herein has been provided by the Town.

DESCRIPTION OF THE BONDS

The Bonds will be dated the date of delivery, and will mature in annual installments on March 15 in each of the years and in the principal amounts as set forth on the cover page of this Official Statement. Interest on the Bonds will be calculated on the basis of a 360-day year of twelve 30-day months and will be payable on September 15, 2025 and semiannually thereafter on March 15 and September 15 in each year until maturity. Interest on the Bonds will be payable to the registered owners of the Bonds as of the close of business on the last business day of February and August in each year.

The Bonds will be issued as fully registered bonds in denominations of \$5,000 or integral multiples thereof. A book-entry system will be employed evidencing ownership of the Bonds with transfers of ownership effected on the records of The Depository Trust Company, New York, New York ("DTC"), and its participants pursuant to rules and procedures established by DTC and its participants. (See "Book-Entry-Transfer System" herein.) The Registrar, Certifying Agent, Transfer Agent and Paying Agent will be U.S. Bank Trust Company, National Association, of Hartford, Connecticut. The legal opinion on the Bonds will be rendered by Pullman & Comley, LLC, of Hartford, Connecticut, in substantially the form set forth in Appendix B to this Official Statement. The Bonds are subject to redemption prior to maturity. (See "Optional Redemption" herein.)

RATING

The Bonds have been rated "Aaa" by Moody's Ratings ("Moody's"). The rating on the Town's outstanding bonds has recently been affirmed as "Aaa" by Moody's. Such rating reflects only the views of such organization and any explanation of the significance of such rating should be obtained from the rating agency furnishing the same, at the following address: Moody's Investors Service, Inc., 7 World Trade Center, 250 Greenwich Street, New York, New York 10007. Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. There is no assurance that such rating will continue for any given period of time or that the rating will not be revised or withdrawn entirely by the agency if, in the judgment of such rating agency, circumstances so warrant. A revision or withdrawal of such rating may have an effect on the market price of the Town's bonds.

OPTIONAL REDEMPTION

The Bonds maturing on or before March 15, 2031 are not subject to redemption prior to maturity. The Bonds maturing on March 15, 2032 and thereafter are subject to redemption prior to maturity, at the option of the Town, on and after March 15, 2031, at any time, in whole or in part, and by lot within a maturity, in such amounts and in such order of maturity as the Town may determine at the redemption price or prices (expressed as a percentage of principal amount of Bonds to be redeemed) set forth in the following table, together with interest accrued and unpaid to the redemption date:

<u>Redemption Date</u>	<u>Redemption Price</u>
March 15, 2031 and thereafter	100%

NOTICE OF REDEMPTION

Notice of redemption shall be mailed not less than thirty (30) nor more than sixty (60) days prior to the redemption date to the registered owner of such Bonds at the address of such registered owner as it appears on the registration books for the Bonds

kept for such purpose. Failure to give such notice by mailing to any registered owner, or any defect therein, shall not affect the validity of the redemption of any other Bonds. Upon the giving of such notice, if sufficient funds available solely for redemption are on deposit with the Paying Agent, the Bonds or portions thereof so called for redemption will cease to bear interest after the specified redemption date. So long as a book-entry system is used for the Bonds, the Town will send any notice of redemption only to DTC (or a successor securities depository) or its nominee.

If less than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected by lot in such manner as the Town in its discretion may determine; provided, however, that the portion of any Bonds to be redeemed shall be in the principal amount of \$5,000 or a multiple thereof and that, in selecting Bonds for redemption, each Bond shall be considered as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000.

The Town, so long as a book-entry system is used for the Bonds, will send any notice of redemption only to DTC (or successor securities depository) or its nominee. Any failure of DTC to advise any DTC Participant, or of any DTC Participant or Indirect Participant to notify any Indirect Participant or Beneficial Owner, of any such notice and its content or effect will not affect the validity of the redemption of such Bonds called for redemption. Redemption of a portion of the Bonds of any maturity by the Town will reduce the outstanding principal amounts of Bonds of such maturity held by DTC. In such event it is the current practice of DTC to allocate by lot, through its book-entry system, among the interest held by DTC Participants in the Bonds to be redeemed, the interest to be reduced by such redemption in accordance with its own rules or other agreements with DTC Participants. The DTC Participants and Indirect Participants may allocate reductions of the interests in the Bonds to be redeemed held by the Beneficial Owners. Any such allocations of interests in the Bonds to be redeemed will not be governed by the determination of the Town authorizing the issuance of the Bonds and will not be conducted by the Town, the Registrar or Paying Agent.

AUTHORIZATION AND PURPOSE

Authorization. The Bonds are being issued pursuant to various resolutions adopted by the Town Council.

Purpose. The Bonds and being issued to finance various capital improvements projects authorized by the Town Council as described herein.

AVAILABILITY OF CONTINUING DISCLOSURE INFORMATION

In accordance with the requirements of Rule 15c2-12(b)(5) promulgated by the Securities and Exchange Commission, the Town will agree to provide, or cause to be provided (i) annual financial information and operating data, (ii) timely notice of the occurrence of certain events with respect to the Bonds within ten (10) business days of the occurrence of such events; and (iii) timely notice of a failure by the Town to provide the required annual financial information with respect to the Bonds on or before the date specified in the Continuing Disclosure Agreement for the Bonds in substantially the form attached as Appendix C to this Official Statement. The winning bidder's obligation to purchase the Bonds shall be conditioned upon its receiving, at or prior to the delivery of the Bonds, an executed copy of the Continuing Disclosure Agreement for the Bonds.

The Town has previously undertaken in continuing disclosure agreements entered into for the benefit of holders of certain of its general obligation bonds to provide certain annual financial information and event notices pursuant to Rule 15c2-12(b)(5). Within the last five years, the Town has not failed to comply in any material respect with its undertakings under such agreements. In August 2014 the Town adopted continuing disclosure procedures to ensure compliance with the requirements of Rule 15c2-12(b)(5) and has subsequently contracted with its municipal advisor to undertake future filings on its behalf.

TAX MATTERS

Federal Taxes. In the opinion of Bond Counsel, under existing law, (i) interest on the Bonds is excluded from gross income for federal income tax purposes, and (ii) such interest is not an item of tax preference for purposes of the federal alternative minimum tax; however, such interest is taken into account in determining the annual adjusted financial statement income of certain corporations for the purpose of computing the alternative minimum tax imposed on corporations.

Bond Counsel's opinion with respect to the Bonds will be rendered in reliance upon and assuming the accuracy of and continuing compliance by the Town with its representations and covenants relating to certain requirements of the Internal Revenue Code of 1986 (the "Code"). The Code and regulations promulgated thereunder establish certain requirements which must be satisfied at and subsequent to the issuance of the Bonds in order that interest on the Bonds be and remain excludable from gross income for federal income tax purposes. Failure to comply with such requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Bonds irrespective of the date on which such noncompliance occurs. In the Tax Regulatory Agreement, which will be delivered concurrently with the issuance of the Bonds, the Town will covenant to comply with certain provisions of the Code and will make certain representations designed to assure compliance with such requirements of the Code including, but not limited to, investment restrictions, periodic payments of arbitrage profits to the United States, requirements regarding the proper use of the Bond proceeds and certain other matters. The opinion of Bond Counsel delivered on the date of issuance of the Bonds is conditioned upon compliance by the Town with such requirements.

No other opinion is expressed by Bond Counsel regarding the federal tax consequences of the ownership of, or the receipt or accrual of interest on, the Bonds.

Original Issue Discount. The initial public offering prices of certain maturities of the Bonds may be less than the stated principal amount (the "OID Bonds"). Under existing law, the difference between the stated principal amount and the initial offering price of each maturity of the OID Bonds will constitute original issue discount. The offering prices relating to the yields set forth on the cover page of this Official Statement for such OID Bonds are expected to be the initial offering prices to the public (excluding bond houses and brokers) at which a substantial amount of the OID Bonds are sold. Under existing law, original issue discount on the OID Bonds accrued and properly allocable to the owners thereof under the Code is excludable from gross income for federal income tax purposes if interest on the OID Bonds is excludable from gross income for federal income tax purposes.

Under the Code, for purposes of determining an owner's adjusted basis in an OID Bond purchased at an original issue discount, original issue discount is treated as having accrued while the owner holds such OID Bond and will be added to the owner's basis. The owner's adjusted basis will be used to determine taxable gain or loss upon the sale or other disposition (including redemption or payment at maturity) of such an OID Bond.

Prospective purchasers of OID Bonds should consult their own tax advisors as to the calculation of accrued original issue discount, the accrual of original issue discount in the case of owners of OID Bonds purchasing such OID Bonds after the initial offering and sale, and the state and local tax consequences of owning or disposing of such OID Bonds.

Original Issue Premium. The initial public offering prices of certain maturities of the Bonds may be more than their stated principal amounts payable at maturity (the "OIP Bonds"). In general, an owner who purchases an OIP Bond must amortize the original issue premium as provided in the applicable Treasury Regulations, and amortized premium reduces the owner's basis in the OIP Bond for federal income tax purposes. Prospective purchasers of OIP Bonds at a premium to its principal amount should consult their tax advisors regarding the amortization of premium and its effect upon basis.

Other Federal Tax Matters. Prospective purchasers of the Bonds should be aware that ownership of the Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, financial institutions, certain insurance companies, recipients of Social Security or Railroad Retirement benefits, certain S corporations, foreign corporations subject to the branch profits tax, taxpayers eligible for the earned income credit, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations. Bond Counsel does not express any opinion regarding such collateral tax consequences. Prospective purchasers of the Bonds should consult their tax advisors regarding

collateral federal income tax consequences. Prospective purchasers of the Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

State Taxes. In the opinion of Bond Counsel, under existing statutes, interest on the Bonds is excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates and is excluded from amounts on which the net Connecticut minimum tax is based for individuals, trusts and estates required to pay the federal alternative minimum tax.

Interest on the Bonds is included in gross income for purposes of the Connecticut corporation business tax.

Accrued original issue discount on an OID Bond is also excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates and is excluded from amounts on which the net Connecticut minimum tax is based for individuals, trusts and estates required to pay the federal alternative minimum tax.

Owners of the Bonds should consult their own tax advisors with respect to the determination for state and local income tax purposes of original issue discount or original issue premium accrued upon sale or redemption thereof, and with respect to the state and local tax consequences of owning or disposing of such Bonds.

Changes in Federal and State Tax Law. Legislation affecting tax-exempt obligations is regularly considered by the United States Congress. Court proceedings may also be filed, the outcome of which could modify the tax treatment of obligations such as the Bonds. There can be no assurance that legislation enacted or proposed, or actions by a court, after the issuance of the Bonds will not have an adverse effect on the tax status of interest on the Bonds or the market value or marketability of the Bonds. These adverse effects could result, for example, from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), or repeal (or reduction in the benefit) of the exclusion of interest on the Bonds from gross income for federal or state income tax purposes for all or certain taxpayers.

Investors in the Bonds should be aware that future legislative actions may increase, reduce or otherwise change (including retroactively) the financial benefits and the treatment of all or a portion of the interest on the Bonds for federal income tax purposes for all or certain taxpayers. In all such events, the market value of the Bonds may be adversely affected and the ability of holders to sell their Bonds in the secondary market may be reduced. The Bonds are not subject to special mandatory redemption, and the interest rates on the Bonds are not subject to adjustment, in the event of any such change in the tax treatment of interest on the Bonds.

General. The opinion of Bond Counsel is rendered as of its date, and Bond Counsel assumes no obligation to update or supplement its opinion to reflect any facts or circumstances that may come to its attention or any changes in law that may occur after the date of its opinion. Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the Internal Revenue Service or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

The discussion above does not purport to deal with all aspects of federal or state or local taxation that may be relevant to a particular owner of the Bonds. Prospective owners of the Bonds, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the federal, state and local tax consequences of owning and disposing of the Bonds.

SECURITY AND REMEDIES

The Bonds will be general obligations of the Town, and the Town will pledge its full faith and credit to pay the principal of and interest on the Bonds when due. Unless paid from other sources, the Bonds are payable from general property tax revenues. The Town has the power under Connecticut statutes to levy ad valorem taxes on all taxable property in the Town without limit as to rate or amount, except as to certain classified property such as certified forest land taxable at a limited rate and dwelling houses of qualified elderly persons of low income or qualified disabled persons taxable at limited amounts. There was, however, no such classified property on the last completed Grand List of the Town and, under existing statutes, the State of Connecticut (the "State") is obligated to pay the Town the amount of tax revenue which the Town would have received but for the limitation on its power to tax such dwelling houses, subject to State appropriations of such amounts.

Payment of principal and interest on the Bonds is not limited to property tax revenues or any other revenue source, but certain revenues of the Town may be restricted as to use and therefore may not be available to pay debt service on the Bonds. There are no statutory provisions for priorities in the payment of general obligations of the Town. There are no statutory provisions

for a lien on any portion of the tax levy or other revenues to secure the Bonds, or judgments thereon, in priority to other claims.

The Town is subject to suit on its general obligation bonds and a court of competent jurisdiction has the power in appropriate proceedings to render a judgment against the Town. Courts of competent jurisdiction also have the power in appropriate proceedings to order payment of a judgment on such bonds from funds lawfully available therefor or, in the absence thereof, to order the Town to take all lawful action to obtain the same, including the raising of the required amount in the next annual tax levy. In exercising their discretion as to whether to enter such an order, the courts may take into account all relevant factors including the current operating needs of the Town and the availability and adequacy of other remedies.

Enforcement of a claim for payment of principal or interest on such bonds would also be subject to the applicable provisions of federal bankruptcy laws and to provisions of other statutes, if any, hereafter enacted by the U.S. Congress or the Connecticut General Assembly extending the time for payment or imposing other constraints upon enforcement insofar as the same may be constitutionally applied. Under the federal bankruptcy code, the Town may seek relief only, among other requirements, if it is specifically authorized, in its capacity as a municipality or by name, to be a debtor under Chapter 9, Title 11 of the United States Code, or by state law or by a governmental officer or organization empowered by state law to authorize such entity to become a debtor under such Chapter. Connecticut General Statutes Section 7-566 provides that no Connecticut municipality shall file a petition in bankruptcy without the express prior written consent of the Governor. This prohibition applies to any town, city, borough, metropolitan district or any other political subdivision of the State having power to levy taxes or issue bonds or other obligations.

THE TOWN OF NEW CANAAN HAS NEVER DEFAULTED IN THE PAYMENT OF PRINCIPAL OR INTEREST ON ITS BONDS OR NOTES

QUALIFICATIONS FOR FINANCIAL INSTITUTIONS

The Bonds shall NOT be designated as qualified tax-exempt obligations under the provisions of Section 265(b) of the Internal Revenue Code of 1986 for purposes of the deduction by financial institutions for interest expense allocable to the Bonds.

GLOBAL HEALTH EMERGENCY RISK

The COVID-19 Outbreak and Future Pandemics

On January 30, 2020, the outbreak of COVID-19 was declared a Public Health Emergency of International Concern by the World Health Organization. On March 13, 2020, the President of the United States declared a national emergency as a result of the COVID-19 outbreak. On March 10, 2020, Governor Lamont declared a state of emergency throughout the State and took steps to mitigate the spread and impacts of COVID-19. As of May 11, 2023, the federal and State public health emergency declarations have been terminated.

In response to the COVID-19 pandemic, on March 11, 2021, President Biden signed into law the \$1.9 trillion American Rescue Plan Act of 2021 (the "Rescue Plan") that provided various forms of financial assistance and other relief to state and local governments. The Town received \$5.9 million from the Rescue Plan. The Town developed a plan for the use of such funds that will focus on infrastructure improvements and other initiatives that comply with the program eligibility criteria.

For up-to-date information concerning the State's actions in response to COVID-19, see <https://portal.ct.gov/coronavirus>. Neither the Town, nor the parties involved with the issuance of the Bonds, has reviewed the information provided by the State on its website and such parties take no responsibility for the accuracy thereof.

To date, the COVID-19 outbreak has had no material adverse effect on the finances of the Town.

Pandemics, epidemics and other public health emergencies, may adversely impact the Town and its revenues, expenses and financial condition. The Town cannot predict the duration and extent of such pandemics, epidemics and other health emergencies, or quantify the magnitude of their ultimate impact on the State and regional economy, or on the revenues and expenses of the Town. Pandemics, epidemics and other health emergencies may be ongoing, and their dynamic nature may lead to many uncertainties, including (i) the geographic spread as they evolve; (ii) the severity as they mutate; (iii) the duration of the outbreak; (iv) actions that may be taken by governmental authorities to contain or mitigate future outbreaks; (v) the development of medical therapeutics or vaccinations; (vi) travel restrictions; (vii) the impact of the outbreak on the local, State or global economy; (viii) whether and to what extent the State Governor may order additional public health measures; and (ix) the impact of the outbreak and actions taken in response to the outbreak on Town revenues, expenses and financial condition.

Prospective investors should assume that restrictions and limitations related to COVID-19 and any future variants or pandemics

may be instituted by the State or federal government.

CYBERSECURITY

The Town like many other public and private entities, relies on technology to conduct its operations. The Town and its departments face cyber threats from time to time, including but not limited to hacking, viruses, malware, phishing, and other attacks on computers and other sensitive digital networks and systems.

The Town considers cybersecurity a top priority and has many tools such as access controls, next-generation data retention, AI threat detection and prevention, as well as mandatory cybersecurity training for all employees to help defend and mitigate potential risks. The Town follows the MS-ISAC guidelines for network, server, and desktop parameters for best practices. The Town also installed new Next-Gen firewalls with adaptive threat detection and response along with direct connection to global threat databases for early warning and prevention of bad actors. All servers and desktops have been upgraded to the latest versions of OS and all patches are installed weekly unless deemed critical, which are installed within 24 hrs. The Town has installed all new network switchgear which is updated every 3 to 4 months depending on new software availability unless a critical bulletin is received in which case the software is updated within 24 hrs. Within the past year, Homeland Security performed an onsite Security Assessment consisting of Building Access and Cyber Security. The Town received a very good rating following the assessment and will work to implement all suggestions provided.

No assurances can be given, however, that such security and operational control measures will be completely successful to guard against cyber threats and attacks. The results of any such attack could impact business operations and/or damage the Town's digital networks and systems and the costs of remedying any such damage could be substantial.

CLIMATE CHANGE

Numerous scientific studies have detailed changing global weather patterns and the potential for increasing extreme weather events across the world. Like much of Connecticut, the Town is vulnerable to inland wetland, small river and stream flooding. Furthermore, the Town faces other threats due to climate change, including damaging wind that could become more severe and frequent. The Town has a very active program of tree inspections and removals, in coordination with the Town's electrical utility provider. The Town cannot predict the timing, extent, or severity of climate change and its impact on its operations and finances. The Town holds sufficient reserves and budgets for contingencies to address unforeseen expenses including the increasing frequency of severe weather so that the Town can quickly respond and recover from any such events that would exceed its annual operating budget.

BOOK-ENTRY-TRANSFER SYSTEM

The Depository Trust Company ("DTC"), New York, NY will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee), or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Bonds, in the aggregate principal amount of each maturity, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of: AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the

Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Town as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on, and redemption premium, if any, with respect to the Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Town or Paying Agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC nor its nominee, the Paying Agent, or the Town, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest, and redemption premium, if any, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Town or Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Town or Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, bond certificates are required to be printed and delivered.

The Town may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Town believes to be reliable, but the Town takes no responsibility for the accuracy thereof.

REPLACEMENT BONDS

The Town will provide for the issuance of fully registered bond certificates directly to the Beneficial Owners of the Bonds or their nominees in the event that: (a) DTC determines not to continue to act as securities depository for the Bonds, and the Town fails to identify another qualified securities depository for the Bonds to replace DTC; or (b) the Town determines to discontinue the book-entry system of evidence and transfer of ownership of the Bonds. A Beneficial Owner of the Bonds, upon registration of certificates held in such Beneficial Owner's name, will become the registered owner of the Bonds.

DTC PRACTICES

The Town can make no assurances that DTC, Direct Participants, Indirect Participants or other nominees of the Beneficial Owners of the Bonds will act in a manner described in this Official Statement. DTC is required to act according to rules and procedures established by DTC and its participants which are on file with the Securities and Exchange Commission.

Neither the Town, the Paying Agent nor the underwriter of the Bonds will have any responsibility or obligation to the Participants of DTC or the persons for whom they act as nominees with respect to (i) the accuracy of any records maintained by DTC or by any Participant of DTC, (ii) payments or the providing of notice to the Direct Participants, the Indirect Participants or the Beneficial Owners, or (iii) any other actions taken by DTC or its partnership nominees as owner of the Bonds.

II. THE ISSUER

DESCRIPTION OF THE TOWN

Recognized by Connecticut's colonial legislature in 1731, Canaan Parish was a religious parish in northeastern Stamford and northwestern Norwalk for seventy years. The Town of New Canaan (the "Town" or "New Canaan") was incorporated in May 1801 as Connecticut's 108th town. Located in lower Fairfield County, the Town encompasses approximately 22.6 square miles. It is located between Stamford and Wilton, with New York State to the north and Norwalk and Darien to the south. The Town, situated at the end of a Metro-North Railroad branch line, is also within close proximity to air service from the New York City Metropolitan Tri-State area, the Merritt Parkway and the I-95 corridor, and 45 miles from Manhattan making New Canaan the ideal location for commuters and families. The Town is primarily a suburban residential community with high-quality single-family homes and few commercial properties. The U.S. Census Bureau's 2023 American Community Survey has the Town's population at 20,704.

The Town takes pride in its school system. The nationally recognized New Canaan public school system includes three elementary schools, a middle school, and a high school, providing facilities for 3,990 students in the school year 2024-2025. Additionally, the Town provides the LAUNCH transition program for students aged 18 to 21 with special needs. The New Canaan Country School (grades pre-K-9) and Saint Luke's School (grades 7-12) are private schools located in the Town.

Population growth in the Town has been relatively moderate over the past thirty years. However, the Town is one of the highest per capita income areas in the United States. According to the U.S. Census Bureau's 2023 American Community Survey, the Town's median family income was in excess of \$250,000 versus the State median of \$120,011.

The Town is a destination for arts, architecture, dining, specialty retail shopping, and open space. The public can visit the 1949 Philip Johnson's Glass House and the River Building at Grace Farms designed by the prestigious Japanese architectural firm SANAA. The Town-owned Waveny property has 250 acres of woods, meadows, running trails, sports fields, paddle tennis courts, a pool, a dog park, an outdoor ice rink, and buildings including the Lapham Community Center, Carriage Barn Arts Center, and the Powerhouse Theater. The centerpiece of the property, the Waveny House, is open to the public. Other cultural opportunities in New Canaan include the Summer Theater of New Canaan, the New Canaan Chamber Music, the Silvermine Art Guild, and the New Canaan Museum and Historical Society.

For over 100 years, the New Canaan Library has been bringing the community together with art, cultural and educational programs for all ages while providing comprehensive resources for the entire community. The Library recently completed construction of a new 42,000 sq. ft. facility. All of these organizations as well as numerous others contribute to the fabric of

New Canaan. Mead Memorial Park, Kiwanis Park, New Canaan Nature Center, Irwin Park, Waveny Park, Bristow Bird Sanctuary and New Canaan Land Trust provide playgrounds, playing fields, walking and hiking trails, tennis courts and a swimming pond. The Board of Education properties and Recreation Department properties include several turf and natural fields for a multitude of athletic events.

The Town utilizes a Plan of Conservation and Development (“POCD”) recently updated and adopted in October of 2024, which serves as a guide for establishing development goals while balancing the need to maintain the rural charm and natural resources of the Town. This POCD remains in effect until 2034 and has new areas of focus including affordable housing strategies, sustainability, and climate resilience. In response to this new POCD, the Town plans to embark on a comprehensive zoning regulation update starting in the Spring of 2025. Approximately 88% of the Town is zoned for one, two, and four-acre residential use, 7% is zoned for a one-half acre or less residential use and 1% is zoned for retail/business purposes. Approximately 4% includes the following zoning districts: Multi-Family, Apartments, Recreation and Open Space, and the Waveny zone. The Town is focused on balancing necessary development while preserving open space. The New Canaan Land Trust is the leading conservation organization in New Canaan, and owns nearly 350 acres of land, with an additional 50 acres under easements for residents to enjoy.

According to the New Canaan Board of Realtors, for the 12-month period ending December 31, 2024, the average sale price of a New Canaan single-family home listed on the New Canaan Multiple Listing Service was \$2,211,167. The average sale price of a condominium was \$1,390,000.

The Town has one of the highest tax collection rates in the State of Connecticut with a rate of 99.6% in fiscal year 2024. The Town is proud to hold a tax collection rate of 99.4% or better for the past ten years. The state-mandated revaluation for the 2023 grand list effective for fiscal year 2025 saw an increase of approximately 24% over the 2022 grand list that was effective for fiscal year 2024.

FORM OF GOVERNMENT

The Town operates under a Charter adopted in 1935 and most recently amended on November 9, 2016. Municipal elections for Town officials including the three-member Board of Selectmen, twelve-member Town Council, Treasurer, Town Clerk, and nine-member Board of Education are held biennially on election day in odd-numbered years. Terms are staggered. Elections for the Town’s two Registrars of Voters are held biennially in even-numbered years. Minority party representation is required on all boards, commissions, committees, or similar bodies, whether elected or appointed, as provided in the Connecticut General Statutes (the “General Statutes”) and the Charter.

The Board of Selectmen is responsible for carrying out its duties as provided in the Charter and any other duties that may be prescribed by the General Statutes and municipal ordinances, and serves as the Purchasing and Hiring Authority for the Town. In addition, the Board of Selectmen appoints the members of boards, commissions, or committees whose members are not elected. Appointees to the Audit Committee need to be confirmed by the Town Council. The First Selectman is the Chief Executive Officer of the Town.

The Town Council carries out the legislative powers provided by the Charter and the General Statutes and must approve all appropriations. The Town Council is required to meet at least once every two months, but it has become the custom to meet monthly. The First Selectman serves as an ex officio member.

The Board of Finance, comprising eight members and three alternates, oversees the Town’s finances, makes budget recommendations and sets the mill rate. It also makes recommendations on the authorization of bonds and acts as the Town’s Sewer Authority. In November of each year, the Board of Selectmen appoint two members to hold office for a term of four years, which appointments need Town Council confirmation. The First Selectman is an ex officio member and has no vote except in the case of a tie vote.

A nine-member elected Board of Education governs the Town's public school system. The Board of Education's primary duties include the establishment of the educational goals to be met by the school district: the consideration and approval of an annual budget for submission to the Board of Selectman, the Board of Finance and the Town Council; the selection of a Superintendent, who serves as the executive officer of the Board; and the employment of principals, teachers and other school employees. The Board of Education receives annual funding from the Town for both operational and capital projects.

SUMMARY OF MUNICIPAL SERVICES

Police: The New Canaan Police Department is a full-service law enforcement agency that provides 24-hour, 7 days-a-week service to the Town and responds to over 14,000 incidents annually. The Department is a nationally accredited agency and is one of only two Commission on Accreditation for Law Enforcement Agencies (CALEA) accredited departments in Fairfield County. The Department includes 52 sworn officers, which include a Chief of Police, a Deputy Chief, a Captain of Staff Services, a patrol division, and an investigative section. Specialized positions which help the Department provide an exceptional level of service to the community include a Special Response Team, a Canine Team, a Community Impact Officer in the center of Town, and three School Resource Officers/Safety Officers.

The renovation project of the New Canaan Police Headquarters is underway to modernize the 97-year-old building for law enforcement. The \$27.5 million project is anticipated to be completed in late 2025 and is currently on budget. The building is being upgraded to meet State and federal regulations as an Essential Building to function during any type of emergency while retaining the exterior's Colonial Revival architecture and historic character.

Fire: Fire protection is provided by 26 full-time career firefighters and 24 volunteers, including a full-time Fire Chief, both a full-time and a volunteer Assistant Fire Chief, a full-time Fire Marshal, two part-time deputy fire marshals, and a part-time administrative assistant. The Fire Department has one central station and seven fire suppression vehicles. New Canaan's fire suppression services have an ISO PPC rating of 4/4Y. All occupancies that require a fire inspection are completed per State fire code.

Emergency Medical Services: New Canaan Emergency Medical Service ("NCEMS") operates 24-hour, 7 days-a-week with 40+ volunteers. The service operates three ambulances and a 24-hour, 7 days-a-week Norwalk Hospital EMS Paramedic contracted by the Town, who responds in a fly car. NCEMS is supported by Town contributions, in addition to private contributions. The service is provided 100% free of charge to Town residents.

Land Use: The Land Use division is comprised of several individual departments namely: Building, Planning and Zoning, Inland Wetlands, and Health, which often work in concert with each other on both residential and commercial construction projects. The Building Department consists of a Chief Building Official, who also serves as the Enforcement Officer for the Historic District Commission, Blight Ordinance and Demolition Delay Ordinance, a Deputy Building Official, an Assistant Building Official, and a full-time Office Administrator. The Building Department is responsible for enforcing the Connecticut State Building Code, performing plan reviews for all proposed construction, issuing building permits, performing site inspections periodically throughout construction, and issuing Certificates of Occupancy upon code-compliant completion of construction activity. A part-time records manager is responsible for maintaining all land use records per State statutes.

The Planning and Zoning Department has a full-time Town Planner/Senior Enforcement Officer, a full-time Assistant Zoning Inspector, and a full-time Office Administrator, who together provide objective information and guidance to residents and applicants on land use matters. The Town also has a Planning and Zoning Commission and a Zoning Board of Appeals (a committee that oversees the implementation of the Plan of Conservation and Development). The Town Zoning Regulations and Zoning Map identify the various zoning districts. The Inland Wetlands Department has a full-time Director and a full-time Office Administrator, who works closely with the Inland Wetlands Commission and Conservation Commission to preserve and protect the wetlands and watercourses from random, unnecessary, and unregulated uses, disturbance, or destruction.

Health: The Health Department employs a full-time Director, a full-time Registered Sanitarian, a full-time Sanitarian/Health Program Planner, and a full-time Office Administrator. Additionally, there are 3 part-time Public Health Nurses who are grant-funded, a part-time public health preparedness coordinator grant-funded, and a part-time Medical Director. The Health Department works with the other Land Use departments to ensure compliance with the Connecticut Public Health Codes and oversees the construction and installation of all new and existing well and septic systems. The Health Department annually inspects and licenses various establishments, is responsible by State statute for the follow-up of all infectious diseases, and manages all childhood lead poisoning cases. The Health Department also provides free rapid COVID-19, Flu A & B, and RSV testing for Town residents.

Human Services: The Human Services Department supports youth, families, adults, and seniors inquiring about critical needs such as food, clothing, shelter, safety, and wellness. The department consists of 3 full-time staff members who provide crisis and short-term case management, financial assistance eligibility assessments, state/federal program application assistance, and referrals including housing, behavioral health, recreation, and homecare needs. Programs include New Canaan Food Pantry, Energy Assistance, Back-To-School Program, Holiday Gift-Giving, Renters Rebate, Farmers Market Vouchers, CHOICES counseling, Veterans' Services, Tele-Health for seniors, and Seasonal Flu Vaccine clinics.

Recreation: The Recreation Department administers and coordinates a comprehensive recreation program designed for year-

round activities for all ages with 5 full-time staff and up to 300 part-time program providers. Programs consist of tennis, pickleball, basketball, softball, baseball, flag football, paddle tennis, soccer, before and after school programs, sports clinics, and summer day camps. The Department also operates a seasonal swimming pool at Waveny Park and a swimming pond at Kiwanis Park. The Department operates Waveny House which is used by numerous community organizations for weekday meetings and administers the weekend rental events. The Lapham Community Center located in Waveny Park provides adult and senior activities.

Public Works: The Department of Public Works provides routine and scheduled maintenance functions to the Town's infrastructure such as Town roads, bridges, culverts, and sidewalks. Supported by a staff of 53, the Director supervises and oversees the following departments: Administration, Highway, Transfer Station, Wastewater Treatment, Engineering, Buildings Maintenance, Tree Service, and Parks Maintenance. The Department also organizes, supervises, and oversees capital improvement or replacement projects.

The Town operates a transfer station to collect garbage, recyclable materials, and household and yard waste from residents and garbage haulers. For fiscal year 2024, the Town collected 5,965 tons of garbage and 1,371 tons of recycled materials. These collected materials are then transported to a “waste to energy” plant operated by Wheelabrator Bridgeport to be incinerated. For the fiscal year ending June 30, 2024, a total of 5,965 tons of trash were directed to Wheelabrator Bridgeport. For the fiscal year ending June 30, 2024, the Town paid tipping fees of \$111.00 per ton for solid waste and \$65.00 per ton for recycling. For the fiscal year ending June 30, 2025, the Town will pay a tipping fee of \$111.00 per ton for solid waste and \$65.00 for recycling.

Sewer: The Town operates and maintains a Waste Water Treatment Plant, along with three pumping stations and 25 miles of sanitary sewers, that treat waste material so that the by-products meet the highest federal and state standards. The collection system covers approximately 22% of the land area of the Town and serves approximately 40% of the households and businesses. A Sewer User Fee is established each year by the Board of Finance which serves as the Town’s Sewer Authority.

Housing Authority: The Housing Authority is dedicated to continuing to provide the Town’s low-income residents with modern housing units in perpetuity. The Housing Authority of New Canaan acquired the former Avalon property, a 104-unit apartment complex on a 9.1-acre parcel on Lakeview Avenue, for \$75 million in November 2024. The acquisition is expected to help the town achieve relief from Connecticut General Statutes Section 8-30g which applies to municipalities with less than 10% of their total housing deemed affordable. In August 2024, the Town had established a moratorium on construction of Connecticut General Statutes Section 8-30g affordable housing until August of 2028. The 104 units at the former Avalon Property, which will be renamed Riverwood, will provide mixed-income housing with both affordable and market-rate units for the foreseeable future. The Housing Authority continues to manage 213 other affordable housing units at Mill Apartments, Millport Apartments, and Canaan Parish. Mill Apartments is a 40-unit development that was constructed in 2010 to replace 33 units constructed in the 1950s. Millport Apartments is a 73-unit development fully constructed in 2018. Finally, Canaan Parish is a 100-unit development constructed in 2022 to replace 60 units built in the 1960s.

Electric and Natural Gas: Eversource Energy provides electric power and natural gas services for the Town. Eversource Energy has completed a major installation of natural gas lines in the central residential and commercial areas of Town including four of the five public schools.

Water: The Aquarion Water Company, which maintains water reserves in Connecticut, supplies water to residents and the Town. Approximately 70% of the residents have private wells.

EDUCATIONAL SYSTEM

The Town's school system consists of five schools strategically located in the Town, which accommodate 3,990 students in 2024-2025. There are three schools for students from kindergarten through grade four, one middle school for grades five through eight, and one high school for grades nine through twelve. The District also provides programs for students with special needs. A nine-member, elected Board of Education governs the New Canaan Public Schools. The District’s graduation rate is 99%.

Connecticut General Statutes Sections 7-473c, 7-474 and 10-153a to 10-153n provide a procedure for binding arbitration of collective bargaining agreements between municipal employers and organizations representing municipal employees, including certified teachers and certain other employees. The legislative body of a municipal entity may reject an arbitration panel's decision by a two-thirds majority vote. The State of Connecticut and the employee organization must be advised in writing of the reasons for rejection. The State then appoints a new panel of either one or three arbitrators to review the decisions on each of the rejected issues. The panel must accept the last best offer of either party. In reaching its determination, the arbitration panel gives priority to the public interest and the financial capability of the municipal employer, including consideration of other demands on the financial capability of the municipal employer. For binding arbitration of contracts, in assessing the financial capabilities of a municipal entity, there is an irrefutable presumption that a budget reserve of: (i) 5% or less with respect to teachers' contracts, and (ii) 15% or less with respect to municipal employees, is not available for payment of any item subject to arbitration. In light of the employer's financial capability, the panel considers prior negotiations between the parties, the interests and welfare of the employee group, changes in the cost of living, existing employment conditions, and the wages, salaries, fringe benefits, and other conditions of employment prevailing in the labor market, including developments in private sector wages and benefits.

IV. TAX BASE DATA

ASSESSMENT PRACTICES

The maintenance of an equitable tax base and the location and appraisal of all real and personal property within the Town for inclusion onto the Grand List is the responsibility of the Assessor's Office. The Grand List represents the total of assessed value for all taxable real and personal property located within the Town on October 1, in accordance with Section 12-62a of the Connecticut General Statutes. A Board of Assessment Appeals determines whether adjustments to the Assessor's list on assessments under appeal are warranted. Assessments are computed at 70 percent of the estimated market value at the time of the last general revaluation.

When a new structure, or modification to an existing structure, is undertaken, the Assessor's Office receives a copy of the permit issued by the Building Inspector. A physical appraisal is then completed and the structure classified and priced from a schedule developed at the time of the revaluation. The property depreciation and obsolescence factors are also considered when arriving at an equitable value.

Motor vehicle lists are furnished to the Town by the State of Connecticut Department of Motor Vehicles and appraisals of motor vehicles are accomplished in accordance with an automobile price schedule developed by the Connecticut Association of Assessing Officials. Section 12-7b of the Connecticut General Statutes, as amended, provides that motor vehicles which are registered with the Commissioner of Motor Vehicles after the October 1 assessment date but before the next July 1, are subject to a property tax as if the motor vehicle had been included on the October 1 Grand List. The tax is prorated, and the pro-ration is based on the number of months of ownership between October 1 and the following July 1. Cars purchased in August and September are not taxed until the next October 1 Grand List. If the motor vehicle replaces a motor vehicle that was taxed on the October 1 Grand List, the taxpayer is entitled to certain credits. Assessments for motor vehicles are computed at 70% of the annual appraisal of market value.

All personal property (furniture, fixtures, equipment, machinery and leased equipment) is assessed annually with manufacturers and businesses completing and returning to the Assessor's Office standard worksheets for computing value. An assessor's check and audit is completed periodically. Assessments for both personal property and motor vehicles are computed at 70 percent of present market value.

The Town last had a general property revaluation in 2023 which was effective for fiscal year 2024-25. The Town's next scheduled revaluation will be October 1, 2028 which will be effective for fiscal year 2029-30. Under Section 12-62 of the Connecticut General Statutes, the Town must do a revaluation every five years based on generally accepted mass appraisal methods and a revaluation by physical inspection no later than 10 years from the preceding physical inspection. Prior to the completion of each revaluation, the Assessor shall conduct a field review.

MOTOR VEHICLE PROPERTY TAX RATE

Section 12-71e(a) of the Connecticut General Statutes (the "General Statutes") has been amended whereby the mill rate for motor vehicles shall not exceed 32.46 mills for the assessment year commencing October 1, 2021, and each assessment year thereafter. Section 12-71e(b) of the General Statutes has been amended to state that no district or borough may set a motor vehicle mill rate that if combined with the motor vehicle mill rate of the town, city, consolidated town and city or consolidated town and borough in which such district or borough is located would result in a combined motor vehicle mill rate above 32.46 mills for the assessment year commencing October 1, 2021, and each assessment year thereafter. Section 4-661 of the General Statutes diverts a portion of State collected sales tax revenue to provide funding to municipalities to mitigate the revenue loss attributed to the motor vehicle property tax cap. The Town's mill rate for motor vehicles for the assessment year commencing October 1, 2023 (the fiscal year ending June 30, 2025) is 16.14 mills.

TAX COLLECTION PROCEDURE

Taxes for the fiscal year are paid on the grand list of the prior October 1, and are due July 1, payable in two installments, one half on July 1 and one half on January 1. Payments not received by August 1 and February 1 become delinquent and interest will accrue at the rate of 1.5% per month (18% per annum). Outstanding real estate tax accounts are automatically lien-ed each year prior to June 30 with legal demands and alias tax warrants used in the collection of personal property and motor vehicle tax bills. Delinquent motor vehicle and personal property accounts are transferred to suspense account after three years at which time they cease to be carried as receivables. Real estate accounts are transferred to suspense fifteen years after the due date in accordance with State of Connecticut statutes.

V. FINANCIAL DATA

ACCOUNTING POLICIES

The Town's accounting policies are summarized in Note 1 "Summary of Significant Account Policies" in the Notes to Financial Statements (Appendix A).

BASIS OF ACCOUNTING

See Note 1 "Measurement Focus, Basis of Accounting and Financial Statement Presentation" in the Notes to Financial Statements (Appendix A).

ANNUAL AUDIT

Pursuant to the provisions of the Municipal Auditing Act (Chapter 111 of the Connecticut General Statutes) and the Town Charter, the Town is obligated to undergo an annual examination by an independent certified public accountant. The current auditors, PKF O'Connor Davies, LLP, were appointed by the Town Council and are required to conduct their examination under the guidelines issued by the State of Connecticut Office of Policy & Management, who receive a copy of said Audit Report when completed.

The most recent annual audit covers the fiscal year ended June 30, 2024, a portion of which is included in this document and made a part hereof as Appendix A. Included in Appendix A are the Town's Basic Financial Statements, Notes to the Financial Statements and Required Supplemental Information, together with the report of the independent auditor as prepared by PKF O'Connor Davies, LLP, Independent Certified Public Accountants. The information contained in "Appendix A" is not the whole annual report. Individuals wishing a complete document should contact the Chief Financial Officer of the Town.

CERTIFICATE OF ACHIEVEMENT FOR EXCELLENCE IN FINANCIAL REPORTING

The Town has received a Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association ("GFOA") of the United States and Canada for its annual report for each of its fiscal years ending June 30, 2016 through June 30, 2023. To be eligible for the award, annual reports must include general purpose financial statements presented in conformity with GAAP, and have been audited in accordance with generally accepted auditing standards. The reports also contain statistical information useful in evaluating the financial condition of a government and conform to certain generally accepted formatting standards established for the Certificate Program.

BUDGETARY PROCEDURES

The Board of Finance, after receipt of the recommended budget from the Board of Selectmen and after obtaining any further information which it may require, shall prepare tentative budget recommendations. The Board of Finance shall cause such recommendations to be published at least once, together with a notice fixing the time of a public hearing, which shall be held not later than the sixth Tuesday following the first Tuesday of February; and the place where such hearing shall be held by the Board of Finance upon requests for appropriations, to hear all persons, including members of the Board of Finance, who may wish to be heard in respect to any such recommendations or who may wish the Board of Finance to recommend any other appropriation or any other matter within the power of the Board of Finance. After such public bearing, the Board of Finance forthwith shall hold a meeting or meetings to consider the estimates and requests so presented. The Board of Finance shall thereupon prepare and present its recommendations to the Board of Selectmen, for submission to the Town Council, for appropriations to cover Town expenditures for the ensuing fiscal year. Such recommendations may also include appropriations to pay any part of the Town debt or to provide a contingent fund for expenses of the Town not otherwise provided for, which contingent fund, when appropriated by the Town Council, shall be subject to disbursement by the Board of Finance. All such recommendations for appropriations shall be classified under proper headings and shall be accompanied by an estimate, made by the Board of Finance, of the amount of revenue the Town will receive during such fiscal year from all sources, except that of taxation, and an itemized list of the debts and obligations of the Town as of the day of the meeting or meetings following the public hearing of the Board of Finance and a detailed statement showing the amount of increase or decrease of the proposed appropriation as compared to the last previous appropriation made by the Town Council for like purpose. Such recommendations shall include the amount of any unexpended balances or surplus to be applied against appropriations and a reserve for uncollectible taxes; provided, however, that if the Town Council shall reduce the proposed appropriations so recommended and published by an amount exceeding five percent (5%), then in that event, the amount of unexpended balances or surplus to be applied shall be reconsidered by the Board of Finance for final action.

The recommendations for appropriations so prepared by the Board of Finance shall be delivered to the Selectmen not later than the seventh Tuesday following the first Tuesday of February in each year in the form of a written report signed by the Chairman of the Board of Finance and a majority of its members. The Selectmen shall forthwith cause to be published once a week for two (2) successive weeks a notice of a meeting of the Town Council to act upon such recommendations, stating the time and place thereof. The first of such notices shall include the publication in full of the recommendations of the Board of Finance. Such meeting of the Town Council shall be held not later than eleven (11) weeks after the first Tuesday of February in each year.

EMPLOYEE PENSION SYSTEMS

The Town is the administrator of a single employer, contributory defined benefit retirement plan (the "DB Plan") which covers most Town employees except certified faculty and administrative personnel of the Board of Education who participate in a contributory retirement plan administered by the State Teachers Retirement Board. The DB Plan provides retirement, disability, and death benefits to plan members and their beneficiaries.

The authority under which the DB Plan is established was the action of a special Town meeting held on March 13, 1962. The Town shall have the right by action of the Town Council to amend the DB Plan within the guidelines stipulated in the pension plan document. Employee eligibility, normal retirement dates, benefits, funding status, contributions, trend information and vesting are detailed in Appendix A, "Notes to General Purpose Financial Statements".

In January 2011, the Town established a new 401(a) defined contribution retirement plan (the "DC Plan") in lieu of the DB Plan for Town non-bargained employees, Town Hall union employees and Board of Education non-bargained employees including teaching assistants hired on or after January 1, 2011 and Department of Public Works employees hired on or after July 1, 2010. Those employees who are ineligible to participate in the DB Plan because of their hire date, can voluntarily contribute to the DC Plan as allowable under IRS regulations. Currently, the Board of Education matches its employees' contributions up to 5% of base pay. The Town matches contributions up to 7% of base pay for Town Hall Union employees, Town non-bargained employees, and Department of Public Works employees. Department of Public Works employees are required to contribute 3% of base pay.

The Town has implemented Government Accounting Standards Board's (GASB) Statement No. 67. Net position is based on fair market value as of June 30th and the Total Pension Liability is based on the actuarial assumptions as of the prior valuation date updated to June 30th. In accordance with GASB Statement No. 67, the components of the net pension liability of the Town were as follows:

The Town’s actuary estimates that the Town’s Actuarially Determined Employer Contribution (“ADEC”) for the fiscal year ending 2025 is \$505,980 and the ADEC for the fiscal year ending 2026 will be \$780,892.

Teachers, who are covered by the State of Connecticut Teachers' Retirement System, are ineligible to participate in the Town's pension plans. Town teachers participate in a contributory retirement plan administered by the State Teachers Retirement Board. Currently, neither the Board of Education nor the Town has a legal obligation to contribute to the retirement fund. The State makes contributions to the system based on an actuarial study performed utilizing the total payroll of covered teachers in the State. For further details regarding the two plans, see Appendix A, "Notes to General Purpose Financial Statements".

OTHER POST-EMPLOYMENT BENEFITS (OPEB)

As the administrator of a single-employer defined benefit plan, the Town provides post-employment benefits, such as health and life insurance and lump sum benefits, in accordance with union contracts for members and non-union employees who retire. If comparable insurance is available to these retirees at no cost to them, then these benefits will not be available until this comparable insurance is terminated.

Non-Union Town employees who retired after July 1, 2001, receive an annual stipend of up to \$2,400 to offset the cost of the retiree’s or spouse’s medical insurance. Non-union Town employees who retired under the provisions of the Town's Pension Plan from June 30, 2007, through June 30, 2011, have 100% of the medical premium cost paid for by the Town until death. Non-union Town employees who retired under the provisions of the Town's Pension Plan on or after July 1, 2011, pay a percentage share of the medical premium cost at the same rate as active employees (based on the dual rate) which remains at the premium percentage effective upon retirement. For Non-union Town employees who retire on or after June 30, 2020, the premium percentage is the same as actives (percentage changes same as actives) and the annual stipend is payable up to \$2,250. Non-union Town employees hired on or after January 1, 2011, shall pay 50% of the premium cost for retiree single coverage.

Police union members who retired between July 1, 2000, and June 30, 2003, have 100% of the life and medical premium cost paid for by the Town until the retiree reaches age 65. For members who retired between July 1, 2003, and June 30, 2006, there is an additional annual stipend for spousal medical benefits of up to \$2,500 until the spouse is 65. For Fire union members who retired between July 1, 2003, and December 31, 2011, there is an annual stipend for spousal medical benefits of up to \$2,500 until the spouse is 65. Fire union members who retired between January 1, 2012, and June 30, 2014, pay a percentage share of the medical premium cost at the same rate as active employees (based on the dual rate) which remains at the premium percentage effective upon retirement. Effective July 1, 2014, the annual spousal medical stipend (to age 65) is payable up to \$2,250. Effective July 1, 2022, a union member will pay a percentage share of the medical premium cost at the same rate as active employees (based on the single, single plus one and family rate).

Department of Public Works union retirees who retired on or before June 30, 2001, receive an annual stipend of \$1,000 toward the cost of their medical plan through the Town until age 65. Members of the Department of Public Works union who retired between July 1, 2001, and June 30, 2007, have 100% of the medical premium cost paid for by the Town until age 65. Department of Public Works union retirees who retired between July 1, 2007 and December 31, 2011, have 100% of the medical premium cost paid for by the Town until death (age 60 to 64 primary and age 65+ Medicare supplement). Department of Public Works union employees who retired between January 1, 2012, and June 30, 2014 pay a percentage share of the medical premium cost at the same rate as active employees (based on the dual rate) and receive an annual stipend up to \$2,500 toward the cost of their own or their spouse's medical plan until age 65. Effective July 1, 2014, the stipend was reduced to \$2,250. Effective July 1, 2020, all Department of Public Works employees pay a percentage share of medical premium cost at the same rate as active employees (based on a single, single plus one, and family rate). All Department of Public Works union employees hired on or after July 1, 2010, must have twenty-five years of service and reach age 60 to receive retiree medical benefits and they shall pay 50% of the medical premium costs for retiree single coverage. There is no spousal stipend for employees hired on or after July 1, 2010.

Town Hall union retirees who retired between July 1, 2011, and December 31, 2014, pay a percentage share of the medical premium cost at the same rate as active employees (based on the dual rate) and receive an annual stipend of up to \$2,400 for spouse medical coverage. For Town Hall union members who retire on or after January 1, 2015, the annual spouse medical stipend is payable up to \$2,250 until the spouse is age 65. There is no spouse medical stipend for employees hired on or after October 1, 2017. Town Hall union employees hired on or after January 1, 2015, shall pay 50% of the medical premium costs for retiree single coverage.

For members of certain Board of Education bargaining units, the Board of Education pays for a portion of retirees' health care insurance coverage. The percentage paid by the Board of Education ranges from 79% to 81% depending on the collective bargaining agreement. In addition, members of certain Board of Education bargaining units receive between \$2,500 and \$10,500, depending on the bargaining unit, at retirement.

The Town Council voted to establish an OPEB Trust effective April 29, 2010.

The Town retains USI Consulting Group of Glastonbury, Connecticut as its OPEB actuarial consultant. Per the Town's July 1, 2023, OPEB Valuation, a total of 734 active and retired employees were eligible to receive post-employment benefits. The actuarial cost method utilized in the valuation is the Entry Age Normal (level percentage of salary). The actuarial assumptions included a closed twenty-four-year amortization of the unfunded liability and a 6.625% rate of return, which is the rate of the expected long-term investment returns of plan assets based on the funding policy of the plan as of the valuation date. See "Appendix A -Audited Financial Statements" herein for more information regarding the Town's OPEB liabilities.

The Town is in compliance with the requirements of Governmental Accounting Standards Board (GASB) Statements 74 and In accordance with GASB Statement 74, the net position is based on fair market value as of June 30th and OPEB Liability is based on the actuarial assumptions as of the prior valuation date updated to the end of the fiscal year. The components of the net OPEB liability of the Town were as follows:

MUNICIPAL BUDGET EXPENDITURE CAP

Connecticut General Statutes Section 4-661 creates a cap on adopted general budget expenditures for municipalities in Connecticut in order for municipalities to be eligible to receive the full amount of the State's municipal revenue sharing grant. Beginning in fiscal year ending June 30, 2018, and in each fiscal year thereafter, the Office of Policy and Management ("OPM") must reduce the municipal revenue sharing grant amount for those municipalities whose adopted general budget expenditures (with certain exceptions including but not limited to debt service, special education, implementation of court orders or arbitration awards, budgeting for an audited deficit, nonrecurring grants, capital expenditures of \$100,000 or more, or payments on unfunded pension liabilities, and certain major disaster or emergency expenditures) exceeds the spending limits specified in the statute. For each applicable fiscal year, OPM must determine the municipality's percentage growth in general budget expenditures over the prior fiscal year and reduce the grant if the growth rate is equal to or greater than 2.5% or the inflation rate, whichever is greater, each of those amounts adjusted by an amount proportionate to any increase in the municipality's population from the previous fiscal year. The reduction is generally equal to 50 cents for every dollar the municipality spends over this cap. Each municipality must annually certify to the Secretary of the OPM whether such municipality has exceeded the cap set forth in the statute and if so the amount by which the cap was exceeded.

OUTSTANDING SHORT-TERM INDEBTEDNESS

The Town has no outstanding short-term debt.

LEASES

The Town has entered into various lease agreements for the use of various items including a parking lot, a food pantry, office space and copies. As of June 30, 2024, the outstanding principal amounts of the leases totaled \$377,043. Additionally, the Town has various subscription-based arrangements for software and communication systems. As of June 30, 2024, the outstanding principal amounts of the subscription arrangements totaled \$187,225. Please see footnote F in Appendix A to this Official Statement for more information.

OVERLAPPING AND UNDERLYING INDEBTEDNESS

The New Canaan Sewer District (the "District") levies a user fee on all users located within the sewer district. The sewer district incorporates the downtown commercial area of Town and the surrounding neighborhoods including all of the Town's school facilities except West Elementary School. The Town budgets an amount annually to pay the District as a user of the sewer system. The District currently does not have any outstanding indebtedness.

LEGAL REQUIREMENTS FOR APPROVAL OF BORROWING

The Town has the power to incur indebtedness by issuing its bonds as authorized by the General Statutes of the State of Connecticut subject to statutory debt limitations and the requirements of the Town Charter for the authorization of indebtedness. Under the Charter, the Town Council, upon recommendation by the Board of Finance, authorizes borrowings. Such action by the Town Council becomes effective eight days after publication of notice of such action unless notice of intent to file a petition for referendum is filed with the Town Clerk within seven days after such publication. If a notice of intent to petition for referendum is filed on a timely basis, the petitioners have thirty days from the publication date to file a petition signed by at least 5% of the electors seeking repeal of the legislative action of the Town Council. Such action shall not be repealed unless the number of referendum votes in favor of repeal shall be (i) a majority of those voting; and (ii) equal to at least 15% of the number of electors of the Town as determined by the last completed registry list. Notwithstanding any provision of the Charter, the Town may authorize the issuance of refunding bonds pursuant to Section 7-370c of the Connecticut General Statutes and a resolution adopted by the Town Council.

MATURITIES

General obligation bonds, with the exception of refunding bonds, are required to be payable in maturities wherein a succeeding maturity may not exceed any prior maturity by more than 50% or aggregate annual principal and interest payments must be substantially equal. The term of an issue may not exceed twenty years except in the case of school and sewer bonds and bonds issued prior to July 1, 2022 which may mature up to thirty years (CGS Sec. 7-371).

TEMPORARY FINANCING

When general obligation bonds have been authorized, bond anticipation notes may be issued maturing in not more than two years (CGS Sec. 7-378). Temporary notes may be renewed up to ten years from their original date of issue as long as all project grant payments are applied toward payment of project costs or temporary notes when they become due and payable, and the legislative body schedules principal reductions by the end of the third year and for each subsequent year during which such temporary notes remain outstanding, in an amount equal to a minimum of 1/20th (1/30th for sewer projects and certain school projects) of the estimated net project cost (CGS Sec. 7-378a). The term of the bond issue is reduced by the amount of time temporary financing exceeds two years.

Temporary notes must be permanently funded no later than ten years from their initial borrowing date, except for sewer notes issued in anticipation of State and/or federal grants. If written commitment exists, the municipality may renew the sewer notes from time to time in terms not to exceed six months until such time that the final grant payments are received (CGS Sec. 7-378b).

Temporary notes may also be issued for up to 15 years for certain capital projects associated with the operation of a waterworks system (CGS Sec. 7-244a) or a sewage system (CGS Sec. 7-264a). In the first year following the completion of the project(s), or in the sixth year following the original date of issue (whichever is sooner), and in each year thereafter, the notes must be reduced by 1/15th of the total amount of the notes issued by funds derived from sources of payment specified by statute. Temporary notes may be issued in one-year maturities for up to 15 years in anticipation of sewer assessments receivable, such notes to be reduced annually by the amount of assessments received during the preceding year (CGS Sec. 7-269a).

SCHOOL CONSTRUCTION PROJECTS

Pursuant to Section 10-287i of the Connecticut General Statutes, the State of Connecticut will provide proportional progress payments for eligible school construction expenses on projects approved after July 1, 1996. State grants will be paid directly to the municipality after it submits its request for progress payments, and accordingly, the municipality will issue its bonds only for the net share of project costs.

LIMITATION OF INDEBTEDNESS

Municipalities shall not incur indebtedness through the issuance of bonds or notes which will cause aggregate indebtedness by class to exceed the following:

General Purposes:	2.25 times annual receipts from taxation
School Purposes:	4.50 times annual receipts from taxation
Sewer Purposes:	3.75 times annual receipts from taxation
Urban Renewal Purposes:	3.25 times annual receipts from taxation
Unfunded Pension Liability Purposes:	3.00 times annual receipts from taxation

In no case however, shall total indebtedness exceed seven times the base. "Annual receipts from taxation," (the "base,") are defined as total tax collections including interest, penalties and late payment of taxes and state payments for revenue loss under Connecticut General Statutes Sections 12-129d and 7-528.

Section 7-374 of the Connecticut General Statutes also provides for exclusion from the debt limit calculation debt (i) issued in anticipation of taxes; (ii) issued for the supply of water, gas, electricity, electric demand response, conservation and load management, distributed generation and renewable energy projects; for the construction of subways for cables, wires and pipes; for the construction of underground conduits for cables, wires and pipes; for the construction and operation of a municipal community antenna television system and for two or more of such purposes; (iii) issued in anticipation of the receipt of proceeds from assessments levied upon property benefited by any public improvement; (iv) issued in anticipation of the receipt of proceeds from State or Federal grants evidenced by a written commitment or for which allocation has been approved by the State Bond Commission or from a contract with the state, state agencies or another municipality providing for the reimbursement of costs but only to the extent such indebtedness can be paid from such proceeds; (v) issued for certain water pollution control projects; and (vi) upon placement in an escrow of the proceeds of refunding bonds, notes or other obligations or other funds of the municipality in an amount sufficient to provide for the payment when due of principal of and interest on such bond, note or other evidence of indebtedness.

VII. ADDITIONAL INFORMATION

LITIGATION

In the opinion of the Town Attorney, there are no claims or litigation pending, or to his knowledge threatened, which would individually or in the aggregate result in final judgments against the Town which would have a material adverse effect on the finances of the Town or which would impact the validity of the Bonds or the power of the Town to levy and collect taxes to pay the principal of and interest on the Bonds.

MUNICIPAL ADVISOR

Munistat Services, Inc. (the "Municipal Advisor"), is a Municipal Advisor, registered with the Securities and Exchange Commission and the Municipal Securities Rulemaking Board. The Municipal Advisor serves as independent municipal advisor to the Town on matters relating to debt management. The Municipal Advisor is a municipal advisory and consulting organization and is not engaged in the business of underwriting, marketing, or trading municipal securities or any other negotiated instruments. The Municipal Advisor has assisted the Town as to the plan of finance and the structuring of the Bonds and has reviewed and commented on certain legal documents, including this Official Statement. The advice on the plan of financing and the structuring of the Bonds was based on materials provided by the Town and other sources of information believed to be reliable. The Municipal Advisor has not audited, authenticated, or otherwise verified the information provided by the Town or the information set forth in this Official Statement or any other information available to the Town with respect to the appropriateness, accuracy, or completeness of disclosure of such information and no guarantee, warranty, or other representation is made by the Municipal Advisor respecting the accuracy and completeness of or any other matter related to such information and this Official Statement.

TRANSCRIPT AND CLOSING DOCUMENTS

Upon the delivery of the Bonds, the purchaser will be furnished with the following:

1. A Signature and No Litigation Certificate stating that at the time of delivery, no litigation is pending or threatened affecting the validity of the Bonds or the levy or collection of taxes to pay them;
2. A certificate on behalf of the Town, signed by the First Selectman and Town Treasurer, dated the date of delivery, which will certify that to the best of said officials' knowledge and belief, that at the time the bids were accepted on the Bonds, the descriptions and statements in the Official Statement relating to the Town and its finances were true and correct in all material respects and did not contain any untrue statement of a material fact, or omit to state a material fact, necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and that there has been no material adverse change in the financial condition of the Town from that set forth in or contemplated by the Official Statement;
3. A Receipt for the purchase price of the Bonds;
4. The approving opinion of Pullman & Comley, LLC, Bond Counsel, in substantially the form attached hereto as Appendix B; and
5. An executed Continuing Disclosure Agreement for the Bonds in substantially the form attached hereto as Appendix C.

The Town has prepared this Official Statement for the Bonds which is dated March 4, 2025. The Town deems such Official Statement final as of its date for the purposes of SEC Rule 15c2-12(b)(1), but is subject to revision or amendment. The Town will provide the purchaser with a reasonable number of copies of the Official Statement, as prepared for this issue at the Town's expense and delivered not later than seven business days after the bid opening.

A record of the proceedings taken by the Town in authorizing the Bonds will be kept on file at the office of U.S. Bank Trust Company, National Association, of Hartford, Connecticut and will be available for examination upon reasonable request.

CONCLUDING STATEMENT

Additional information may be obtained upon request from the Office of the Chief Financial Officer Attention: Ms. Anne Kelly-Lenz at (203) 594-3024, or from Munistat Services, Inc. at (203) 421-2880.

Any statements in this Official Statement involving matters of opinion or estimates, whether or not expressly so stated, are intended as such and not as representations of fact. No representation is made that any of such statements will be realized. This Official Statement is not to be construed as a contract or agreement between the Town and the purchasers or holders of any of the Bonds.

This Official Statement is submitted only in connection with the sale of the Bonds by the Town and may not be reproduced or used in whole or part for any other purpose.

Independent Auditors' Report

Town Council
Town of New Canaan, Connecticut

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Town of New Canaan, Connecticut ("Town"), as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Town, as of June 30, 2024, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Town, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis, budgetary comparisons, and the pension and other post-employment benefit schedules as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town's basic financial statements. The combining and individual fund financial statements and schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund financial statements and schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual comprehensive financial report. The other information comprises the introductory, statistical and trend information sections but does not include the basic financial statements and our auditors' report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 11, 2024 on our consideration of the Town's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Town's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town's internal control over financial reporting and compliance.

Management's Discussion and Analysis For the Year Ended June 30, 2024

This discussion and analysis of the Town of New Canaan, Connecticut's ("Town") financial performance provides an overview of the Town's financial activities for the fiscal year ended June 30, 2024. Please read it in conjunction with the Town's financial statements and notes to the financial statements, which begin with Exhibit A in the Basic Financial Statements section.

Financial highlights

- The Town's total net position increased by \$7,900,025 from \$204,210,176 to \$212,110,201. The increase is primarily due to tax revenue, income from investments, and program revenue exceeding total expenses. The Summary Statement of Net Position and Statement of Changes in Net Position illustrate the major drivers of the increases year over year.
- Property tax collection rate remained strong at 99.6%.
- Total long-term debt increased by \$12,833,213 from \$99,836,807 to \$112,670,020 primarily due to the issuance of \$27,025,000 in General Obligation Bonds and offset by \$13,540,000 in debt payments.
- Income from investments increased by \$442,635 from \$1,595,614 to \$2,038,249 primarily due to higher interest rates. The total change year-over-year for net change in fair value of investments was \$1,455,148 due to market gains.
- Education expenses increased by \$5,902,561 due to a fiscal year 2024 budget increase of \$3,986,209 and an increase in the State Teachers' Retirement Plan expense of \$1,411,387.
- The General Fund balance decreased by \$957,801 from \$27,298,541 to \$26,340,740 as reported on Exhibit D of the Financial Statements.

Overview of the basic financial statements

This discussion and analysis is intended to serve as an introduction to the Town's basic financial statements. The basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements and 3) notes to financial statements. This report also contains other supplementary information as well as the basic financial statements.

Government-wide financial statements

The government-wide financial statements are designed to provide readers with a broad overview of the Town's finances, like a private-sector business.

Town of New Canaan, Connecticut Management's Discussion and Analysis (continued)

The *statement of net position* presents information on all of the Town's assets, deferred outflows of resources, liabilities, and deferred inflows of resources, with the difference being reported as the net position. Over time, increases or decreases in net position serve as a useful indicator of the Town's financial health. Other non-financial events such as the impact of changes in the Town's tax base or infrastructure should also be considered when evaluating the Town's financial health.

The *statement of activities* presents information showing how the Town's net position changed during the year. In this statement, all changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of when the cash is received or paid. Therefore, revenues and expenses are reported in this statement for some items whose cash flow may occur in a future fiscal period. Taxes uncollected but levied or vacation leave unused but earned are examples of this.

Both of the government-wide financial statements distinguish functions of the Town that are principally supported by taxes and intergovernmental revenue (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the Town include general government, public safety, public works, social services, recreation, and education. The business-type activities of the Town are for Waveny pool operations.

The government-wide financial statements can be found on Exhibits A and B of this report.

Fund financial statements

A fund is a grouping of related accounts used to maintain control over resources that have been segregated for specific activities or objectives. The Town, like other governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The funds of the Town can be divided into the following three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental Funds - Governmental funds are used to account for the same functions reported as governmental activities in the government-wide financial statements. Unlike government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. This information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds to similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions.

Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate a comparison between governmental funds and governmental activities.

Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for each major fund. The funds reported as major funds are as follows:

- General fund
- Small bonded capital projects fund

Data from the other governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these other governmental funds is provided in the form of combining statements on Schedules 4 and 5.

**Town of New Canaan, Connecticut
Management's Discussion and Analysis (continued)**

The basic governmental fund financial statements can be found on Exhibits C, D, and E.

Proprietary Funds - The Town uses two different types of proprietary funds. Enterprise funds are used to report the functions presented as business-type activities in government-wide financial statements. The Town uses an enterprise fund to report the activities of the Waveny Pool Fund. Internal service funds are an accounting device used to accumulate and allocate costs internally among the Town's various functions.

The Town uses internal service funds to account for its employees' and retirees' self-insured medical benefits. Because these services predominately benefit governmental rather than business-type functions, they have been included within governmental activities in the government-wide financial statements.

Proprietary funds provide the same type of information as government-wide financial statements but in more detail. The proprietary fund financial statements provide separate information for the Waveny Pool Fund. The Waveny Pool Fund is considered a major fund.

The basic proprietary fund financial statements can be found on Exhibits F, G, and H.

Fiduciary Funds - Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the Town's programs. The accounting used for fiduciary funds is much like that used for proprietary funds.

The basic fiduciary fund financial statements can be found on Exhibits I and J.

Notes to financial statements

The notes to financial statements provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to financial statements can be found on Exhibit K of this report.

Required supplementary information

In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information as follows:

- A budgetary comparison schedule for the General Fund to demonstrate compliance with this budget.
- Schedules to demonstrate the Town's progress in funding its obligation to provide pension benefits.
- Schedules to demonstrate the Town's progress in funding its obligation to provide other post-employment benefits.

Other information

The combining statements referred to earlier in connection with other governmental funds are presented immediately following the required supplementary information.

Government-wide financial analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. The Town's assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources at the close of the most recent fiscal year by \$212,110,201. Of the total Town net position, \$30,467,119 (14.36%) represents resources that are subject to external restrictions on how they may be used.

The above table focuses on the net position and the comparison of the prior fiscal year to the current fiscal year.

The largest portion of net position of the Town reflects its net investment in capital assets, less any related debt and liabilities used to acquire those assets that are still outstanding. The Town uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending.

Although the Town's investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources since the capital assets themselves cannot be used to liquidate these liabilities. Details regarding the significant changes in capital assets and long-term debt can be found in Exhibit K, Notes III D, and F.

Governmental activities

The significant changes are discussed below:

Revenue category	Amount	Description
Charges for services revenue increased by:	\$ 1,371,784	Primarily due to an increase in student activity revenues.
Operating grants and contributions decreased by:	(2,137,801)	Primarily due to a \$2,993,984 decrease in ARPA grant revenue and a \$223,341 decrease in ARP IDEA revenue. These were partially offset by a \$1,411,387 increase in Teachers Retirement on behalf revenue.
Capital grants and contributions increased by:	2,252,971	Primarily due to a new highway planning grant of \$1,129,070 and LOCIP grant of \$755,166.

**Town of New Canaan, Connecticut
Management's Discussion and Analysis (continued)**

Property tax revenue increased by:	6,023,515	Primarily due to growth in the grand list and an increase in the amount levied to fund the budget.
------------------------------------	-----------	--

Net change in fair value of investments increased by:	1,455,148	Primarily due to gains in the market.
---	-----------	---------------------------------------

Expense category	Amount	Description
------------------	--------	-------------

General government expenses decreased by:	\$ (1,438,642)	Primarily due to a \$869,084 decrease in ARPA grant expenses and a \$350,000 decrease in affordable housing expenses.
---	----------------	---

Public safety and protection expenses decreased by:	(1,401,563)	Primarily due to a \$1,510,187 decrease in pension expense due to an increase in projected earnings on pension plan investments and differences between projected and actual earnings on plan investments.
---	-------------	--

Education expense increased by:	5,902,561	Primarily due to a \$1,411,387 increase in Teachers Retirement on behalf expense and a \$3,986,209 increase in the budget.
---------------------------------	-----------	--

Business-type activities

Expenses were essentially flat as no major repairs were necessary for the Steve Benko pool.

Financial analysis of the Town's funds

Governmental funds

This year showed an increase of \$2,851,193 in fund balance on a modified accrual basis in the governmental funds. The total fund balance for governmental funds increased to \$38,165,760 from \$35,314,567 in the prior year. See Exhibits C and D in the financial statements.

The change is a result of the activity discussed below.

The **General Fund** balance decreased by \$957,801, from \$27,298,541 to \$26,340,740, with \$20,296,152 being unassigned and \$6,025,681, assigned. Of the assigned fund balance, \$5,000,000 is for the subsequent year's budget. The combined unassigned and the portion assigned for the subsequent year's budget represent 15.41% of the budgetary expenditures and transfers out.

The Board of Finance and Town Council recognize that sound fiscal management forms the foundation for the Town's overall operations. To ensure this support is as effective as possible, the Town's fund balance policy is to maintain a reserve fund of at least 10% of the Town's General Fund annual operating expenditures. This target helps the Town maintain a healthy reserve balance as a safeguard against potential future state funding mandates that could adversely impact the unassigned fund balance.

The **Small Bonded Capital Projects Fund** is a major fund used to account for expenditures related to small bonded capital projects that are not significant enough to be a stand-alone fund. The fund balance increased by \$2,583,291 from the prior year. This is primarily due to the issuance of debt to fund capital projects. The Town typically funds capital projects using its reserves and, as projects are completed, issues bonds during the year, some of which are for projects to be completed in the subsequent fiscal year.

Some of the other governmental funds that are not considered major funds are shown in Schedules 4 and 5 after the notes to the financial statements.

General fund budgetary highlights

Significant budget transfers include:

- A \$559,636 increase to establish a separate department for Land Use, previously included with the Building Department.
- A \$336,630 increase to the police budget due to the hiring of 3 new School Resource Officers.
- A \$615,003 decrease in Debt Service due to Capital Bonding later in the fiscal year.
- A \$677,479 decrease to the Building Department budget primarily due to the split out from the Land Use Department.
- A \$392,335 decrease to the Fire Department budget is due to an unfilled budgeted position and reduced overtime resulting from improved workers' compensation outcomes.

Significant variances are summarized as follows:

- Tax collections were \$1,776,610 above budget due to a higher collection rate than was budgeted. The actual tax collection rate was 99.6% compared to 98.5% budgeted.
- Fees and charges for services were \$271,935 above budget primarily due to conveyance and Transfer Station fees.
- Licenses and permits were \$342,488 above budget primarily due to a rise in building permits.
- Income from investments was \$2,082,690 above budget driven by higher interest rates and better market conditions. This amount includes \$684,281 in interest earned on investments and a \$1,398,409 net change in fair value.
- Other financing sources include the use of fund balance to provide tax relief. The original budget included \$6,000,000 in the appropriation of the general fund balance however, the budgetary basis fund balance drawdown was only \$631,453 as a result of strong tax collections, increased income from investments, permits, and underspending relative to the budget.
- The \$650,000 originally budgeted for contingency was unused at year-end.
- The Town Council approved the Board of Education's annual operating budget, which totaled \$103,039,208. By Connecticut General Statute, the Board of Education has the authority and responsibility to allocate this appropriation to the various expenditure classifications within the operating budget based on clearly articulated programs and related needs. During the year, changes between expenditure classifications occur based on shifting needs and other changes to programs or processes. When this occurs, the Board of Education authorizes transfers between expenditure classifications at its monthly meetings. Education expenditures were \$557,993 under budget, primarily due to relatively small amounts of savings in several areas, including purchased services and supplies.

Total	\$ 103,039,208	\$ -	\$ 103,039,208	\$ 102,481,215	\$ 557,993

The discussion below highlights the differences between the final budget and actual by major object code. Overall, the Board of Education underspent its final budget by \$557,993 or 0.5%.

- In Purchased Services, the District underspent its budget by \$267,727 which was primarily driven by lower Out of District Tuition and bus fuel.
- In Supplies, the District underran the budget by \$132,322 and was mainly attributable to lower spending in instructional supplies, text books and office supplies.

A summary of the New Canaan Public Schools fiscal year 2024 financial activity as compared to the prior year is as follows:

	<u>Actual Budgetary Basis</u>		
	<u>Prior Year</u>	<u>Current Year</u>	<u>Variance to Prior Year</u>
Salaries	\$ 64,177,604	\$ 67,647,475	\$ 3,469,871

Total	\$ 98,471,398	\$ 102,481,215	\$ 4,009,817

The District's expenditures increased year over year by \$4,009,817 (+4.07%) to \$102,481,215. The discussion below of the variances between fiscal years reflects the most significant of the changes:

- Salaries increased by \$3,469,871. The District employs over 900 staff. The list of employees includes certified and non-certified staff, substitutes, tutors, coaches, and system-wide employees. The annual salary increase in fiscal year 2024 accounts for the vast majority of the increase. In addition, there were several teachers that were previously funded by grants that moved over to the Operating Fund. Partly offsetting these increases were turnover savings and the timing of backfill hires.

**Town of New Canaan, Connecticut
Management's Discussion and Analysis (continued)**

- Employee Benefits increased by \$1,168,636. The primary increases were from the Internal Service Fund for health which increased year-to-year by \$1,151,710 driven by higher claims. Also, employee payroll taxes increased by \$90,854 associated with the overall increase in salaries.

Proprietary funds

The proprietary fund activity is shown in Exhibits F through H. These funds include enterprise funds and internal service funds. The most significant of these is the internal service funds for self-insurance (Schedules 7-8).

At the beginning of fiscal year 2024, the Town Health Benefits Fund and the Education Health Benefits Fund were merged into a single fund. The combined fund ended the year with a net position of \$1,295,516. It recorded \$25,627,484 in revenues, \$26,646,123 in operating expenses, and a \$1,000,000 operating transfer of excess fund balance. These activities resulted in a net position decrease of \$2,018,639, reducing the starting net position of \$3,314,155.

The Waveny Pool Fund ended the year with a net position of \$1,321,585, a \$94,169 increase from the prior year of \$1,227,416. Changes in the Waveny Pool Fund are discussed further in the government-wide financial analysis above.

Fiduciary funds

The fiduciary fund activity is shown in Exhibits I through J. These funds include the Pension and OPEB Trust Funds. Detail notes on fiduciary funds are included in Exhibit K, Note VA, VD, and VF.

The Town's retirement plan, while maintaining its fully funded status, had a 13.08% money-weighted rate of return, leading to a net investment income of \$20,342,362 due to market gains. The plan began the year with a net position of \$158,991,097. Throughout the year, the plan paid out total benefits and fees of \$8,934,764 and received \$989,310 in contributions, ending the year with a net position of \$171,388,005. The Town's OPEB Trust Fund net position increased from \$19,389,044 to \$21,998,563. Throughout the year the Trust Fund paid out benefits of \$2,154,969 and received contributions of \$2,198,972.

Capital assets and long-term liabilities

Capital assets

At the end of the year, the Town had an investment of \$291,668,929 in capital assets used in governmental activities and \$1,578,703 for business-type activities. These amounts represent a net increase (including additions and deductions) of 6.7% in capital assets or a total of \$18,471,970 from last year. Total depreciation expense was \$13,528,767 for governmental activities and \$45,599 for business-type activities.

Business-type activities

- Buildings and improvements:
 - Major upgrades to the Steve Benko Pool \$ 236,037

More detailed information about the Town’s capital assets is presented in Exhibit K Note III D.

Long-term liabilities

Long-Term Debt		
June 30		
Category	Governmental Activities	
	2024	2023
General obligation bonds	\$ 110,930,000	\$ 97,445,000
Notes	1,175,752	1,079,630
Leases payable	377,043	960,852
Subscriptions payable	187,225	351,325
Total	\$ 112,670,020	\$ 99,836,807

- As of year-end, the business-type activities had no long-term debt.
- Total long-term debt increased by \$12,833,213 from \$99,836,807 to \$112,670,020 primarily due to the issuance of \$27,025,000 in General Obligation Bonds and offset by \$13,540,000 in debt payments. The Town’s general obligation bonds continue to carry a Moody’s rating of “Aaa”. Long-term debt is discussed in Exhibit K Note III F.

Pension and other post-employment benefits (OPEB) liability

The fiscal year 2024 approved budget included full funding of the actuarially determined employer contribution (ADEC) of \$207,649 to the Pension Fund. Contributions in fiscal year 2024 in relation to the OPEB Plan were \$2,045,145 which was \$1,180,163 in excess of the ADEC amount. For additional information on the net OPEB liability please see RSI 4A.

Economic factors and next year’s budgets and rates

The 2024-2025 general fund adopted budget totals \$174,932,919. The following economic factors currently affect the Town and were considered in developing the 2024-2025 fiscal year budget:

- The increase in inflation was felt across all costs related to utilities, supplies, maintenance, and repairs.
- Anticipated flat interest rates in fiscal year 2025 compared to fiscal year 2024 having a neutral impact on interest income.

Requests for information

This financial report is designed to provide our citizens, taxpayers, customers, investors, and creditors with a general overview of the Town’s finances and to show the Town’s accountability to its stakeholders. Requests for additional financial information should be addressed to the Finance Department of New Canaan, 77 Main Street, New Canaan, CT 06840, (203) 594-3024.

**Reconciliation of the Statement of Revenues, Expenditures and Changes
in Fund Balances of Governmental Funds to the Statement of Activities
For The Year Ended June 30, 2024**

Amounts reported for governmental activities in the statement of activities (Exhibit B) are due to:

Net change in fund balances - total governmental funds (Exhibit D)	<u>\$ 2,851,193</u>
--	---------------------

Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation/amortization expense.

Capital outlay	31,810,299
Depreciation/amortization expense	<u>(13,528,767)</u>
Total	<u>18,281,532</u>

Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds and revenues recognized in the fund financial statements are not recognized in the statement of activities:

Change in property tax receivable - accrual basis change	378,611
Change in sewer use receivable - accrual basis change	<u>13,040</u>
Total	<u>391,651</u>

The issuance of long-term debt (e.g., bonds, notes, leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction however, has any effect on net position. Also, governmental funds report the effect of premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities. The details of these differences in the treatment of long-term debt and related items are as follows:

Debt issued or incurred:	
General obligation bonds and notes	(27,825,000)
Leases	(10,854)
Premium	(2,231,085)

Town of New Canaan, Connecticut

Notes to Financial Statements
As of and for the Year Ended June 30, 2024**History and organization**

The Town of New Canaan, Connecticut (“Town”) was incorporated as a Town in 1801. The Town operates under a Town Council, Board of Selectmen and Board of Finance form of government. Under this form of government, the Town Council is the legislative body. The administrative branch is led by an elected three-member Board of Selectmen. The Town provides services as authorized by its charter including public safety (police and fire), public works, social services, parks and recreation, education and general administrative services.

The accompanying financial statements present the Town and its component units, entities for which the Town is considered to be financially accountable. The Town is financially accountable for the pension and OPEB trust funds and therefore, they are considered fiduciary component units. The financial statements of the fiduciary component units are reported as pension and OPEB trust funds in the fiduciary fund financial statements. The pension and OPEB trust funds do not issue separate financial statements.

I. Summary of significant accounting policies**A. Government-wide and fund financial statements**

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the primary government. *Governmental activities*, which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities*, which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues*.

Separate financial statements are provided for governmental funds, proprietary funds and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and the major individual enterprise funds are reported as separate columns in the fund financial statements.

B. Measurement focus, basis of accounting and financial statement presentation

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenues as soon as all eligibility requirements imposed by the provider have been met.

Town of New Canaan, Connecticut

Notes to Financial Statements
As of and for the Year Ended June 30, 2024

B. Measurement focus, basis of accounting and financial statement presentation (continued)

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. In addition, the Town considers reimbursement grants to be available if they are collected within one year of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to pension and OPEB, compensated absences, claims and judgments, and certain other long-term liabilities are recorded only when payment is due. General capital asset acquisitions are reported as expenditures in governmental funds.

Expenditure-type reimbursement grants, certain intergovernmental revenues, transfers and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. All other revenue items, including property taxes, are considered to be measurable and available only when cash is received by the Town.

The Town reports the following major governmental funds:

General Fund	The Town’s primary operating fund. It accounts for all financial resources of the general government, except those funds required to be accounted for in another fund.
Small Bonded Capital Projects Fund	Accounts for expenditures related to small bonded capital projects that are not significant enough to be a stand-alone fund.

The Town reports the following major proprietary fund:

Waveny Pool Fund	Accounts for Waveny pool revenues and related expenses.
------------------	---

Additionally, the Town reports the following fund types:

Special Revenue Funds	Accounts for and reports the proceeds of specific revenue resources that are restricted or committed to expenditures for specified purposes other than debt.
Capital Project Funds	Accounts for and reports resources and expenditures that are restricted, committed or assigned for the acquisition and construction of capital facilities, including those that are financed through special assessments.
Permanent Fund	Accounts for resources that are legally restricted to the extent that only earnings, not principal, may be used for purposes as categorized by the fund title.
Internal Service Funds	Accounts for risk financing activities for medical and dental health insurance as allowed by GASB Statement No. 10.

Town of New Canaan, Connecticut

Notes to Financial Statements
As of and for the Year Ended June 30, 2024

B. Measurement focus, basis of accounting and financial statement presentation (continued)

Pension Trust Funds	Accounts for the activity of the Town’s defined benefit pension plan, which accumulates resources for pension benefit payments to qualified employees.
Other Post Employment Benefits (“OPEB”) Trust Funds	Accounts for the activities of the Town’s OPEB Plan, which accumulates resources for OPEB benefit payments to qualified employees.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are other charges between the Town’s sewer and water operations and various other functions of the Town. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

Amounts reported as *program revenues* include 1) charges to customers or applicants for goods, services or privileges provided, 2) operating grants and contributions and 3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as *general revenues* rather than as program revenues. Likewise, general revenues include all taxes.

Proprietary funds distinguish *operating* revenues and expenses from *nonoperating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund’s principal ongoing operations. The principal operating revenues of the enterprise funds and of the Town’s internal service fund are charges to customers for sales and services. Operating expenses for the enterprise funds and internal service fund include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

For purposes of measuring the net pension and OPEB assets and liabilities, deferred outflows of resources and deferred inflows of resources related to pensions and OPEB, and pension and OPEB expense, information about the fiduciary net position and additions to/deductions from fiduciary net position of the Town’s pension and OPEB plans, the Connecticut State Teachers’ Retirement System (“TRS”) and the Connecticut Retiree Health Insurance Plan (“RHIP”) have been determined on the same basis as they are reported by the Town of New Canaan Retirement Systems, TRS, and RHIP. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with benefit terms.

C. Assets, liabilities, deferred outflows/inflows of resources and net position or equity

1. Deposits and investments

a. Deposits

The Town considers cash as cash on hand and demand deposits.

For cash flow purposes, the Town’s cash consists of cash on hand, demand deposits, money market accounts and short-term investments with original maturities of three months or less from the date of acquisition.

Town of New Canaan, Connecticut

Notes to Financial Statements
As of and for the Year Ended June 30, 2024

C. Assets, liabilities, deferred outflows/inflows of resources and net position or equity (continued)

b. Investments

In general, State of Connecticut Statutes allow the Town to invest in obligations of the United States of America or United States government sponsored corporations, in shares or other interests in any custodial arrangement, pool or no-load, open-end management type investment company or investment trust (as defined), in obligations of any State or political subdivision rated within the top two rating categories of any nationally recognized rating service, or in obligations of the State of Connecticut or political subdivision rated within the top three rating categories of any nationally recognized rating service. Investment income is recorded in the fund in which it was earned.

State Treasurer’s Short-Term Investment Fund is an investment pool managed by the State of Connecticut Office of the State Treasurer. Investments must be made in instruments authorized by Connecticut General Statutes 3-27c - 3-27e. Investment guidelines are adopted by the State Treasurer. The fair value of the position in the pool is the same as the value of the pool shares.

The Town’s General Fund, Internal Service Funds and pension and OPEB plans have adopted formal investment policies that defines allowable investments, prohibited investments, prohibited transactions, asset allocation guidelines and diversification guidelines and fixed income and cash equivalent guidelines. The General Fund investment policy is aligned with Connecticut General Statutes.

The investment guidelines are as follows:

Asset Class	Target Allocation	
	Town's Pension	Town's OPEB
Equities	65.00%	65.00%
Fixed income	35.00%	35.00%
Total	100.00%	100.00%

Reasonable precautions will be taken to avoid excessive investment concentrations to protect the portfolio against unfavorable outcomes within an asset class. Specifically, the following guidelines are in place for the pension and OPEB plans:

- a) With the exception of fixed income investments explicitly guaranteed by the U.S. Government, no single investment security shall represent more than 5.00% of total assets.
- b) With the exception of passively managed investment vehicles seeking to match the returns on a broadly diversified market index, no single investment pool or investment company (mutual fund) shall comprise more than 20.00% of total plan assets.
- c) With respect to fixed income investments, the minimum average credit quality of these investments shall be investment grade (Standard & Poor's BBB; Moody's Baa) or higher.

Town of New Canaan, Connecticut

C. Assets, liabilities, deferred outflows/inflows of resources and net position or equity (continued)

c. Method used to value investments

Investments are reported at fair value. Securities traded on a national or international exchange are valued at the last reported sales price at current exchange rates.

Fair value of investments

The Town measures and records its investments using fair value measurement guidelines established by accounting principles generally accepted in the United States of America (GAAP). These guidelines recognize a three-tiered fair value hierarchy, as follows:

Level 1	Quoted prices for identical investments in active markets
Level 2	Quoted prices for identical investments in markets that are not active
Level 3	Unobservable inputs

d. Risk policies

Interest rate risk	Interest rate risk is the risk that the government will incur losses in fair value caused by changing interest rates. The Town minimizes interest rate risk by structuring the investment portfolio so that the securities mature to meet cash requirements for ongoing operations, avoiding the need to sell securities on the open market prior to maturity. The Town's interest rate risk policy targets an effective duration of the portfolio of 3.5 years and at no time can exceed 4.5 years.
Credit risk	Credit risk is the risk that an issuer or other counterparty will not fulfill its specific obligation even without the entity's complete failure. The Town's policy for credit risk is to invest in obligations allowable under the Connecticut General Statutes as described previously and pre-qualifying institutions with which the Town may do business.
Concentration of credit risk	Concentration of credit risk is the risk attributed to the magnitude of an entity's investments in a single issuer. The Town follows the limitations specified in the Connecticut General Statutes. Generally, the Town's deposits cannot be 75% or more of the total capital in any one depository.
Custodial credit risk	Custodial credit risk is the risk that, in the event of the failure of the counterparty, the Town will not be able to recover the value of its investment or collateral securities that are in the possession of an outside party. The Town's investment policy for custodial credit risk is to invest in obligations allowable under the Connecticut General Statutes as described previously and pre-qualifying institutions with which the Town may do business and collateralization of deposits and investments in accordance with Connecticut General Statutes 36a-333.
Foreign currency risk	Foreign currency risk is the risk that the value of the investment may be affected by changes in the rate of exchange. The Town does not have a formal policy with respect to the foreign currency risk.

Town of New Canaan, Connecticut

**Notes to Financial Statements
As of and for the Year Ended June 30, 2024****C. Assets, liabilities, deferred outflows/inflows of resources and net position or equity (continued)****2. Receivables and payables****a. Interfunds**

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either “due to/from other funds” (i.e., the current portion of interfund loans) or “advances to/from other funds” (i.e., the non-current portion of interfund loans). Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as “internal balances”.

b. Property taxes and other receivables

In the government-wide financial statements, all trade and property tax receivables are shown net of an allowance for uncollectibles. Allowance percentages range from 15.00% to 25.00% of outstanding receivable balances and are calculated based upon prior collections.

In the fund financial statements, all property taxes receivable at June 30, which have not been collected as of June 30, have been recorded as deferred inflows of resources since they are not considered to be available to finance expenditures of the current year. Property taxes are assessed on property as of October 1. Taxes are billed in the following July and are due in two installments, July 1 and January 1. Personal property and motor vehicle taxes are billed in July and are due in one installment, July 1, and supplemental motor vehicle taxes are due in full January 1. Liens are effective on the assessment date and are continued by filing before the end of the fiscal year following the due date.

Loan receivables consist of a construction line of credit to the New Canaan Library, a separate not-for-profit entity. The line of credit was furnished for the purpose of providing the library with funds needed to cover a temporary cash shortfall between construction costs and receipt of pledged donations. At year end, \$3,000,000 of the \$10,000,000 line of credit has been advanced. The pledged donations are the collateral on the loan. The loan term is ten years from the first draw with an interest rate of the Town’s borrowing cost plus 0.25%.

c. Leases receivable

The Town recognizes a lease receivable and a deferred inflow of resources in the government-wide and governmental fund financial statements.

At the commencement of a lease, the Town initially measures the lease receivable at the present value of payments expected to be received during the lease term. Subsequently, the lease receivable is reduced by the principal portion of lease payments received. The deferred inflow of resources is initially measured as the initial amount of the lease receivable, adjusted for lease payments received at or before the lease commencement date. Subsequently, the deferred inflow of resources is recognized as revenue over the life of the lease term.

Town of New Canaan, Connecticut

Notes to Financial Statements
As of and for the Year Ended June 30, 2024

C. Assets, liabilities, deferred outflows/inflows of resources and net position or equity (continued)

Key estimates and judgments related to leases include:

Discount Rate	The Town uses its estimated incremental borrowing rate as the discount rate used to discount the expected lease receipts to present value.
Lease Term	The lease term includes the noncancellable period of the lease.
Lease Payments	Lease receipts included in the measurement of the lease receivable is composed of fixed payments from the lessee.

The Town monitors changes in circumstances that would require a remeasurement of its lease and will remeasure the lease receivable and deferred inflows of resources if certain changes occur that are expected to significantly affect the amount of the lease receivable.

3. Restricted assets

The restricted assets for the Town are restricted for performance bonds and endowments. Performance bonds are temporarily restricted until the monies are returned to the vendor after satisfactory completion of the contract or the Town calls the bond for nonperformance. The trust agreement restricts the expenditure of the investment income only for the designated purpose.

4. Capital assets

Capital assets are reported in the applicable governmental or business-type activities columns in the government-wide financial statements and proprietary fund financial statements. Capital assets are defined by the Town as assets with an initial, individual cost as noted in the table below and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets' lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Certain capital assets retain a salvage value of 5% of the original cost. Capital assets of the Town are depreciated/amortized using the straight-line method over the following estimated useful lives:

Assets	Years	Capitalization Threshold
Land	N/A	All
Construction in progress	N/A	\$ 10,000
Intangible right-to-use leased assets	Lease term	20,000
Intangible right-to-use subscription assets	Subscription Term	20,000
Land improvements	20	10,000
Building and improvements	50	10,000
Machinery and equipment	5-15	10,000
Vehicles	8	10,000
Infrastructure	20-65	10,000

Town of New Canaan, Connecticut

**Notes to Financial Statements
As of and for the Year Ended June 30, 2024****C. Assets, liabilities, deferred outflows/inflows of resources and net position or equity (continued)****5. Deferred outflows/inflows of resources**

In addition to assets, the statement of net position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net assets that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then.

In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net assets that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time.

The Town reports deferred outflows and inflows of resources related to pensions and OPEB in the government-wide statements for differences between expected and actual experience, changes in assumptions and net difference between projected and actual earnings on plan investments. The deferred outflow or inflow related to differences between expected and actual experience and changes in assumptions will be amortized over the average remaining service life of all plan members. The deferred outflow or inflow related to the net difference between projected and actual earnings on plan investments will be amortized over a five-year period.

Deferred inflows of resources include deferred inflows relating to the lease receivable. These amounts are deferred and are amortized to lease revenue in a systematic and rational manner over the term of the lease.

Deferred inflows of resources also include deferred inflows relating to advance refunding of debt. These amounts are deferred and are amortized over the shorter of the life of the new debt or the remaining life of the old debt.

For governmental funds, the Town reports unavailable revenue, which arises only under the modified accrual basis of accounting. Accordingly, unavailable revenue is reported only in the governmental funds' balance sheet. The governmental funds report unavailable revenues from several sources: property taxes (including advance collections, if any), sewer assessment and use charges. These amounts are recognized as an inflow of resources in the period that the amounts become available.

6. Compensated absences

Vacation time earned during the fiscal year can be carried over to the succeeding year, subject to limitations as provided in the respective collective bargaining agreements. Employees are entitled to accumulate sick leave up to a maximum amount stipulated in each contract. Payment for accumulated sick leave is dependent upon the length of service and accumulated days. Additionally, certain vacation and sick leave expenses will be paid out of the pension funds upon retirement. The value of all compensated absences has been reflected in the government-wide financial statements.

Town of New Canaan, Connecticut

C. Assets, liabilities, deferred outflows/inflows of resources and net position or equity (continued)

7. Long-term liabilities

In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term liabilities are reported as liabilities in the applicable governmental activities, business-type activities or proprietary fund type statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenses.

In the fund financial statements, governmental fund types recognize bond premiums and discounts during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

8. Lease and subscription liabilities

The Town recognizes a lease/subscription liability and an intangible right-to-use lease/subscription asset (lease/subscription asset) in the government-wide financial statements.

At the commencement of a lease/subscription, the Town initially measures the lease/subscription liability at the present value of payments expected to be made during the term. Subsequently, the lease/subscription liability is reduced by the principal portion of payments made. The lease/subscription asset is initially measured as the initial amount of the lease/subscription liability, adjusted for payments made at or before the commencement date, plus certain initial direct costs. Subsequently, the lease/subscription asset is amortized on a straight-line basis over its useful life.

Key estimates and judgments related to leases and subscriptions include:

Discount rate	The Town uses the interest rate charged by the lessor/subscription vendor as the discount rate to discount the expected payments to the present value. When the interest rate charged is not provided, the Town generally uses its estimated incremental borrowing rate as the discount rate.
Term	The lease/subscription term includes the noncancellable period of the lease/agreement.
Payments	Lease/subscription payments included in the measurement of the liability are composed of fixed payments and any purchase option price that the Town is reasonably certain to exercise.

The Town monitors changes in circumstances that would require a remeasurement of its lease or subscriptions and will remeasure the lease/subscription asset and liability if certain changes occur that are expected to significantly affect the amount of the lease/subscription liability.

C. Assets, liabilities, deferred outflows/inflows of resources and net position or equity (continued)

Lease/subscription assets are reported with other capital assets and lease/subscription liabilities are reported with long-term debt on the statement of net position.

9. Fund equity and net position

In the government-wide financial statements, net position is classified into the following categories:

Net Investment in Capital Assets	This category presents the net position that reflects capital assets net of depreciation/amortization and net of only the debt applicable to the acquisition or construction of these assets. Debt issued for non-capital purposes, and unspent bond proceeds, are excluded.
Restricted Net Position	This category presents the net position restricted by external parties (creditors, grantors, contributors or laws and regulations).
Unrestricted Net Position	This category presents the net position of the Town which is not classified in the preceding two categories.

Sometimes the Town will fund outlays for a particular purpose from both restricted (e.g., restricted bond or grant proceeds) and unrestricted resources. In order to calculate the amounts to report as restricted net position and unrestricted net position in the government-wide financial statements, a flow assumption must be made about the order in which the resources are considered to be applied. It is the Town's policy to consider restricted net position to have been depleted before unrestricted net position is applied.

In the fund financial statements, fund balances are classified into the following categories:

Nonspendable	This category presents amounts that cannot be spent either because they are in nonspendable form or because they are legally or contractually required to be maintained intact.
Restricted	This category presents amounts that can be spent only for specific purposes because of enabling legislation or because of constraints that are externally imposed by creditors, grantors, contributors, or the laws or regulations of other governments.
Committed	This category presents amounts that can be used only for specific purposes determined by a formal action at the highest level of decision-making authority for the Town. Commitments may be established, modified, or rescinded only through resolutions approved by the Town Council.
Assigned	This category presents amounts that do not meet the criteria to be classified as restricted or committed but that are intended to be used for specific purposes. Intent is expressed by the passage of a resolution by the Board of Finance or Town Council or by a properly approved purchase order.
Unassigned	This category presents amounts that do not meet the criteria above and are available for any purpose. This category is only reported in the general fund for positive amounts and in any other fund that has a fund balance deficit.

Town of New Canaan, Connecticut

**Notes to Financial Statements
As of and for the Year Ended June 30, 2024****C. Assets, liabilities, deferred outflows/inflows of resources and net position or equity (continued)**

The Town will sometimes fund outlays for a particular purpose from both restricted and unrestricted resources (the total of committed, assigned and unassigned fund balance). In order to calculate the amounts to report as restricted, committed, assigned and unassigned fund balance in the governmental fund financial statements, a flow assumption must be made about the order in which the resources are considered to be applied. It is the Town's policy to consider restricted fund balance to have been depleted before using any of the components of unrestricted fund balance. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

Minimum fund balance policy

The Board of Finance and Town Council have adopted a minimum fund balance policy for the General Fund. The policy establishes the intent to maintain a level of unassigned fund balance of 10.00% of the general fund operating budget.

10. Use of estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities including disclosures of contingent assets and liabilities and reported revenues, expenses and expenditures during the fiscal year. Actual results could differ from those estimates.

11. Reclassifications

Certain amounts presented in the prior year data have been reclassified in order to be consistent with the current year's presentation.

II. Stewardship, compliance and accountability**A. Donor-restricted endowments**

The Town has received certain endowments for special education programs. The amounts are reflected in net position as restricted for endowments. Investment income is approved for disbursement by the Board of Education or the applicable Trustee and is included in restricted fund balance. At year end, there was no net appreciation available for appropriation from the Sydney Weisner Fund.

The Town allocates investment income of donor-restricted endowments in accordance with donor restrictions and Connecticut law, which has adopted the provisions of the Uniform Prudent Management of Institutional Funds Act ("UPMIFA"). Under UPMIFA, investment income earned on donor-restricted endowment funds is considered to be unrestricted in the absence of explicit donor restrictions. Further, in the absence of explicit donor restrictions regarding investment appreciation, such appreciation is treated the same as the related investment income. Investment losses that reduce the value of endowment investments below the original principal amount serve to reduce restricted net position or unrestricted net position, depending upon the applicable donor's stipulations regarding the treatment of investment income and appreciation.

III. Detailed notes**A. Cash and investments****1. Cash**

- a. Cash balances are summarized as follows:

Statement of Net Position (Exhibit A)	
Current assets	\$ 14,731,837
Noncurrent assets - temporarily restricted	<u>302,354</u>
Total cash	<u><u>\$ 15,034,191</u></u>

b. Deposits – custodial credit risk

At year end, the Town's bank balance, including certificates of deposit and bank money market accounts classified as investments, was exposed to custodial credit risk as follows:

Bank balance	<u>\$ 21,404,420</u>
Uninsured and uncollateralized	\$ 8,583,768
Uninsured and collateral held by the pledging bank's trust department, not in the Town's name	<u>2,145,205</u>
Total amount subject to custodial credit risk	<u><u>\$ 10,728,973</u></u>

Financial instruments that potentially subject the Town to significant concentrations of credit risk consist primarily of cash. From time to time, the Town's cash account balances exceed the Federal Deposit Insurance Corporation limit. The Town reduces its credit risk by maintaining its cash deposits with major financial institutions and monitoring their credit ratings.

2. Investments

- e. Certain investments are covered by the Securities Investor Protection Corporation ("SIPC") up to \$500,000, including \$250,000 of cash from sale or for purchase of investments, but not cash held solely for the purpose of earning interest. SIPC protects securities such as notes, stocks, debentures, certificates of deposit and money funds.

The following Town investments are held by the counterparty's trust department or agent but not in the Town's name and, therefore, are subject to custodial credit risk.

	Total	Less Insured Amounts	Amount Subject to Custodial Credit Risk
U.S. government agency securities	\$ 17,458,244	\$ 1,000,000	\$ 16,458,244

In addition to the SIPC insurance, the trustees have additional insurance. One account is covered by the trustee's additional insurance up to \$24,500,000 per client with an aggregate loss limit of \$100,000,000. The other account is covered by the trustee's additional insurance with an aggregate loss limit of \$500,000,000.

IV. Other information**A. Risk management**

The Town is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters for which the Town carries commercial insurance except as noted below. There have been no significant reductions in insurance coverage. Settlement amounts have not exceeded insurance coverage for the current year or three prior years.

The Town is a member of the Connecticut Interlocal Risk Management Agency ("CIRMA"), formed by the Connecticut Conference of Municipalities for the purpose of establishing and administering an interlocal risk management program pursuant to the provisions of Section 7-479a et. seq. of the Connecticut General Statutes.

The Town is a member of CIRMA's workers' compensation pool and liability-auto-property ("LAP") risk pools. The workers' compensation pool provides statutory benefits pursuant to the provisions of the Connecticut Workers' Compensation Act. The coverage is subject to an incurred loss retrospective rating plan, and losses incurred in the coverage period will be evaluated at 18, 30 and 42 months after the effective date of coverage. CIRMA's workers' compensation pool retains \$1,000,000 per occurrence and purchases insurance above that amount to the limit of liability of \$25,000,000 per occurrence.

The Town is also a member of CIRMA's liability-auto-property ("LAP") pool, a risk sharing pool. The LAP pool's retention limits for general, personal injury and advertising injury, auto, employee benefits, law enforcement, public officials and school leaders' liability are \$1,000,000 per occurrence and purchases insurance above that amount to the limit of liability of \$25,000,000 per occurrence.

A. Risk management (continued)

The Town utilizes a risk management fund (the Internal Service Fund) to account for and finance its uninsured risks of loss. The fund records all claim expenditures and liabilities when it is probable that a loss has occurred and the amount of that loss can be reasonably estimated.

The Town and Board of Education pay premiums to the Internal Service Fund for employees for medical and dental claims. The premium is calculated to cover the estimated cost of claims payment based on historical cost estimates of the amounts needed to pay prior and current year claims. The Town and Board of Education retain insurance policies for employee claims in excess of the maximum liability amounts. Maximum liability to the Town and Board of Education per covered participant is \$100,000 and \$300,000, respectively. A third party administers the plans in exchange for an administrative fee.

Claims liabilities include an estimate of claims incurred but not reported and are the Town's best estimate based on available information.

The claims liability reported in the fund is based upon accounting principles, which require that a liability for estimated claims incurred but not reported be recorded. The amount of claim accrual is based on the ultimate costs of settling the claim, which include past experience data, inflation and other future economic and societal factors and incremental claim adjustment expenses, net of estimated subrogation recoveries. The claim accrual does not include other allocated or unallocated claims adjustment expenses.

Changes in the balances of claim liabilities during the past two years is as follows:

	Claims Payable July 1	Current year Claims and Changes in Estimates	Claims Paid	Claims Payable June 30
<u>Town Health Benefits</u>				
2022-2023	\$ 320,000	\$ 4,626,561	\$ 4,646,561	\$ 300,000

**Notes to Financial Statements
As of and for the Year Ended June 30, 2024****B. Commitments and litigation**

Amounts received or receivable from Federal and State grantor agencies are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time, although the Town expects such amounts, if any, to be immaterial.

The Town is a defendant in various lawsuits and the outcome of these lawsuits is not presently determinable. The resolution of these matters are not expected to have a material adverse effect on the financial condition of the Town.

C. Related party transactions

During the year ended June 30, 2024, the Town purchased vehicles and paid for vehicle repairs from Karl Chevrolet, a company in which an elected official of the Town has a significant interest. The total amount paid to this company during the year ended June 30, 2024 was \$281,093. While this amount is not material to the Town's financial statements, the Town felt it prudent to disclose these related party transactions. The related party relationship was disclosed to the Board of Selectmen prior to the purchases being approved. These transactions were conducted under terms similar to those available to unrelated third parties and no preferential pricing was applied.

V. Pensions and other post-employment benefit ("OPEB") plans**A. Pension plan****1. Plan description****a. Plan administration**

The Town is the administrator of a single employer public employee retirement system ("Plan"), the Retirement Plan of the Town of New Canaan, established and administered by the Town to provide pension benefits for its regular and former employees (excluding teachers who are covered under the Connecticut State Teachers' Retirement System ("TRS")). The Plan is considered to be part of the Town of New Canaan's financial reporting entity and is included in the Town's financial statement as a pension trust fund. A separate stand-alone financial report is not issued. Benefits may be changed by the Town Council through union agreements or other action.

The plan provides retirement benefits through a single employer contributory defined benefit plan. Members include bargained and non-bargained Town employees and employees of the department of public works ("DPW"), police and fire departments, education department, and the employees of the library. Temporary employees, employees working less than 20 hours per week and any education employee covered under the TRS are excluded. The plan is closed to new entrants except for police and fire department employees and education bargained employees.

A pension committee oversees the pension administration and activities. This committee is comprised of the following voting members: the First Selectman, the Town's Finance Director, a member of the Board of Finance, an appointee of the police union and an appointee of the fire union. An appointee of the public works union attends the meetings but is not a voting member.

A. Pension plan (continued)**4. Investments****a. Investment policy and rate of return**

The pension plans' policy in regard to the allocation of invested assets is established and may be amended by the Board of Finance by a majority vote of its members. It is the policy of the Town's Board of Finance to pursue an investment strategy that reduces risk through the prudent diversification of the portfolio across a broad selection of distinct asset classes.

Best estimates of geometric real rates of return for each major asset class are included in the pension plan's target asset allocation below.

The long-term expected rate of return on the pension plan investments was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target allocation percentage and by adding expected inflation.

The following is the Board's adopted asset allocation policy and long-term expected real rate of return:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
U.S. equity	42.00%	4.90%
International equity	23.00%	6.68%
U.S. bonds	35.00%	1.08%
Total/weighted average	<u>100.00%</u>	3.98%
Long-term inflation expectation		<u>2.40%</u>
Long-term expected rate of return		<u>6.38%</u>

Annual money-weighted rate of return

The annual money-weighted rate of return on pension plan investments (net of pension plan investment expense) was:

13.08%

The money-weighted rate of return expresses investment performance, net of investment expense adjusted for the changing amounts actually invested.

b. Concentrations

There were no investments in any one organization that represents 5.00% or more of the pension plans' net position.

A. Pension plan (continued)**8. Discount rate**

The discount rate used to measure the total pension liability was 6.625%.

The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that Town contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

9. Changes in the net pension asset

The Town's net pension asset was measured at June 30, 2024, and the total pension liability used to calculate the net pension asset was determined by an actuarial valuation dated as noted below. The changes in net pension asset for the fiscal year were as follows:

<u>Valuation Date: July 1, 2022</u>	<u>Increase (Decrease)</u>		
Town Plan	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension Liability (Asset) (a) - (b)
Balance at July 1, 2023	<u>\$ 149,992,729</u>	<u>\$ 158,991,097</u>	<u>\$ (8,998,368)</u>

The following presents the net pension asset, calculated using the current discount rate as well as what the Town's net pension liability (asset) would be if it were calculated using a discount rate that is 1-percentage-point lower or 1-percentage-point higher than the current rate:

	Discount Rate	1% Decrease	Current Discount Rate	1% Increase
Net pension liability (asset)	<u>6.625%</u>	<u>\$ (84,259)</u>	<u>\$ (17,810,549)</u>	<u>\$ (32,749,730)</u>

The Town reported deferred outflows of resources and deferred inflows of resources and pension expense as follows:

Description of Outflows/Inflows	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 934,667
Changes in assumptions	1,023,780
Net difference between projected and actual earnings on pension plan investments	<u>2,096,514</u>
Total	<u>\$ 4,054,961</u>
<u>Pension Expense</u>	
The plan recognized pension expense of:	<u>\$ (843,661)</u>

Changes of assumptions and experience losses (gains) are amortized over the average remaining service period of actives and inactive which was 3.6 years.

Actual investment earnings below (or above) projected earnings are amortized over the next 5 years.

Amounts reported as deferred outflows (inflows) of resources related to pensions will be recognized in pension expense as follows:

Year Ending June 30,	
2025	(2,594,768)
2026	3,579,125
2027	(3,025,683)

B. Defined contribution retirement savings plan

Certain Town and Board of Education employees are eligible to participate in a defined contribution retirement savings plan administered by the Town known as the Town of New Canaan 401(a) plan. This is in lieu of the defined benefit plan for Town and Board of Education non-bargained employees hired after January 1, 2011 and for department of public works employees hired on or after July 1, 2010. The benefits and contribution requirements are established by approval of the Town Council. In a defined contribution plan, benefits depend solely on amounts contributed to the Plan plus investment earnings. Employer contributions are based on union contracts. Employees may make additional contributions subject to IRS regulations. The Plan is not reported as a fiduciary fund by the Town as it does not meet the reporting criterion.

The Town matches public works and Town non-bargained employees' contributions up to 7.00% of base pay. The Town matches town hall union employees' contributions up to 6.00% of base pay. The Board of Education matches employees' contributions up to 5.00% of base pay. The Town contributions for each employee are 100% vested.

Voluntary contributions up to the amount allowable under IRS regulations may be made by employees to the Town's 457 plan. These contributions may be withdrawn at any time, although earned interest will not be paid until such time as benefits are otherwise payable to the employee.

During the year, the employer contributions were \$778,650 and employee contributions totaled \$2,654,611.

C. Connecticut state teachers' retirement system

1. Plan description

Teachers, principals, superintendents or supervisors engaged in service of public schools are provided with pensions through the Connecticut State Teachers' Retirement System ("TRS"), a cost sharing multiple-employer defined benefit pension plan administered by the Teachers' Retirement Board ("TRB"). Chapter 167a of the State Statutes grants authority to establish and amend the benefit terms to the TRB. TRS issues a publicly available financial report that can be obtained at www.ct.gov/trb.

2. Benefit provisions

Normal retirement	Age 60 with 20 years of credited service in Connecticut, or 35 years of credited service including at least 25 years of service in Connecticut
Benefit calculation	2.00% of the average annual salary times the years of credited service (maximum benefit is 75% of average annual salary during the 3 years of highest salary)
Minimum benefit	Effective January 1, 1999, Public Act 98-251 provides a minimum monthly completed at least 25 years of full time Connecticut service at retirement.

Town of New Canaan, Connecticut

C. Connecticut state teachers' retirement system (continued)

Early retirement	25 years of credited service including 20 years of Connecticut service, or age 55 with 20 years of credited service including 15 years of Connecticut service
Early retirement amount	Benefit amounts are reduced by 6.00% per year for the first 5 years preceding normal retirement age and 4.00% per year for the next 5 years preceding the normal retirement age. Effective July 1, 1999, the reduction for individuals with 30 or more years of service is 3.00% per year by which retirement precedes normal retirement date
Service connected disability amount	2.00% of average annual salary times credited service to date of disability, but not less than 15% of average annual salary, nor more than 50% of average annual salary. In addition, disability benefits under this plan (without regard to cost-of-living adjustments) plus any initial award of social security benefits and workers' compensation cannot exceed 75% of annual average salary
Non-service connected disability service requirement	5 years of credited service
Vesting - service	10 years of service
Vesting - amount	100%
Pre-retirement death benefit amount	Lump-sum return of contributions with interest or surviving spouse benefit depending on length of service

3. Contributions

State of Connecticut

Per Connecticut General Statutes Section 10-183z (which reflects Public Act 79-436 as amended), contribution requirements of active employees and the State of Connecticut are amended and certified by the State Teachers' Retirement Board and appropriated by the General Assembly. The contributions are actuarially determined as an amount that, when combined with employee contributions and investment earnings, is expected to finance the costs of the benefits earned by employees during the year, with any additional amount to finance any unfunded accrued liability.

Employer (school districts)

School district employers are not required to make contributions to the plan.

Employees

Each teacher is required to contribute 7.00% of their salary for the pension benefit.

4. Pension liabilities, pension expense, and deferred outflows of resources and deferred inflows of resources related to pensions

The Town reports no amounts for its proportionate share of the collective net pension liability, and related deferred outflows and inflows due to the statutory requirement that the State pay 100% of the required contribution. The amounts recognized by the Town as its proportionate share of the collective net pension liability, the related State support, and the total portion of the collective net pension liability that was associated with the Town were as follows:

Town's proportionate share of the collective net pension liability	\$ -
State's proportionate share of the collective net pension liability associated with the Town	<u>173,134,943</u>
Total	<u>\$ 173,134,943</u>
The plan recognized pension expense and revenue for on-behalf amounts for contributions to the plan by the State of:	<u>\$ 16,064,487</u>

The collective net pension liability was measured as of June 30, 2023, and the collective total pension liability used to calculate the collective net pension liability was determined by an actuarial valuation as of June 30, 2023. The Town has no proportionate share of the collective net pension liability.

5. Actuarial assumptions

The collective total pension liability was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Valuation date	June 30, 2023
Investment rate of return	6.90%
Inflation	2.50%
Salary increases	3.00-6.50%, including inflation
Mortality rates	Mortality rates were based on the PubT-2010 Table, projected generationally with MP-2019

Town of New Canaan, Connecticut

C. Connecticut state teachers' retirement system (continued)

Future cost-of-living increases are as follows:

<p>Teachers who retired prior to September 1, 1992</p>	<p>Pension benefit adjustments are made in accordance with increases in the Consumer Price Index, with a minimum of 3.00% and a maximum of 5.00% per annum</p>
<p>Teachers who were members of the Teachers' Retirement System before July 1, 2007, and retire on or after September 1, 1992</p>	<p>Pension benefit adjustments are made that are consistent with those provided for social security benefits on January 1 of the year granted, with a maximum of 6.00% per annum. If the return on assets in the previous year was less than 8.50%, the maximum increase is 1.50%</p>
<p>Teachers who were members of the Teachers' Retirement System after July 1, 2007</p>	<p>Pension benefit adjustments are made that are consistent with those provided for social security benefits on January 1 of the year granted, with a maximum of 5.00% per annum. If the return on assets in the previous year was less than 11.50%, the maximum increase is 3.00%, and if the return on the assets in the previous year was less than 8.50%, the maximum increase is 1.00%</p>

The actuarial assumptions used in the June 30, 2023 valuation were based on the results of an actuarial experience study for the 5-year period ending June 30, 2019.

Changes in assumptions and inputs

There were no changes in assumptions from the prior measurement date.

Long-term expected rate of return

The long-term expected rate of return on pension plan investments was determined using a log-normal distribution analysis in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

Town of New Canaan, Connecticut

Notes to Financial Statements
As of and for the Year Ended June 30, 2024

C. Connecticut state teachers' retirement system (continued)

The target asset allocation and best estimates of geometric rates of return for each major class are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Target Expected Real Rate of Return</u>
Global equity	37.00%	6.80%
Public credit	2.00%	2.90%
Core fixed income	13.00%	0.40%
Liquidity fund	1.00%	(0.40%)
Risk mitigation	5.00%	0.10%
Private equity	15.00%	11.20%
Private credit	10.00%	6.10%
Real estate	10.00%	6.30%
Infrastructure and natural resources	7.00%	7.70%
Total	<u>100.00%</u>	

6. Discount rate

The discount rate used to measure the total pension liability was 6.90%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that State contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

7. Sensitivity of the collective net pension liability to changes in the discount rate

The Town's proportionate share of the collective net pension liability is \$0 and, therefore, the change in the discount rate would only impact the amount recorded by the State of Connecticut.

8. Plan fiduciary net position

The net pension liability and proportional share of pension expense presented in this report have been determined based on Connecticut State Teachers Retirement Systems' fiduciary net position included in the State of Connecticut ACFR as of and for the year ended June 30, 2023, which was audited by the State of Connecticut Auditors of Public Accounts and is included in the State of Connecticut's ACFR as a pension trust fund.

D. Other post-employment benefit plan

1. Plan description

a. Plan administration

The Town is the administrator of a single-employer defined benefit plan, the Town of New Canaan OPEB Plan, established and administered by the Town to provide post-employment benefits, other than pensions, for certain employees and retirees. The plan is considered to be part of the Town of New Canaan’s financial reporting entity and is included in the Town’s financial statements as a pension and OPEB trust fund. A separate stand-alone financial report is not issued. Benefits may be changed by the Town Council through union agreements or other action of the council.

The Board of Finance serves as the OPEB board and has delegated certain administrative activities and oversight to the First Selectman.

b. Plan membership

The membership in the plan as of the date indicated is comprised of the following:

Valuation date: July 1, 2022	Town
Retirees and beneficiaries receiving benefits	122
Active members	580
Total	702

2. Benefit provisions

The plan provides for medical and dental benefits for all eligible retirees and their spouses. Benefits and contributions are established by contract and may be amended by union negotiations.

3. Contributions (as a percentage of pensionable wages)

Contributions to the plan are established by contract and may be amended by union negotiations and are as follows:

Town non-bargained, police, fire and education employees	None required
DPW and town hall union employees	0.75%
Town	Actuarially determined on an annual basis using the entry age normal method.

Teachers who no longer work for the Board of Education are allowed by State Statute to participate in the Town’s group medical insurance plan until they formally begin receiving benefits from the State Teachers’ Retirement Plan. These teachers are required to contribute the cost of the insurance to the Town.

Annual money-weighted rate of return

The annual money-weighted rate of return on OPEB plan investments (net of OPEB plan investment expense) was:

13.22%

The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

b. Concentrations

There were no investments in any one organization that represents 5.00% or more of the OPEB plan's net position.

5. OPEB liability

The components of the net OPEB liability were measured as of June 30, 2024 and were as follows:

Total OPEB liability	\$ 25,046,550
Plan fiduciary net position	<u>21,998,563</u>
Net OPEB liability	<u>\$ 3,047,987</u>
Plan fiduciary net position as a percentage of the total OPEB liability	<u>87.83%</u>

6. Actuarial methods and assumptions

Actuarial assumptions are based on the results of an actuarial experience study for the period July 1, 2010 through July 1, 2015.

7. Change from prior year

a. Changes in assumptions

There were no changes in assumptions.

b. Benefit changes

There were no changes in benefits from the previous measurement date.

Town of New Canaan, Connecticut

Notes to Financial Statements
As of and for the Year Ended June 30, 2024

D. Other post-employment benefit plan (continued)**8. Discount rate**

The discount rate used to measure the total OPEB liability was 6.625%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that Town contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the OPEB plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on OPEB plan investments was applied to all periods of projected benefit payments to determine the total OPEB liability.

9. Changes in the OPEB liability

The Town's OPEB liability was measured at June 30, 2024 and the total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation dated as noted below:

<u>Valuation Date: July 1, 2022</u>	<u>Increase (Decrease)</u>

E. Connecticut state teachers’ retirement board retiree health insurance plan

1. Plan description

Teachers, principals, superintendents or supervisors engaged in service of public schools that are currently receiving a retirement or disability benefit through the Connecticut Teachers' Retirement System are eligible to participate in the Connecticut State Teachers' Retirement System Retiree Health Insurance Plan ("TRS-RHIP") - a cost sharing multiple-employer defined benefit other post-employment benefit plan administered by the Teachers' Retirement Board ("TRB"). Chapter 167a Section 10-183t of the State Statutes grants authority to establish and amend the benefit terms to the TRB. TRS-RHIP issues a publicly available financial report that can be obtained at www.ct.gov/trb.

2. Benefit provisions

The Plan provides for retiree health insurance benefits to retired teachers and administrators of public schools. Eligibility is as follows:

Normal retirement	Age 60 with 20 years of credited service in Connecticut, or 35 years of credited service including at least 25 years of service in Connecticut
Early retirement	25 years of credited service including 20 years of Connecticut service, or age 55 with 20 years of credited service including 15 years of Connecticut service
Service connected disability service requirement	No service requirement
Non-service connected disability service requirement	5 years of credited service
Vesting - service	10 years of service

E. Connecticut state teachers’ retirement board retiree health insurance plan (continued)

Retiree health care coverage

Any member that is currently receiving a retirement or disability benefit is eligible to participate in the Plan. There are two types of health care benefits offered. Subsidized Local School District Coverage provides a subsidy paid to members still receiving coverage through their former employer and the CTRB Sponsored Medicare Supplemental Plans provide coverage for those participating in Medicare, but not receiving Subsidized Local School District Coverage.

Any member that is not currently participating in Medicare Parts A & B is eligible to continue health care coverage with their former employer.

The subsidy amounts are set by State statutes as follows:

Members that are not currently participating in Medicare Parts A & B	A subsidy of up to \$220 per month for a retired member plus an additional \$220 per month for a spouse enrolled in a local school district plan is provided to the school district to first offset the retiree’s share of the cost of coverage, any remaining portion is used to offset the district’s cost
Members who has attained the normal retirement age to participate in Medicare but is not eligible for Part A of Medicare without cost	A subsidy amount of \$440 per month may be paid for a retired member, spouse or the surviving spouse of a member who has attained the normal retirement age to participate in Medicare, is not eligible for Part A of Medicare without cost and contributes at least \$440 per month towards coverage under a local school district plan

Any member that is currently participating in Medicare Parts A & B is eligible to either continue health care coverage with their former employer, if offered, or enroll in the plan sponsored by the System. If they elect to remain in the plan with their former employer, the same subsidies as above will be paid to offset the cost of coverage.

If a member participating in Medicare Parts A & B so elects, they may enroll in one of the CTRB Sponsored Medicare Supplemental Plans. Active members, retirees, and the State pay equally toward the cost of the basic coverage (medical and prescription drug benefits).

Those participants electing vision, hearing, and/or dental are required by the System’s funding policy to pay the full cost of coverage for these benefits, and no liability is assumed by the Plan for these benefits.

3. Contributions

State of Connecticut

Per Connecticut General Statutes Section 10-183z, contribution requirements of active employees and the State of Connecticut are amended and certified by the State Teachers’ Retirement Board and appropriated by the General Assembly. The State pays for one third of plan costs through an annual appropriation in the General Fund.

E. Connecticut state teachers' retirement board retiree health insurance plan (continued)

Employer (school districts)

School district employers are not required to make contributions to the plan.

Employees/retirees

Employees: Each active member is required to contribute 1.25% of their pensionable wages

Retirees: Retirees are required to pay for 1/3 of the plan cost through monthly premiums

4. OPEB liabilities, OPEB expense, deferred outflows of resources and deferred inflows of resources related to OPEB

The Town reports no amounts for its proportionate share of the collective net OPEB liability, and related deferred outflows and inflows due to the statutory requirement that the State pay 100% of the required contribution. The amounts recognized by the Town as its proportionate share of the collective net OPEB liability, the related State support, and the total portion of the collective net OPEB liability that was associated with the Town were as follows:

Town's proportionate share of the net collective OPEB liability	\$ -
State's proportionate share of the collective net OPEB liability associated with the Town	<u>16,220,367</u>
Total	<u>\$ 16,220,367</u>
The plan recognized OPEB expense and revenue for on-behalf amounts for contributions to the plan by the State of:	<u>\$ 218,606</u>

The collective net OPEB liability was measured as of June 30, 2023, and the collective total OPEB liability used to calculate the collective net OPEB liability was determined by an actuarial valuation as of June 30, 2023. The Town has no proportionate share of the collective net OPEB liability.

5. Actuarial assumptions

The collective total OPEB liability was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Valuation date	June 30, 2023
Investment rate of return	3.00%
Discount rate	3.64%
Inflation	2.50%
Health care cost trend rate (Medicare)	5.125% decreasing to 4.50% by 2031
Salary increases	3.00-6.50%, including inflation
Mortality rates	Mortality rates were based on the PubT-2010 Table, projected generationally with MP-2019
Year fund net position will be depleted	2028

The actuarial assumptions used in the June 30, 2023 valuation were based on the results of an actuarial experience study for the 5-year period ending June 30, 2019.

Changes in assumptions and inputs

- The discount rate was increased from 3.53% to 3.64% to reflect the change in the Municipal Bond Index rate.

Long-term expected rate of return

The long-term expected rate of return on OPEB plan investments was determined using a log-normal distribution analysis in which best-estimate ranges of expected future real rates of return (expected returns, net of OPEB plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighing the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

All the plan assets are assumed to be invested in cash equivalents (treasuries). The expected 10-year geometric rate of return is 0.77%. The long-term real rate of return as of June 30, 2023 was 3.25%.

6. Discount rate

The discount rate used to measure the collective total OPEB liability was the Municipal Bond Index rate of 3.64%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that annual State contributions will equal the most recent 5-year average of state contributions.

Notes to Financial Statements
As of and for the Year Ended June 30, 2024**VI. Subsequent events**

In October 2024, the Town signed a loan agreement with the Housing Authority of the Town of New Canaan ("Housing Authority"), a separate entity. Under the agreement, the Town loaned \$4,000,000 to the Housing Authority as secondary financing for the purposes of completing the acquisition of the Riverwood New Canaan. The loan has an interest rate of the Town's interest rate on a 10-year tax exempt municipal bond plus 1.00% (planned to be issued in March 2025). Beginning November 1, 2024, the Housing Authority will make monthly interest payments only until the maturity date of October 8, 2034, on which date the loan will be due and payable in full.

VII. Recently issued GASB pronouncements

GASB Statement No. 101, "Compensated Absences", provides guidance on the accounting and financial reporting for compensated absences. The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning recognition and measurement guidance under a unified model and by amending certain previously required disclosures. The requirements of this Statement are effective for reporting periods beginning after December 15, 2023.

GASB Statement No. 102, "Certain Risk Disclosures", provides guidance on disclosure for risks related to a government's vulnerabilities due to certain concentrations or constraints. A concentration is defined as a lack of diversity related to an aspect of a significant inflow of resources or outflow of resources. A constraint is a limitation imposed on a government by an external party or by formal action of the government's highest level of decision-making authority. Concentrations and constraints may limit a government's ability to acquire resources or control spending.

Under this Statement, a government is required to assess whether an event or events associated with a concentration or constraint that could cause substantial impact have occurred, have begun to occur, or are more likely than not to begin to occur within 12 months of the date the financial statements are issued. The requirements of this Statement are effective for fiscal years beginning after June 15, 2024.

GASB Statement No. 103, "Financial Reporting Model Improvements", has been issued to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability. The requirements of this Statement are effective for reporting periods beginning after June 15, 2025.

This is not an all-inclusive list of recently issued GASB pronouncements but rather a listing of Statements that the Town believes will most impact its financial statements. The Town will evaluate the impact of this and other pronouncements may have on its financial statements and will implement them as applicable and when material.

Budgets and Budgetary Accounting

The General Fund and Sewer District Fund (a nonmajor special revenue fund) have legally adopted annual budgets.

The Town adheres to the following procedures in establishing the budgetary data included in the general fund financial statements:

Formal budgetary integration is employed as a management control device during the year.

The Town uses a basis of budgeting under which purchase orders for contracts or other commitments are recorded in order to reserve that portion of the applicable appropriation. Encumbrances are recognized as a valid and proper charge against a budget appropriation in the year in which the purchase order, contract or other commitment is issued and, accordingly, encumbrances outstanding at year end are reported in the budgetary statements included as required supplementary information.

This budget is adopted on a basis consistent with generally accepted accounting principles (modified accrual basis) with the following exceptions:

1. The Town does not recognize as revenue or expenditures payments made for the State Teachers pension and OPEB by the State of Connecticut on the Town's behalf.
2. Encumbrances are reported as expenditures for the budgetary basis of accounting.
3. Certain funds that are required to be reported as part of the general fund under the requirement of GASB No. 54.

<u>Reconciliation to Exhibit D</u>	<u>Revenues</u>	<u>Expenditures</u>
Budgetary basis - RSI 1A	\$ 162,220,278	\$ 163,340,623

Other funds (Schedule 2)	<u>24,479</u>	<u>8,726</u>
GAAP basis - Exhibit D	<u>\$ 178,527,850</u>	<u>\$ 179,964,012</u>

Requests for annual appropriations, except for the Board of Education, are submitted not later than the third Tuesday preceding the first Tuesday in February to the Selectmen. The Selectmen shall compile a recommended budget which shall be submitted to the Board of Finance for its consideration not later than the first Tuesday of February in each year.

The Board of Education submits its preliminary budget estimates to the Board of Selectmen, not later than the third Tuesday preceding the first Tuesday in February, and compiles and submits its recommended budget, directly to the Board of Finance, not later than the first Tuesday in February in each year.

Requests for capital expenditures are submitted to the Selectmen. The Selectmen shall submit to the Board of Finance, not later than two weeks after the first Tuesday of February, a recommended budget of such capital expenditures.

The Board of Finance shall prepare tentative budget recommendations and hold a public hearing which shall be held not later than the sixth Tuesday following the first Tuesday of February.

After the public hearing, the Board of Finance prepares and presents its recommendations to the Board of Selectmen, for submission to the Town Council.

The recommendations for appropriations prepared by the Board of Finance are delivered to the Selectmen not later than the seventh Tuesday following the first Tuesday of February.

The Town Council may approve, disapprove or reduce, but may not increase the amount of the appropriations.

The legal level of control, the level at which expenditures may not exceed appropriations, is at the department level.

Whenever the Board of Selectmen or the First Selectman requests a special appropriation, the Board of Finance shall deliver a recommendation to the Selectmen and the Selectmen shall present the recommendation to a meeting of the Town Council.

The Board of Finance, in accordance with the provisions of the Charter and the Connecticut General Statutes, is authorized to transfer unexpended balances from one appropriation to another, with the exception of the wage contingency account.

The Board of Education, which is not a separate legal entity but a function of the Town, is authorized under State law to make any transfers required within their budget at their discretion.

There were no additional appropriations during the year.

APPENDIX B – FORM OF OPINION OF BOND COUNSEL

March __, 2025

Town of New Canaan
77 Main Street
New Canaan, CT 06840

We have acted as Bond Counsel in connection with the issuance by the Town of New Canaan, Connecticut (the “Town”), of its \$ _____ General Obligation Bonds, Issue of 2025 (the “Bonds”) dated March __, 2025. In such capacity, we have examined a record of proceedings of the Town authorizing the Bonds, a Tax Regulatory Agreement of the Town dated the date hereof (the “Agreement”), such law and such other proceedings, certifications, and documents as we have deemed necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

We are of the opinion that when the Bonds are duly certified by U.S. Bank Trust Company, National Association, the Bonds will be valid and legally binding general obligations of the Town payable as to both principal and interest from ad valorem taxes which may be levied on all taxable property subject to taxation by the Town without limitation as to rate or amount except as to classified property such as certified forest lands taxable at a limited rate and dwelling houses of qualified elderly persons of low income or of qualified disabled persons taxable at limited amounts pursuant to Connecticut statutes. We are further of the opinion that the Agreement is a valid and binding agreement of the Town and was duly authorized by the Town.

The rights of the holders of the Bonds and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors’ rights generally and by equitable principles, whether considered at law or in equity.

The Internal Revenue Code of 1986 (the “Code”) establishes certain requirements that must be satisfied at and subsequent to the issuance and delivery of the Bonds in order that interest on the Bonds be excluded from gross income under Section 103 of the Code. In the Agreement, the Town has made covenants and representations designed to assure compliance with such requirements of the Code. The Town has covenanted in the Agreement that it will at all times comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds to ensure that interest on the Bonds shall not be included in gross income for federal income tax purposes retroactive to the date of issuance of the Bonds, including covenants regarding, among other matters, the use, expenditure and investment of the proceeds of the Bonds.

In rendering the below opinions regarding the federal treatment of interest on the Bonds, we have relied upon and assumed (i) the material accuracy of the representations, statements of intention and reasonable expectations, and certifications of fact contained in the Agreement, and (ii) continuing compliance by the Town with the covenants set forth in the Agreement as to such tax matters.

In our opinion, under existing statutes and court decisions, (i) interest on the Bonds is excluded from gross income for federal income tax purposes; and (ii) such interest is not an item of tax preference for purposes of the federal alternative minimum tax; however, such interest is taken into account in determining the annual adjusted financial statement income of certain corporations for the purpose of computing the alternative minimum tax imposed on corporations. We express no opinion regarding other federal income tax consequences caused by ownership or disposition of, or receipt of interest on the Bonds.

We are further of the opinion that, under existing statutes, interest on the Bonds is excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates and is excluded from amounts on which the net Connecticut minimum tax is based for individuals, trusts and estates required to pay the federal alternative minimum tax. We express no opinion regarding other state income tax consequences caused by ownership or disposition of, or receipt of interest on the Bonds.

We express no opinion herein regarding the accuracy, adequacy, or completeness of the Preliminary Official Statement, the Official Statement and other offering material relating to the Bonds.

The foregoing opinion is based upon existing laws, regulations, rules and court decisions. We undertake no responsibility to inform you of changes in law or fact occurring after the date hereof which may affect the conclusions herein. In addition, we have not undertaken to advise in the future whether any events after the date of issuance of the Bonds, including the adoption of federal tax legislation, may affect the tax status of interest on the Bonds.

Respectfully,

PULLMAN & COMLEY, LLC

APPENDIX C – FORM OF CONTINUING DISCLOSURE AGREEMENT

In accordance with the requirements of Rule 15c2-12 promulgated by the Securities and Exchange Commission, the Town will agree, pursuant to a Continuing Disclosure Agreement for the Bonds to be executed by the Town substantially in the following form, to provide, or cause to be provided, (i) annual financial information and operating data, (ii) in a timely manner not in excess of ten business days after the occurrence of the event, notice of the occurrence of certain events with respect to the Bonds, and (iii) timely notice of a failure by the Town to provide the required annual financial information on or before the date specified in the Continuing Disclosure Agreement for the Bonds.

CONTINUING DISCLOSURE AGREEMENT

This Continuing Disclosure Agreement (this “Agreement”) is executed and delivered as of March __, 2025, by the Town of New Canaan, Connecticut (the “Town”), acting by its undersigned officers, duly authorized, in connection with the issuance of \$ _____ General Obligation Bonds, Issue of 2025, dated March __, 2025 (the “Bonds”) for the benefit of the beneficial owners from time to time of the Bonds.

Section 1. Definitions.

For purposes of this Agreement, the following capitalized terms shall have the following meanings:

“Final Official Statement” means the official statement of the Town, dated March __, 2025, prepared in connection with the Bonds.

“Listed Events” means any of the events listed in Section 3 of this Agreement.

“MSRB” means the Municipal Securities Rulemaking Board established under the Securities Exchange Act of 1934, as amended, or any successor thereto.

“Repository” means the MSRB, through the operation of the Electronic Municipal Market Access (EMMA) system as described in 1934 Act Release No. 59061 and maintained by the MSRB for purposes of the Rule, or any other nationally recognized municipal securities information repository or organization recognized by the SEC from time to time for purposes of the Rule.

“Rule” means rule 15c2-12(b)(5) adopted by the SEC under the Securities Exchange Act of 1934, as of the date of this Agreement.

“SEC” means the Securities and Exchange Commission of the United States, or any successor thereto.

Section 2. Annual Financial Information.

(a) The Town agrees to provide, or cause to be provided, to the Repository in an electronic format, accompanied by identifying information, as prescribed by the MSRB, and otherwise in accordance with the provisions of the Rule and of this Agreement, annual financial information and operating data (commencing with information and data for the fiscal year ending June 30, 2025) as follows:

(i) Audited financial statements of the Town as of and for the year ending on its Fiscal Year End prepared in accordance with generally accepted accounting principles, as promulgated by the Government Accounting Standards Board from time to time or mandated state statutory principles as in effect from time to time. As of the date of this Agreement, the Town is required to prepare audited financial statements of its various funds and accounts.

(ii) In addition to the information and statements described in (i) above:

(A) amounts of the net taxable grand list applicable to the fiscal year,

(B) listing of the ten largest taxpayers on the applicable grand list, together with each such taxpayer’s taxable valuation thereon,

(C) percentage or amount of the annual property tax levy uncollected as of the close of the fiscal year,

- (D) schedule of annual debt service on outstanding long-term bonded indebtedness as of the close of the fiscal year,
- (E) calculation of total net debt as of the close of the fiscal year,
- (F) total bonded debt of the Town per capita,
- (G) ratios of the total bonded debt of the Town to the Town's net taxable grand list,
- (H) statement of statutory debt limitation as of the close of the fiscal year, and
- (I) funding status of the Town's pension benefit obligations.

(b) The financial statements and other financial information and operating data described above will be provided on or before the date eight (8) months after the close of the fiscal year for which such information is being provided. The Town's fiscal year currently ends on June 30. The Town agrees that if audited information is not available eight months after the close of any fiscal year, it shall submit unaudited information by such time and will submit audited information when available.

(c) Annual financial information or operating data may be provided in whole or in part by specific reference to other documents available to the public on the MSRB's Electronic Municipal Market Access (EMMA) system, the current internet web address of which is www.emma.msrb.org, or filed with the SEC. If the document to be cross-referenced is a final official statement, it must be available from the MSRB. The Town shall clearly identify each such other document so incorporated by cross-reference. All or a portion of the financial information and operating data may be provided in the form of a comprehensive annual financial report or the annual adopted budget.

(d) The Town reserves the right (i) to provide financial statements which are not audited if no longer required by law, (ii) to modify from time to time the format of the presentation of such information or data, and (iii) to modify the accounting principles it follows to the extent required by law, by changes in generally accepted accounting principles, or by changes in mandated statutory accounting principles as in effect from time to time, provided that the Town agrees that the exercise of any such right will be done in a manner consistent with the Rule.

(e) The Town may file information with the Repository, from time to time, in addition to that specifically required by this Agreement (a "Voluntary Filing"). If the Town chooses to make a Voluntary Filing, the Town shall have no obligation under this Agreement to update information contained in such Voluntary Filing or include such information in any future filing. Notwithstanding the foregoing provisions of this Section 2(e), the Town is under no obligation to provide any Voluntary Filing.

Section 3. Reporting of Listed Events.

The Town agrees to provide, or cause to be provided, to the Repository in an electronic format, accompanied by identifying information, as prescribed by the MSRB, notice of the occurrence of any of the following Listed Events with respect to the Bonds, in a timely manner not later than ten (10) business days after the occurrence of any such Listed Event:

- (a) principal and interest payment delinquencies;
- (b) non-payment related defaults, if material;
- (c) unscheduled draws on debt service reserves reflecting financial difficulties;
- (d) unscheduled draws on credit enhancements reflecting financial difficulties;
- (e) substitution of credit or liquidity providers, or their failure to perform;
- (f) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;

- (g) modifications to rights of holders of the Bonds, if material;
- (h) Bond calls, if material, and tender offers;
- (i) defeasances;
- (j) release, substitution, or sale of property securing repayment of the Bonds, if material;
- (k) rating changes;
- (l) bankruptcy, insolvency, receivership or similar event of the Town;

Note to clause (l): For the purposes of the event identified in clause (l) above, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the Town in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or government authority has assumed jurisdiction over substantially all of the assets or business of the Town, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Town;

- (m) the consummation of a merger, consolidation, or acquisition involving the Town or the sale of all or substantially all of the assets of the Town, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (n) appointment of a successor or additional trustee or the change of name of trustee, if material;
- (o) incurrence of a financial obligation, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation, any of which affect security holders, if material; and
- (p) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of the financial obligation of the Issuer, any of which reflect financial difficulties.

Note to clauses (o) and (p): For the purposes of the events identified in clauses (o) and (p), the term “financial obligation” means a (i) debt obligation; (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) guarantee of (i) or (ii). The term “financial obligation” shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

Section 4. Notice of Failure to Provide Annual Financial Information.

The Town agrees to provide, or cause to be provided, in a timely manner, to the Repository in an electronic format, accompanied by identifying information, as prescribed by the MSRB, notice of any failure by the Town to provide annual financial information as set forth in Section 2(a) hereof on or before the date set forth in Section 2(b) hereof.

Section 5. Use of Agents.

Annual financial information and operating data and notices to be provided pursuant to this Agreement may be provided by the Town or by any agents which may be employed by the Town for such purpose from time to time.

Section 6. Termination.

The obligations of the Town under this Agreement shall terminate upon the earlier of (i) payment or legal defeasance, at maturity or otherwise, of all of the Bonds, or (ii) such time as the Town ceases to be an obligated person with respect to the Bonds within the meaning of the Rule.

Section 7. Enforcement.

The Town acknowledges that the undertakings set forth in Sections 2, 3 and 4 of this Agreement are intended to be for the benefit of, and enforceable by, the beneficial owners from time to time of the Bonds. In the event the Town shall fail to perform its duties hereunder, the Town shall have the option to cure such failure within a reasonable time (but not exceeding thirty (30) days with respect to undertakings set forth in Section 2 of this Agreement or five (5) business days with respect to undertakings set forth in Sections 3 and 4 of this Agreement) from the time the First Selectman, or a successor, receives written notice from any beneficial owner of the Bonds of such failure. For purposes of this section, notice to the Town should be made to the First Selectman, Town of New Canaan, 77 Main Street, New Canaan, CT 06840.

In the event the Town does not cure such failure within the time specified above, the beneficial owner of any of the Bonds shall be entitled only to the remedy of specific performance. No monetary damages shall arise or be payable hereunder nor shall any failure to comply with this Agreement constitute an event of default with respect to the Bonds.

Section 8. Miscellaneous.

(a) The Town shall have no obligation to provide any information, data or notices other than as set forth in this Agreement; provided, however, nothing in this Agreement shall be construed as prohibiting the Town from providing such additional information, data or notices from time to time as it deems appropriate in connection with the Bonds. If the Town elects to provide any such additional information, data or notices, the Town shall have no obligation under this Agreement to update or continue to provide further additional information, data or notices of the type so provided.

(b) This Agreement shall be governed by the laws of the State of Connecticut.

(c) Notwithstanding any other provisions of this Agreement, the Town may amend this Agreement, and any provision of this Agreement may be waived, if (i) such amendment or waiver is made in connection with a change of circumstances that arises from a change in legal requirements, a change in law, or a change in the identity, nature or status of the Town, (ii) this Agreement as so amended or waived would have complied with the requirements of the Rule as of the date of this Agreement, taking into account any amendments or interpretations of the Rule, as well as any change in circumstances, and (iii) such amendment or waiver is supported by either an opinion of counsel expert in federal securities laws to the effect that such amendment or waiver would not materially adversely affect the beneficial owners of the Bonds or an approving vote by the holders of not less than 66 2/3% of the aggregate principal amount of the Bonds then outstanding. A copy of any such amendment or waiver will be filed in a timely manner with the Repository in electronic format. The annual financial information provided on the first date following adoption of any such amendment or waiver will explain, in narrative form, the reasons for the amendment or waiver and the impact of the change in the type of operating or financial information provided.

2033	1,990,000	2043	1,395,000
2034	1,990,000	2044	1,395,000
2035	1,990,000	2045	1,395,000

The Bonds will bear interest commencing September 15, 2025 and semiannually thereafter on March 15 and September 15 in each year until maturity, as further described in the Preliminary Official Statement (as hereinafter defined), at the rate or rates per annum specified by the winning bidder.

Optional Redemption

The Bonds maturing on or before March 15, 2031 are not subject to redemption prior to maturity. The Bonds maturing on March 15, 2032 and thereafter are subject to redemption prior to maturity, at the option of the Issuer, on and after March 15, 2031, at any time, in whole or in part, and by lot withing a maturity, in such amounts and in such order of maturity as the Issuer may determine at the redemption price or prices (expressed as a percentage of the principal amount of the Bonds to be redeemed) set forth in the following table, together with interest accrued and unpaid to the redemption date:

<u>Redemption Dates</u>	<u>Redemption Price</u>
March 15, 2031 and thereafter	100.0%

Nature of Obligation

The Bonds will constitute general obligations of the Issuer, and the Issuer will pledge its full faith and credit to pay the principal of and interest on the Bonds when due. Unless paid from other sources, the Bonds are payable from ad valorem taxes which may be levied on all taxable property subject to taxation by the Issuer without limit as to rate or amount, except as to classified property such as certified forest lands taxable at a limited rate and dwelling houses of qualified elderly persons of low income or of qualified disabled persons taxable at limited amounts pursuant to provisions of the Connecticut General Statutes, as amended.

Bank Qualification

The Bonds SHALL NOT be designated by the Issuer as qualified tax exempt obligations under the provisions of Section 265(b)(3) of the Internal Revenue Code of 1986 for purposes of the deduction by financial institutions for interest expense allocable to the Bonds.

Registration

The Bonds will be issued by means of a book-entry system with no physical distribution of bond certificates made to the public. The Bonds will be issued in registered form and one bond certificate for each maturity will be issued to The Depository Trust Company (“DTC”), New York, New York, registered in the name of its nominee, Cede & Co., and immobilized in its custody. A book-entry system will be employed, evidencing ownership of the Bonds in principal amounts of \$5,000 or any integral multiple thereof, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures adopted by DTC and its participants. The purchaser, as a condition to delivery of the Bonds, will be required to deposit the bond certificates with DTC, registered in the name of Cede & Co. Principal of, redemption premium, if any, and interest on the Bonds will be payable by the Issuer or its agent to DTC or its nominee as registered owner of the Bonds. Principal and interest payments by DTC to participants of DTC will be the responsibility of DTC; principal and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The Issuer will not be responsible or liable for payments by DTC to its participants or by DTC participants or indirect participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants. Upon receipt from the Issuer, the Paying Agent will pay principal of and interest on the Bonds directly to DTC so long as DTC or its nominee, Cede & Co, is the bondholder.

In the event that (a) DTC determines not to continue to act as securities depository for the Bonds and the Issuer fails to identify another qualified securities depository to replace DTC, or (b) the Issuer determines to discontinue the book-entry system of evidence and transfer of ownership of the Bonds, the Issuer will authenticate and deliver replacement Bonds in the form of fully registered certificates. Any such replacement Bonds will provide that interest will be payable by check mailed by the Paying Agent to the registered owner whose name appears on the registration books of the Issuer as of the close of business on the record date preceding each interest payment date.

Record Date

The record dates for the Bonds will be the last business day of February and August in each year.

Proposals

Each bid must be for the entire \$34,995,000 of the Bonds. Each proposal must specify the amount bid for the Bonds (which shall be the aggregate par value of the Bonds, and, at the option of the bidder, a premium), and must specify in a multiple of one-twentieth of one percent (1/20 of 1%) or one-eighth of one percent (1/8 of 1%) the rate or rates of interest per annum which the Bonds are to bear, provided that such proposal shall not state (a) more than one interest rate for any Bonds having a like maturity or (b) any interest rate for any Bonds of one maturity which exceeds the interest rate stated in such proposal for Bonds of a different maturity by more than three (3) percentage points. In addition to the amount bid for the Bonds, the purchaser must pay an amount equal to the interest on the Bonds accrued to the date of delivery. For the purpose of the bidding process, the time as maintained on **PARITY**® shall constitute the official time. For information purposes only, bidders are requested to state in their bids the true interest cost (“TIC”) to the Issuer, as described under “Basis of Award” below, represented by the rate or rates of interest and the bid price specified in their respective bids. Interest shall be calculated on the basis of a 360-day year consisting of twelve 30-day months. No proposal for less than par and accrued interest to the date of delivery will be considered.

Basis of Award; Right to Reject Proposals; Waiver; Right to Cancel; Postponement; Change of Terms

Unless all bids are rejected, as between proposals which comply with this Notice of Sale, the Bonds will be awarded to the bidder whose bid proposes the lowest true interest cost (“TIC”) to the Issuer. The TIC will be the annual interest rate, compounded semiannually, which, when used to discount all payments of principal and interest payable on the Bonds results in an amount equal to the purchase price for the Bonds, excluding interest accrued to the date of delivery. If there is more than one bidder making said offer at the same lowest TIC, the Bonds will be sold to the bidder whose proposal is selected by the Issuer by lot from among all such proposals. It is requested that each proposal be accompanied by a statement of the percentage of TIC computed and rounded to six decimal places. Such statement shall not be considered as part of the proposal. The purchase price must be paid in immediately available federal funds.

The right is reserved to reject any and all proposals and to reject any proposal not complying with this Notice of Sale and to waive any irregularity or informality with respect to any proposal.

The Issuer further reserves the right to cancel or postpone the sale to another time and date in its sole discretion for any reason, including Internet difficulties. The Issuer will use its best efforts to notify prospective bidders in a timely manner of any need for a cancellation or postponement. Upon the establishment of an alternative sale date, any bidder may submit proposals for the purchase of the Bonds in accordance with the provisions of this Notice of Sale.

CUSIP Numbers

The deposit of the Bonds with DTC under a book-entry system requires the assignment of CUSIP numbers prior to delivery. It shall be the responsibility of the purchaser to apply for CUSIP numbers for the Bonds prior to delivery. Neither the failure to print such CUSIP number on any bond, nor any error with respect thereto, shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid for by the Issuer; provided, however, that the Issuer assumes no responsibility for any CUSIP Service Bureau charge or other charge that may be imposed for the assignment of such numbers, which charges shall be the responsibility of and shall be paid for by the purchaser.

Electronic Proposals Bidding Procedure

Electronic bids for the purchase of the Bonds must be submitted through the facilities of **PARITY®**. Any prospective bidder must be a subscriber of i-Deal's BiDCOMP competitive bidding system. Further information about **PARITY®**, including any fee charged, may be obtained from **PARITY®**, c/o i-Deal LLC, 1359 Broadway, 2nd Floor, New York, New York 10018, Attention: Customer Support (telephone: (212) 849-5021 – email notice: parity@i-deal.com). The Issuer neither will confirm any subscription nor be responsible for any failure of a prospective bidder to subscribe.

Once an electronic bid made through the facilities of **PARITY®** is communicated to the Issuer, it shall constitute an irrevocable offer, in response to this Notice, and shall be binding upon the bidder as if made by the signed, sealed bid delivered to the Issuer. By submitting a bid for the Bonds via **PARITY®**, the bidder represents and warrants to the Issuer that such bidder's bid for the purchase of the Bonds is submitted for and on behalf of such prospective bidder by an officer or agent who is duly authorized to bind the prospective bidder by an irrevocable offer and that acceptance of such bid by the Issuer will bind the bidder by a legal, valid and enforceable contract, for the purchase of the Bonds on the terms described in this Notice. **The Issuer shall not be responsible for any malfunction or mistake made by, or as a result of the use of the facilities of PARITY®, or the inaccuracies of any information, including bid information or worksheets supplied by PARITY®, the use of PARITY® facilities being the sole risk of the prospective bidder. Each Bidder is solely responsible for knowing the terms of the sale as set forth herein.**

Disclaimer. Each **PARITY®** prospective electronic bidder shall be solely responsible to make necessary arrangements to access **PARITY®** for the purpose of submitting its bid in a timely manner and in compliance with the requirements of this Notice. Neither the Issuer nor **PARITY®** shall have any duty or obligation to undertake such arrangements to bid for any prospective bidder or to provide or assure such access to any prospective bidder, and neither the Issuer or **PARITY®** shall be responsible for a bidder's failure to make a bid or for the proper operation of, or have any liability for any delays or interruptions of, or any damages caused by, **PARITY®**. The Issuer is using **PARITY®** as a communication mechanism, and not as the Issuer's agent, to conduct the electronic bidding for the Bonds. The Issuer is not bound by any advice and determination of **PARITY®** to the effect that any particular bid complies with the terms of this Notice and in particular the bid requirements herein set forth. All costs and expenses incurred by prospective bidders in connection with their subscription to, arrangements with and submission of bids via **PARITY®** are the sole responsibility of the bidders; and the Issuer is not responsible directly or indirectly, for any of such costs or expenses. If the prospective bidder encounters any difficulty in arranging to bid or submitting, modifying or withdrawing a bid for the Bonds, the prospective bidder should telephone **PARITY®** at (212) 849-5021. If any provision of this Notice shall conflict with information provided by **PARITY®**, this Notice shall control.

For the purpose of the electronic bidding process, the time maintained on **PARITY®** shall constitute the official time.

Certifying Agent, Registrar, Paying Agent and Transfer Agent

The Bonds will be authenticated by U.S. Bank Trust Company, National Association, Hartford, Connecticut. U.S. Bank Trust Company, National Association will also act as Registrar, Paying Agent and Transfer Agent.

Delivery, Payment and Closing Requirements

At or prior to the delivery of the Bonds the purchaser shall be furnished, without cost, with (a) the approving opinion of Pullman & Comley, LLC of Hartford, Connecticut, Bond Counsel (“Bond Counsel”) (see “Bond Counsel Opinion” below); (b) a signature and no litigation certificate, in form satisfactory to said firm, dated as of the date of delivery of the Bonds, and stating that there is no litigation pending, or to the knowledge of the signer or signers thereof threatened, affecting the validity of the Bonds or the power of the Issuer to levy and collect taxes to pay them; (c) a signed copy of the Official Statement prepared for this bond issue; (d) a certificate of Issuer Officials relating to the accuracy and completeness of the Official Statement; (e) a Continuing Disclosure Agreement; and (f) a receipt of payment for the Bonds.

The Bonds will be delivered against payment in immediately available federal funds through the facilities of DTC, New York, New York or its agent via Fast Automated Securities Transfer (“FAST”) on or about March 18, 2025 (the “Closing Date”).

The Issuer will have no responsibility to pay for any expenses of the purchaser except to the extent specifically stated in this Notice of Sale. The purchaser will have no responsibility to pay for any of the Issuer’s costs of issuance except to the extent specifically stated in this Notice of Sale.

The purchaser will be responsible for the clearance or exemption with respect to the status of the Bonds for sale under securities or “Blue Sky” laws and the preparation of any surveys or memoranda in connection with such sale. The Issuer shall have no responsibility for such clearance, exemption or preparation.

Bond Counsel Opinion

The legality of the issue will be passed upon by Bond Counsel, and the purchaser will be furnished with its opinion, without charge, substantially in the form set forth in Appendix B to the Official Statement. The opinion will state that the Bonds are valid and binding obligations of the Issuer. If the Competitive Sale Rule (as defined below in the “Establishment of Issue Price” section) is met, Bond Counsel will require as a precondition to release of its opinion that the purchaser of such Bonds deliver to it a completed “issue price” certificate, or similar certificate, regarding expectations or public offering prices, as applicable, with respect to the Bonds awarded to such bidder, as described below under “Establishment of Issue Price”.

Establishment of Issue Price

In order to provide the Issuer with information that enables it to comply with certain requirements of the Internal Revenue Code of 1986 (the “Code”), relating to the exclusion of interest on the Bonds from the gross income of their owners, the winning bidder will be required to complete, execute, and deliver to the Issuer at or prior to the delivery of the Bonds an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the Public (the “Initial Offering Price”) or the actual sales price or prices of the Bonds, as circumstances may determine, together with the supporting pricing wires or equivalent communications, with such modifications as may be appropriate or necessary, in the reasonable judgment of Bond Counsel. Communications relating to this “Establishment of Issue Price” section, the completed certificate(s) and any supporting information shall be delivered to (1) Bond Counsel at Sandra Dawson, Esq., Pullman & Comley, LLC, 90 State House Square, Hartford, CT 06103, Telephone: (860) 424-4348, E-mail: sdawson@pullcom.com and (2) the Municipal Advisor at William Lindsay, Munistat Services, Inc., 129 Samson Rock Drive, Suite A, Madison, CT 06443, Telephone: (203) 421-2880, E-mail: Bill.Lindsay@munistat.com (the “Municipal Advisor”). Questions related to this “Establishment of Issue Price” section should be directed to Bond Counsel or the Municipal Advisor. For purposes of this “Establishment of Issue Price” section, Bond Counsel may act on behalf of the Issuer and the Municipal Advisor may act on behalf of the Issuer.

By submitting a bid, each bidder is certifying that its bid is a firm offer to purchase the Bonds, is a good faith offer which the bidder believes reflects current market conditions, and is not a “courtesy bid” being submitted for the purpose of assisting in meeting the competitive sale requirements relating to the establishment of the “issue price” of the Bonds pursuant to Section 148 of the Code, including the requirement that bids be received from at least three (3) underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds.

By submitting a bid, a bidder represents to the Issuer that it has an established industry reputation for underwriting new issuances of municipal bonds such as the Bonds, represents that such bidder’s bid is submitted for or on behalf of such bidder by an officer or agent who is duly authorized to bind the bidder to a legal, valid and enforceable contract for the purchase of the Bonds, and understands that upon award by the Issuer that this Notice of Sale constitutes a written contract between such bidder, as winning bidder, and the Issuer.

By submitting a bid, the bidder agrees that if the Competitive Sale Rule (as set forth below) is not met, it will satisfy either the Actual Sales Rule (as set forth below) or the Hold-the-Offering-Price Rule (as set forth below).

Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied.

Notification of Contact Information of Winning Bidder. Promptly upon award, the winning bidder shall notify the Municipal Advisor and Bond Counsel of the contact name, telephone number and e-mail address of the person(s) of the winning bidder for purposes of communications concerning this “Establishment of Issue Price” section.

Competitive Sale Rule. The Issuer intends that the provisions of Treasury Regulations Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “Competitive Sale Rule”) because:

- (1) the Issuer shall disseminate, or have disseminated on its behalf, this Notice of Sale to potential bidders in a manner that is reasonably designed to reach potential bidders;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the Issuer anticipates receiving bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the Issuer anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the lowest true interest cost (“TIC”), as set forth in this Notice of Sale.

Competitive Sale Rule Met. The Issuer, or the Municipal Advisor on behalf of the Issuer, shall at the time of award advise the winning bidder if the Competitive Sale Rule has been met. Within two (2) hours of award (or such other time as agreed to by Bond Counsel), the winning bidder shall provide Bond Counsel and the Municipal Advisor, via e-mail, a completed “ISSUE PRICE CERTIFICATE” in the form attached hereto as Attachment A.

Competitive Sale Rule Not Met. In the event that the Competitive Sale Rule is not satisfied, the Issuer, or the Municipal Advisor on behalf of the Issuer, shall at the time of award advise the winning bidder. The Issuer may determine to treat (i) the first price at which ten percent (10%) of a Maturity of the Bonds (the “Actual Sales Rule”) is sold to the Public as the issue price of that Maturity, and/or (ii) the Initial Offering Price to the Public as of the Sale Date of any Maturity of the Bonds as the issue price of that Maturity (the “Hold-the-Offering-Price Rule”), in each case applied on a Maturity-by-Maturity basis. In the event that the Competitive Sale Rule is not satisfied, the winning bidder, by 4:30 p.m. (E.T.) on the Sale Date, shall notify and provide, via e-mail, Bond Counsel and the Municipal Advisor (I) of the first price at which ten percent (10%) of each Maturity of Bonds has been sold to the Public and (II) reasonable supporting documentation or certifications of such price the form of which is acceptable to Bond Counsel; i.e., those Maturities of the Bonds that satisfy the Actual Sales Rule as of the Sale Date. After such receipt, the Issuer, or Bond Counsel on behalf of the Issuer, shall promptly confirm with the winning bidder, via e-mail, which Maturities of the Bonds shall be subject to the Actual Sales Rule and which Maturities shall be subject to the Hold-the-Offering-Price Rule.

For those Maturities of Bonds subject to the Hold-the-Offering-Price Rule, the winning bidder shall (i) provide Bond Counsel (via e-mail) a copy of pricing wire or equivalent communication for the Bonds (ii) confirm that each Underwriter (as defined below) has offered or will offer all of the Bonds to the Public on or before the date of award at the Initial Offering Prices and (ii) agree, on behalf of each Underwriter participating in the purchase of the Bonds, that each Underwriter will neither offer nor sell unsold Bonds of any Maturity to which the Hold-the-Offering-Price Rule shall apply to any person at a price that is higher than the Initial Offering Price for such Maturity during the period starting on the Sale Date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the Sale Date; or
- (2) the date on which the Underwriters have sold at least ten percent (10%) of that Maturity of the Bonds to the Public at a price that is no higher than the Initial Offering Price.

The winning bidder shall promptly advise Bond Counsel and the Municipal Advisor, via e-mail, when the Underwriters have sold ten percent (10%) of that Maturity of the Bonds to the Public at a price that is no higher than the Initial Offering Price, if that occurs prior to the close of the fifth (5th) business day after the Sale Date.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each Underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, to (A) report the prices at which it sells to the Public the unsold Bonds of each Maturity allotted to it until it is notified by the winning bidder that either the Actual Sales Rule has been satisfied as to the Bonds of that Maturity or all Bonds of that Maturity have been sold to the Public and (B) comply with the Hold-the-Offering-Price Rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each Underwriter that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the Public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the Public the unsold Bonds of each Maturity allotted to it until it is notified by the winning bidder or such Underwriter that either the Actual Sales Rule has been satisfied as to the Bonds of that Maturity or all Bonds of that Maturity have been sold to the Public and (B) comply with the Hold-the-Offering-Price Rule, if applicable, in each case if and for so long as directed by the winning bidder or such Underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a Related Party (as defined below) to an Underwriter shall not constitute sales to the Public for purposes of this Notice of Sale.

Definitions. For purposes of this “Establishment of Issue Price” section:

- (1) “Maturity” means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.
- (2) “Public” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a Related Party to an Underwriter.
- (3) “Related Party” generally means any two or more persons who have greater than 50% common ownership, directly or indirectly.
- (4) “Underwriter” means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead Underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this definition to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the Public).

Official Statement

For more information regarding the Bonds or the Issuer, reference is made to the Preliminary Official Statement dated February 25, 2025 (the “Official Statement”) describing the Bonds and the financial condition of the Issuer. The Preliminary Official Statement is available in electronic format at www.i-dealprospectus.com and www.munistat.com, and such electronic access is being provided as a matter of convenience only. Copies of the Preliminary Official Statement may be obtained from William Lindsay, Munistat Services, Inc., 129 Samson Rock Drive, Suite A, Madison, CT 06443, Telephone: (203) 421-2880, E-mail: Bill.Lindsay@munistat.com. The Issuer deems such Official Statement to be a final official statement for purposes of complying with Securities and Exchange Commission Rule 15c2-12 (the “Rule”), but such Official Statement is subject to revision or amendment as appropriate. The Issuer will make available to the purchaser a reasonable number of copies of the final Official Statement at the Issuer’s expense, and the final Official Statement will be made available to the purchaser by no later than the earlier of the delivery of the Bonds or by the seventh (7th) business day after the day bids on the Bonds are received. If the Issuer’s Municipal Advisor, is provided with the necessary information from the purchaser by 12:00 o’clock noon on the day after the Sale Date, he copies of the final Official Statement will include an additional cover page and other pages, if necessary, indicating the interest rates, rating(s), yields or reoffering prices and the name of the managing underwriter of the Bonds, and any corrections. The purchaser shall arrange with the Municipal Advisor the method of delivery of the copies of the final Official Statement to the purchaser. Additional copies of the final Official Statement may be obtained by the purchaser at its own expense by arrangement with the printer.

Continuing Disclosure Agreement

As required by the Rule, the Issuer will undertake, pursuant to a Continuing Disclosure Agreement (the “Agreement”), to provide annual financial information and operating data including audited financial statements, notice of the occurrence of certain events with respect to the Bonds within ten (10) business days of such event, and timely notice of any failure by the Issuer to provide annual reports on or before the date specified in the Agreement. A form of the Agreement is attached to the Official Statement as Appendix C. The purchaser’s obligation to purchase the Bonds shall be conditioned upon its receiving, at or prior to delivery of the Bonds, an executed Agreement.

ISSUE PRICE CERTIFICATE

(If Competitive Sale Rule Met)

TOWN OF NEW CANAAN, CONNECTICUT
\$ _____ GENERAL OBLIGATION BONDS, ISSUE OF 2025
Dated March 18, 2025

The undersigned, on behalf of [UNDERWRITER] (“[SHORT NAME OF UNDERWRITER]”), hereby certifies as set forth below with respect to the sale of the above-captioned obligations (the “Bonds”).

1. ***Due Authorization.*** The undersigned is a duly authorized representative of [SHORT NAME OF UNDERWRITER], the purchaser of the Bonds.

2. ***Purchase Price.*** The TOWN OF NEW CANAAN, CONNECTICUT (the “Issuer”) sold to [SHORT NAME OF UNDERWRITER], for delivery on or about March 18, 2025, the Bonds at a price of par (\$ _____), plus an aggregate net premium of \$ _____ and less an underwriter’s discount of \$ _____, resulting in an aggregate net purchase price of \$ _____.

3. ***Reasonably Expected Initial Offering Price.***

(a) As of March 4, 2025 (the “Sale Date”), the reasonably expected initial offering prices of the Bonds to the Public by [SHORT NAME OF UNDERWRITER] are the prices listed in **Schedule A** (the “Expected Offering Prices”). The Expected Offering Prices are the prices for the Maturities of the Bonds used by [SHORT NAME OF UNDERWRITER] in formulating its bid to purchase the Bonds. Attached as **Schedule B** is a true and correct copy of the bid provided by [SHORT NAME OF UNDERWRITER] to purchase the Bonds.

(b) [SHORT NAME OF UNDERWRITER] was not given the opportunity to review other bids prior to submitting its bid.

(c) The bid submitted by [SHORT NAME OF UNDERWRITER] constituted a firm offer to purchase the Bonds.

4. ***Defined Terms.***

(a) “Maturity” means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.

(b) “Public” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this certificate generally means any two or more persons who have greater than fifty percent (50%) common ownership, directly or indirectly.

(c) “Underwriter” means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this definition to participate in the initial sale of the Bonds to the Public (including a member of the selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the Public).

5. ***Representations and Information.*** The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents [SHORT NAME OF UNDERWRITER]’s interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986 and the Treasury Regulations thereunder (collectively, the “Code”). The undersigned understands that the foregoing information will be relied upon by the Issuer in making its certification as to issue price of the Bonds under the Code and with respect to compliance with the federal income tax rules affecting the Bonds. Pullman & Comley, LLC, bond counsel, may rely on the foregoing representations in rendering its opinion on the exclusion from federal gross income of the interest on the Bonds, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer relating to the Bonds. Except as set forth above, no third party may rely on the foregoing certifications, and no party may rely hereon for any other purpose.

IN WITNESS WHEREOF, the undersigned has executed this Certificate as of March ____, 2025.
